Départ en vacances

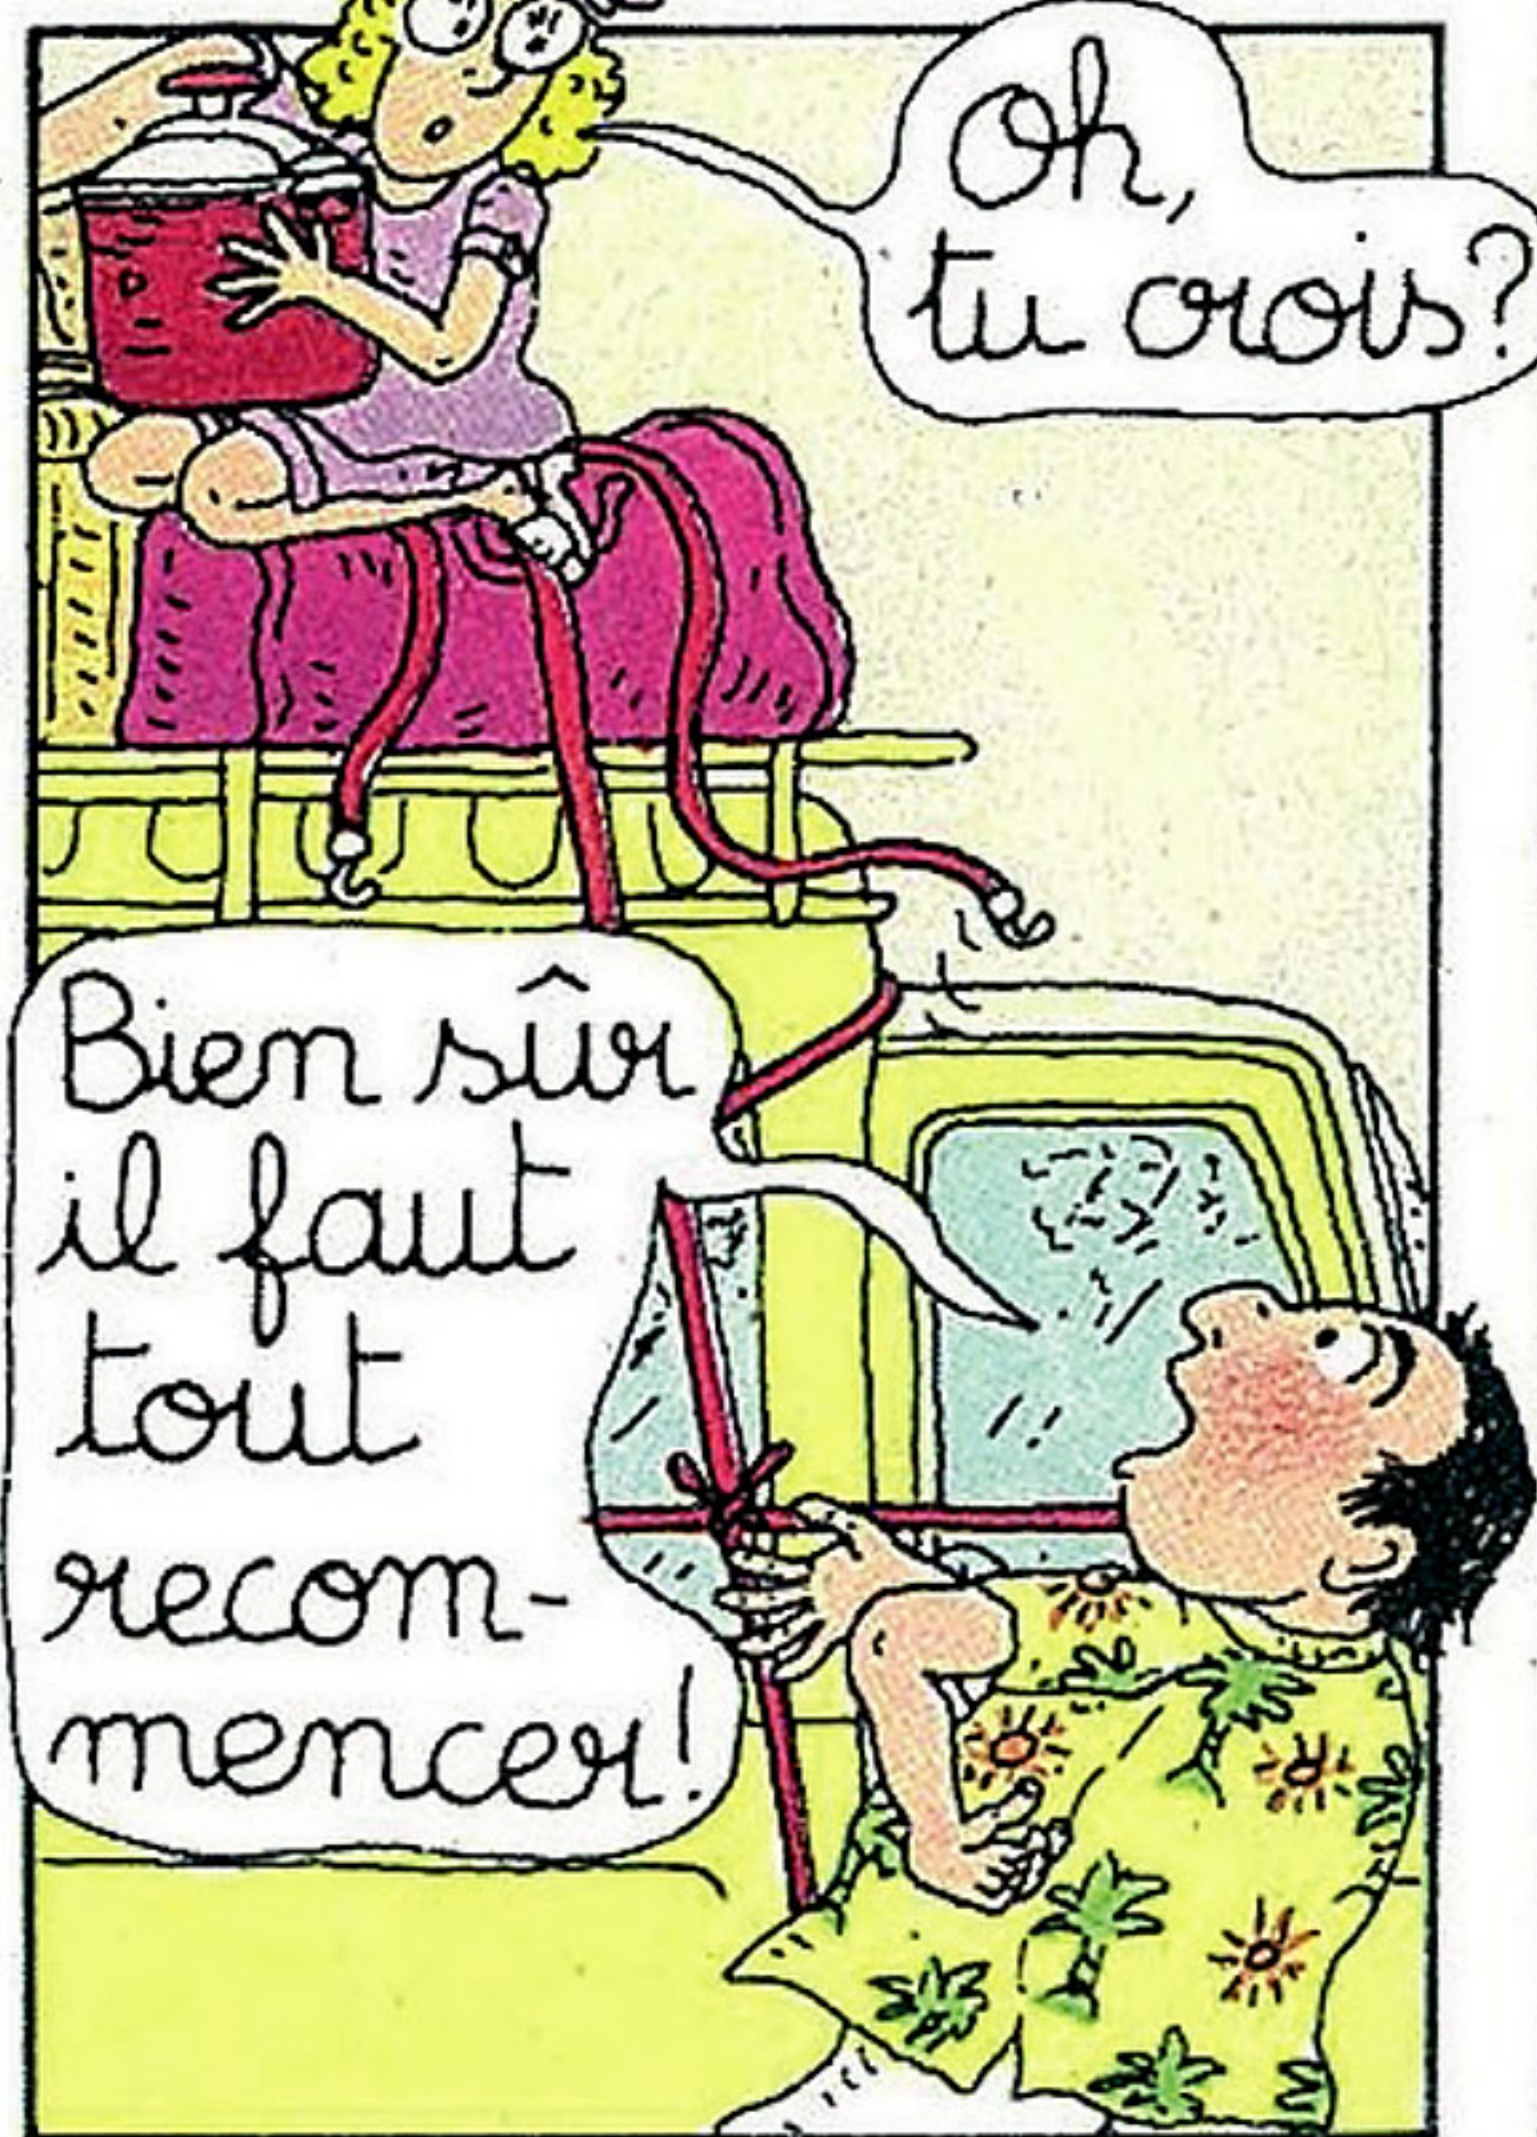

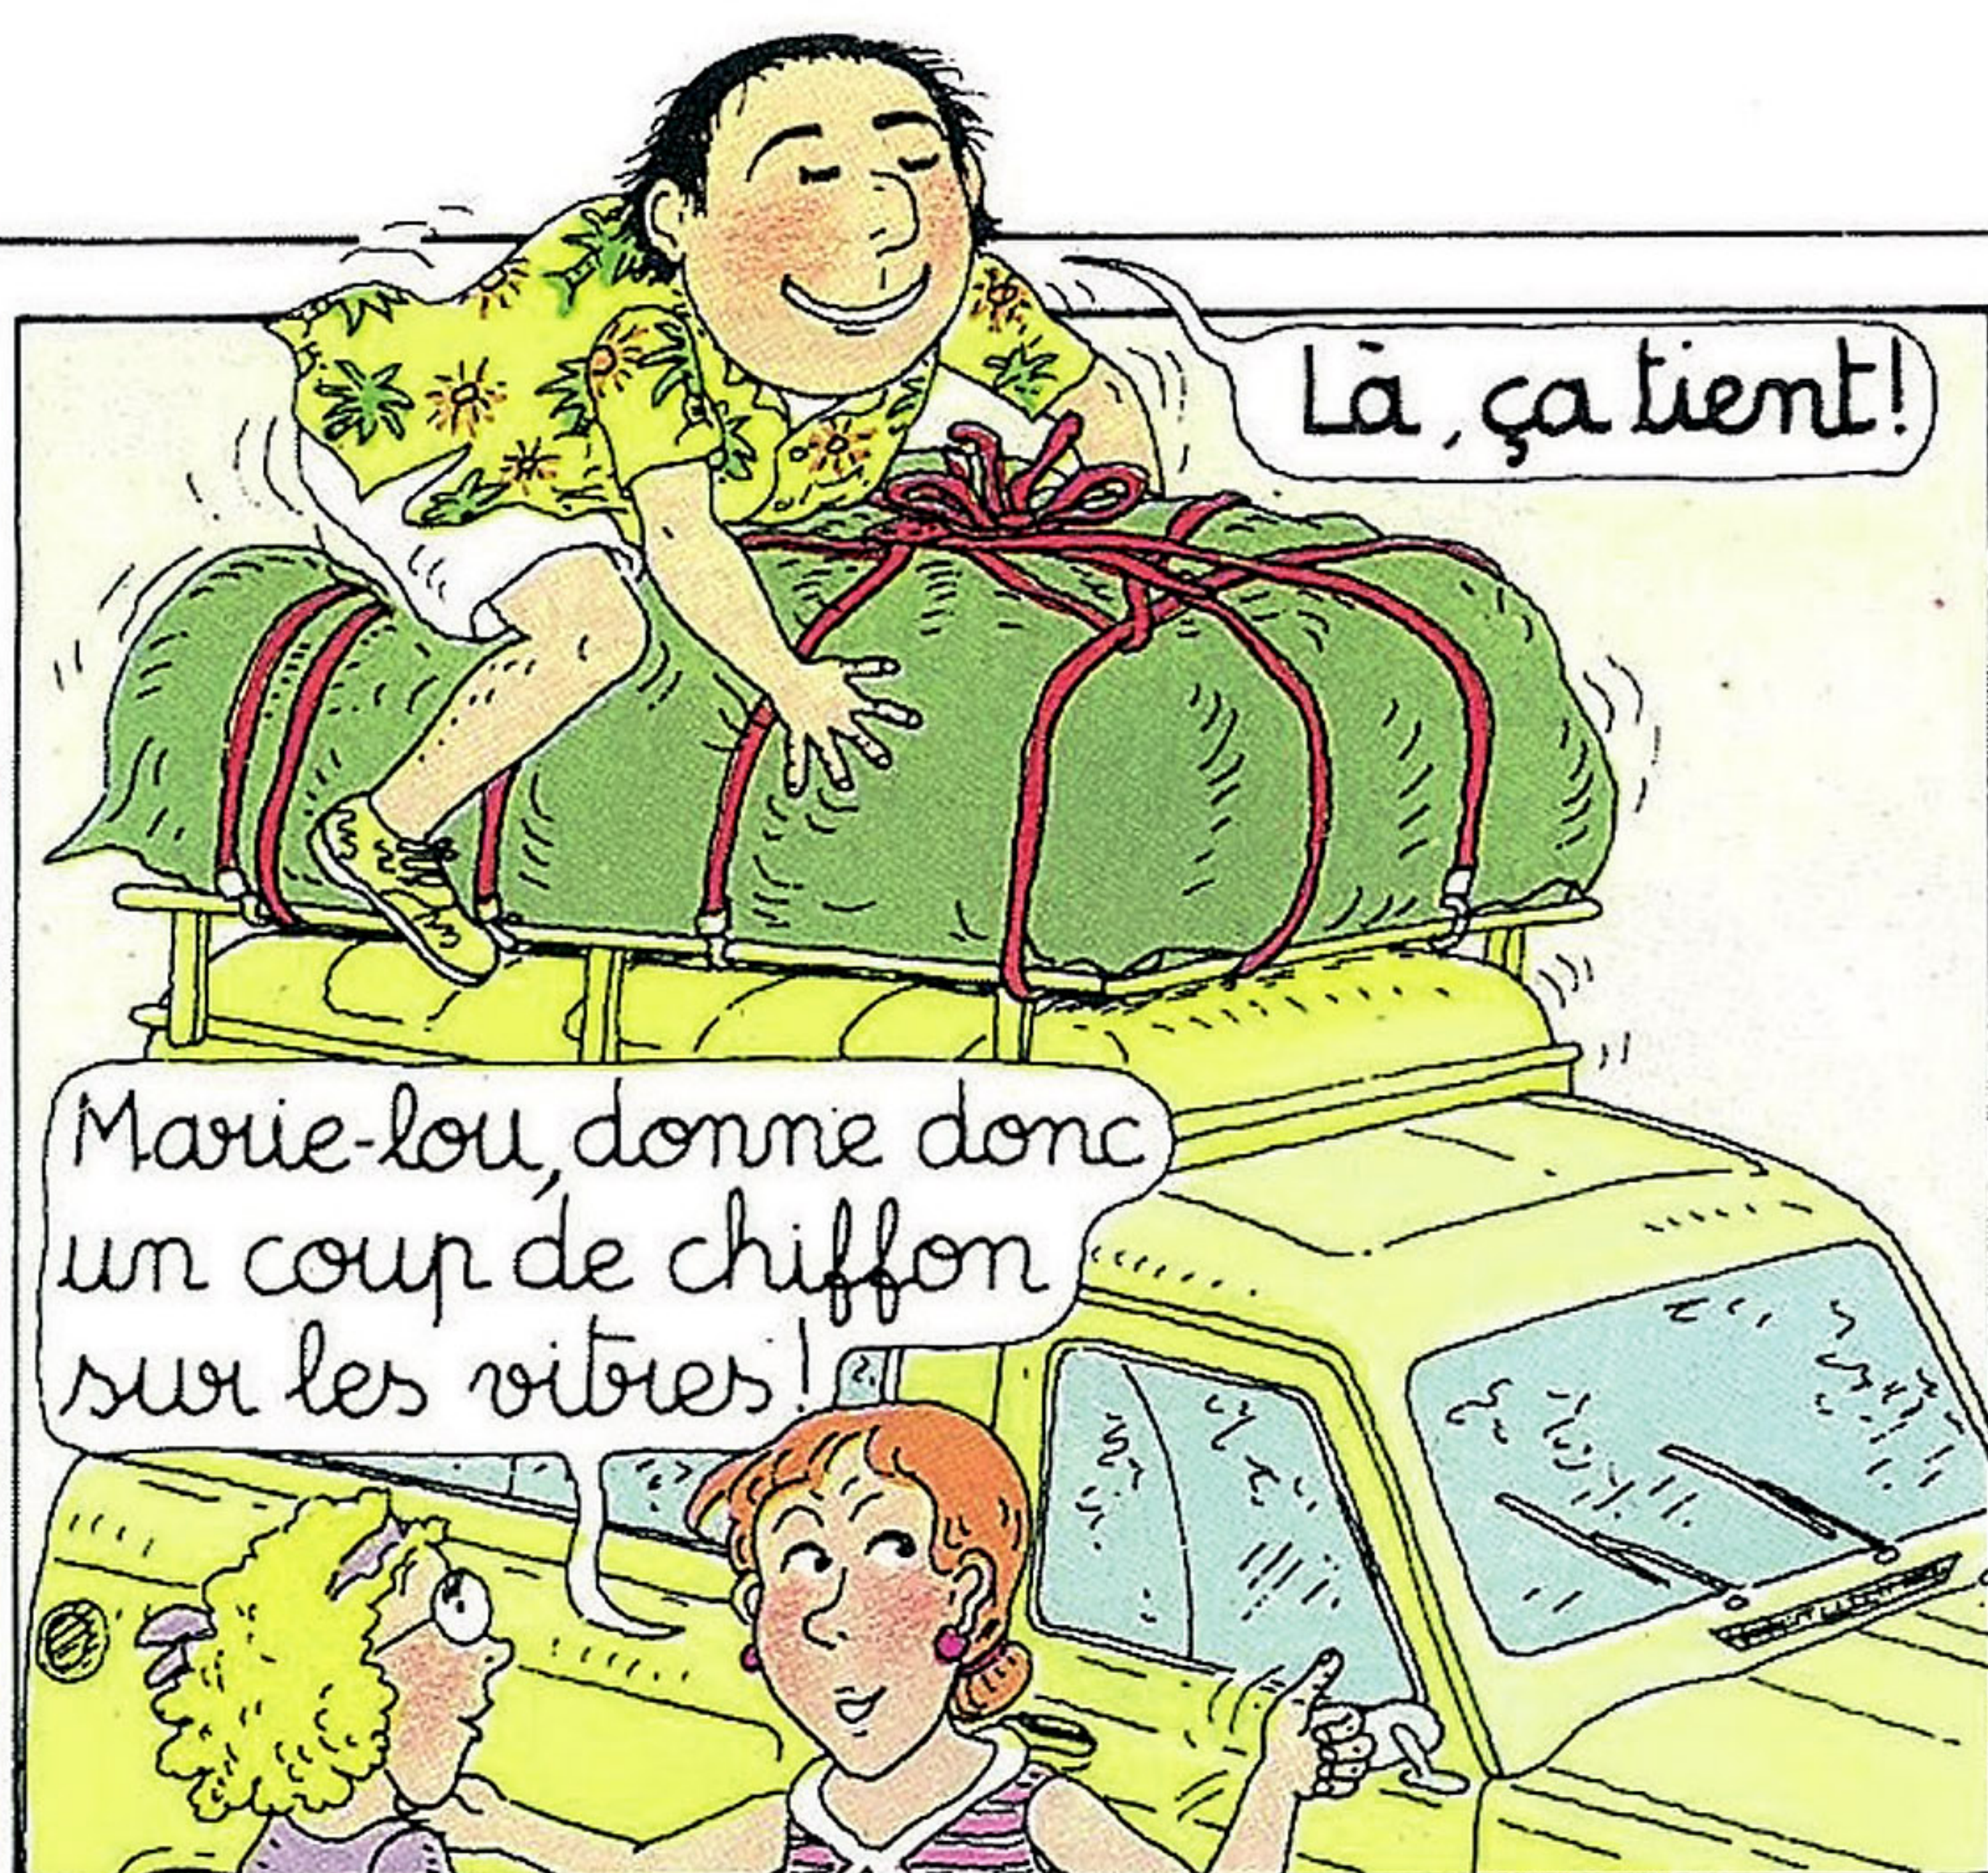

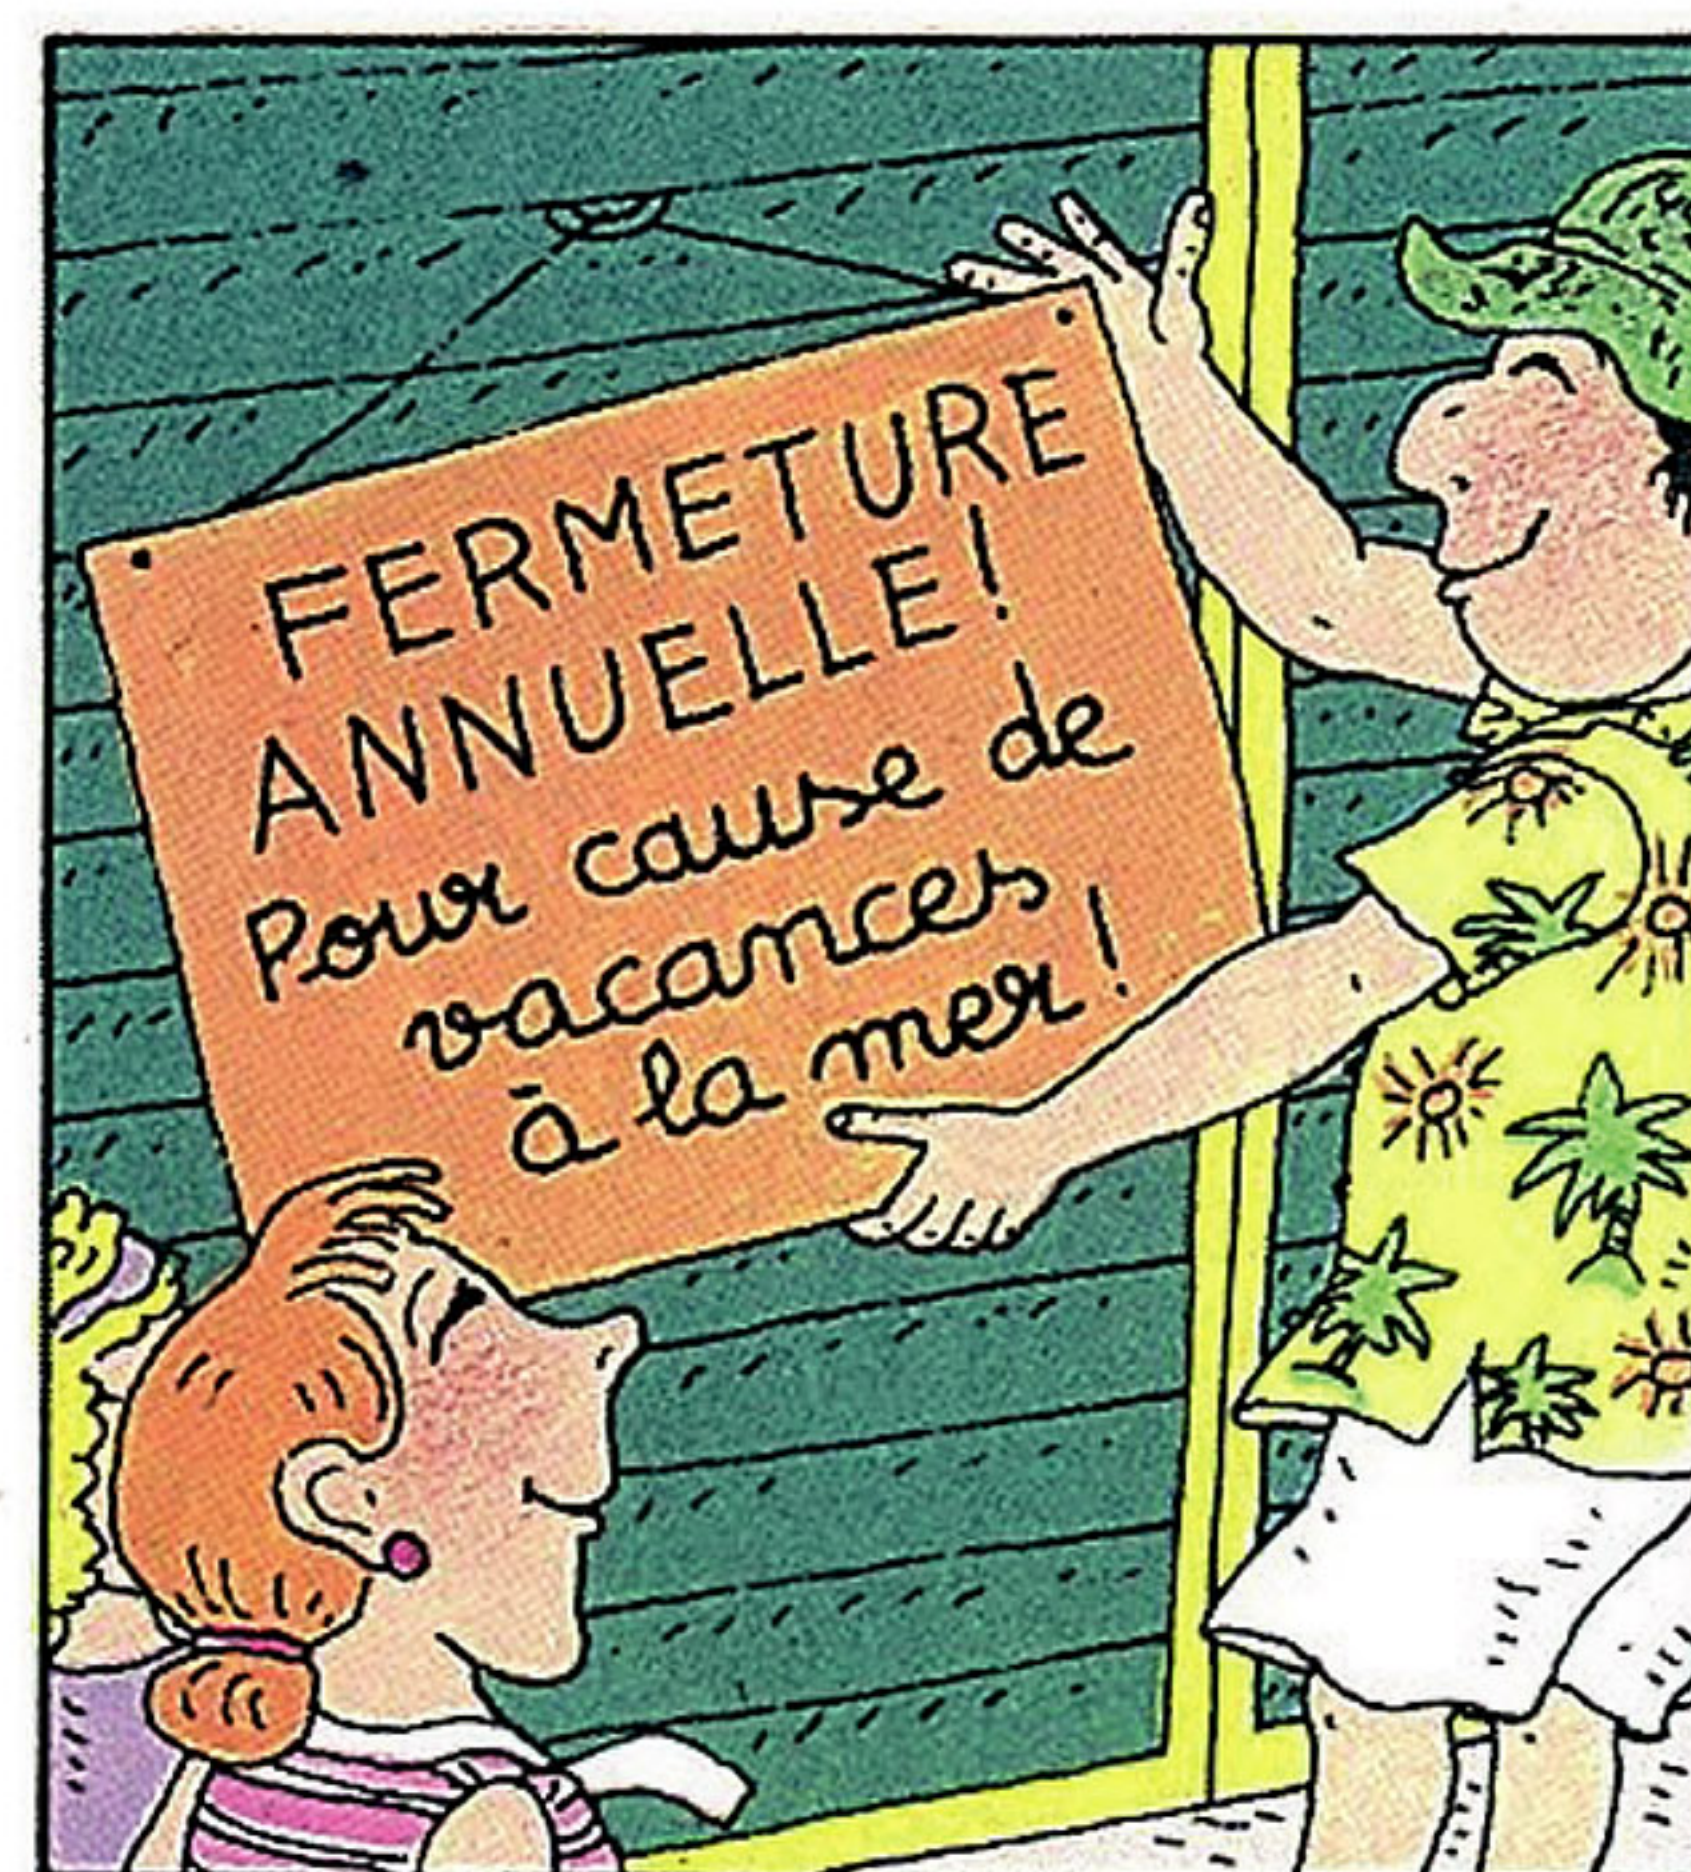

