Un joyeux dimanche.

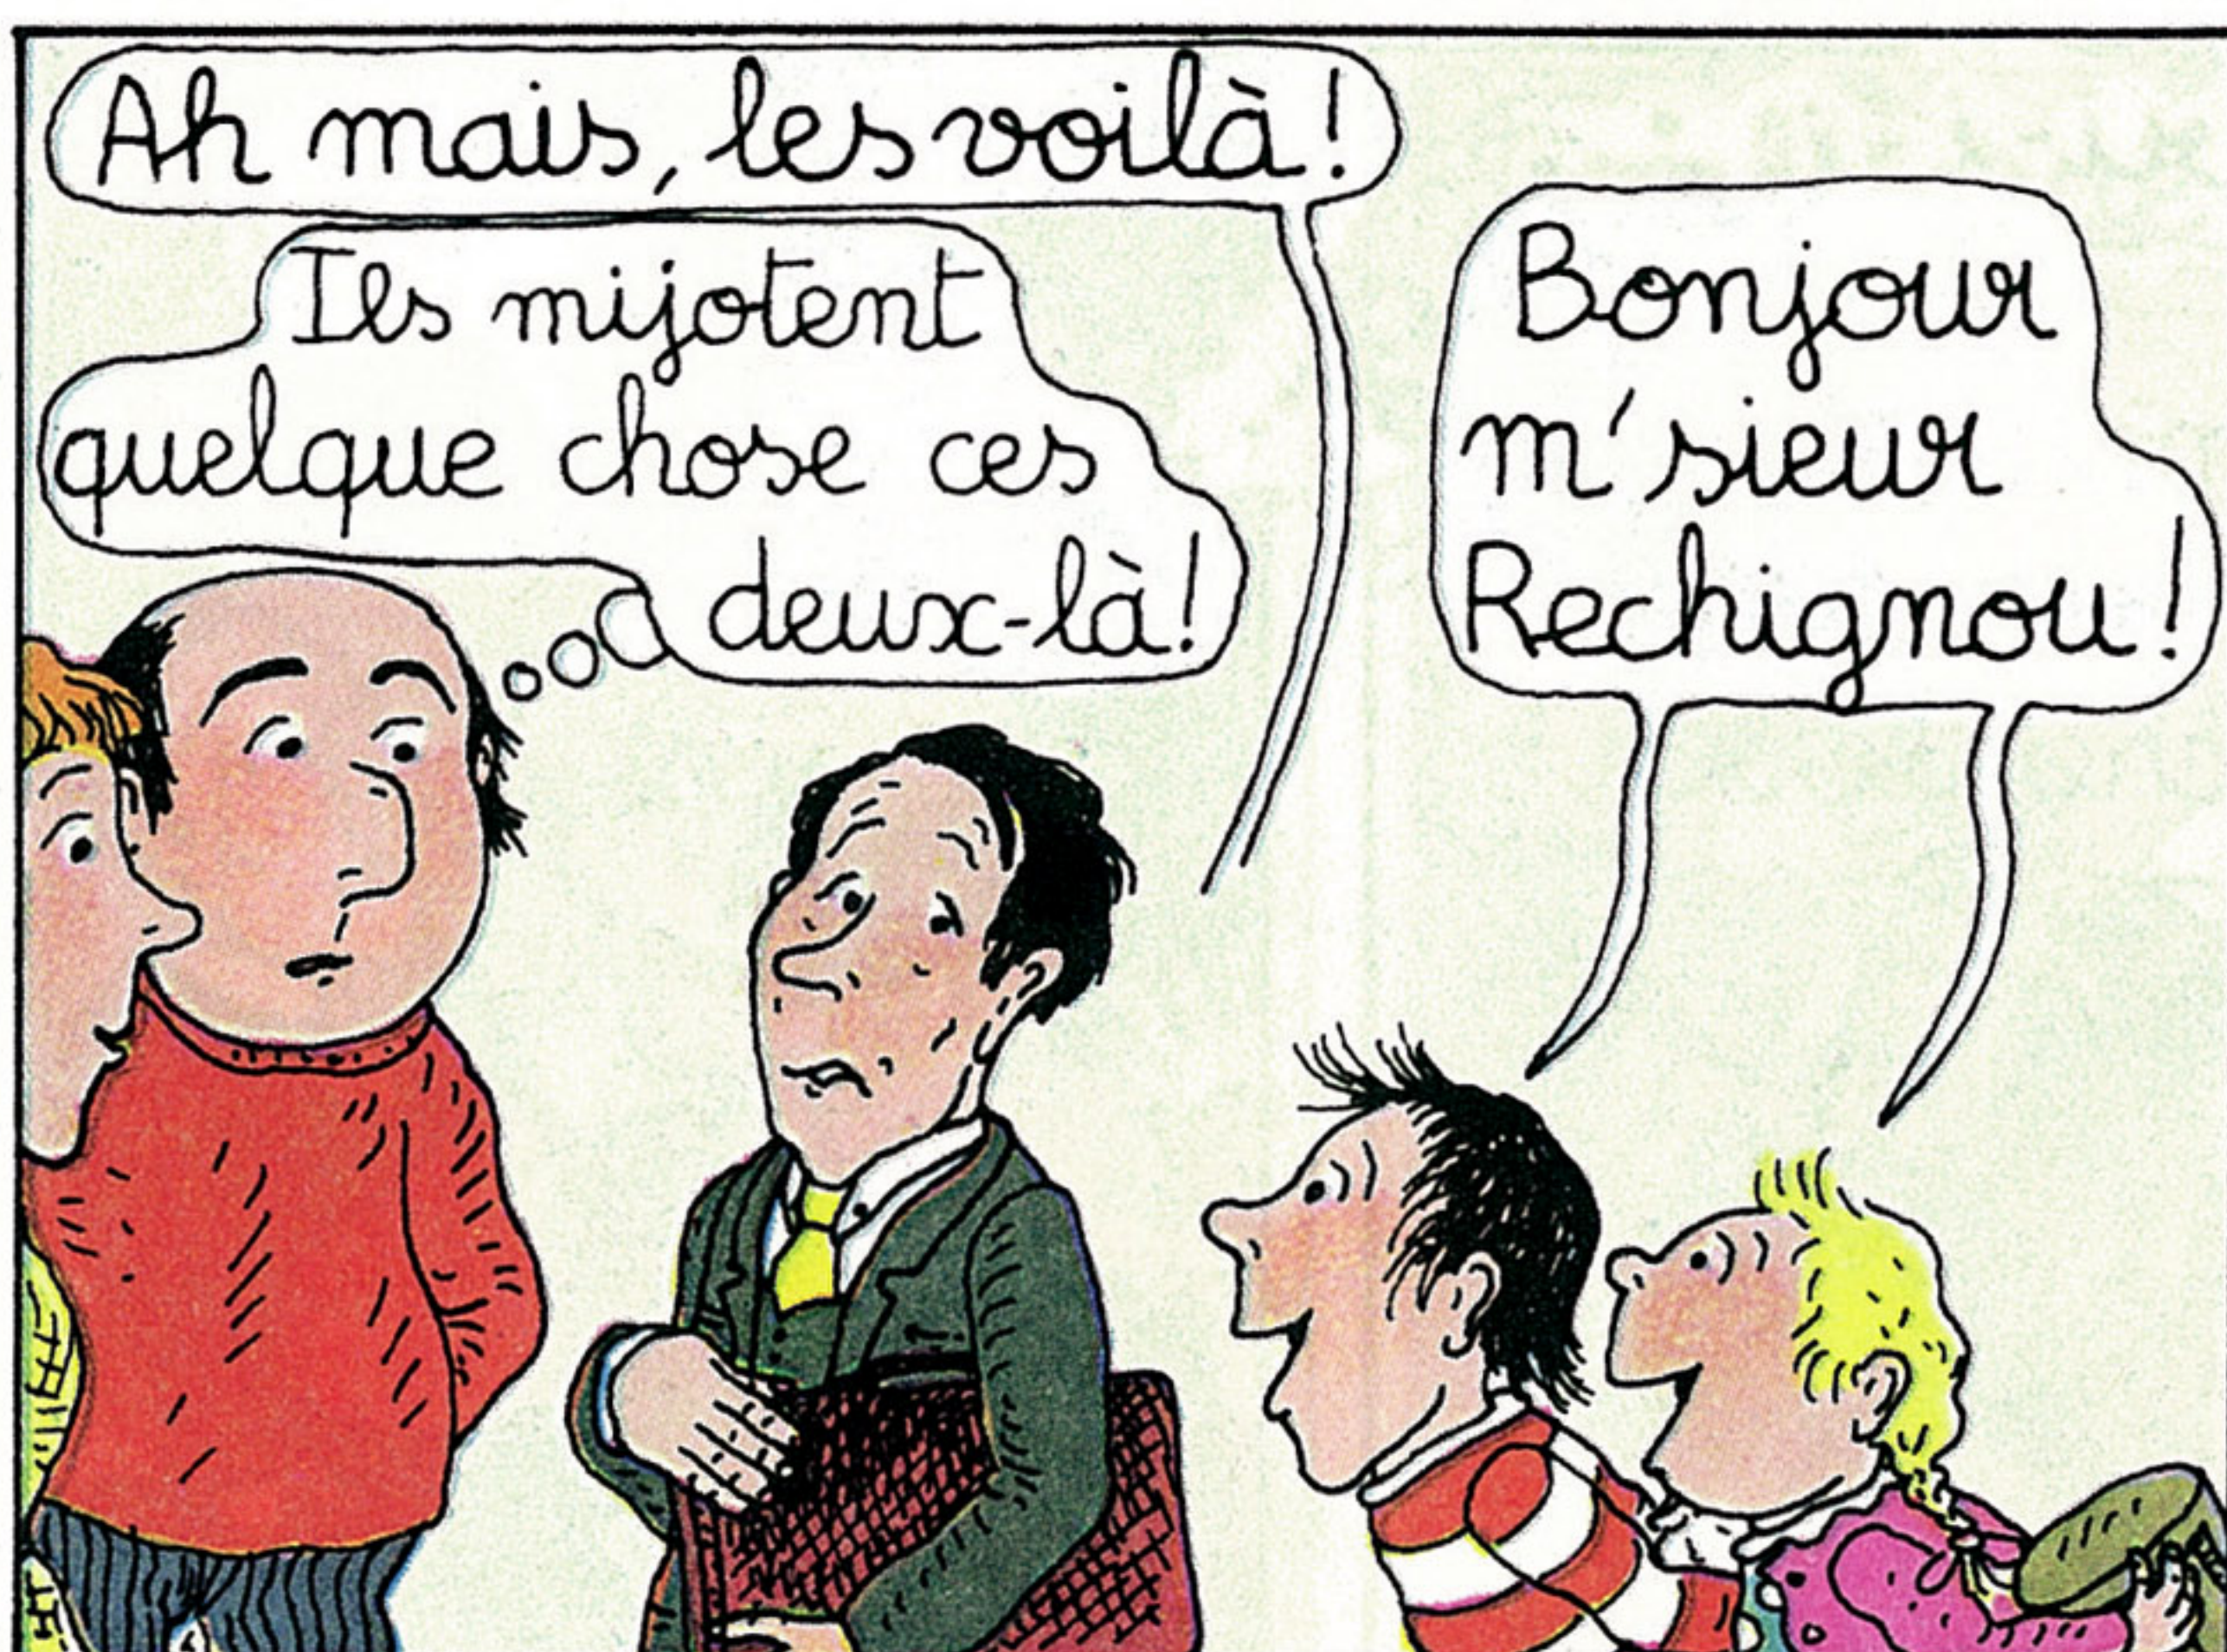

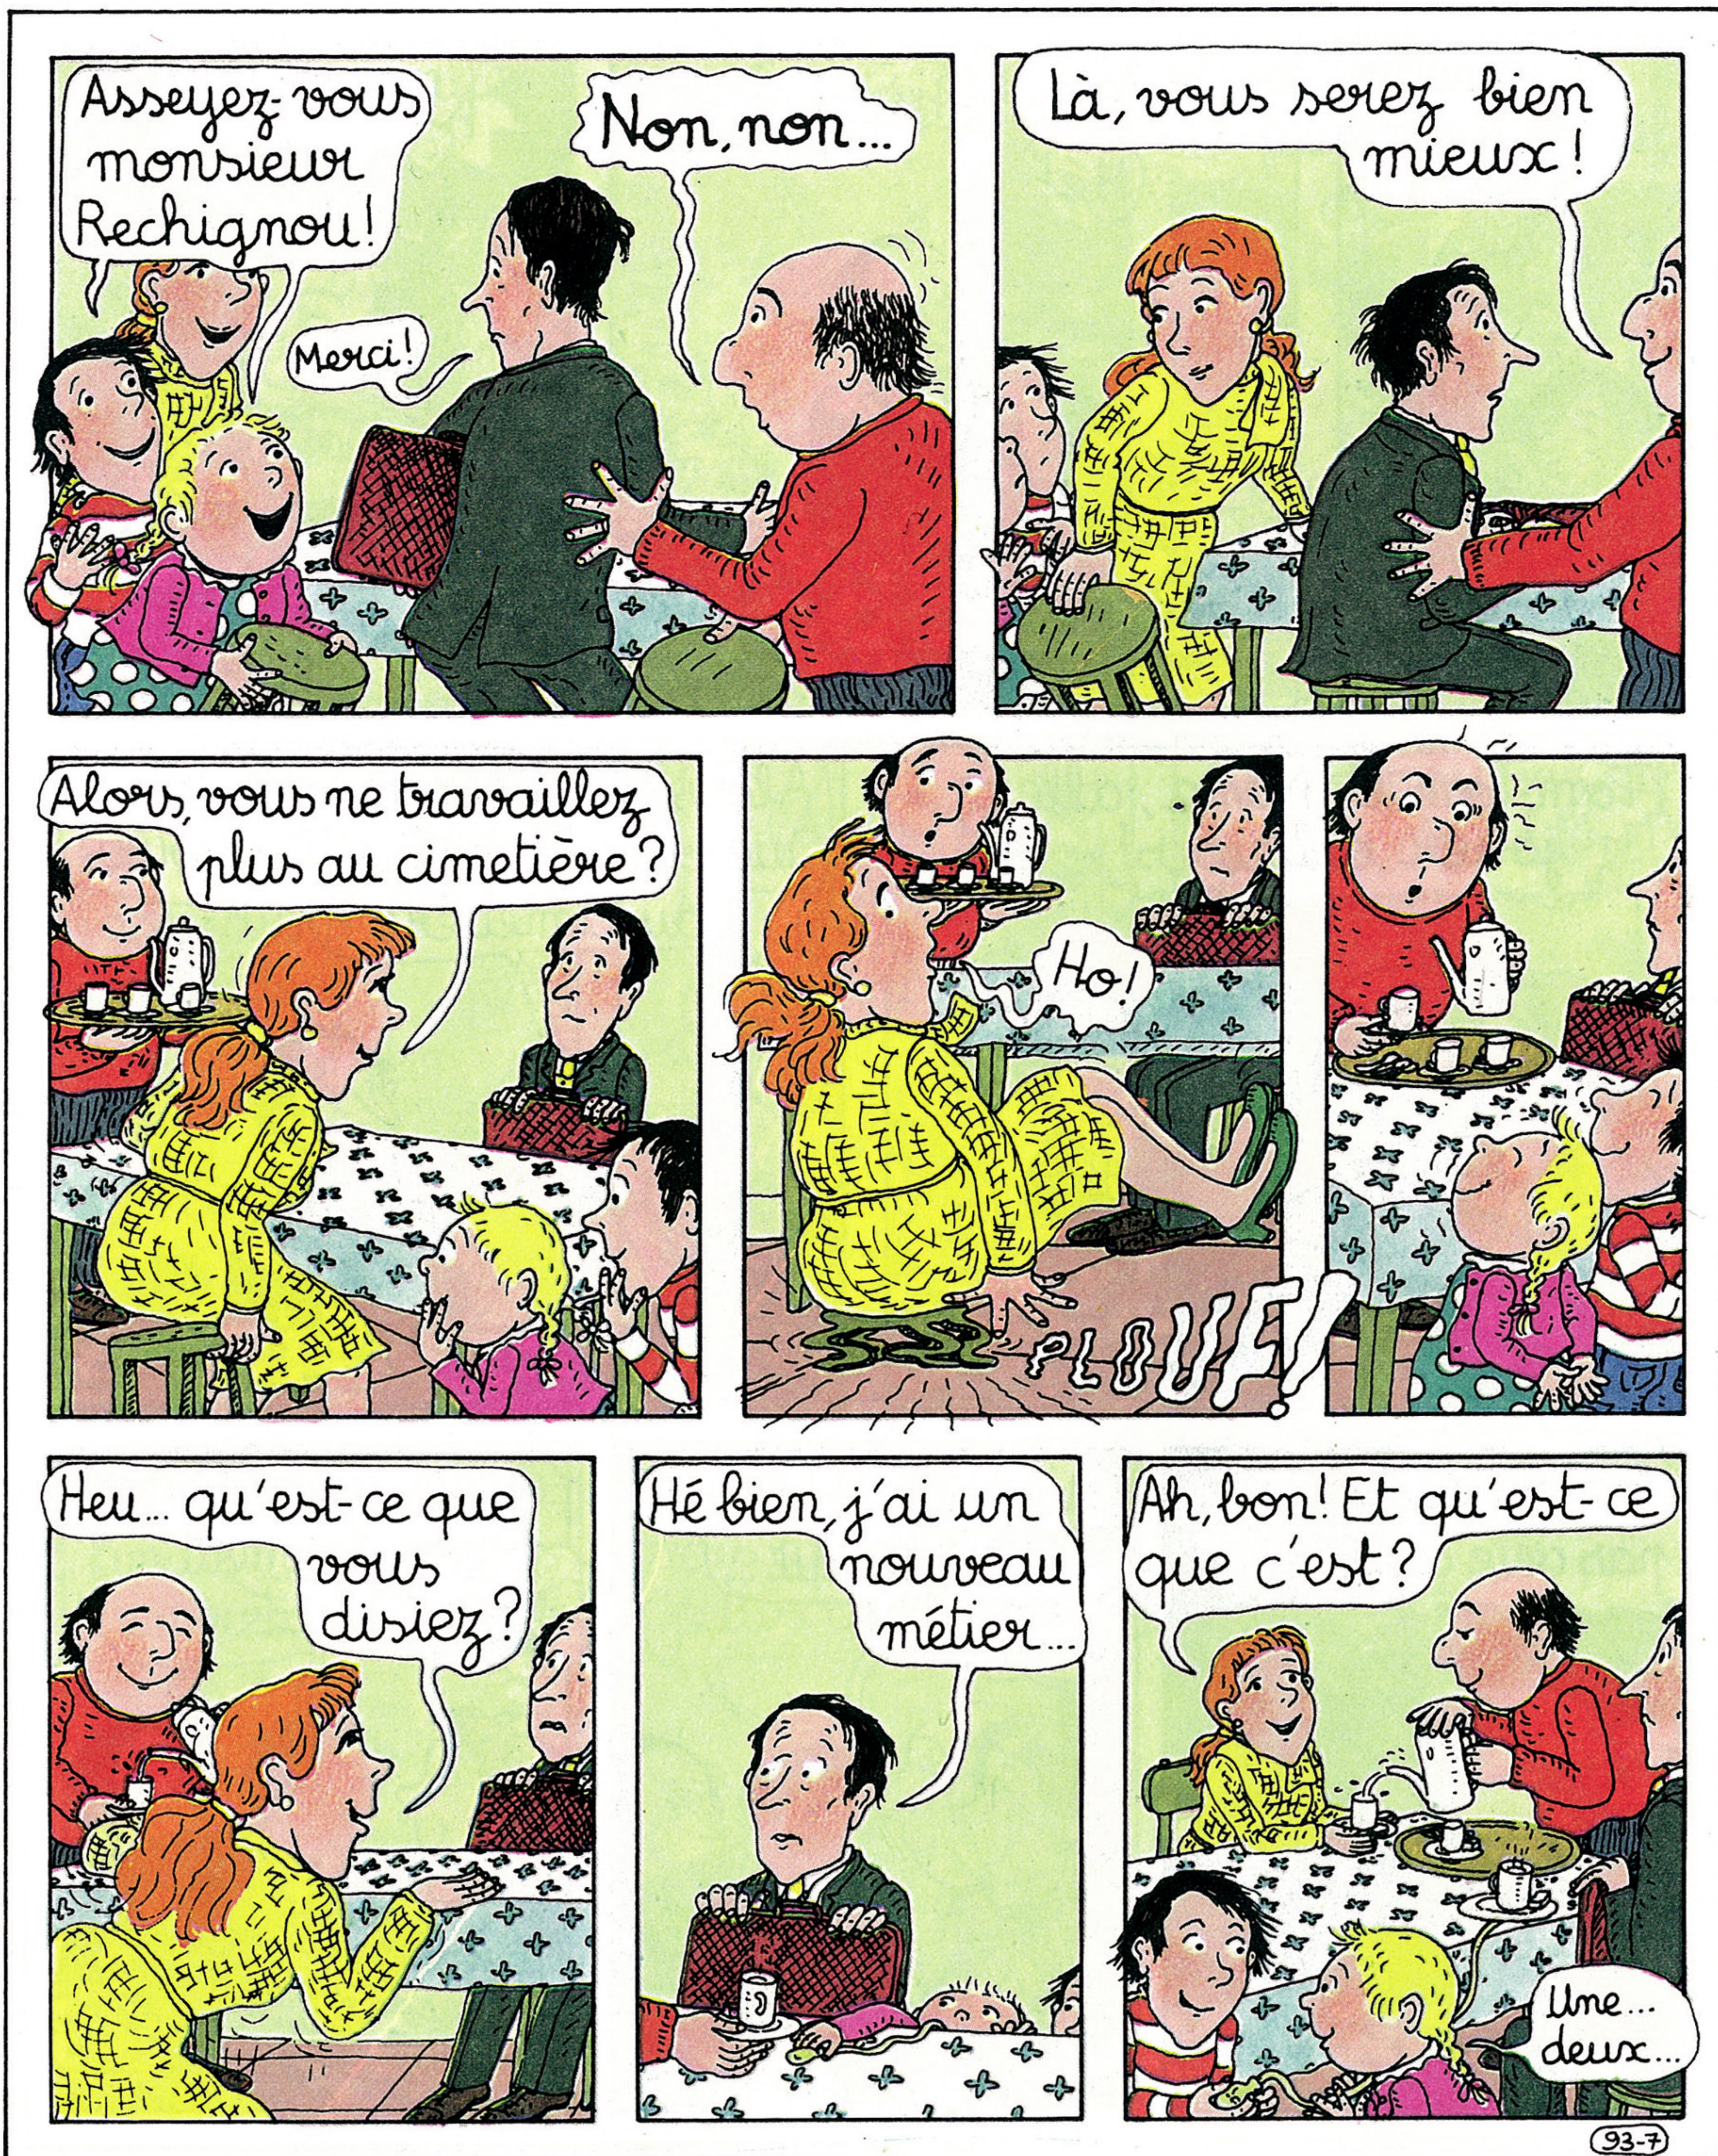

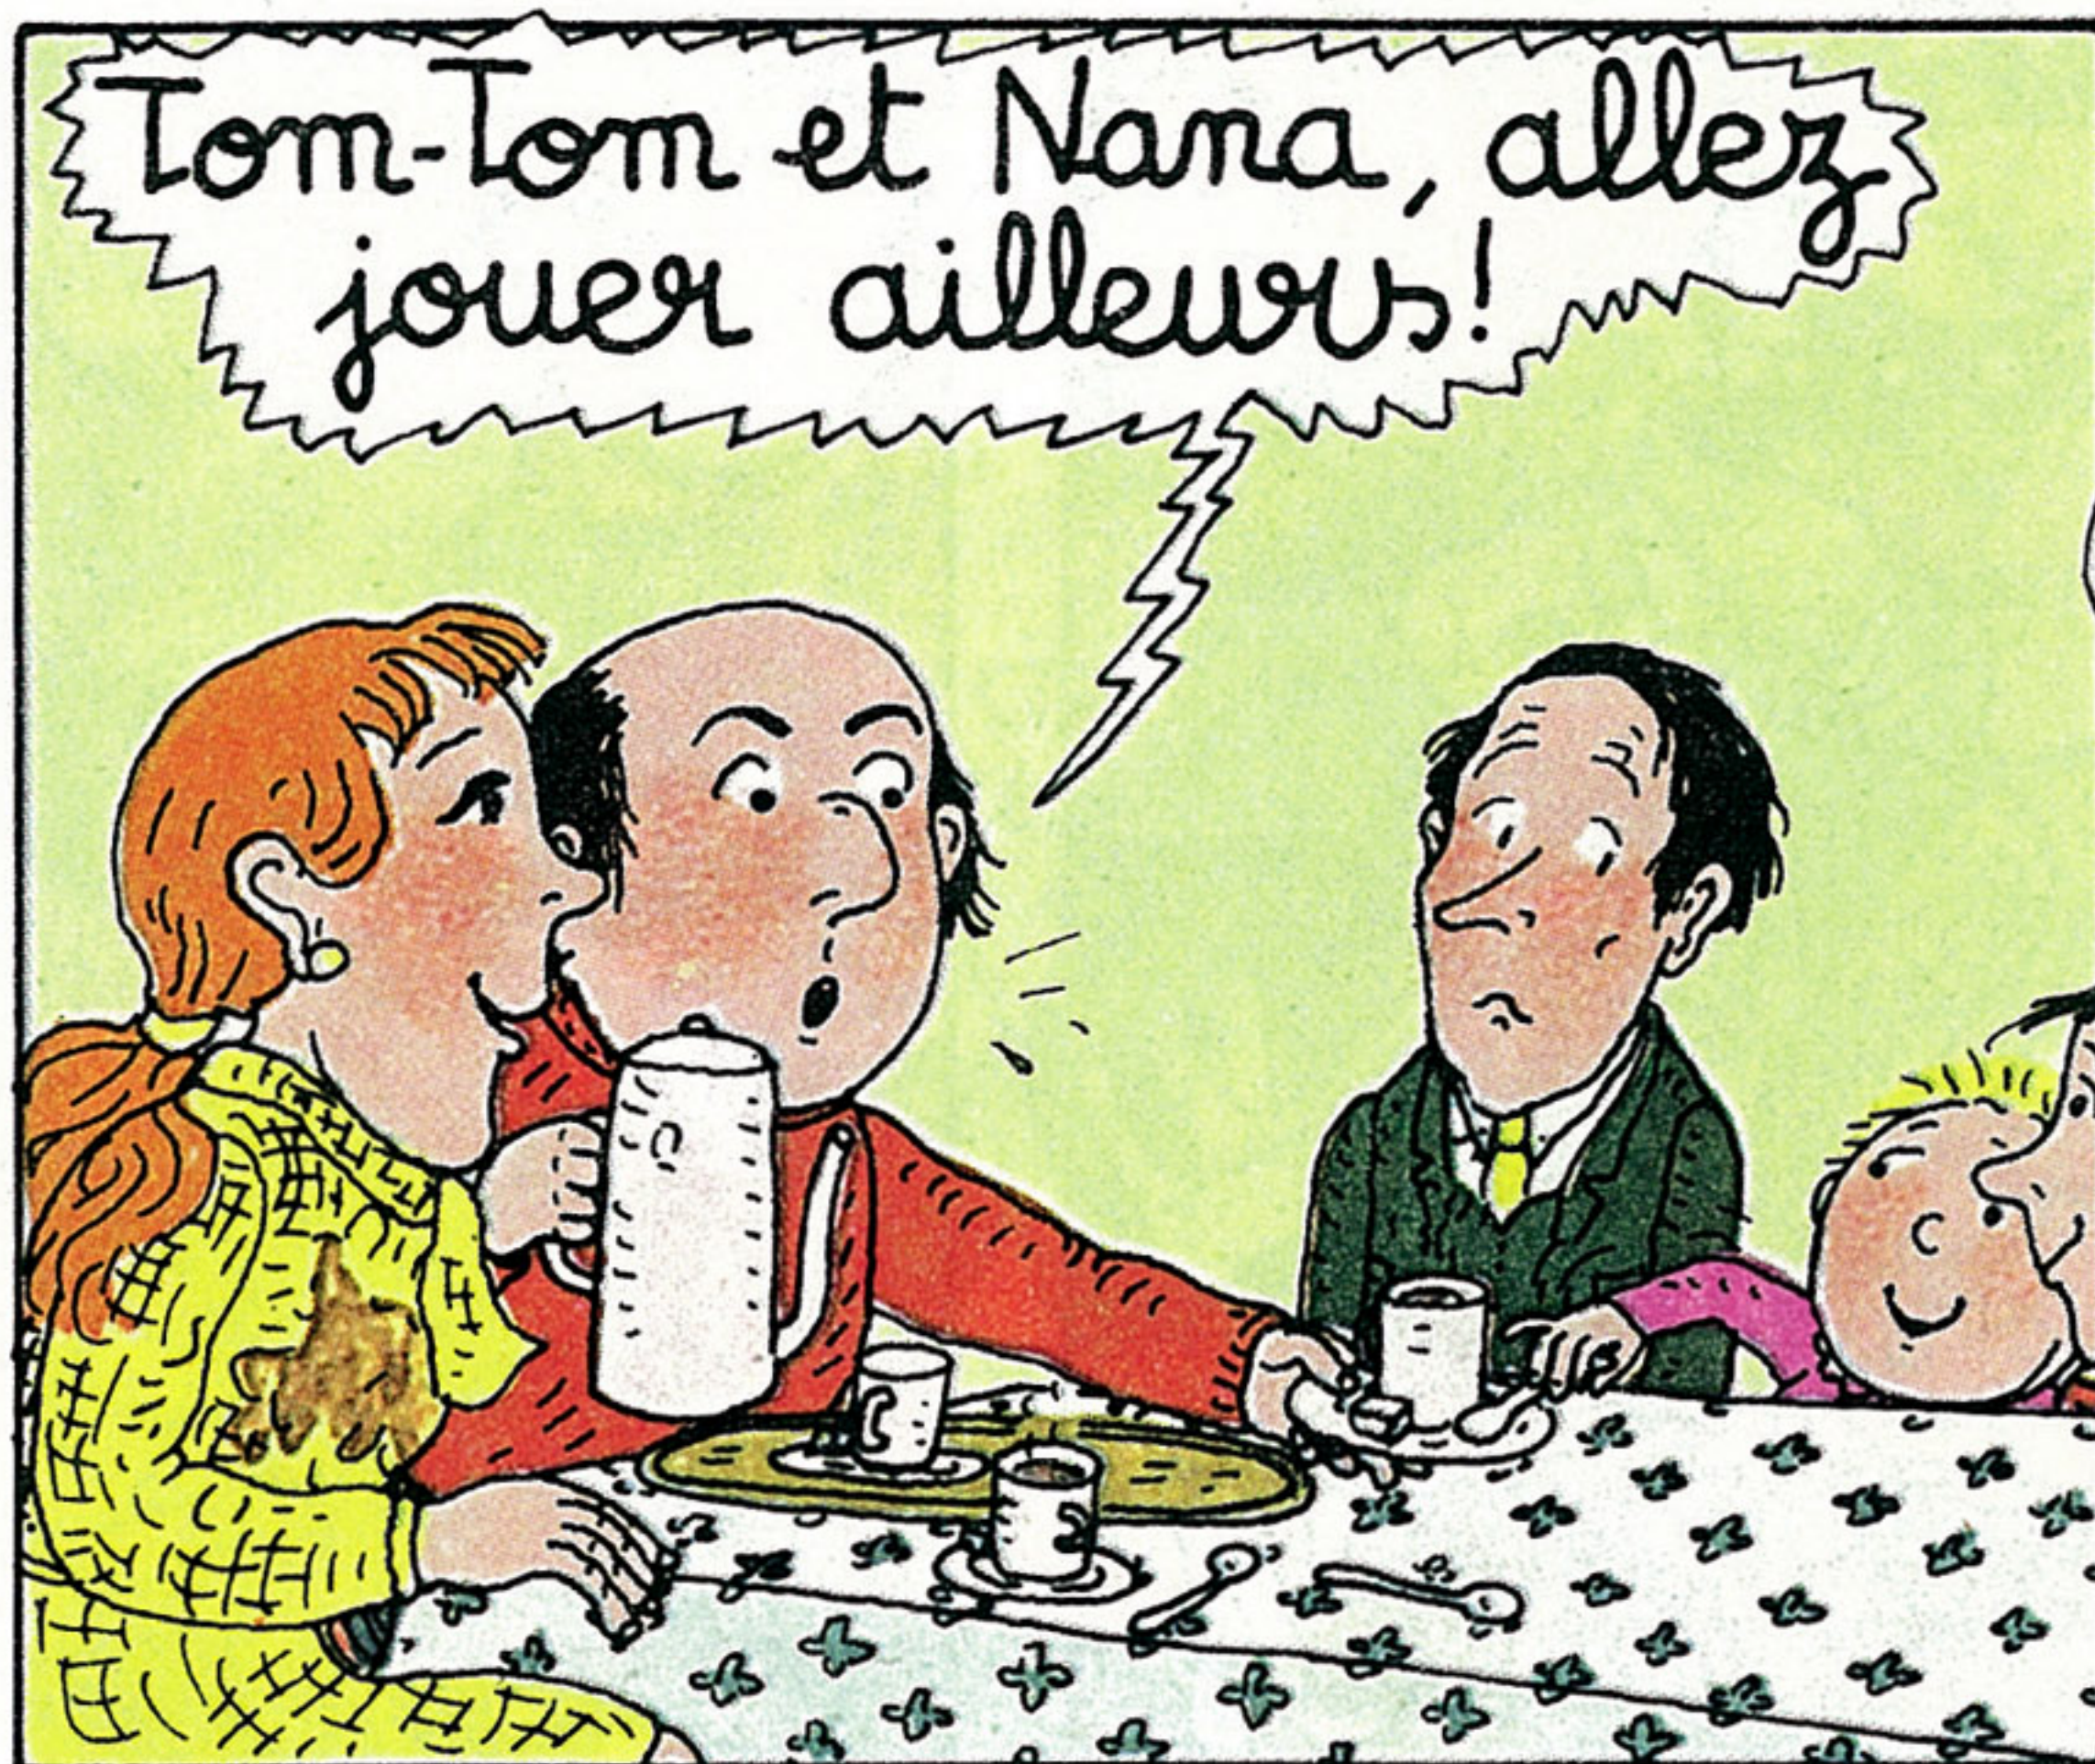

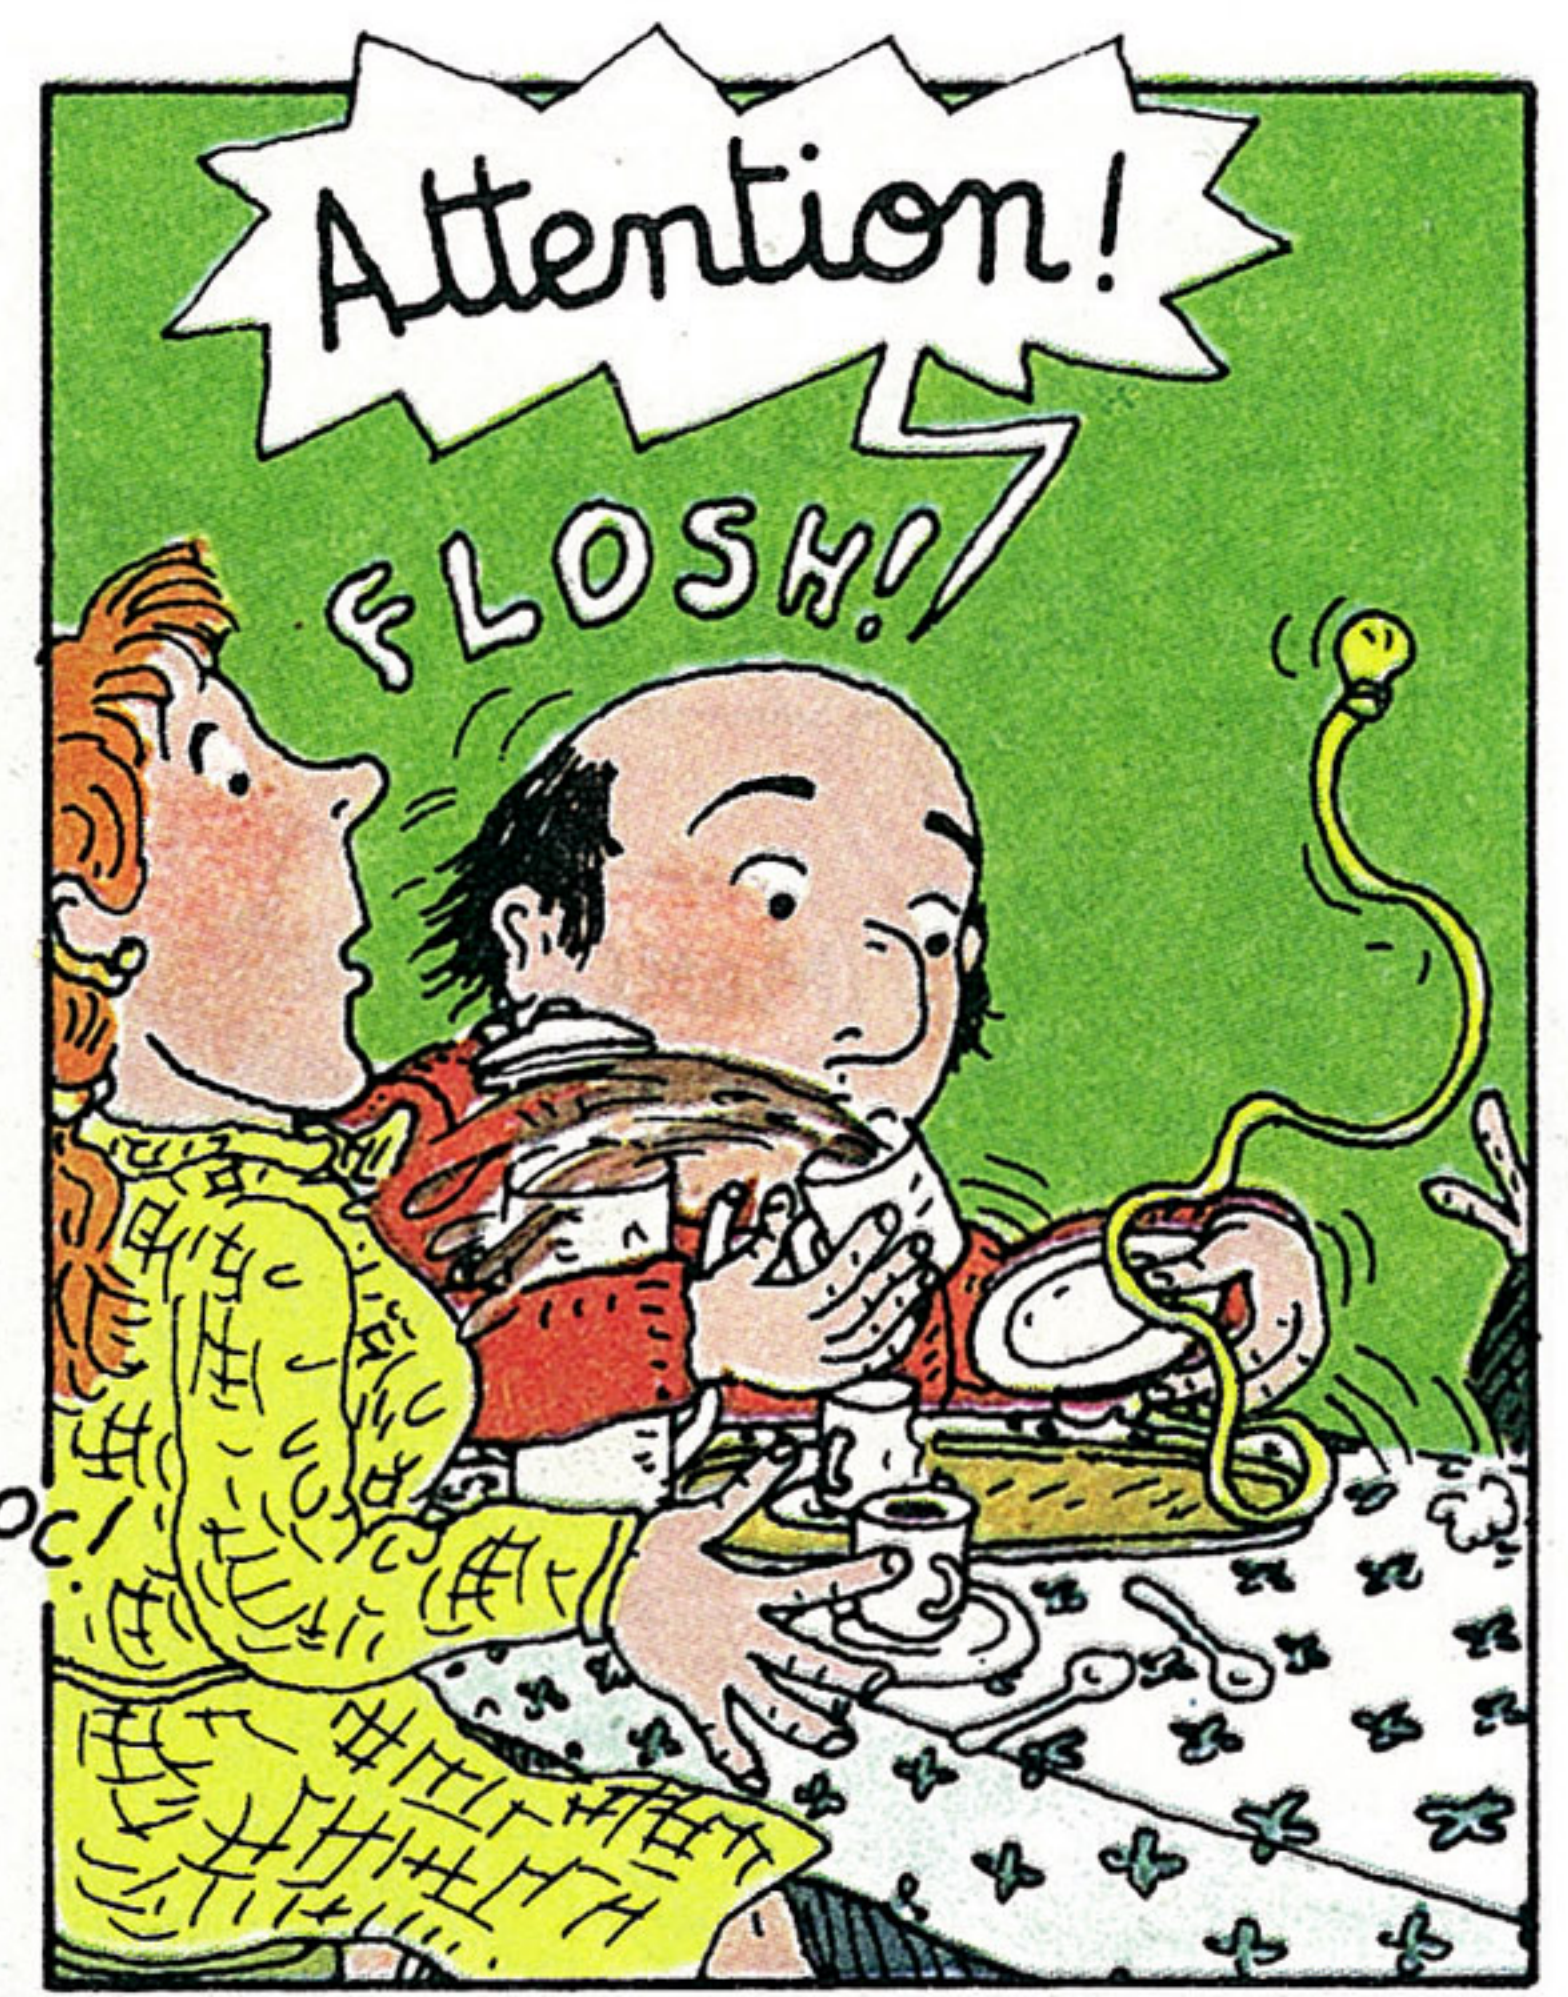

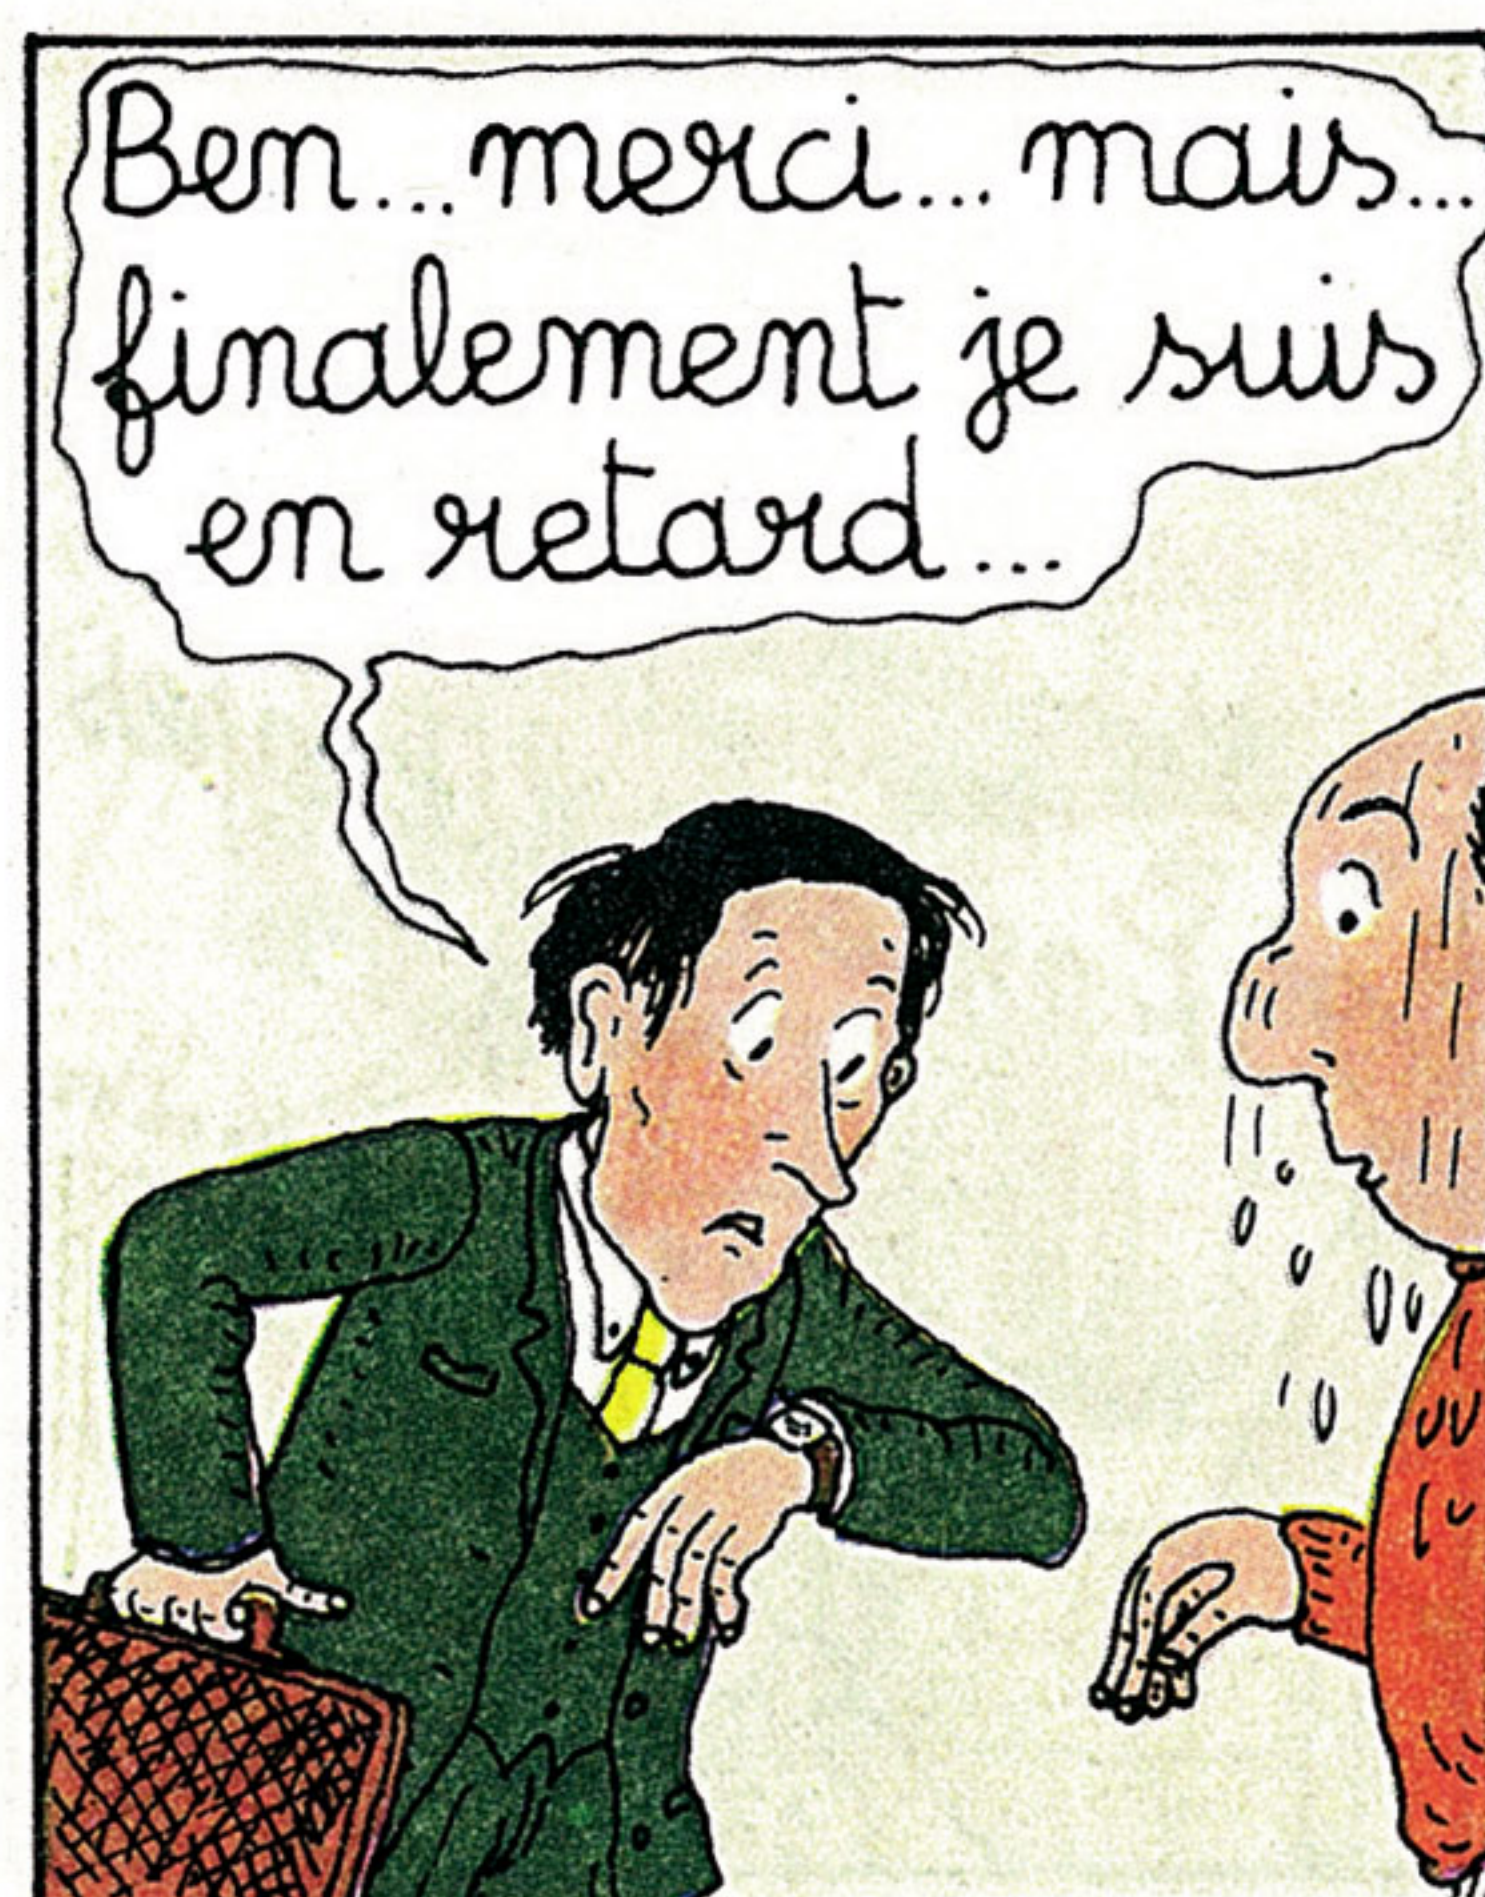

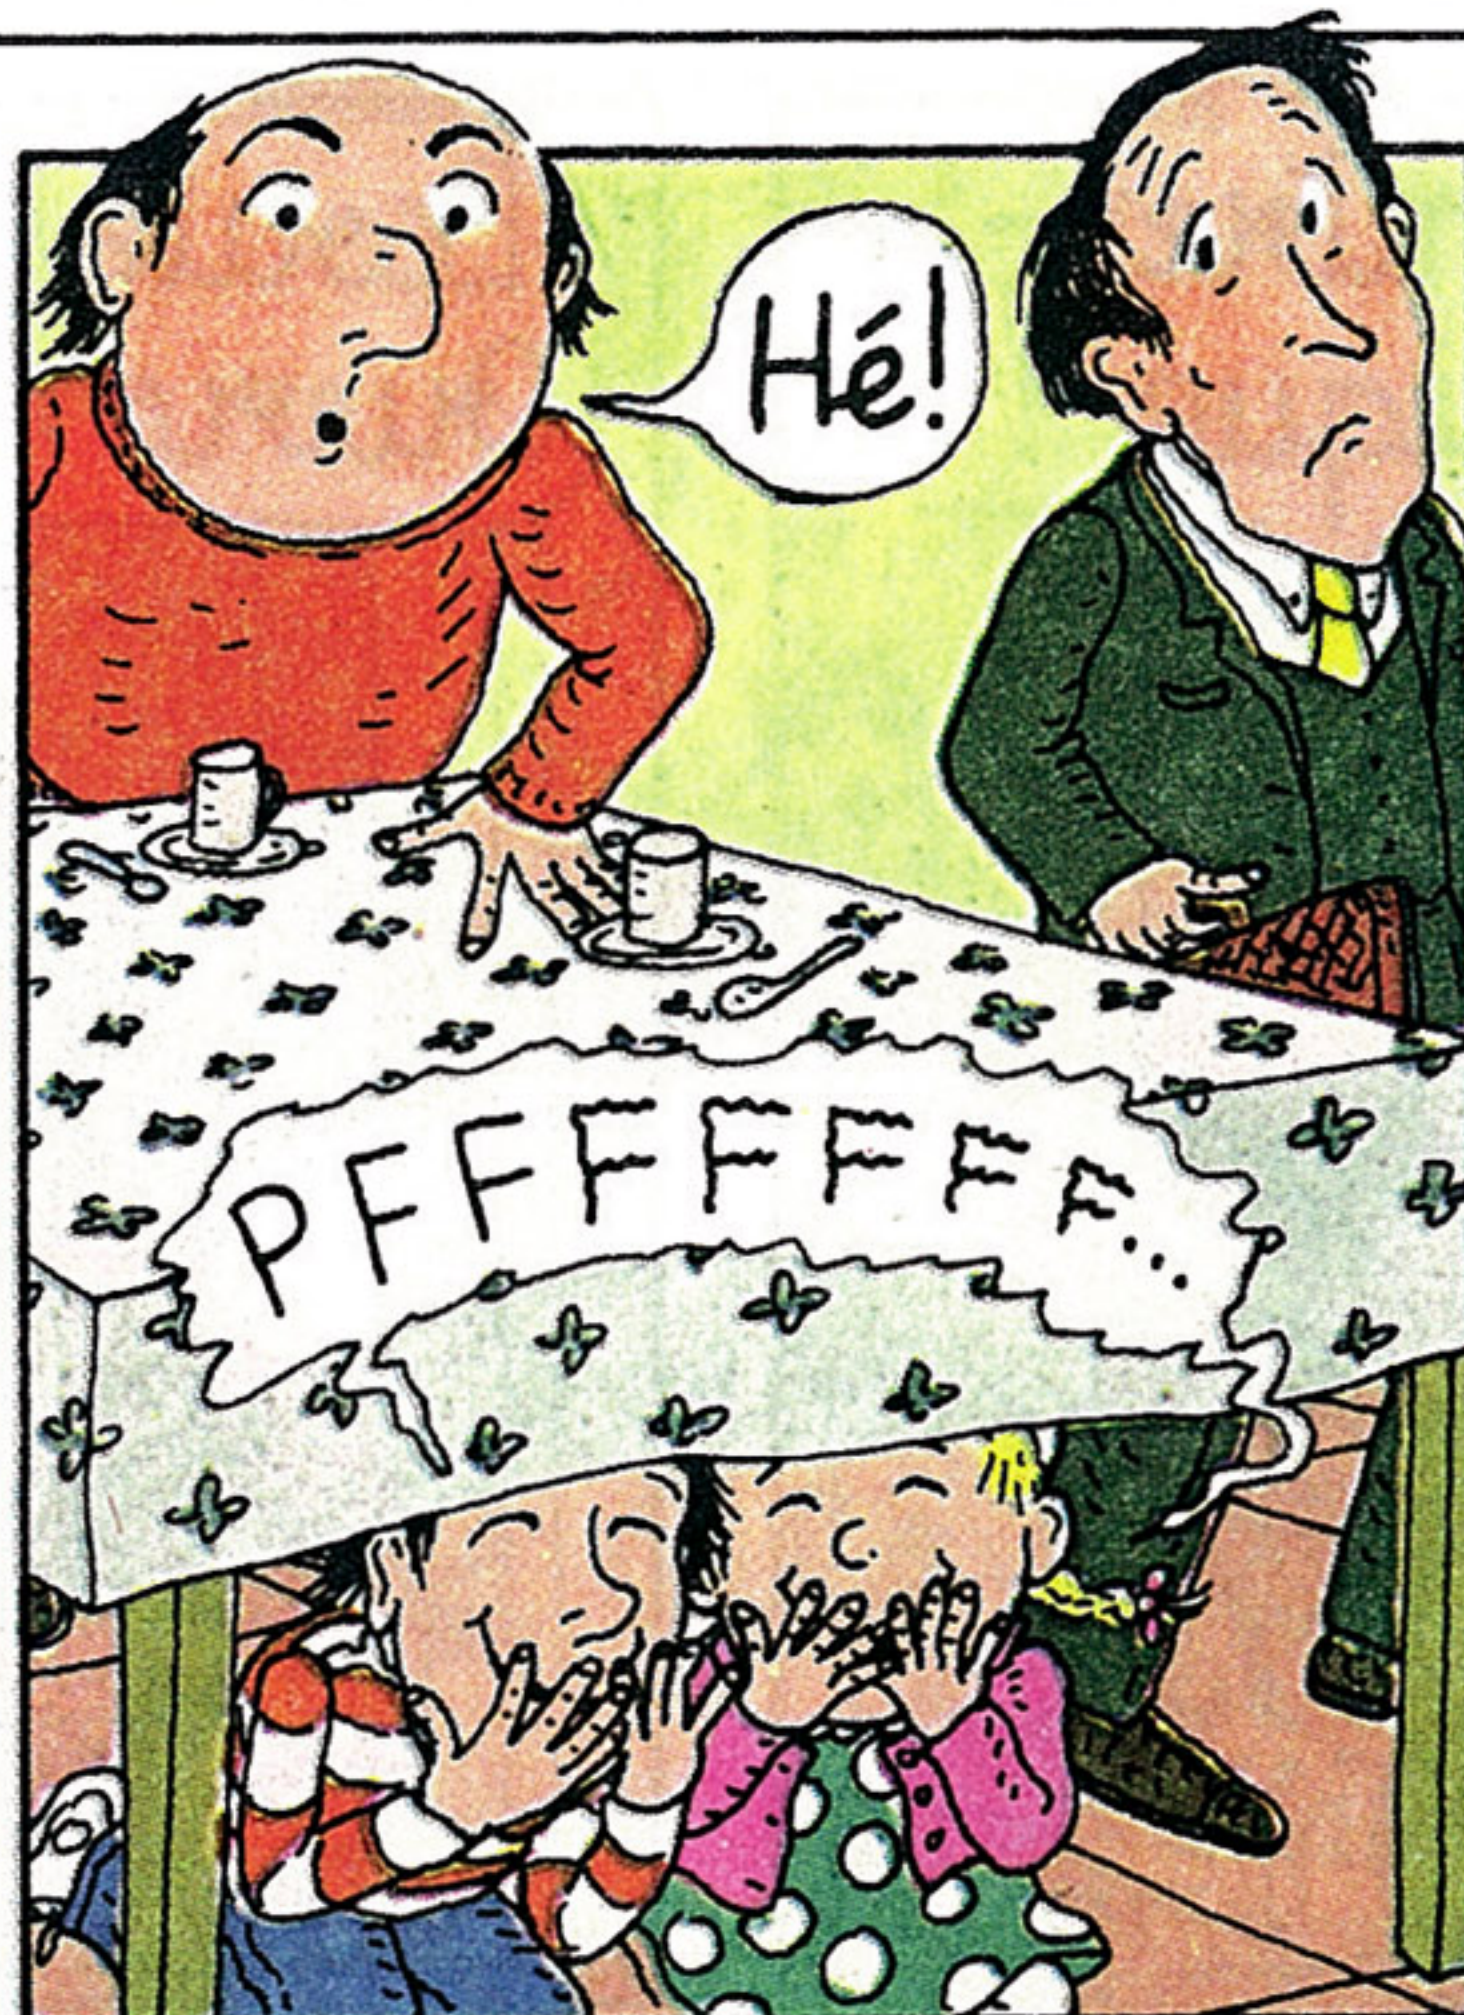

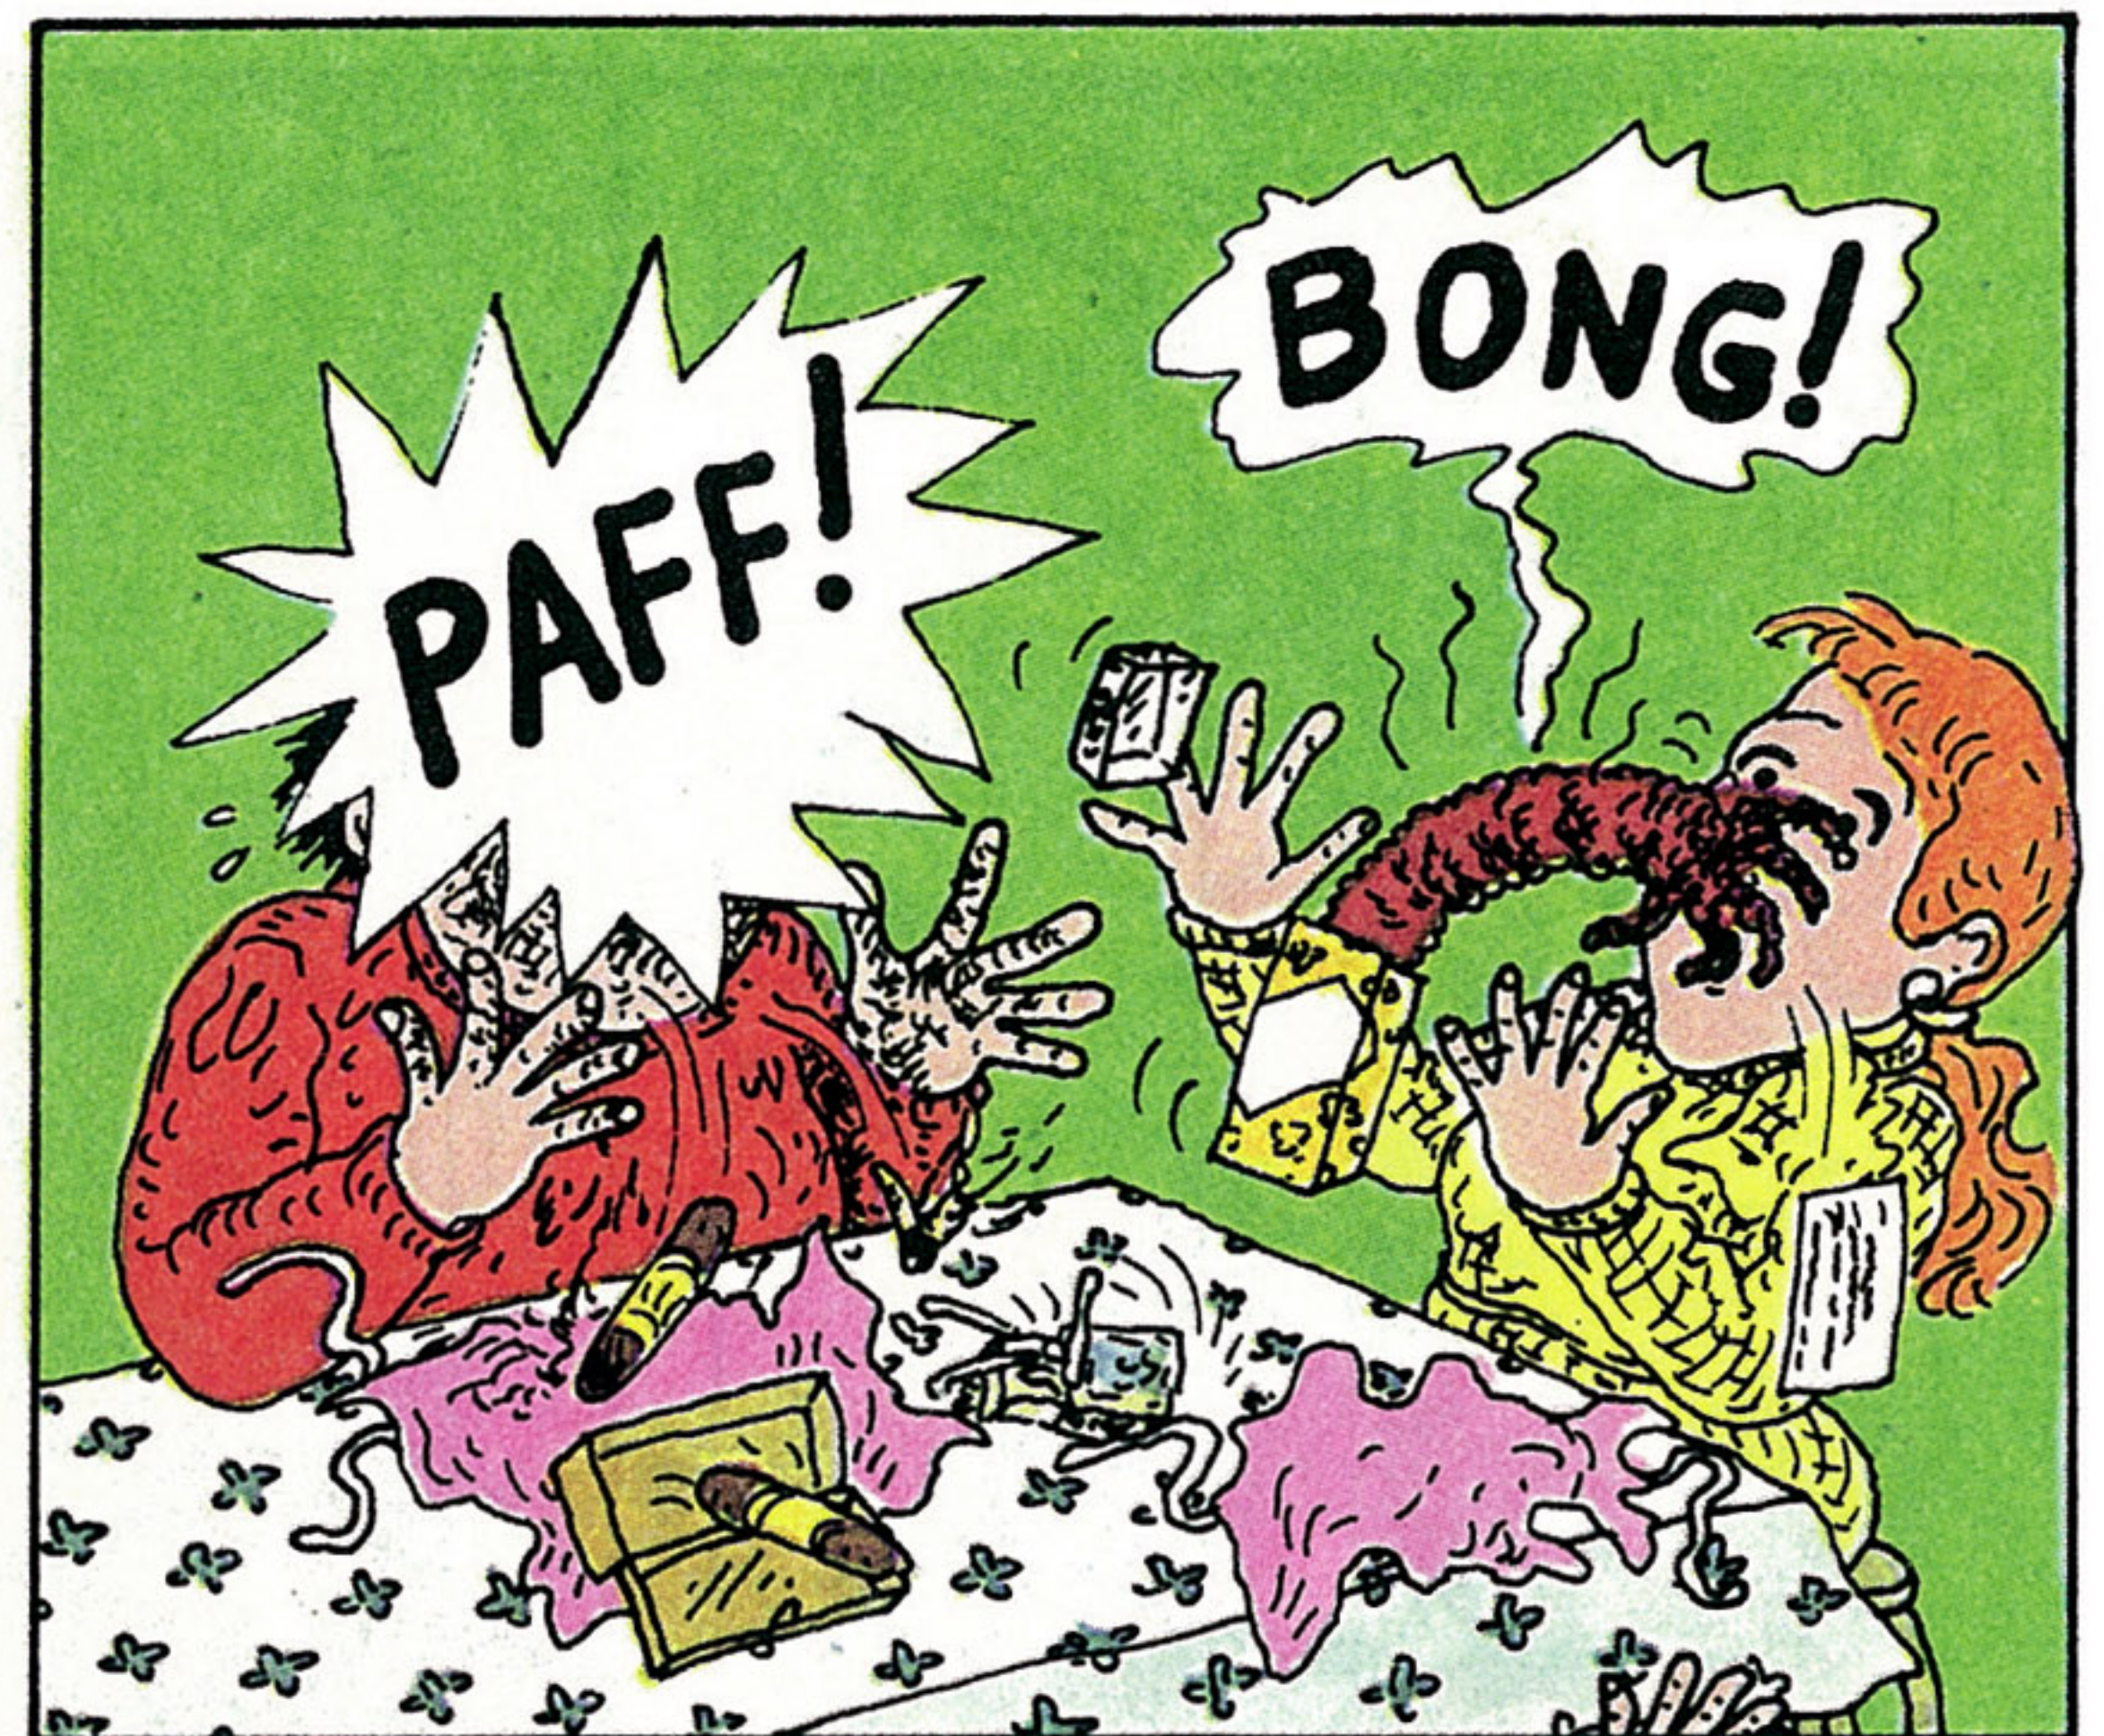

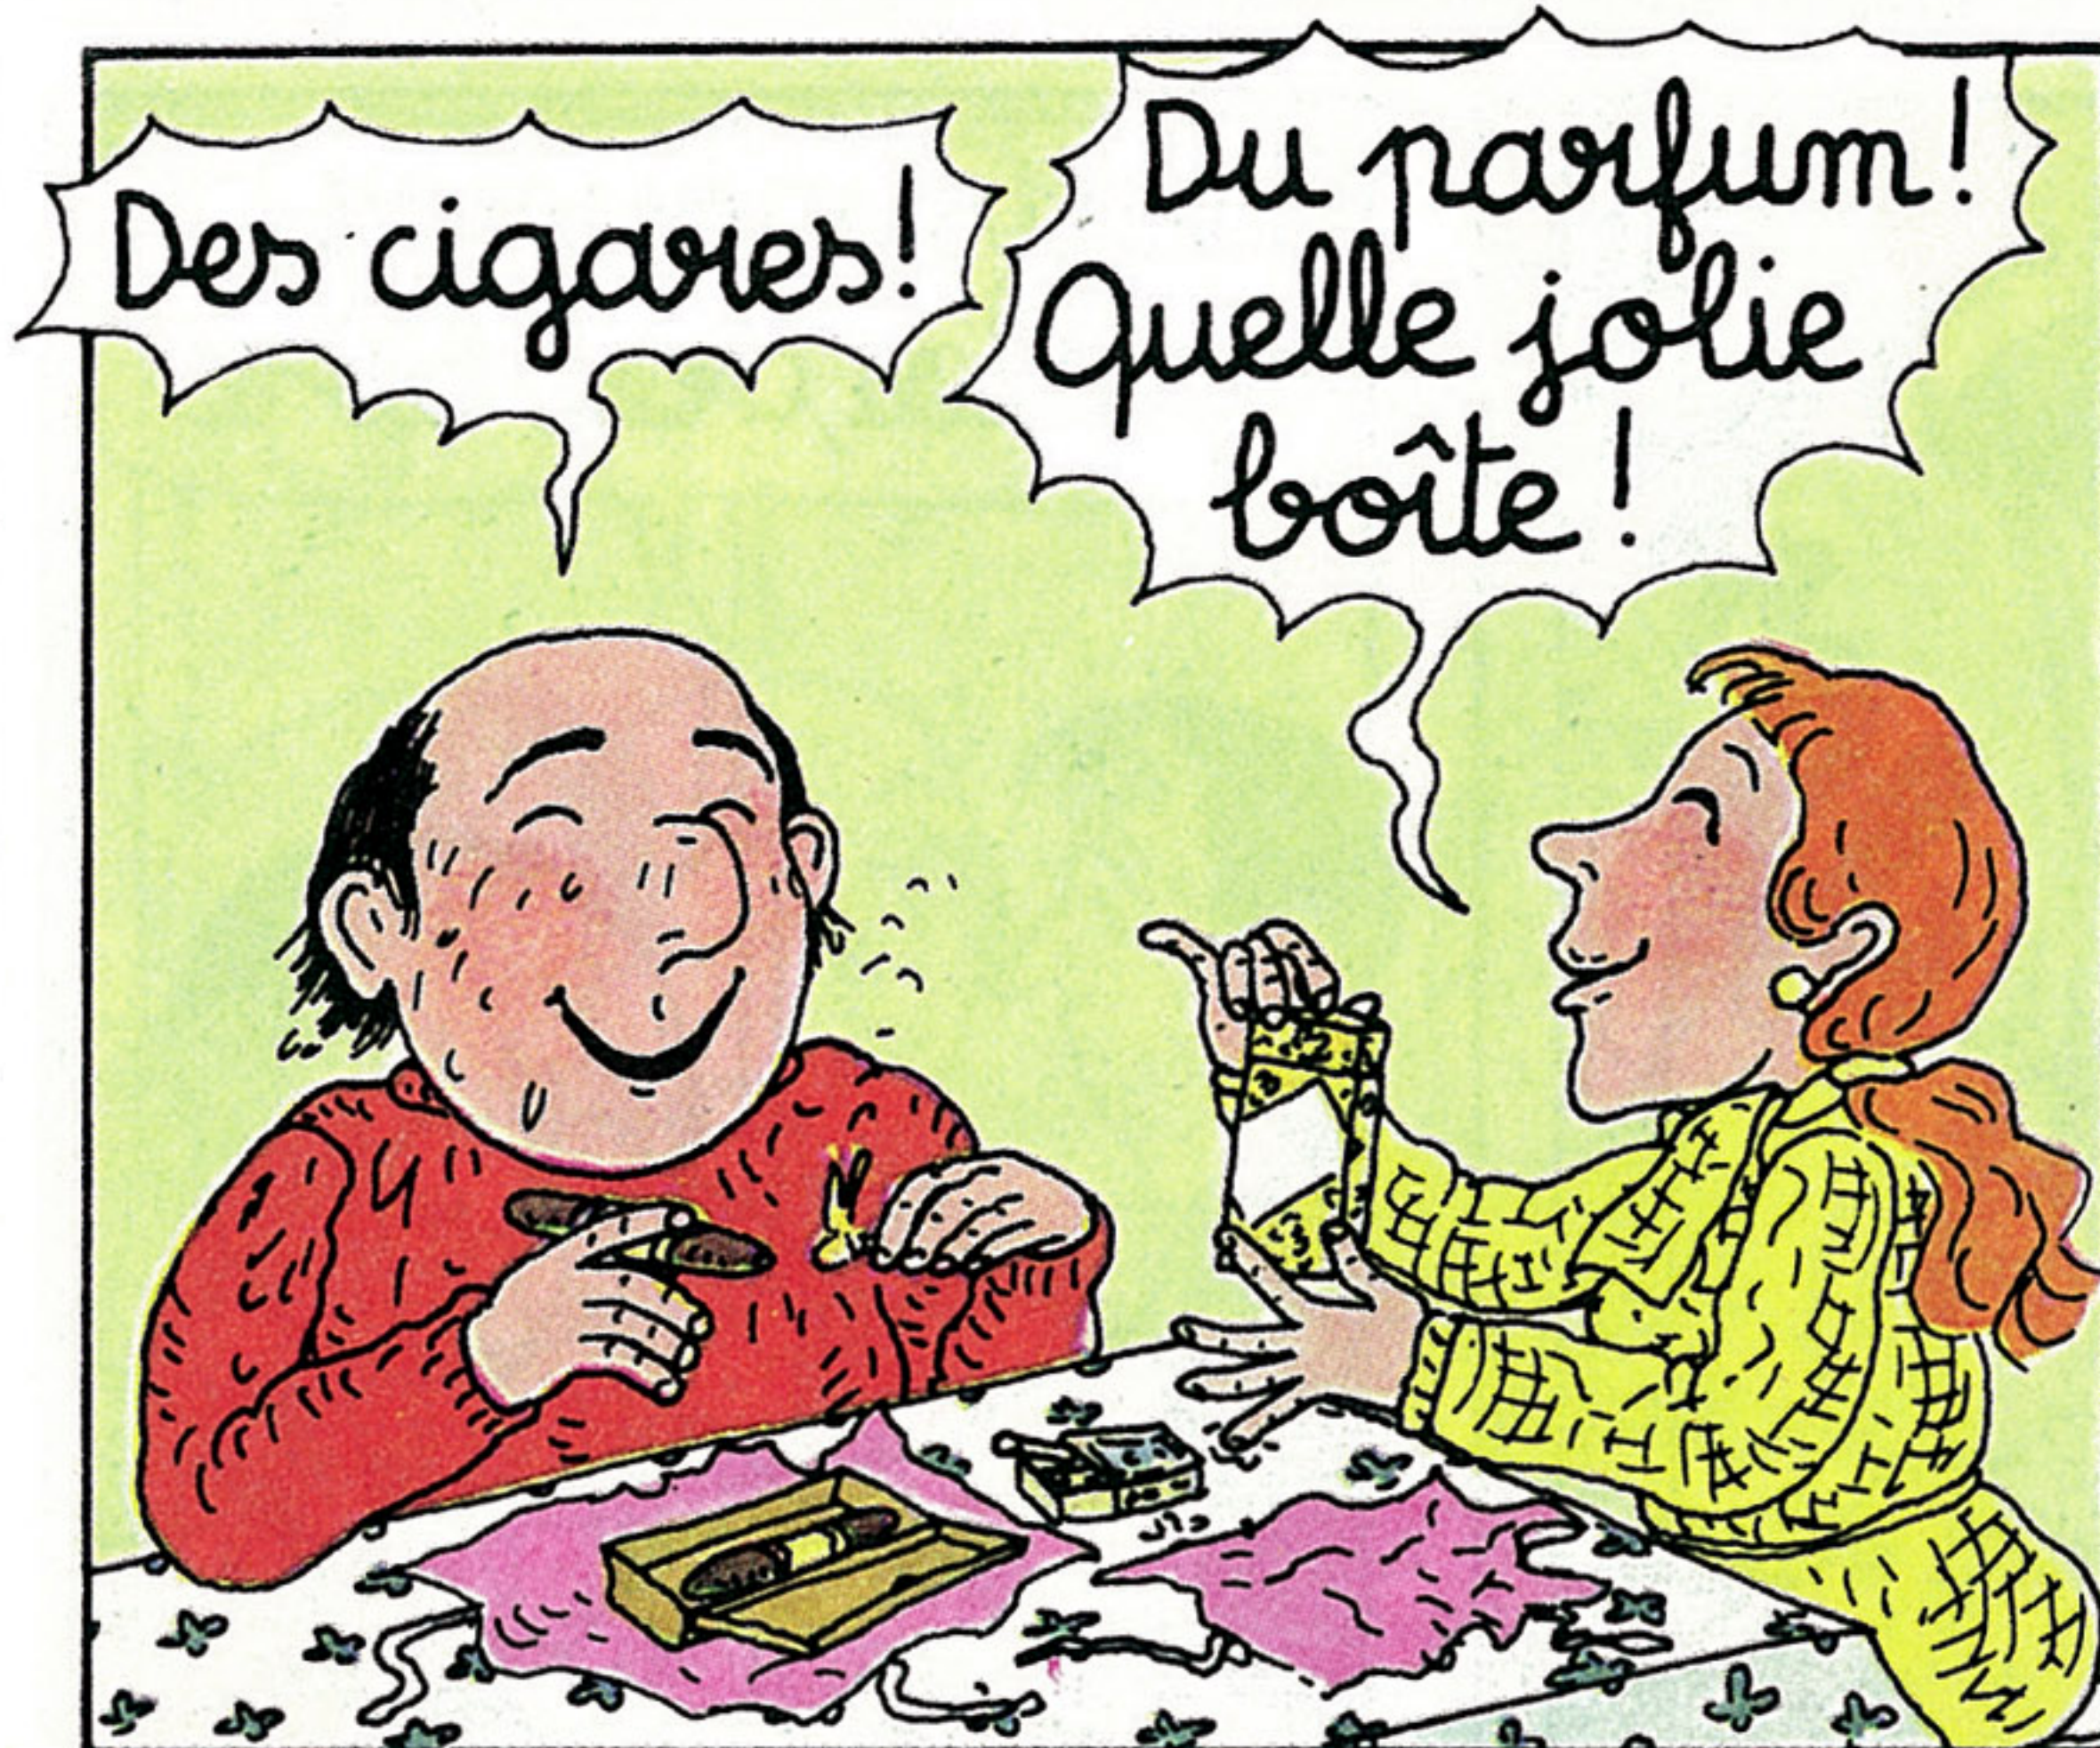

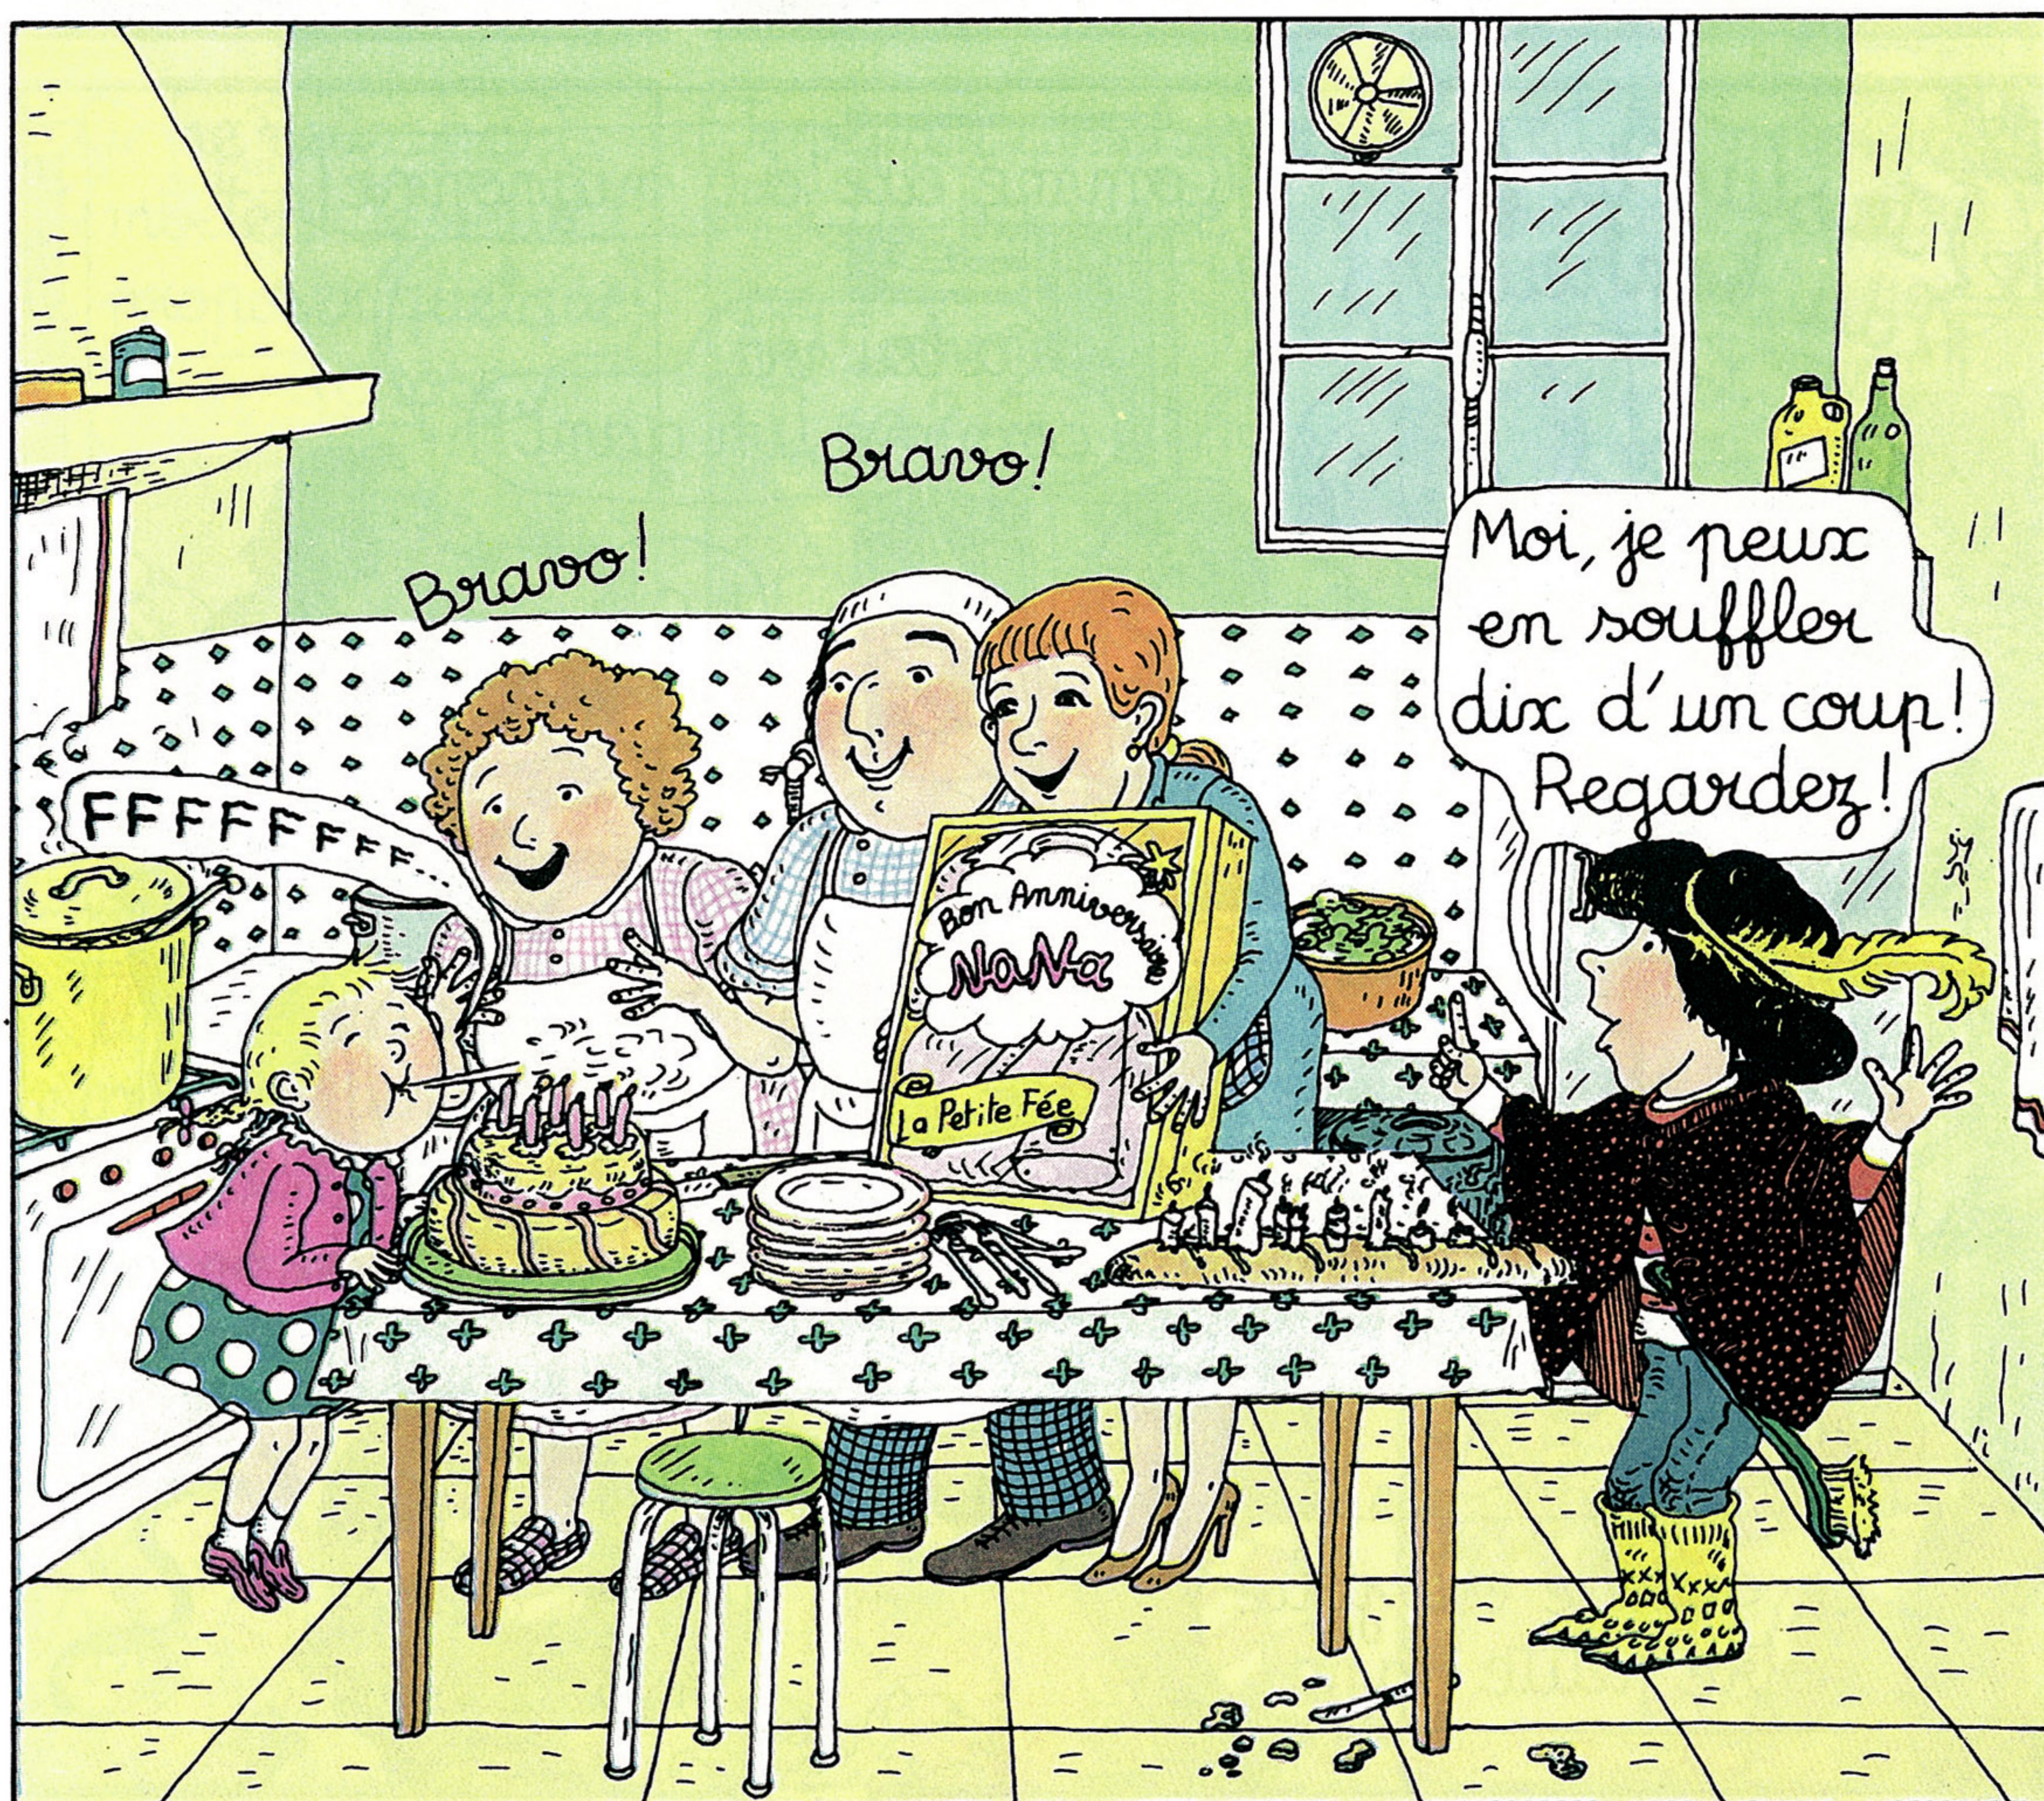

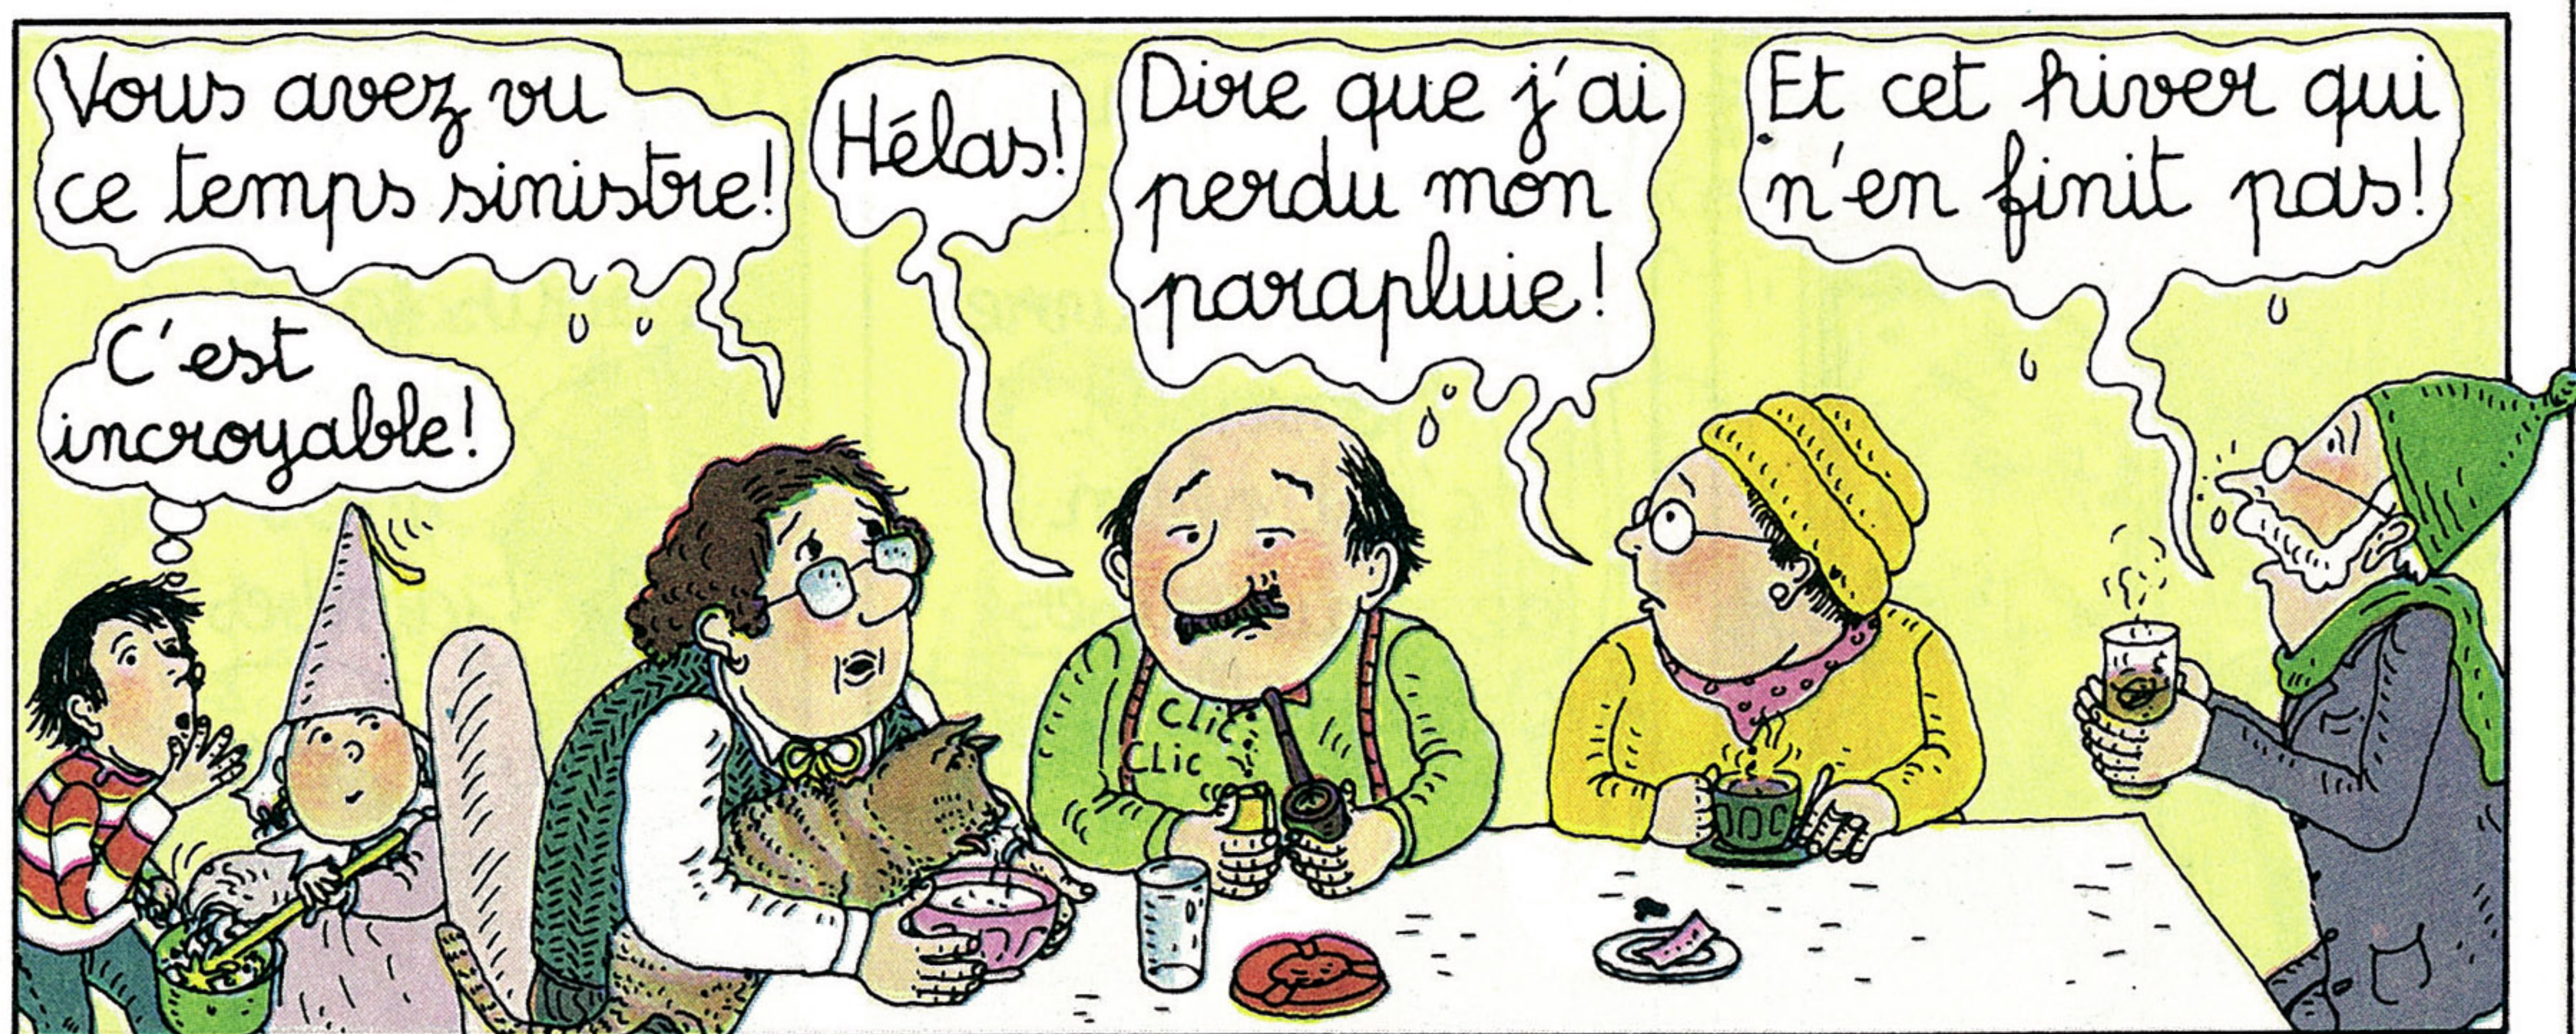

La poudre du bonheur.

Mais qu'est-ce qu'elle
a cette poudre? Elle
devrait gratter et...

