Je dédie cet album à tous(tes) les rêveurs(ses), fans de comics, d'aventures intersidérales, de combats en pyjamas indestructibles plus ou moins bariolés, aux auteurs élevés au lait éternel de Stan Lee, John et Sal Buscema, Franck Miller, Alex Ross, Mitton et j'en passe... bref, aux lecteurs qui, comme moi, aiment parcourir des univers fantastiques à travers des cases et des pages d'illustrés.

Merci Christophe et Olivier pour cette "parenthèse" 100% délire.