Tom-Tom et Nama: les vacances infernales

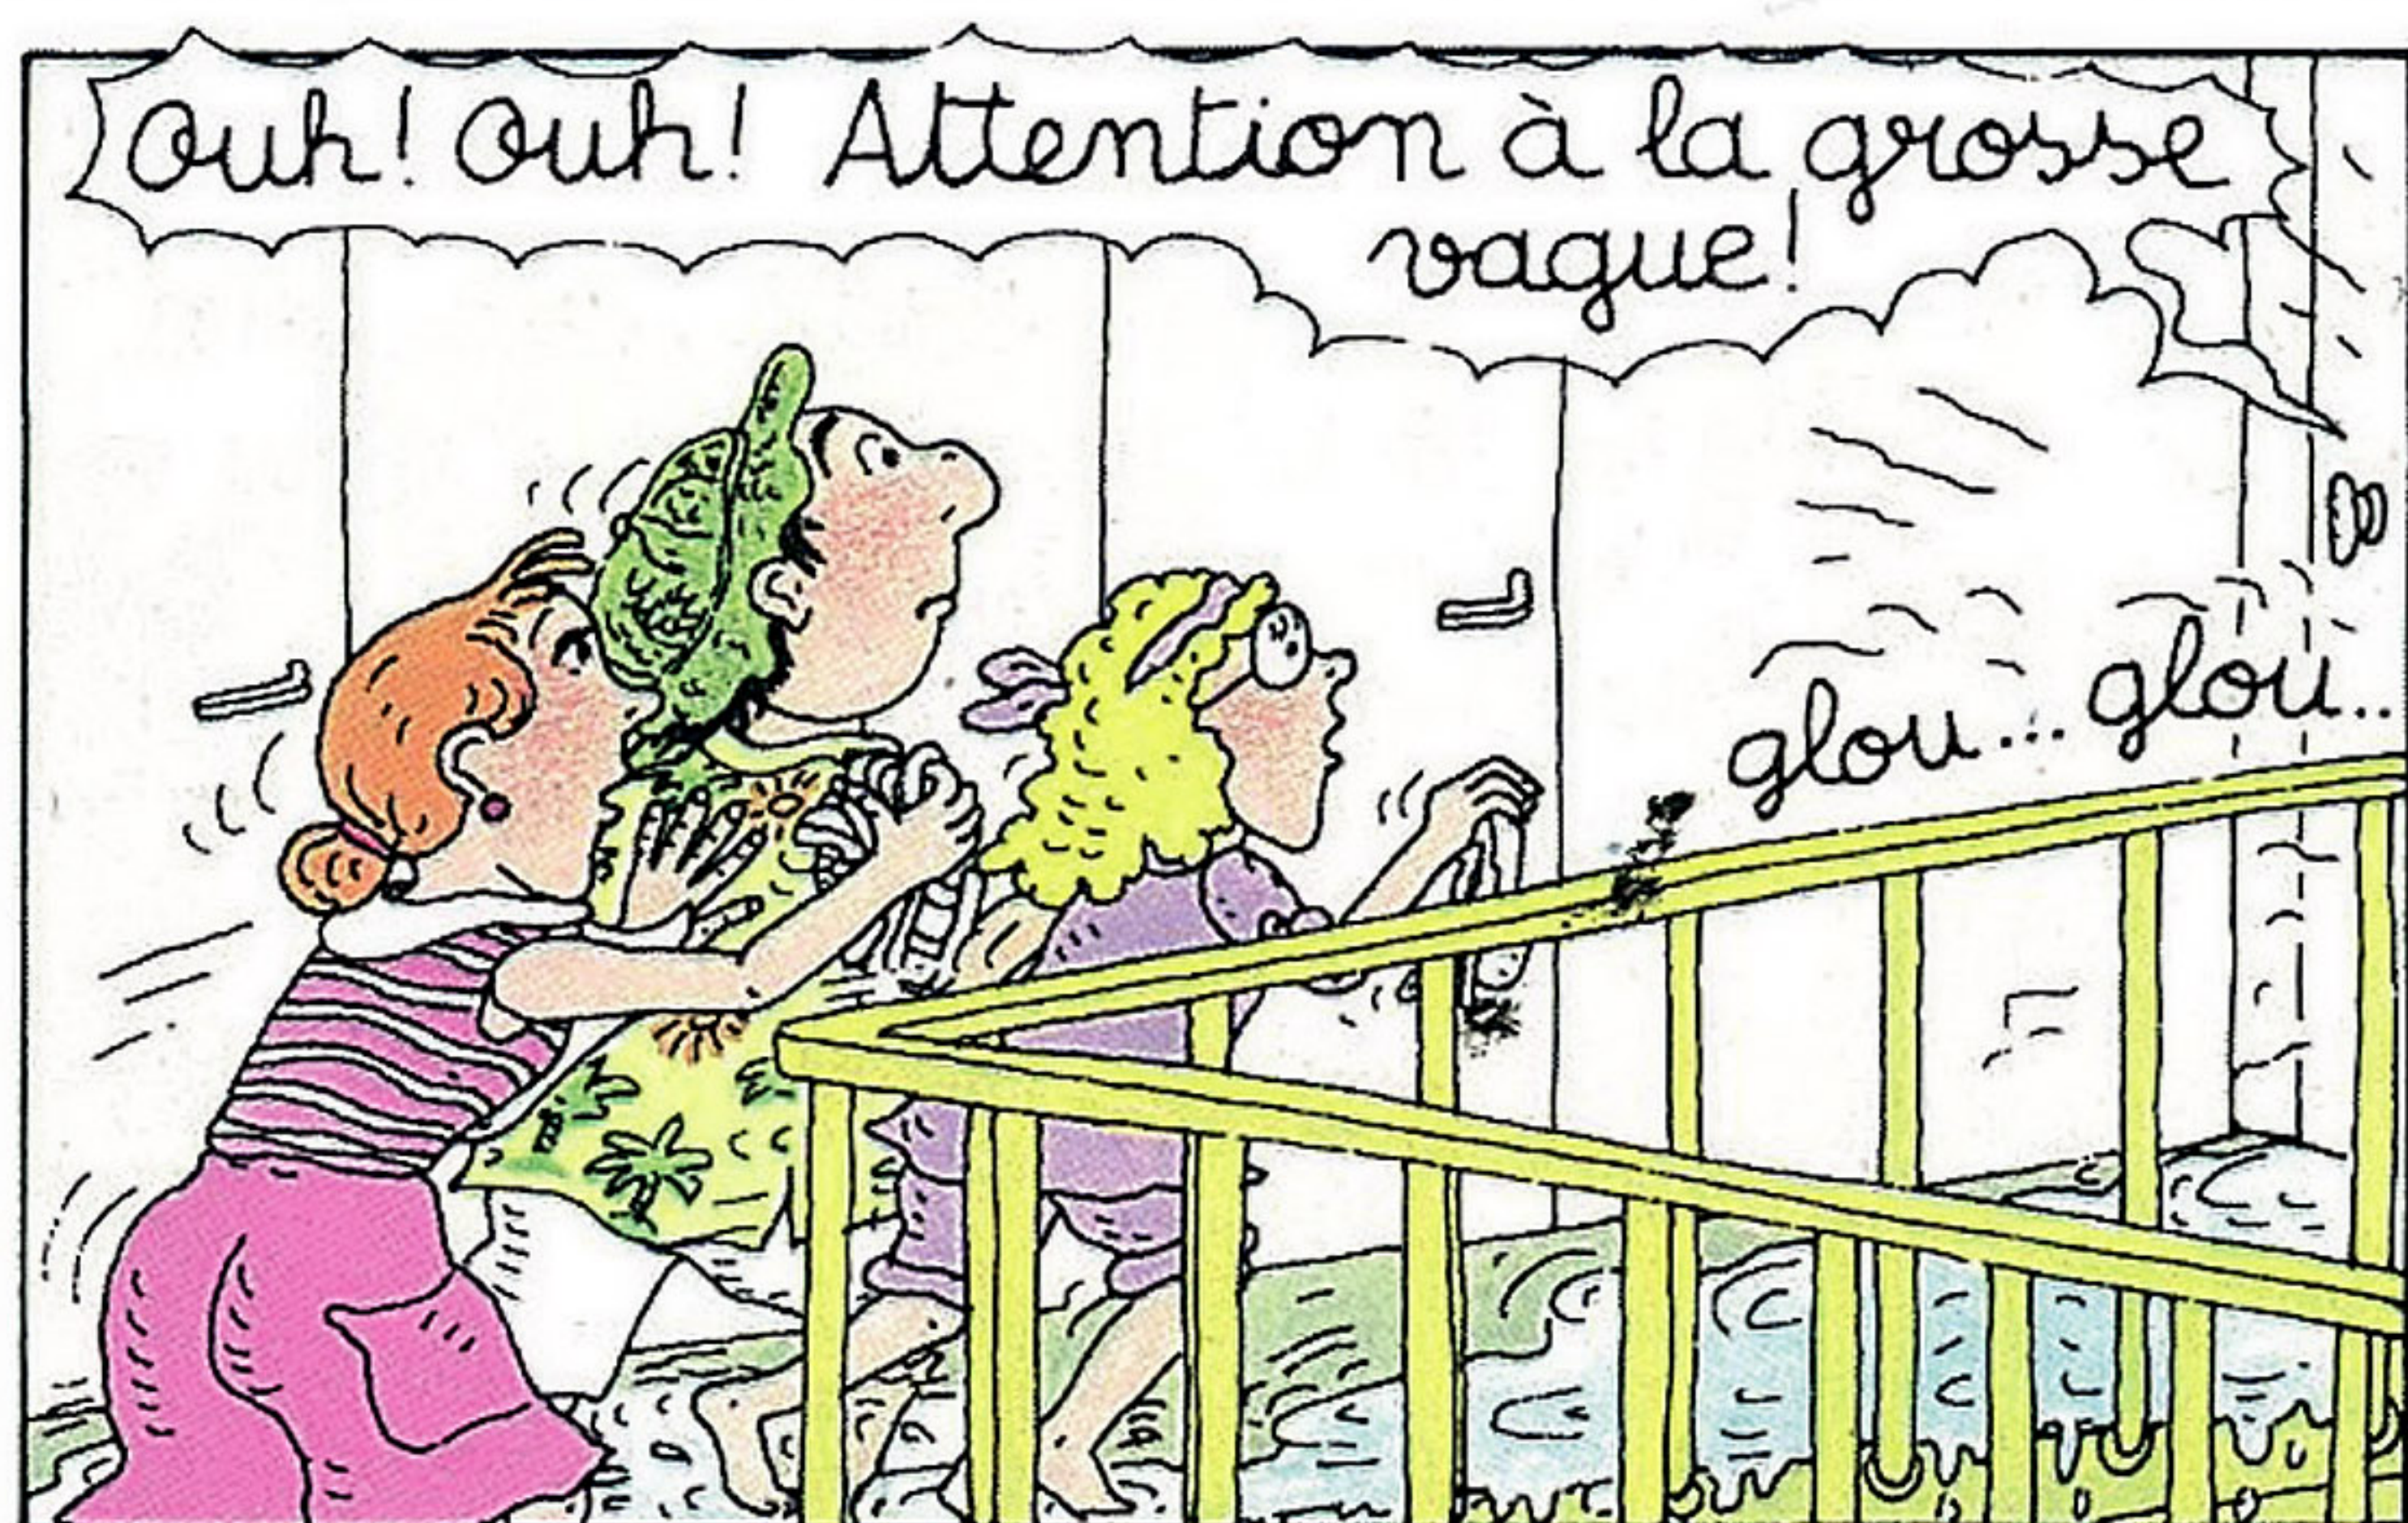

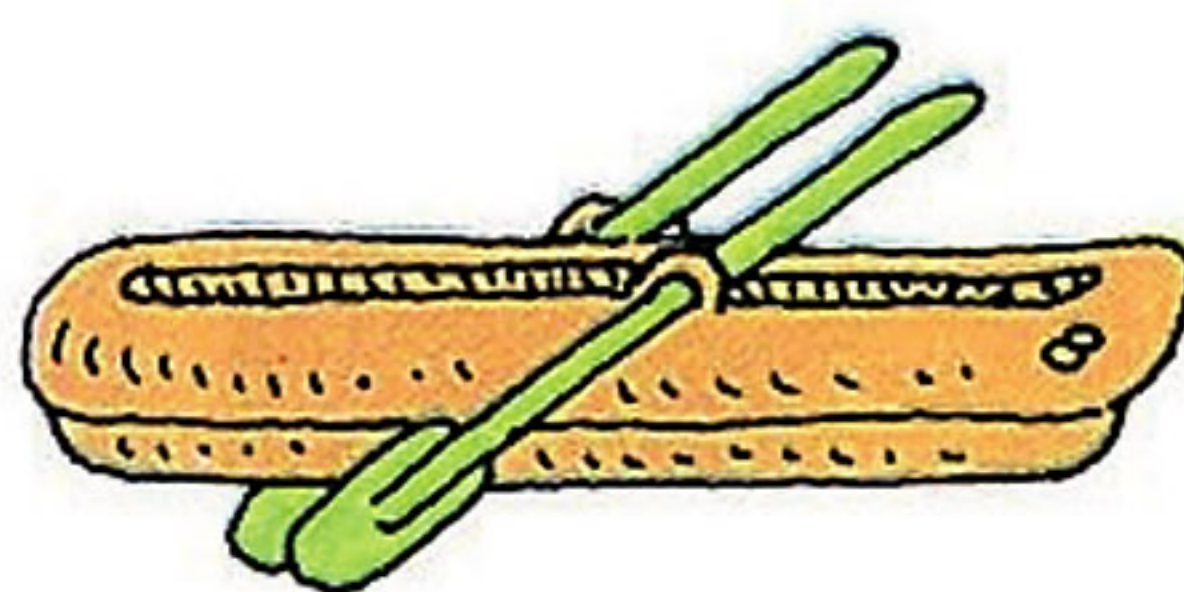