... faire éternuer...
Mon mélange
n'est pas au point...

... à moins que
j'aie vraiment inventé
la poudre du bonheur!

Hé
Tom-Tom!
Regarde!
Monsieur Rechignou
a besoin de nous!

Vous n'avez pas
le journal?

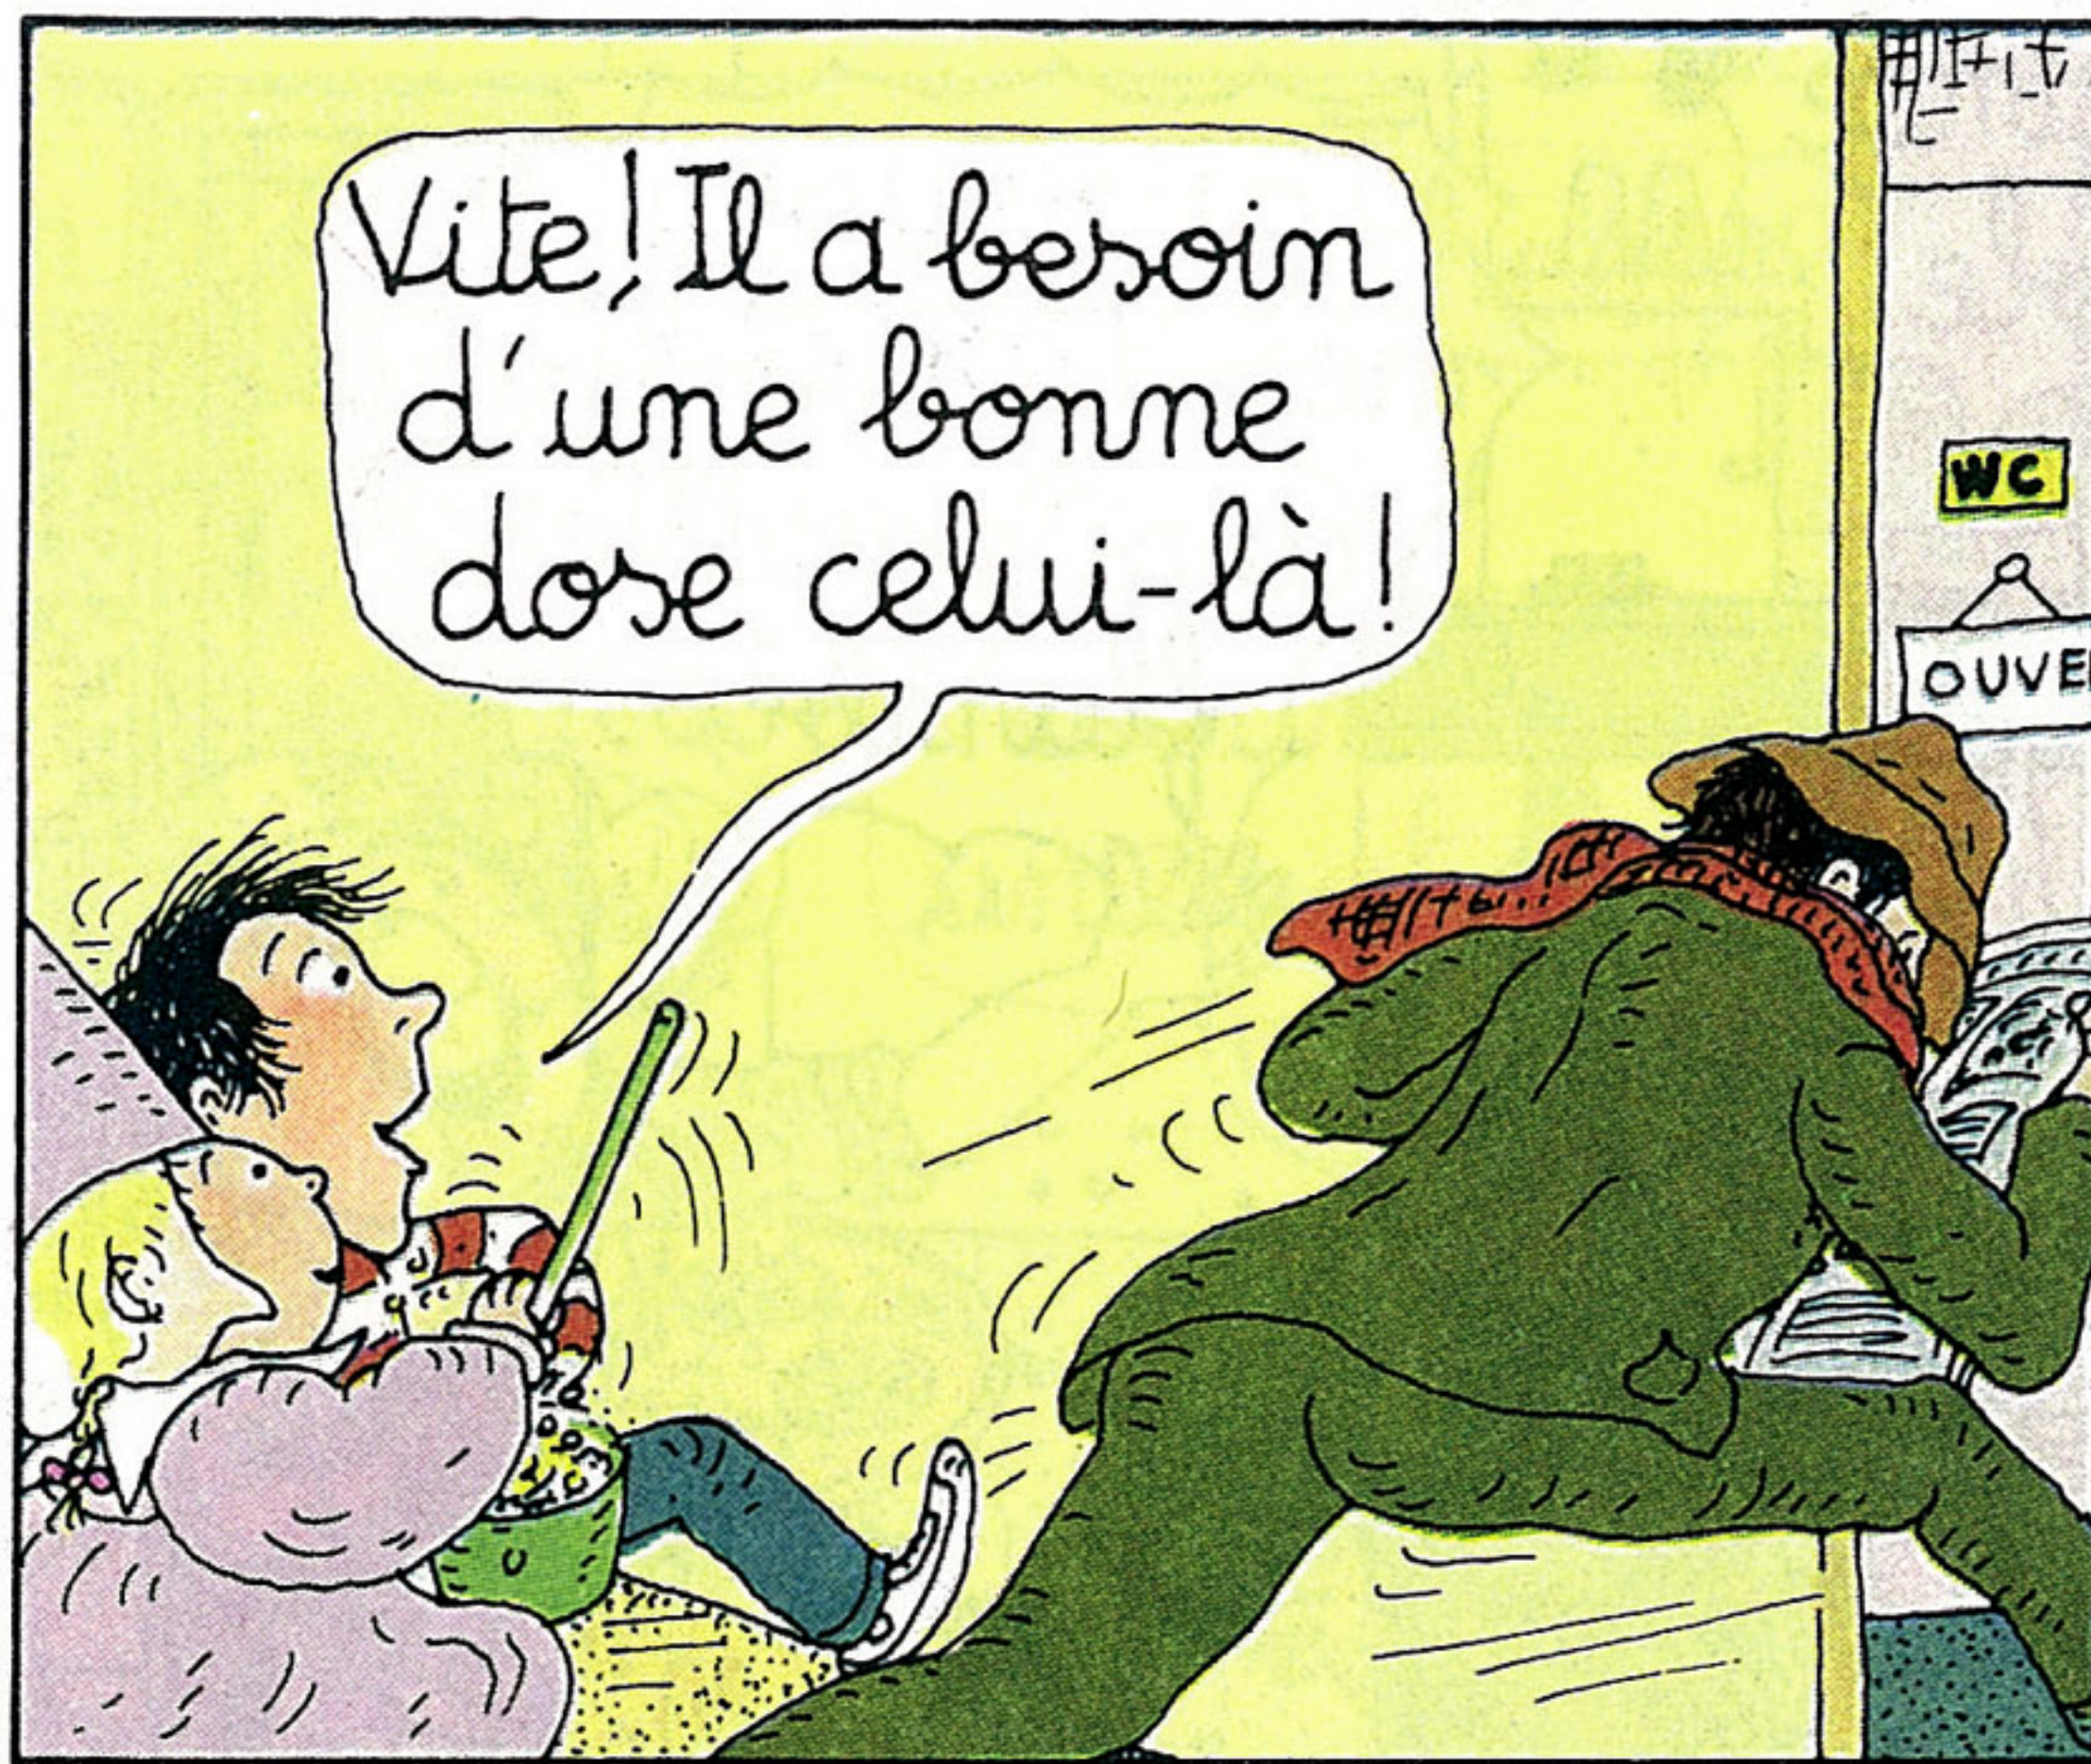

Mon pauvre
Monsieur,
c'est plein
de mauvaises
nouvelles!

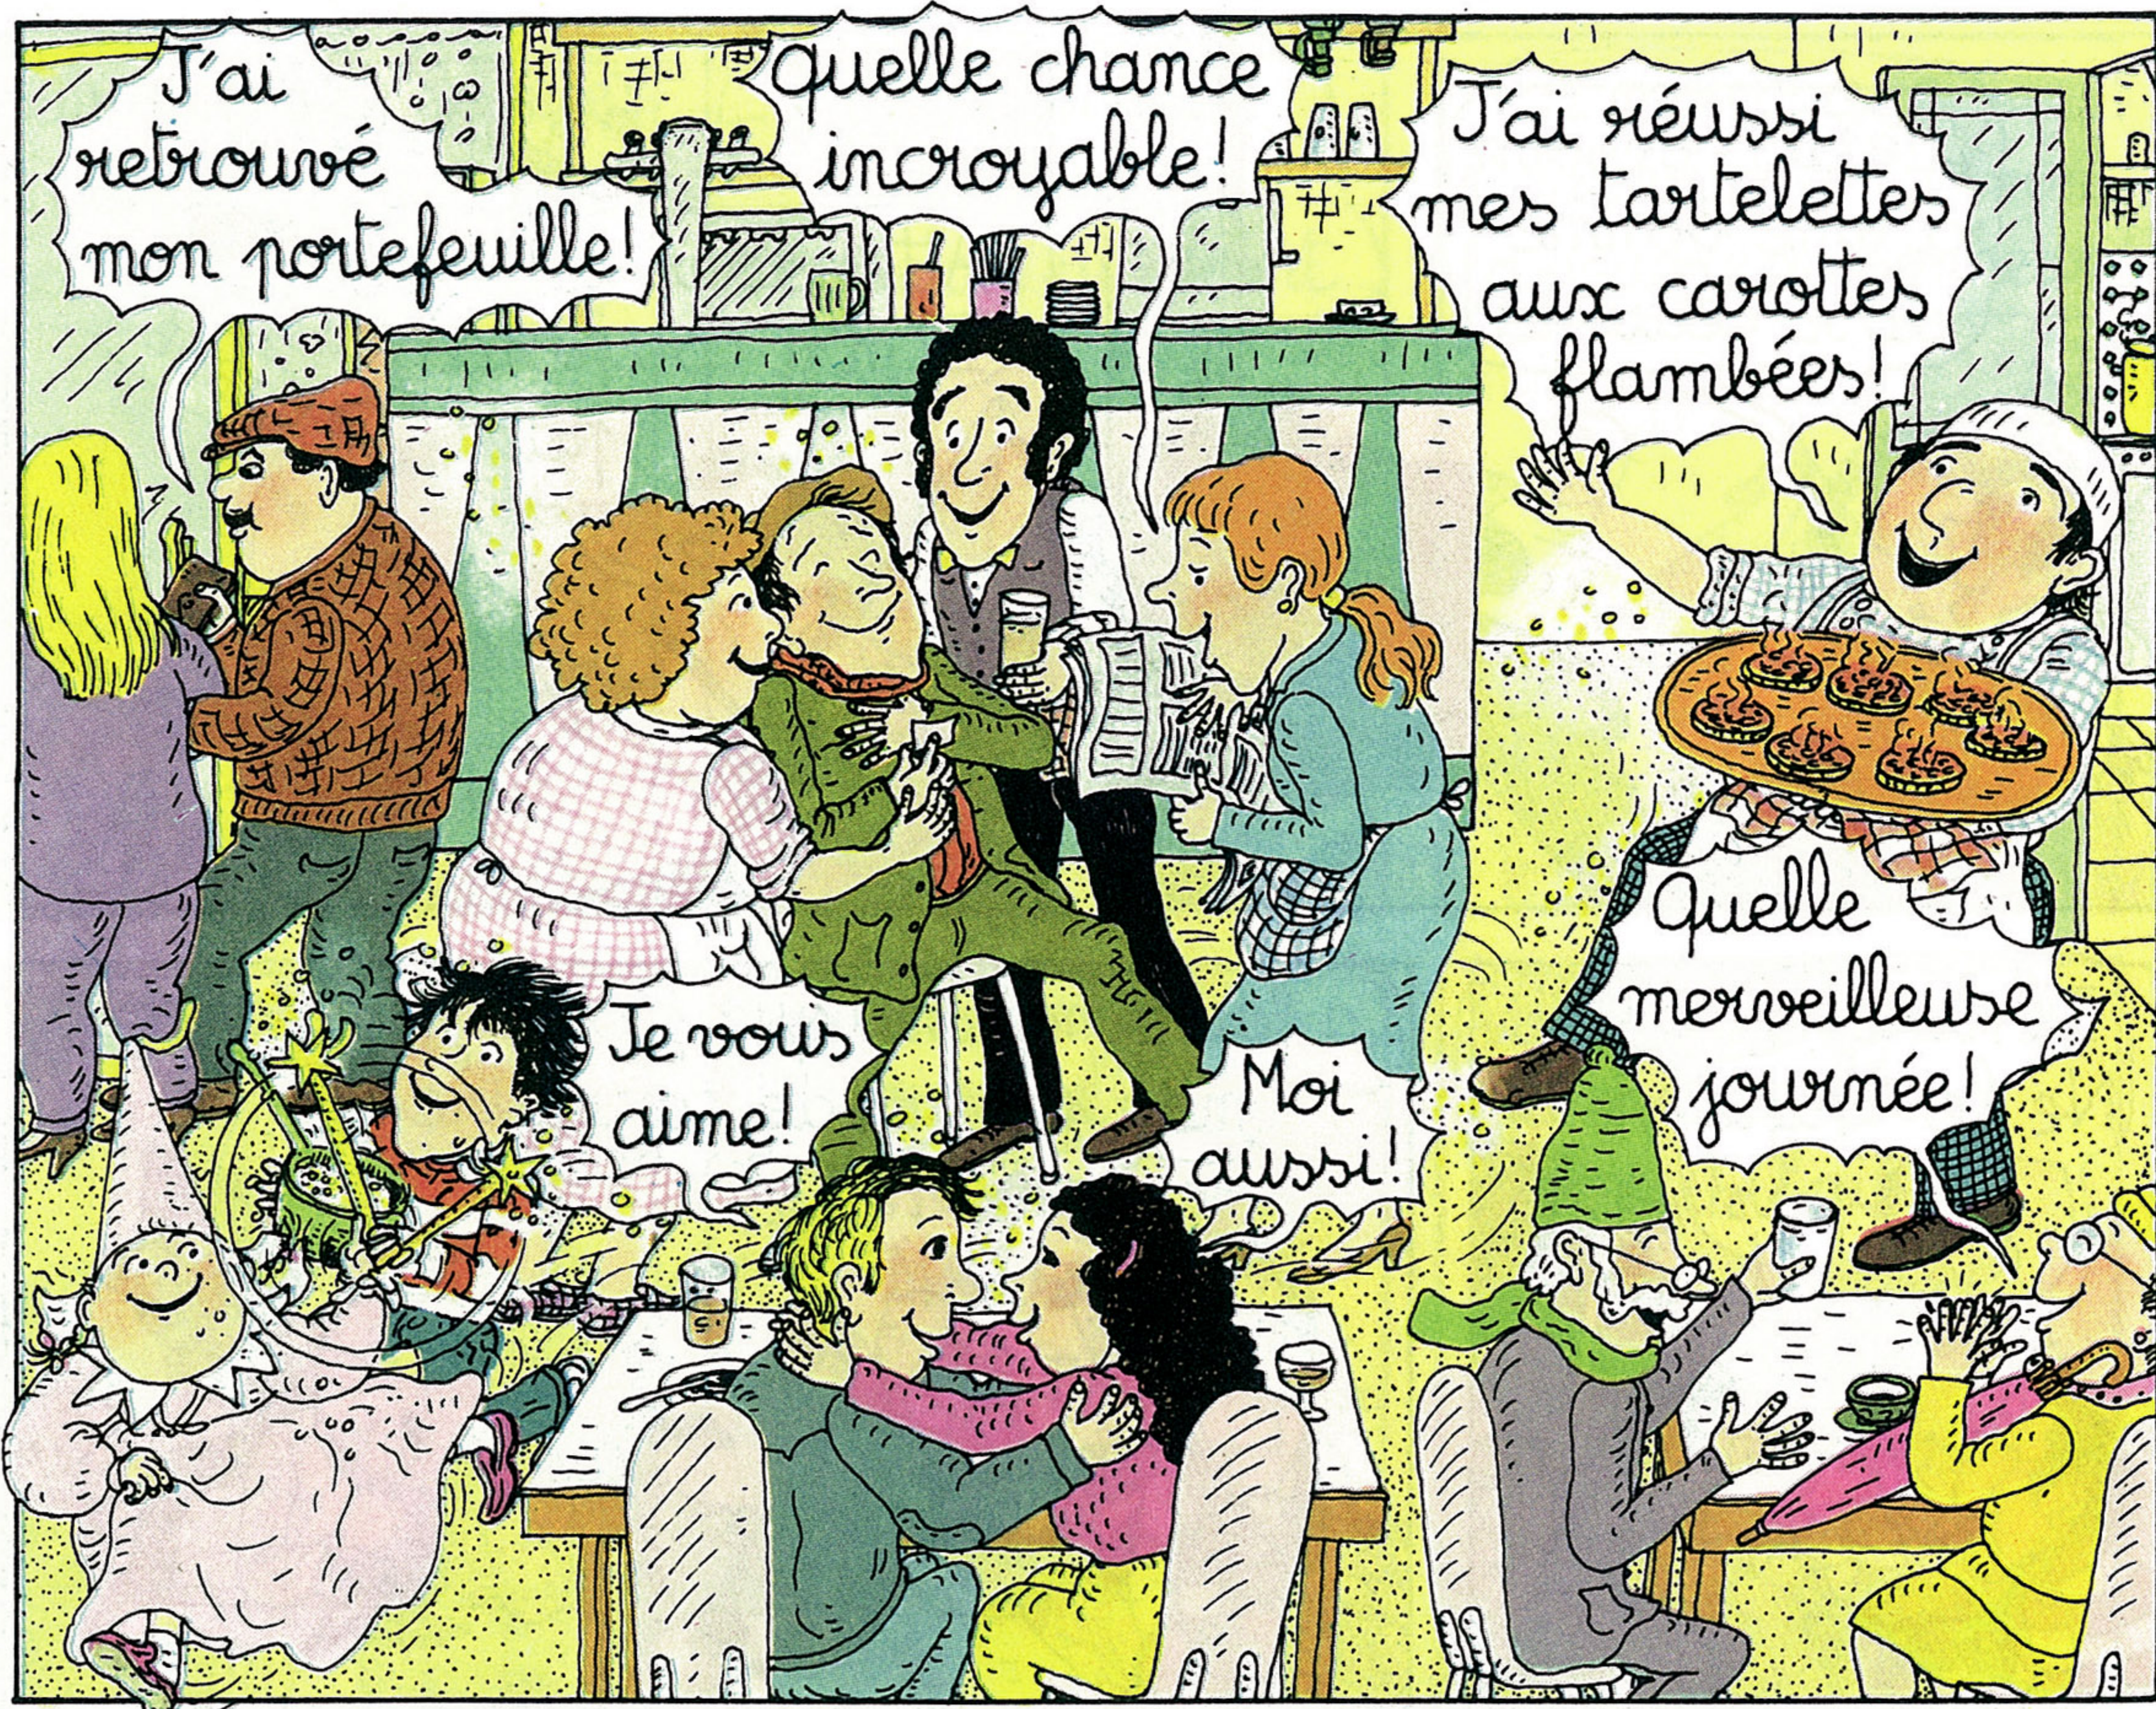

Aller
prépare-toi!

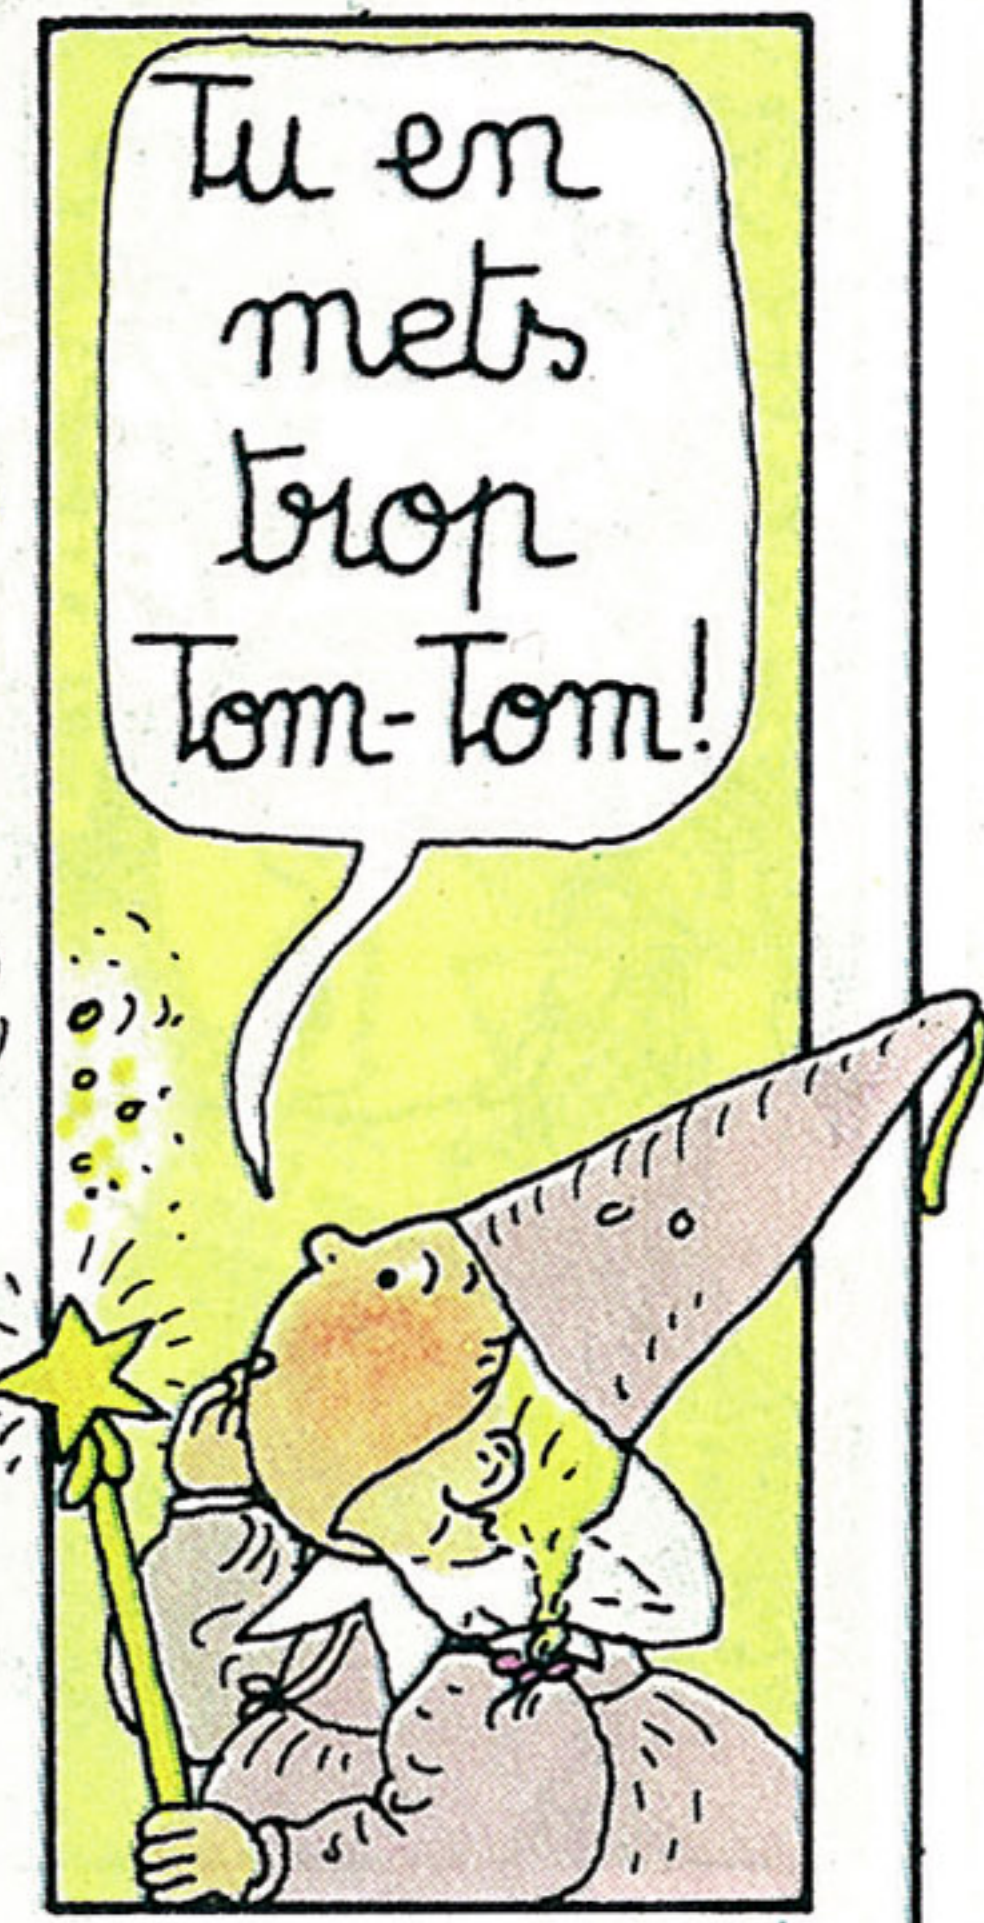

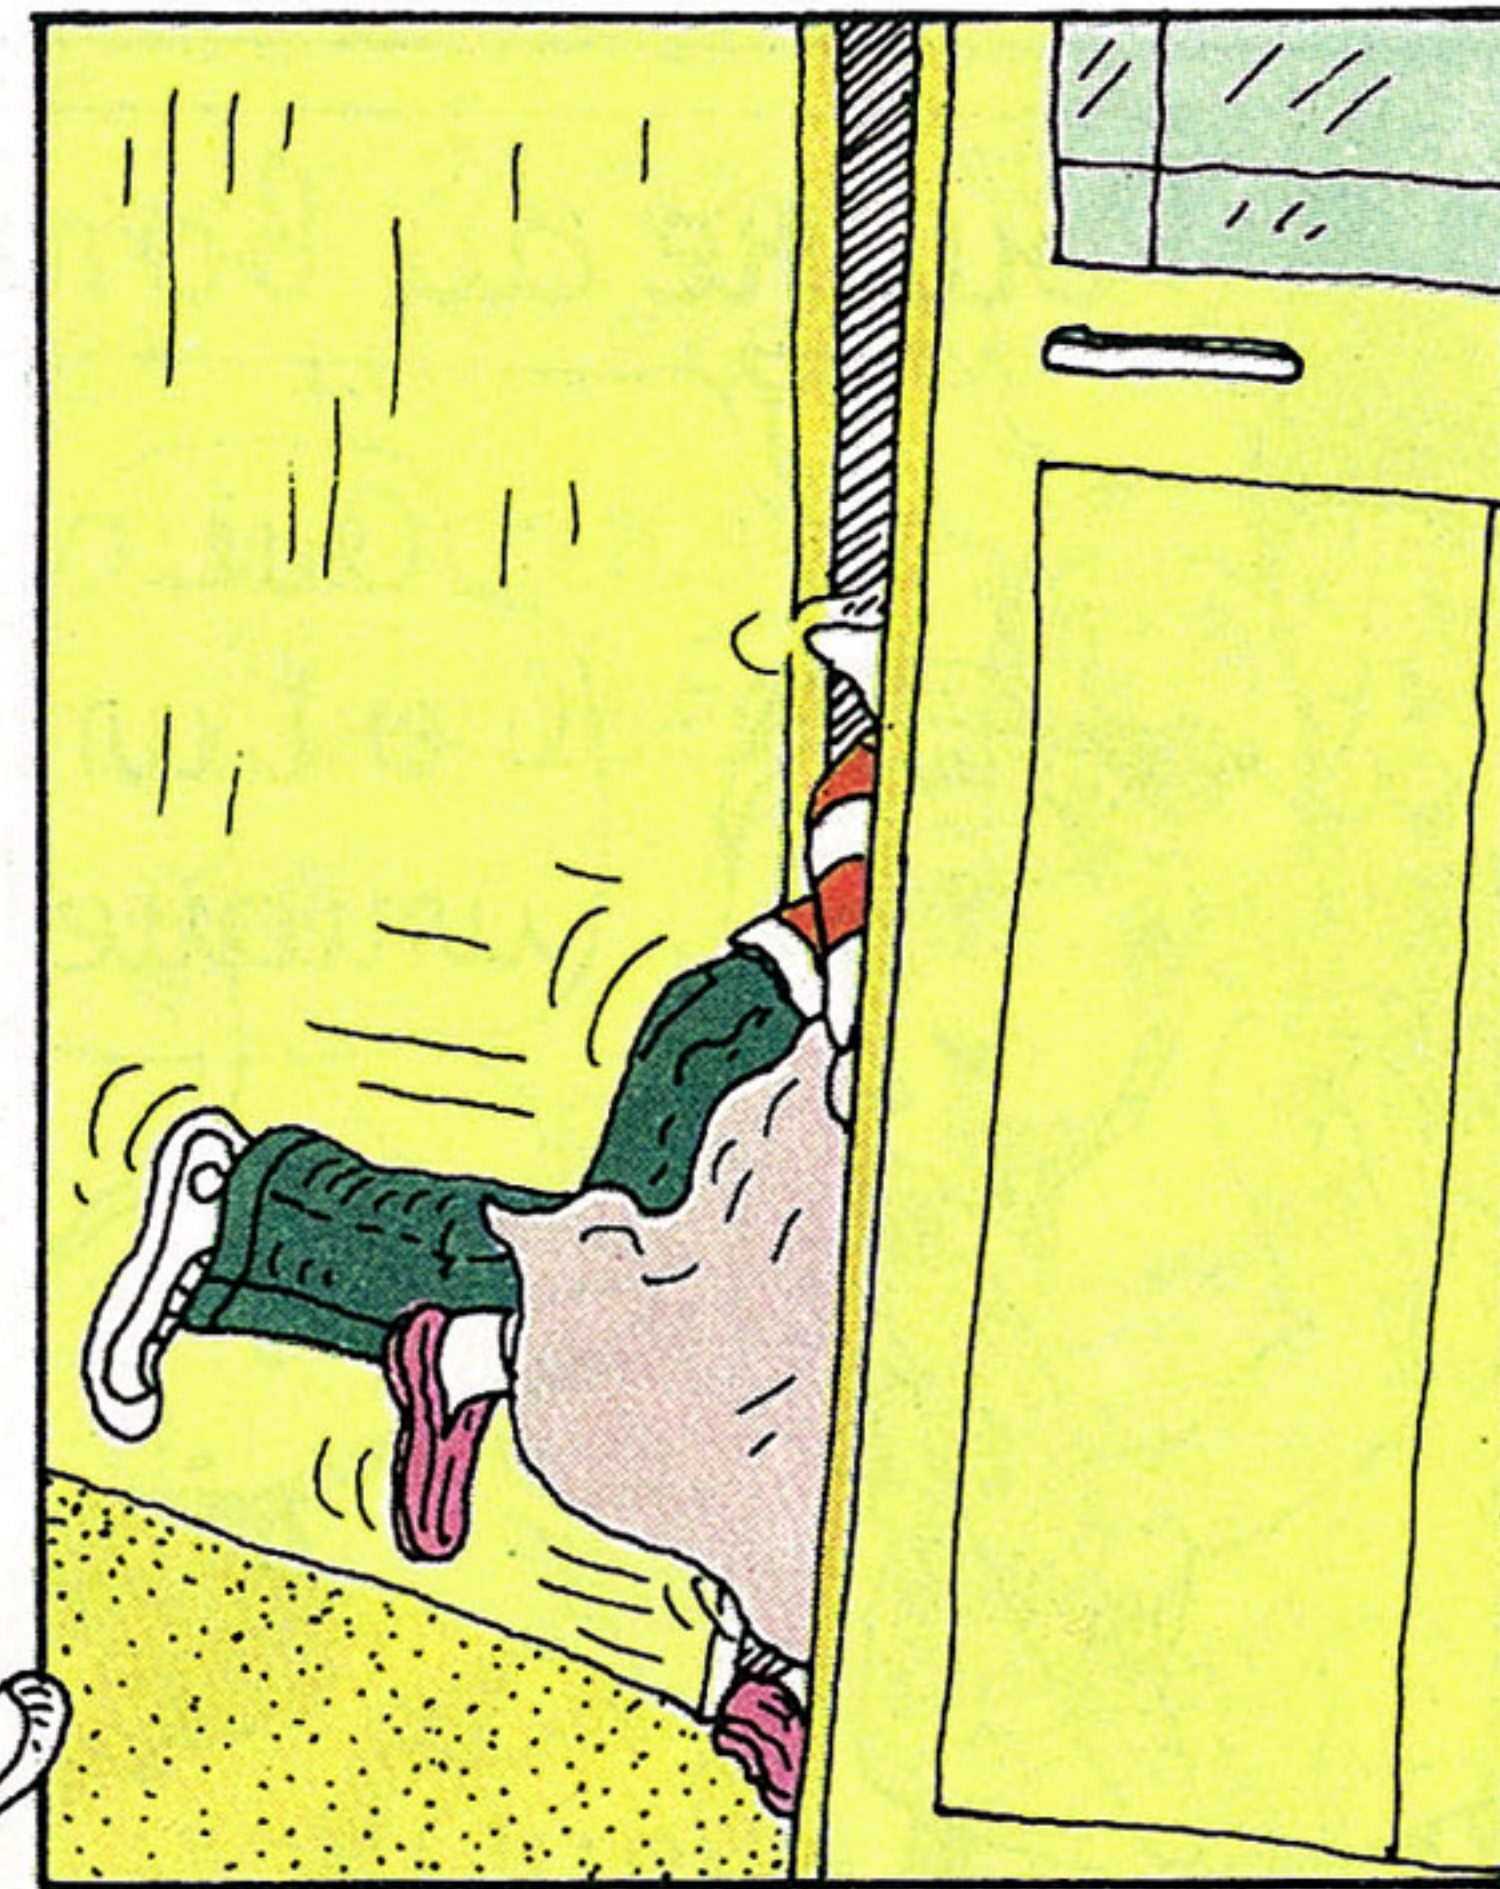

Vous, les enfants!
qu'est-ce que
vous faites
dans
mes
jambes!

Euh...
Rien...