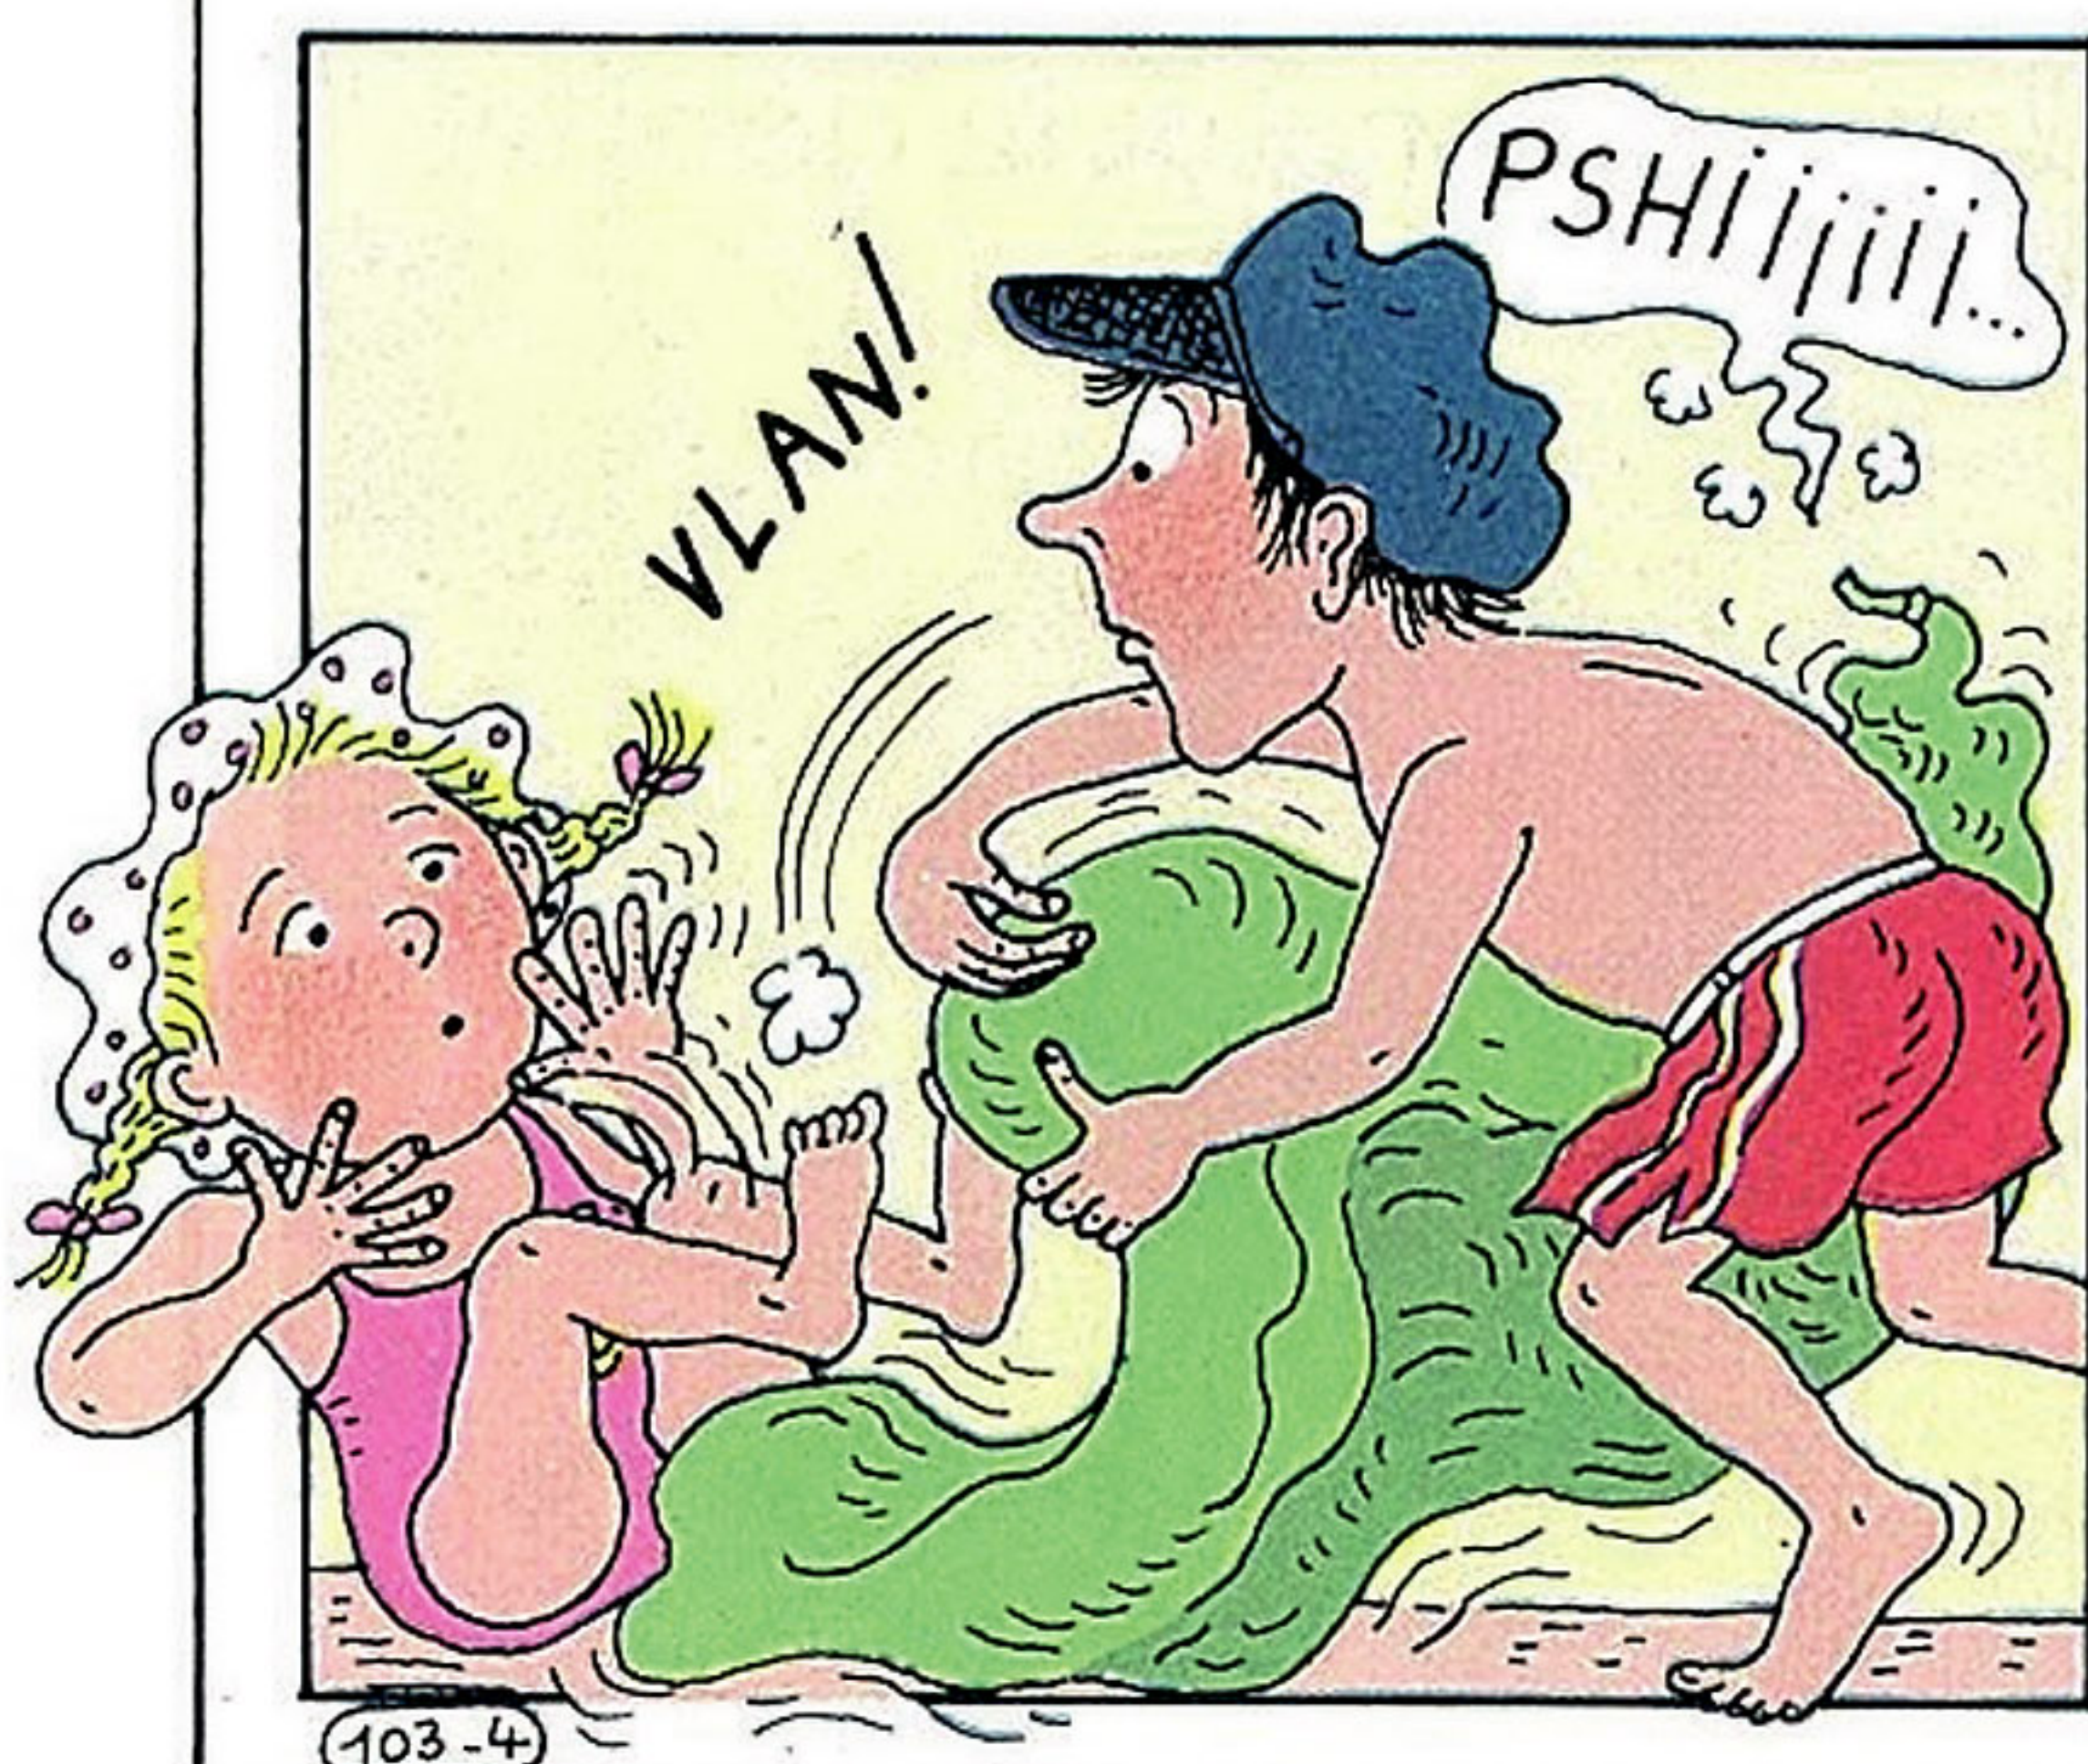

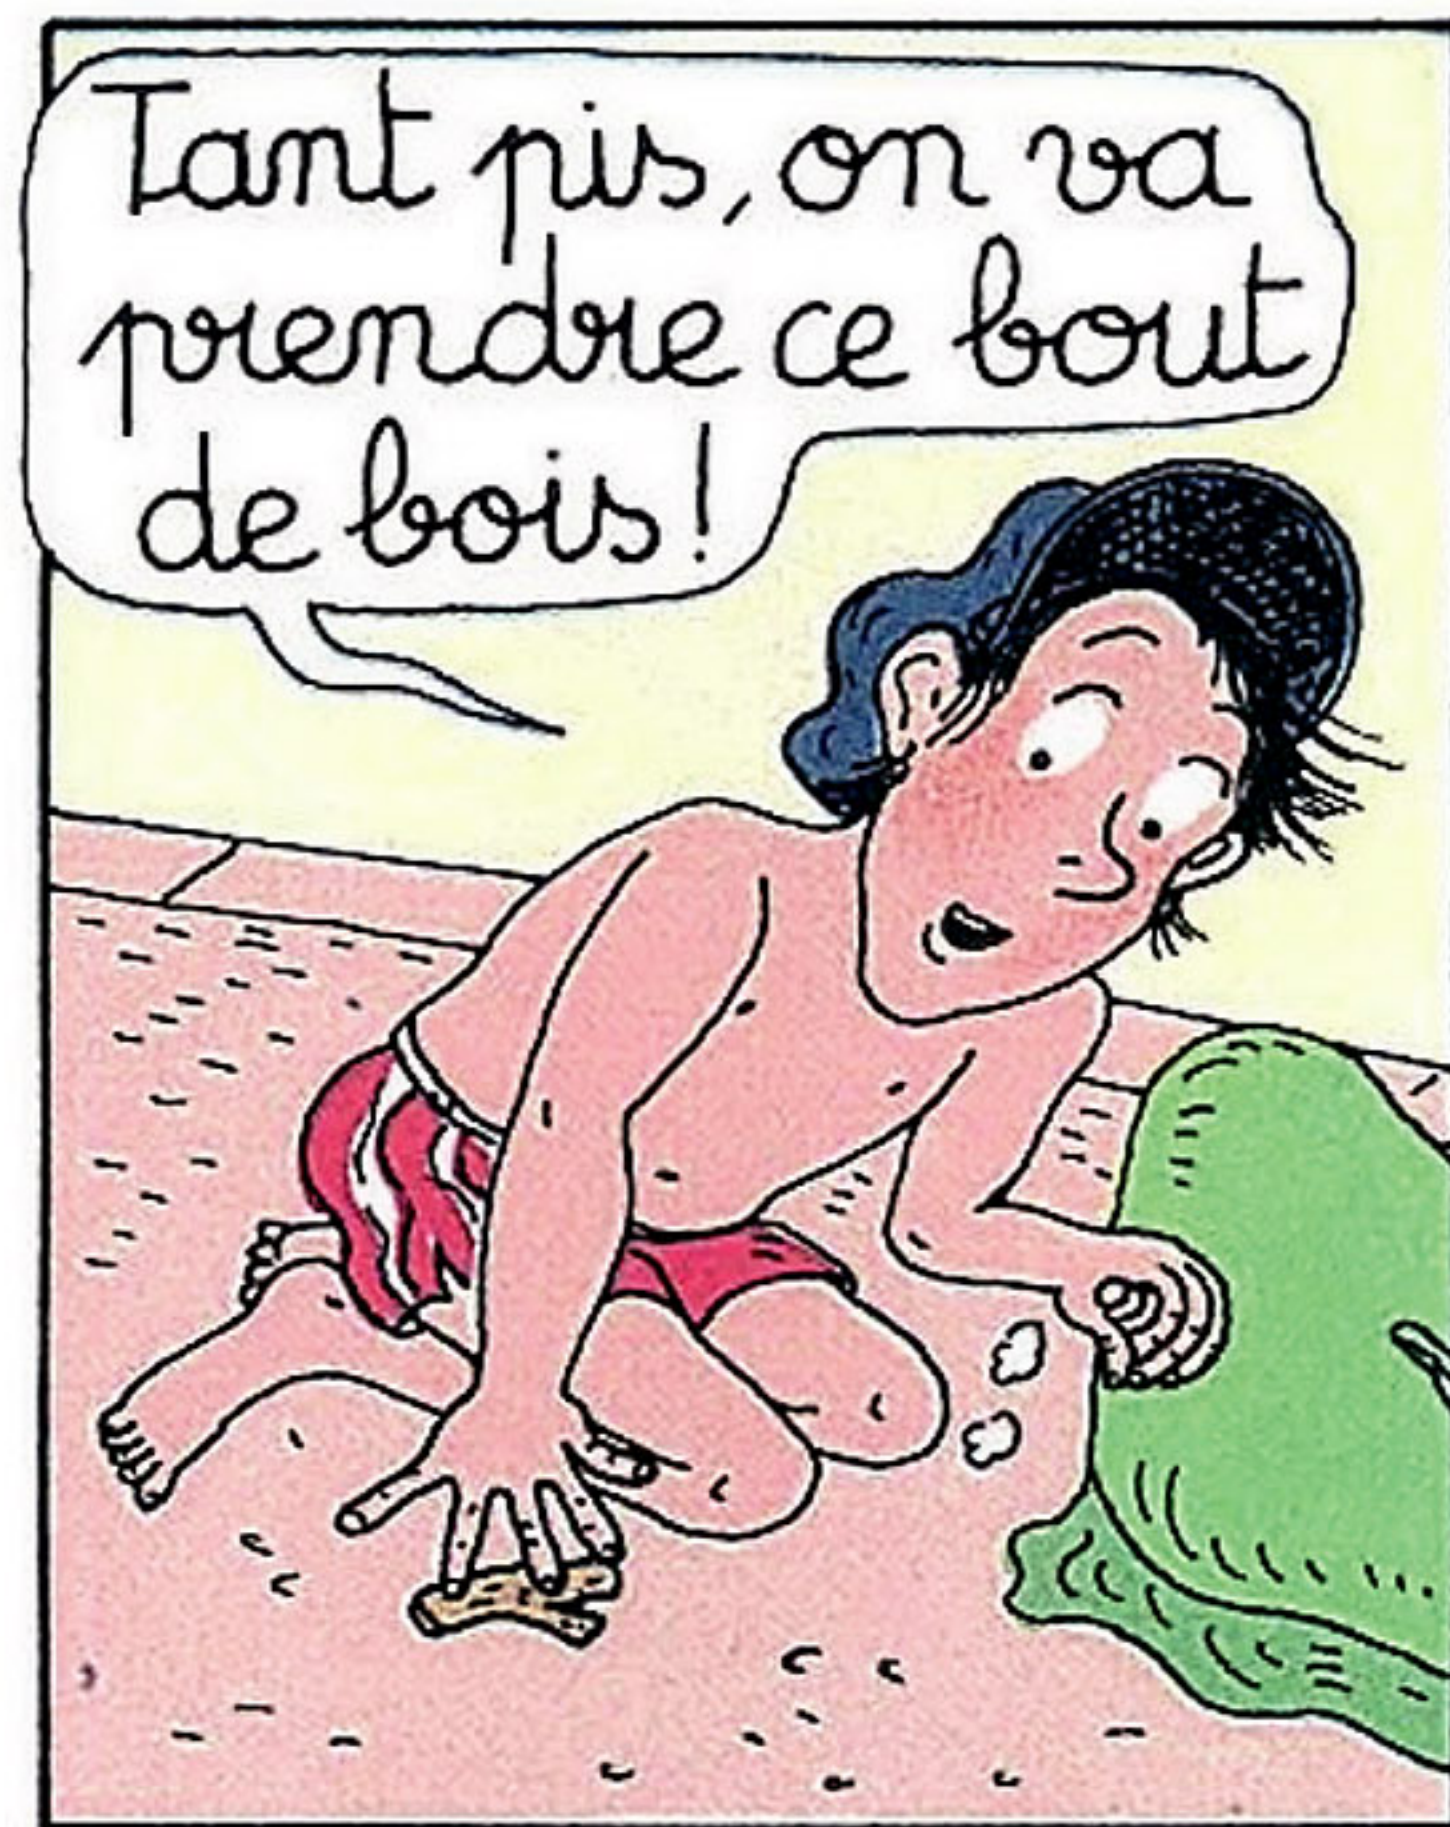

La promenade en mer

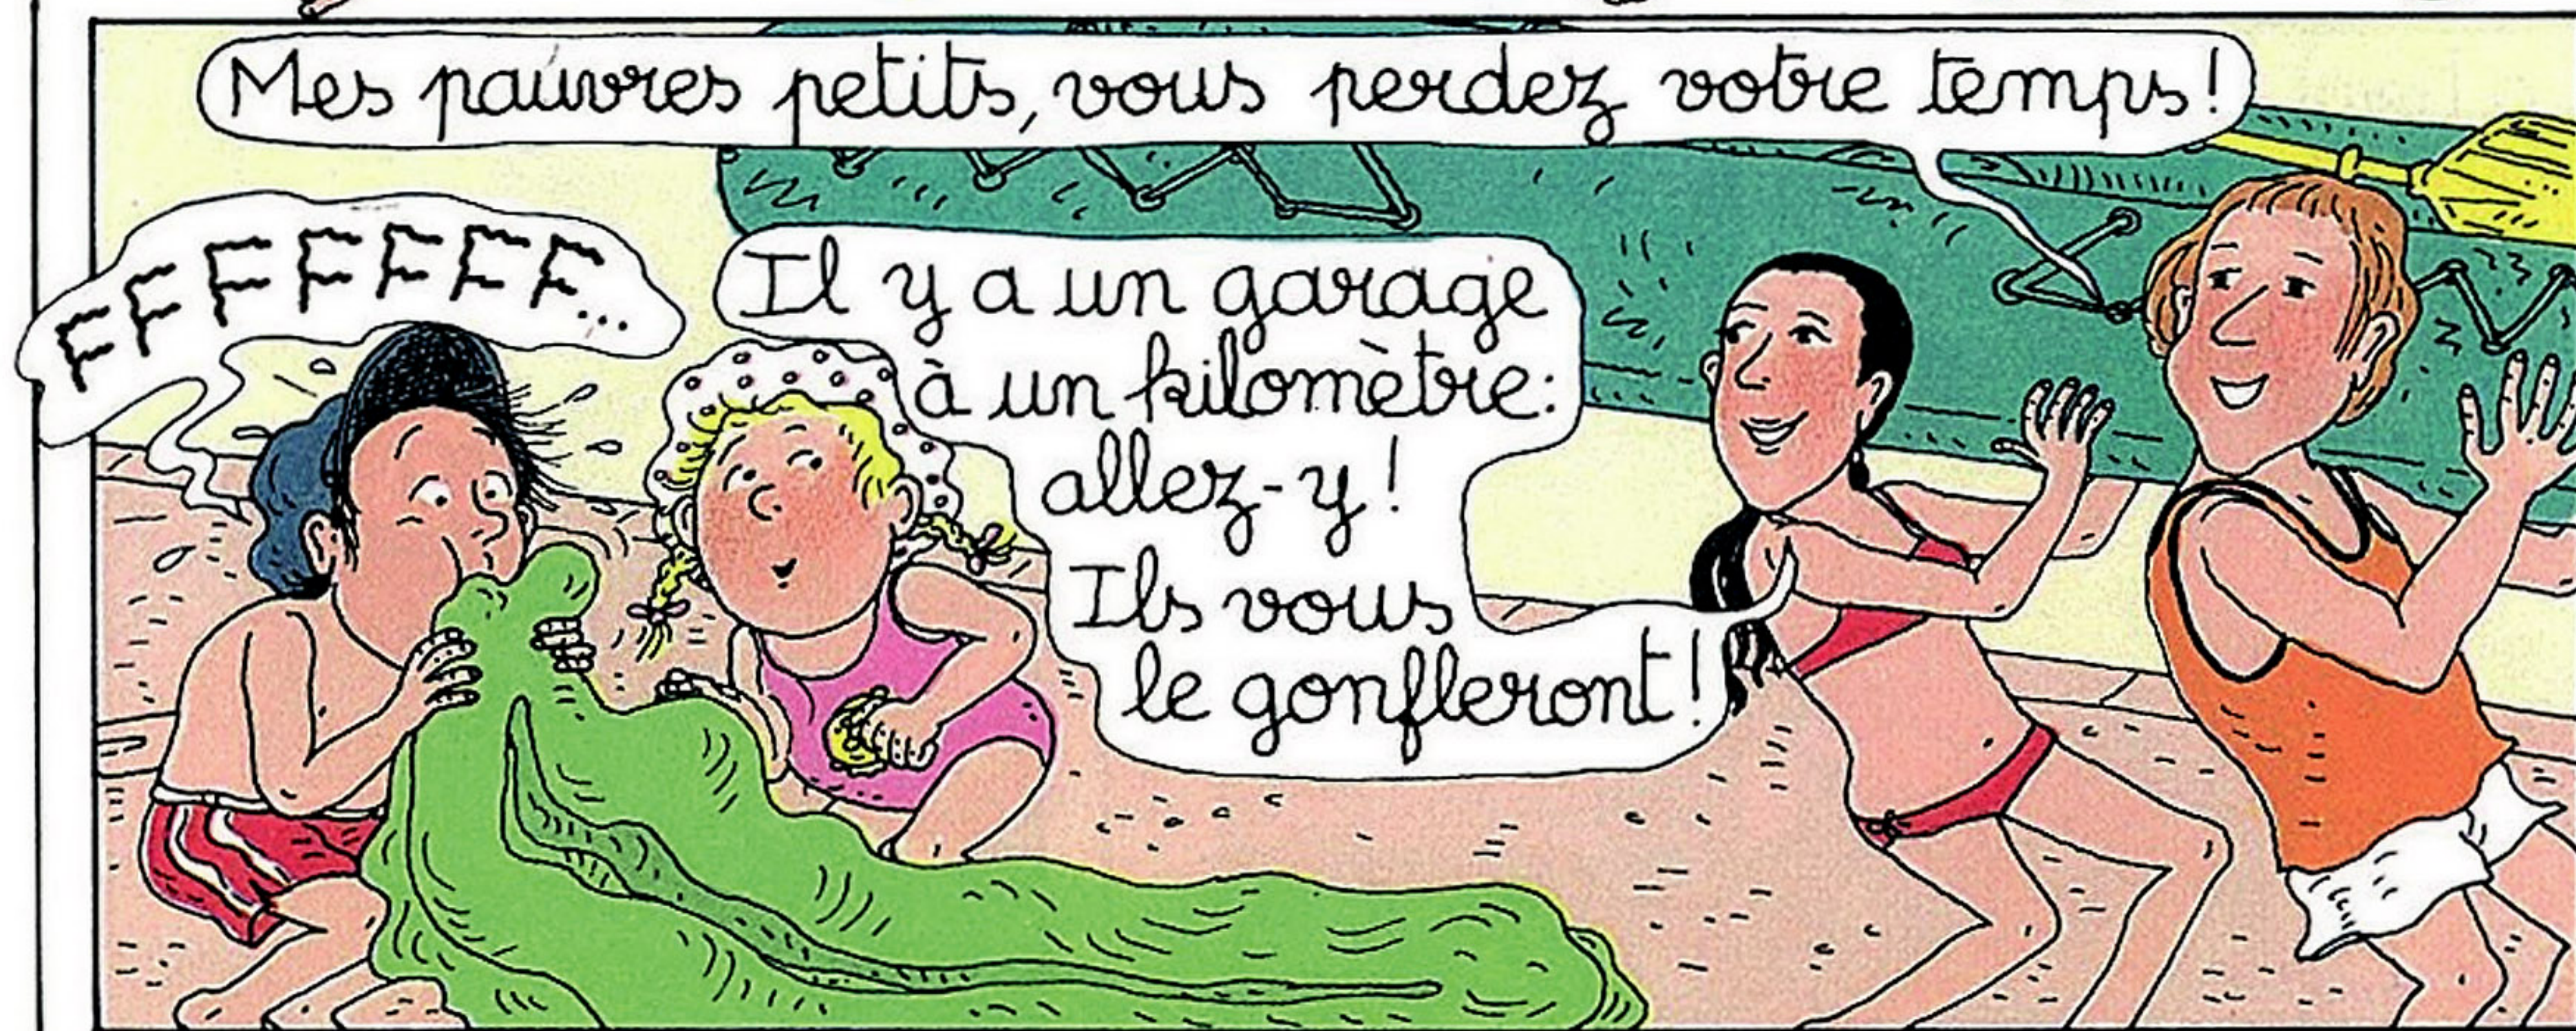