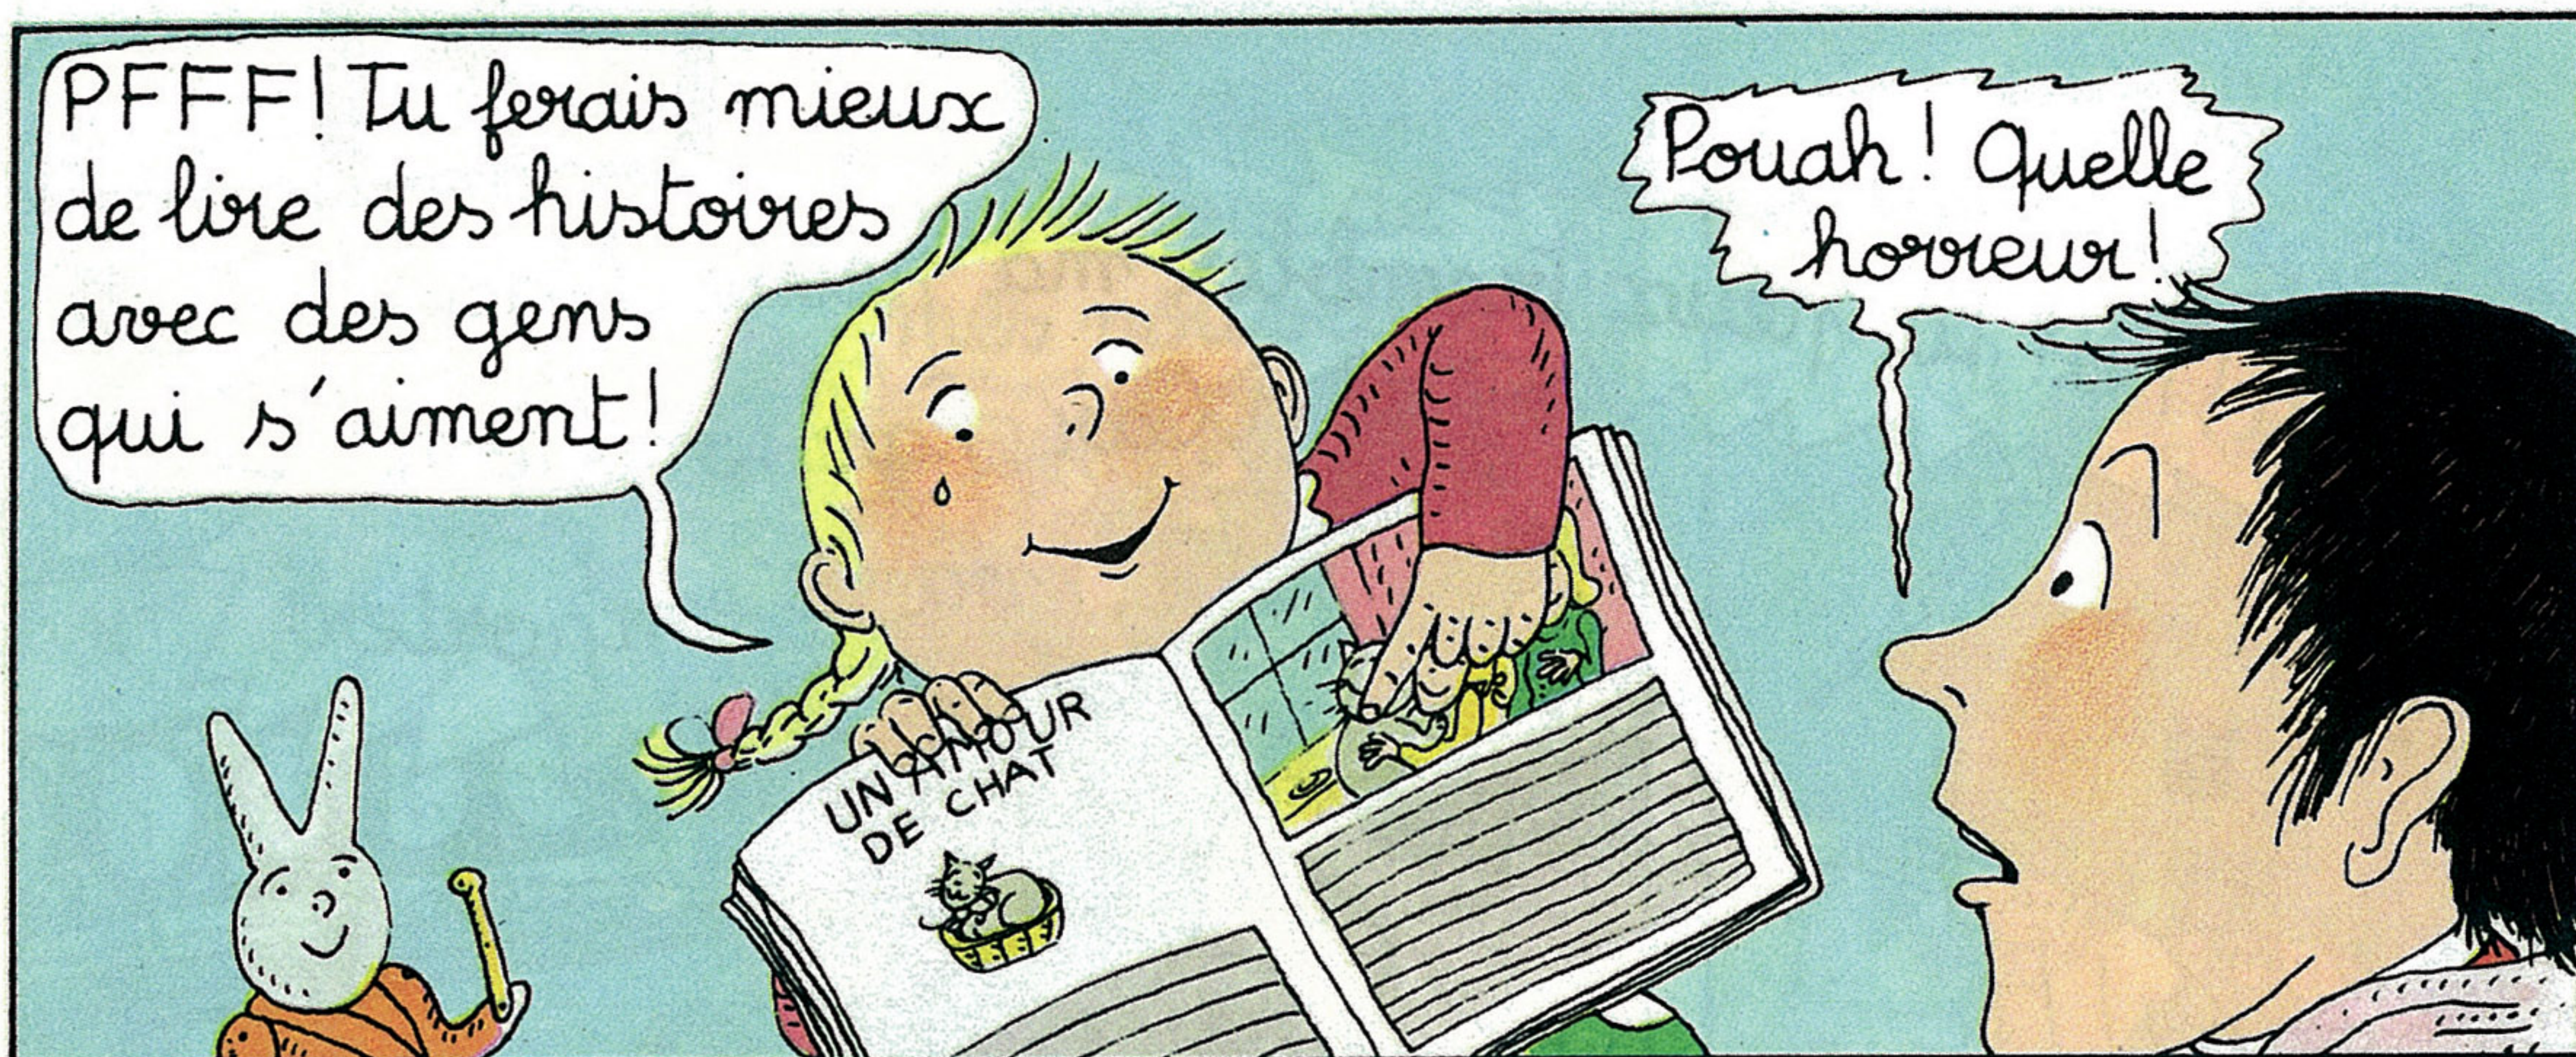

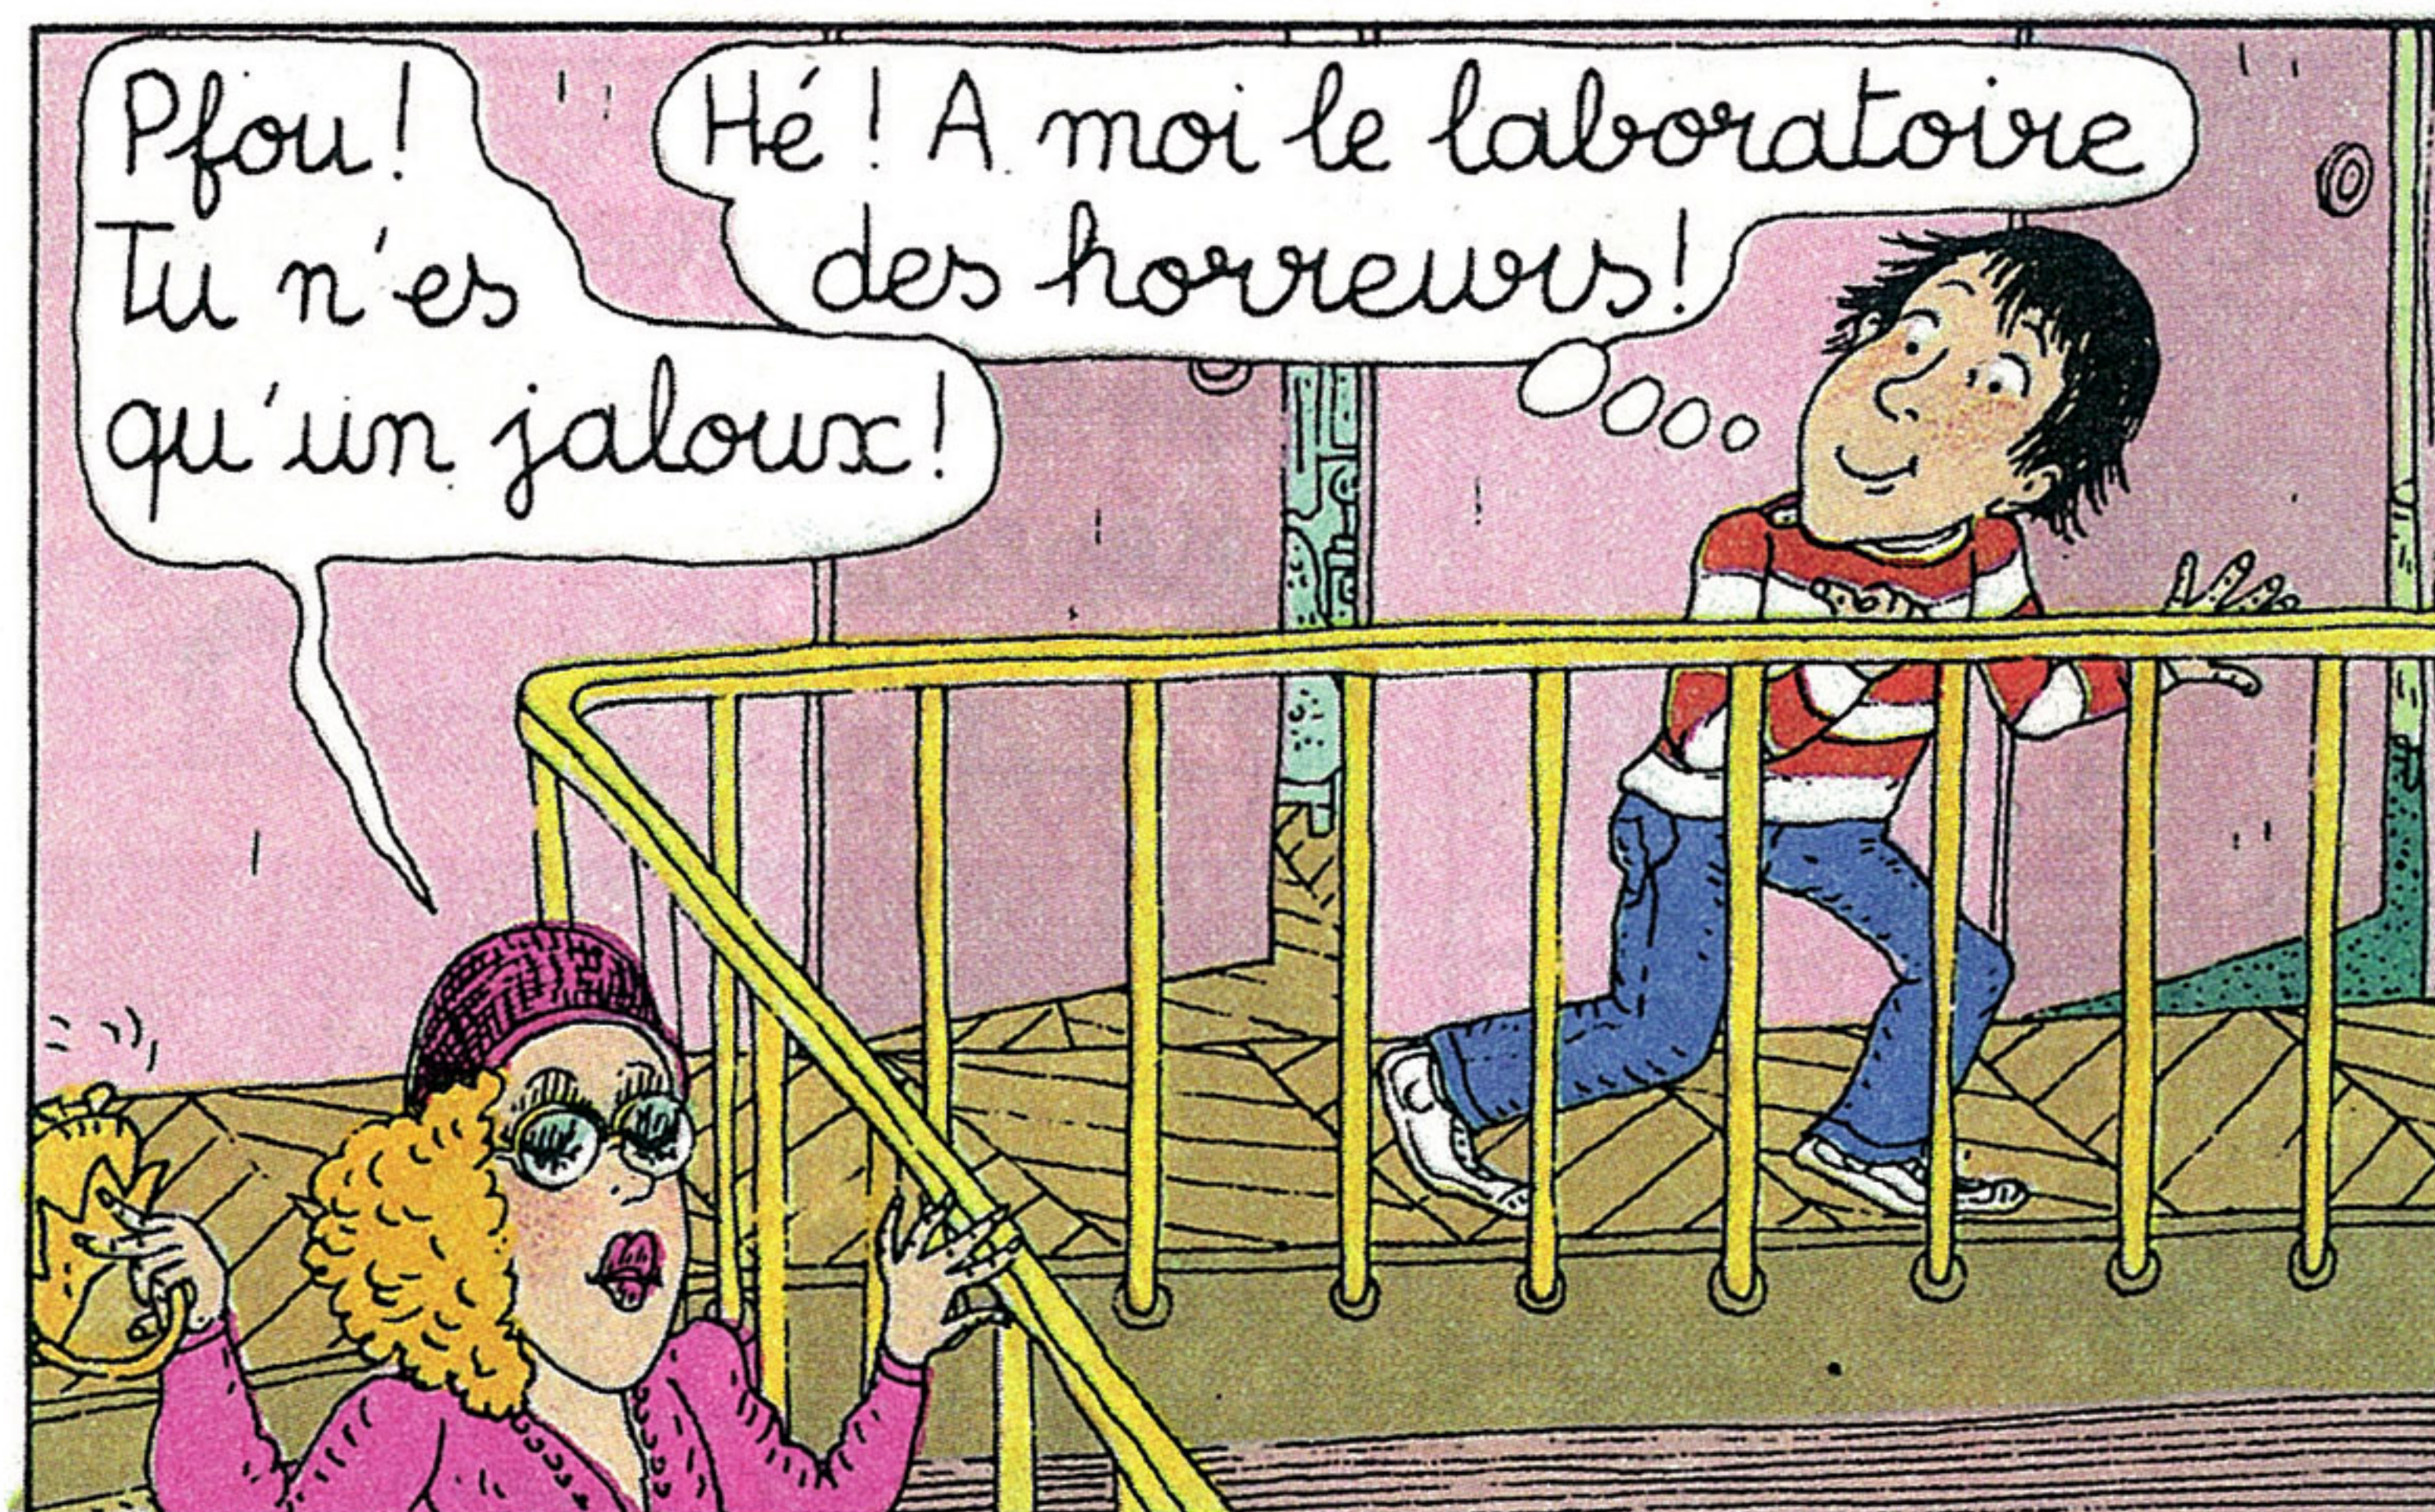

Une recette à faire peur.

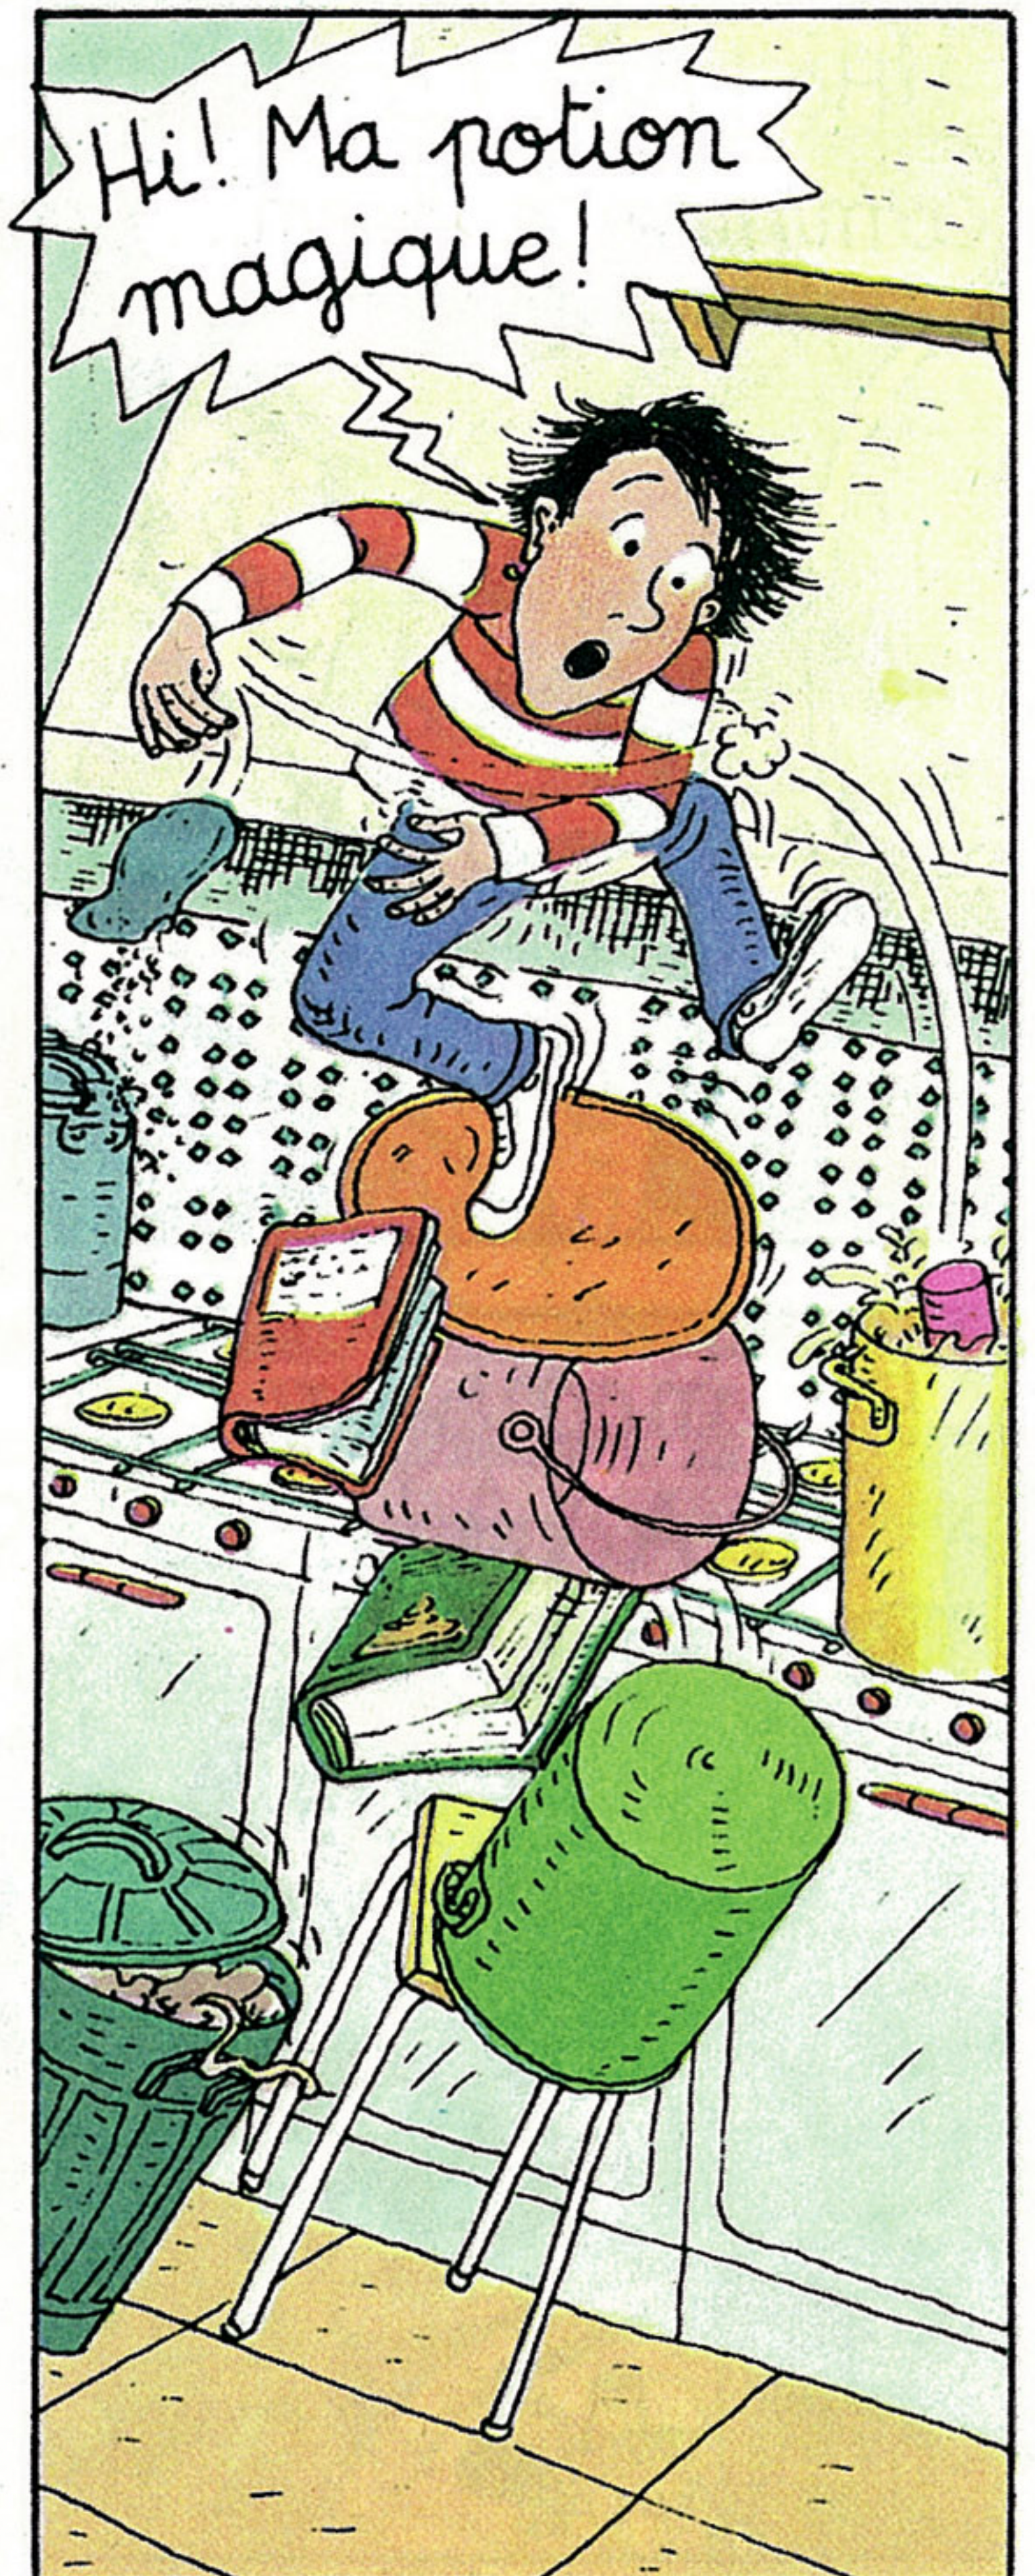

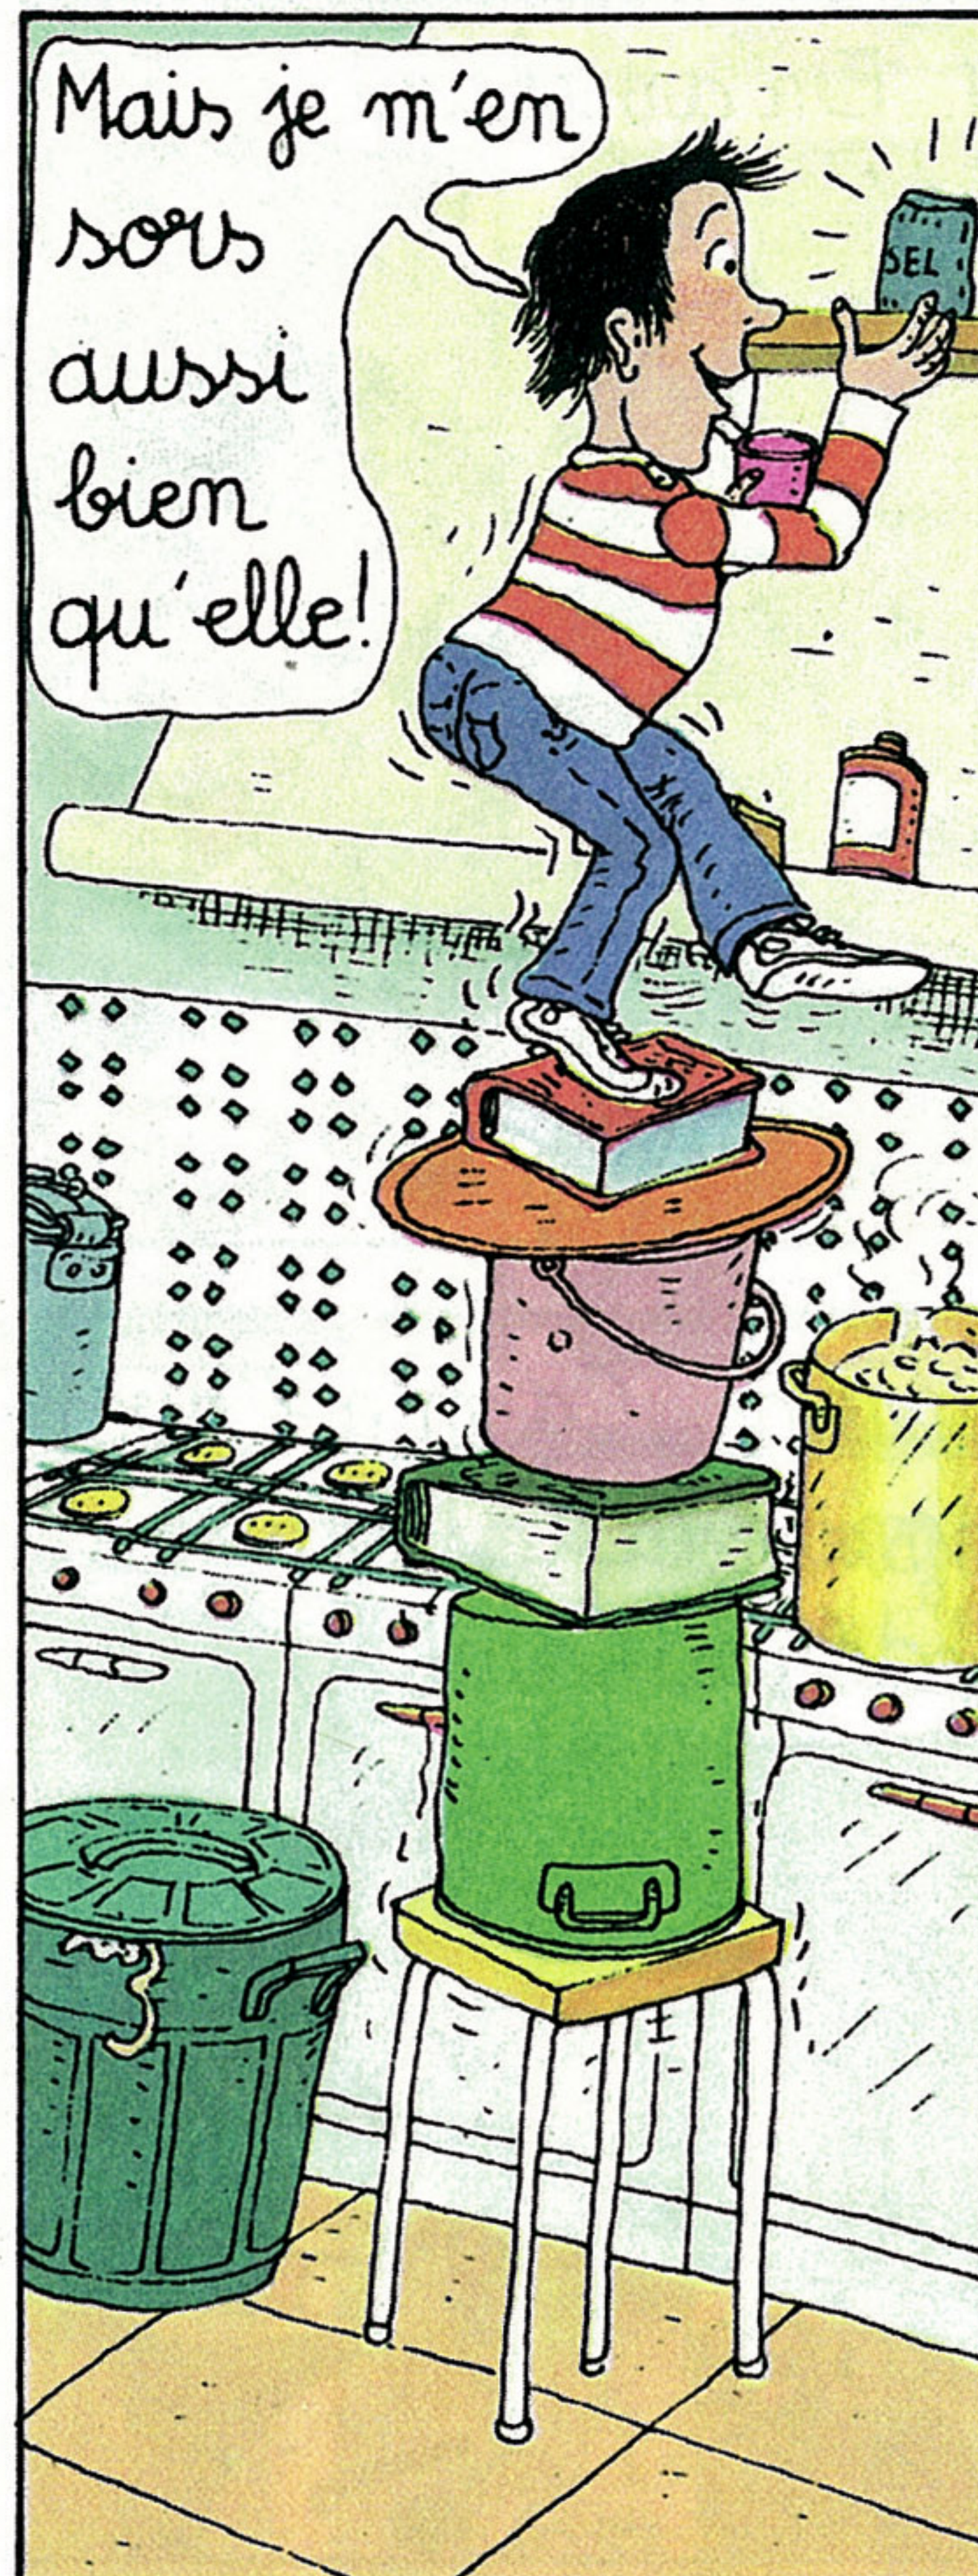

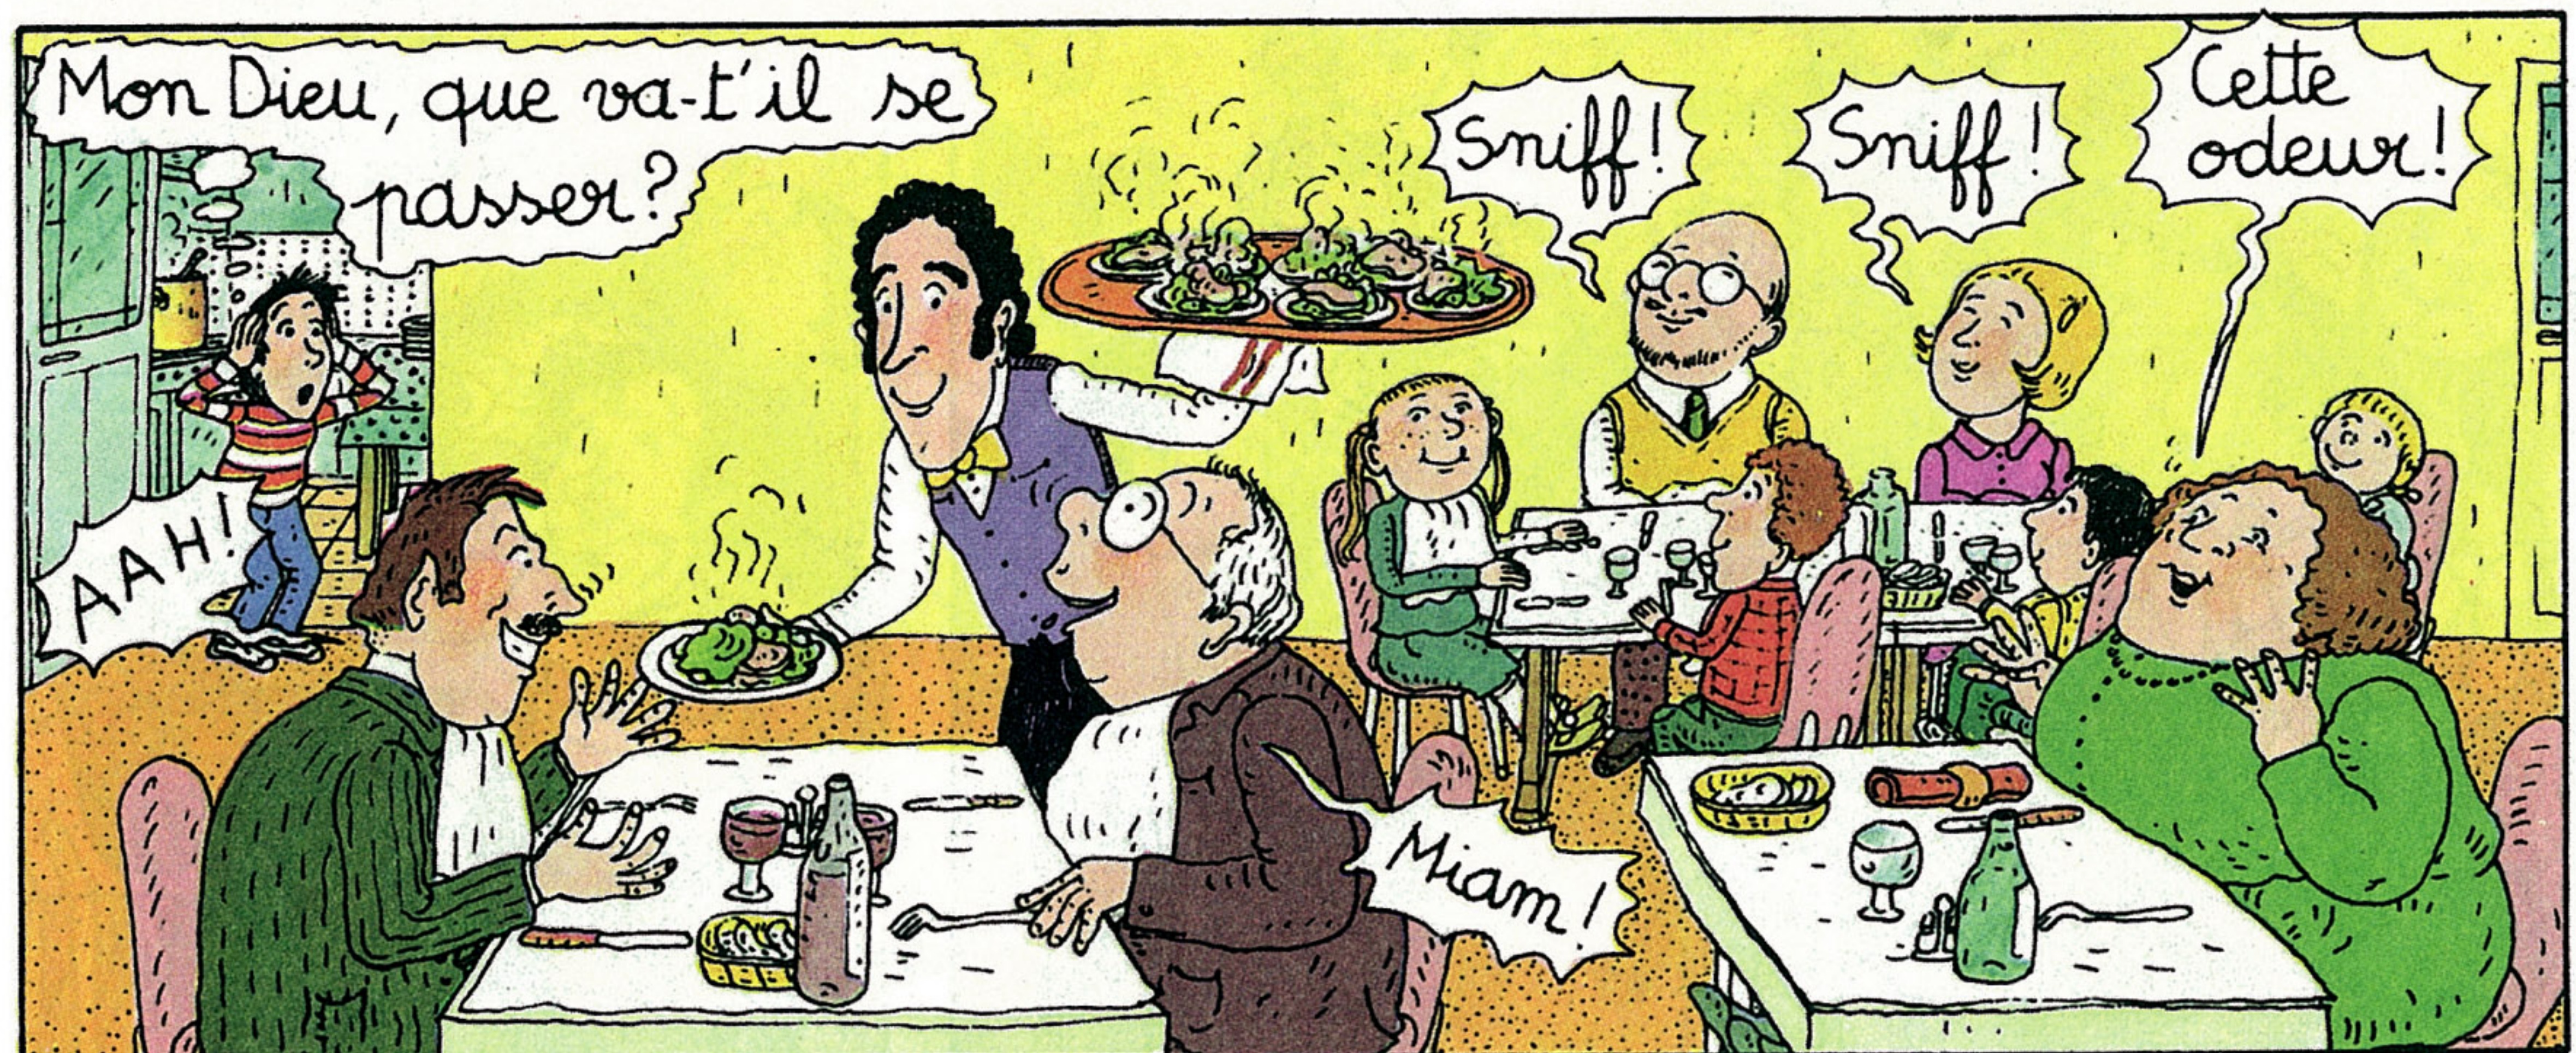

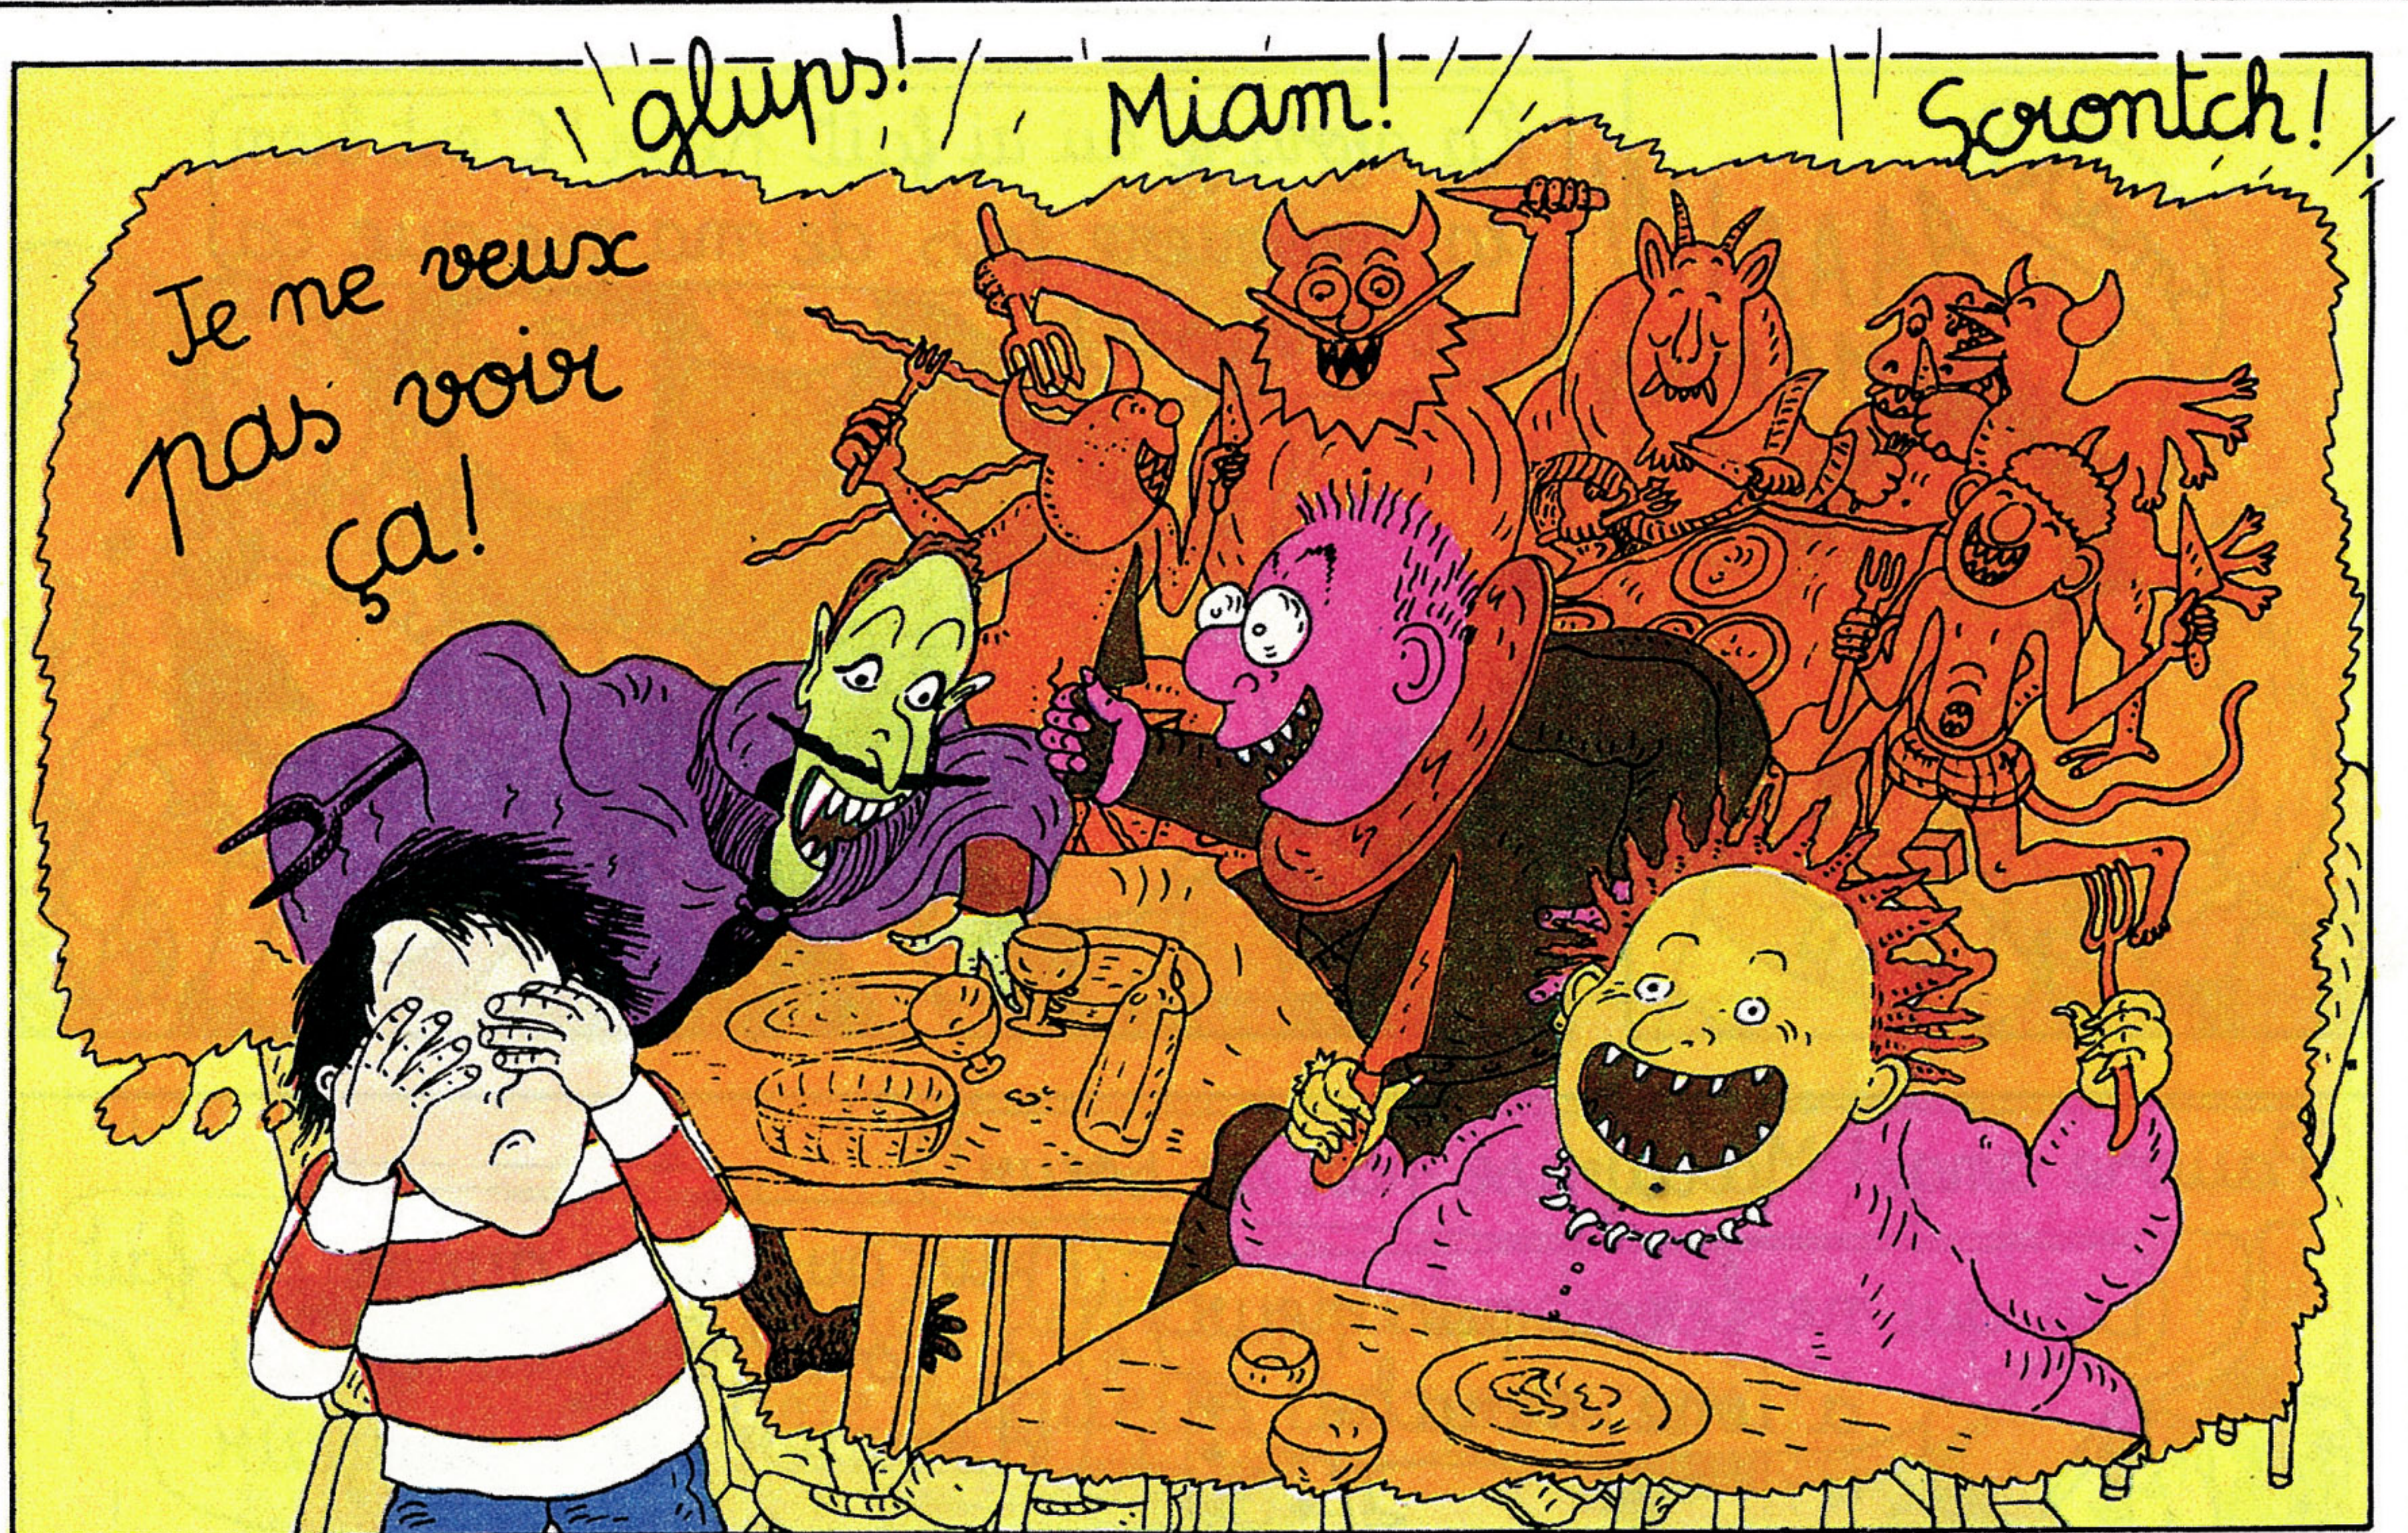

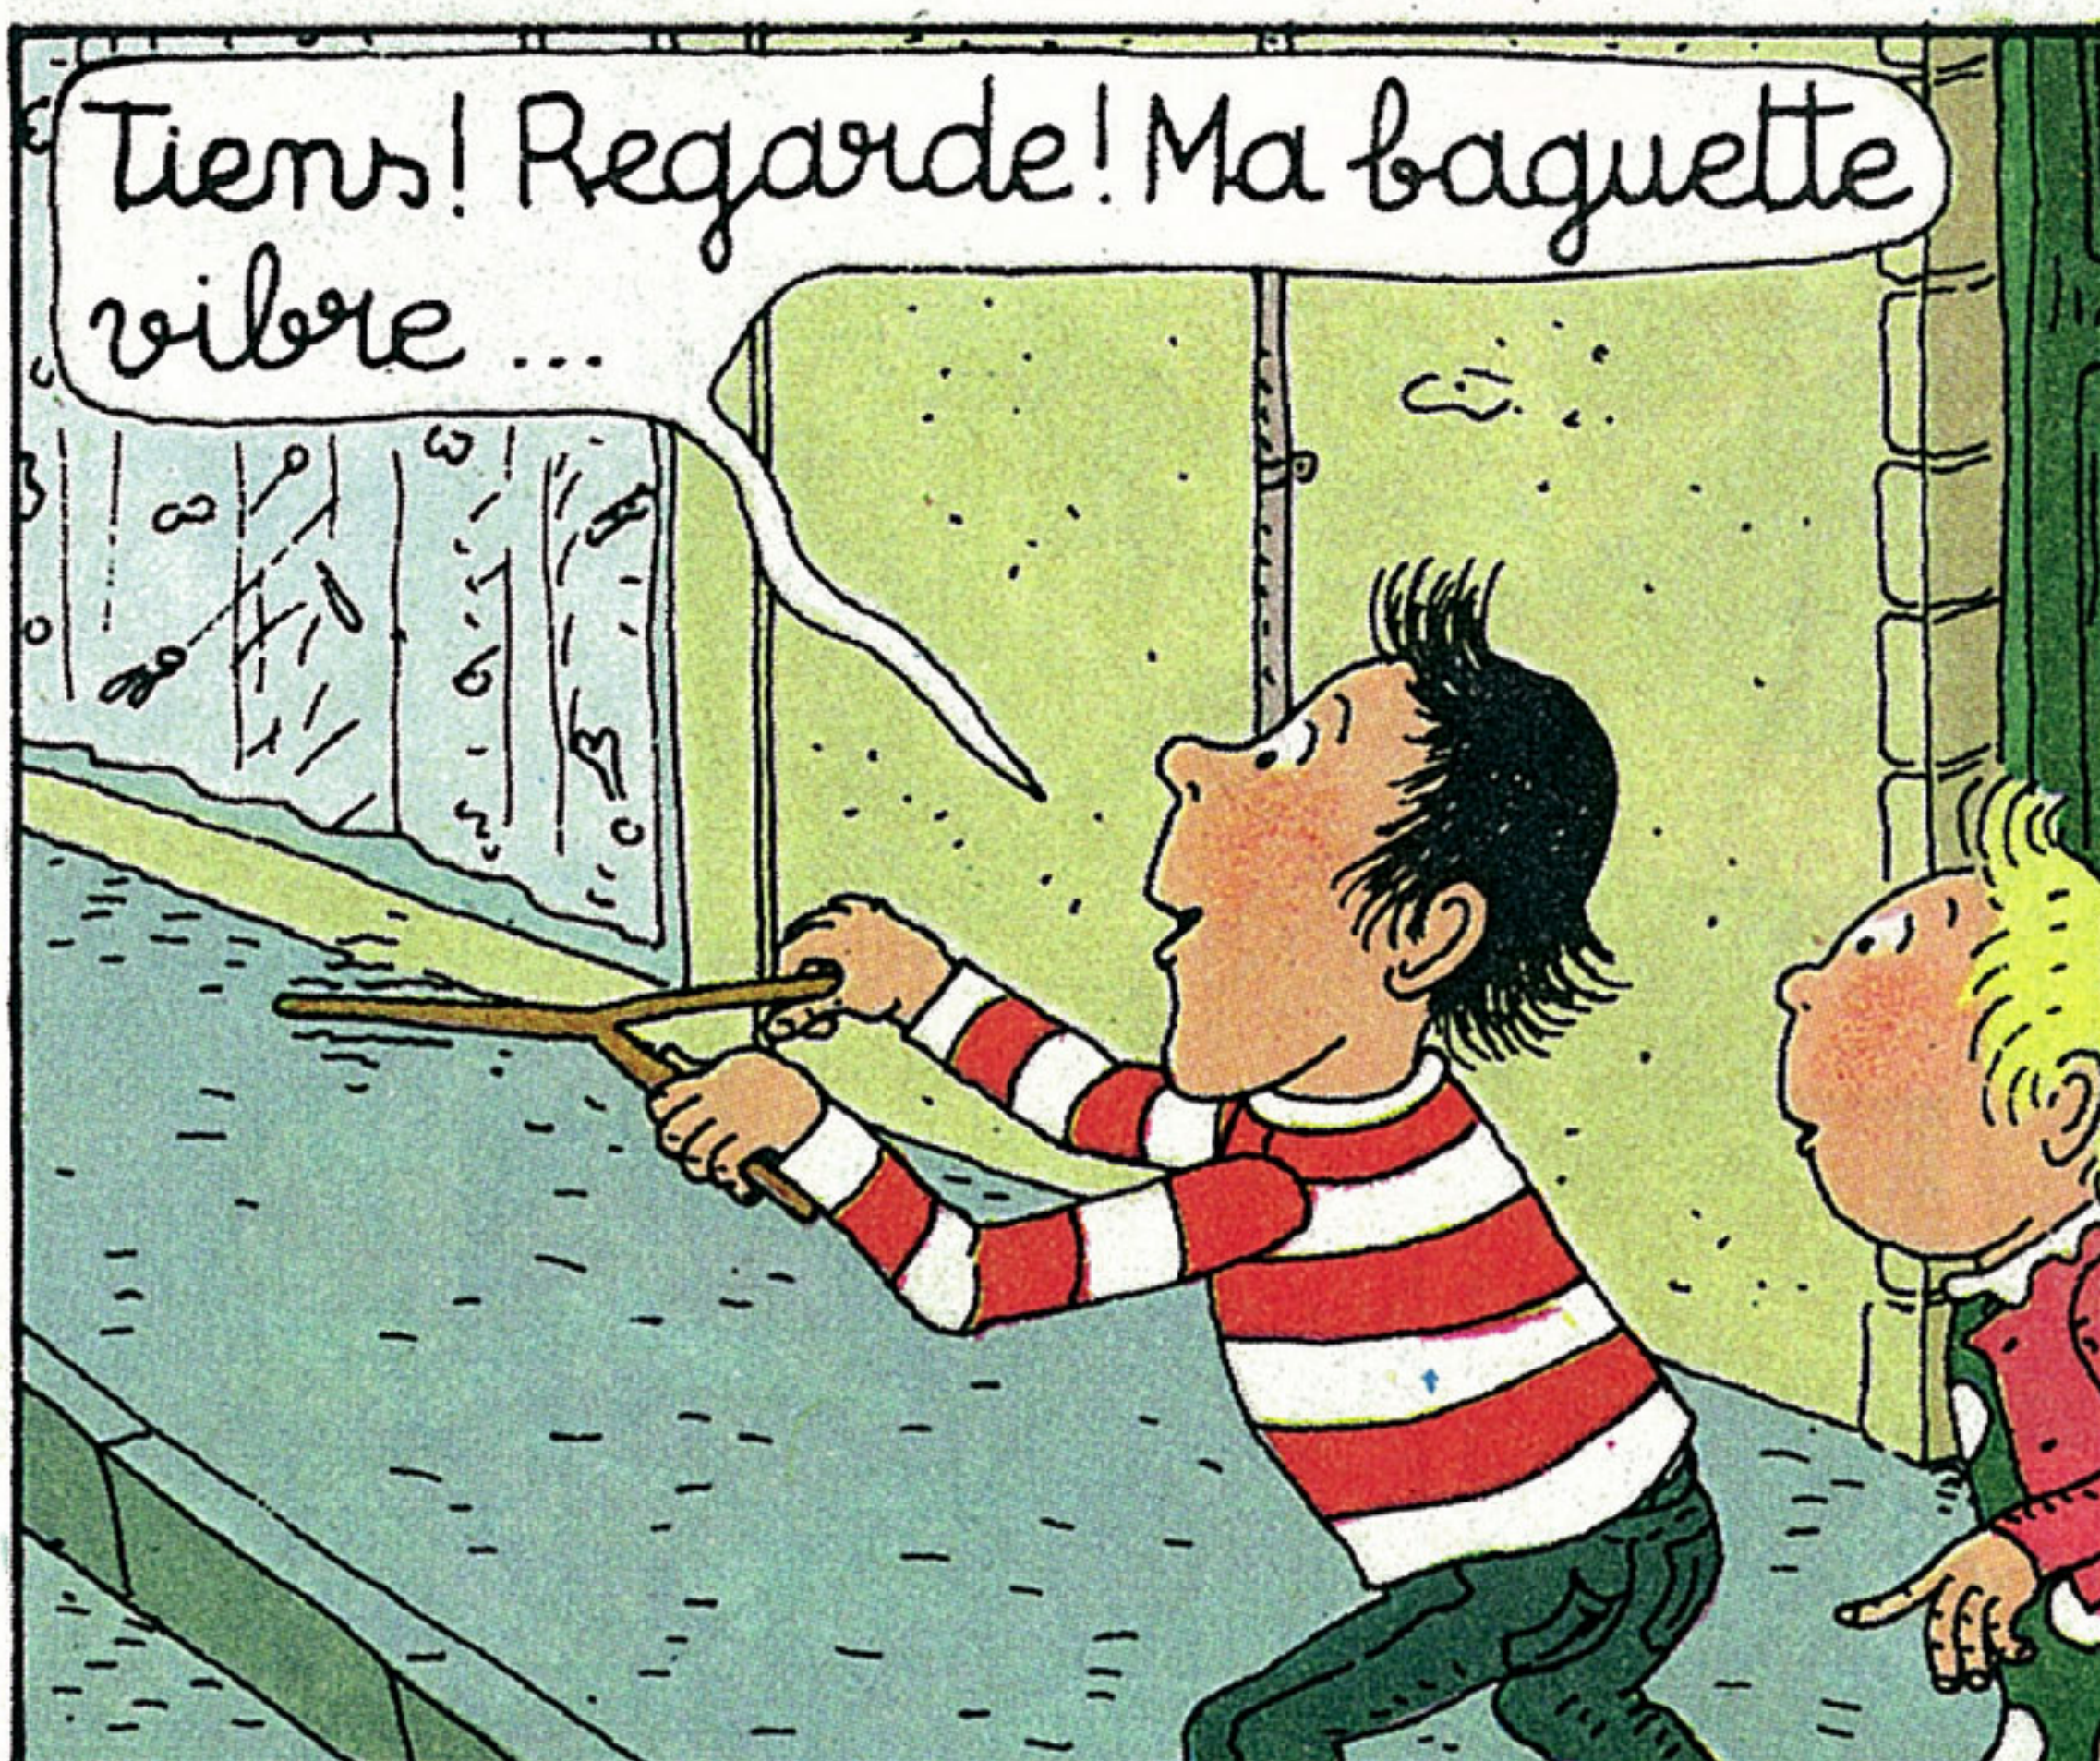

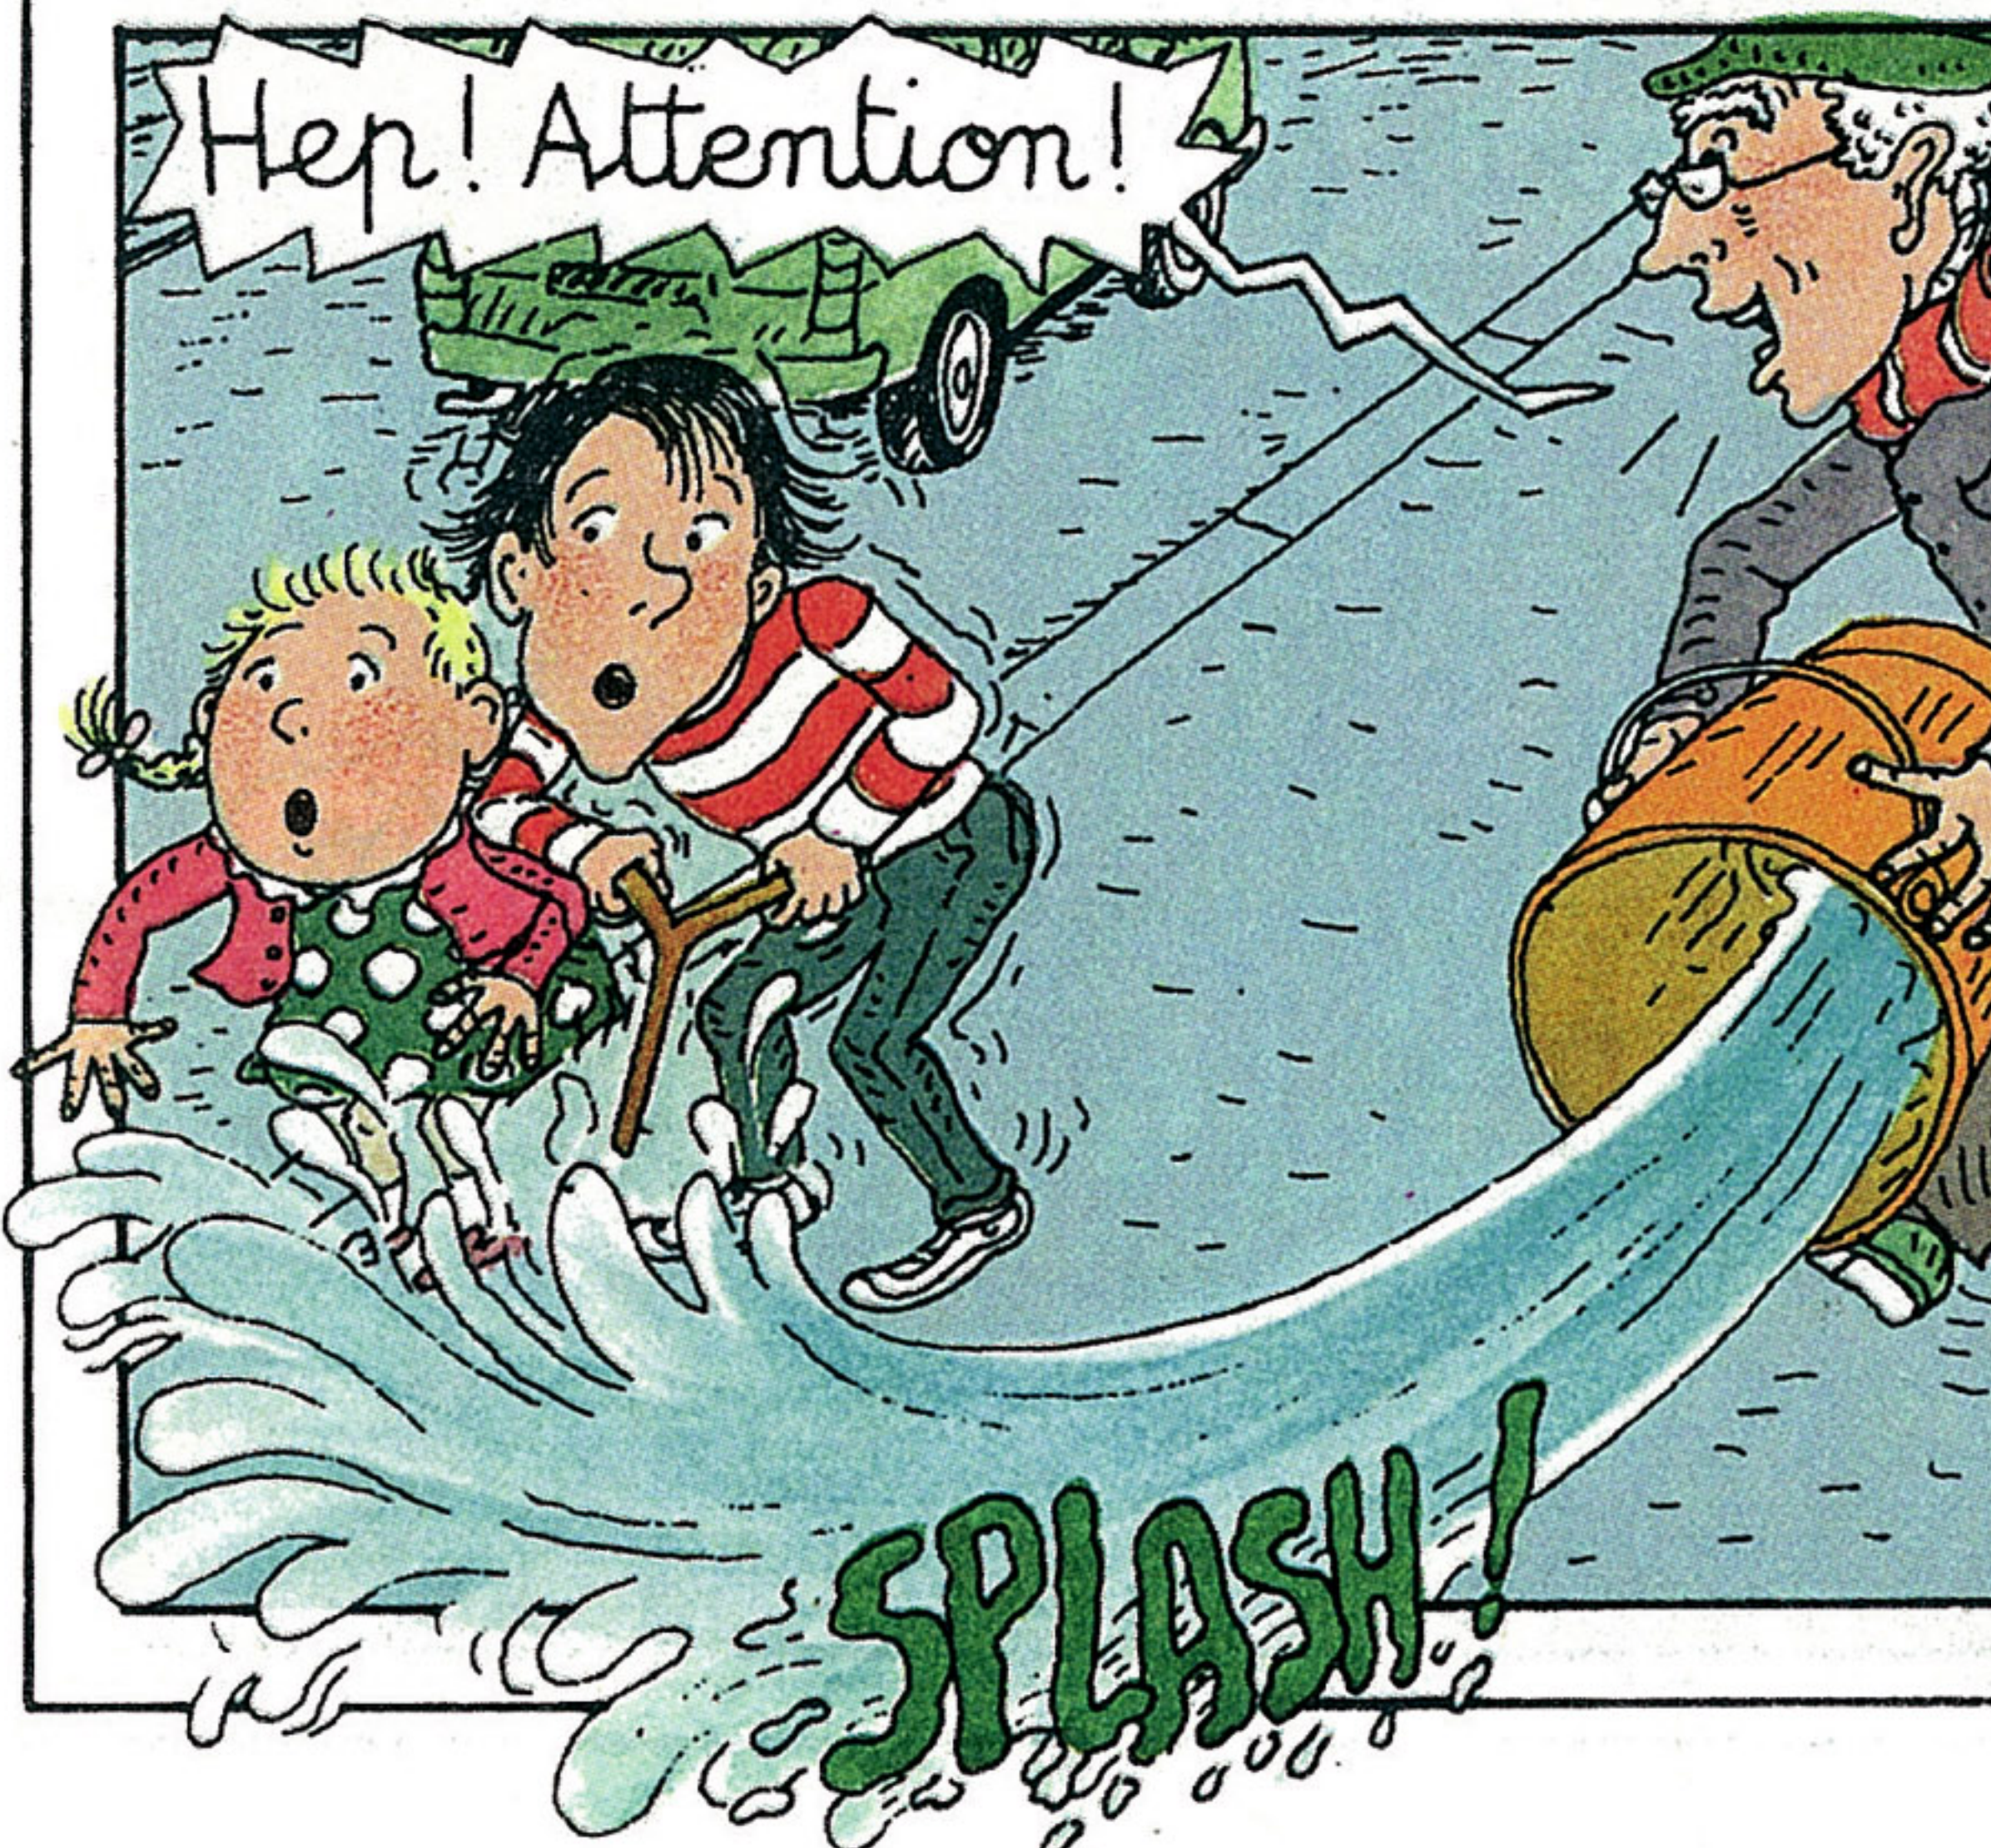

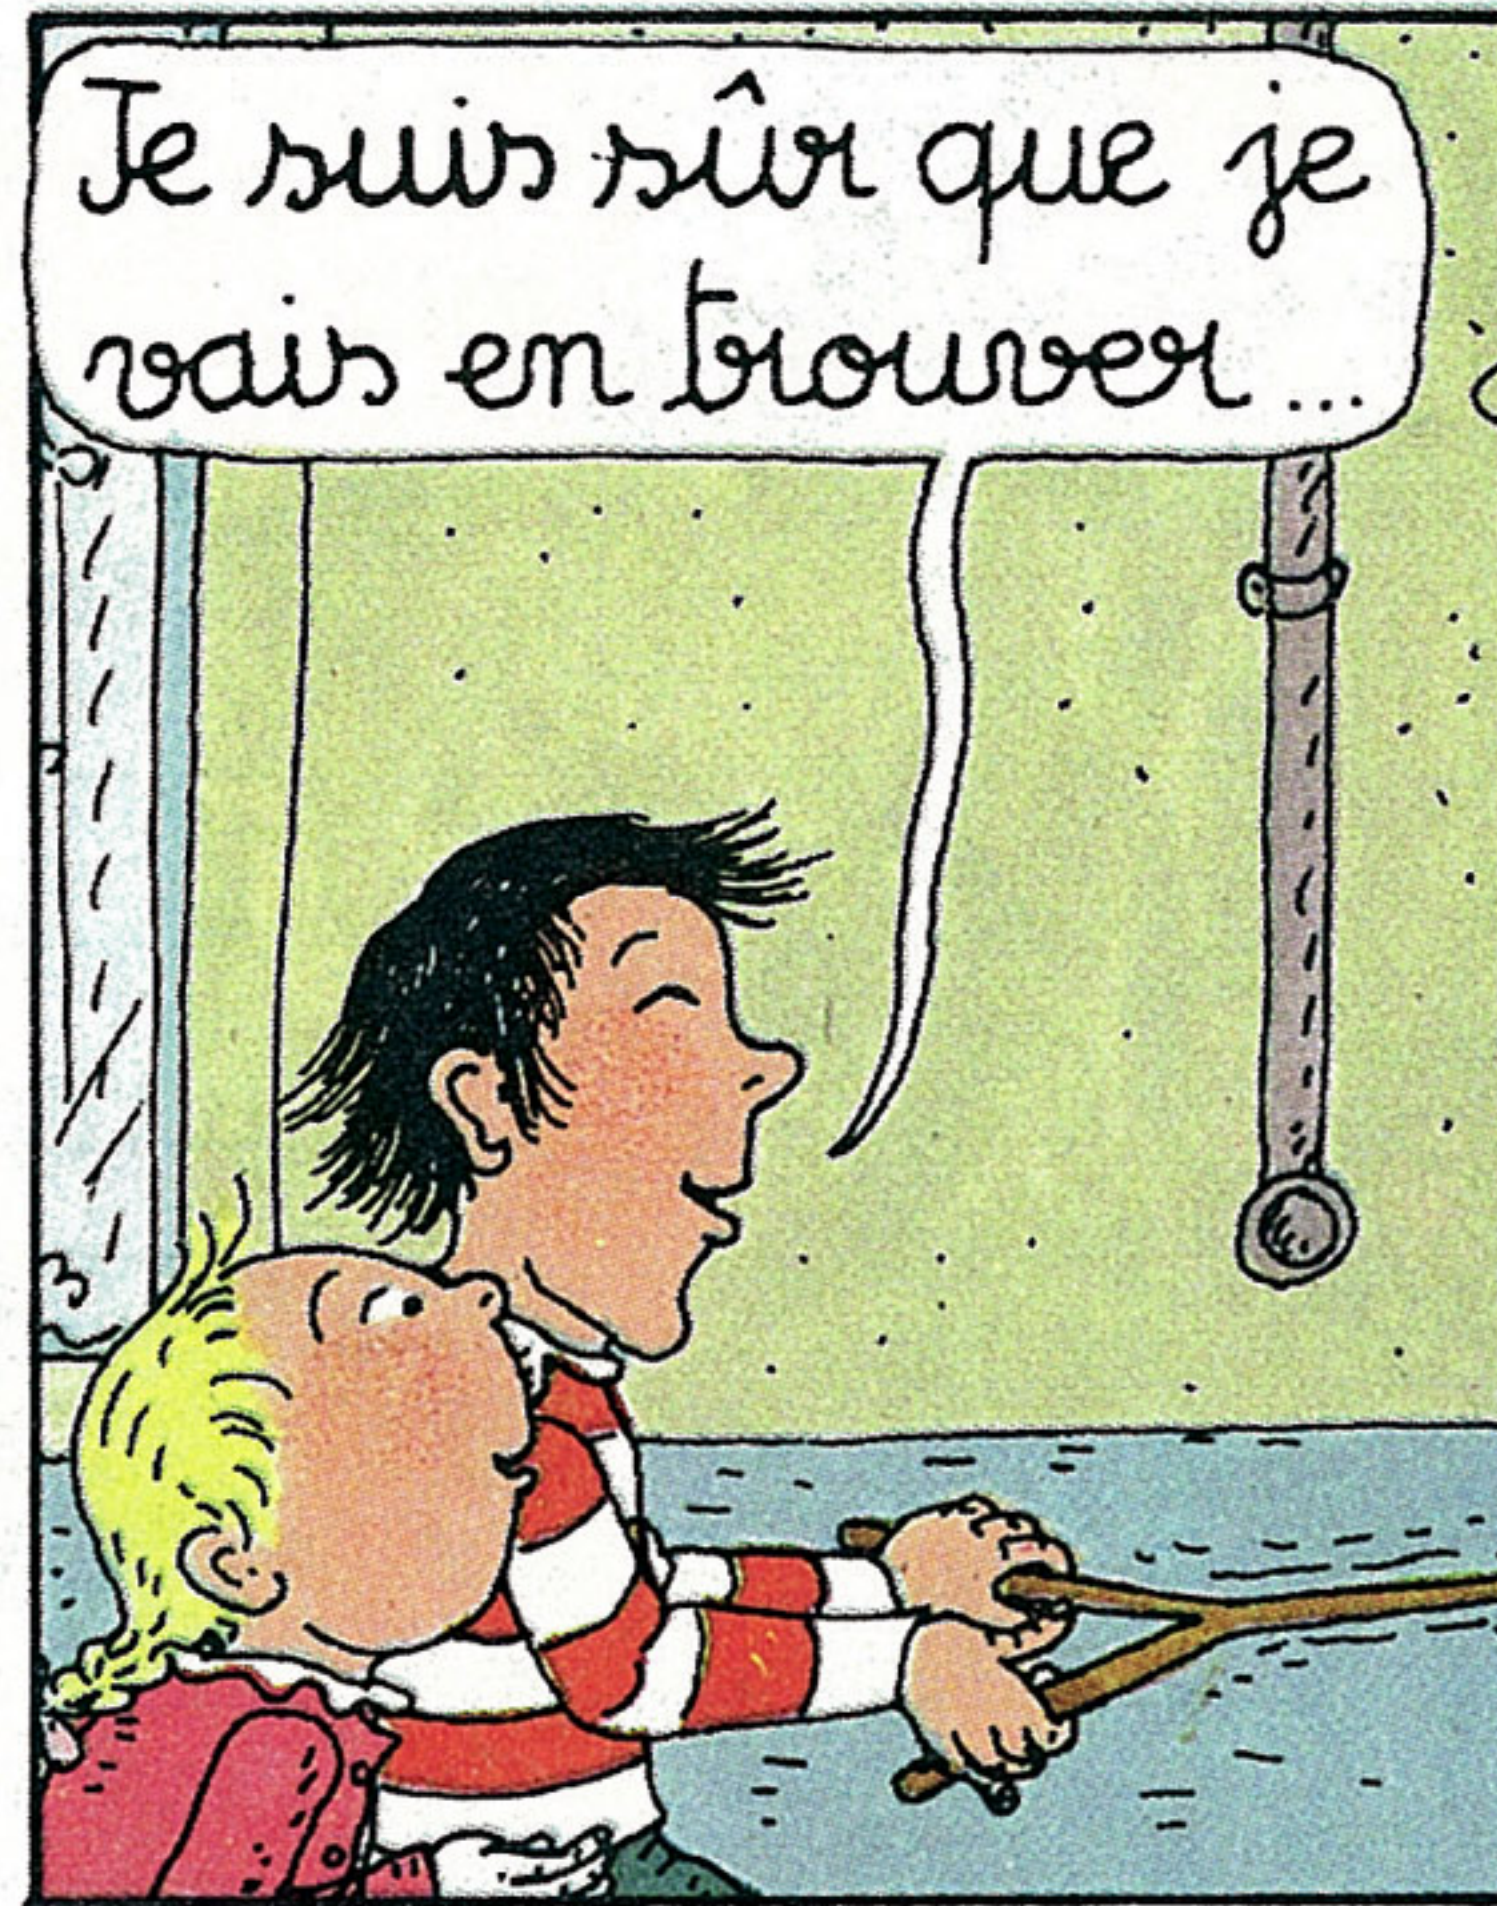

Tom-Tom sourcier.

(69-1)

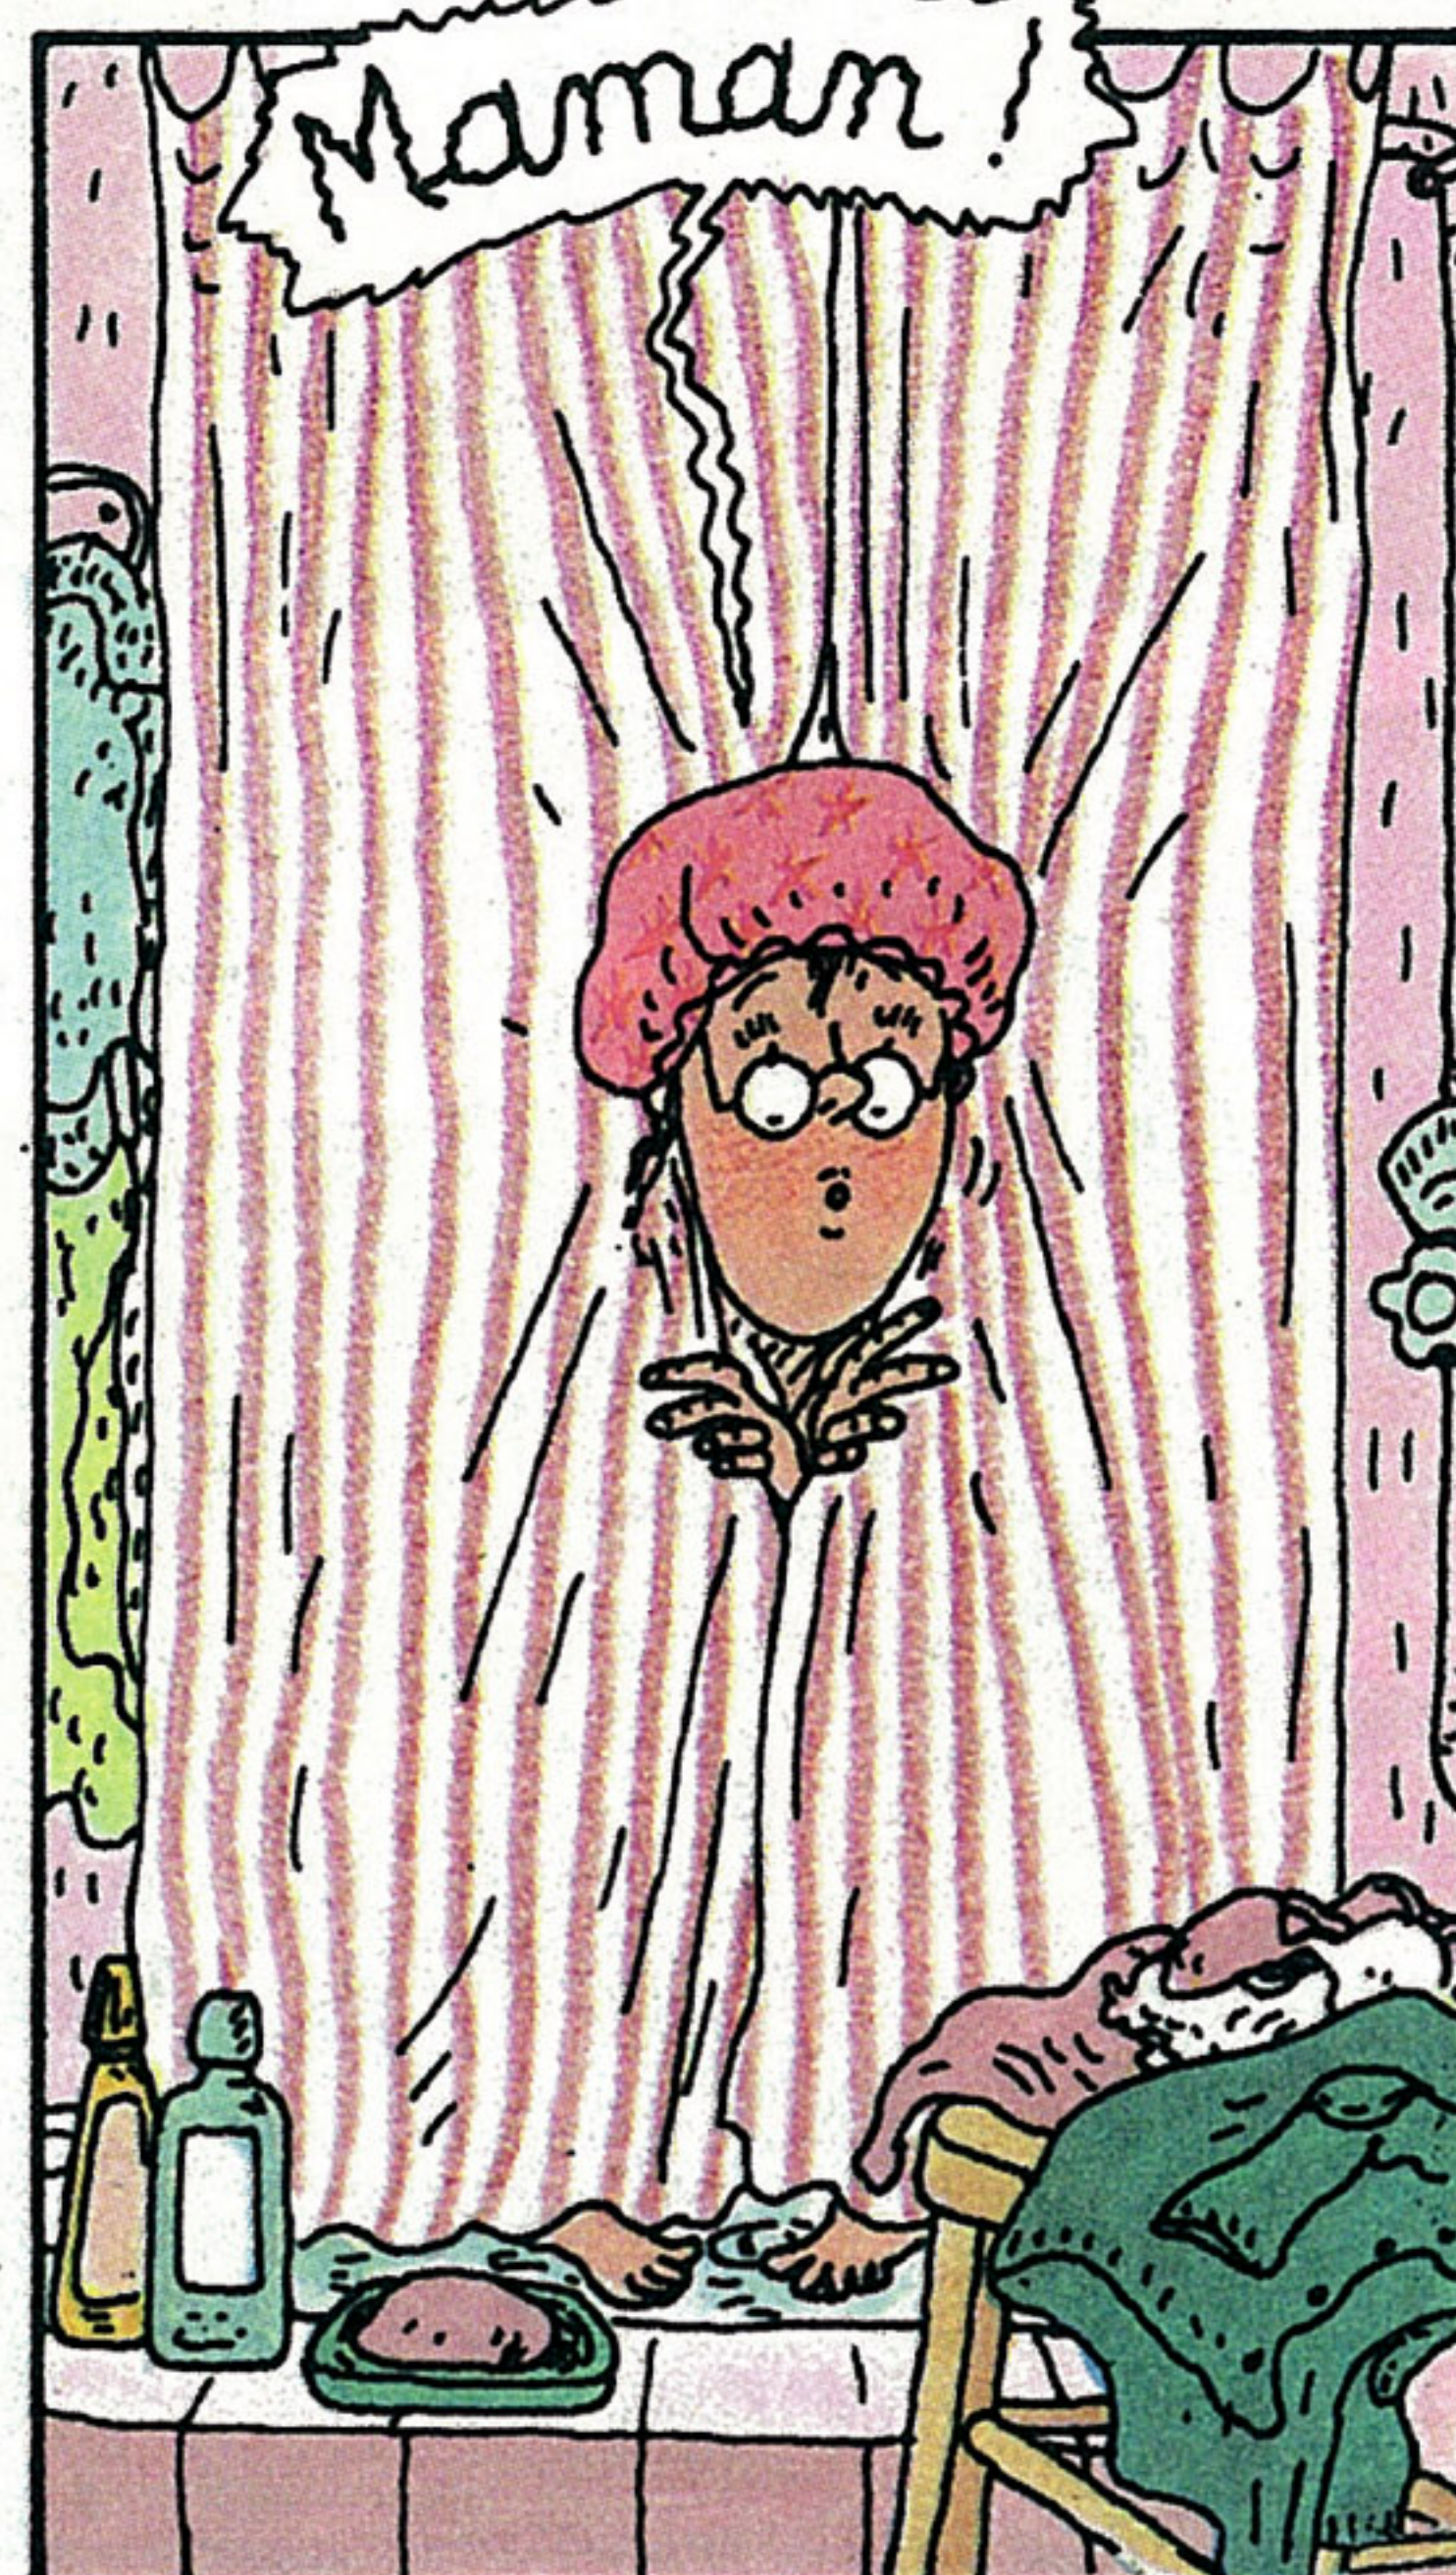

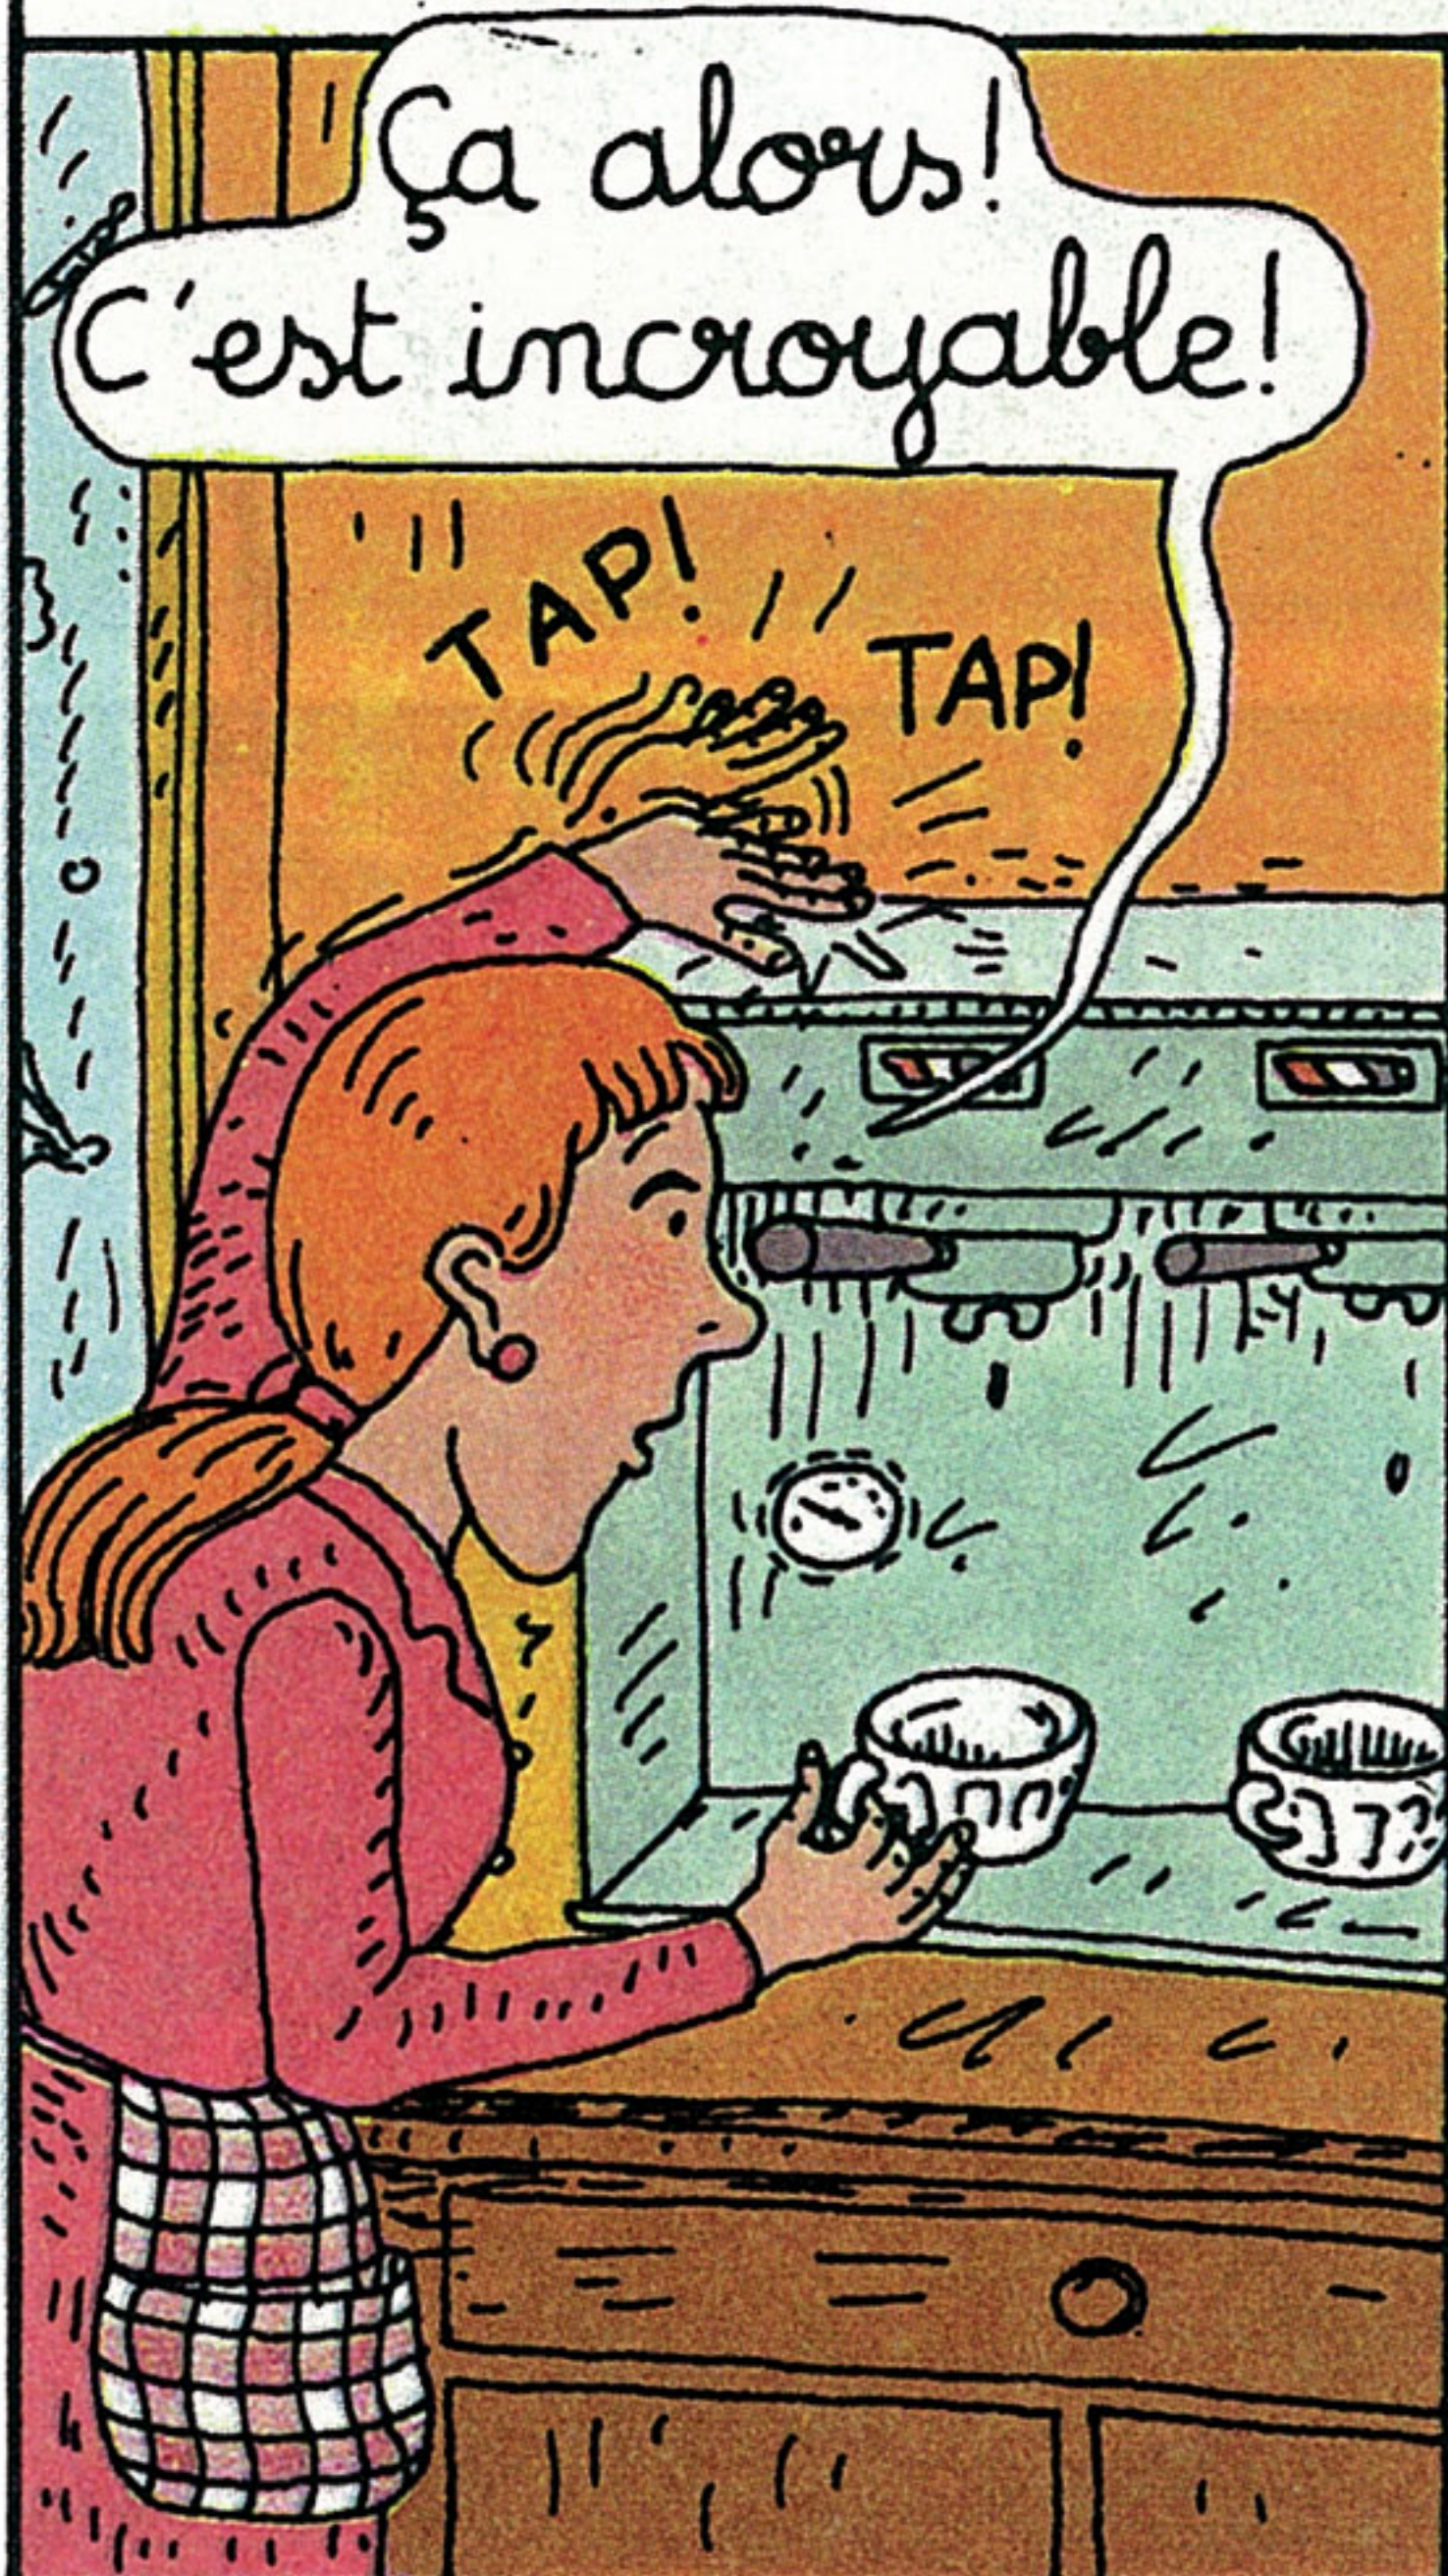

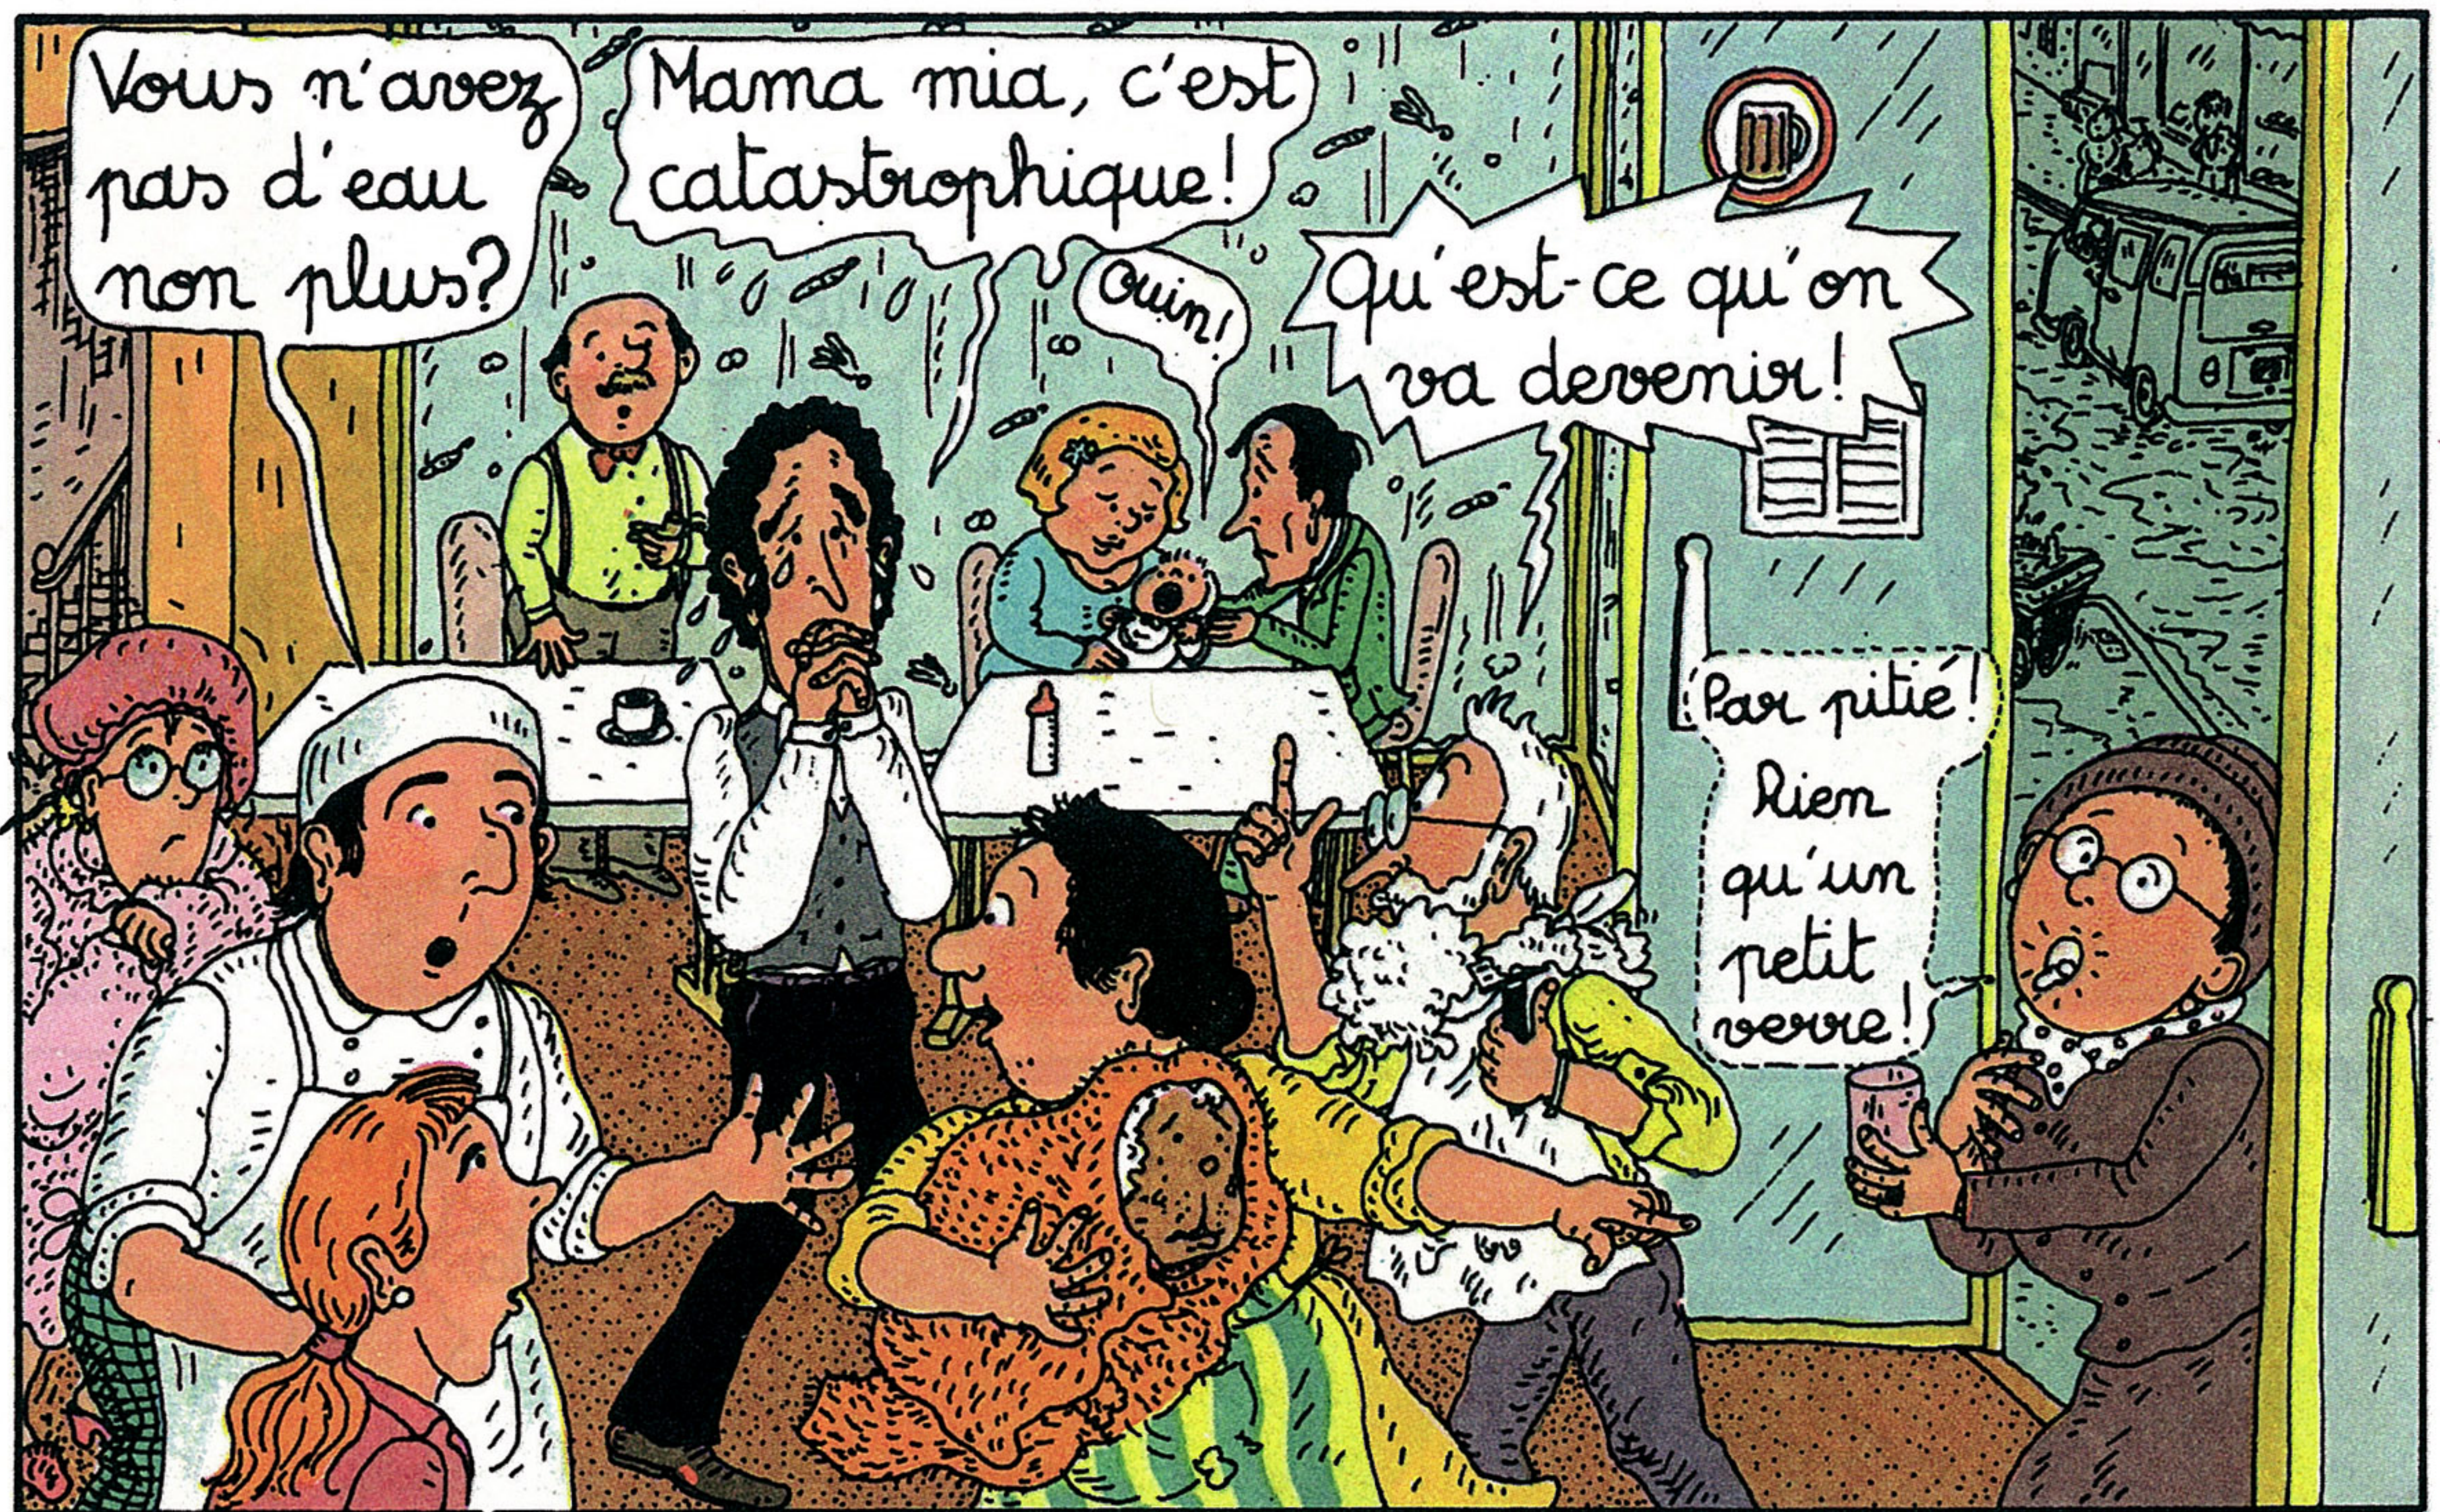

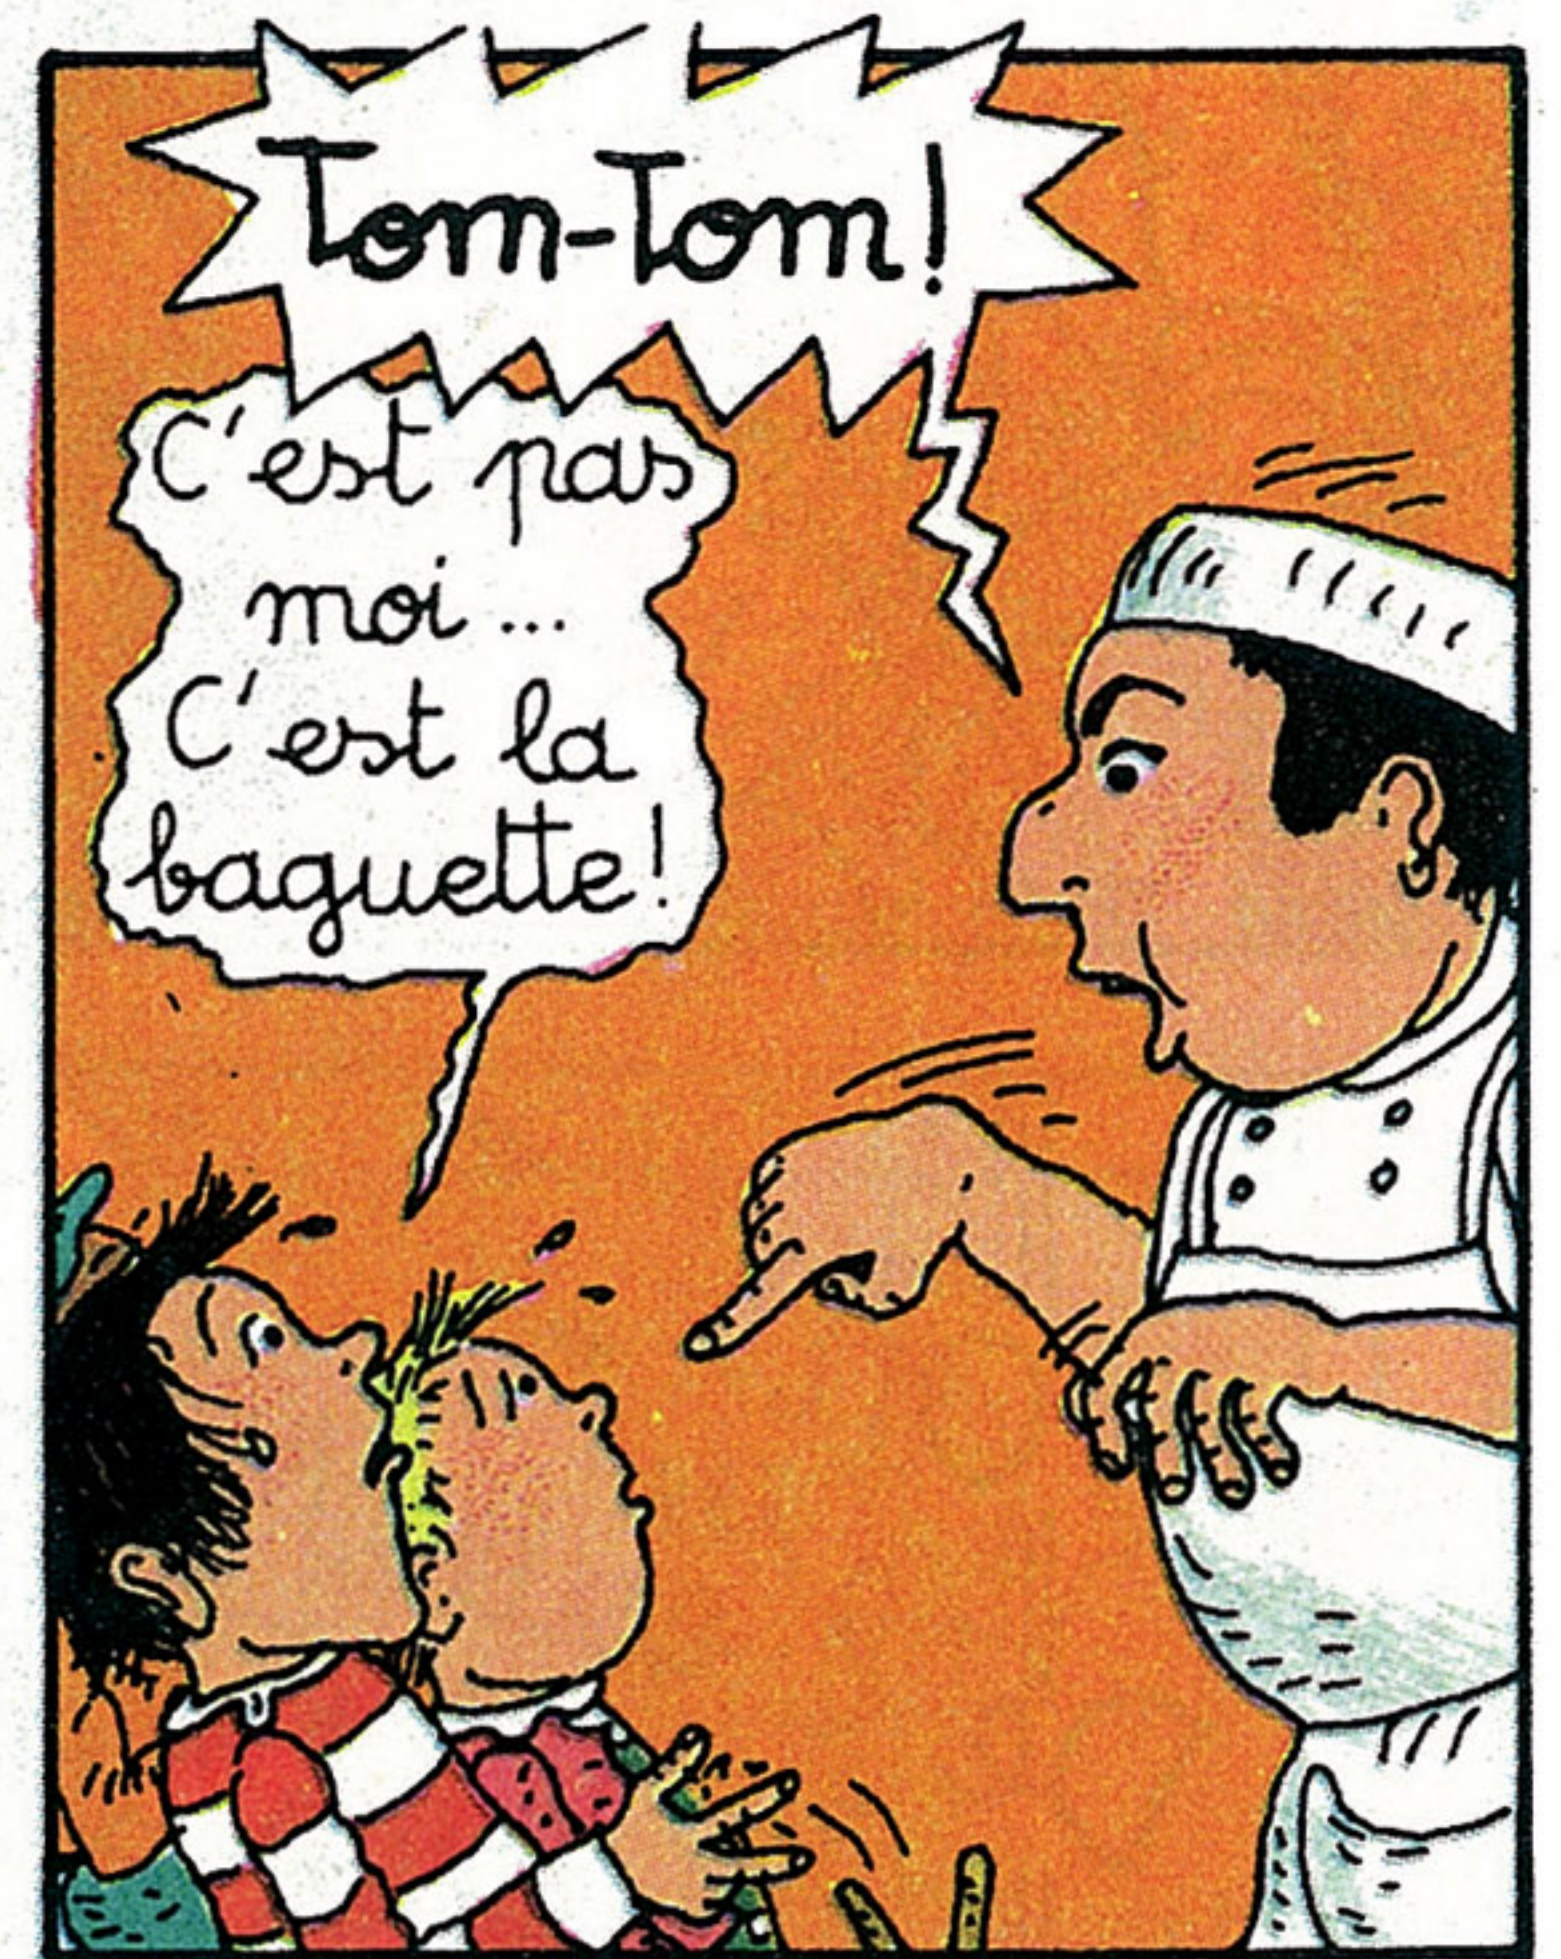

Au même moment dans un immeuble voisin...

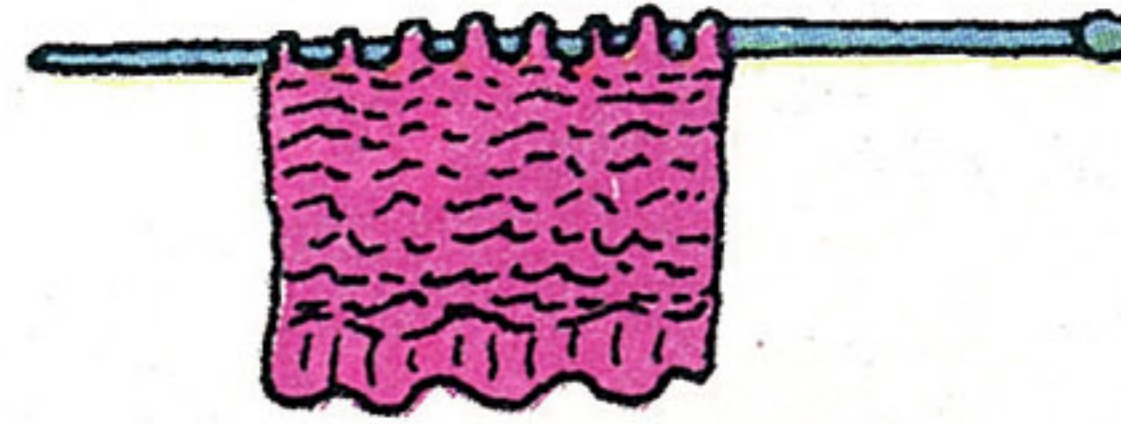

...Et à la Bonne Fourchette...

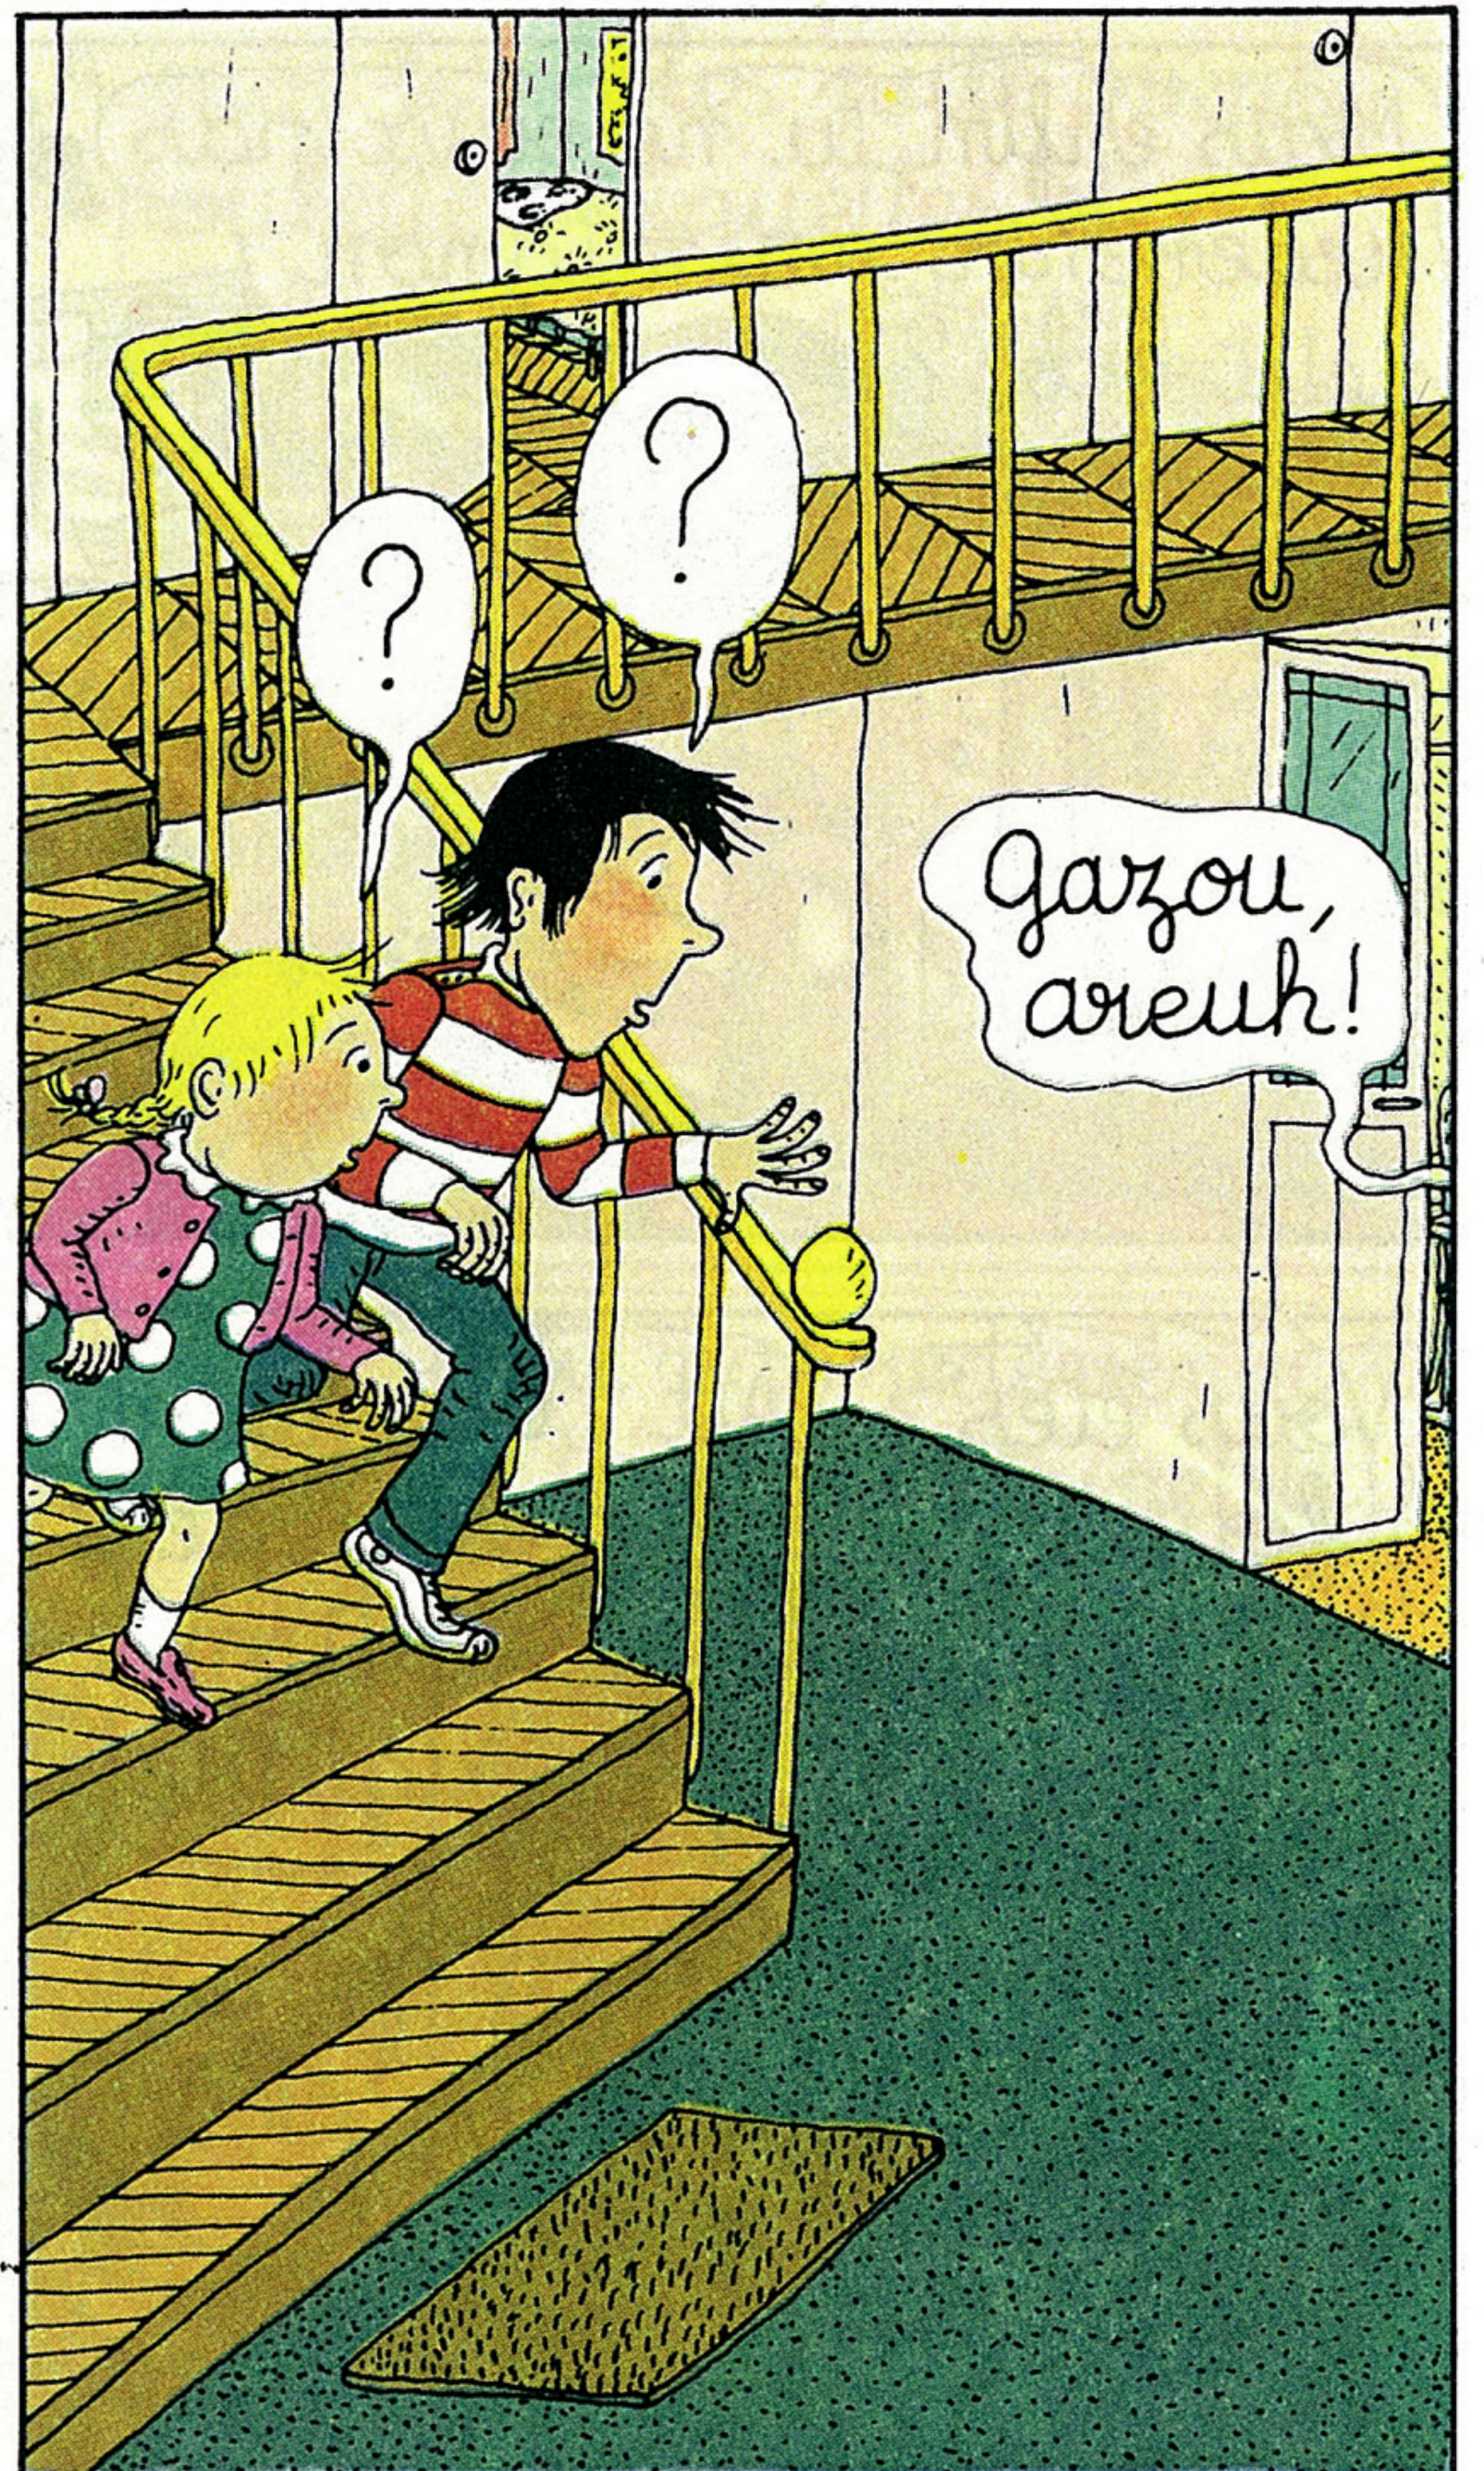

Tout ça pour un pull-over.