Pendant ce temps...

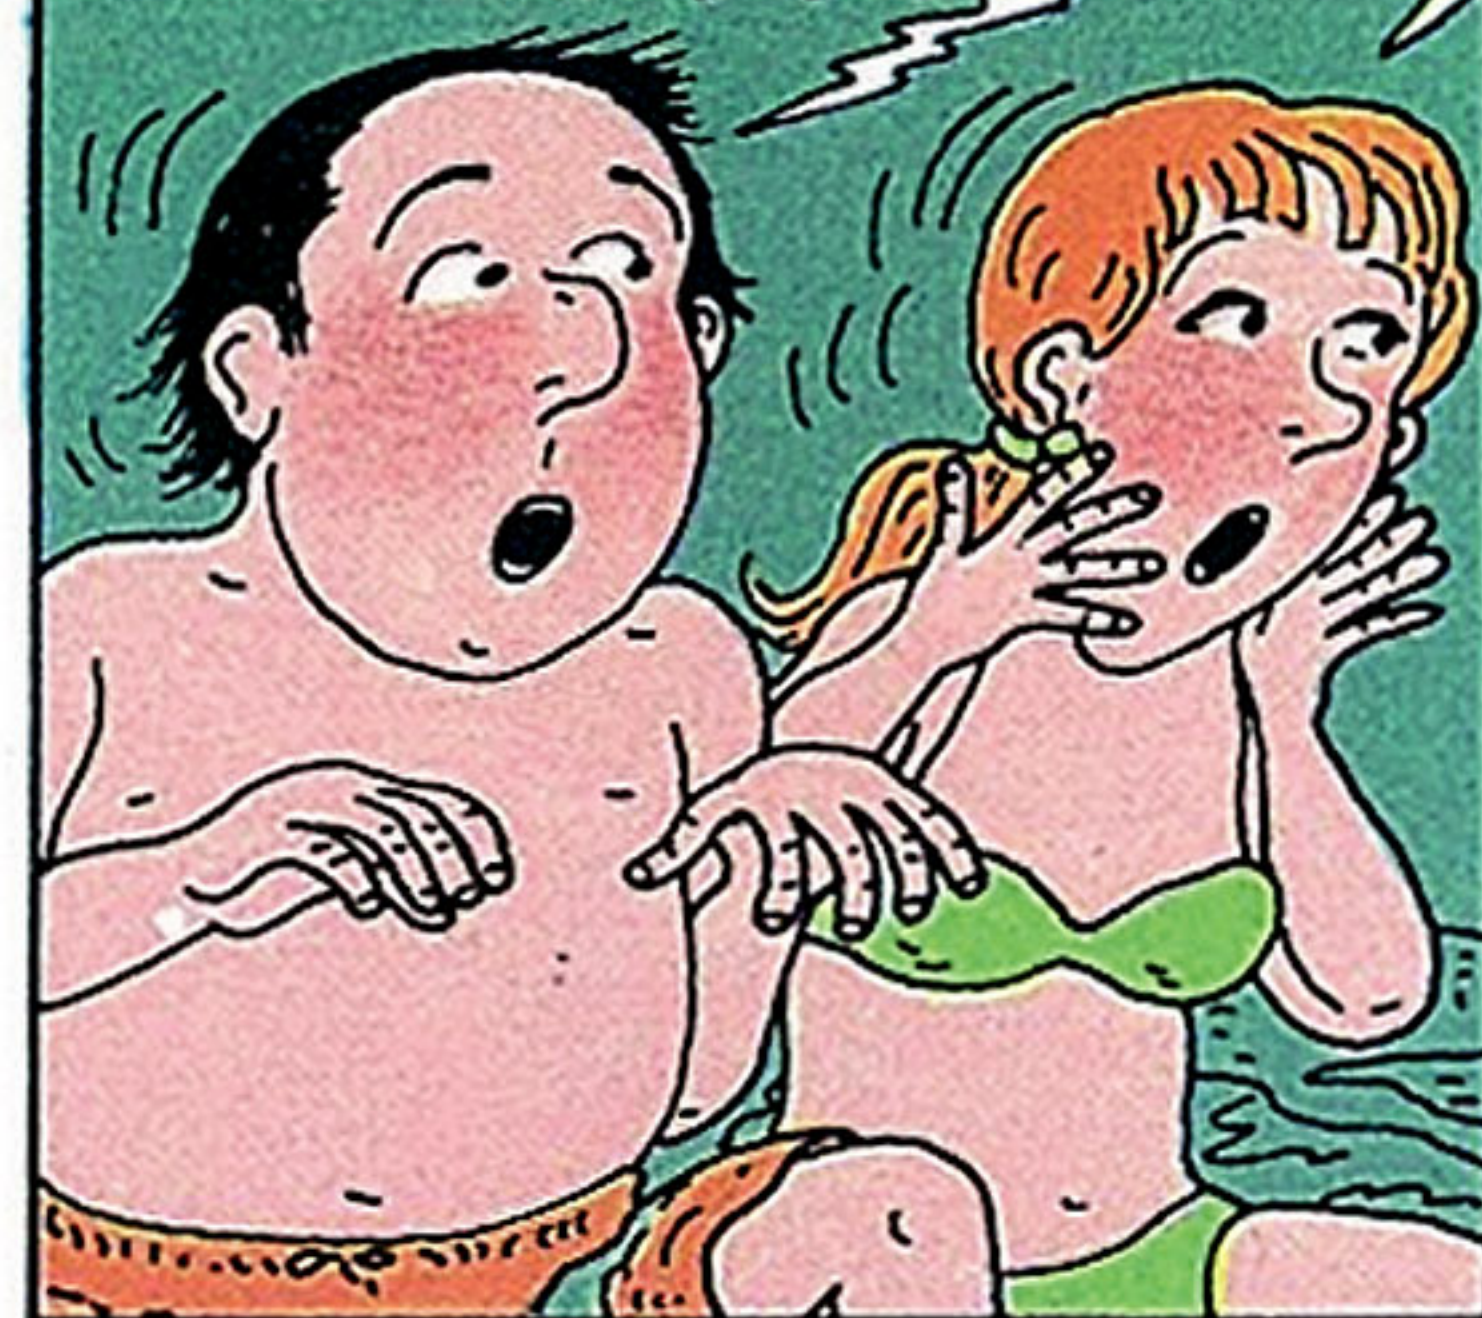

Si on avait un petit canot on irait bronzer sur l'eau!

Justement, j'en ai acheté un à Tom-Tom et Nama!

Quoi, un canot?

C'est de la folie!

Où sont-ils?

Ben... En train de jouer avec dans l'eau!

Je ne les vois nulle part!