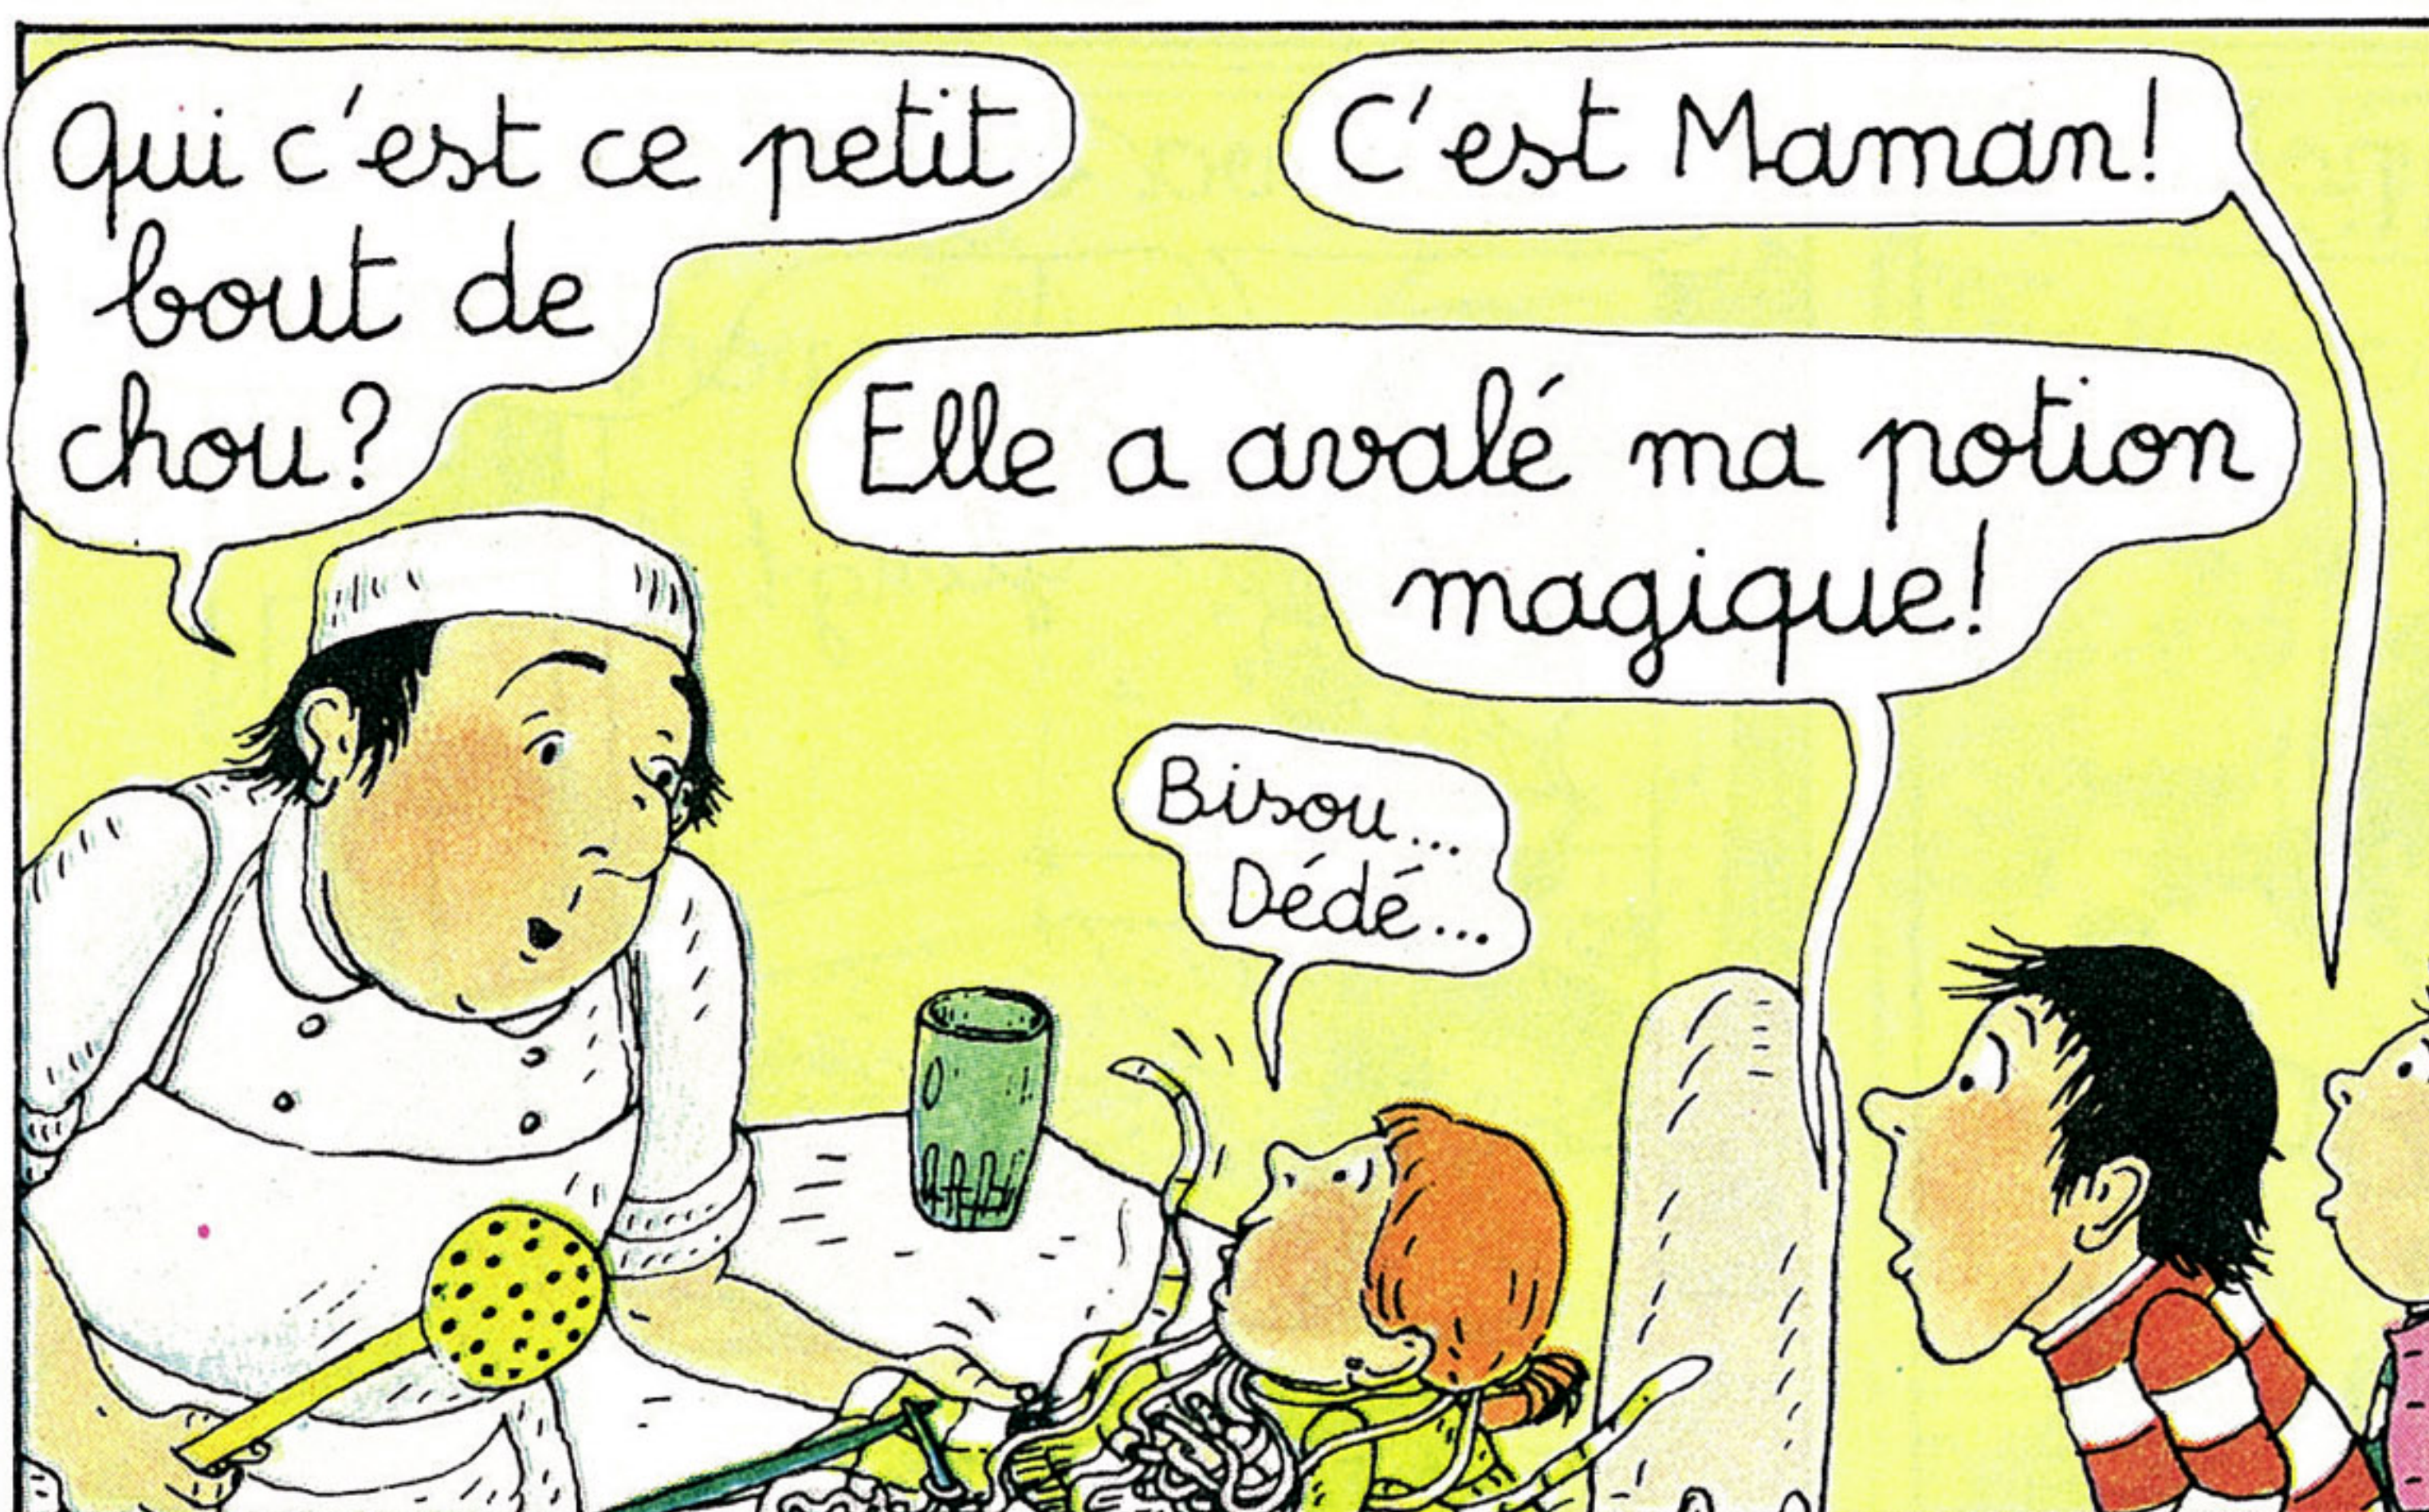

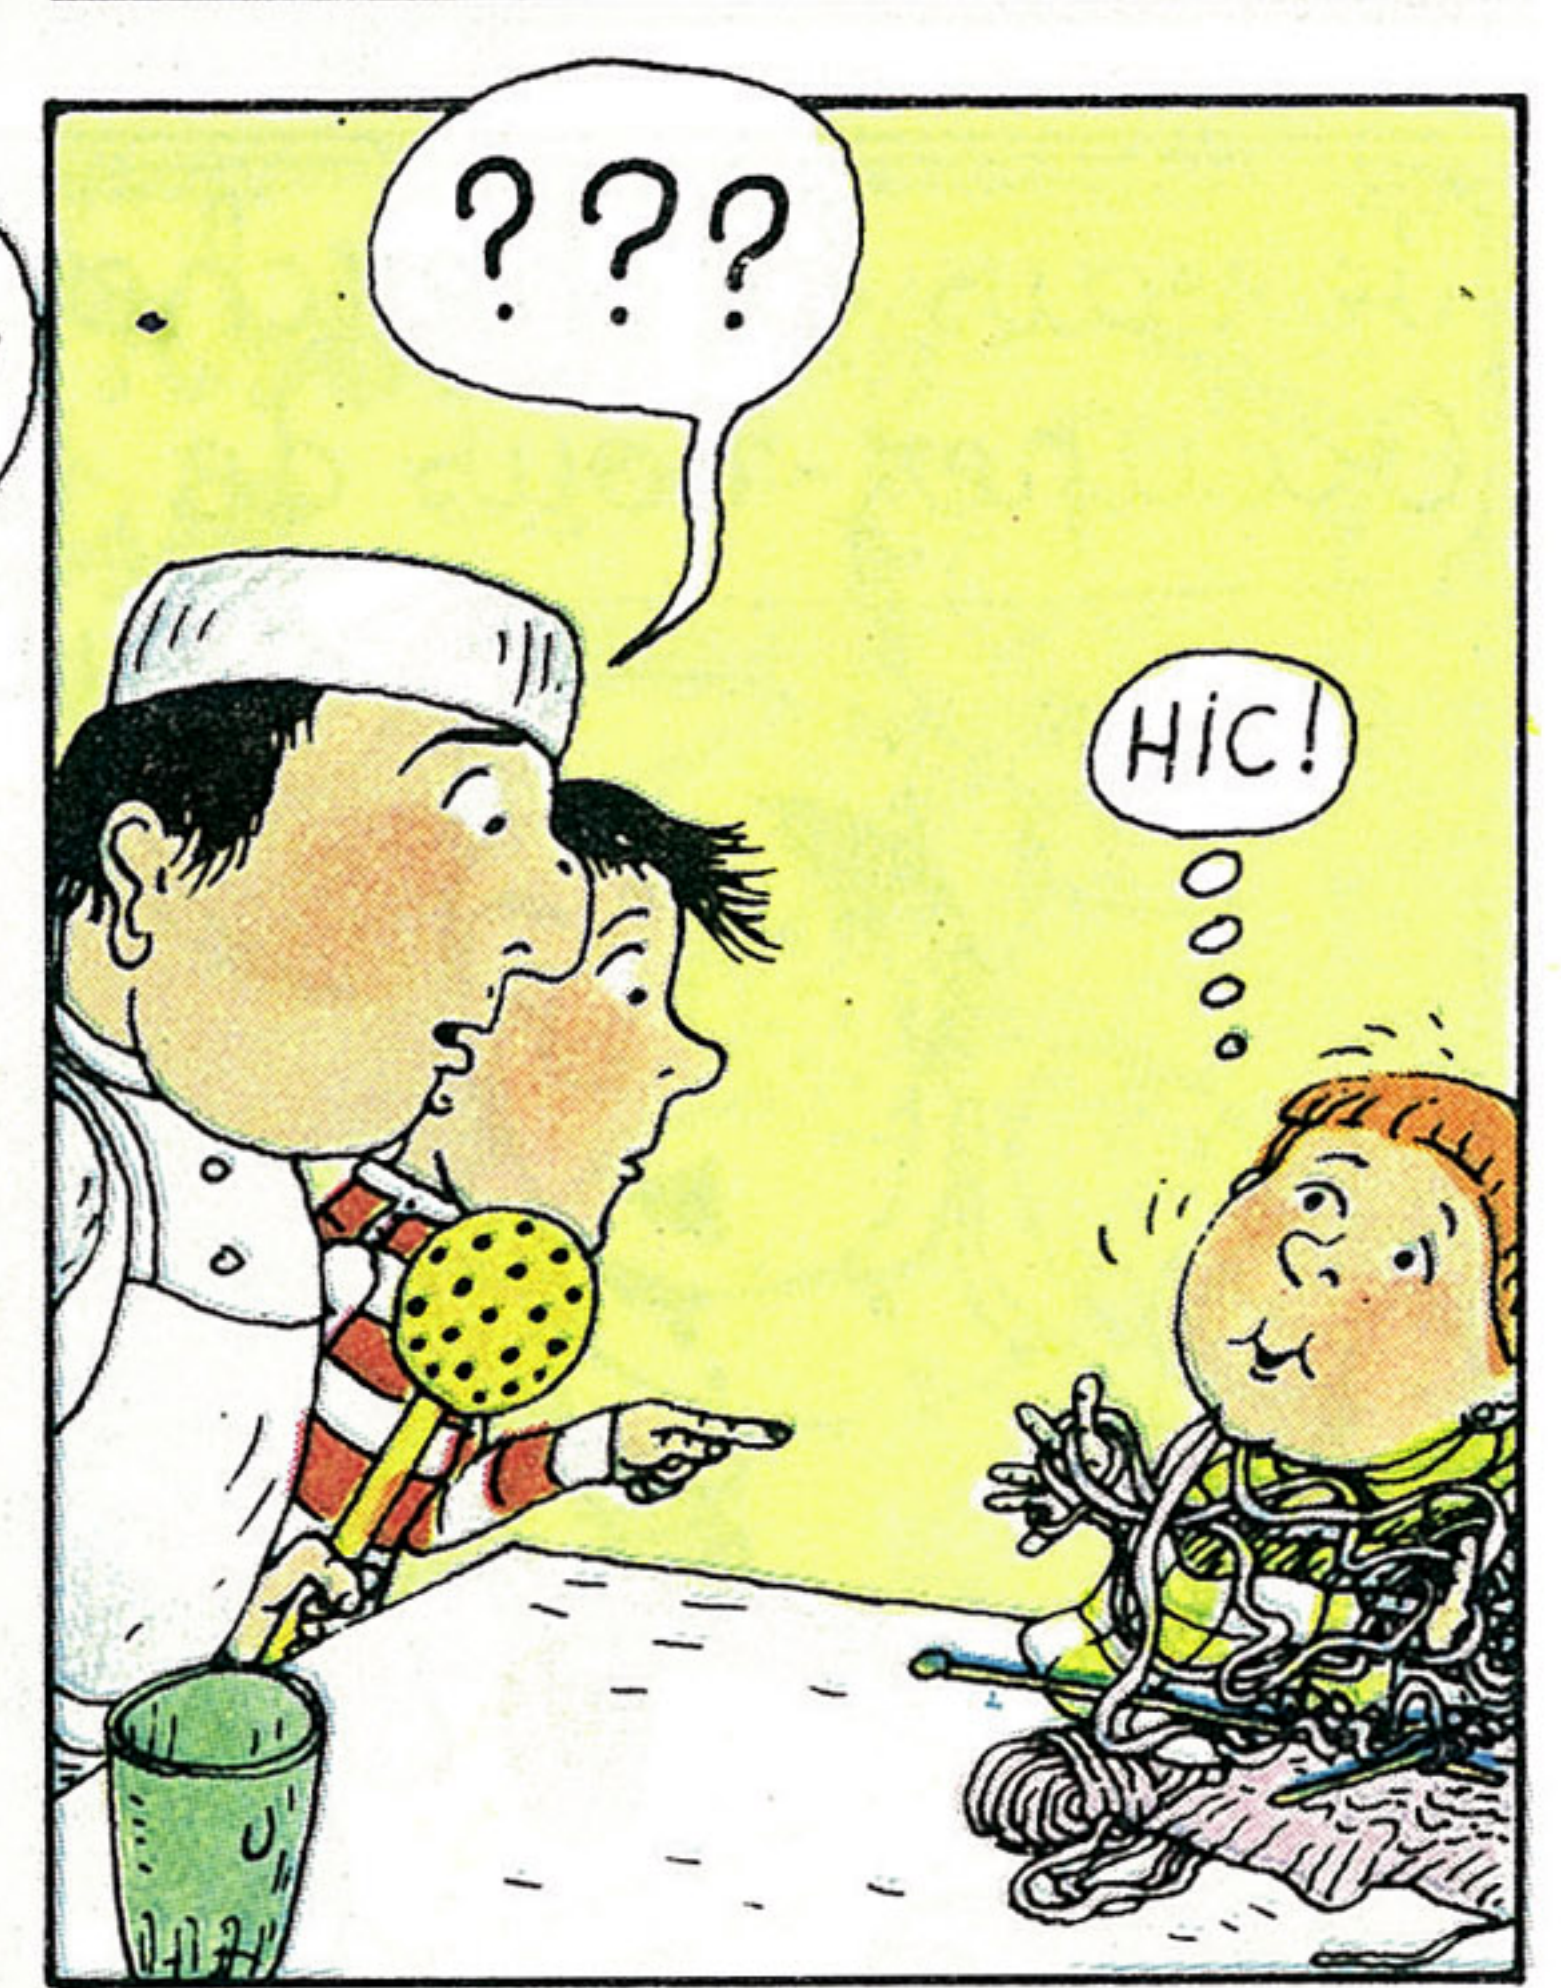

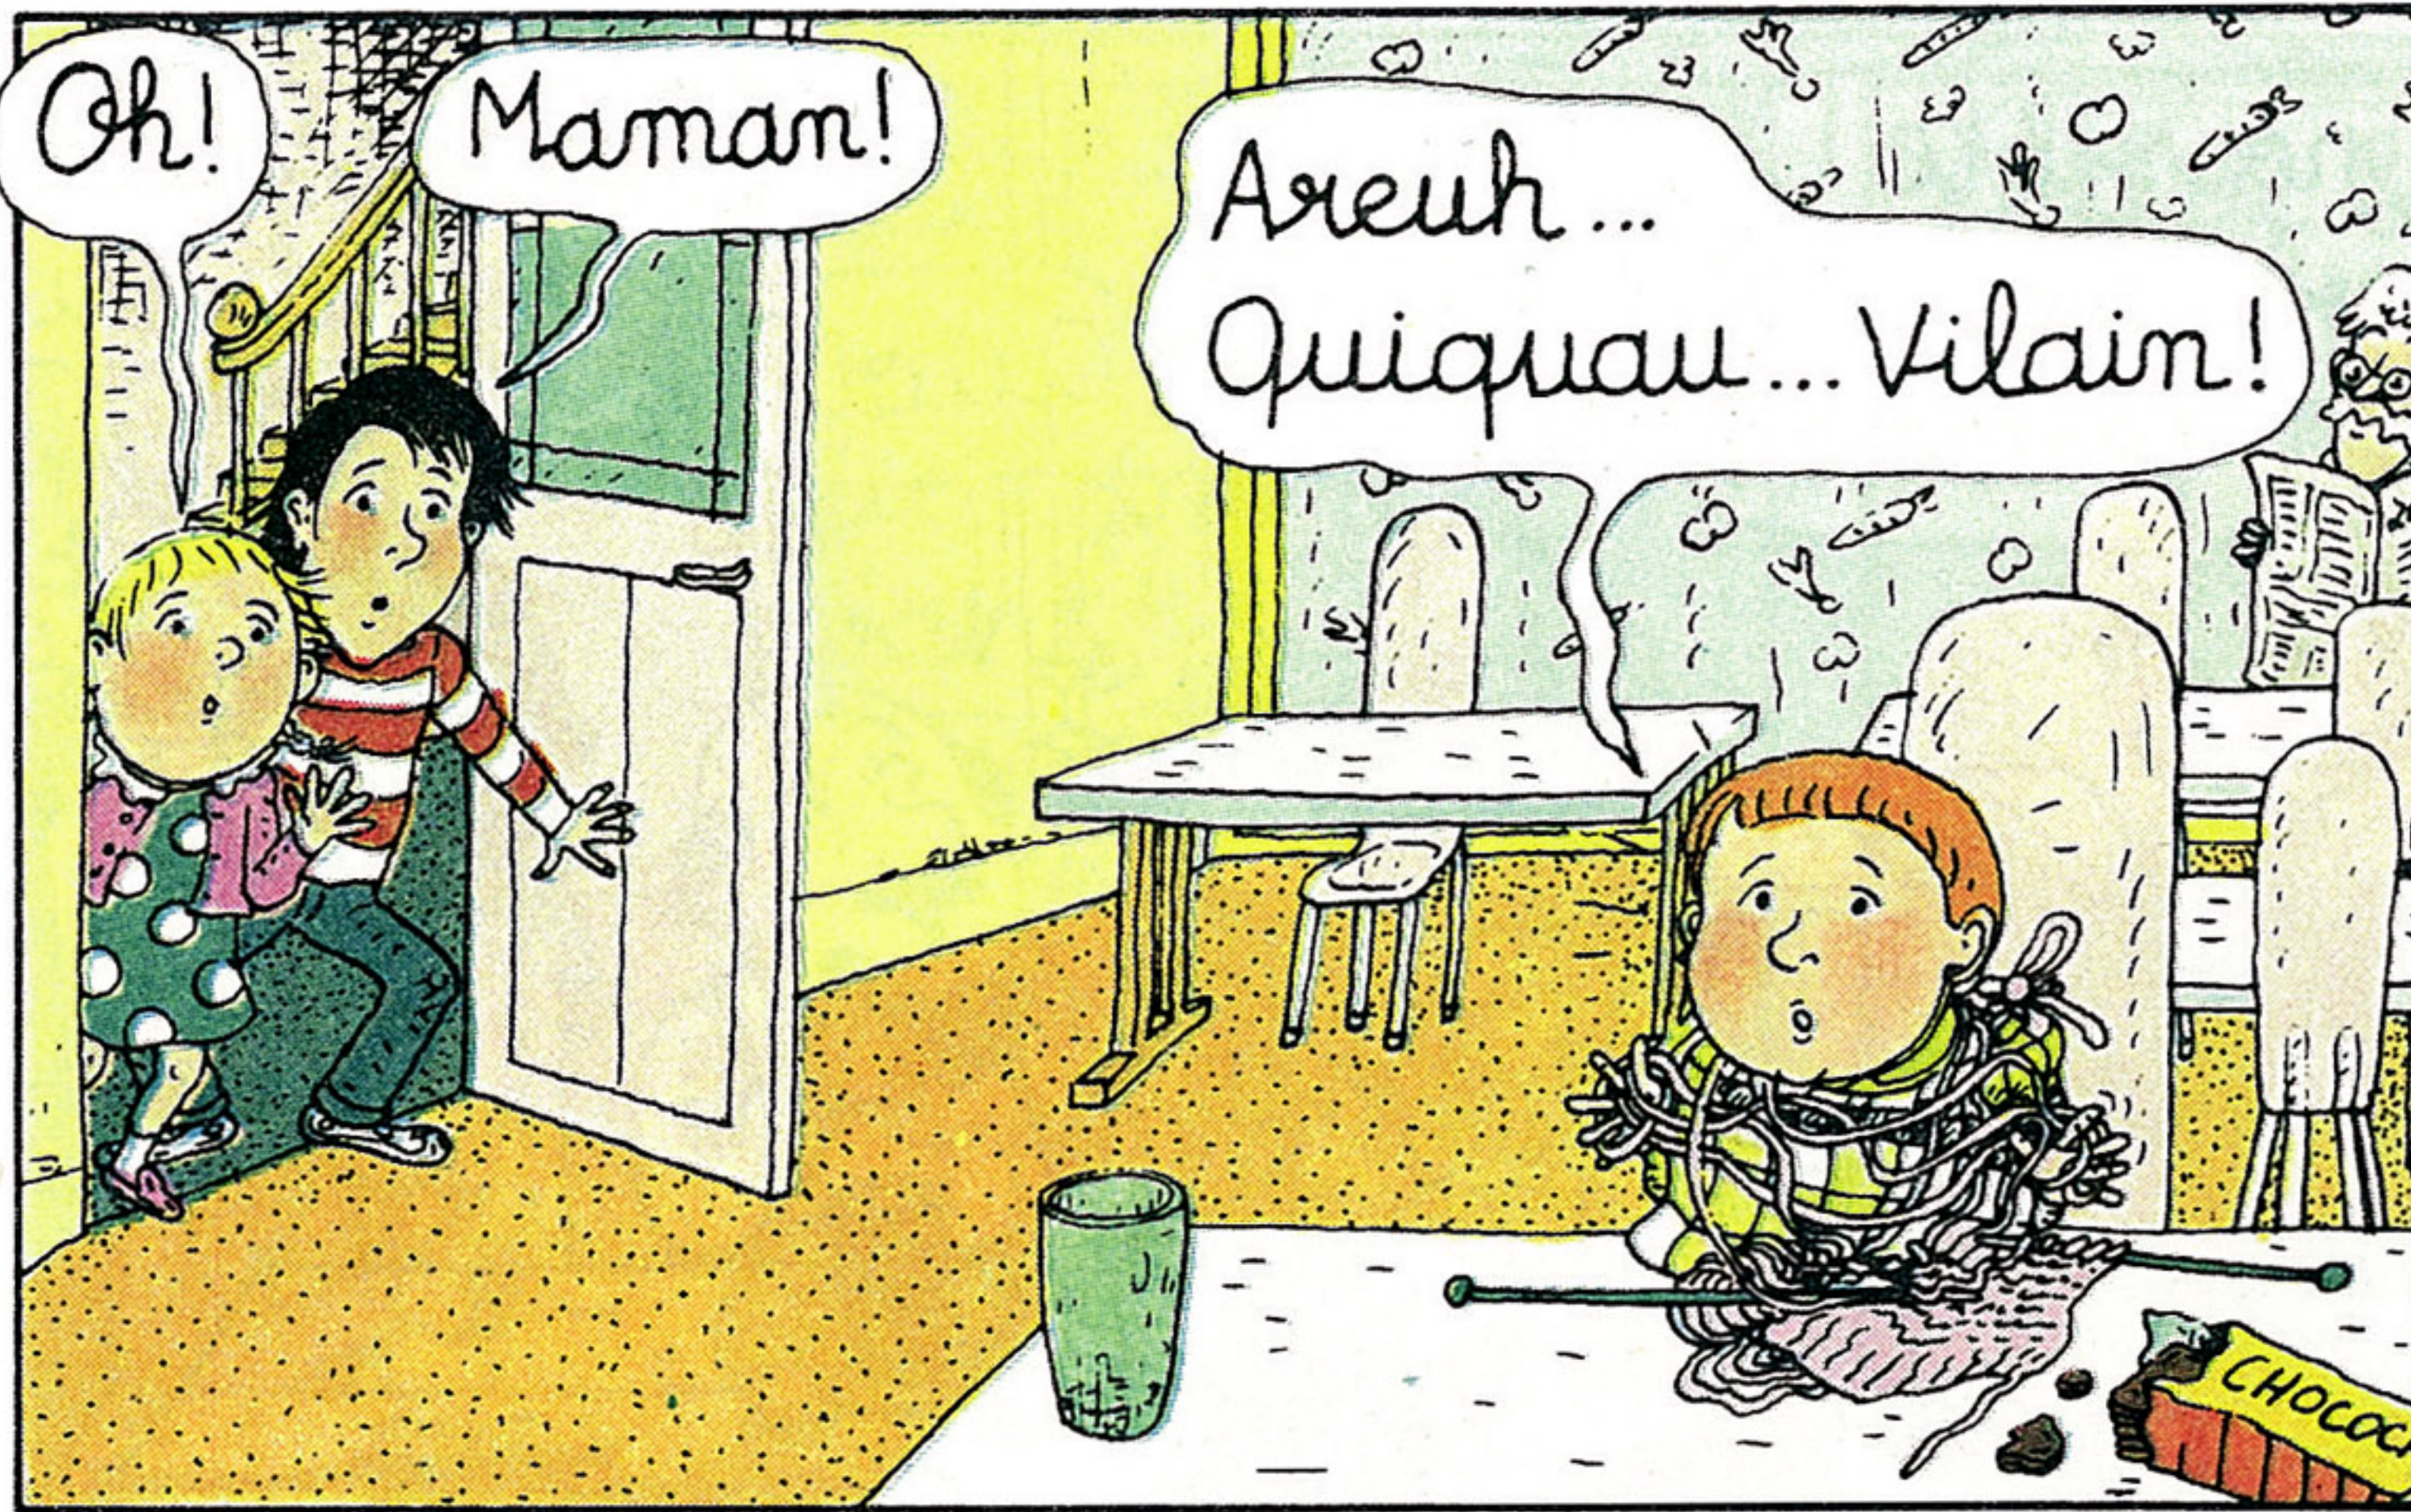

(81-1)

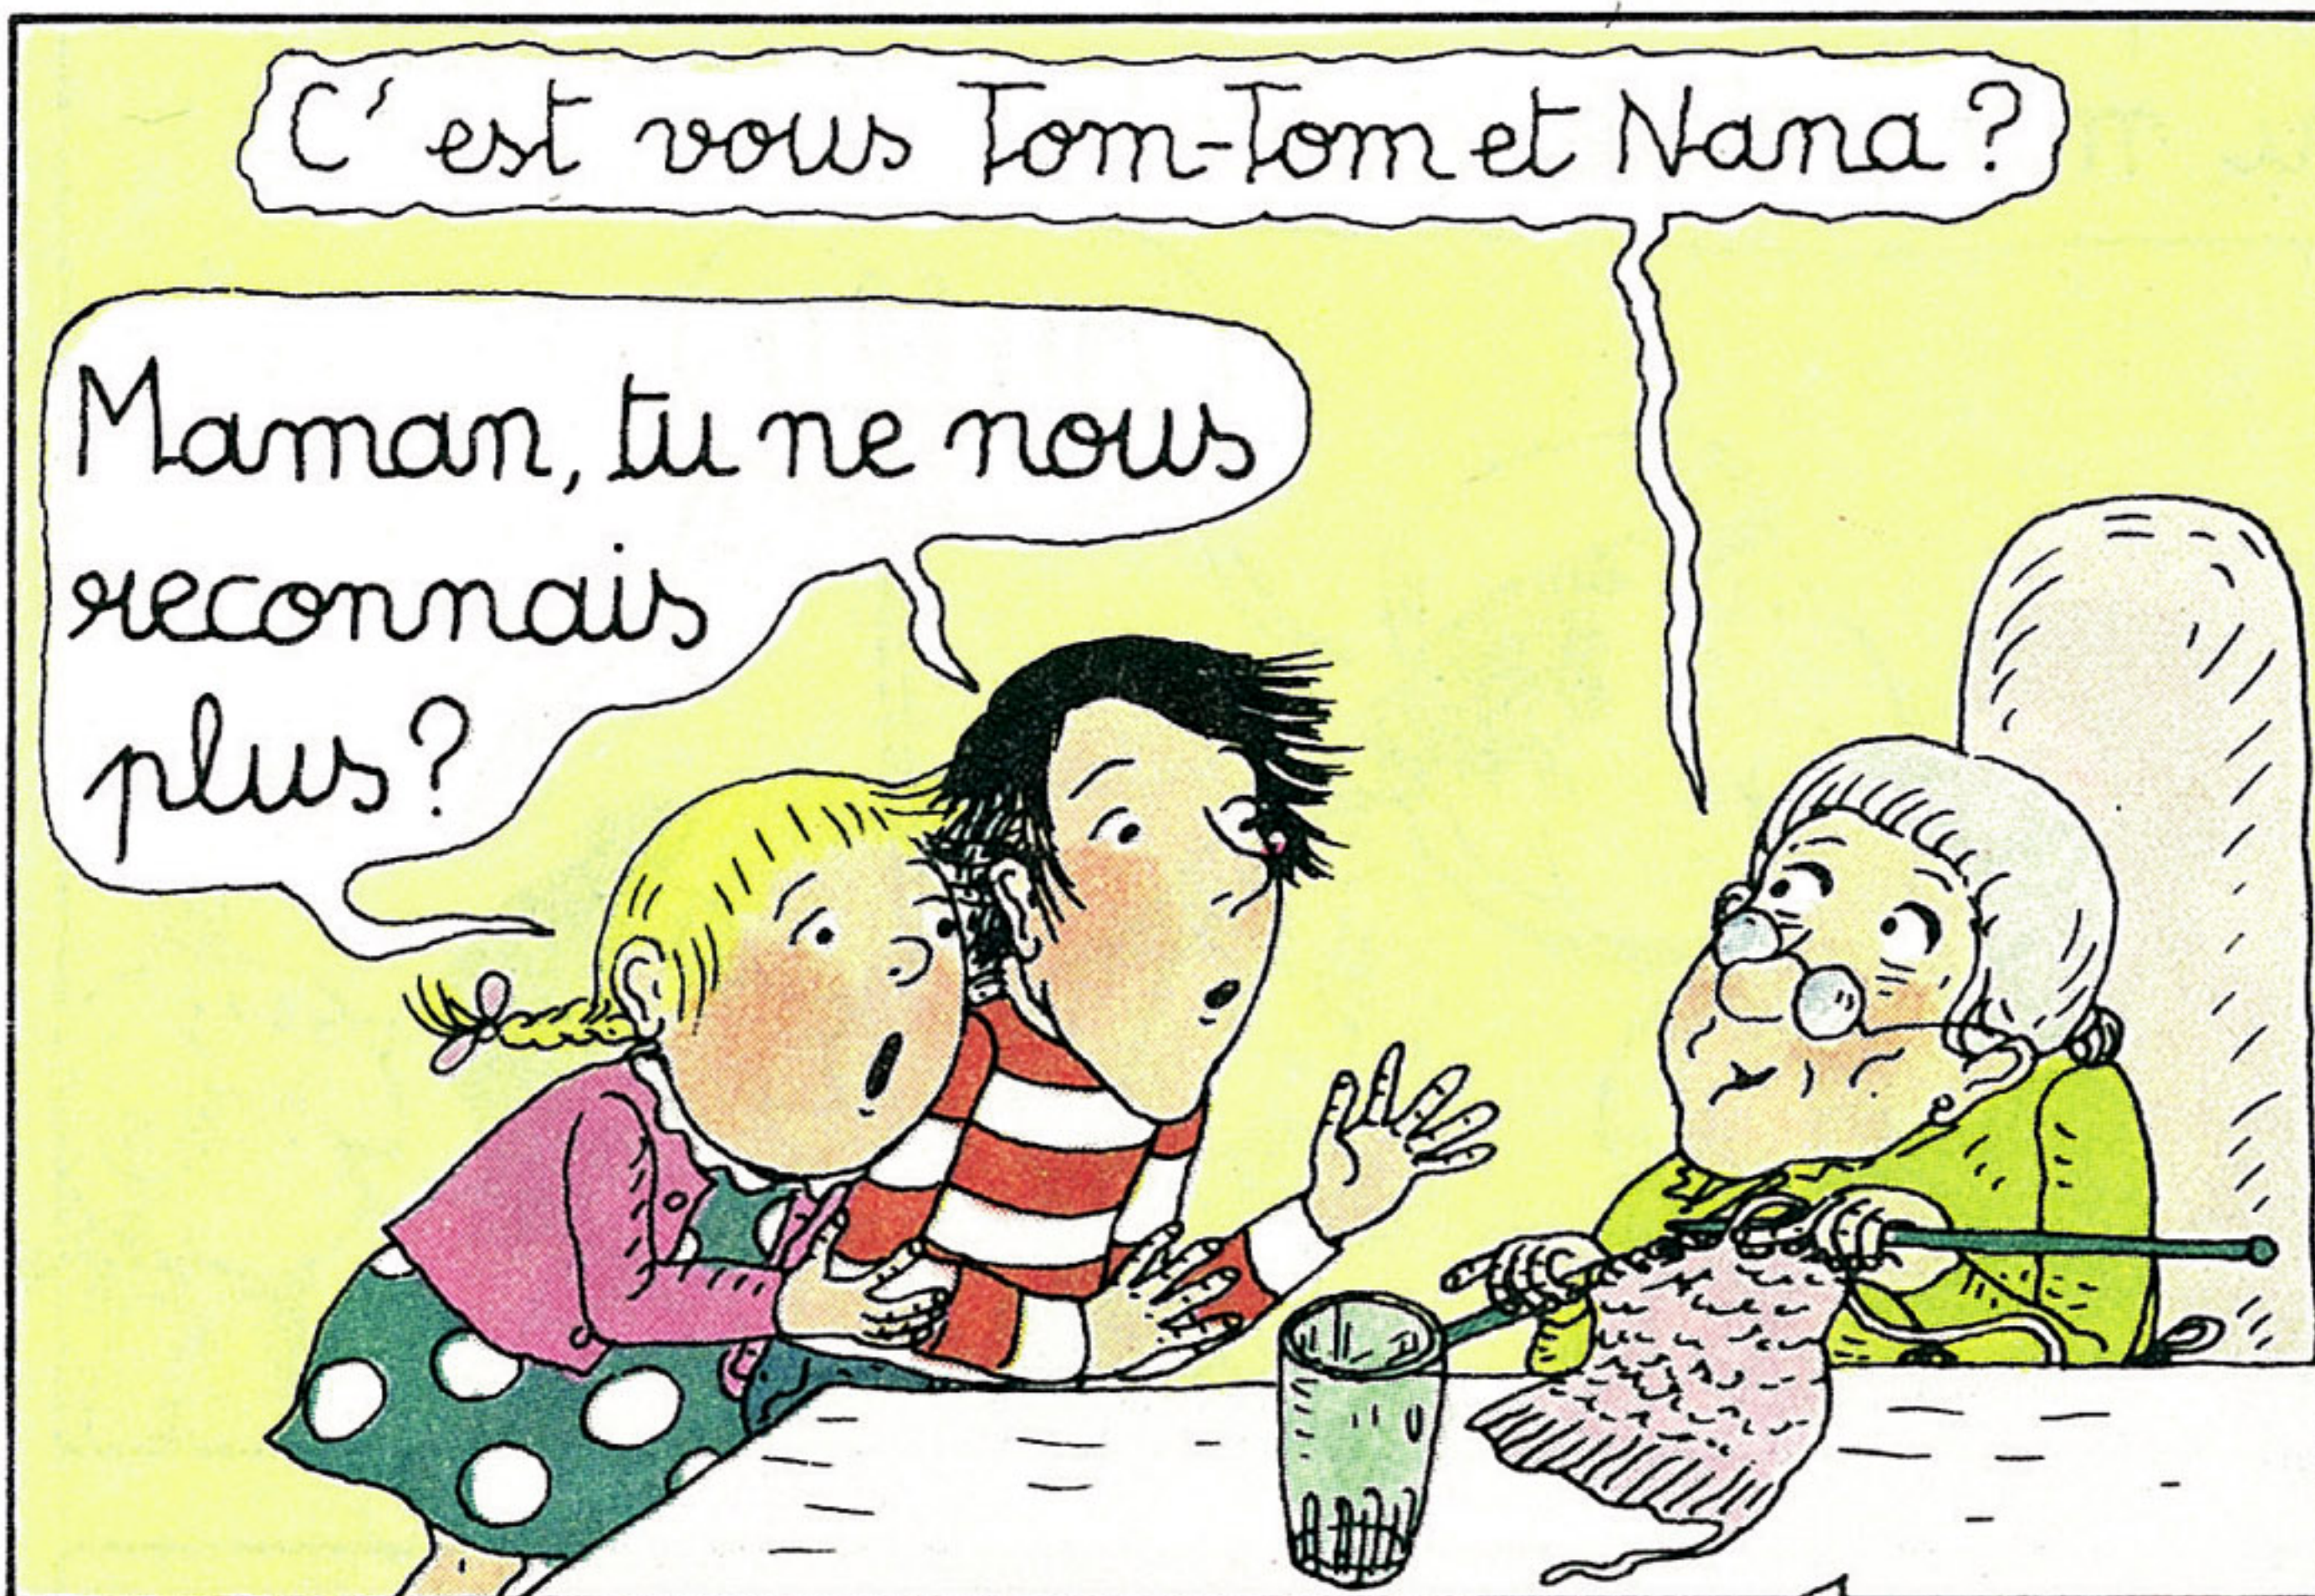

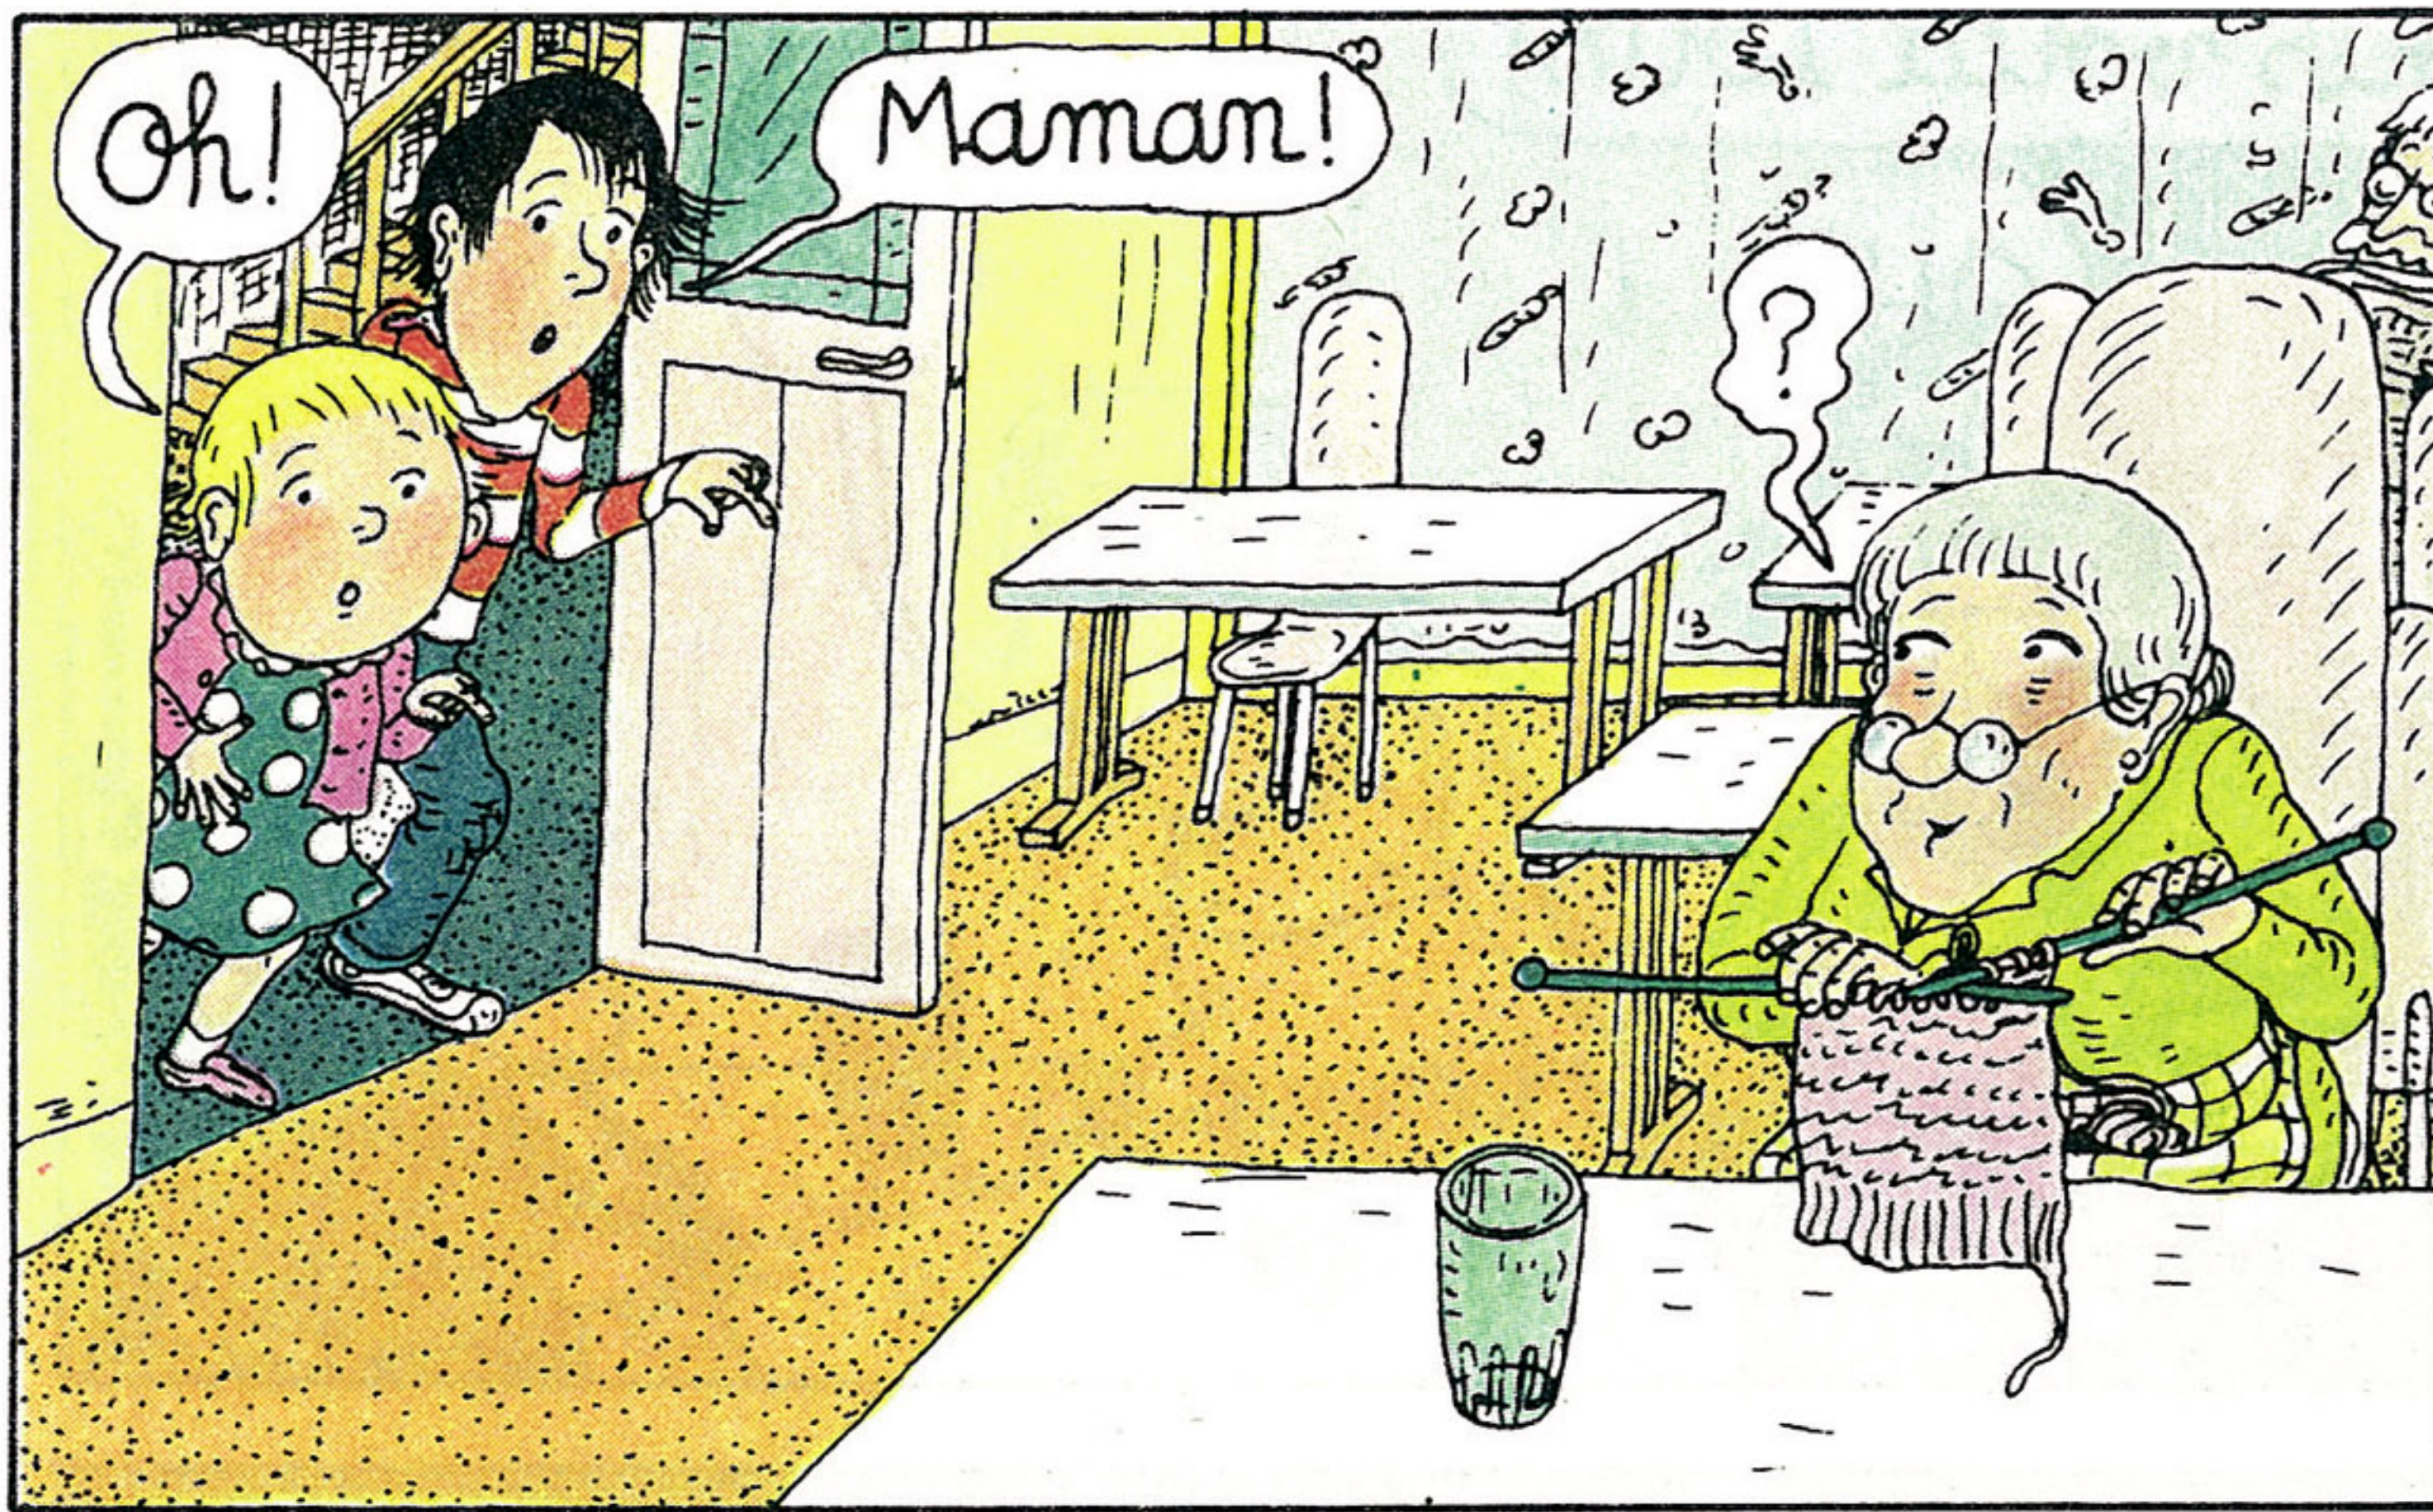

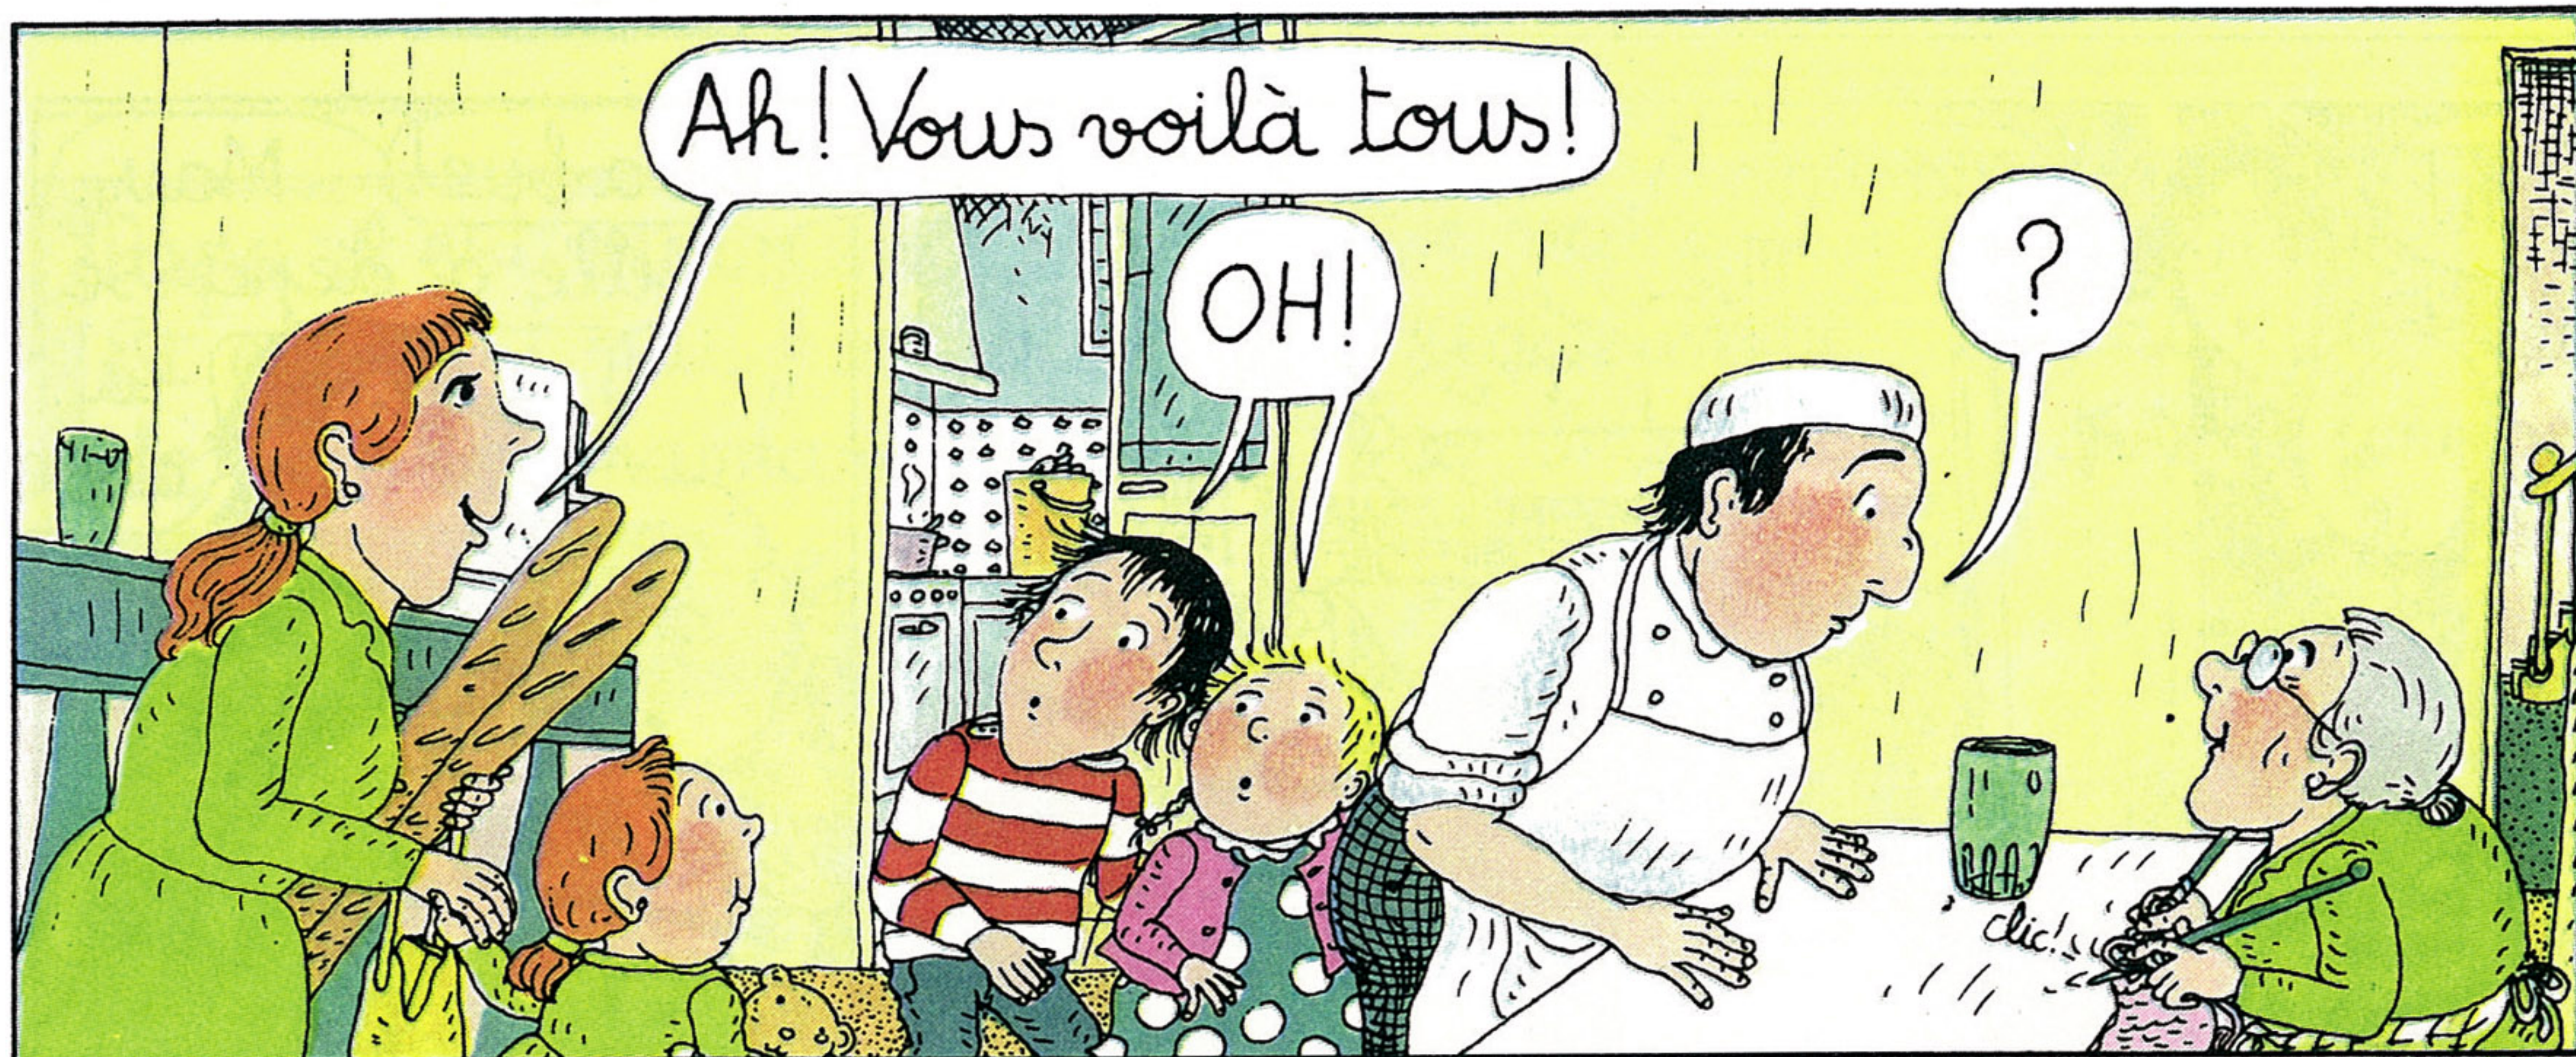

Le vaisseau SX 33.

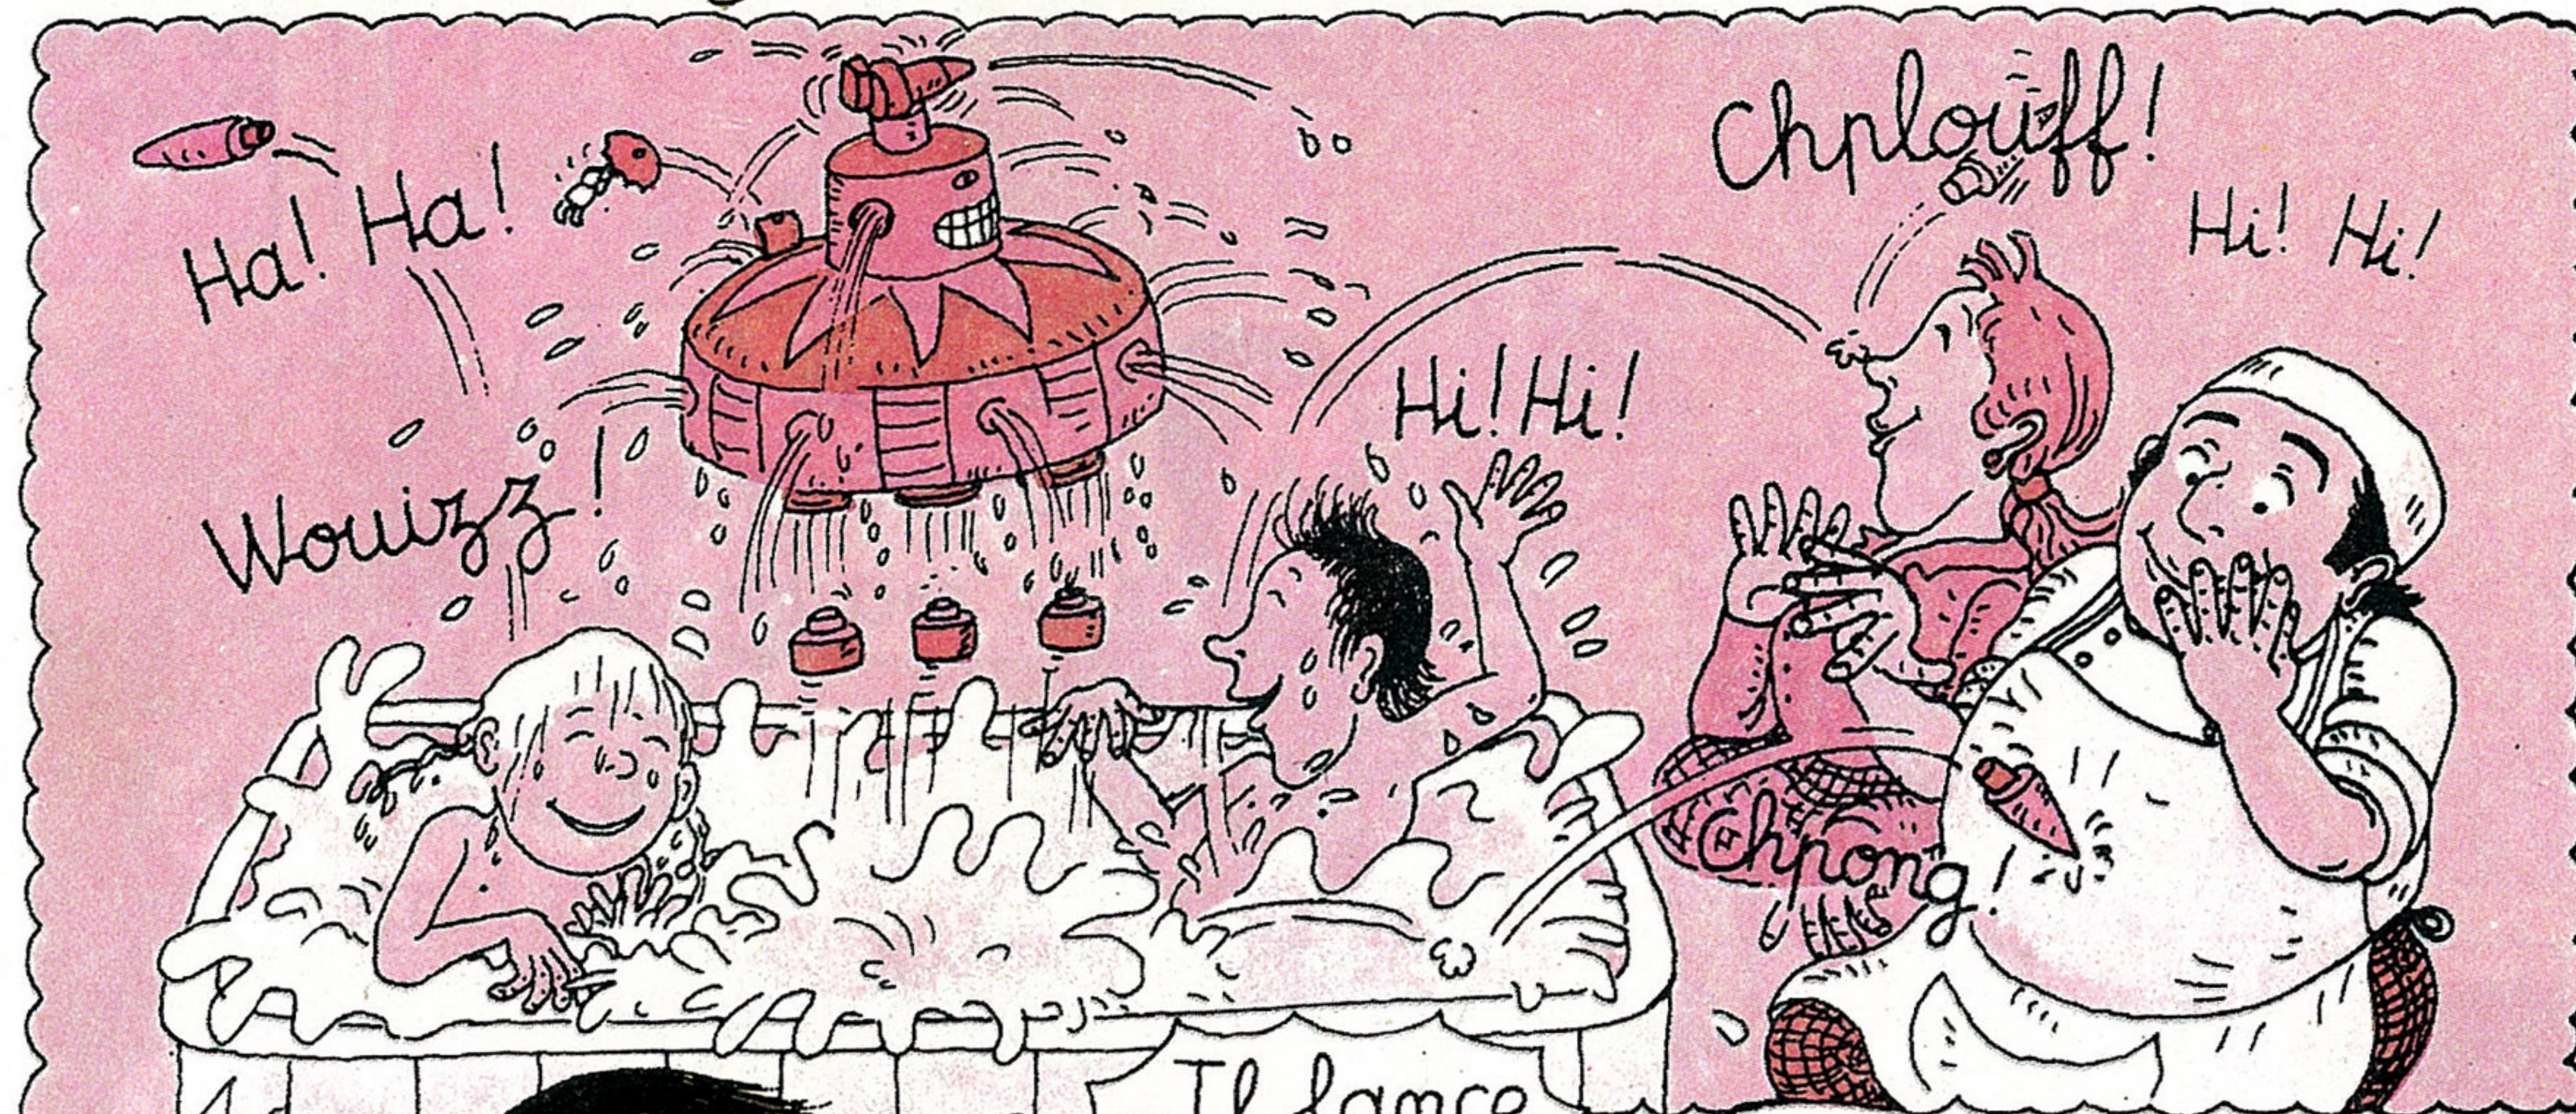

Les parents vont sûrement être d'accord pour nous l'acheter!

Maman, si tu voyais le vaisseau Héli-Coptère!...

Ah!

Ha! Ha!

Wouizz!

Hi! Hi!

Chplouff!

Hi! Hi!

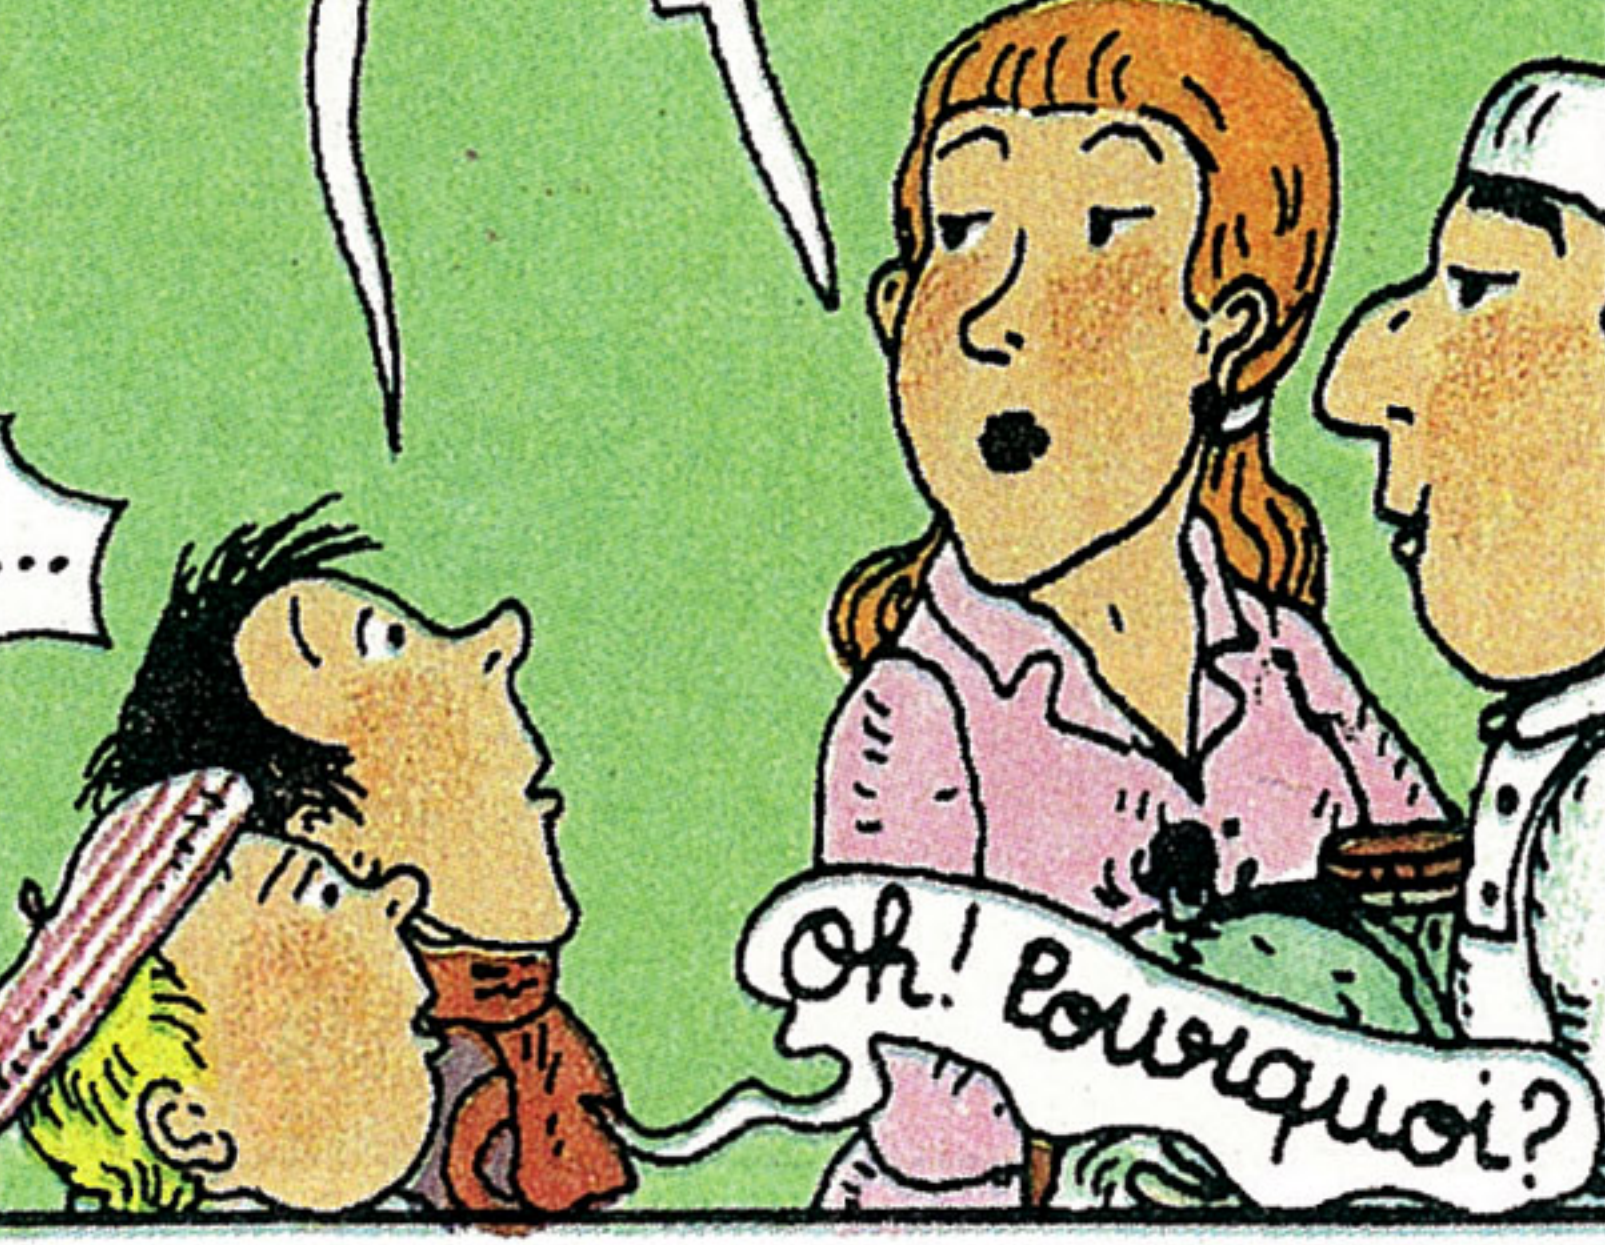

Chrong!

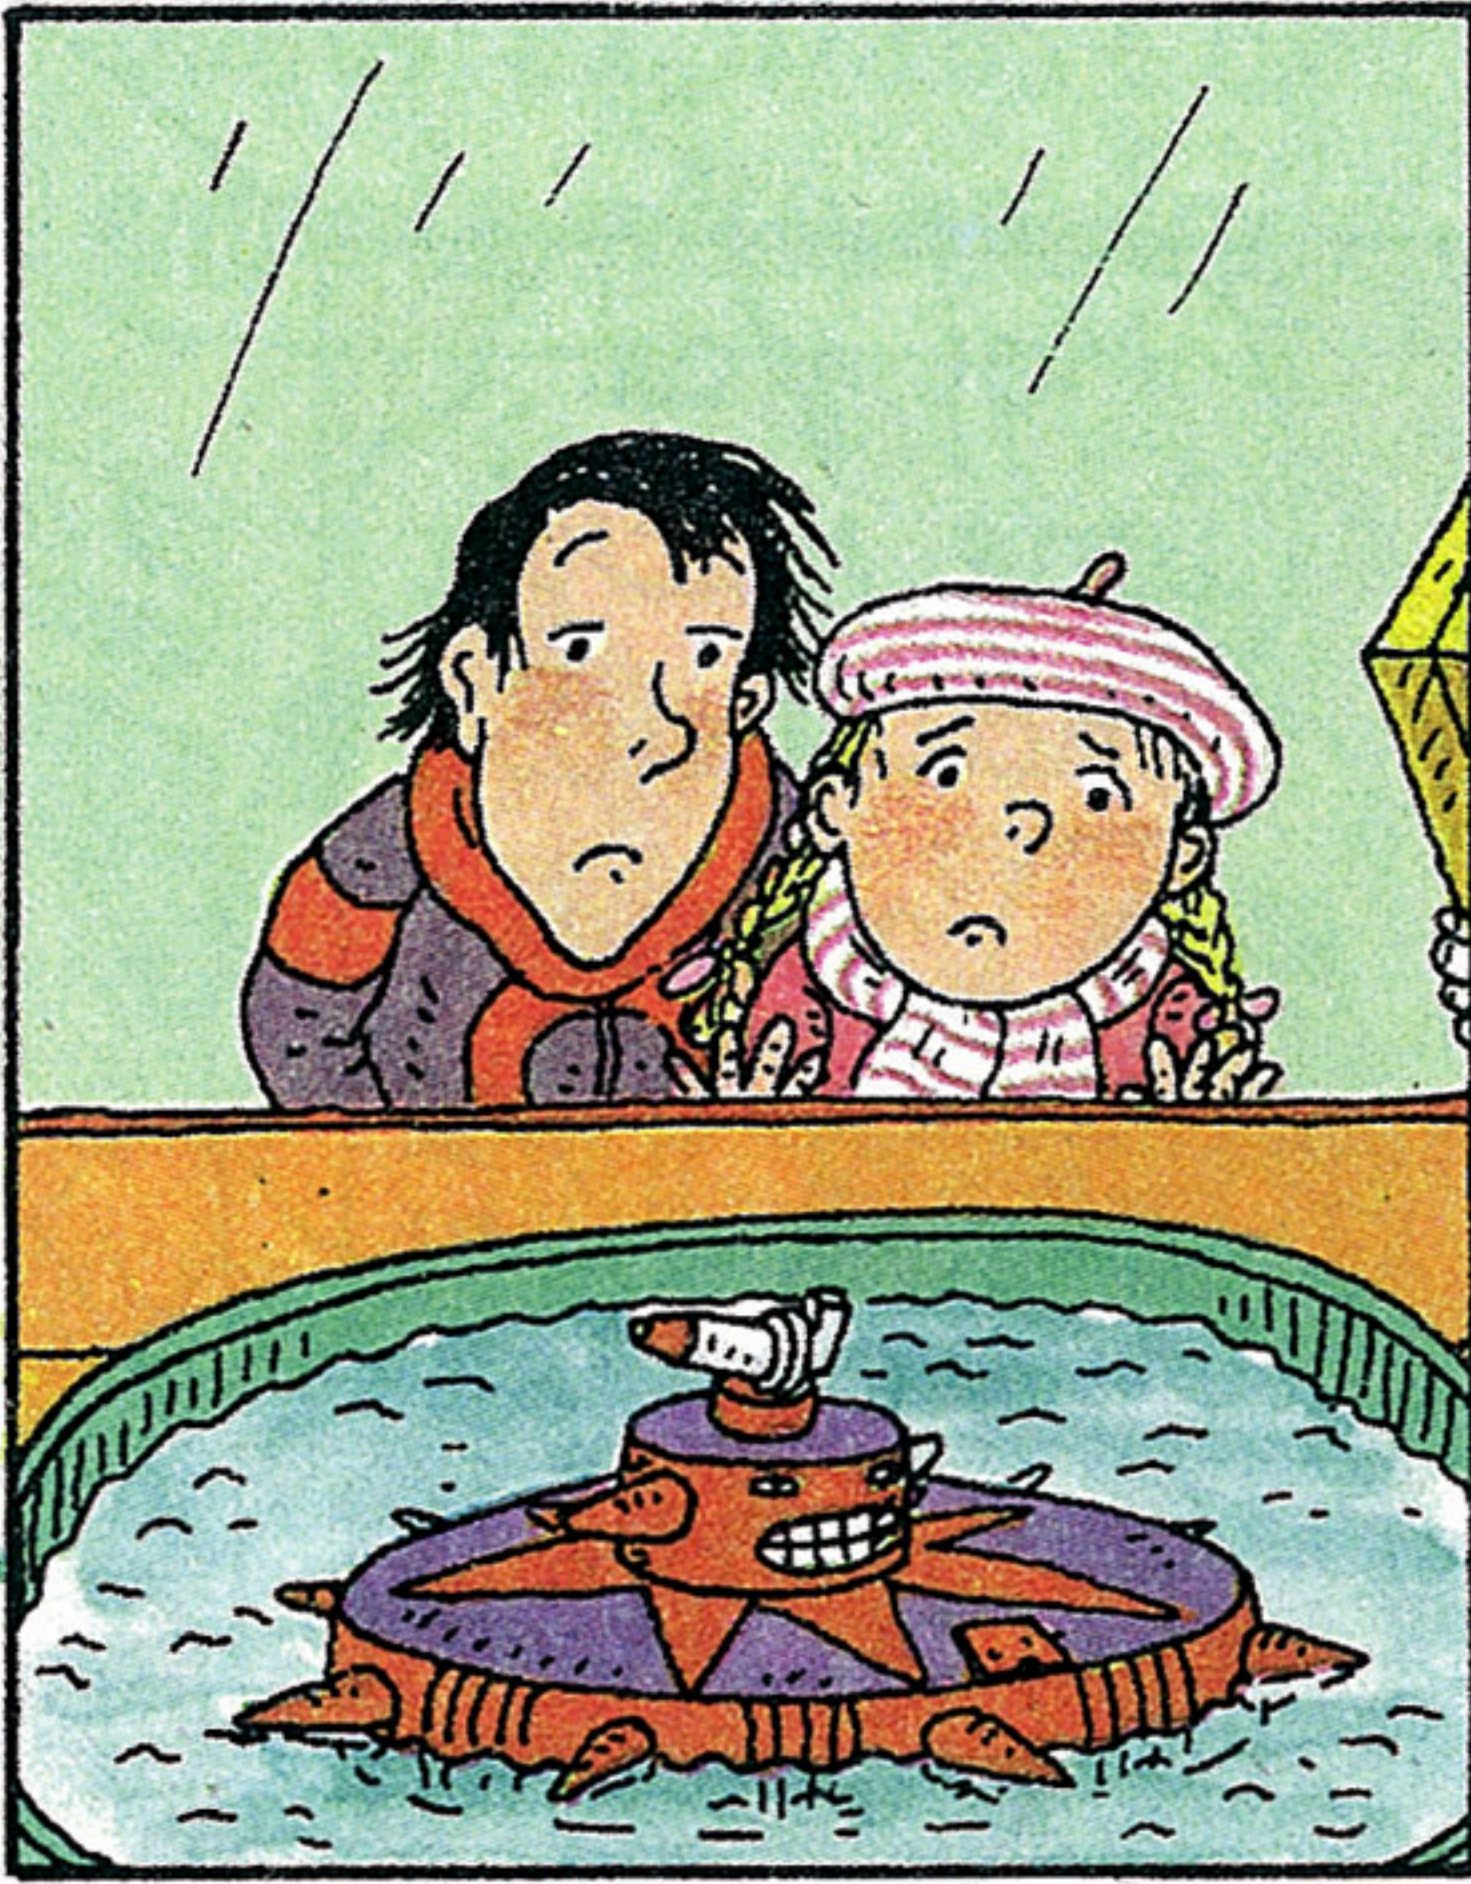

...Il lance de l'eau, il attaque dans l'espace, et on peut jouer avec dans le bain... Tu nous l'achètes?...

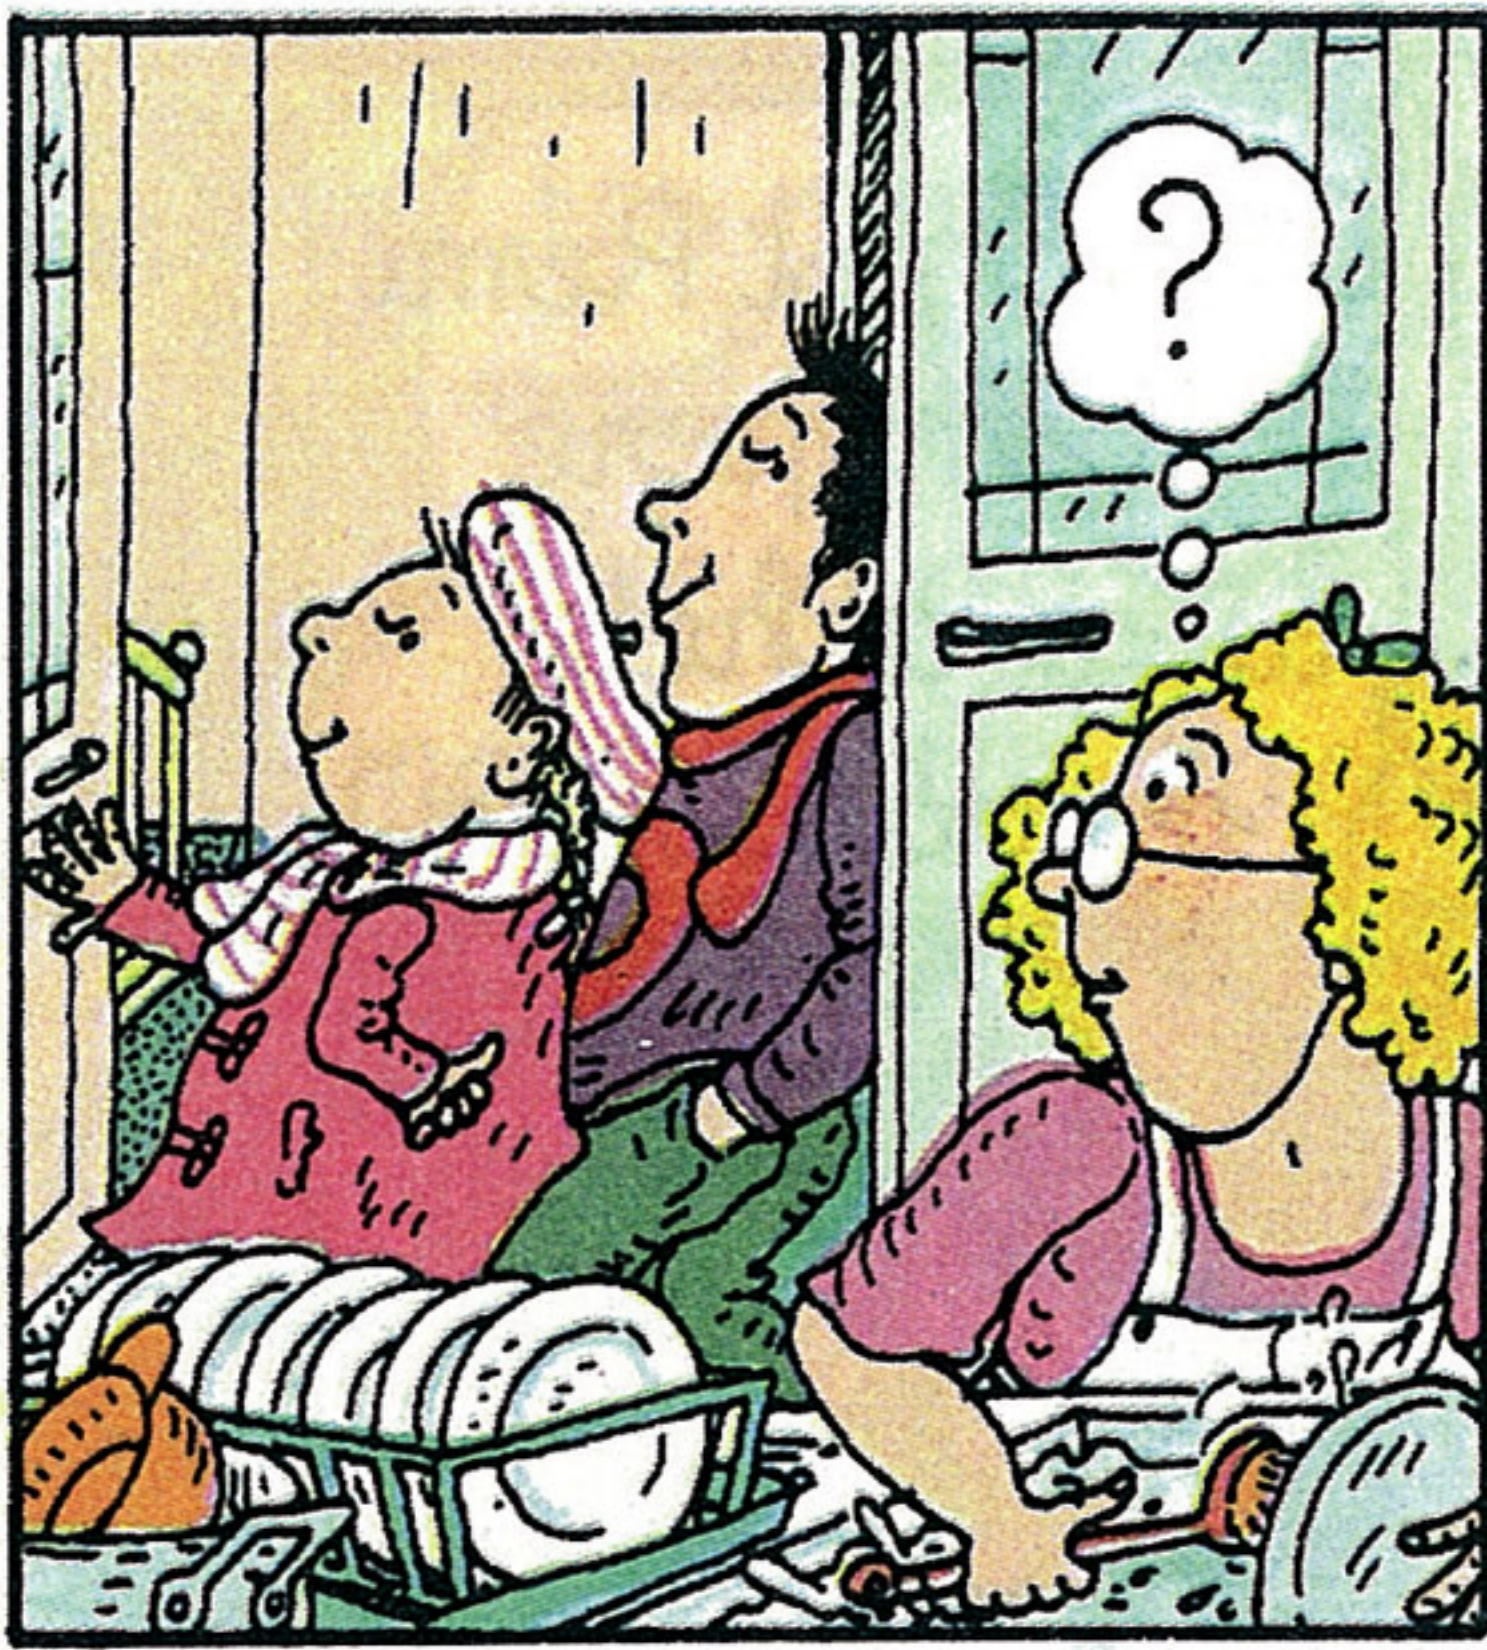

Non?

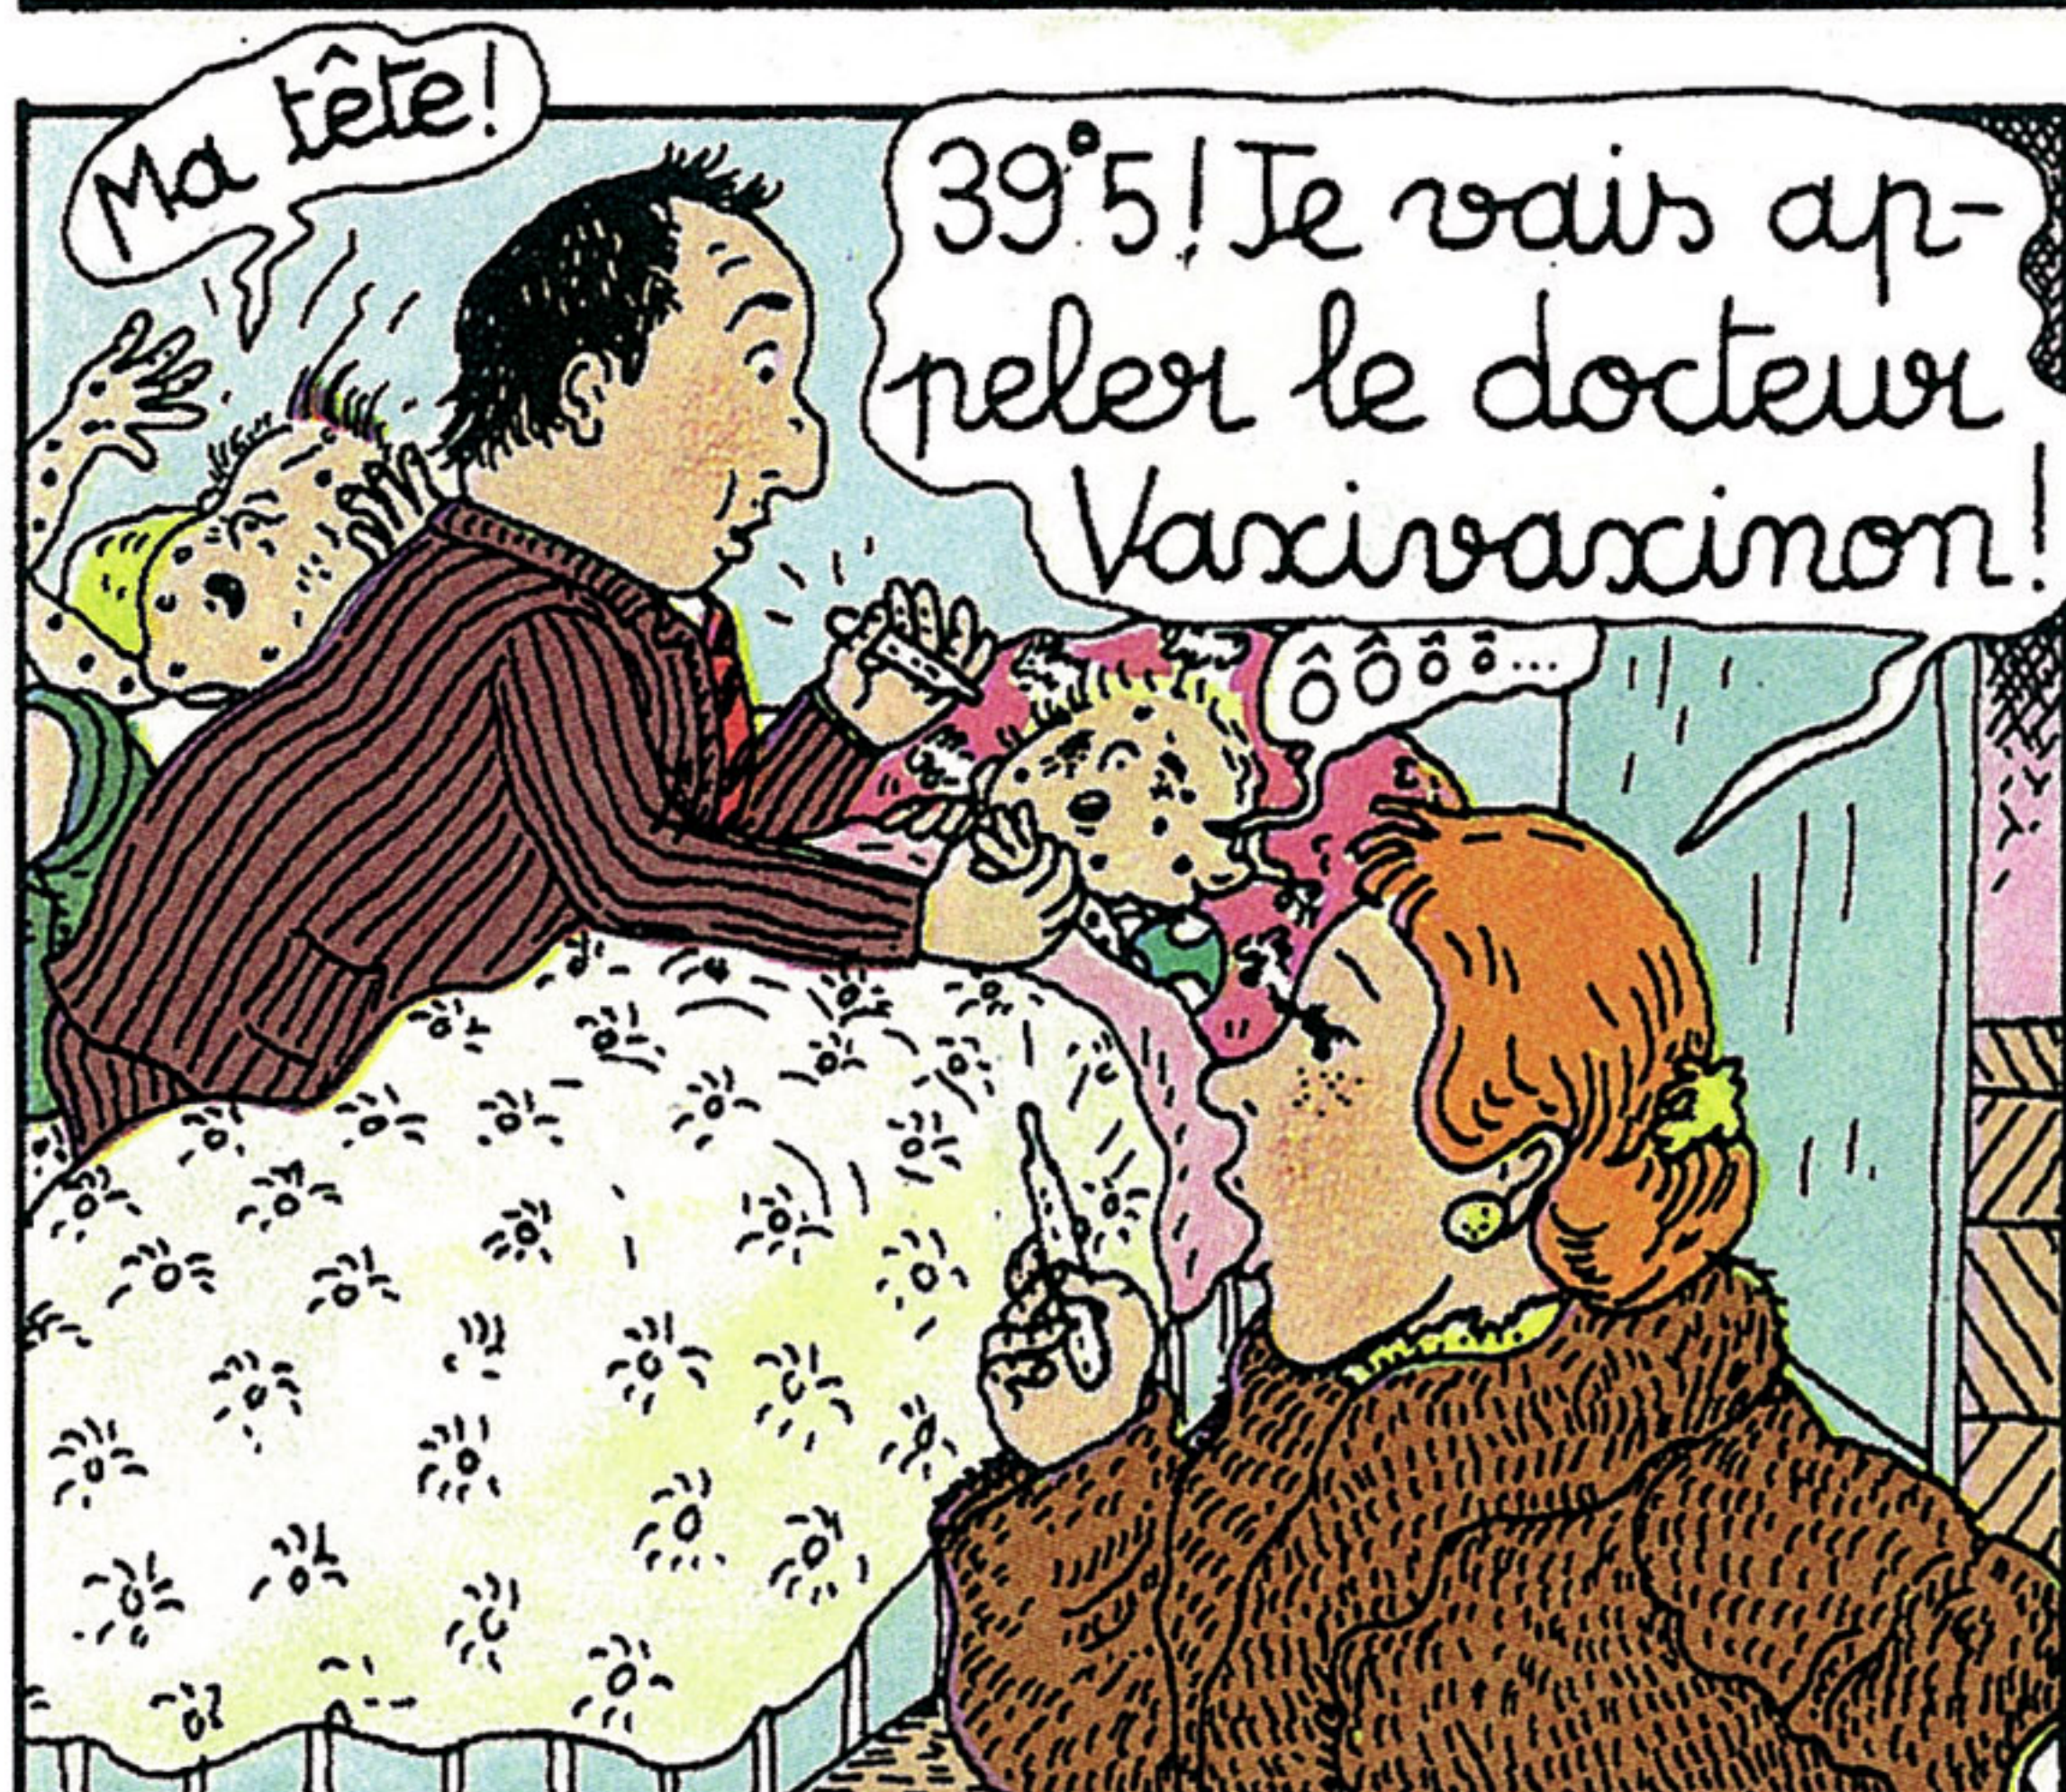

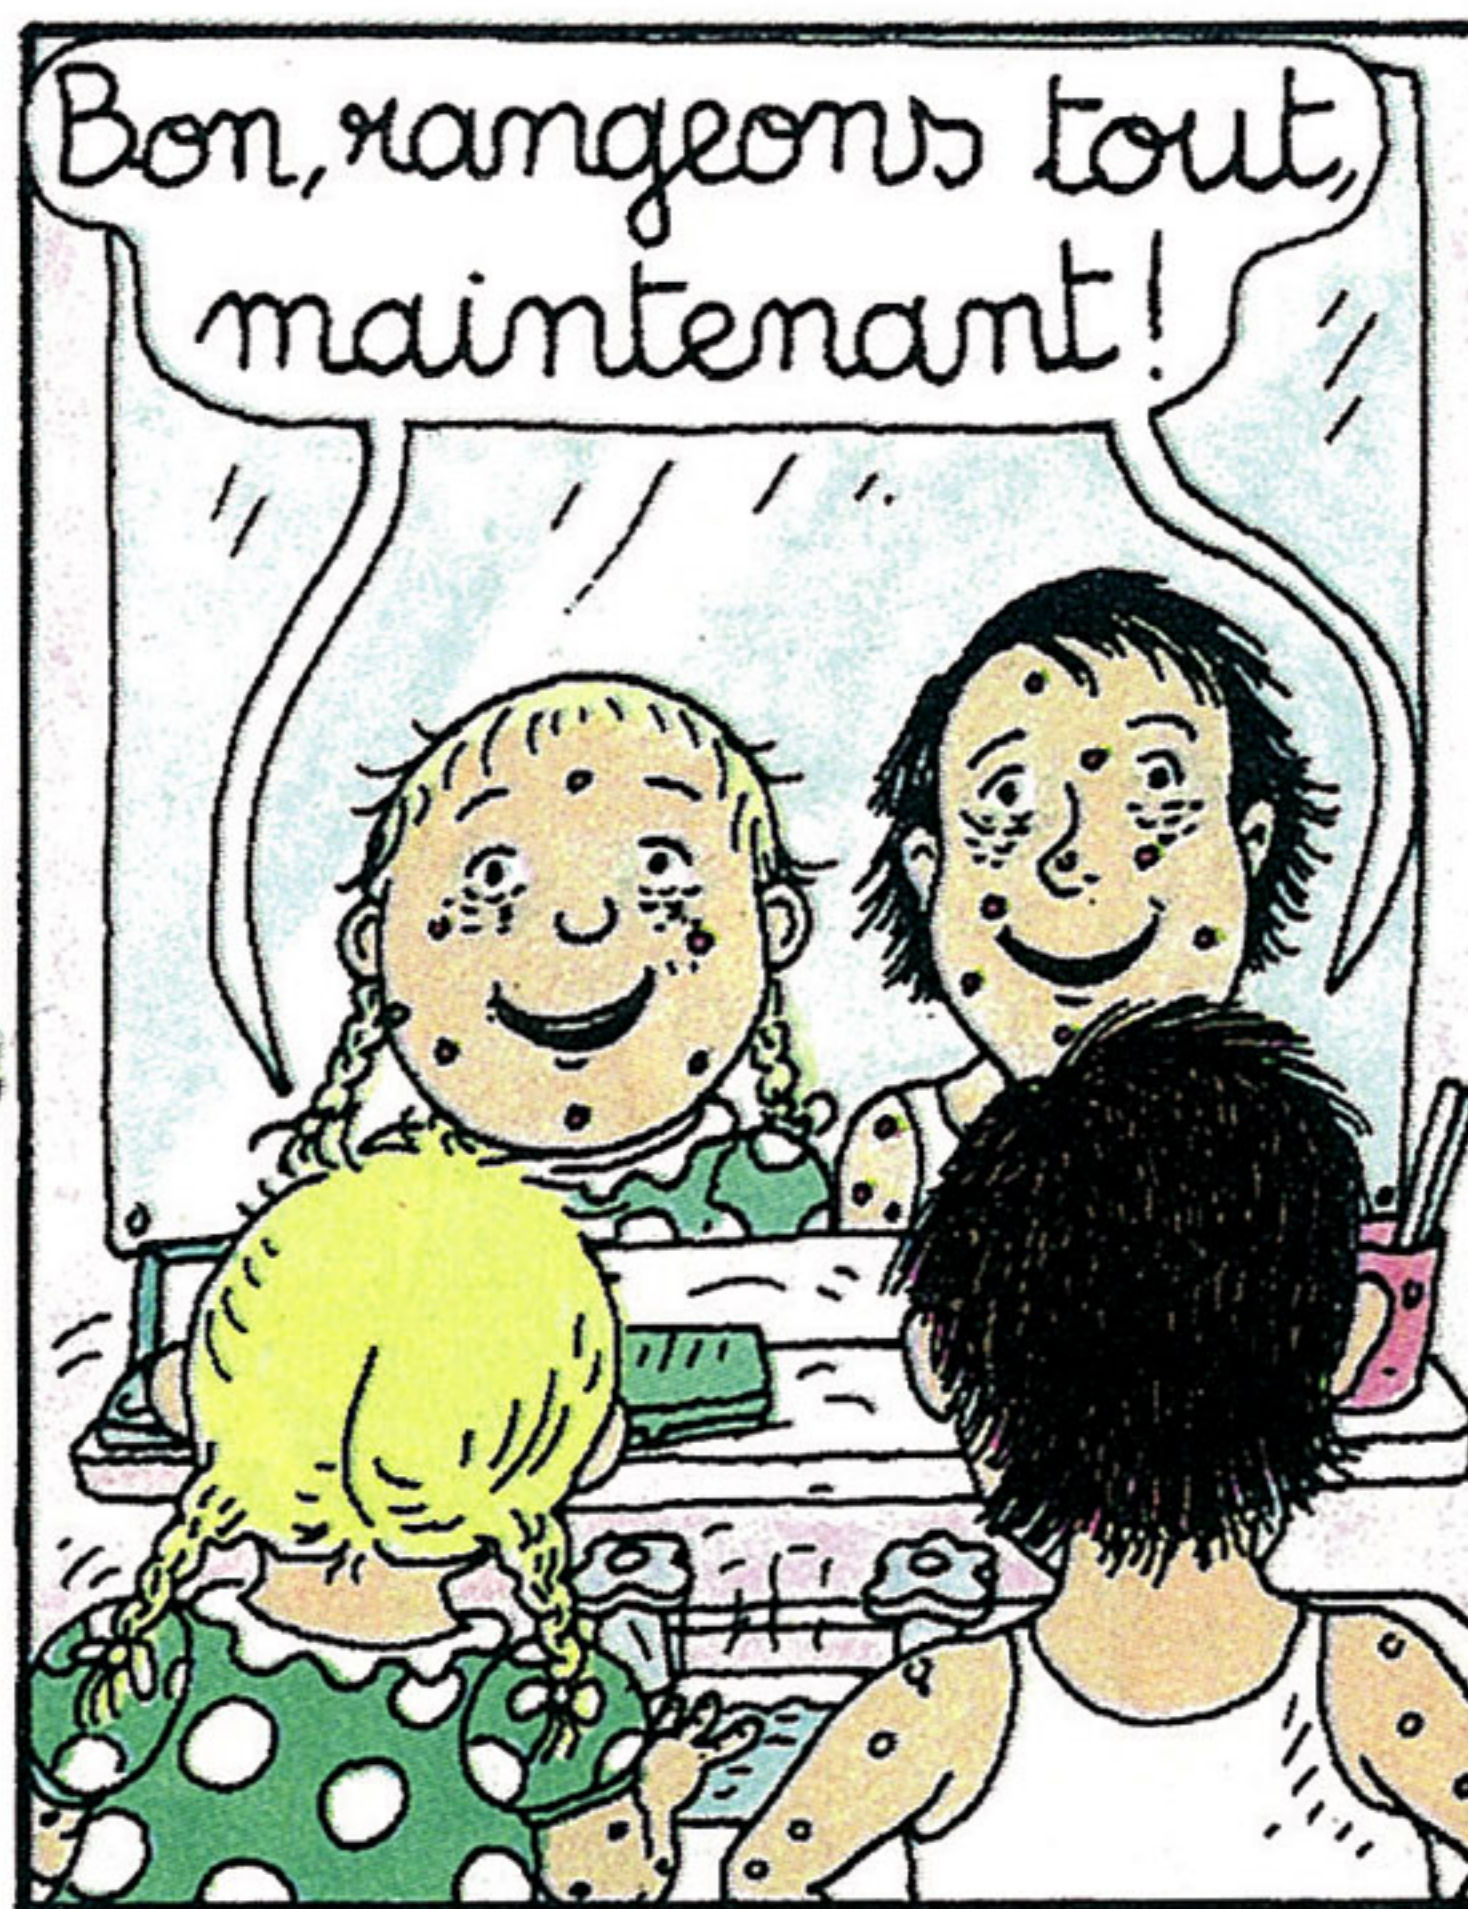

Non, c'est Non!

Oh! Pourquoi?