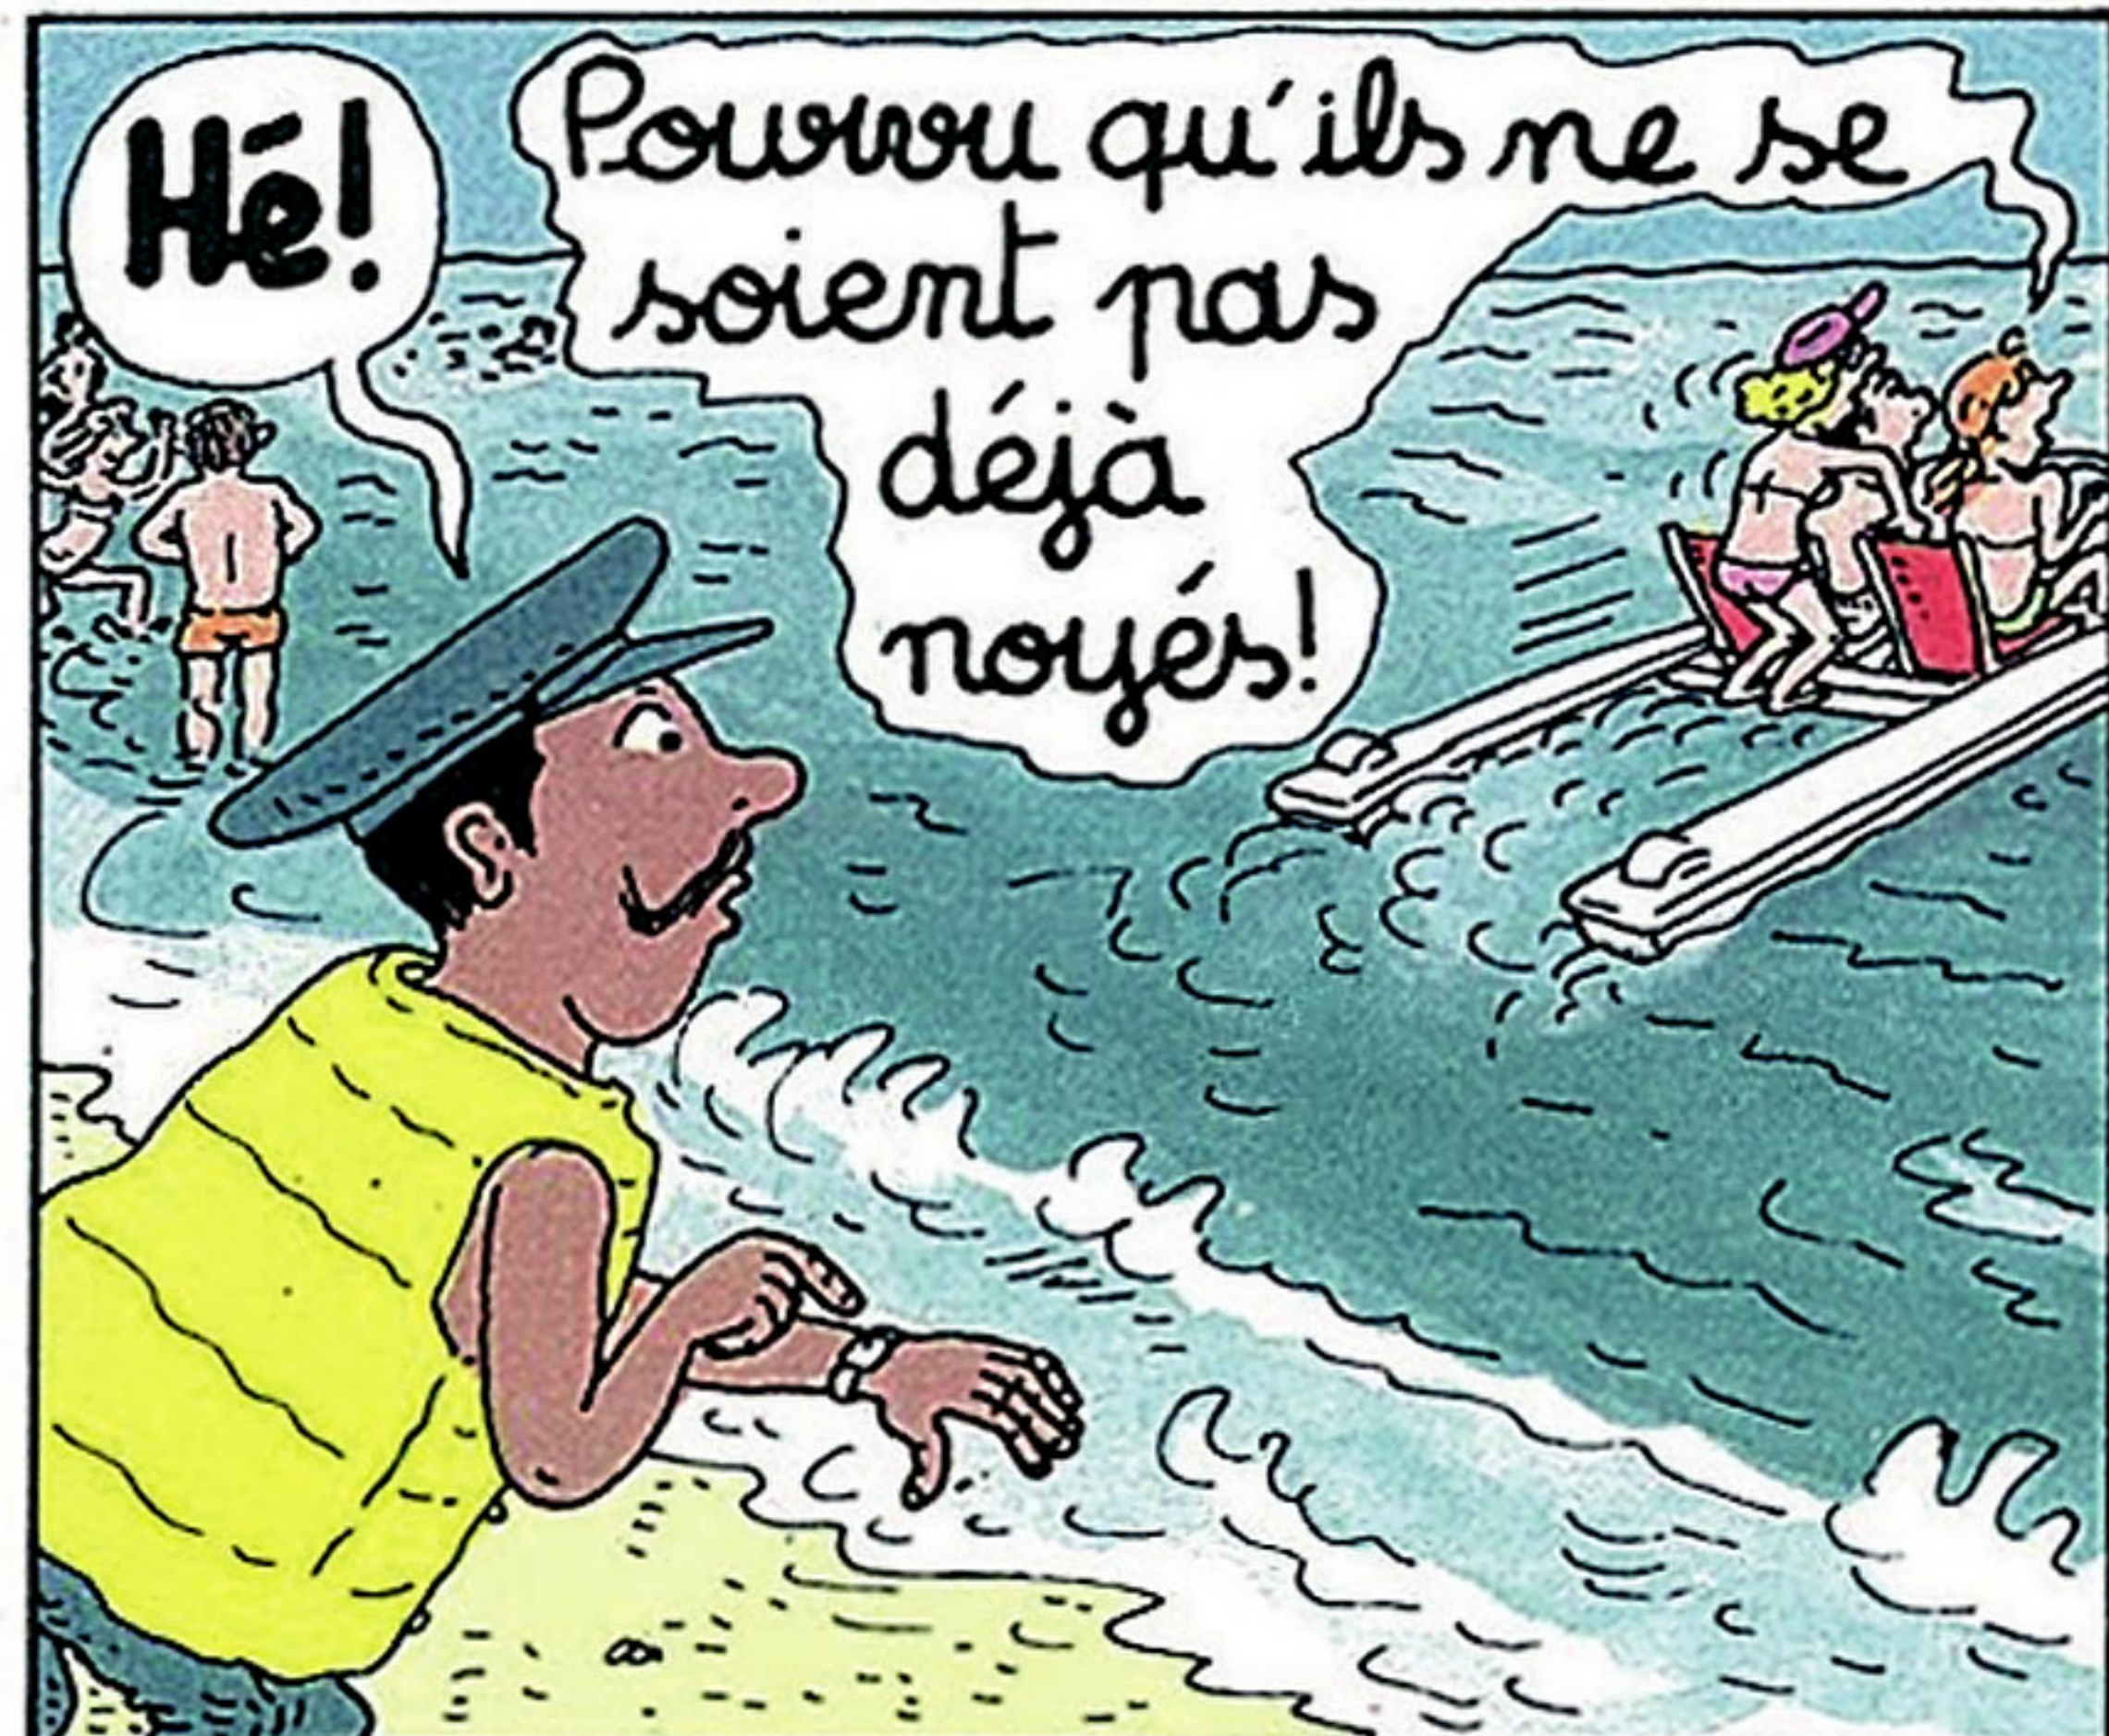

Tels que je les connais, ils sont partis au large!