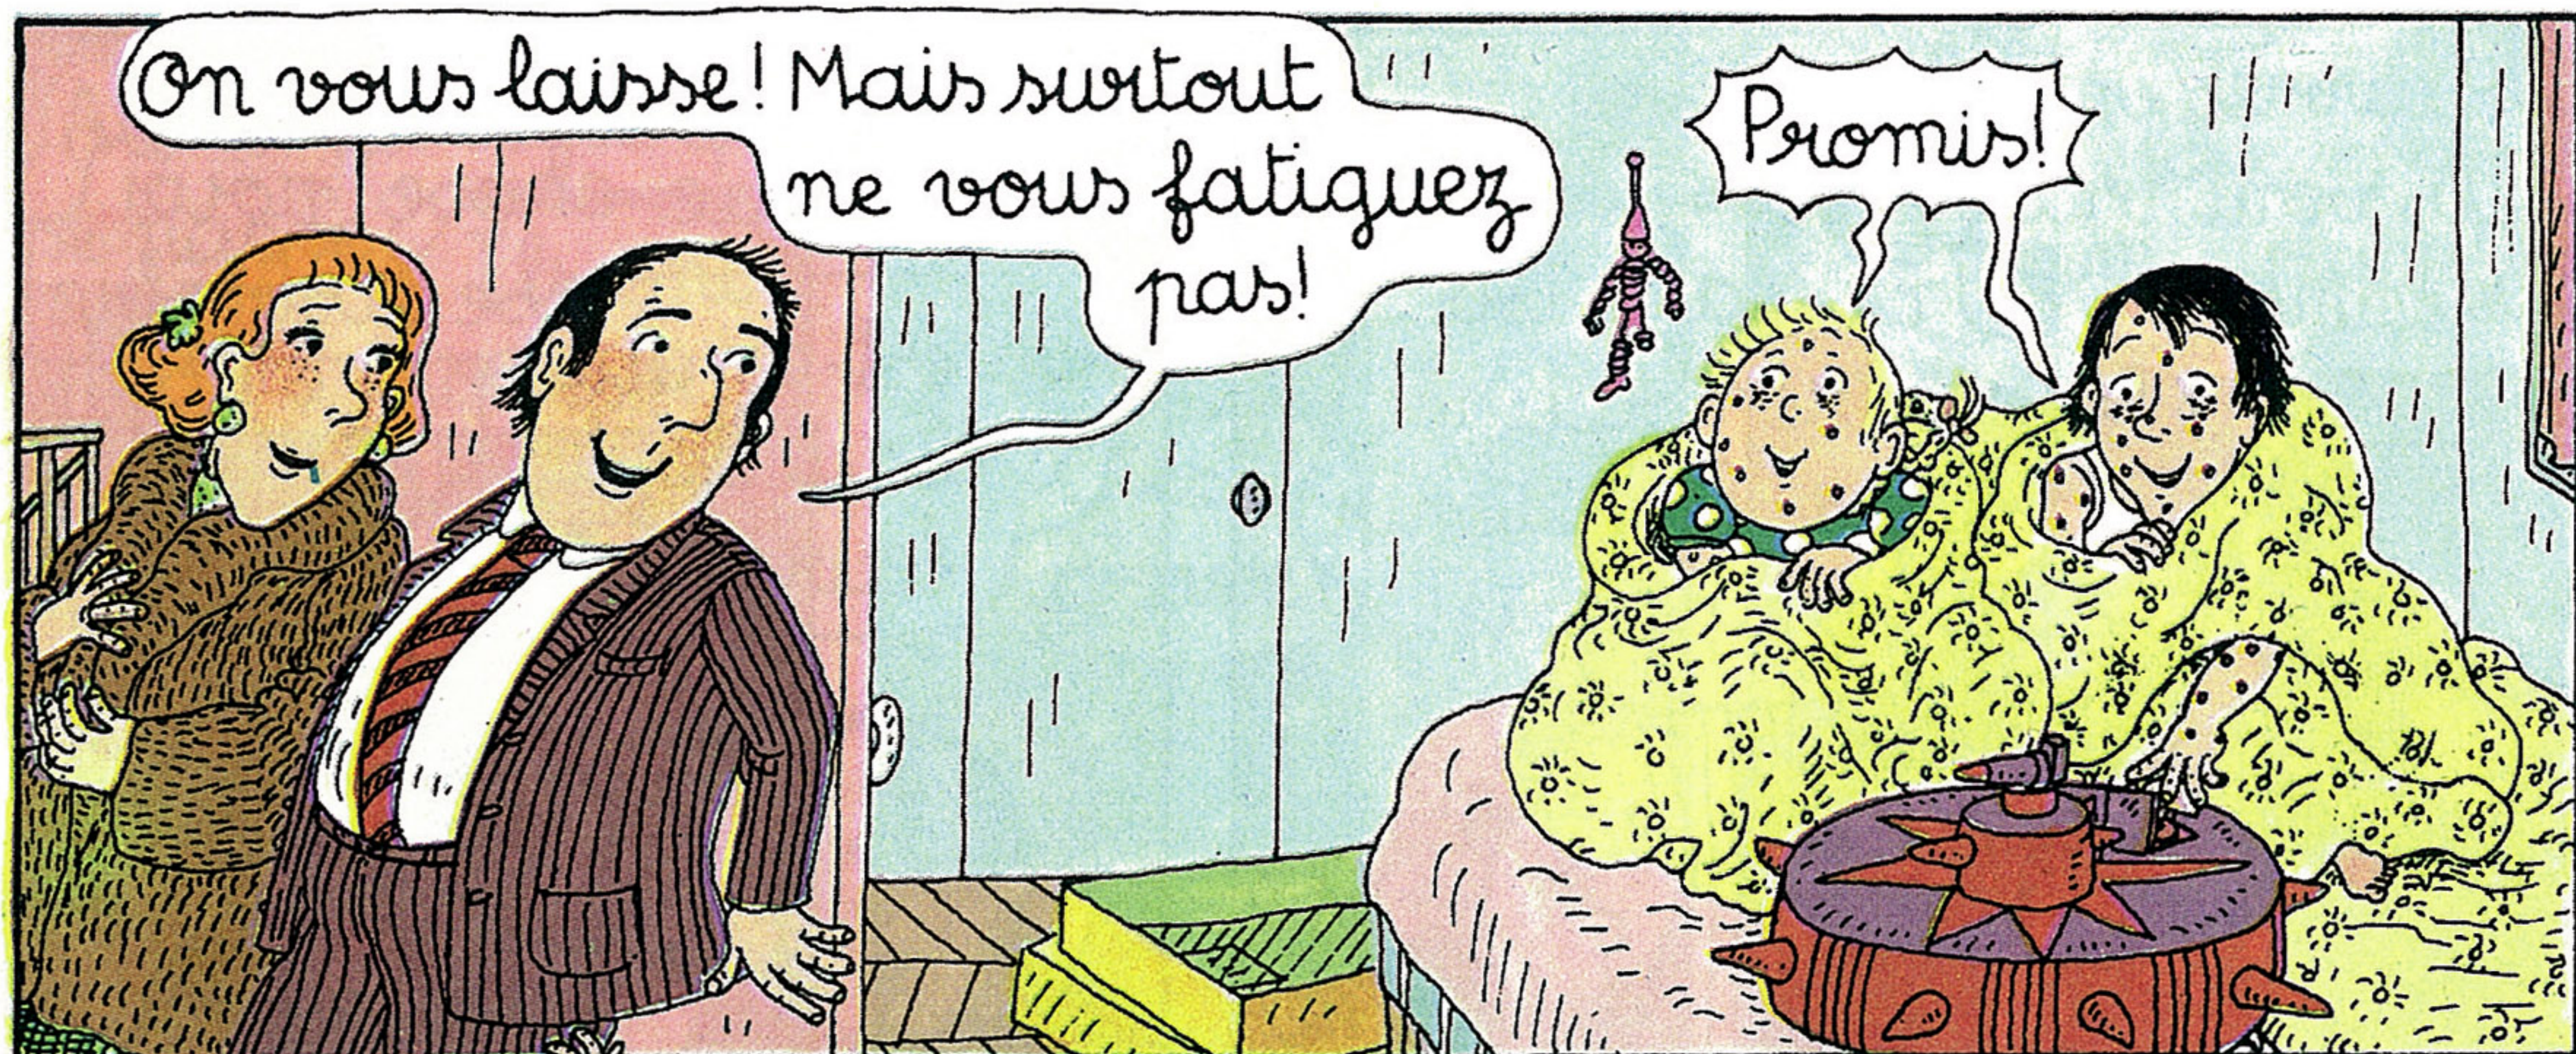

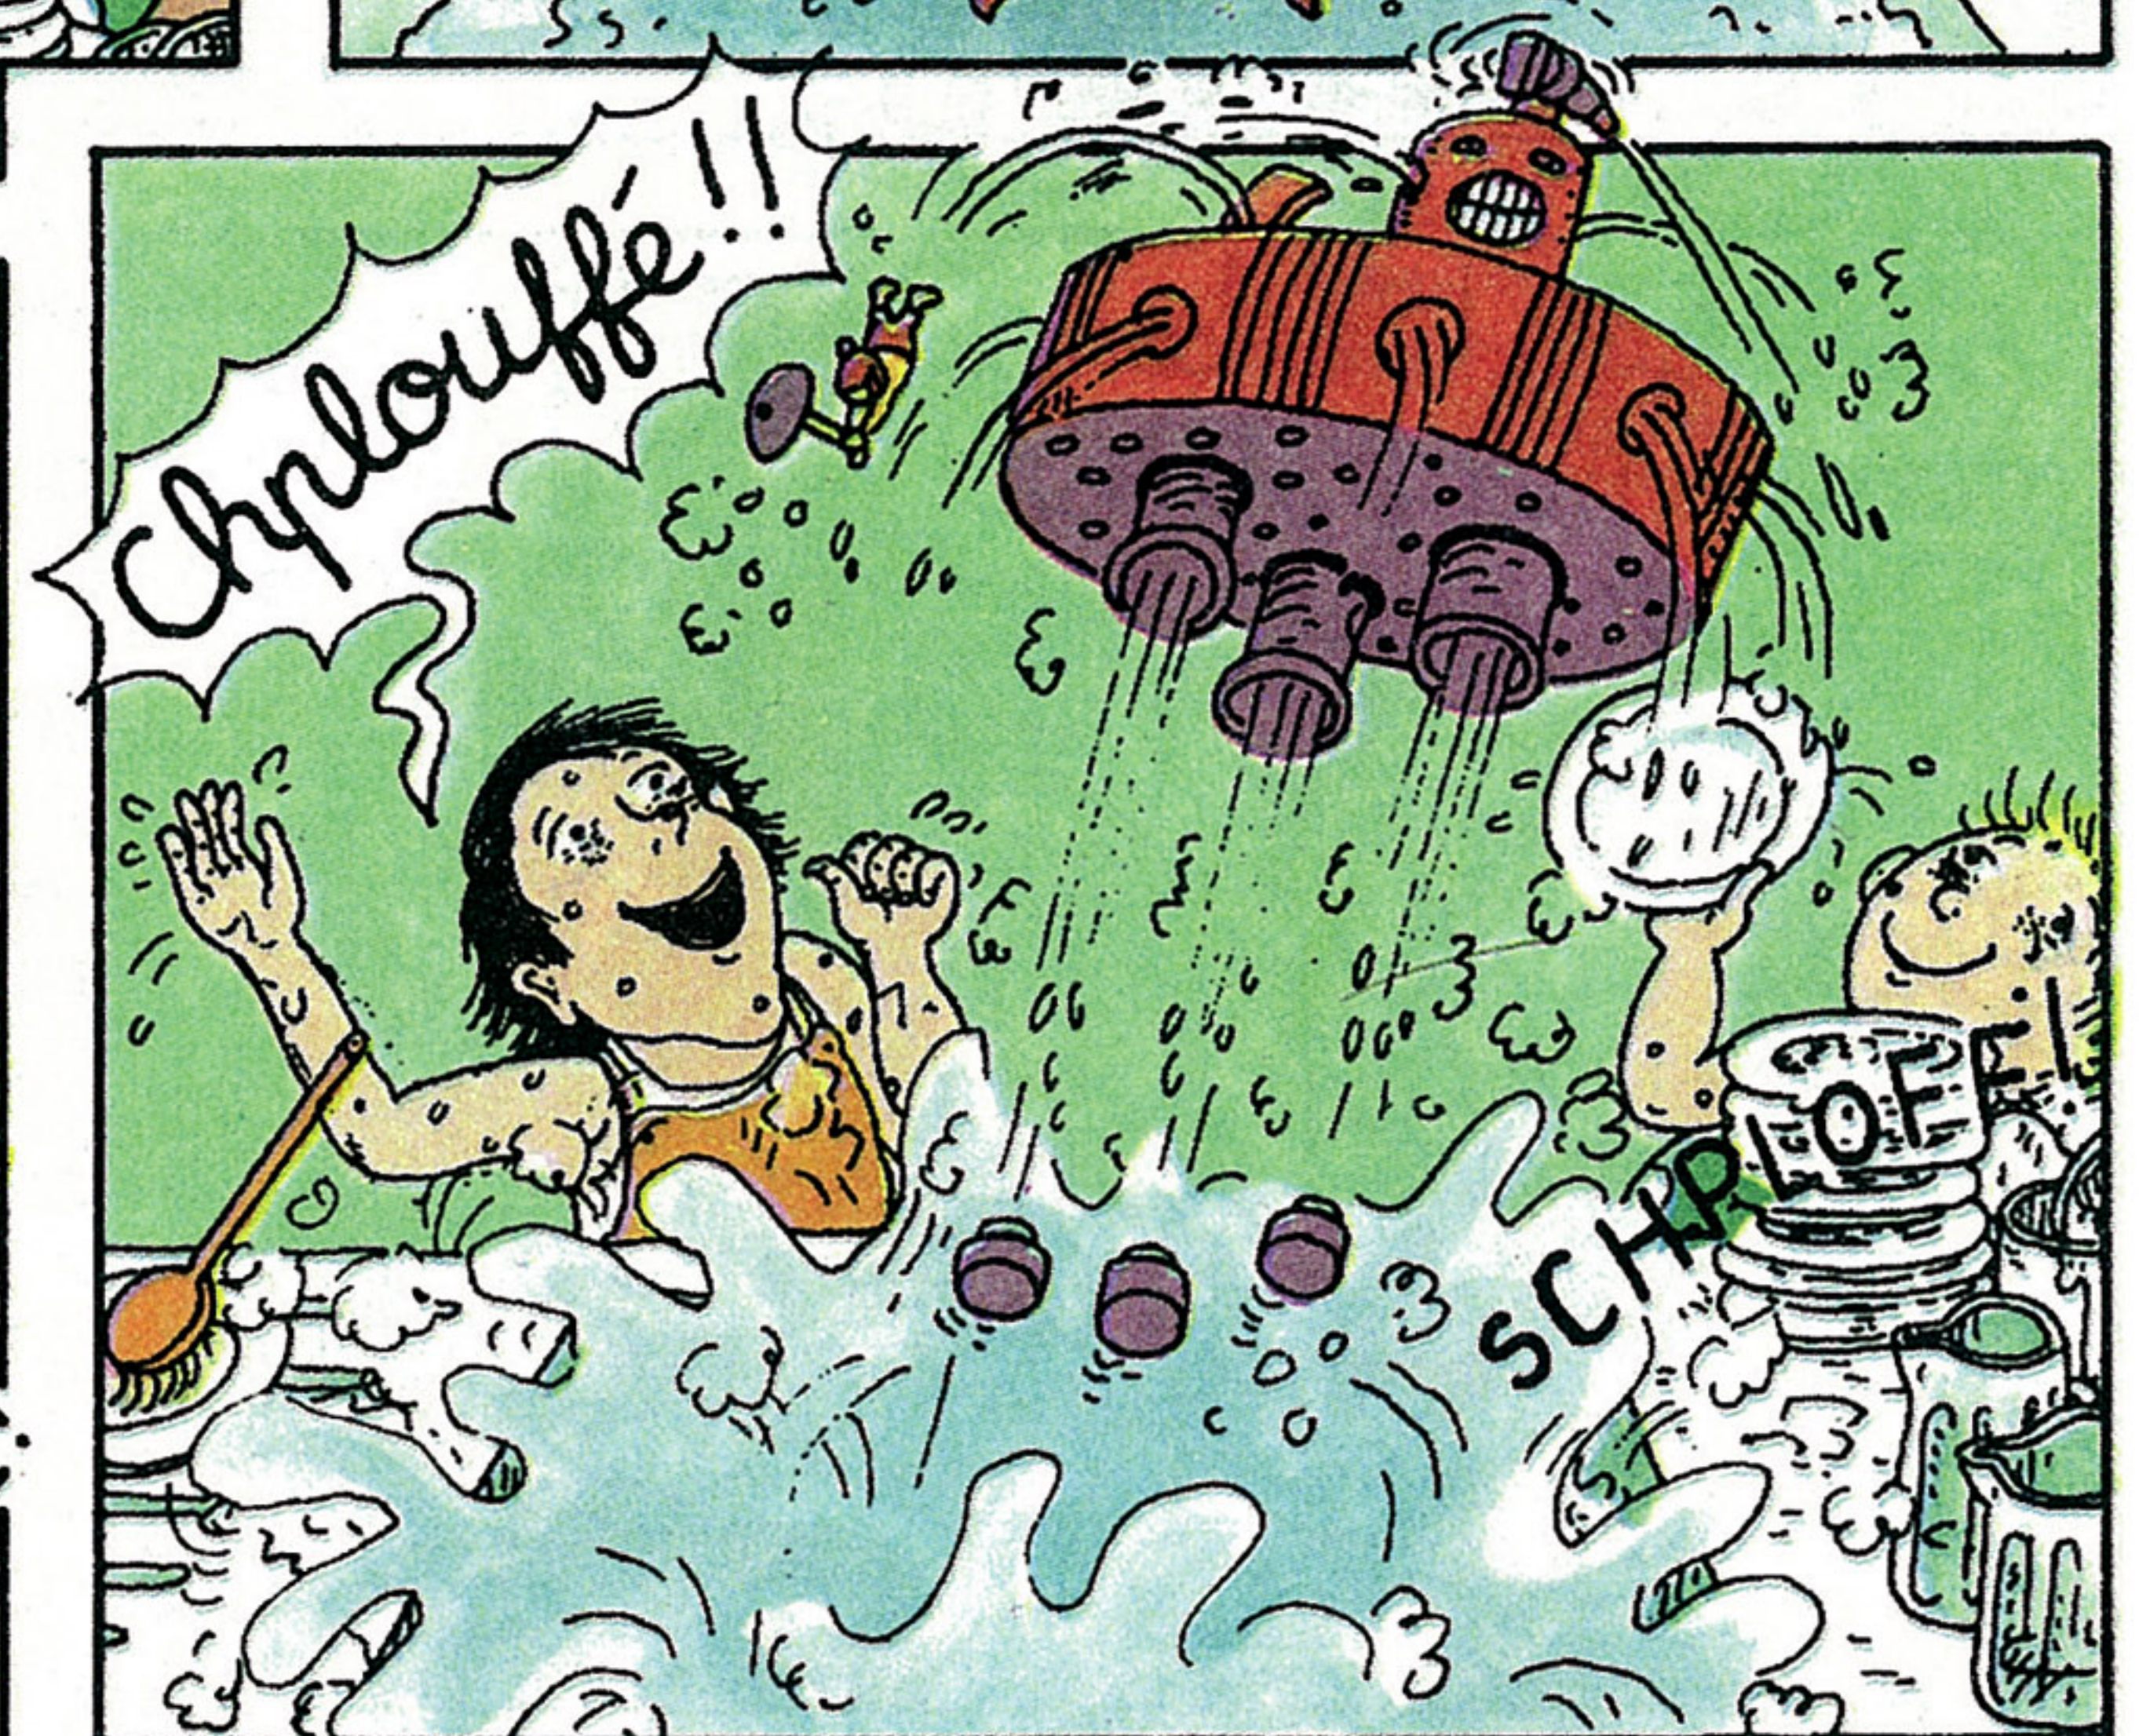

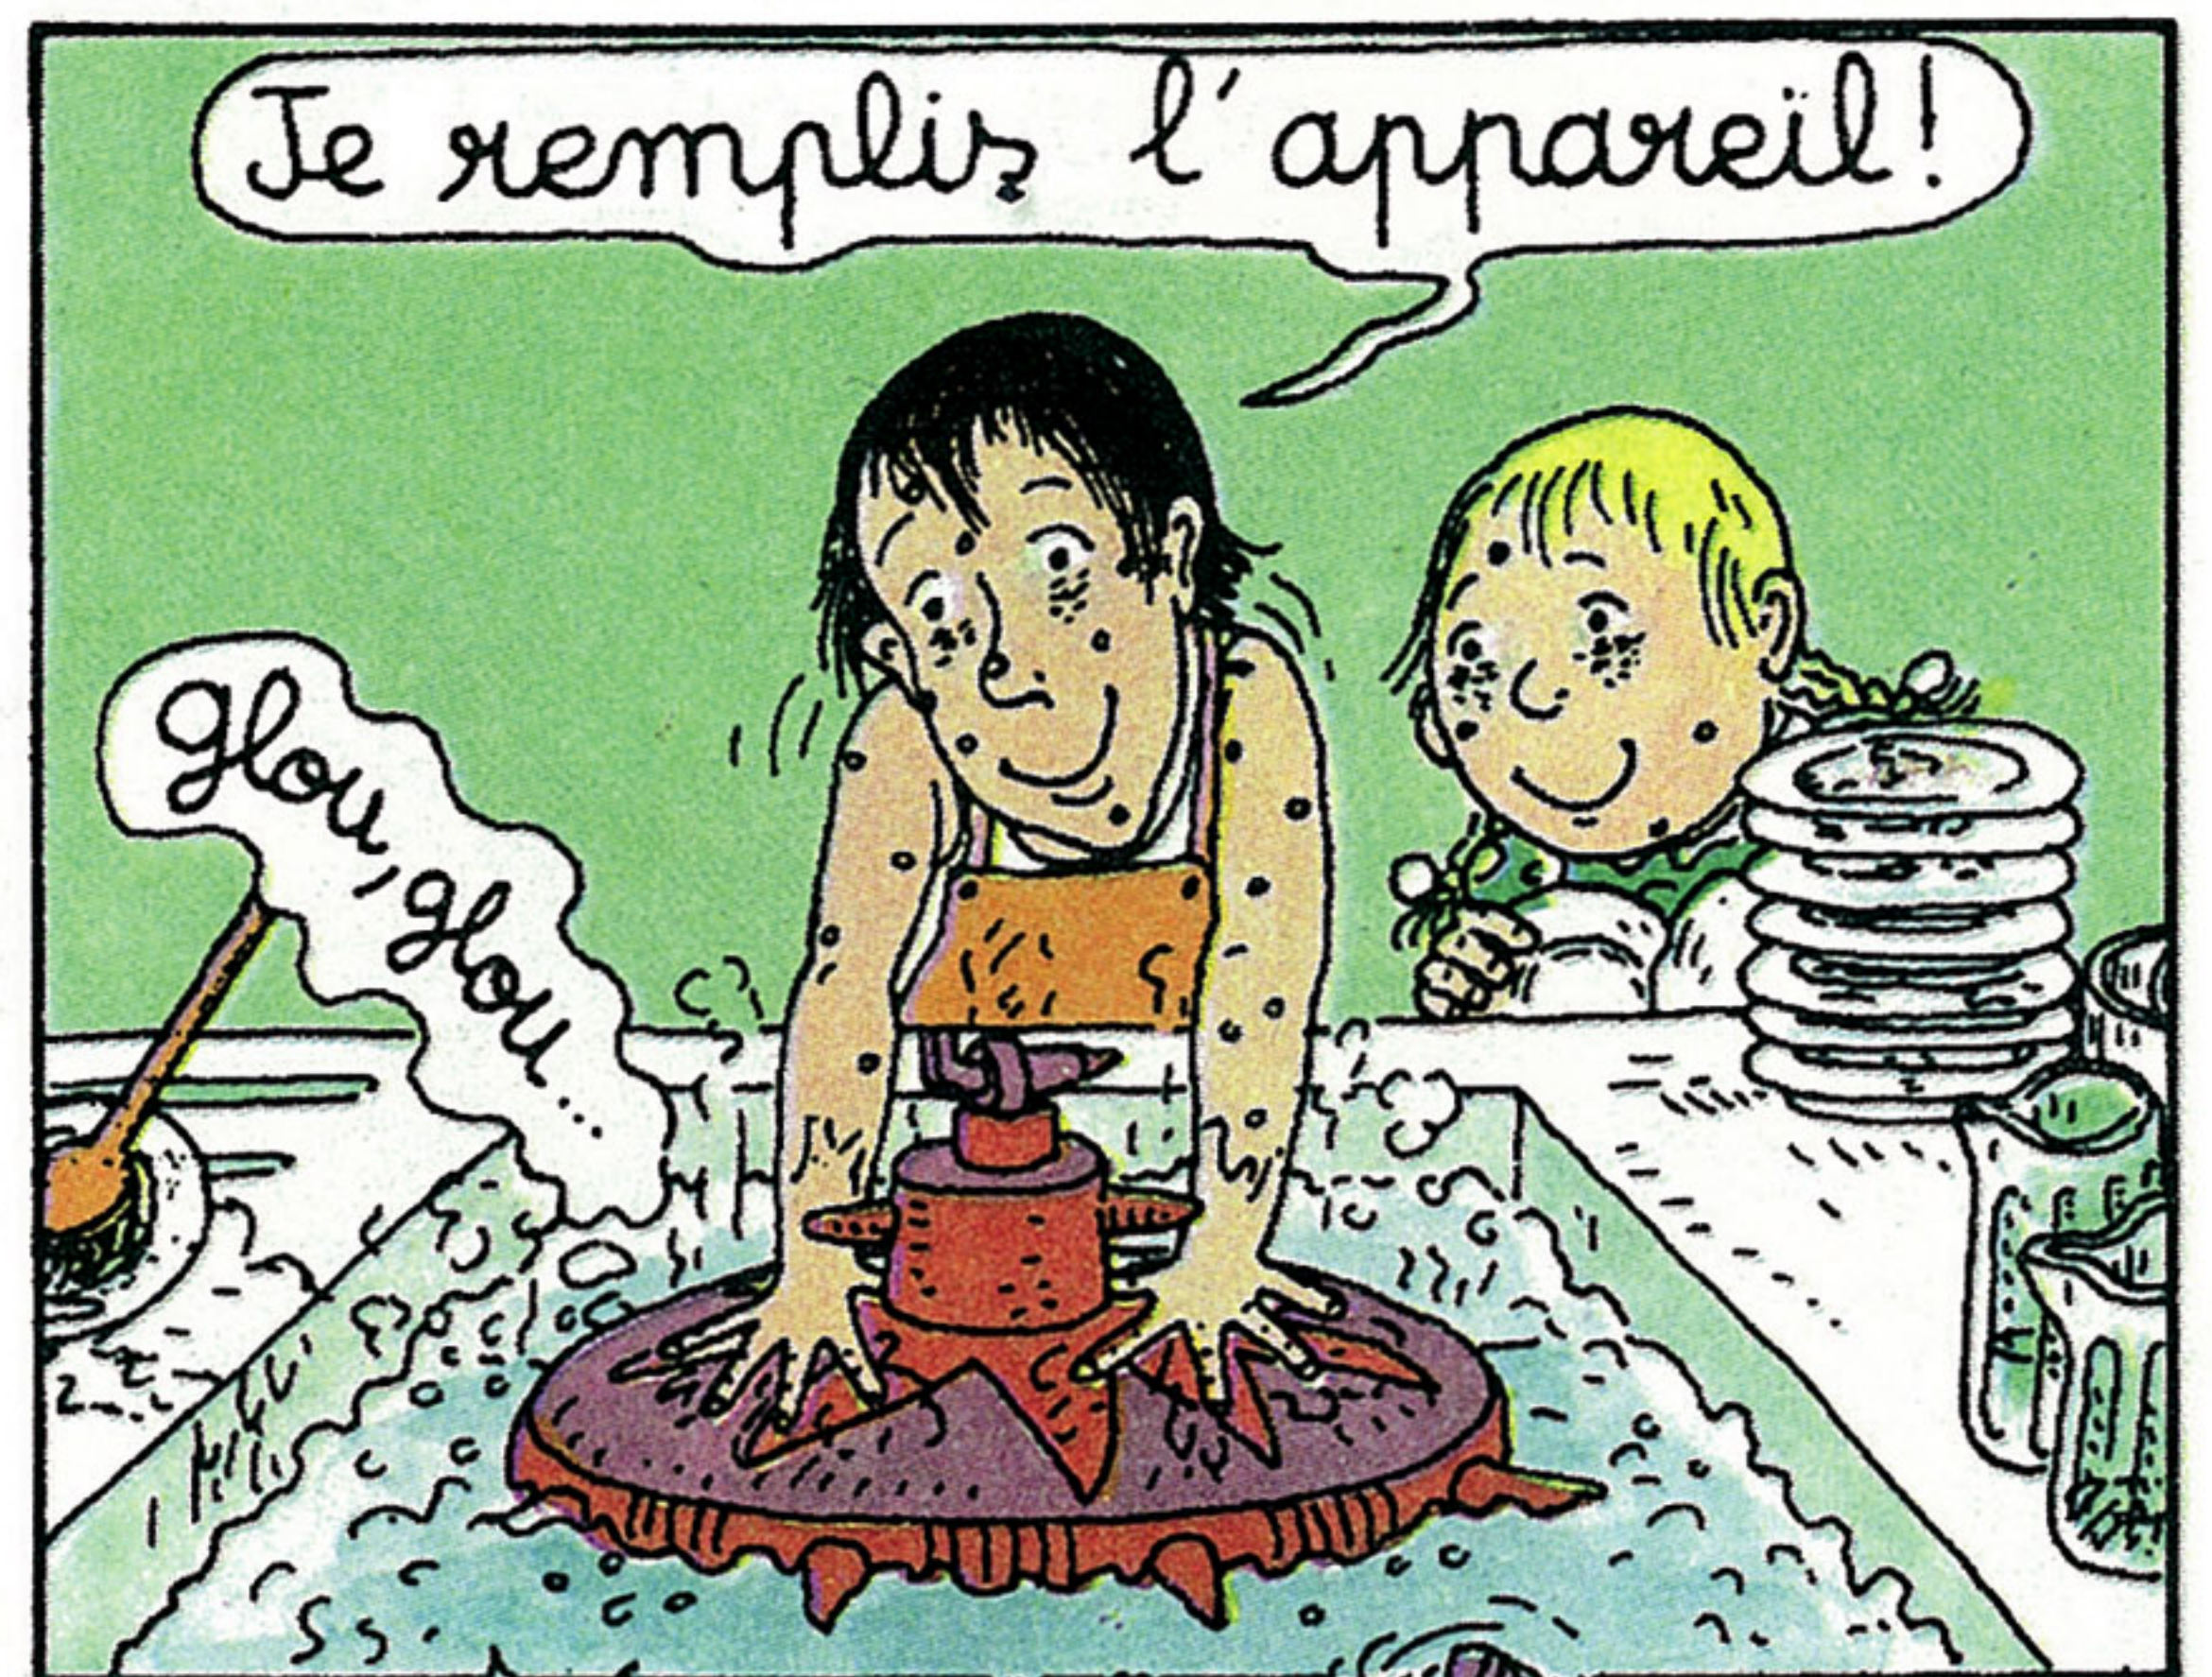

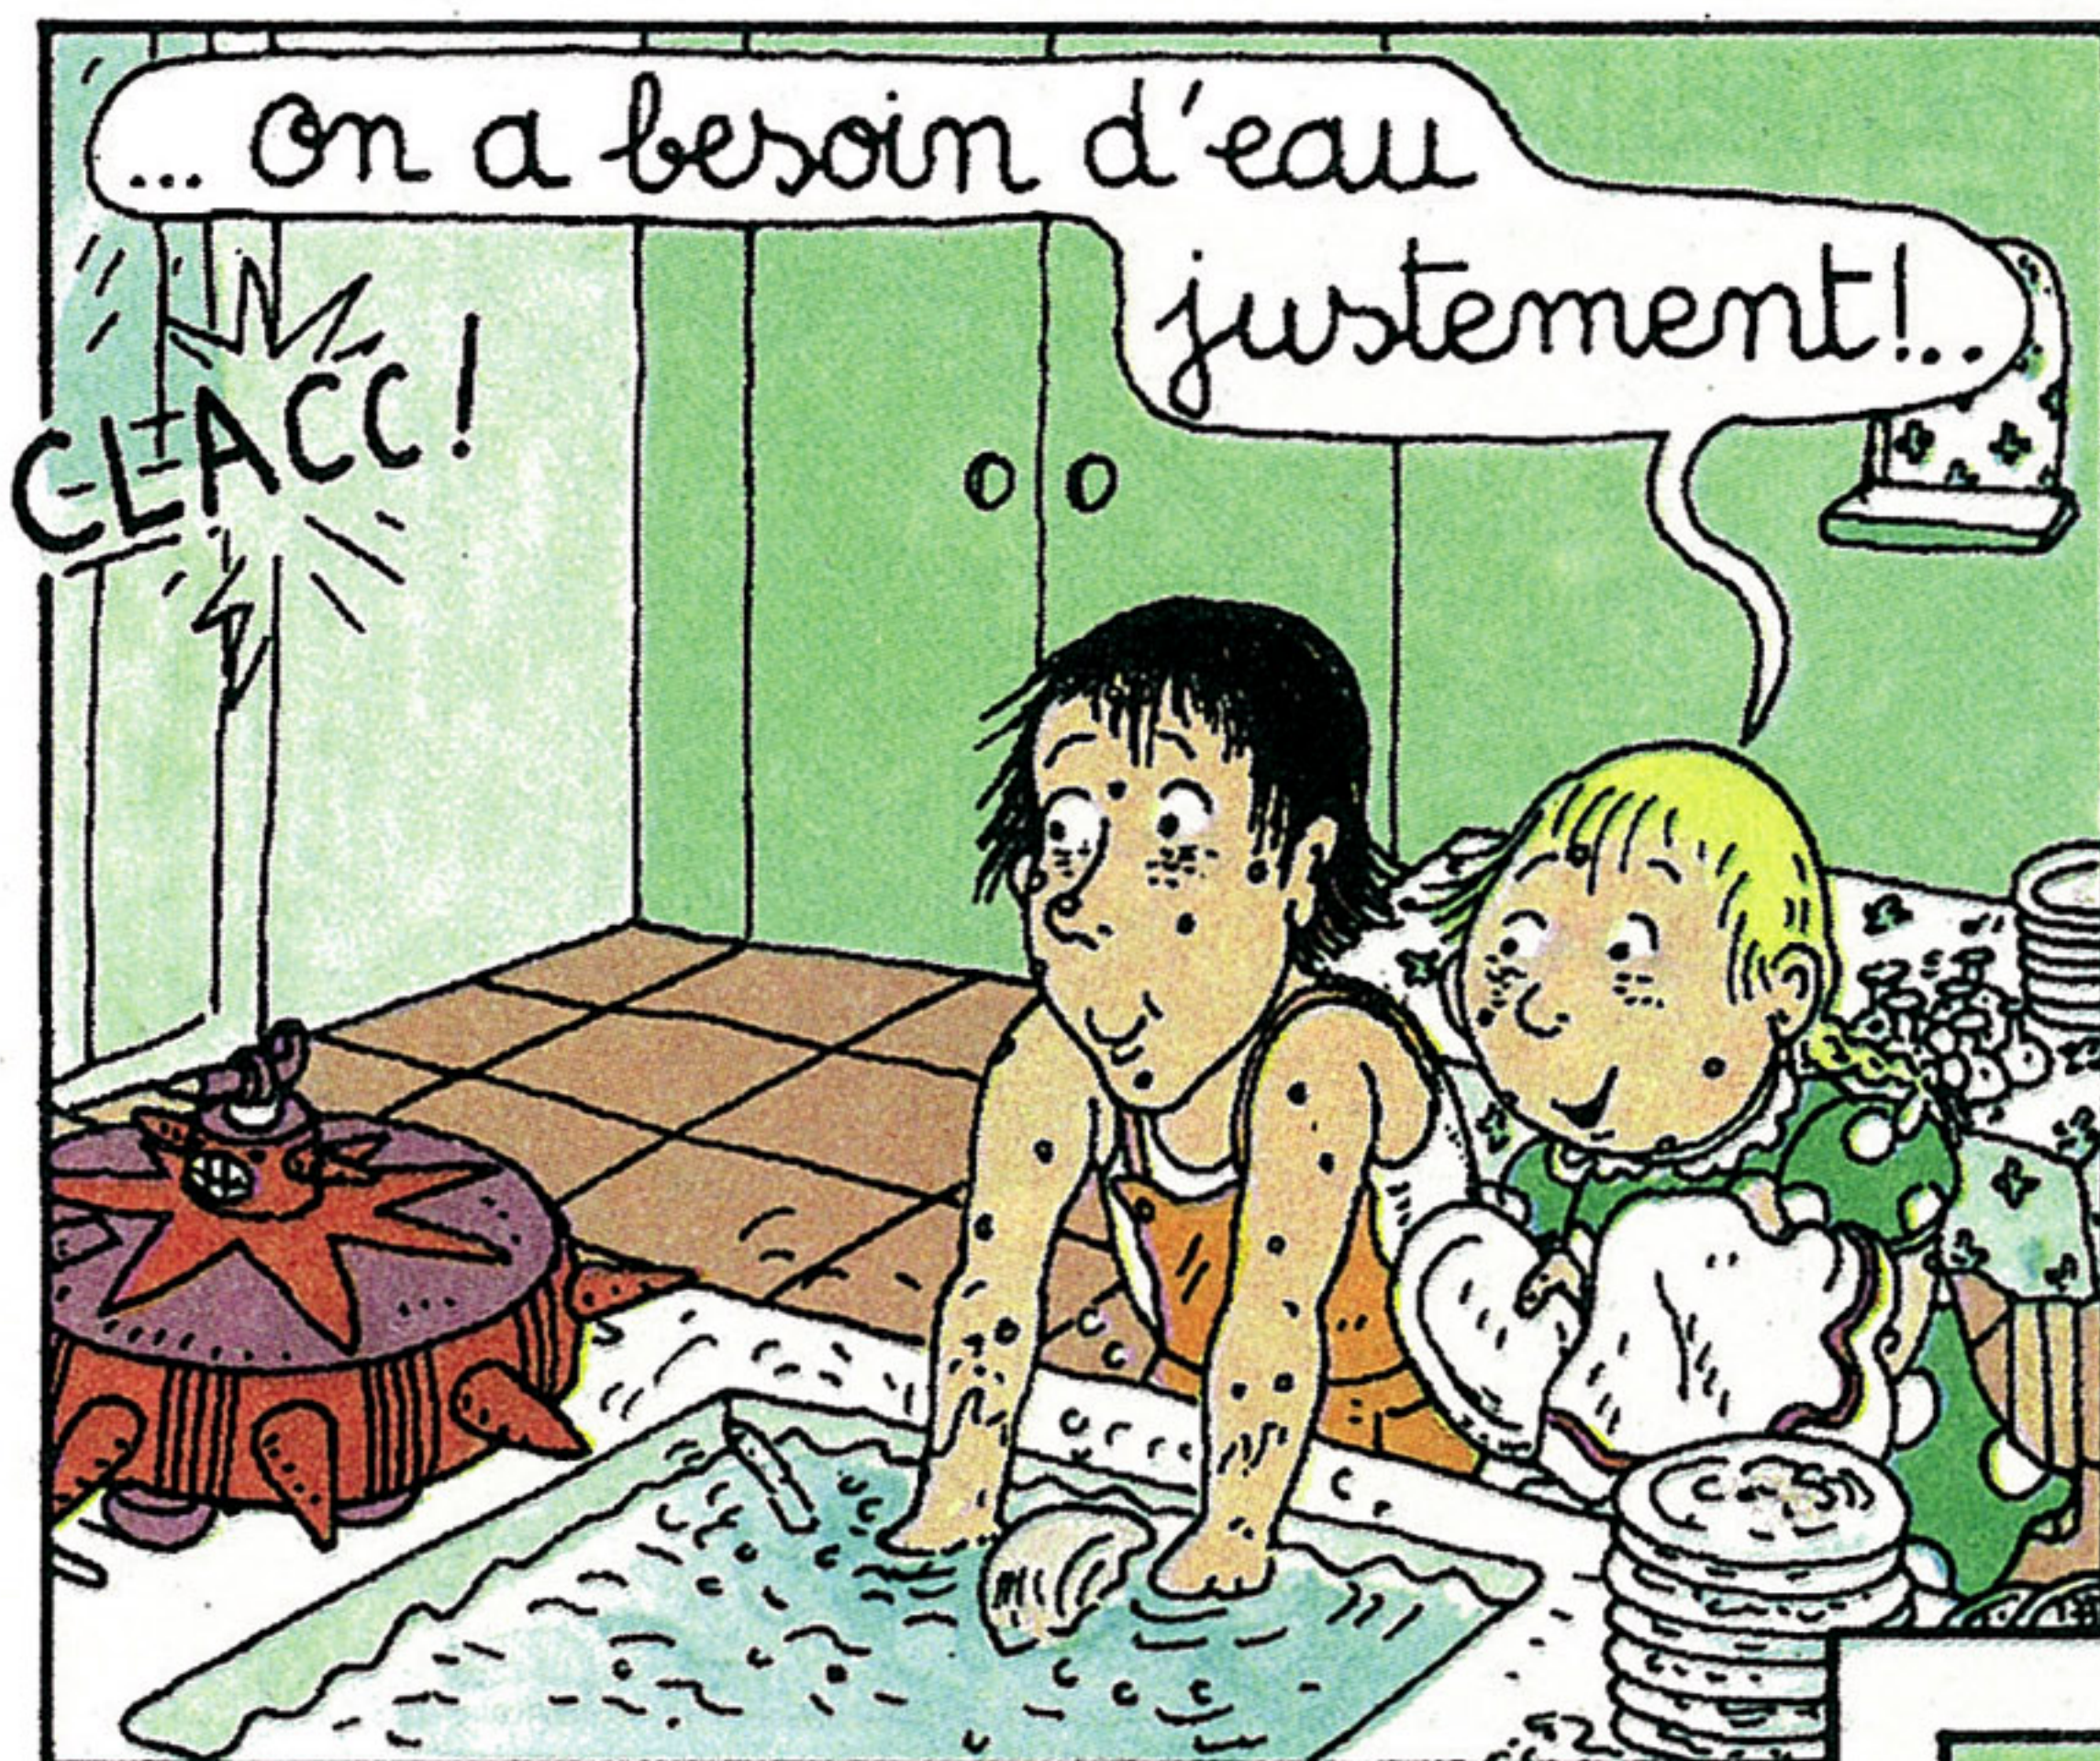

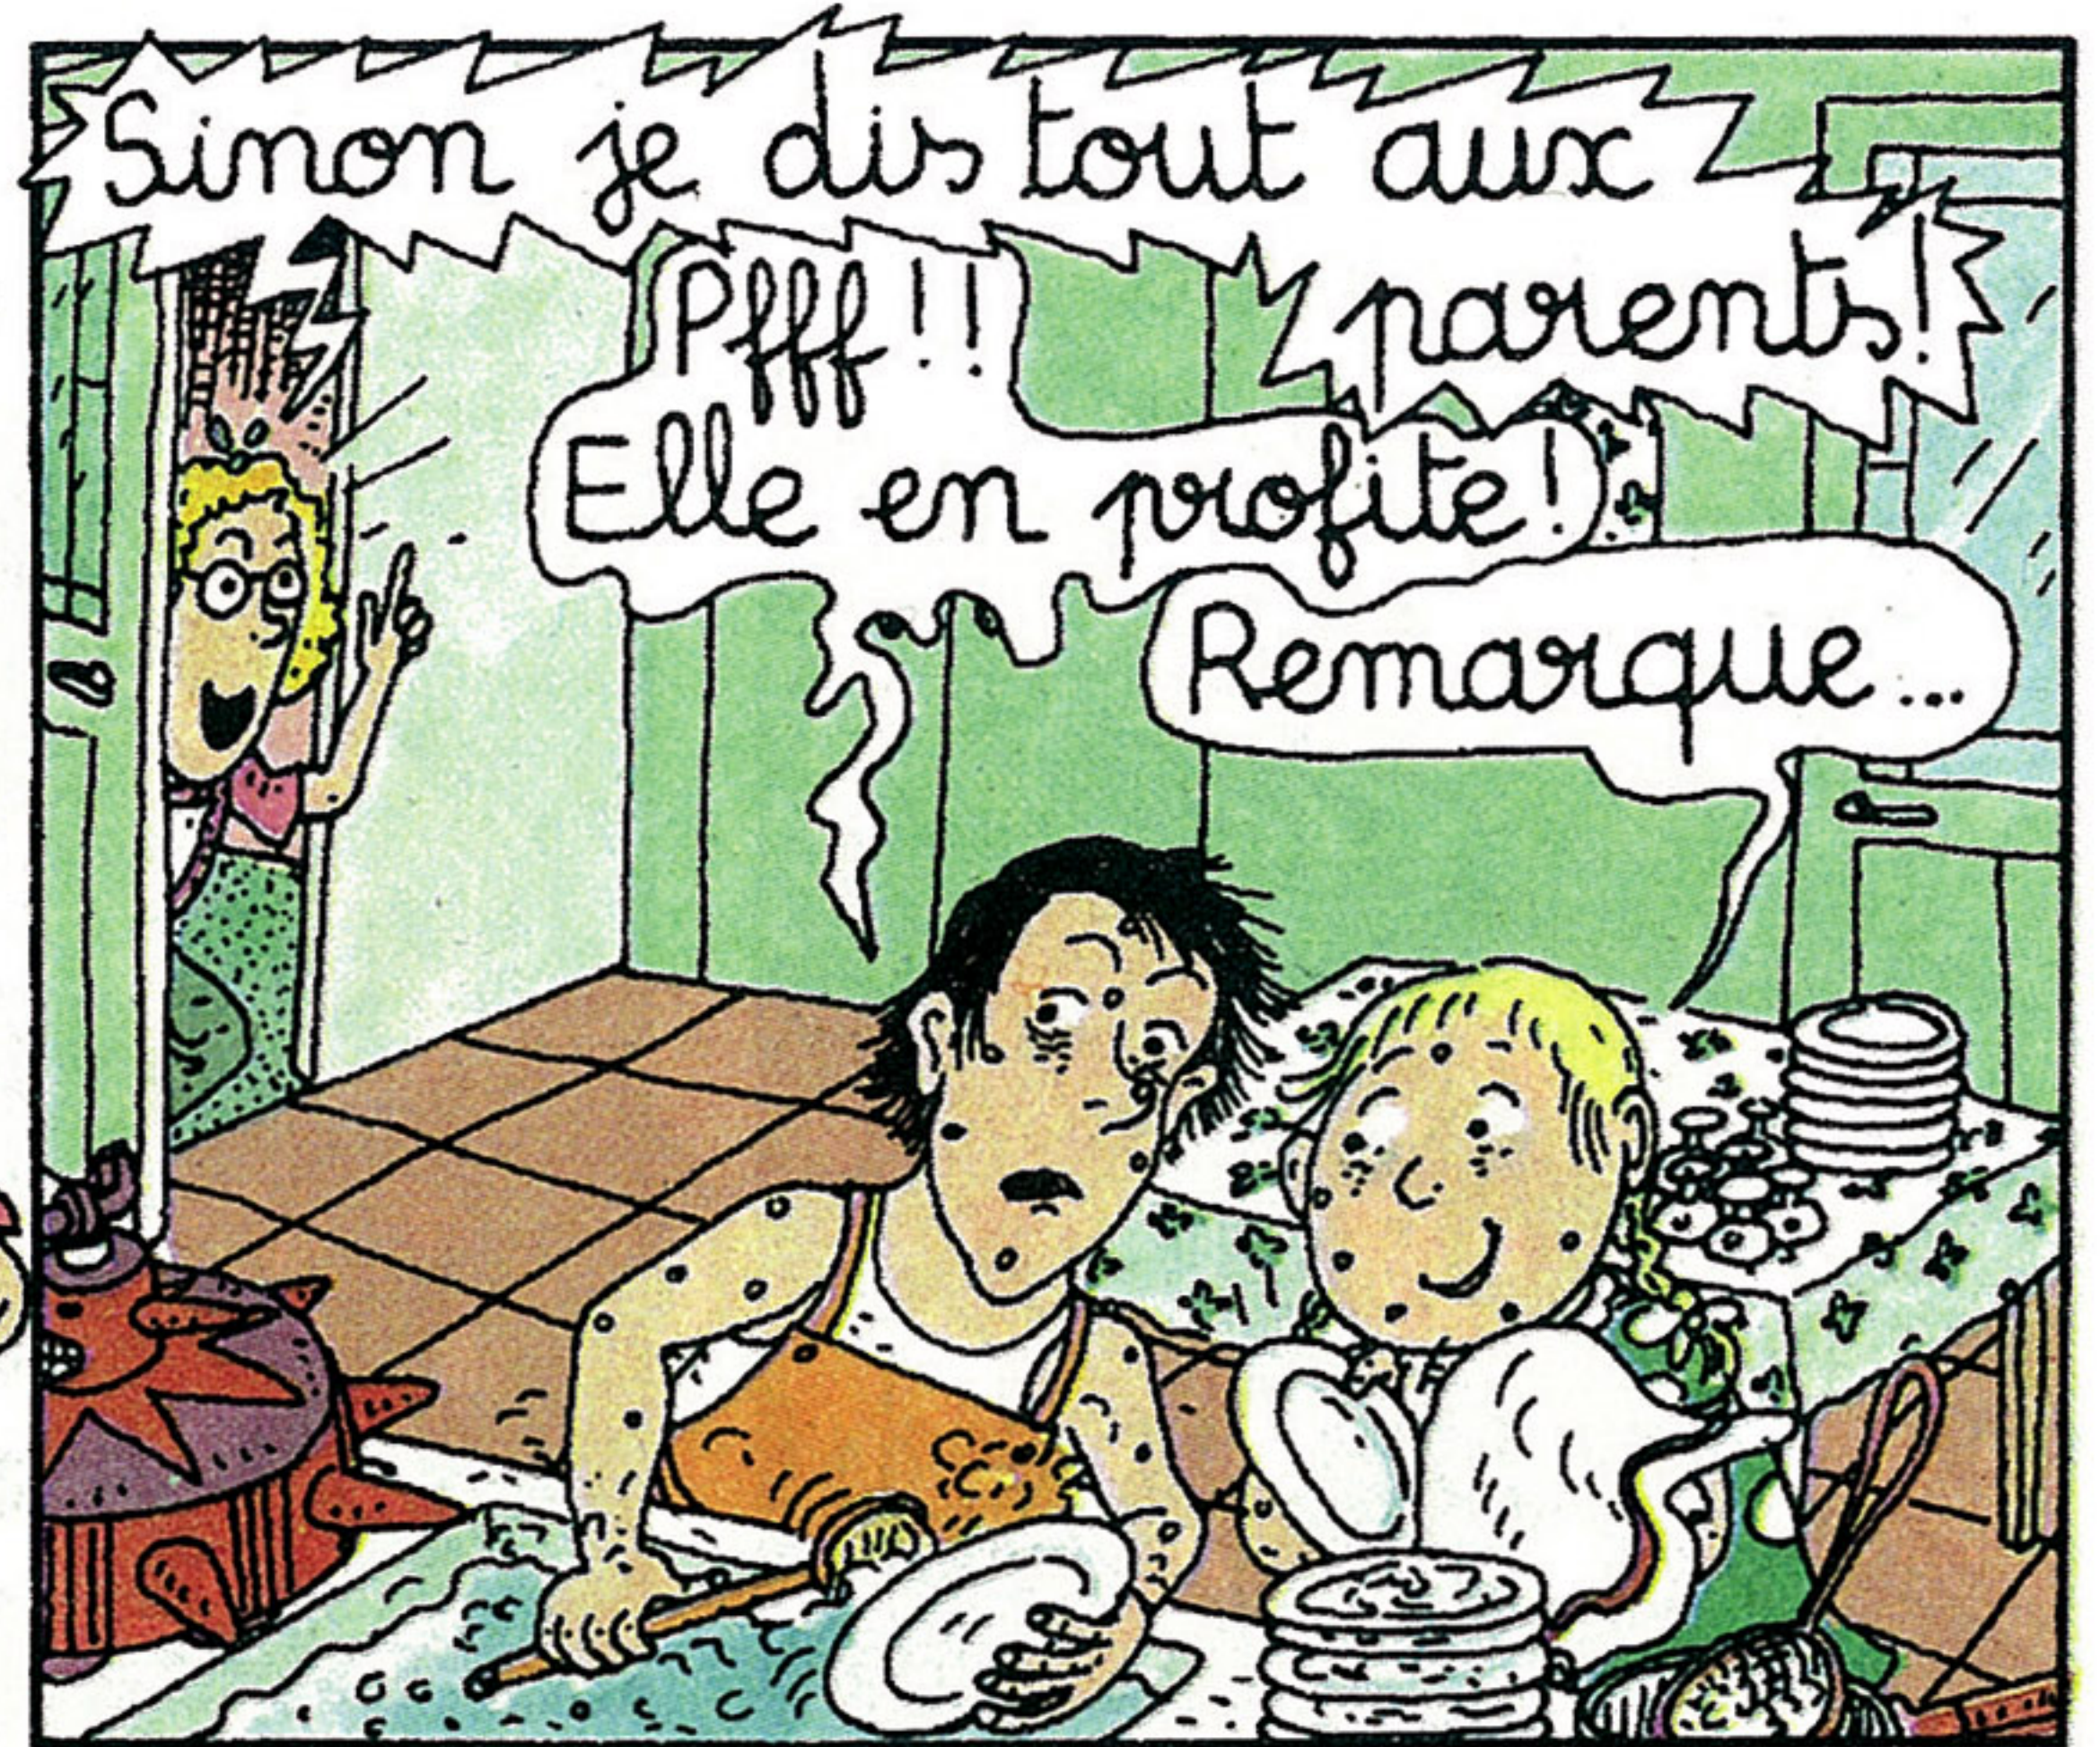

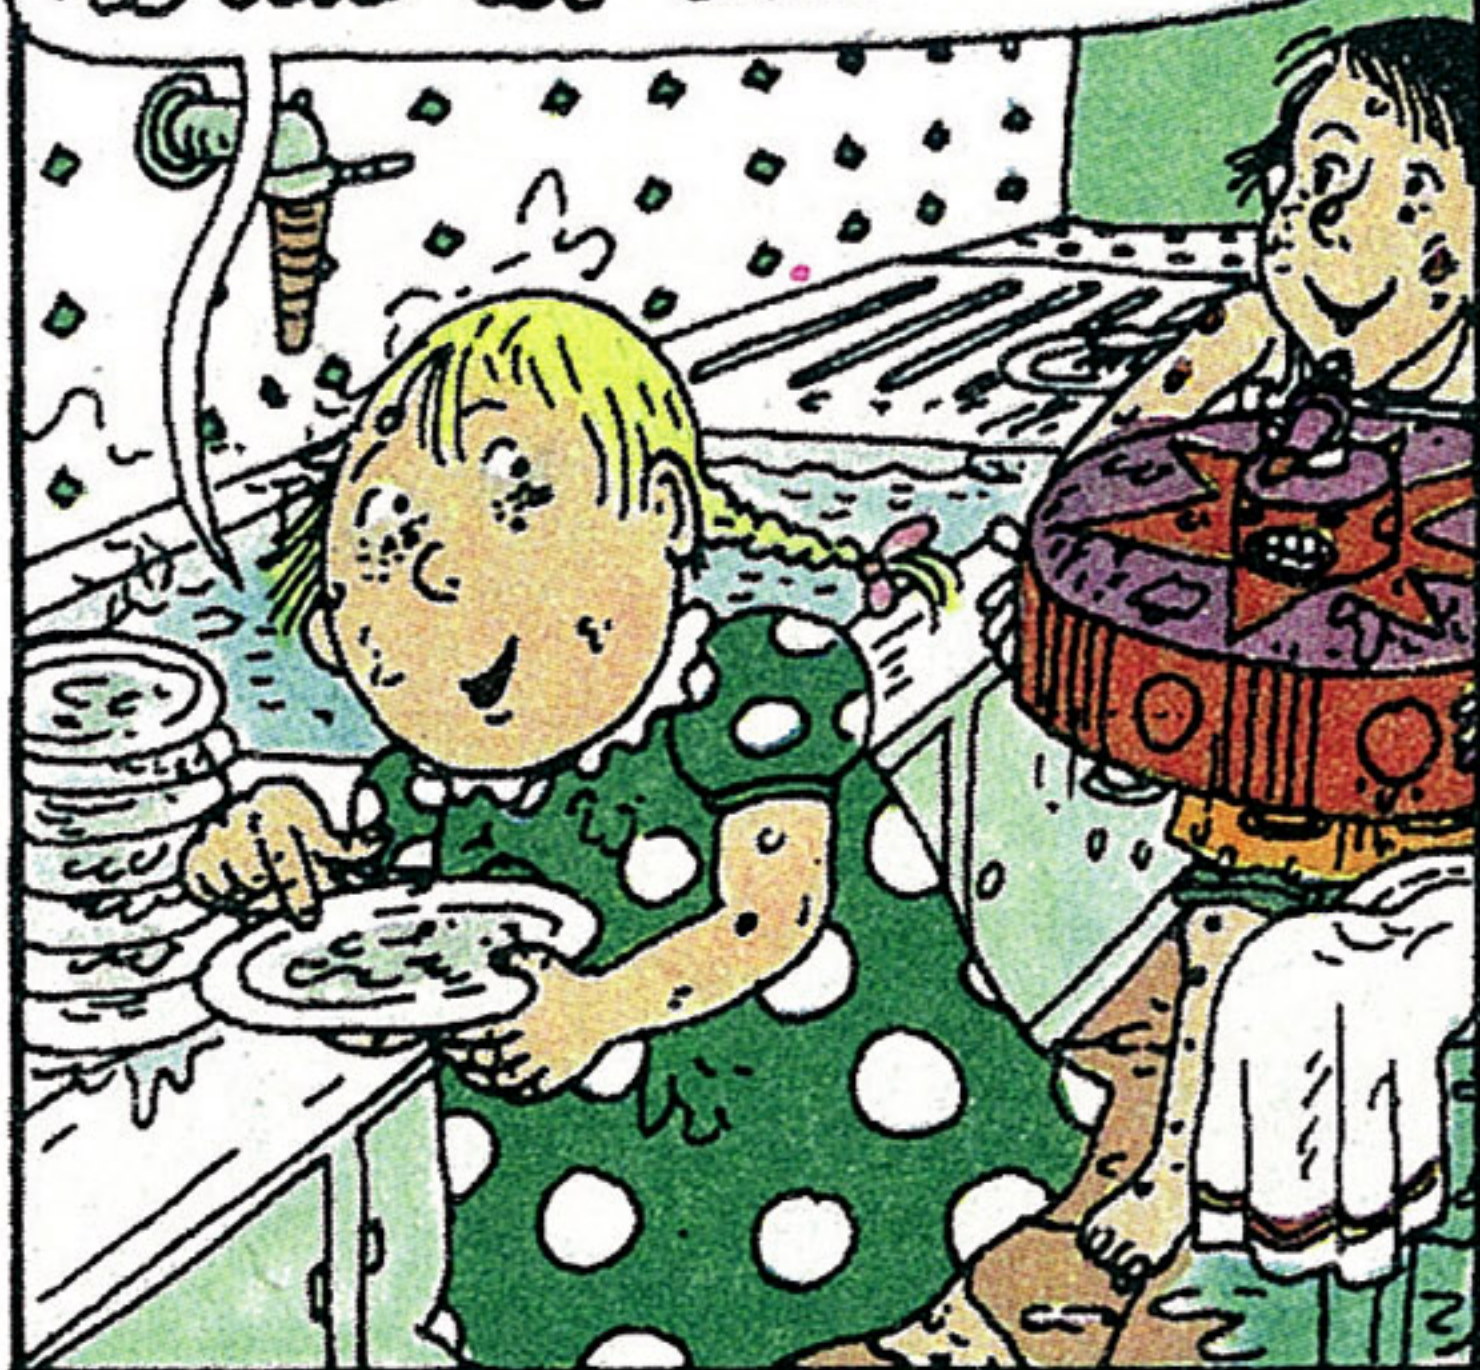

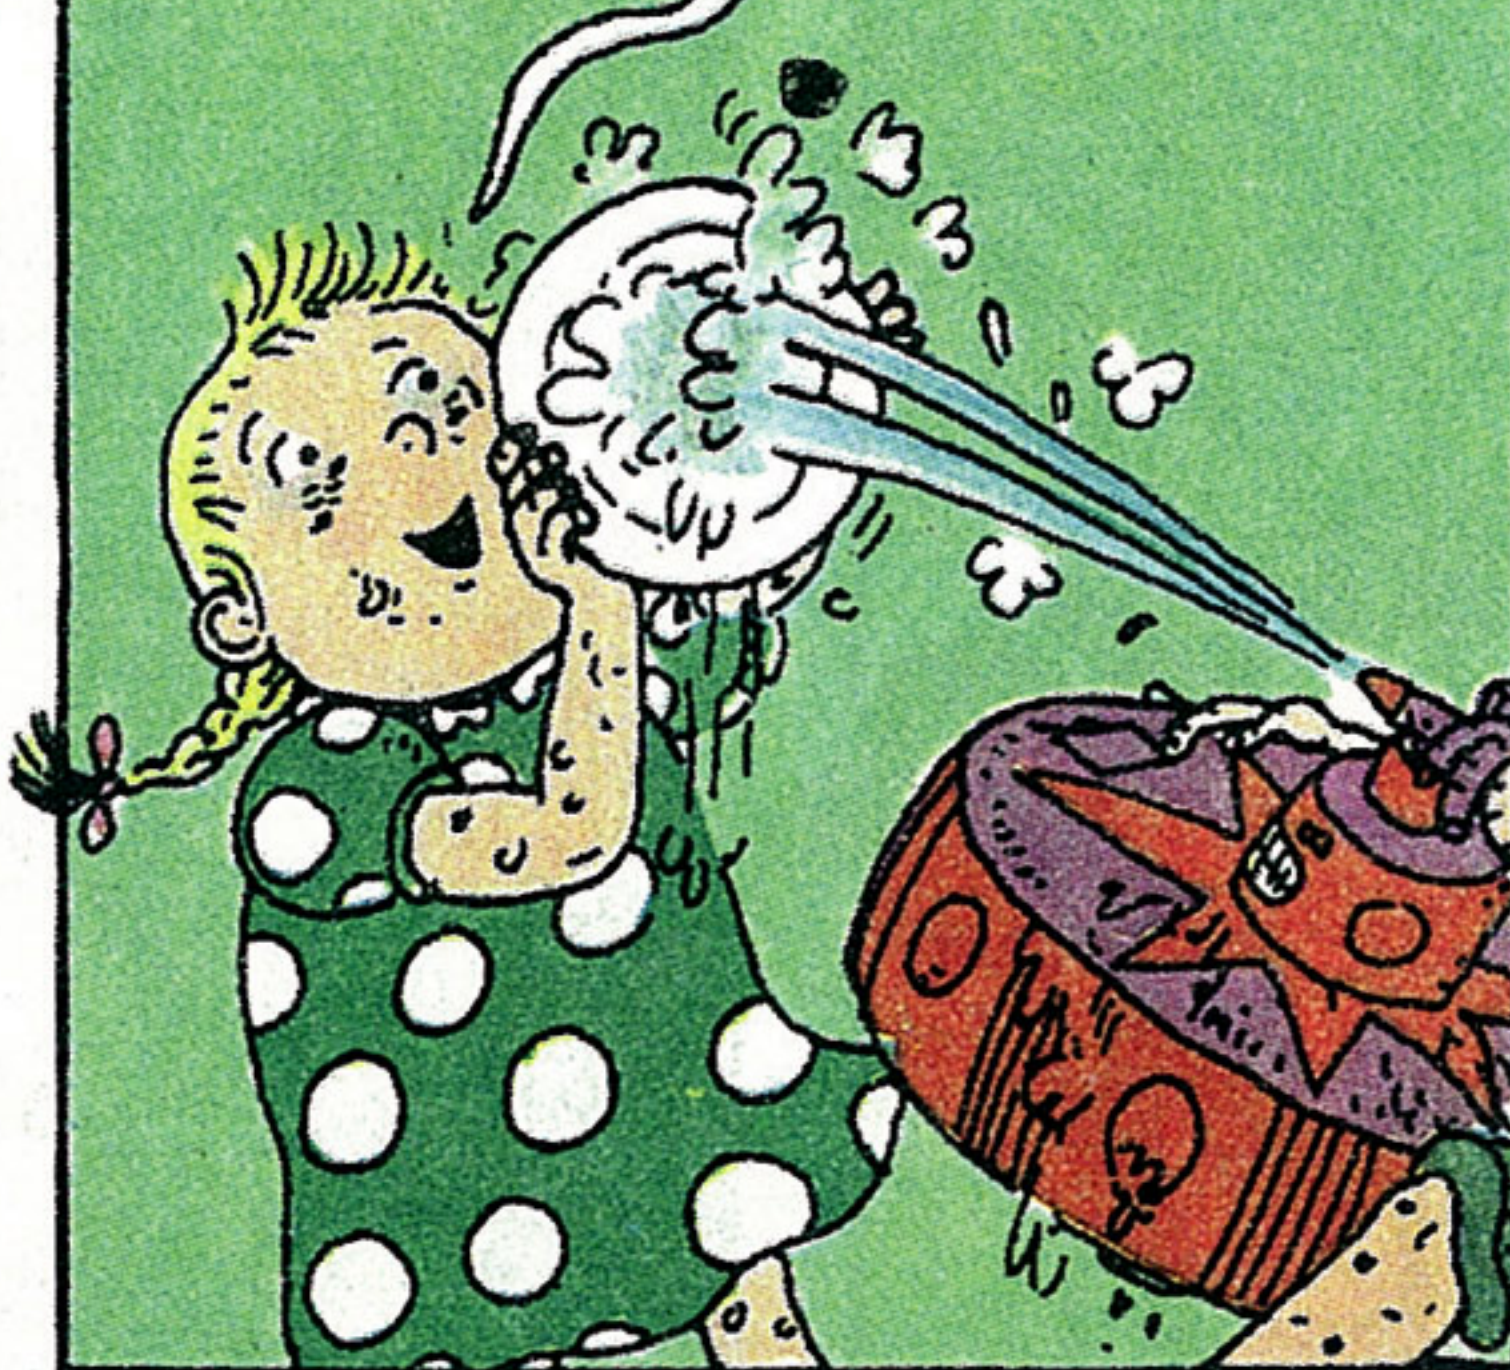

Regarde! Avec le vaisseau on va faire toute la vaisselle!

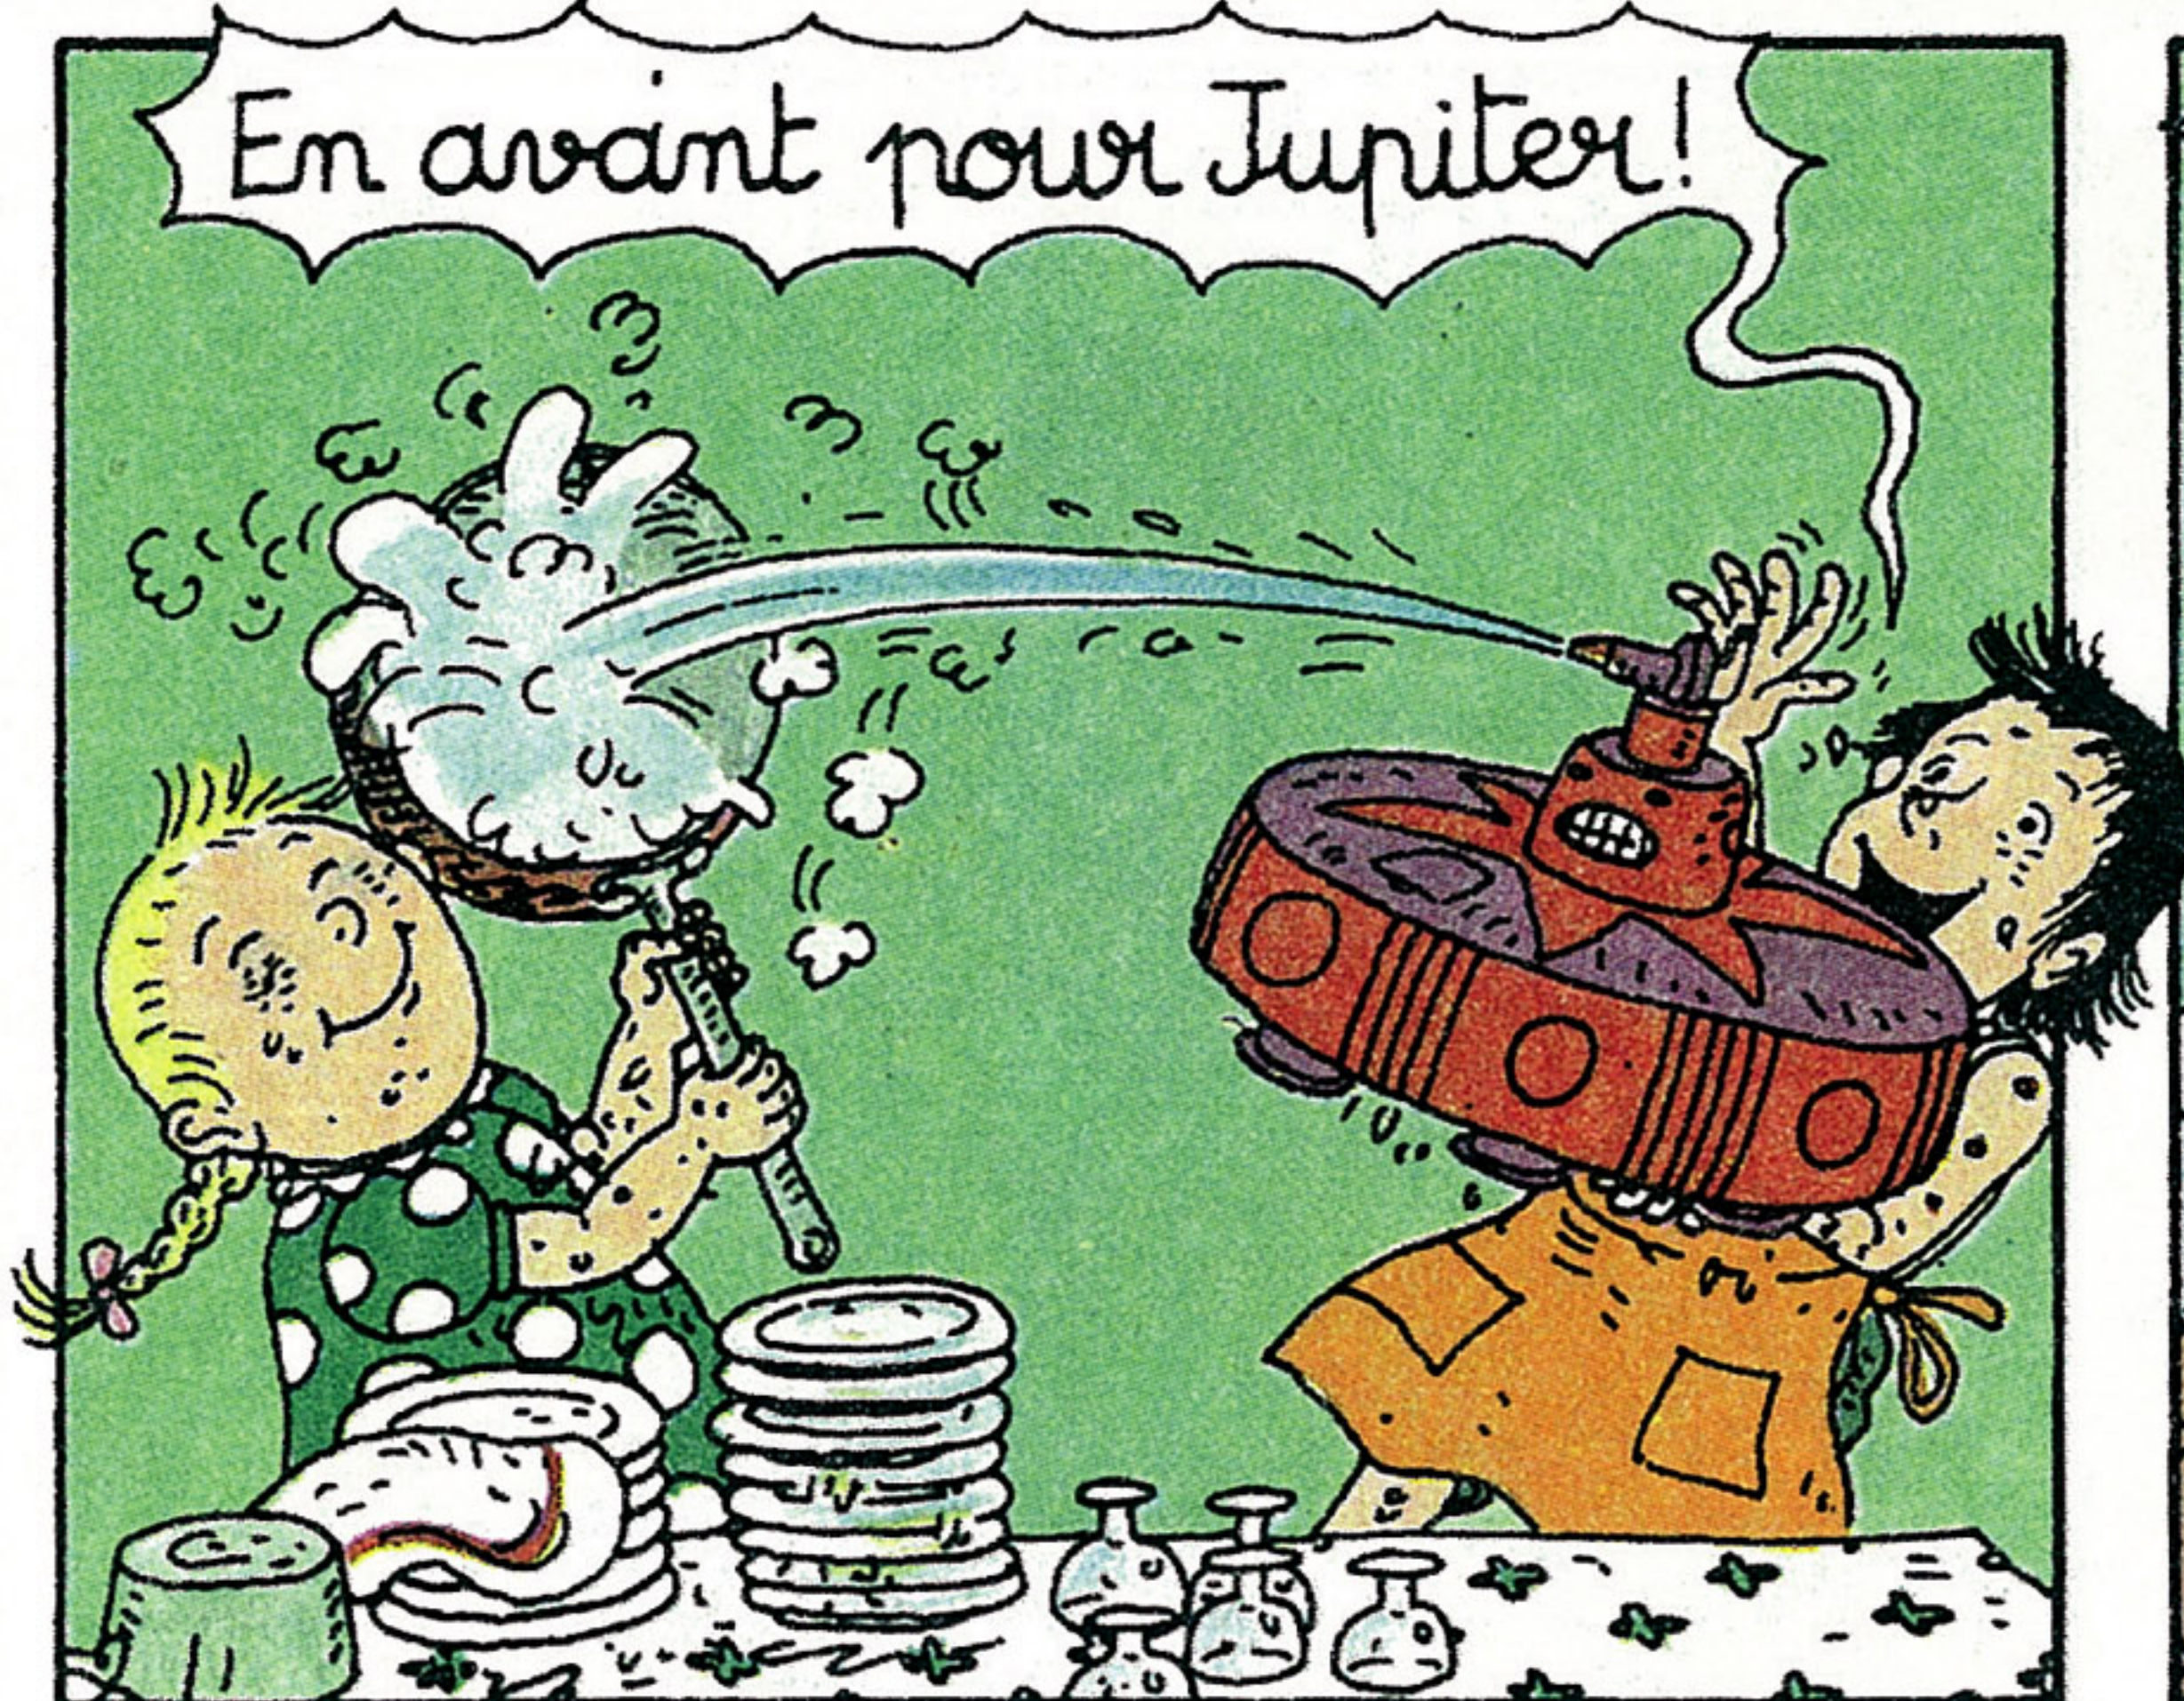

Visse la planète Mars!

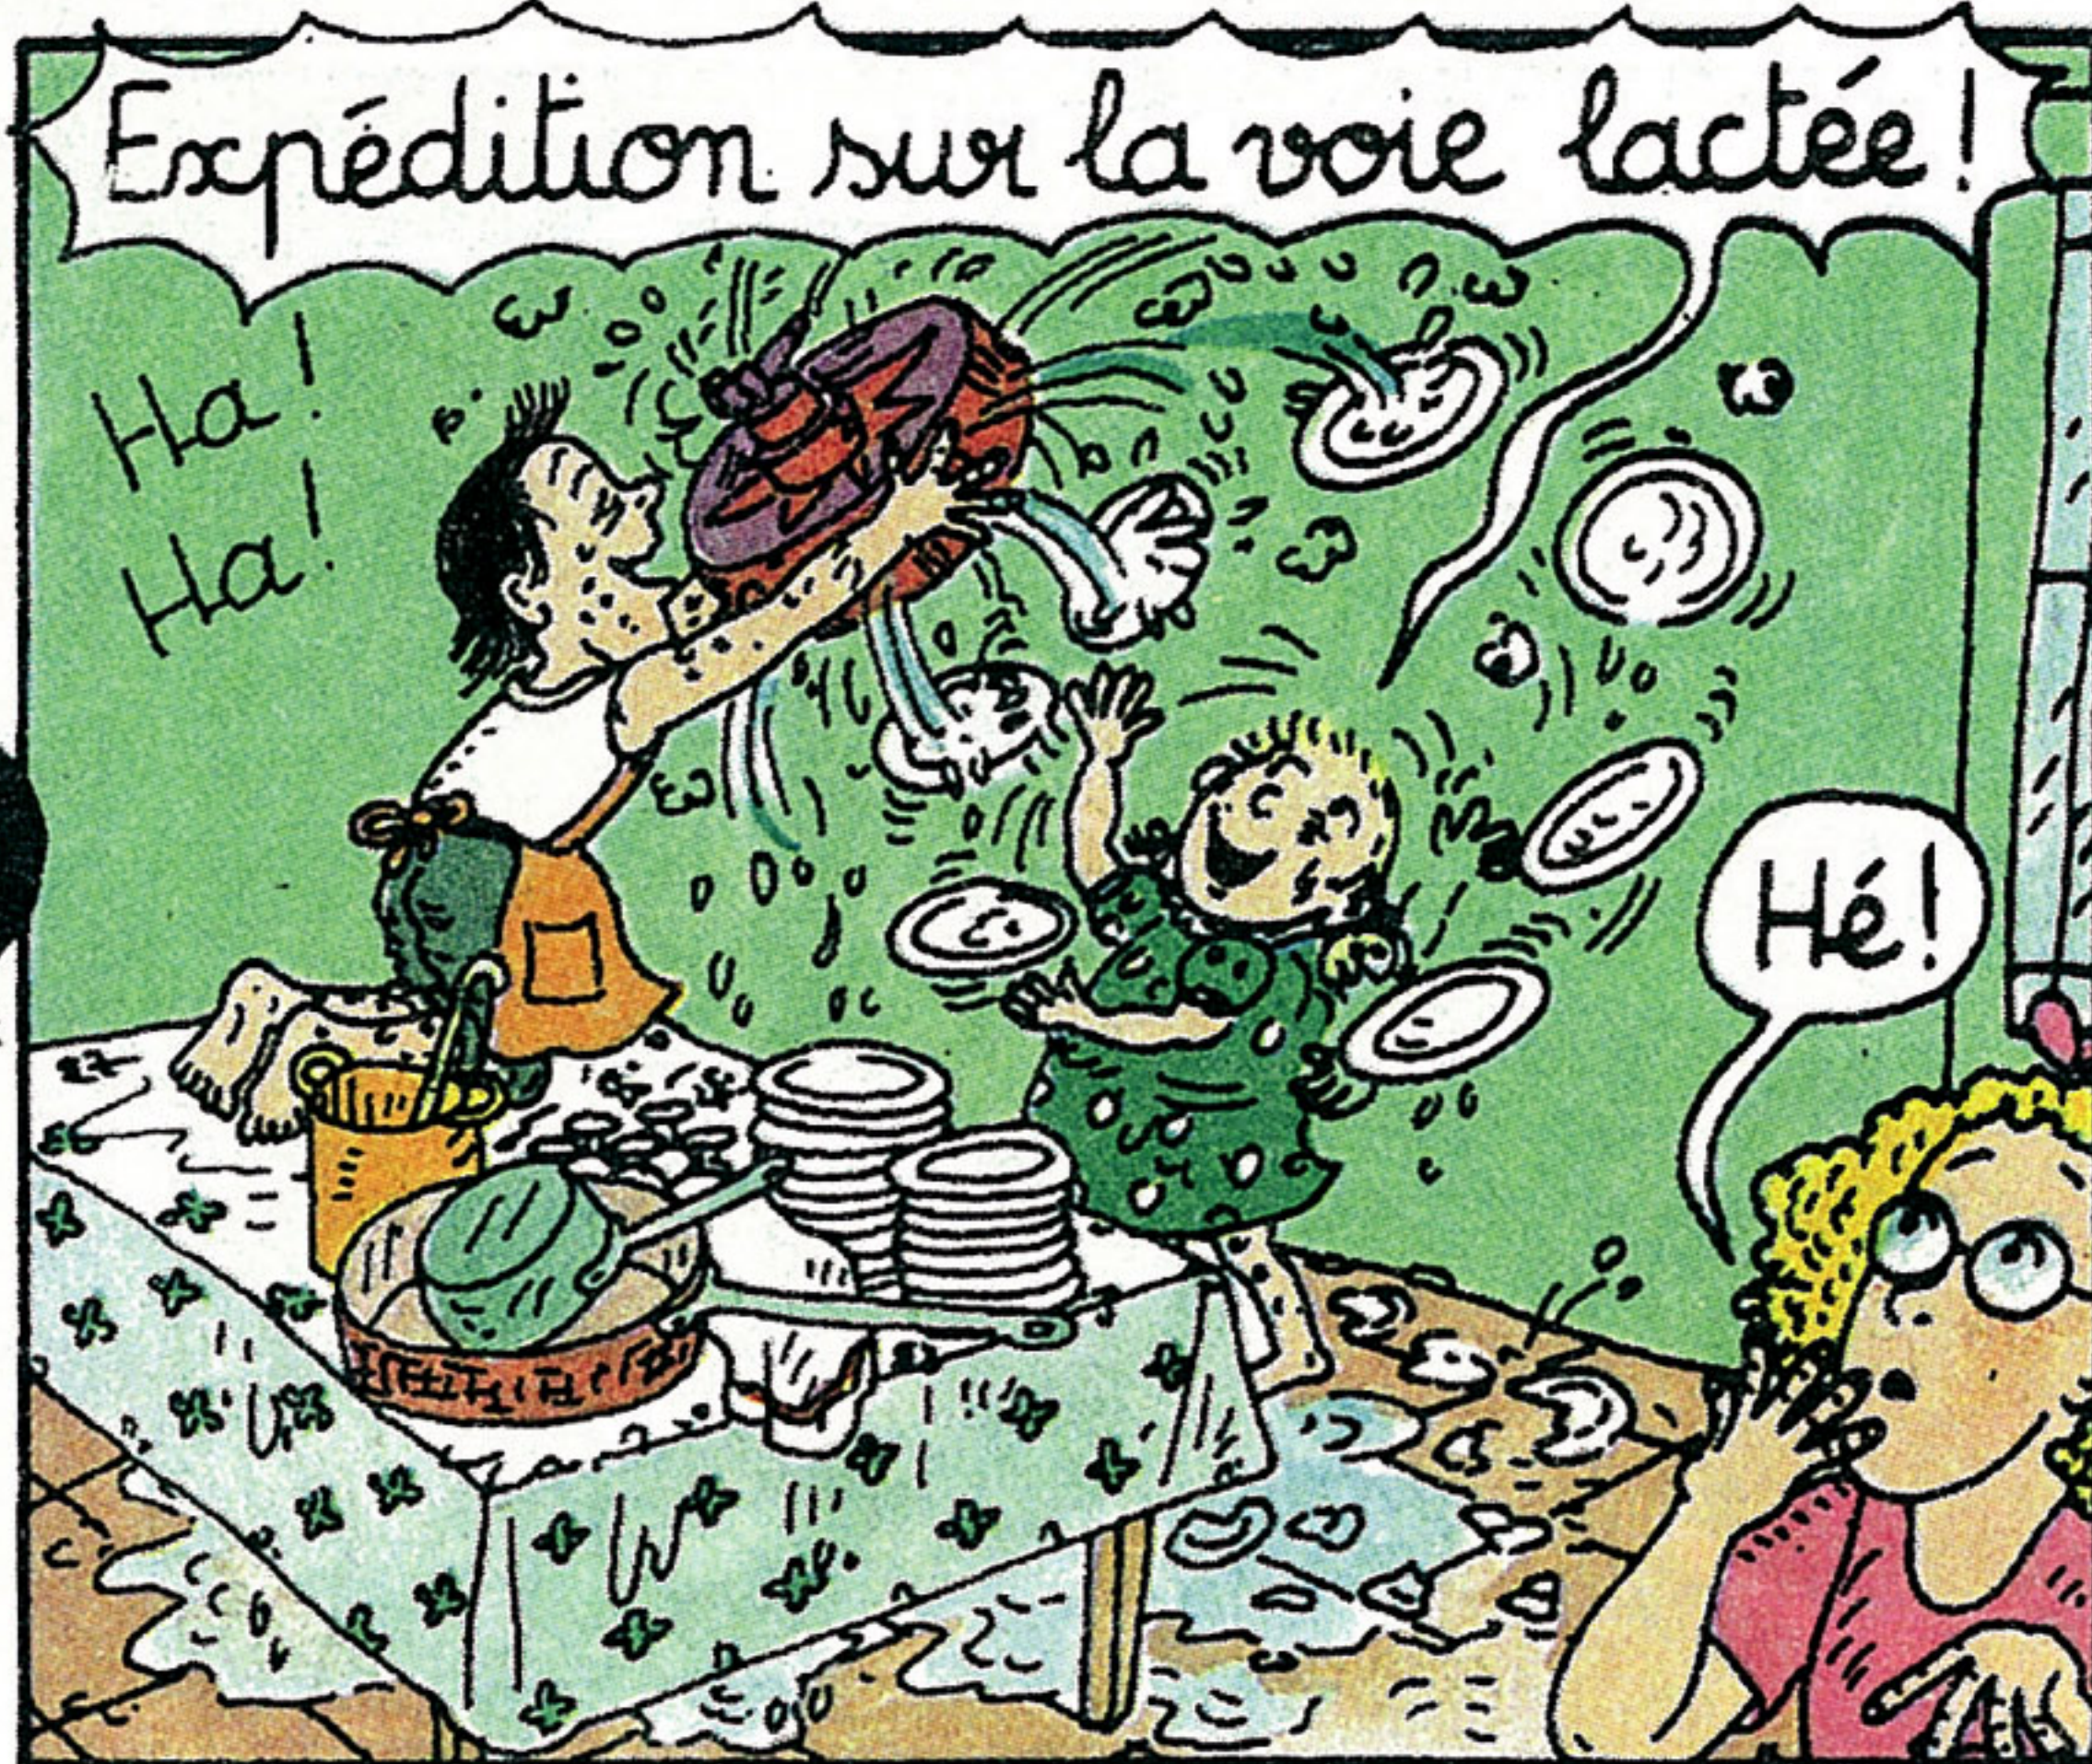

Fantastique, on l'a toute dévastée!

En avant pour Jupiter!

Expédition sur la voie lactée!

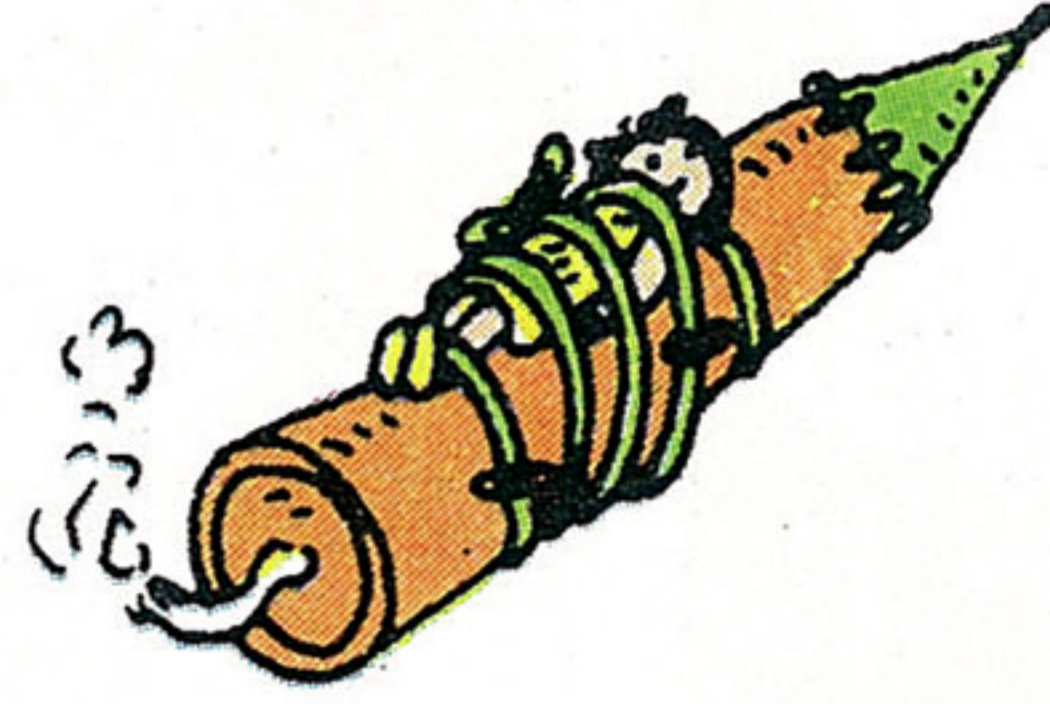

Attention! Je lance mon rétro flotteur!

Il ne faudrait pas oublier d'être malade ce soir...