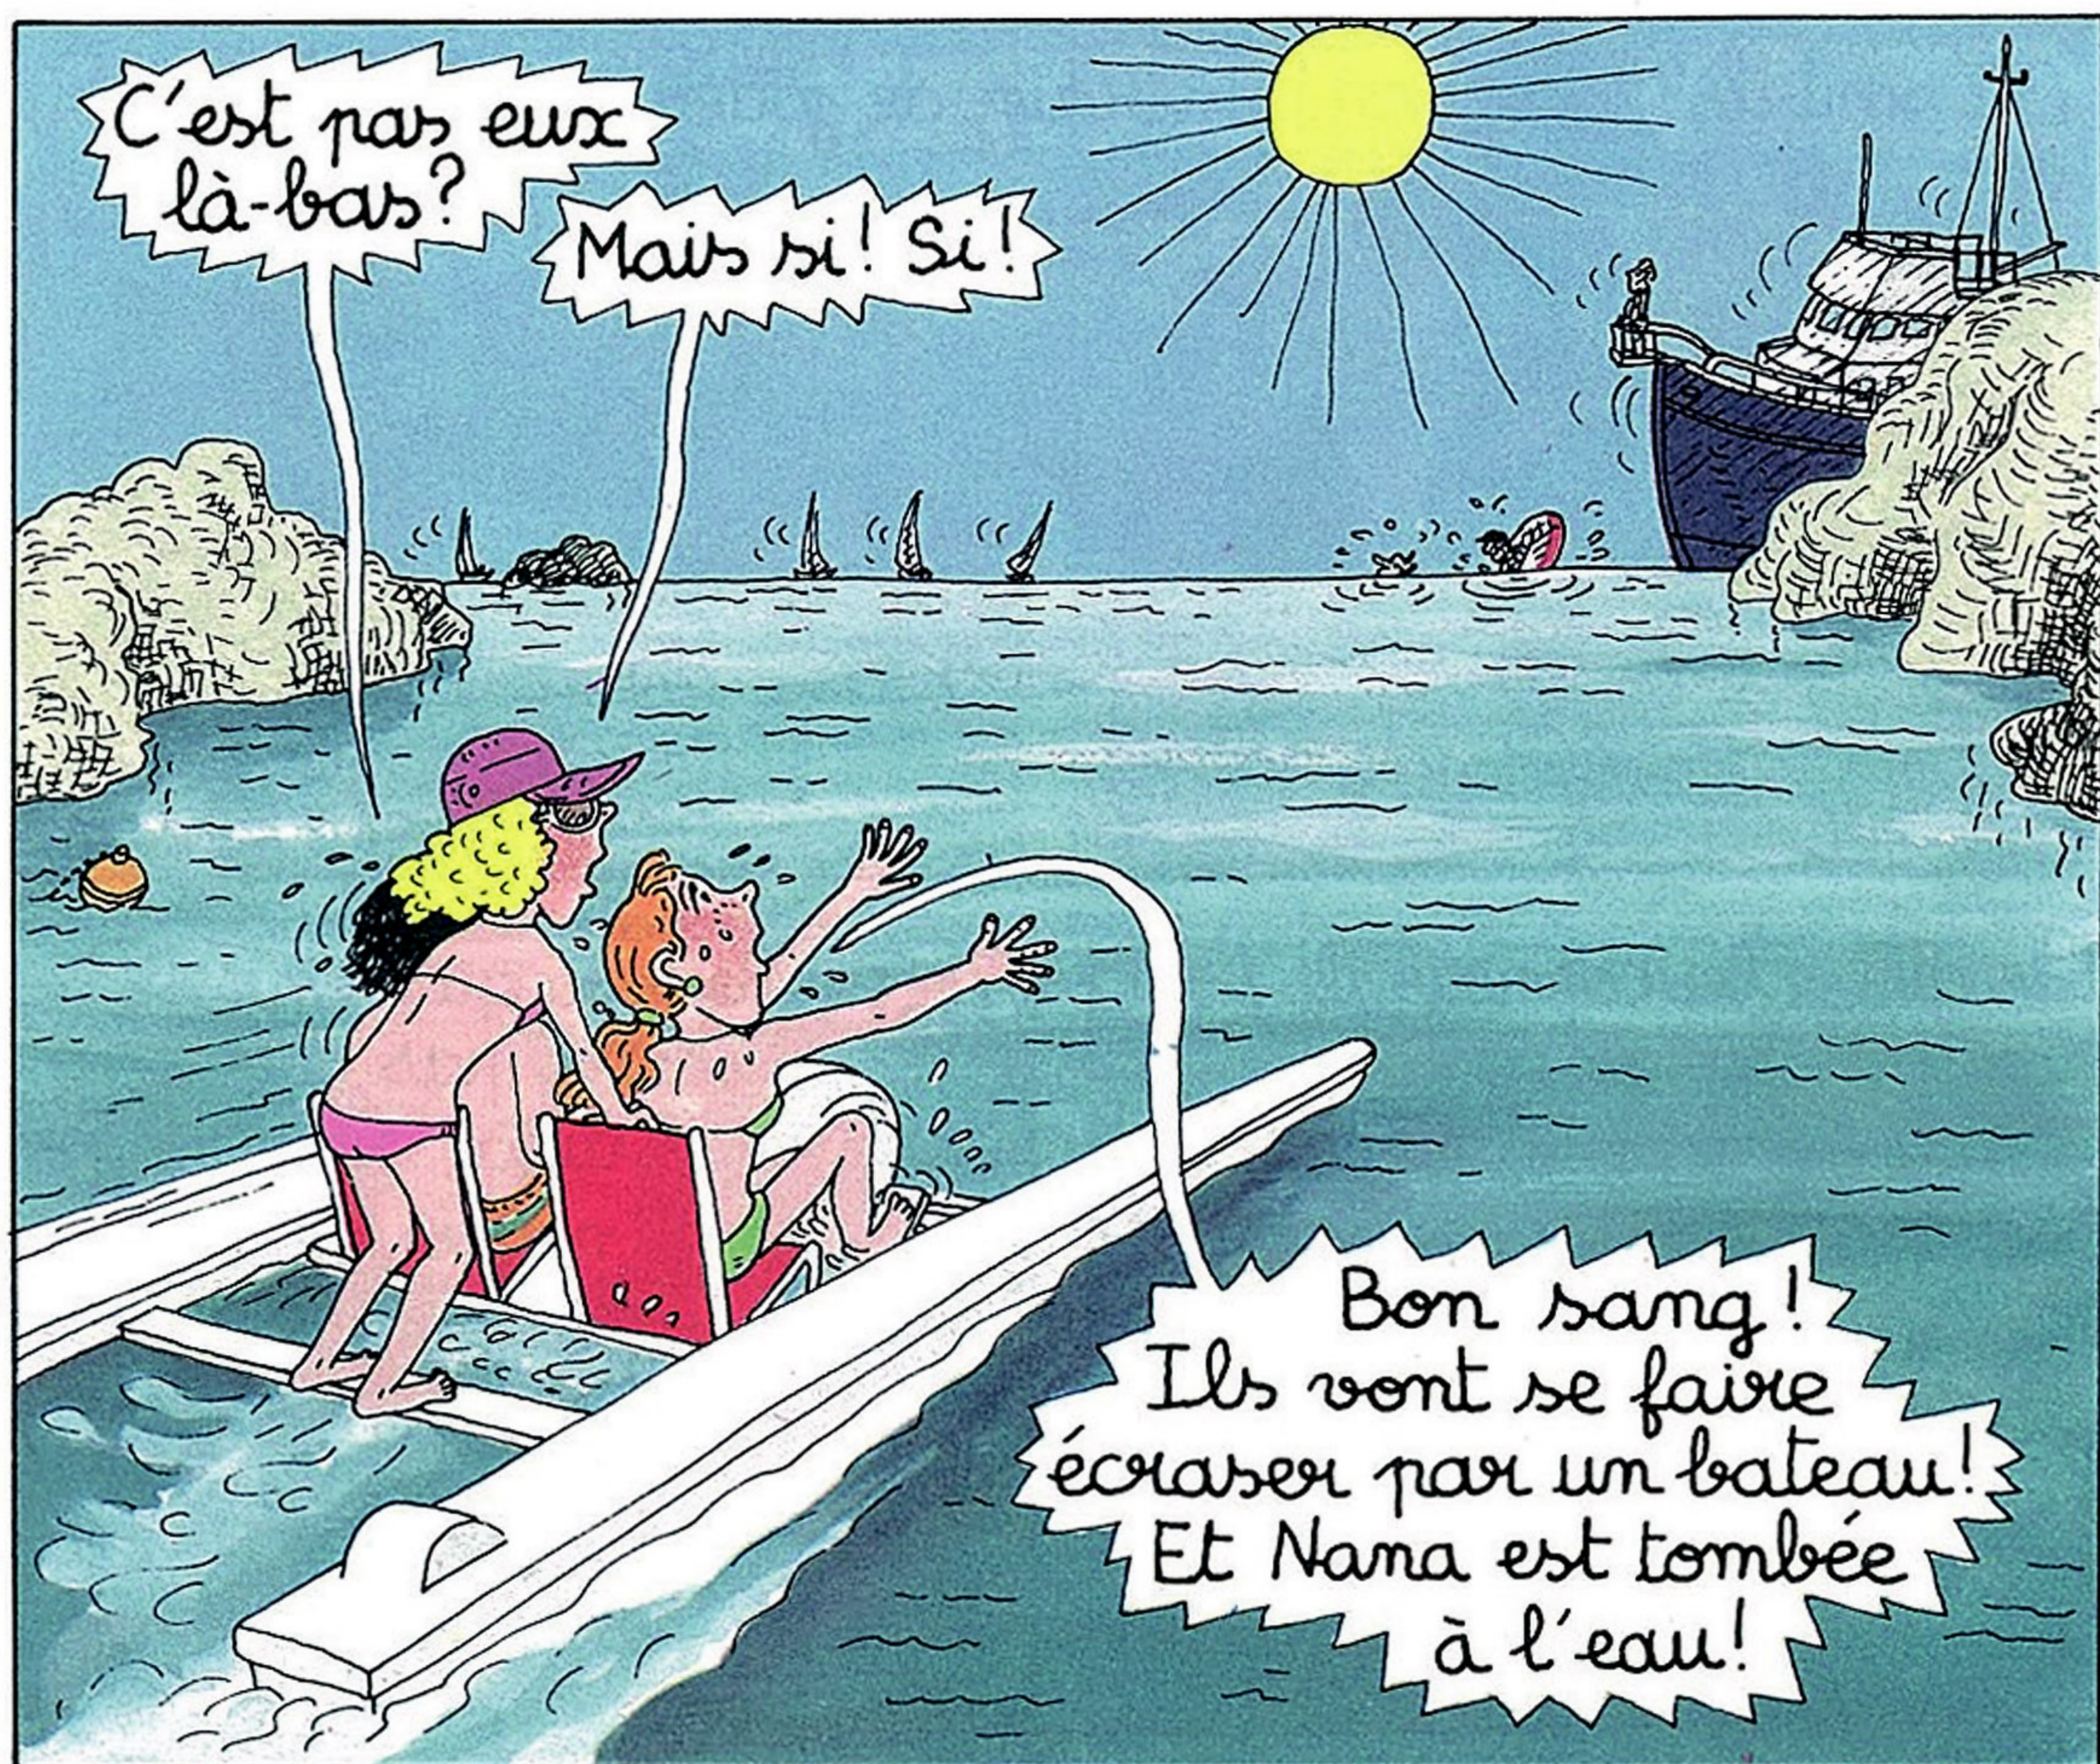

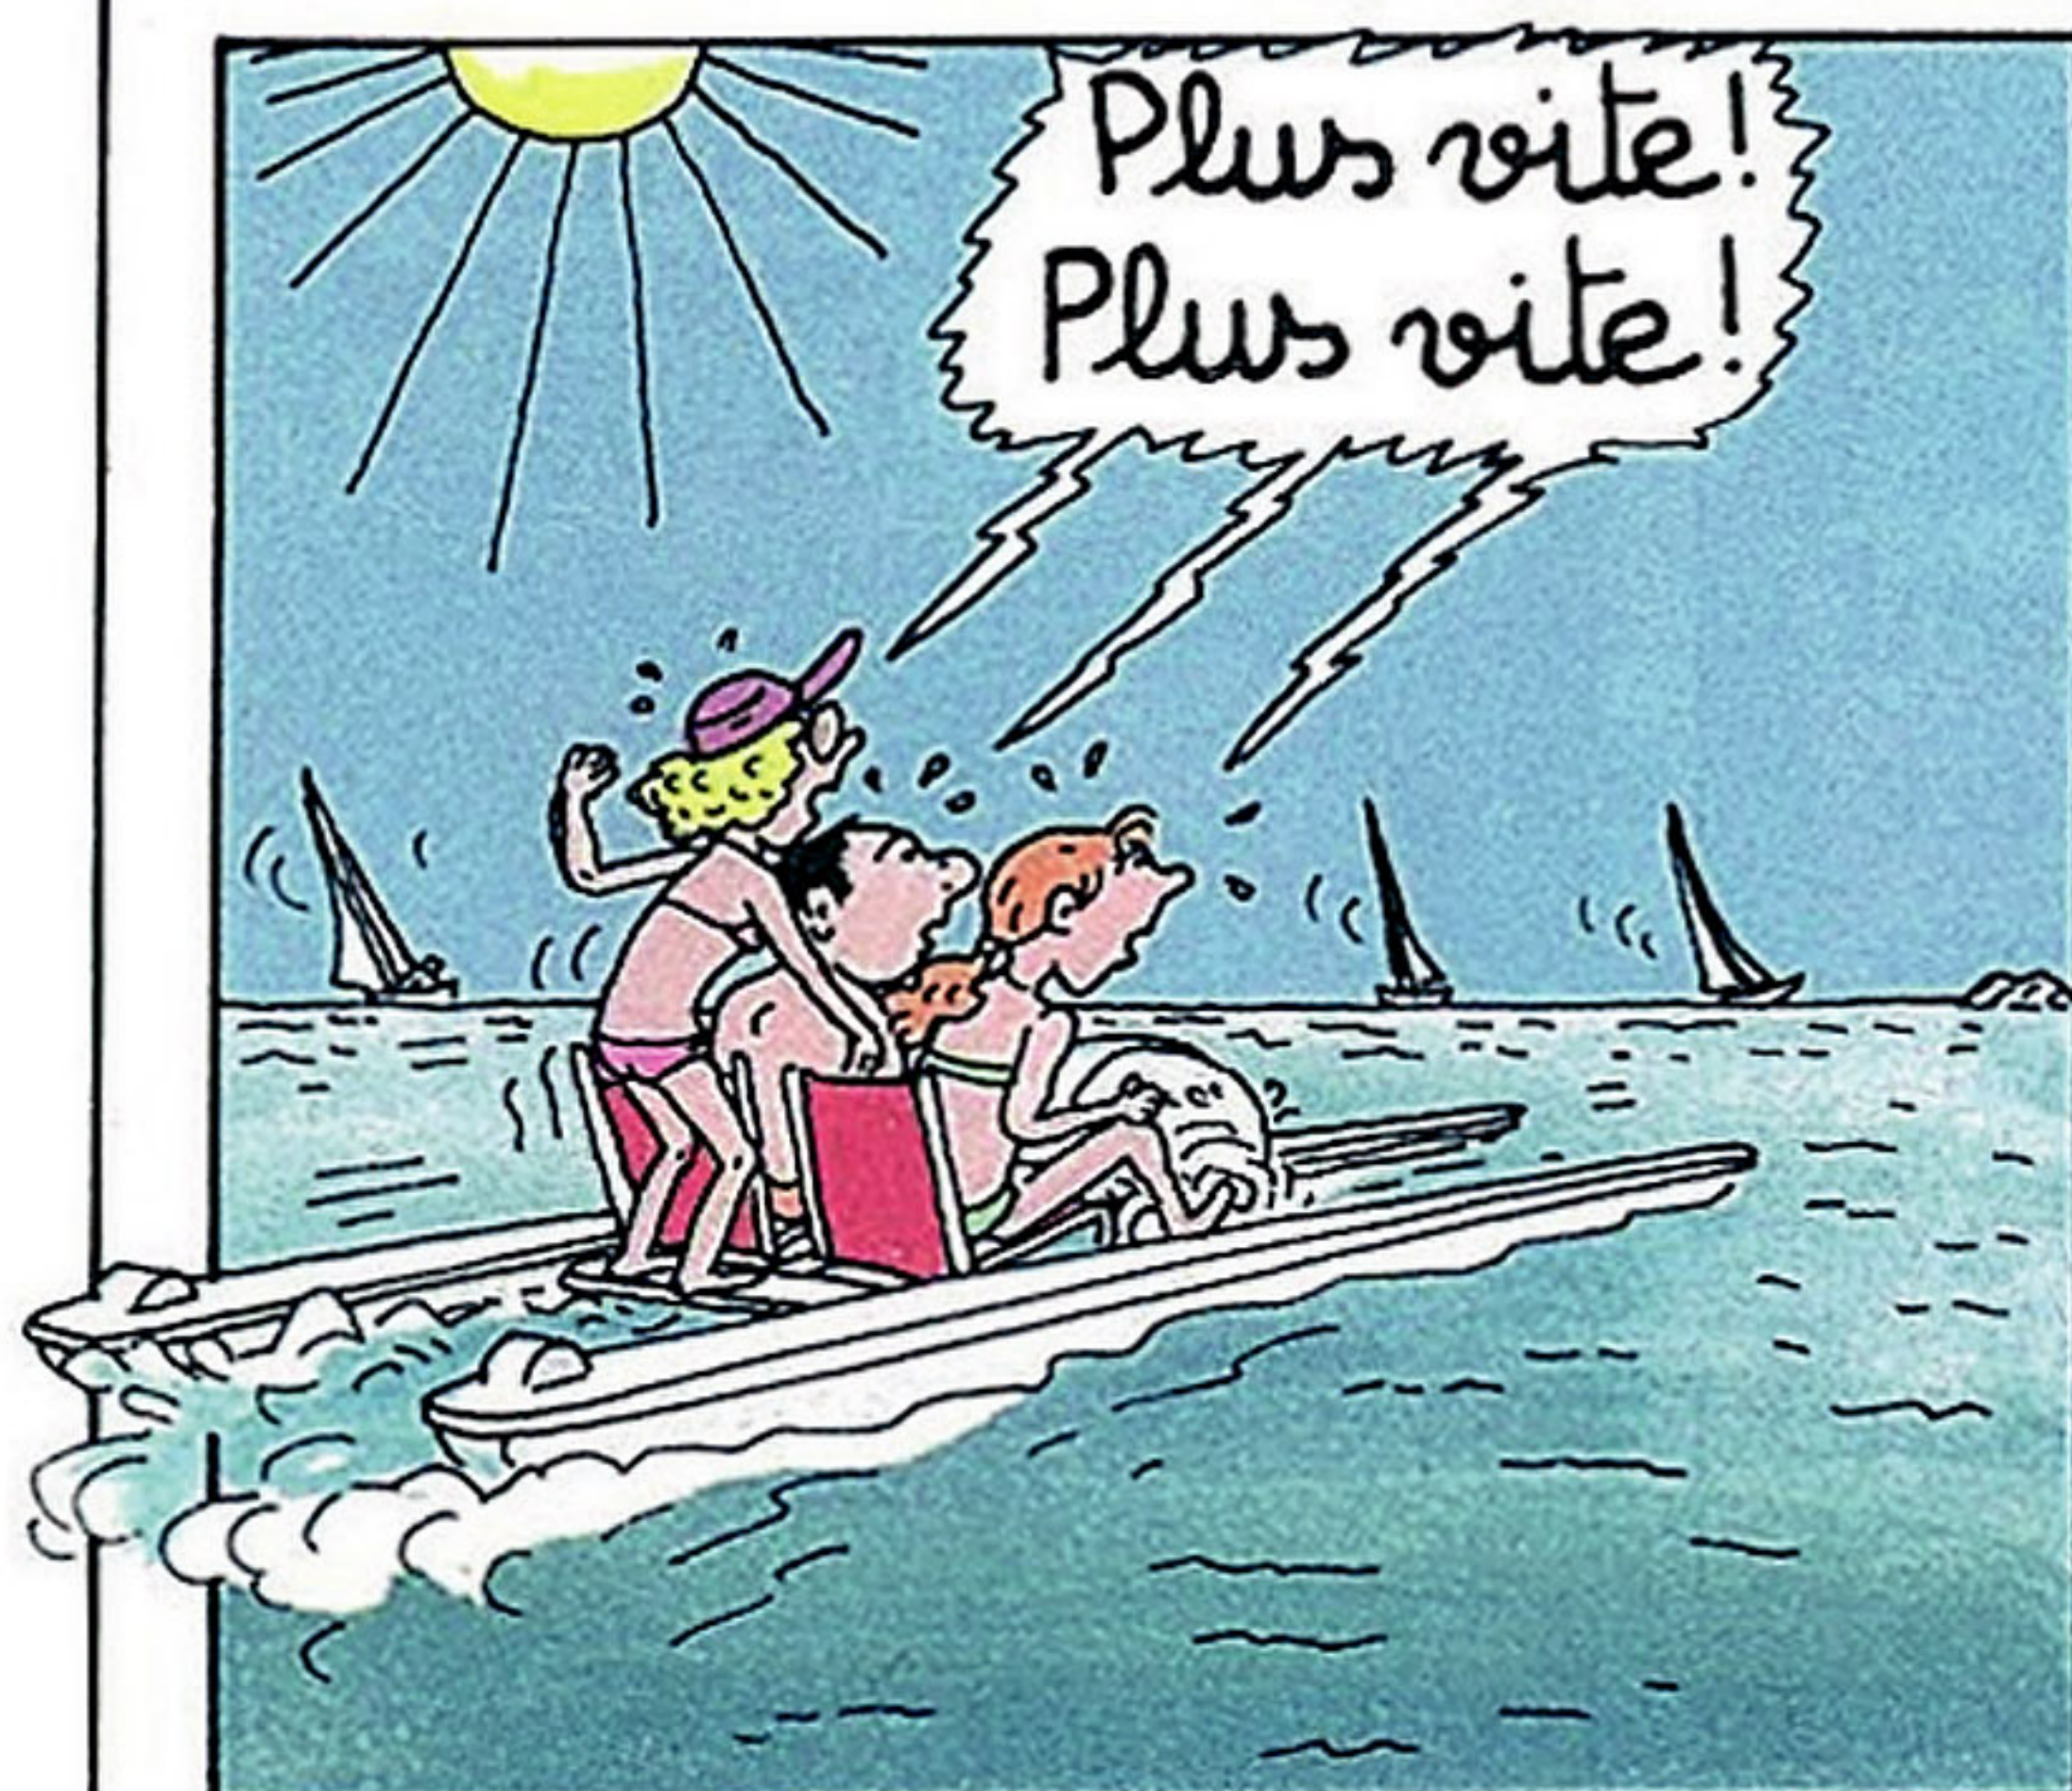

Vite, un pédalo!