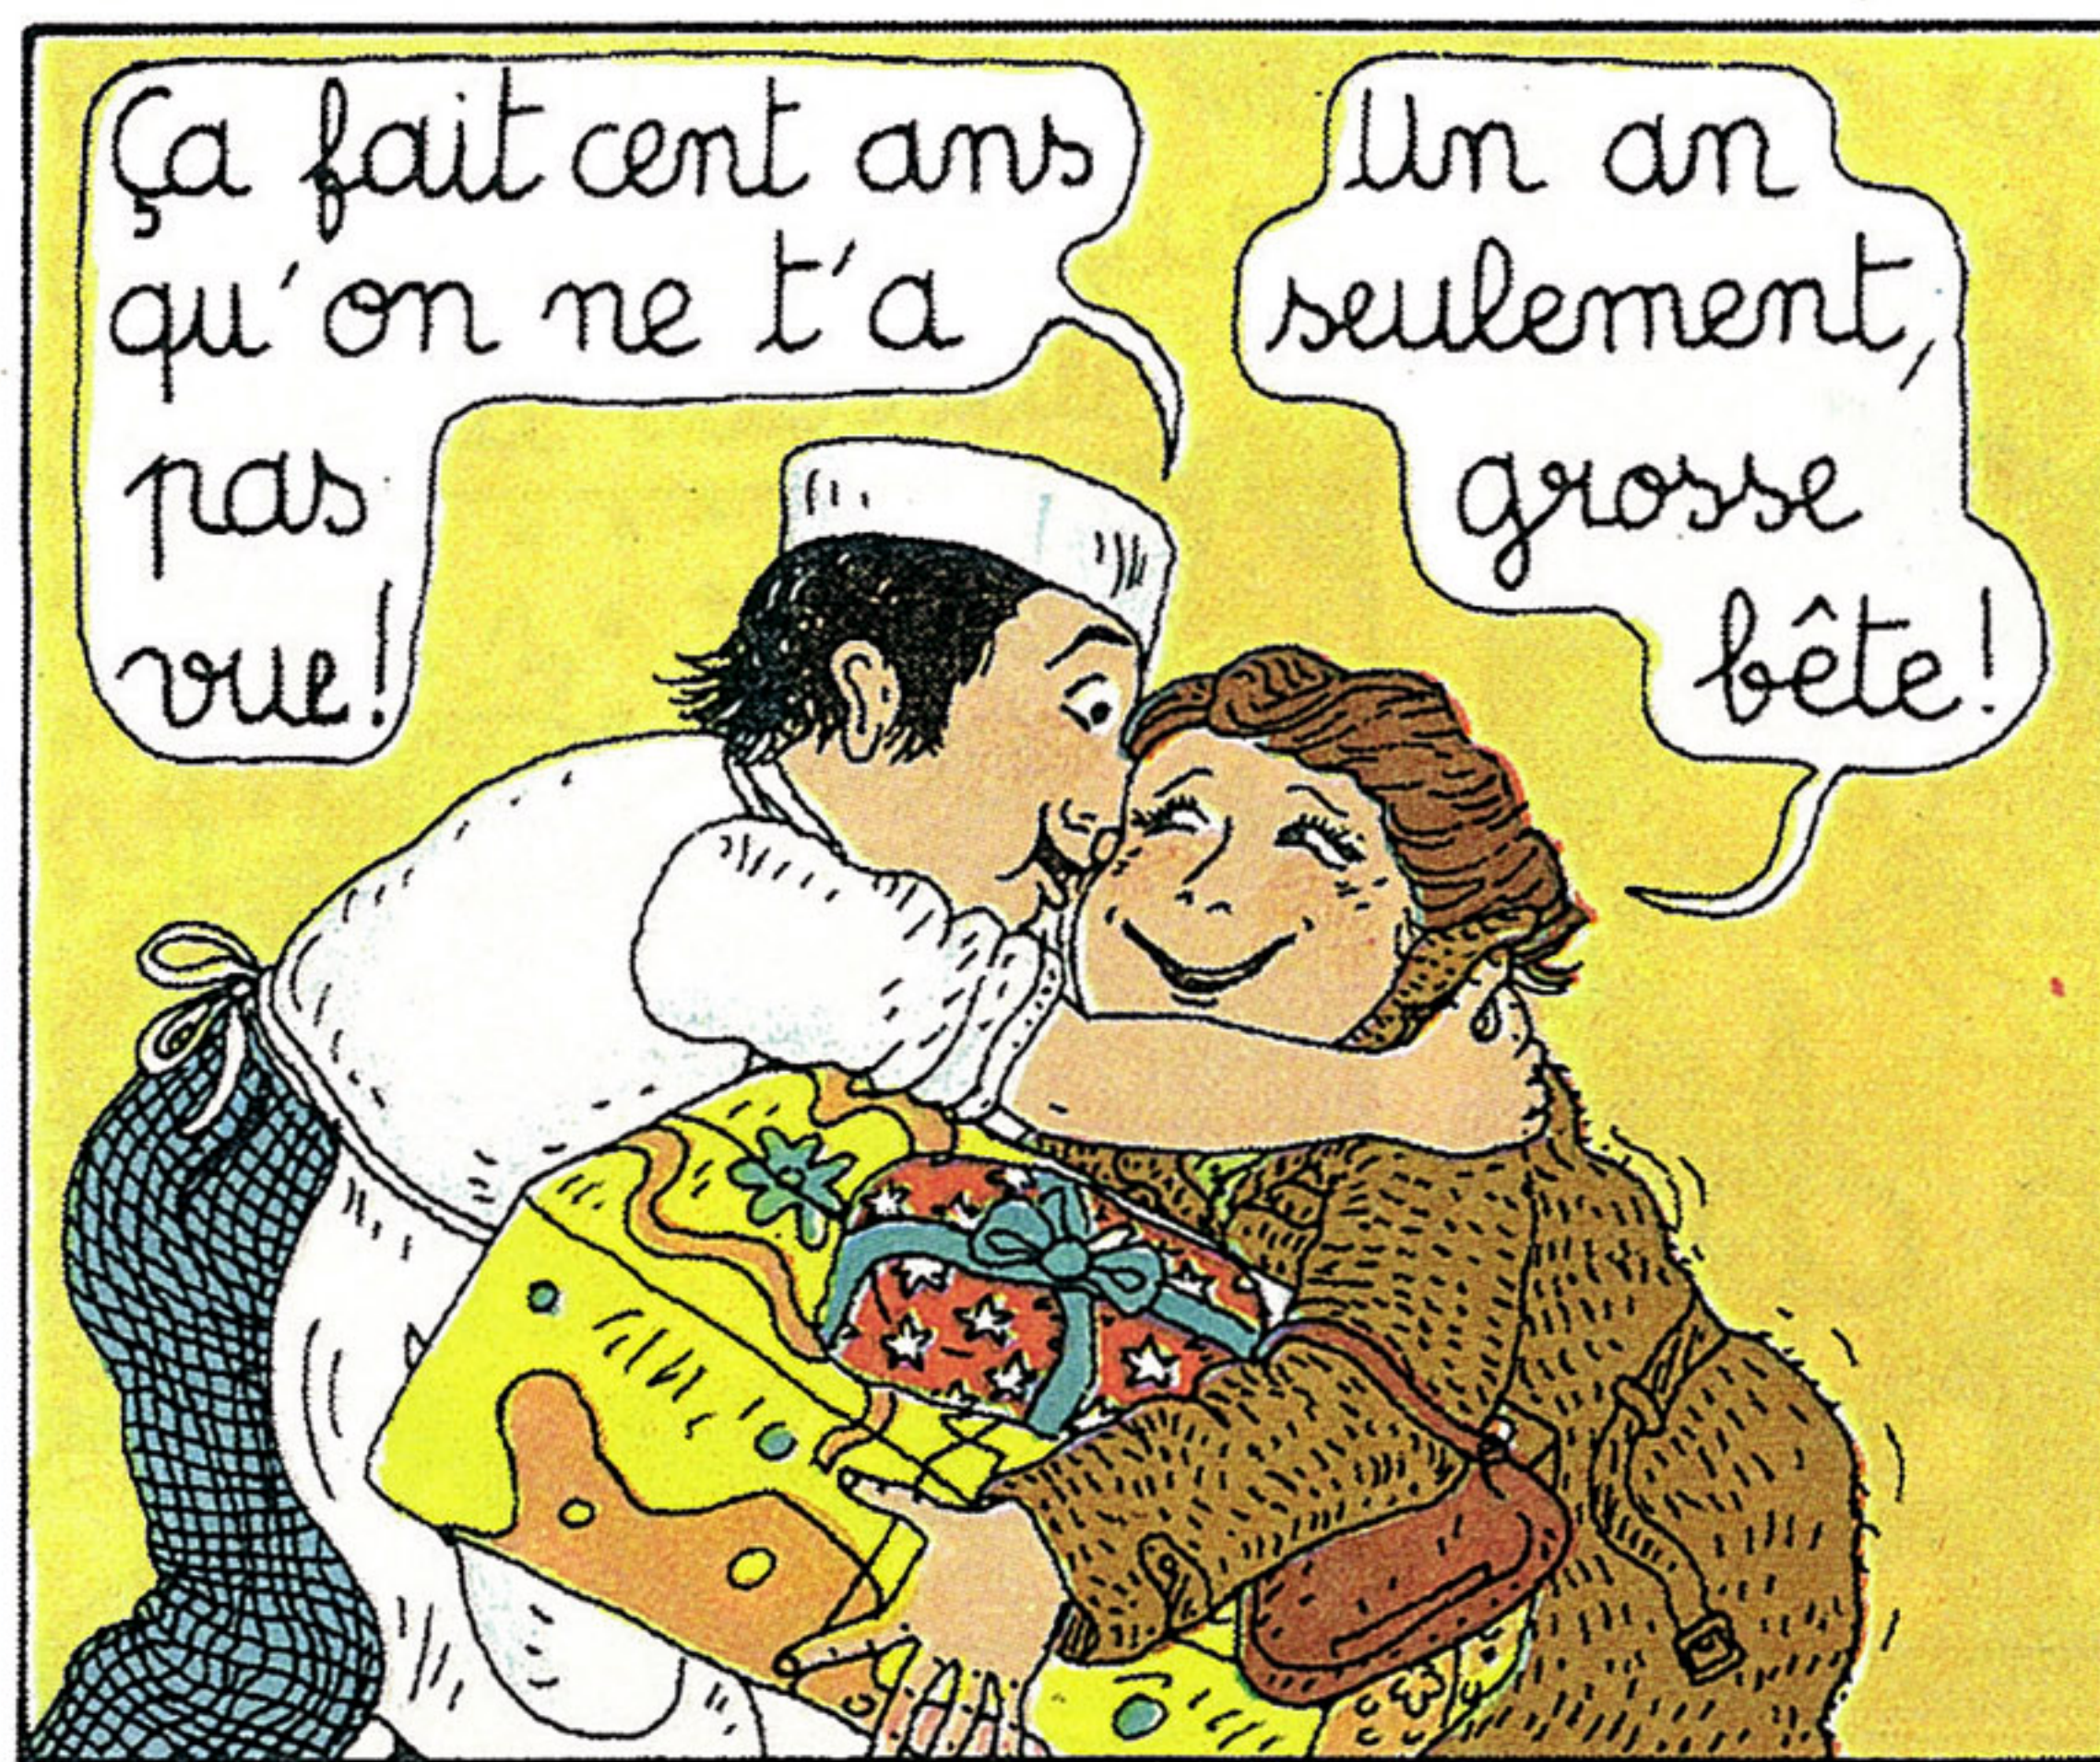

FIN

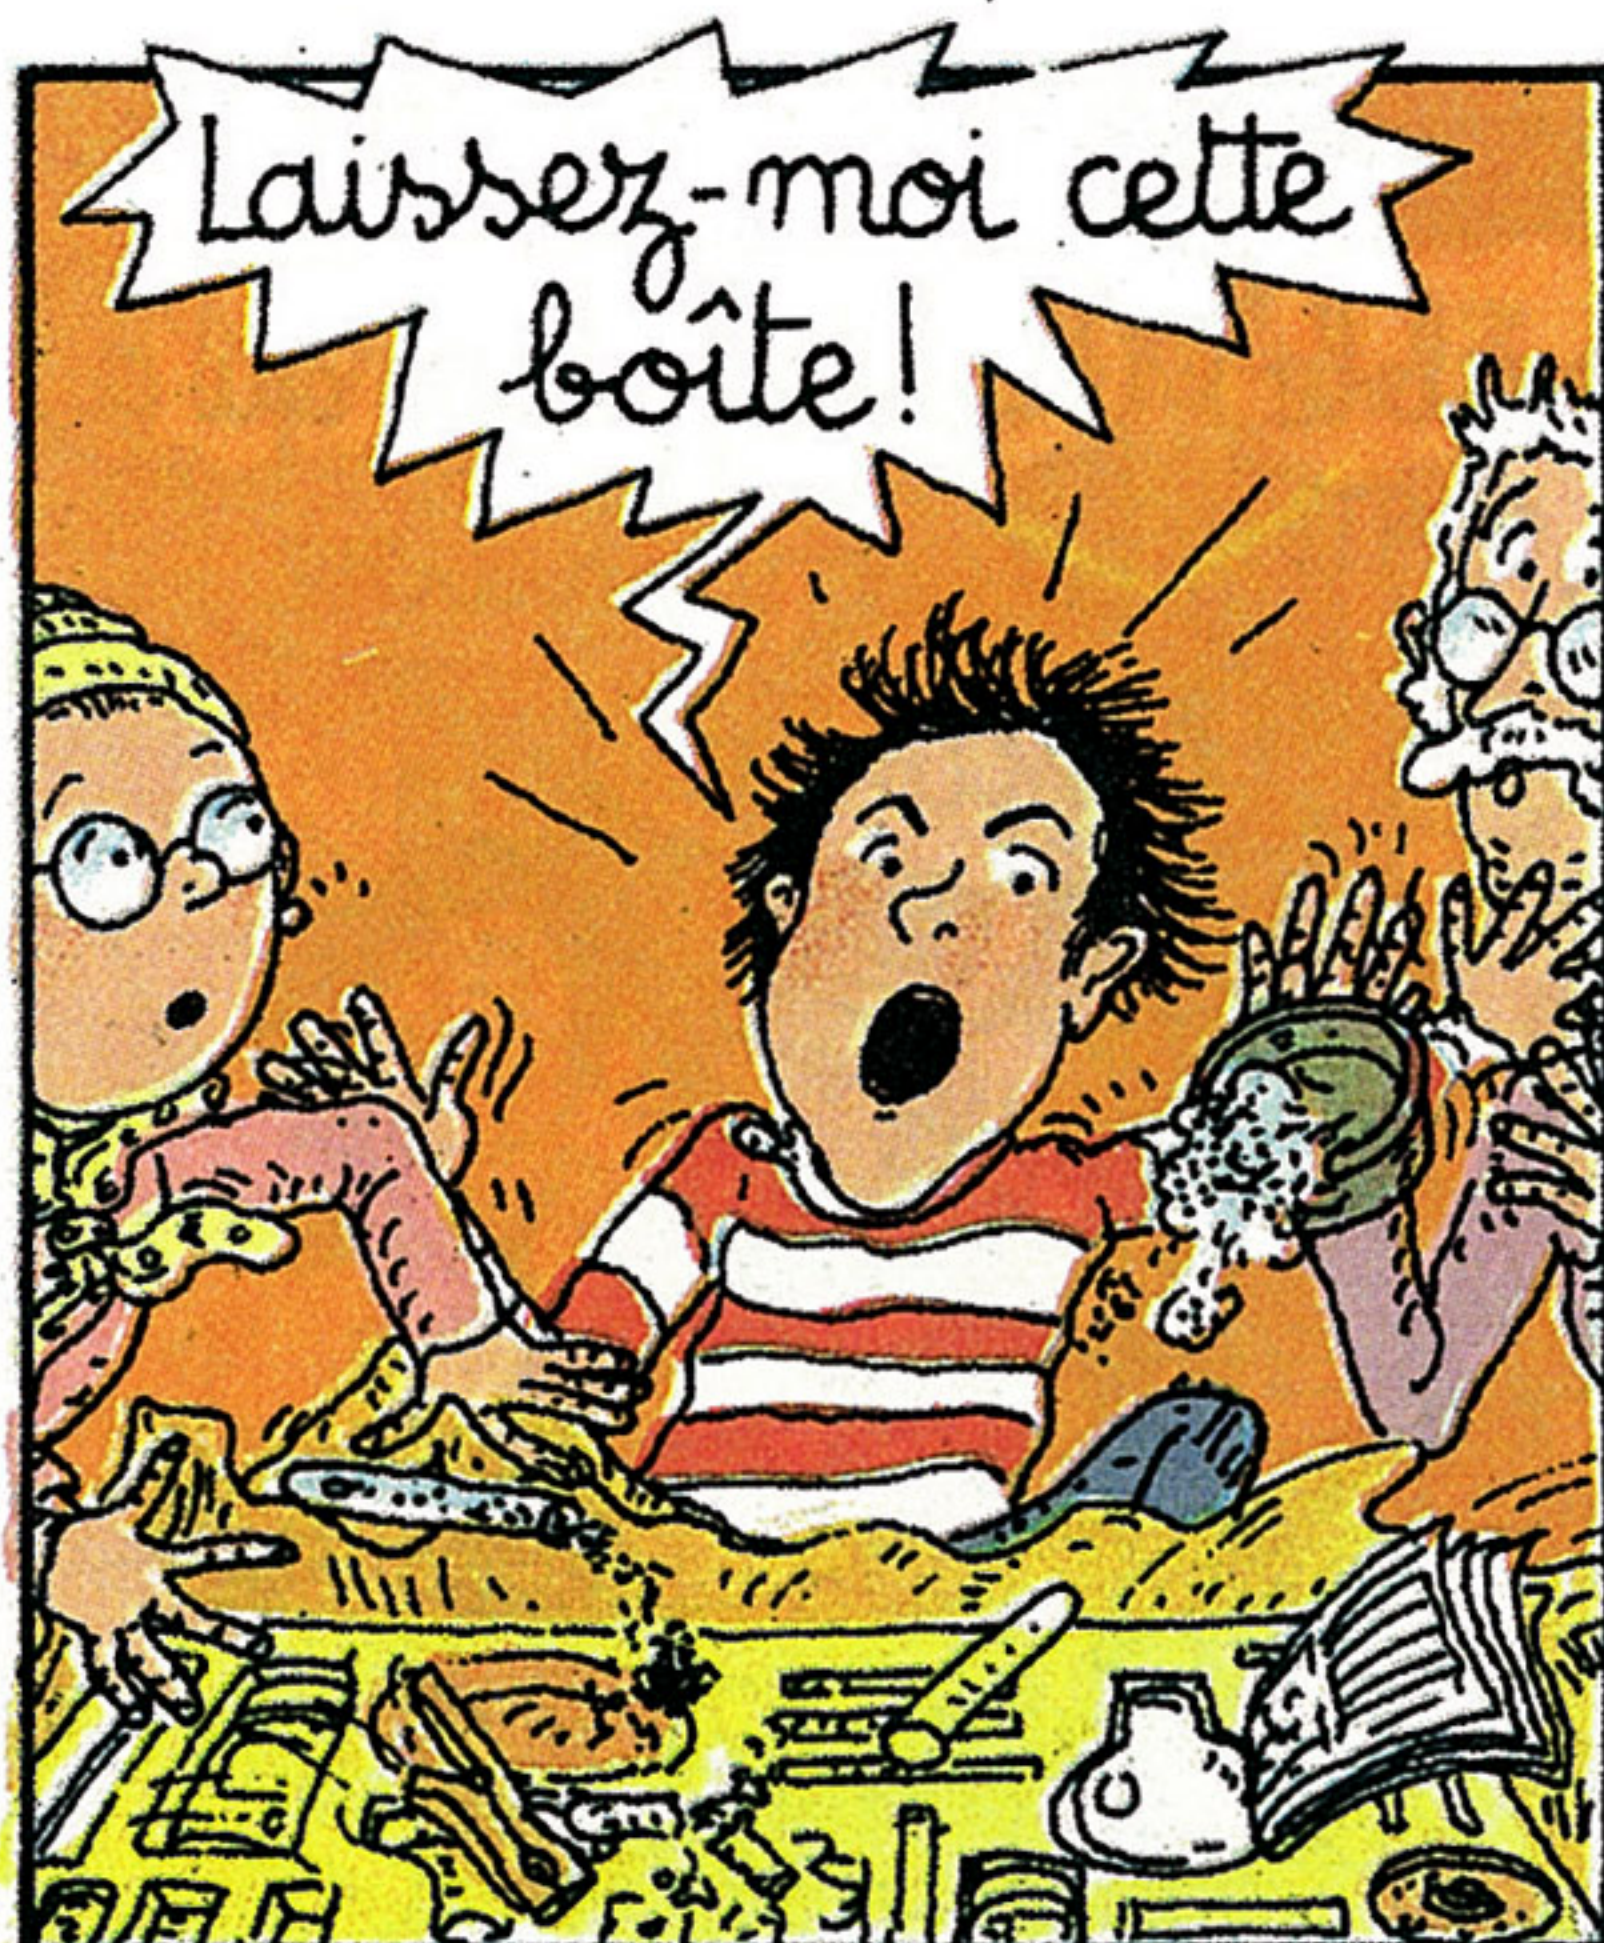

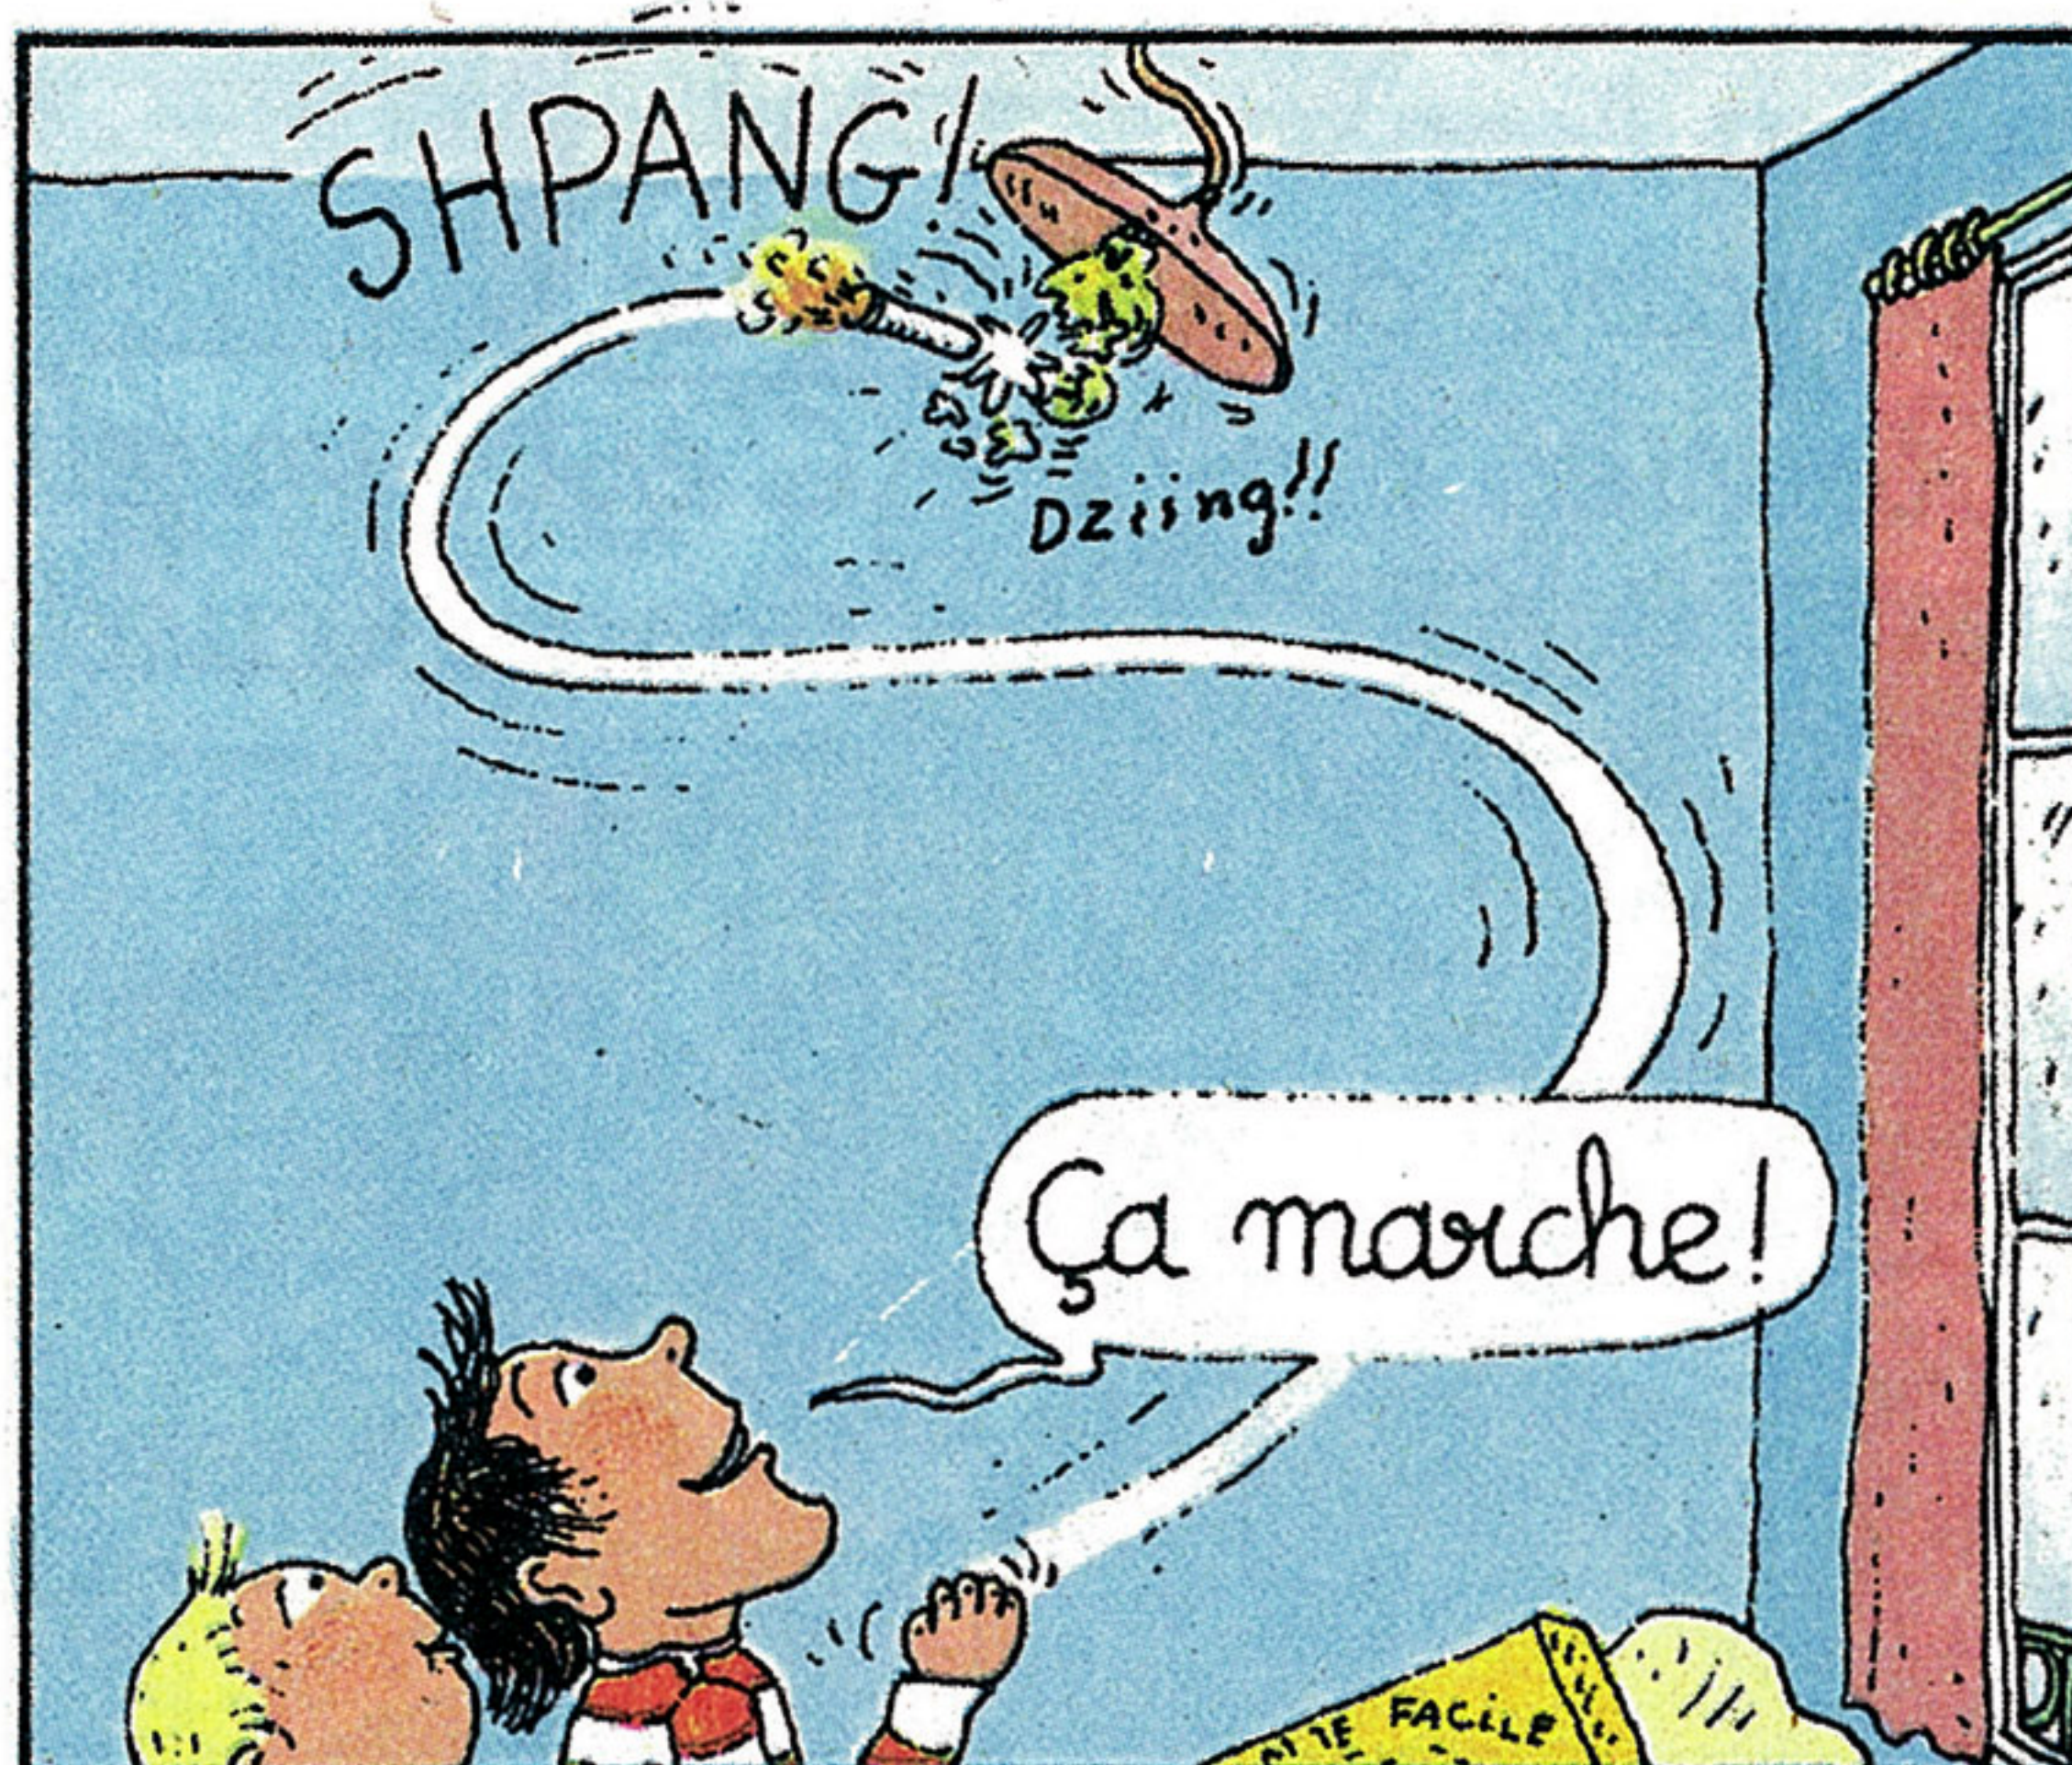

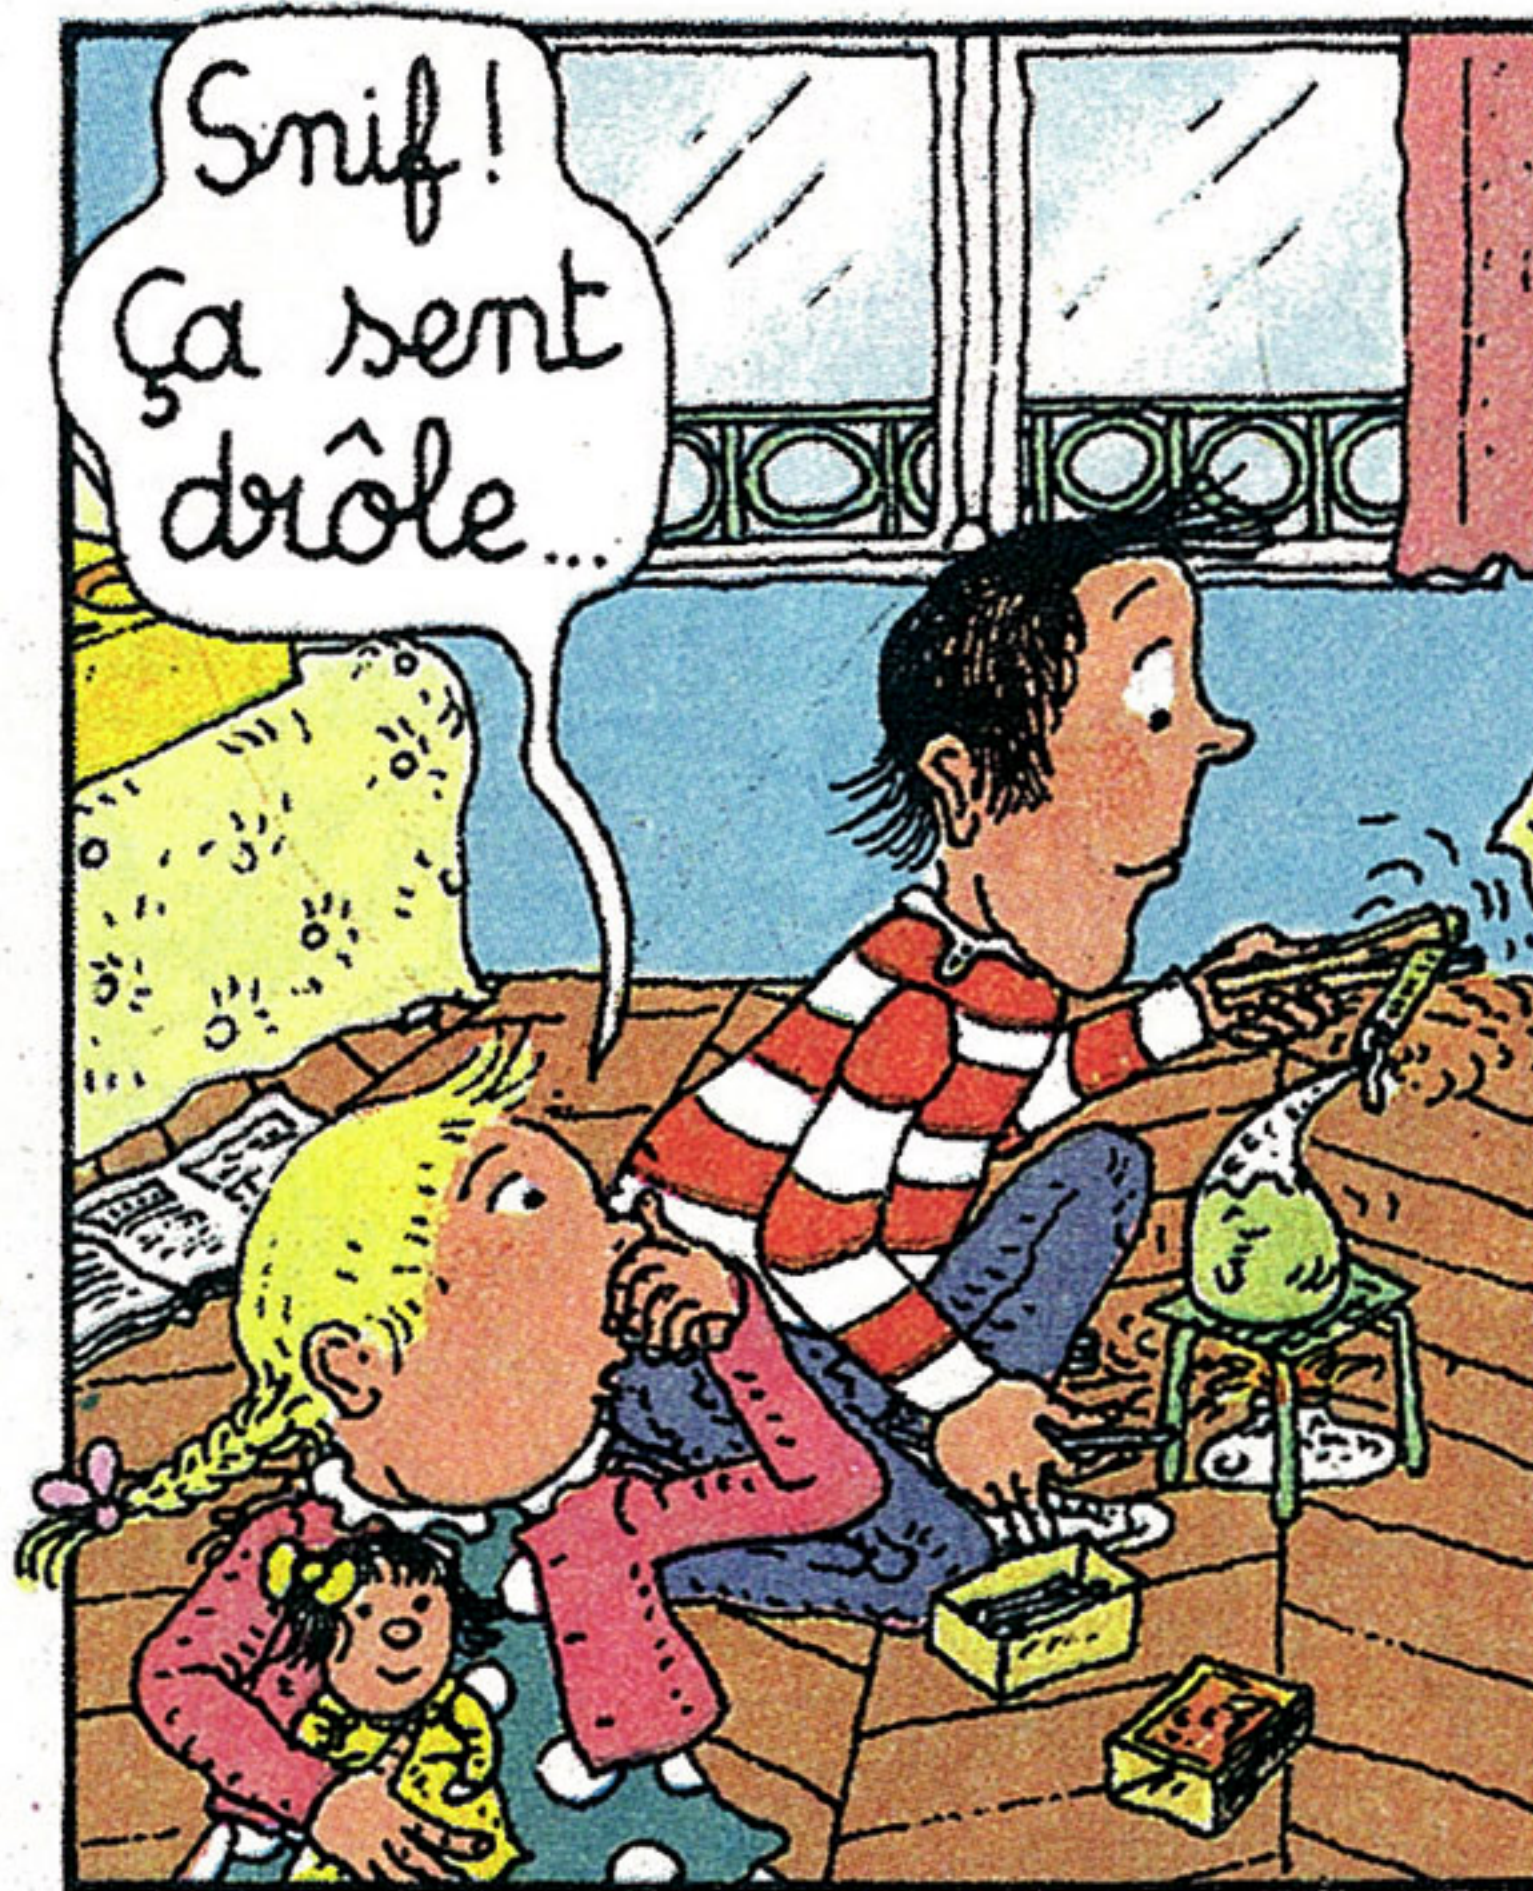

La boîte de chimie.

(70-1)

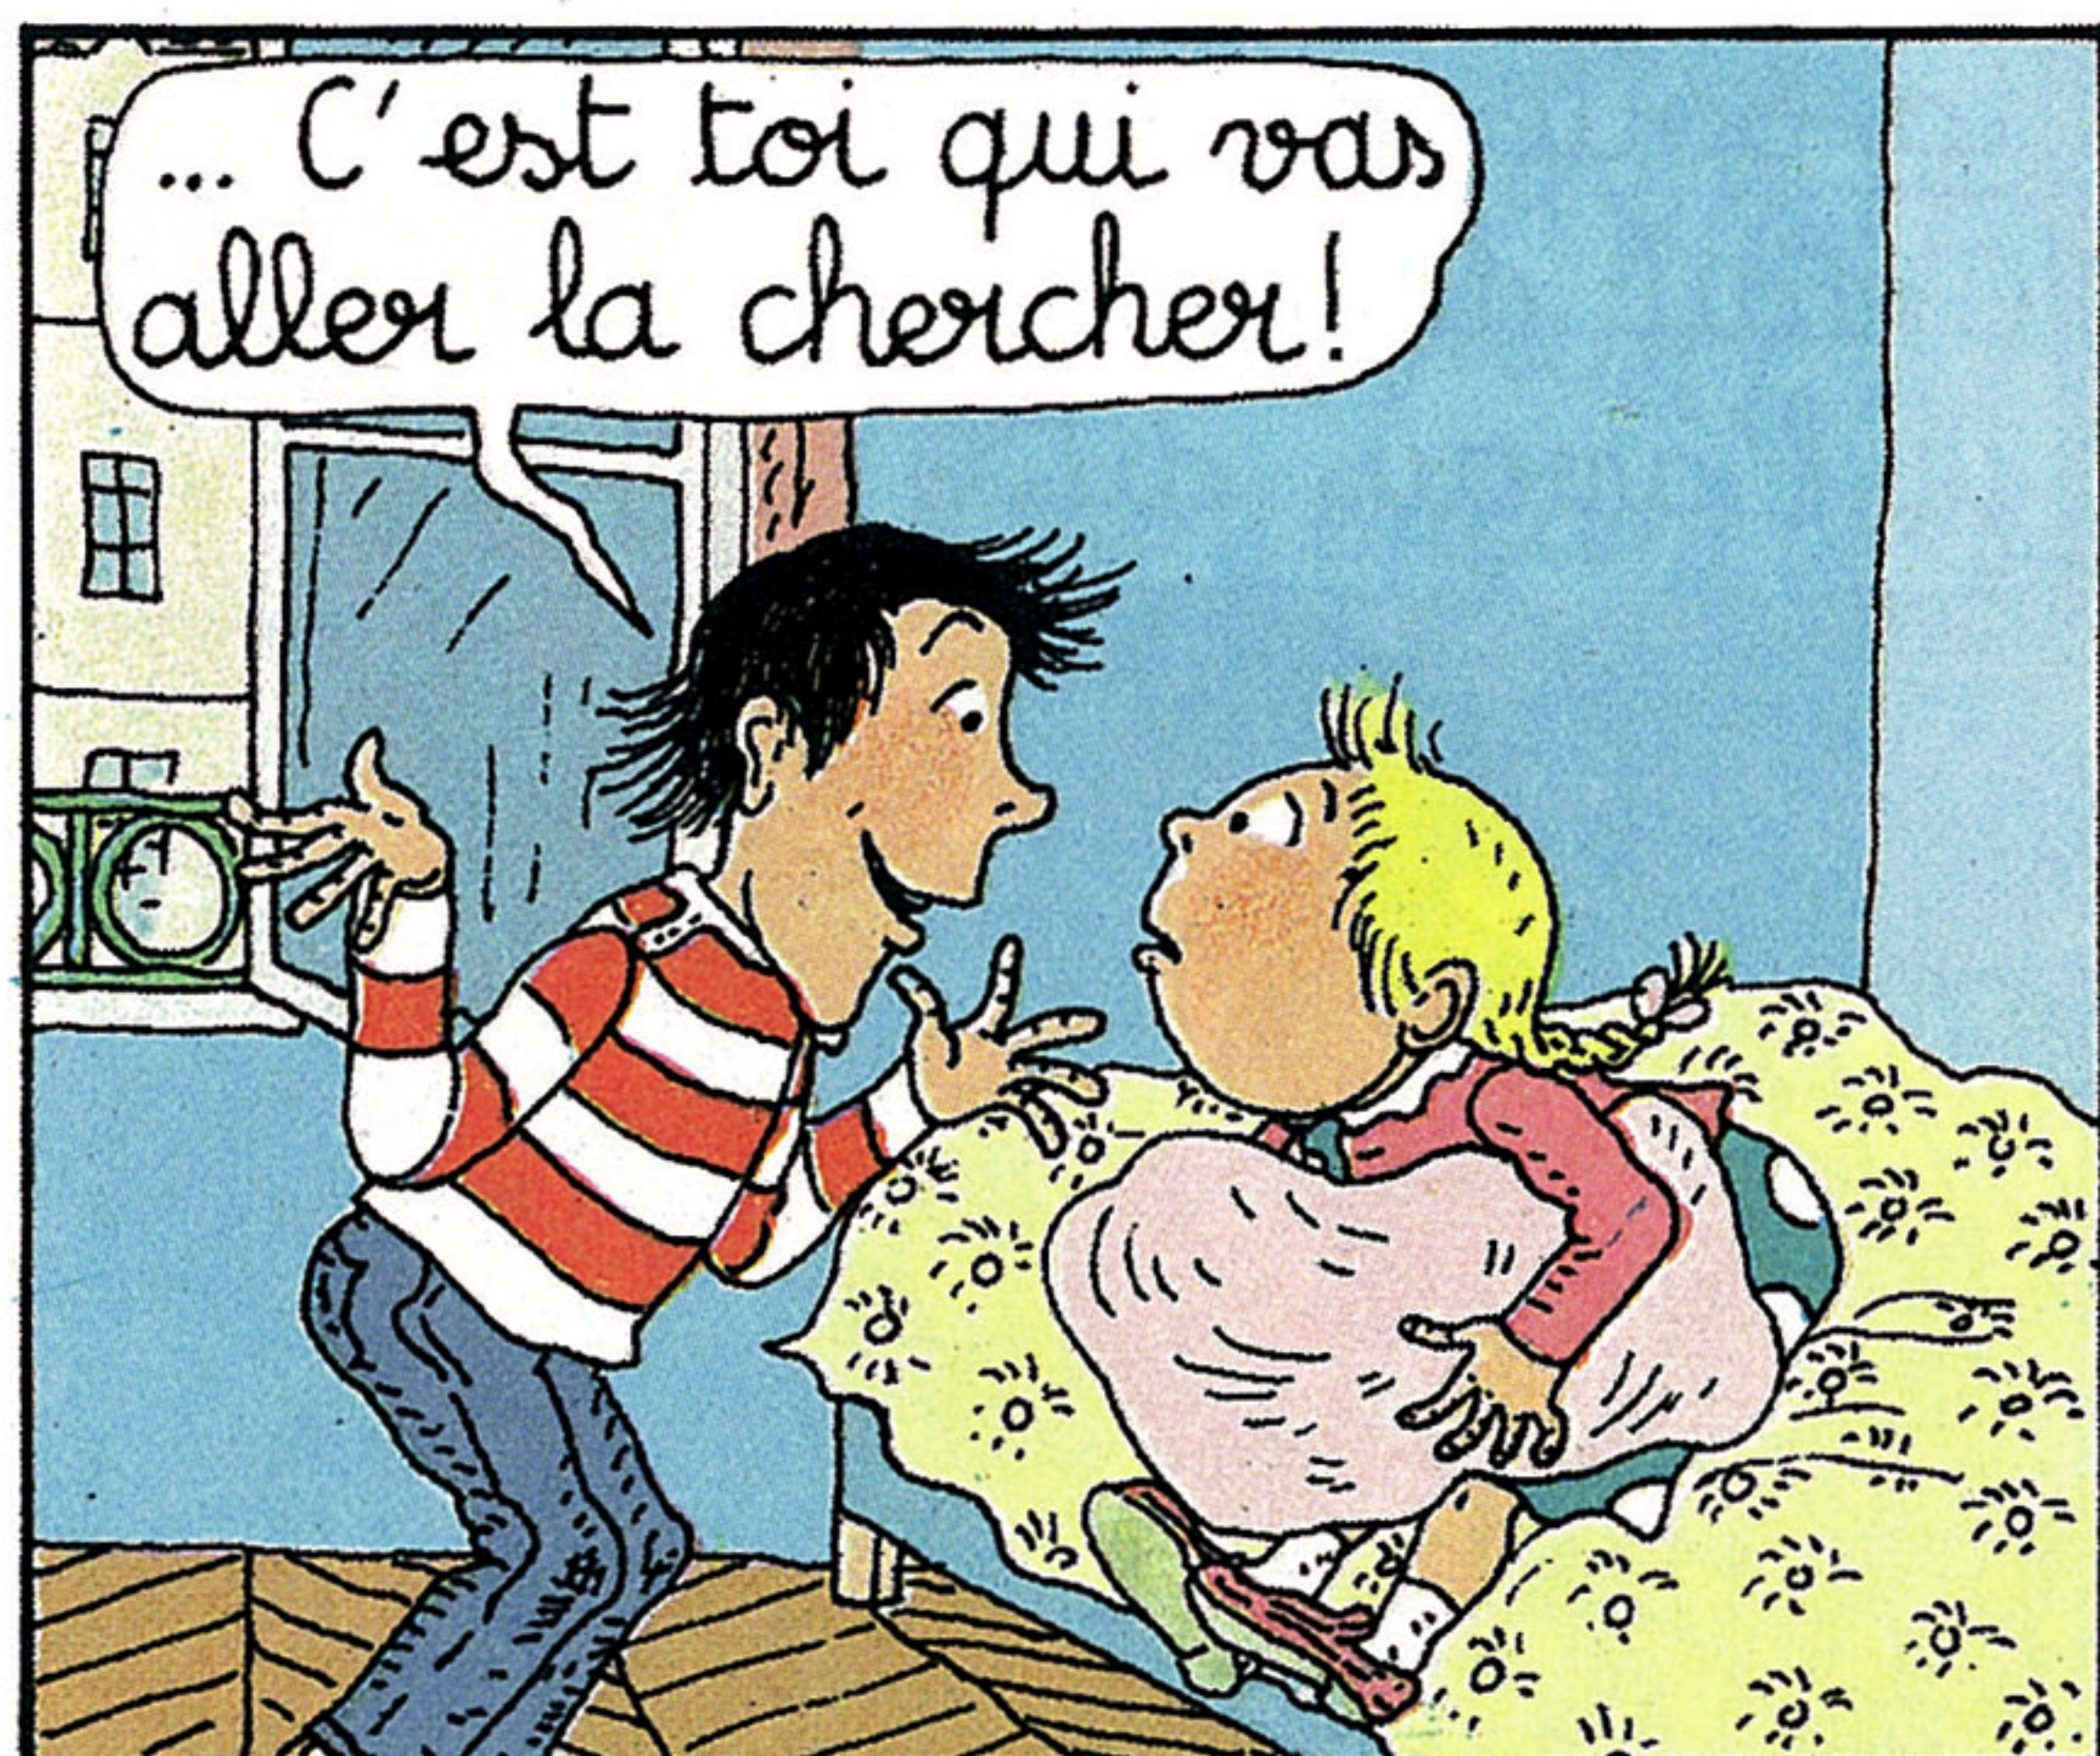

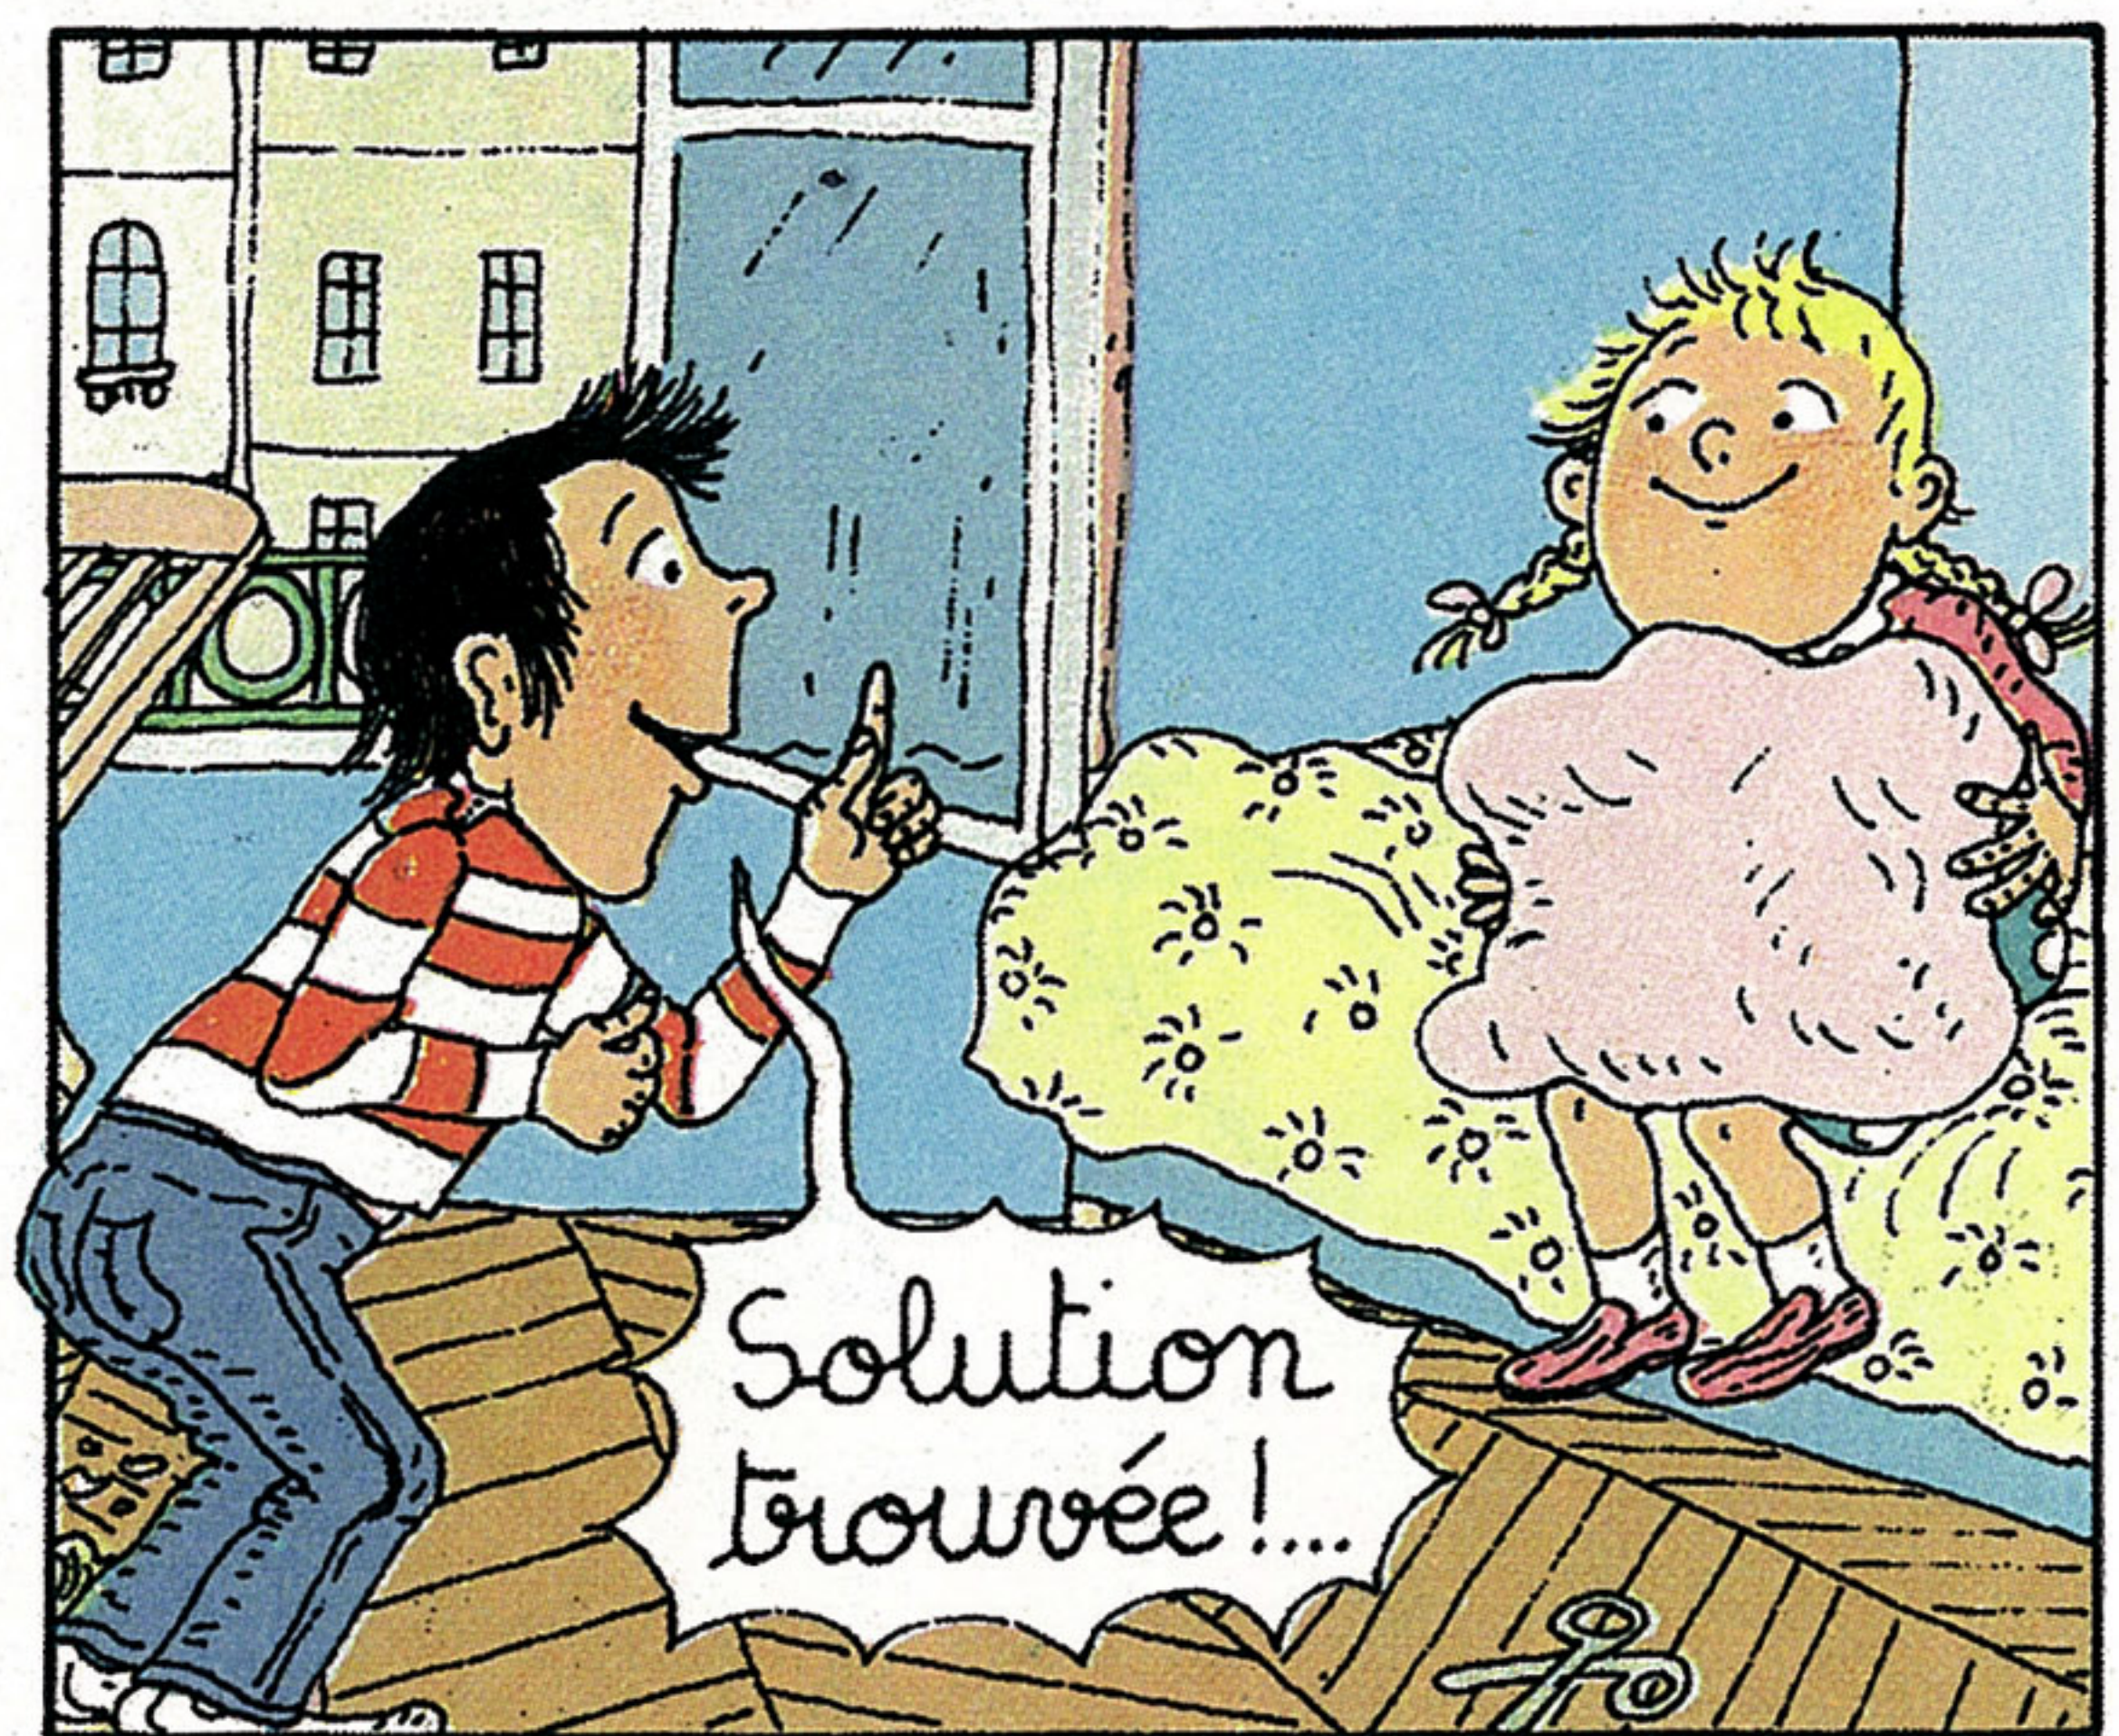

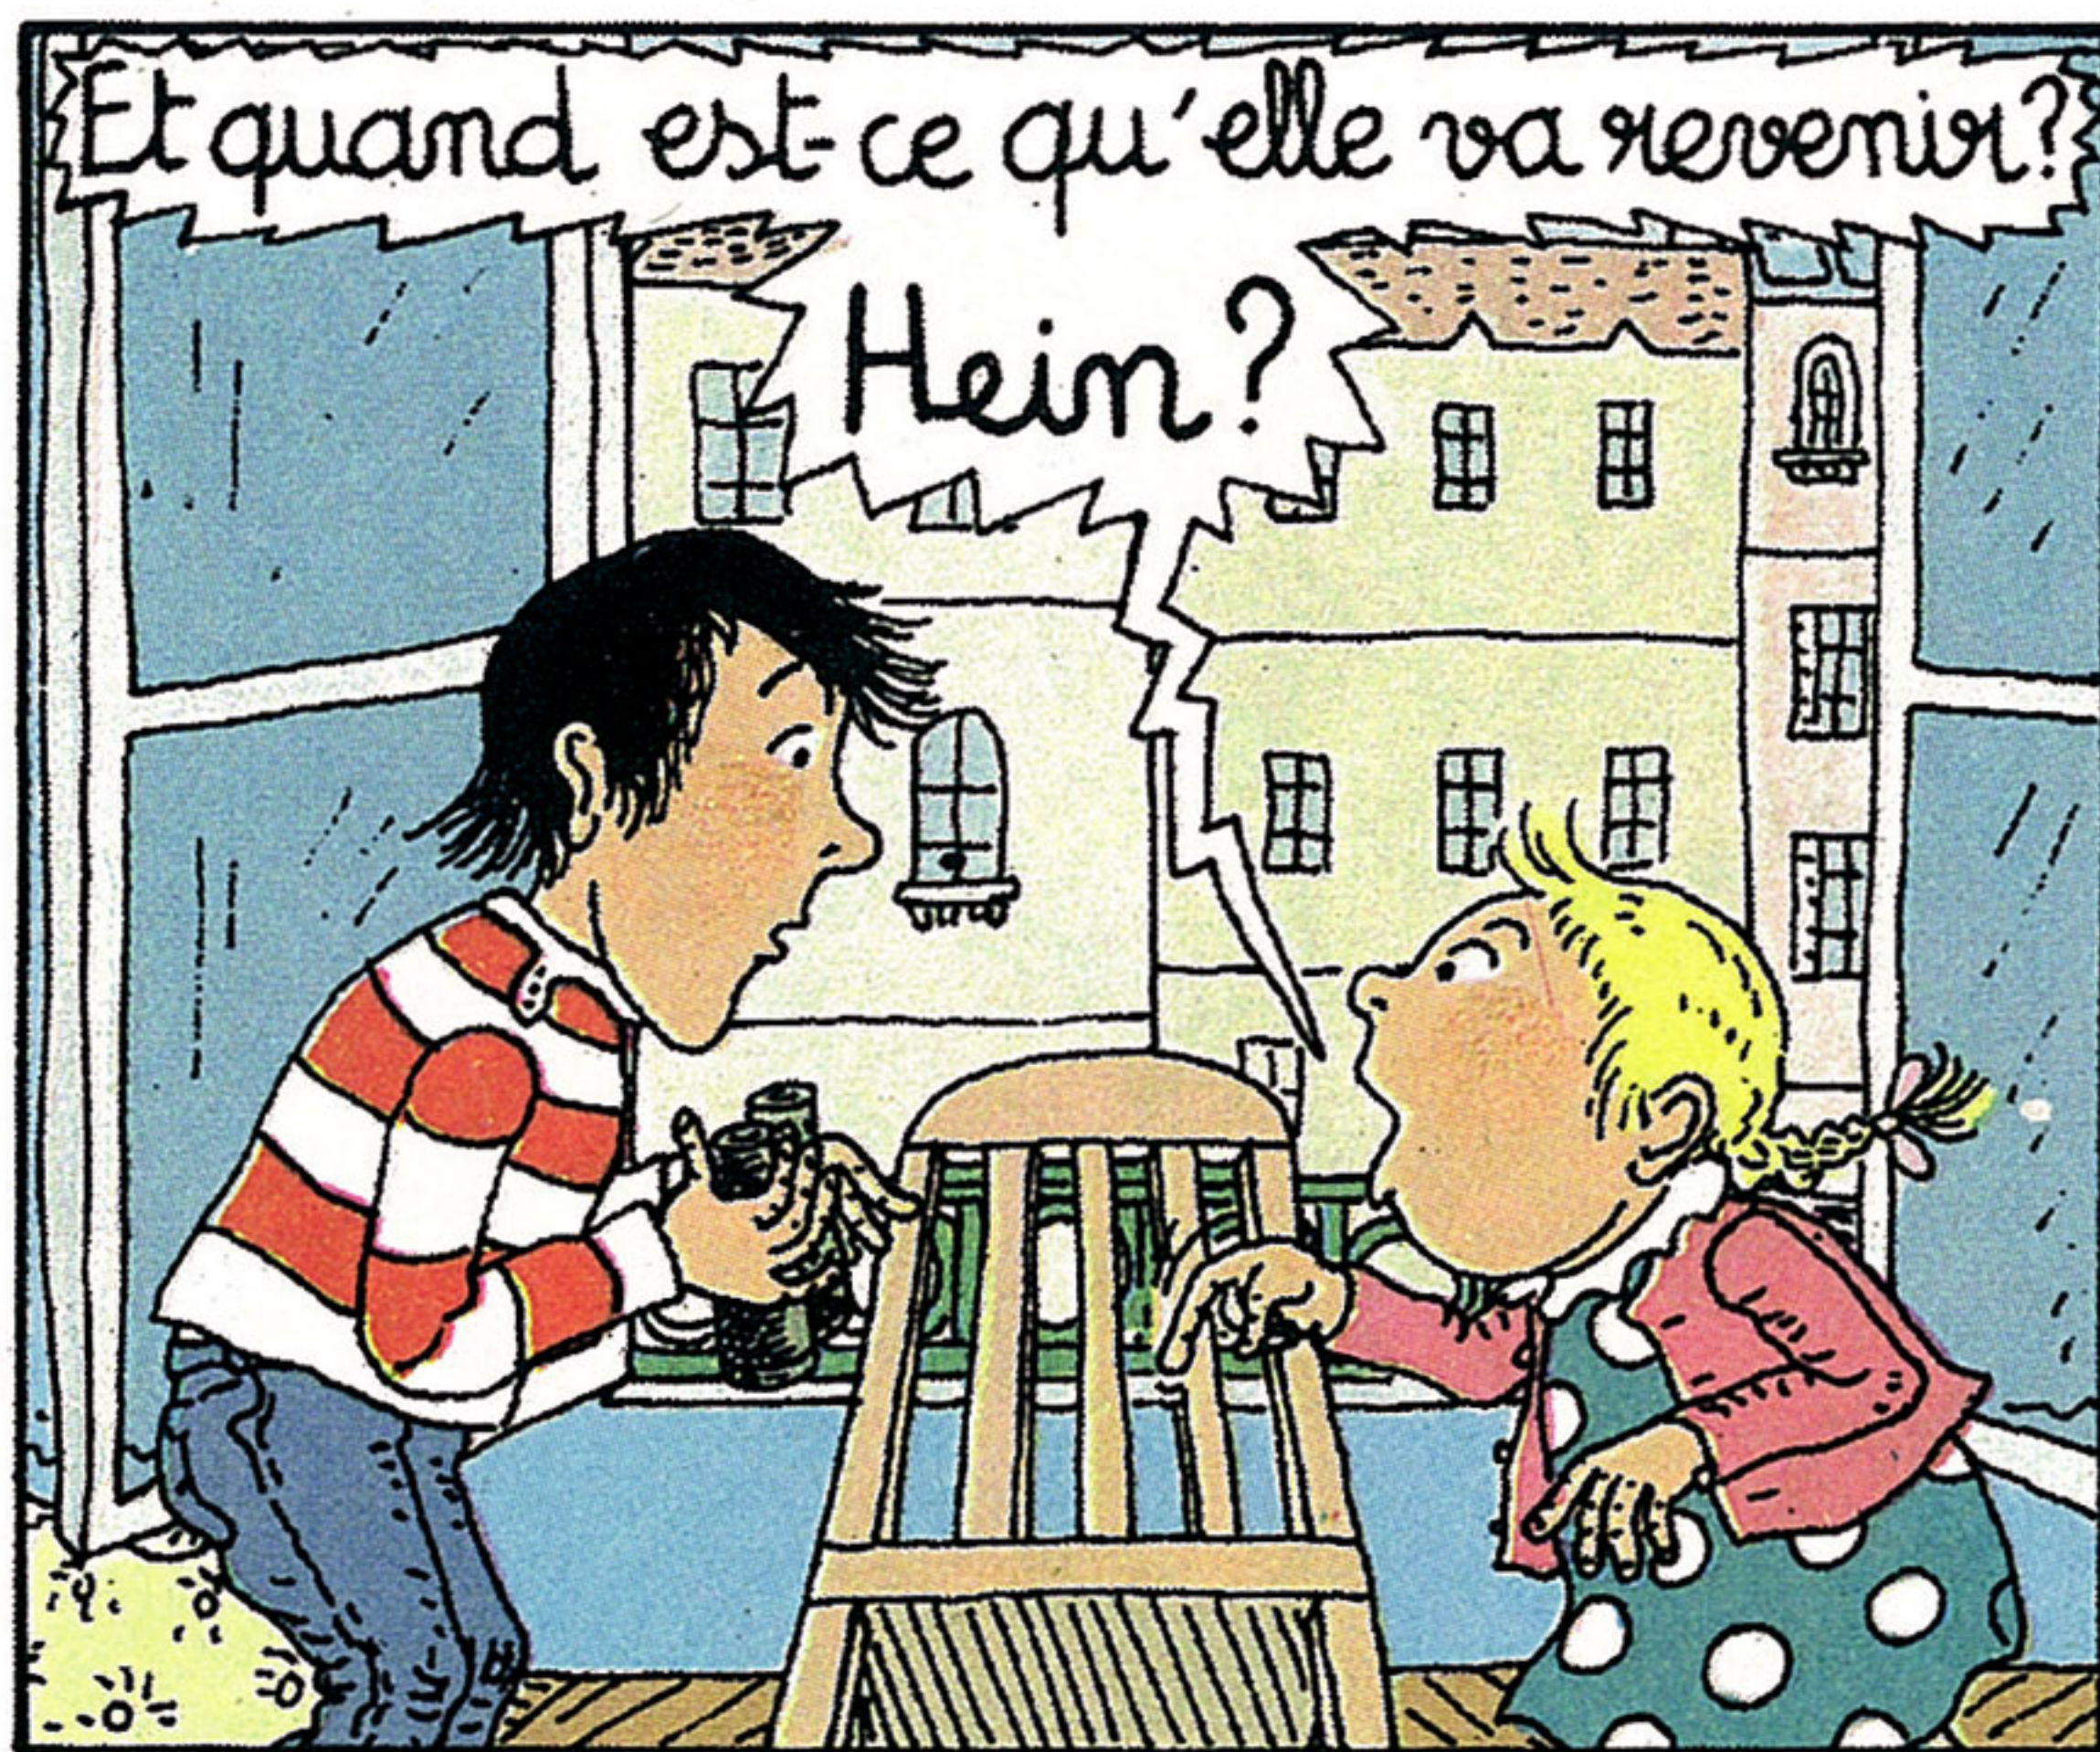

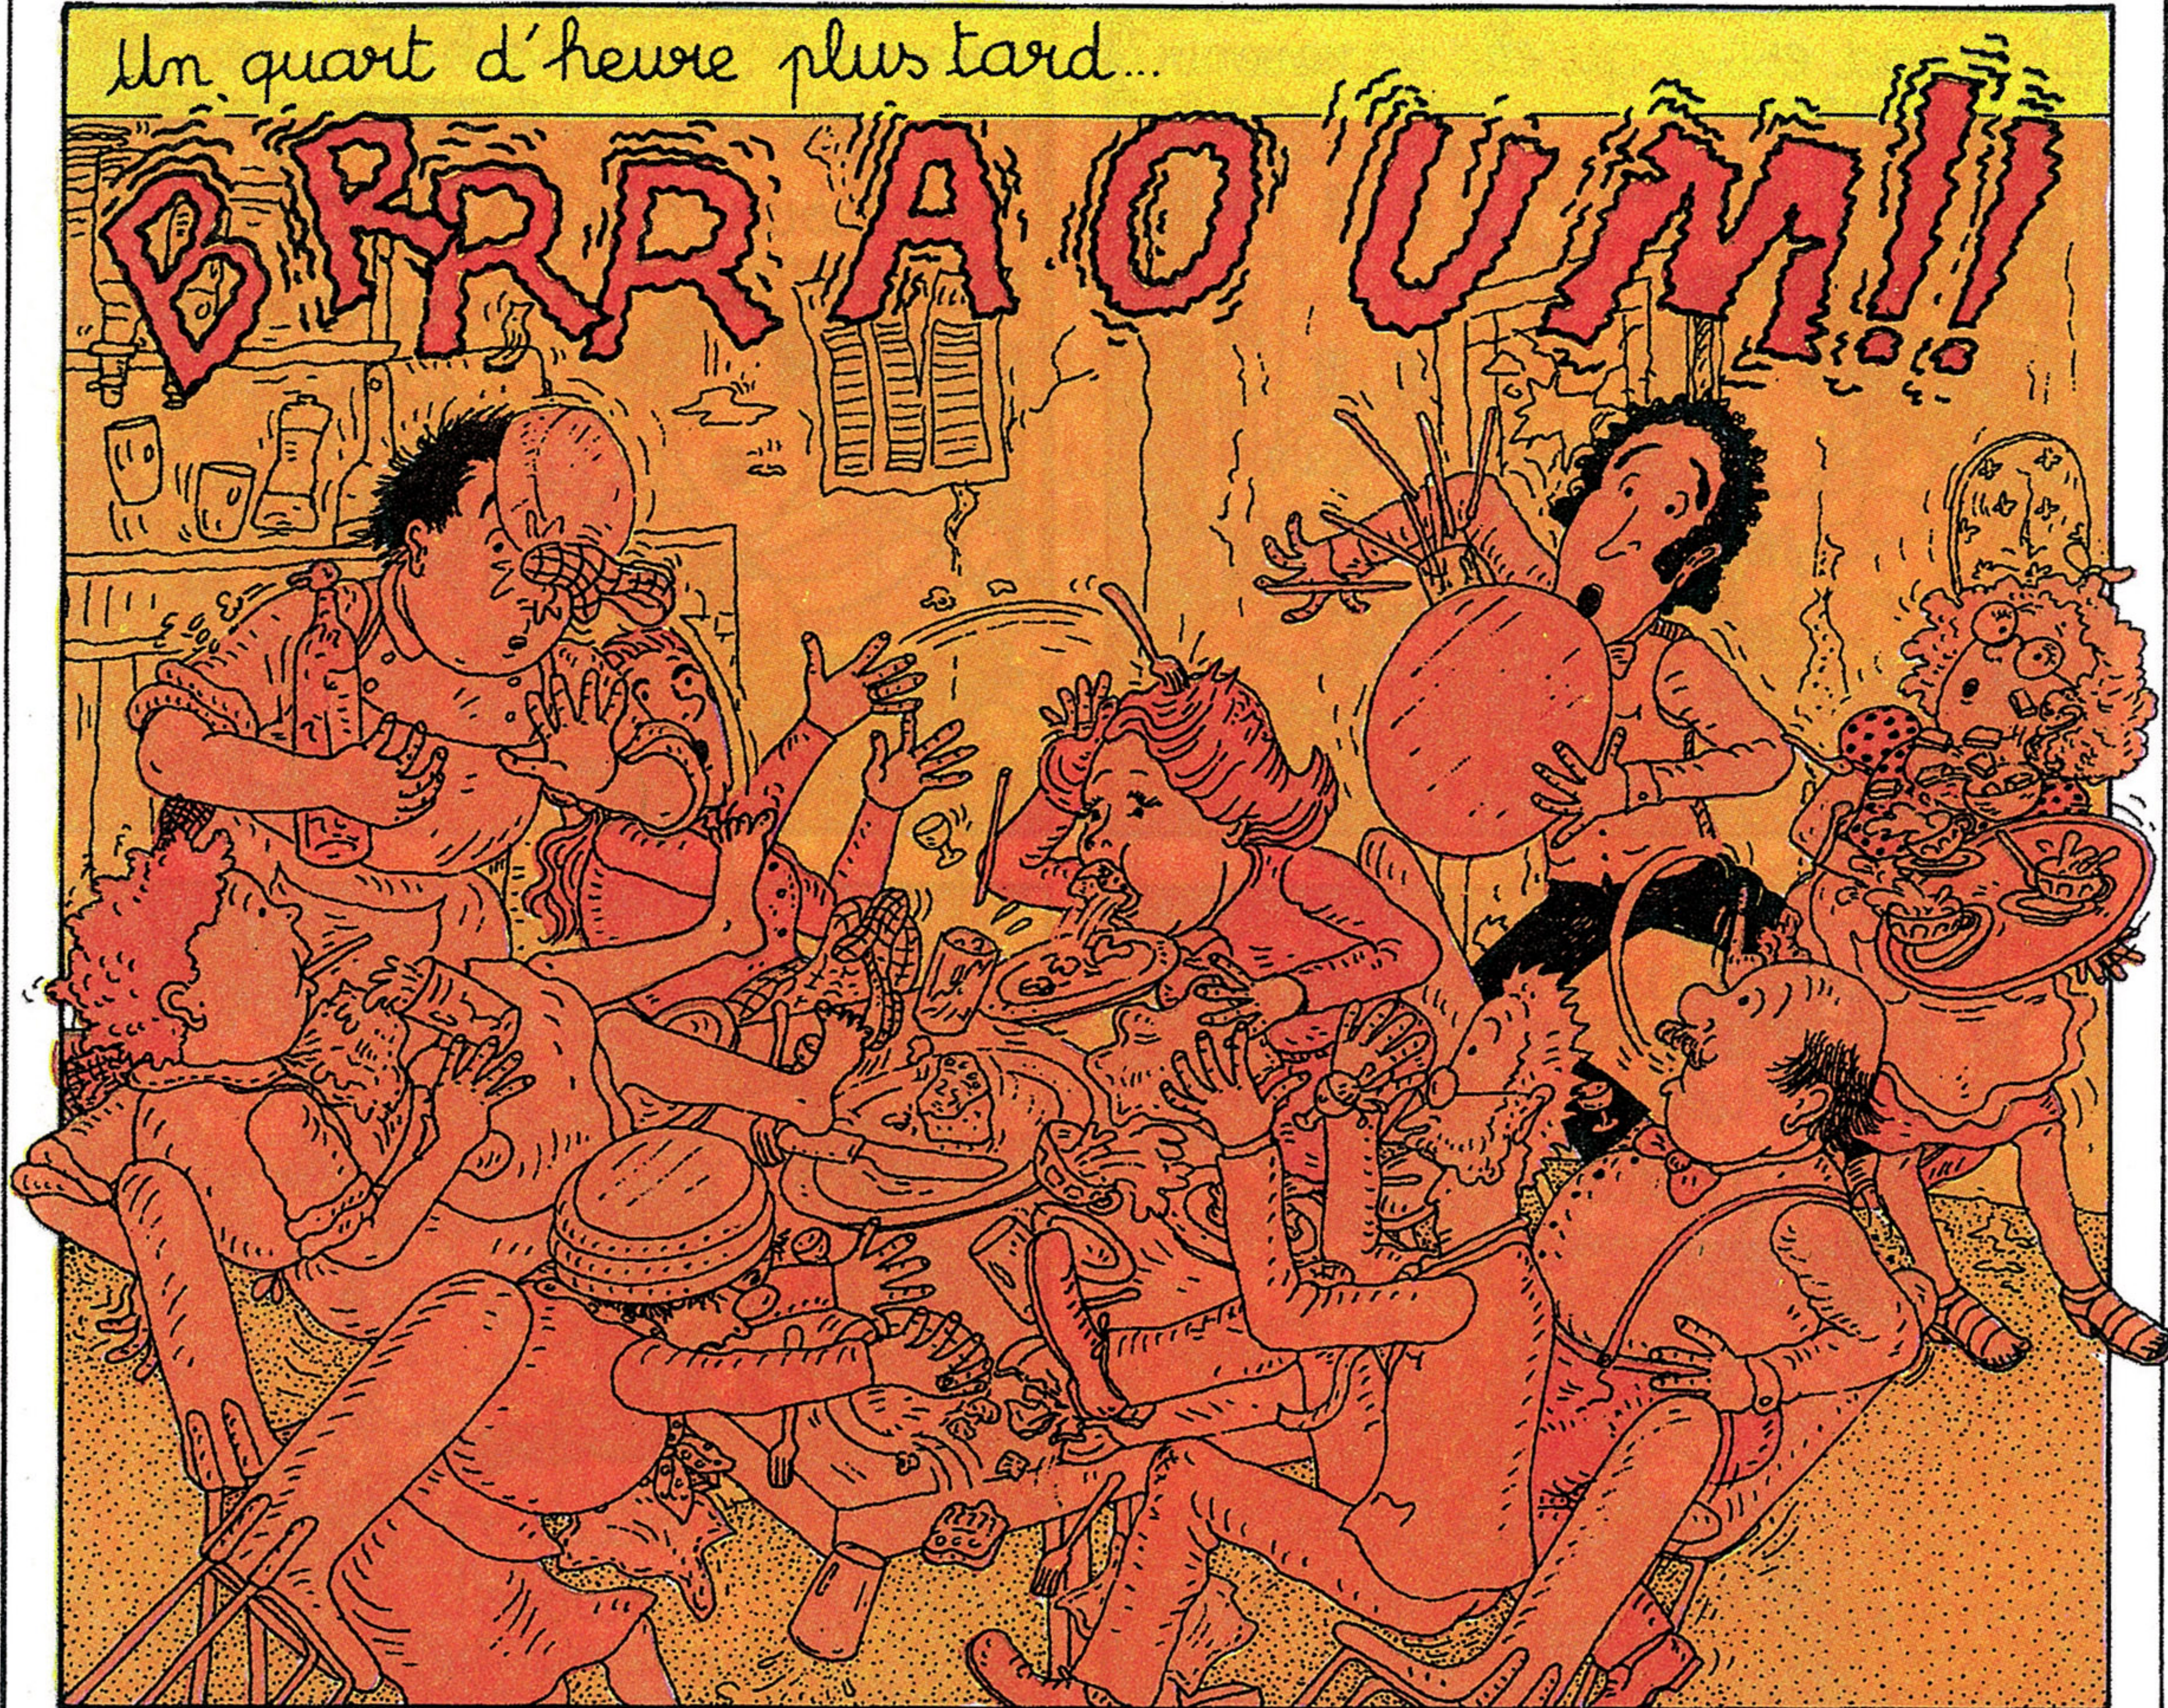

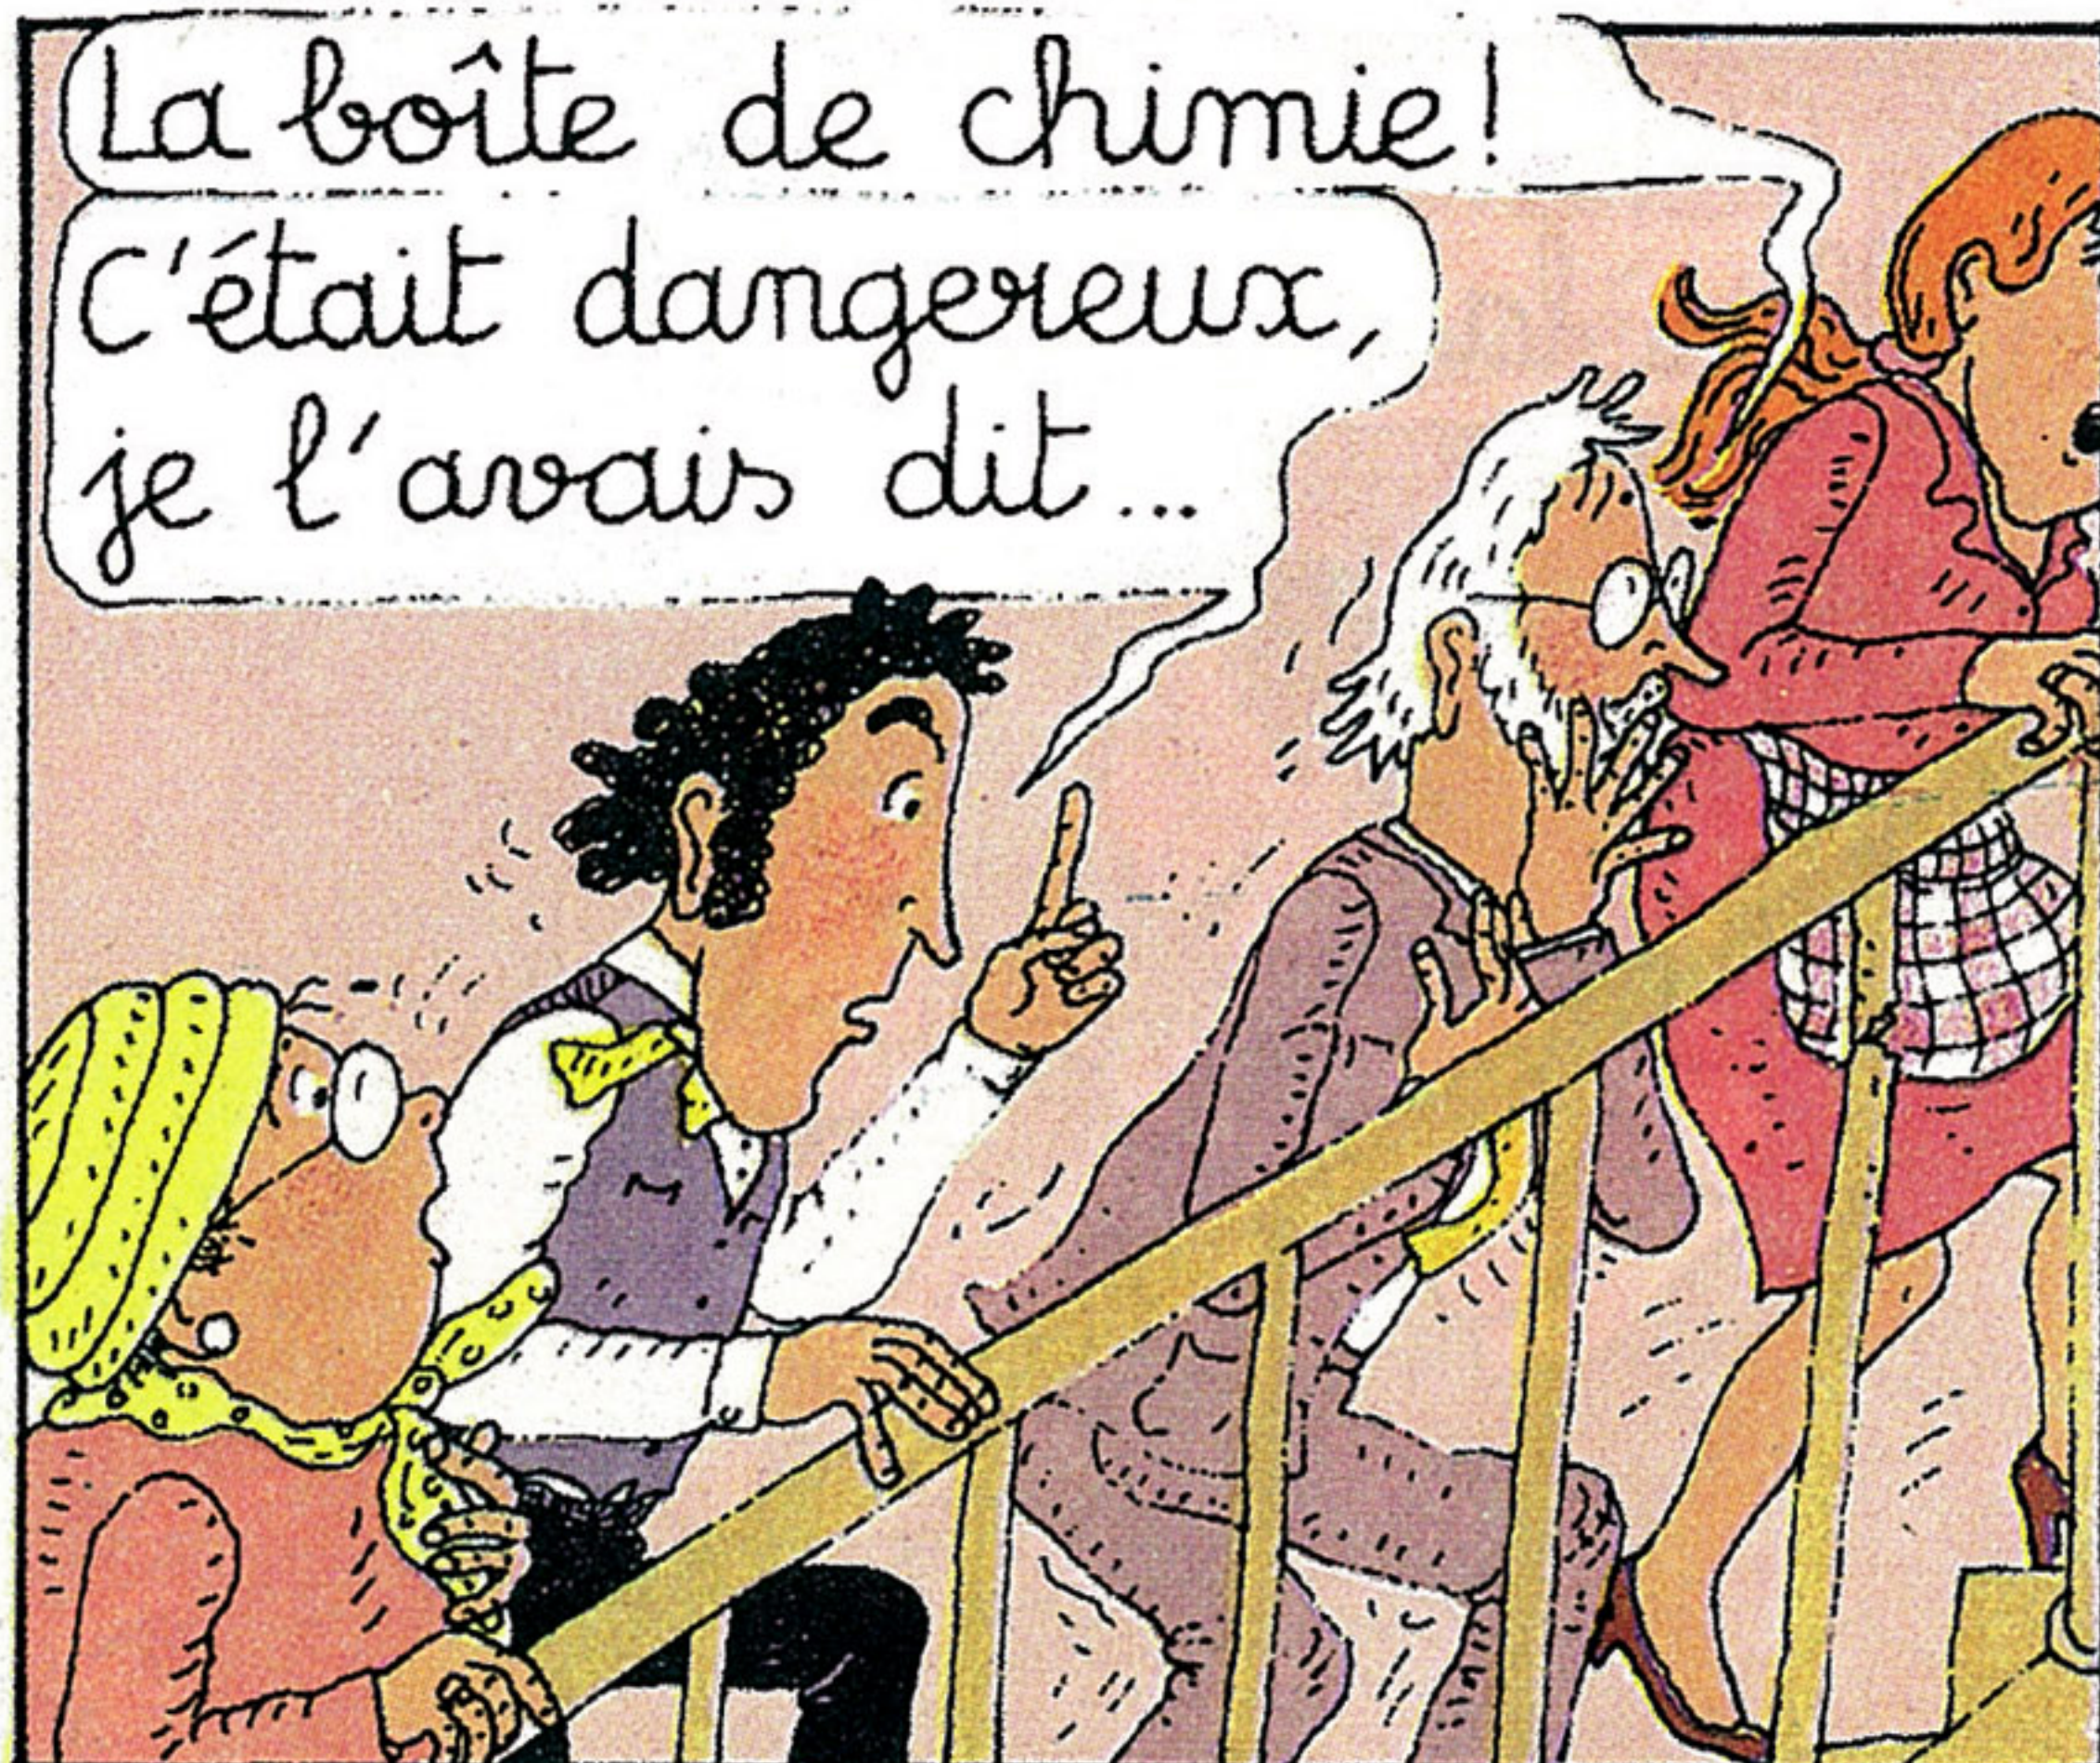

Un quart d'heure plus tard...

Cette fois, c'est sûr,
ça vient de la chambre
des enfants!

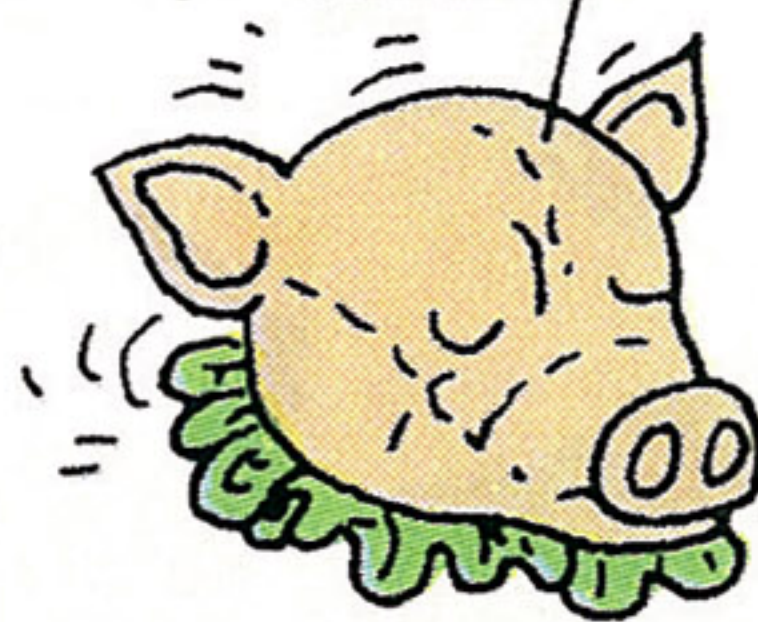

La boîte de chimie!
C'était dangereux,
je l'avais dit...

On va les faire tourner en bourrique!

Hi! Hi!

clac!

C'est bizarre, elle s'est arrêtée juste devant nous!

C'est peut-être une publicité...

... Un jeu!

Ça veut peut-être dire qu'on a gagné!

Allez! Je l'attrape!

Je ne suis pas très rassurée!

Ah! Elle s'échappe!

Oh!

VVRR...

PAFF!!

Elle me court après!

Aidez-moi, au lieu de faire les idiots!