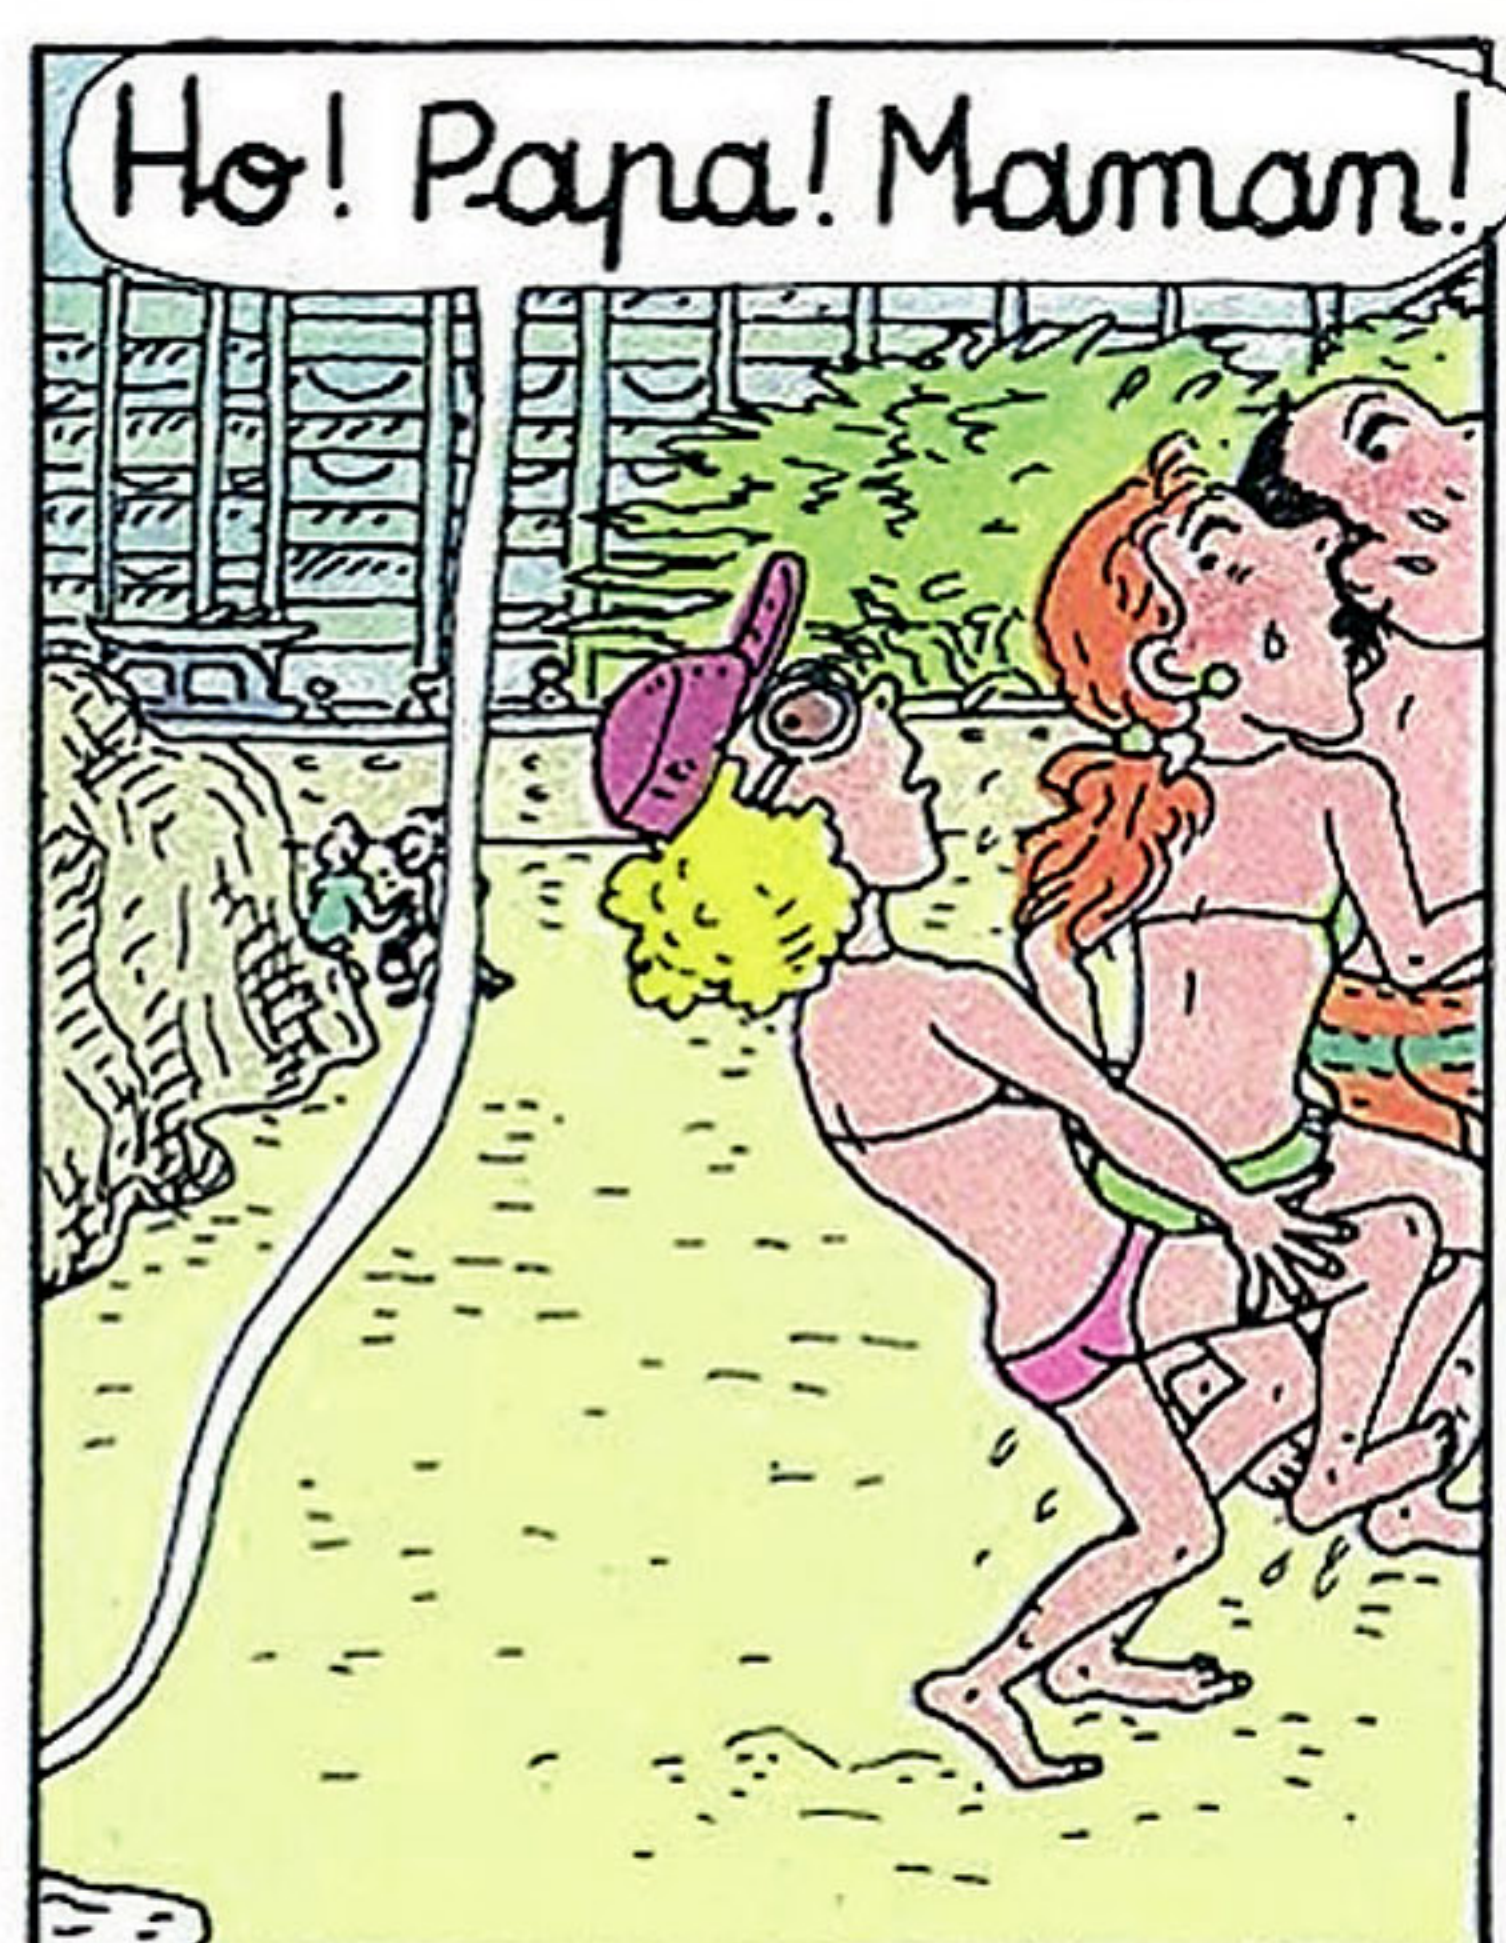

Hé!

Pourvu qu'ils ne se soient pas déjà noyés!

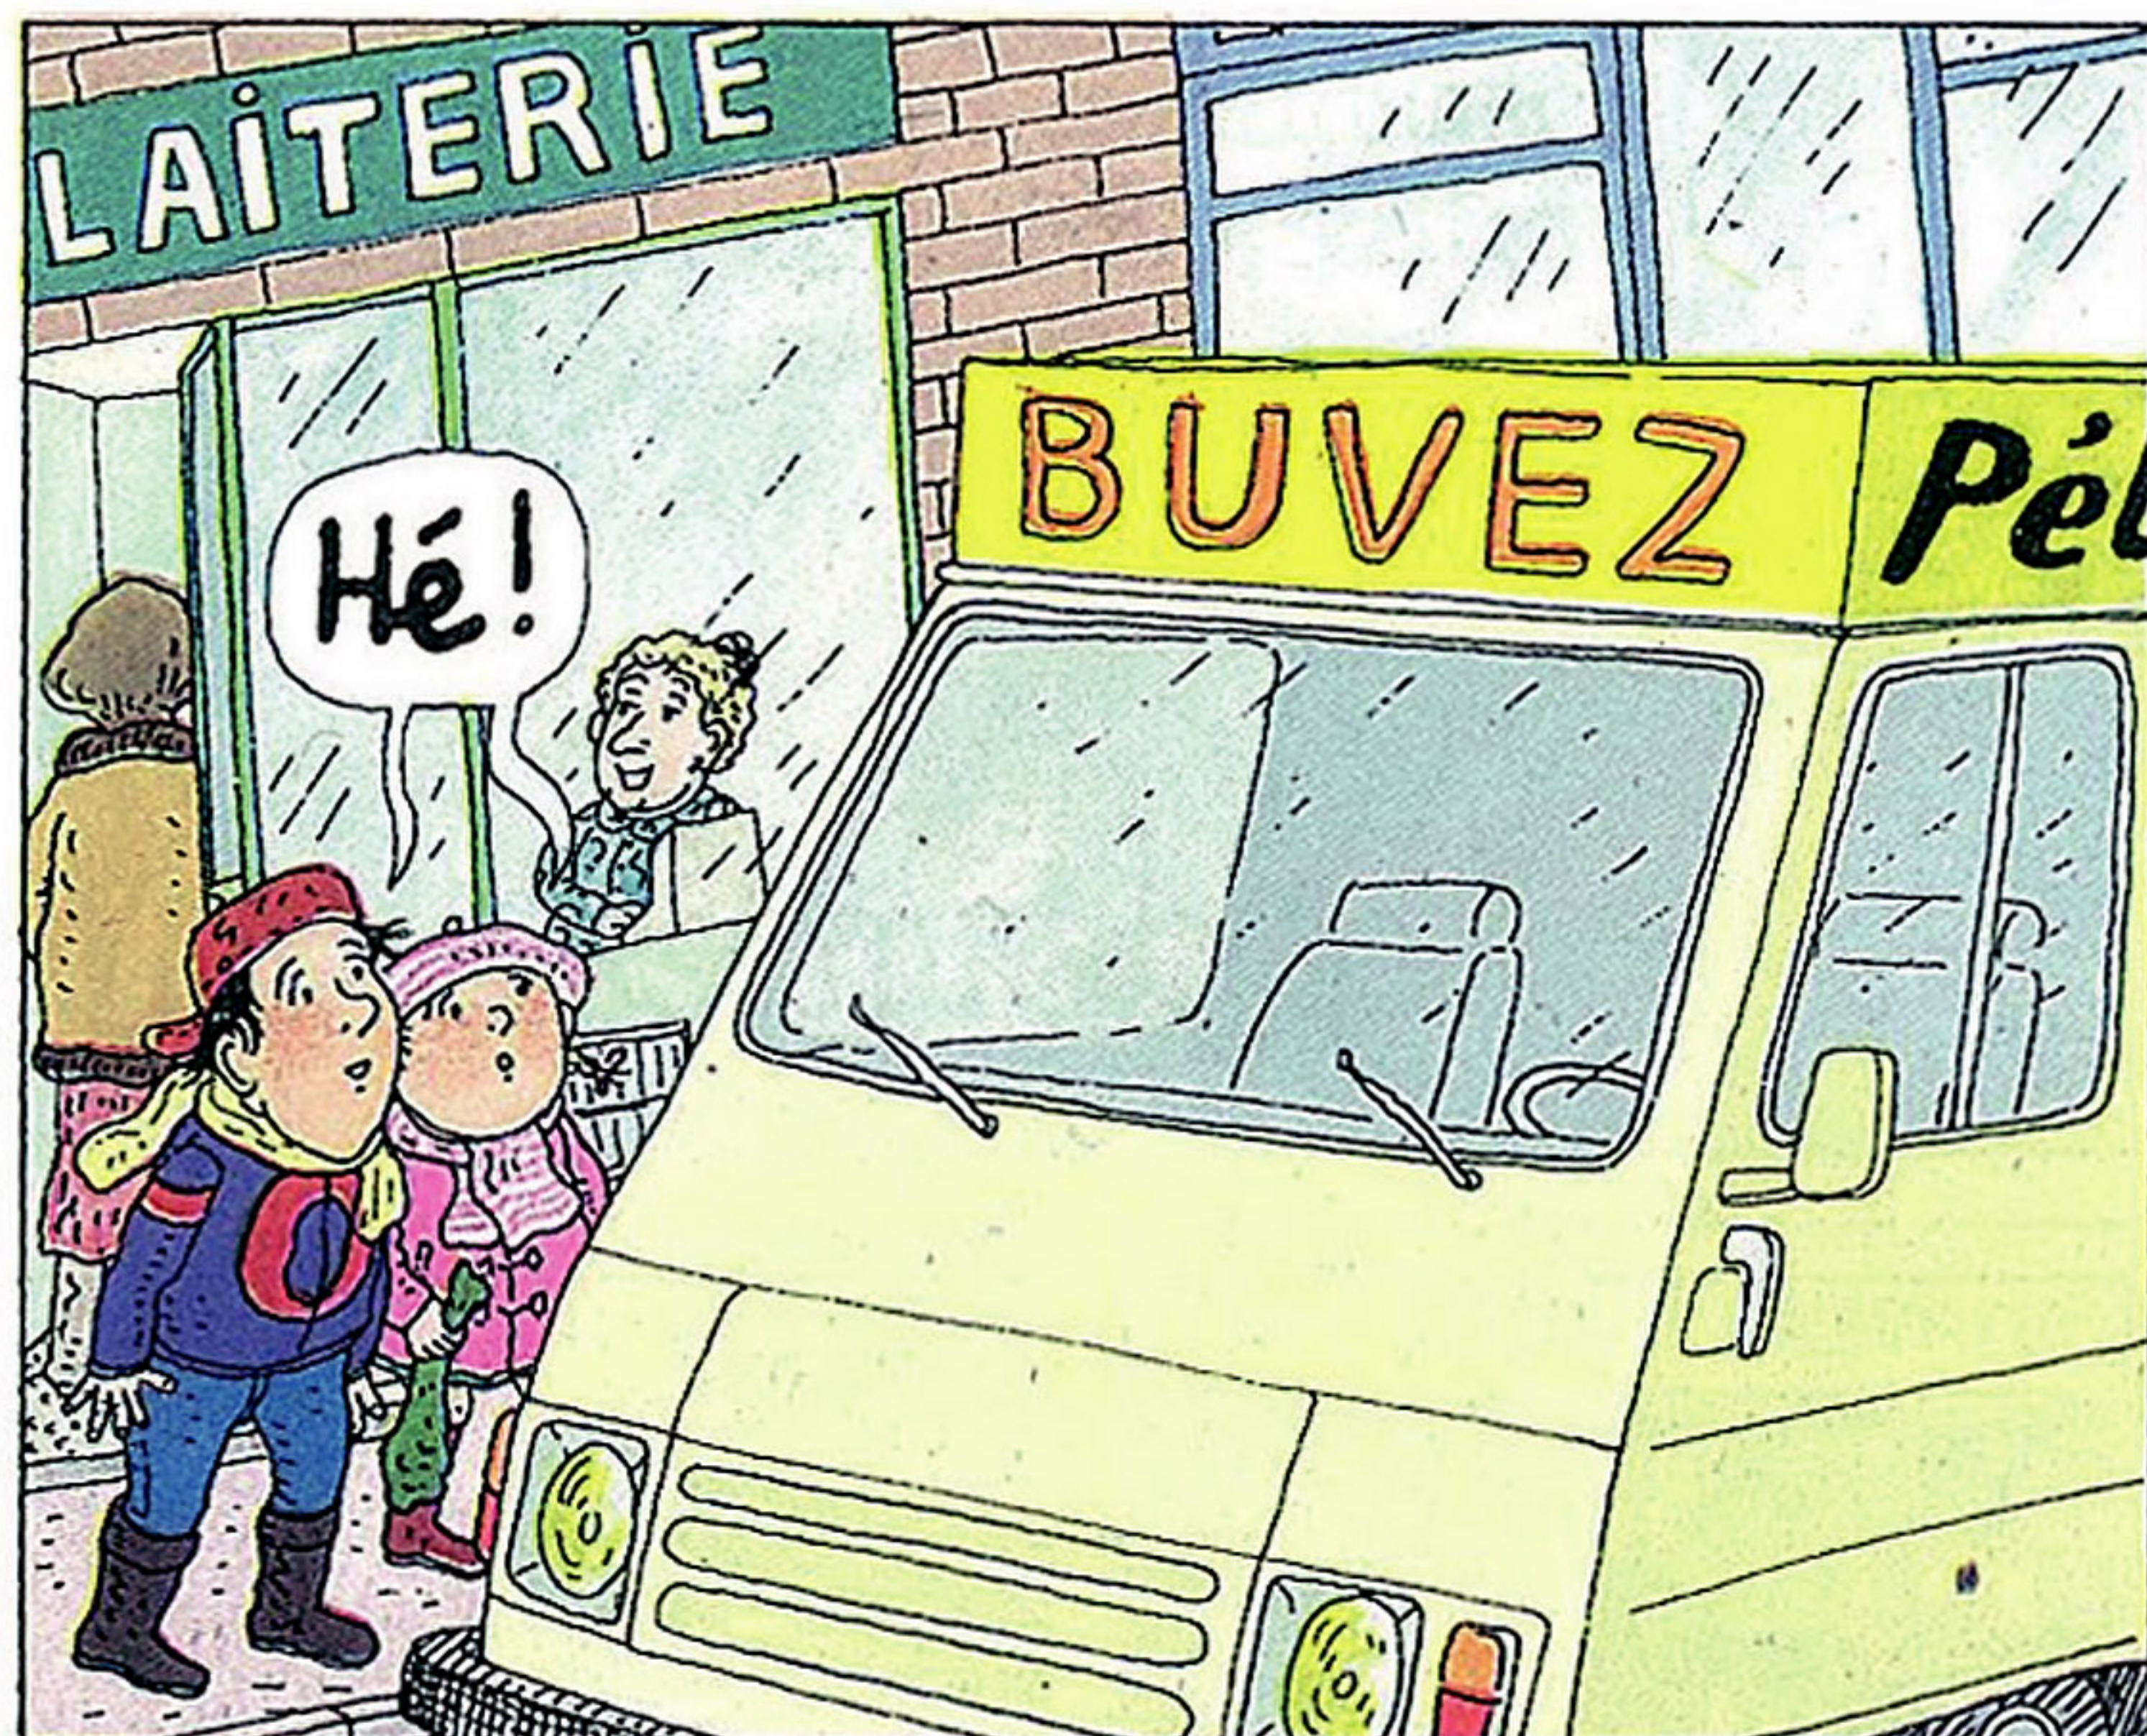

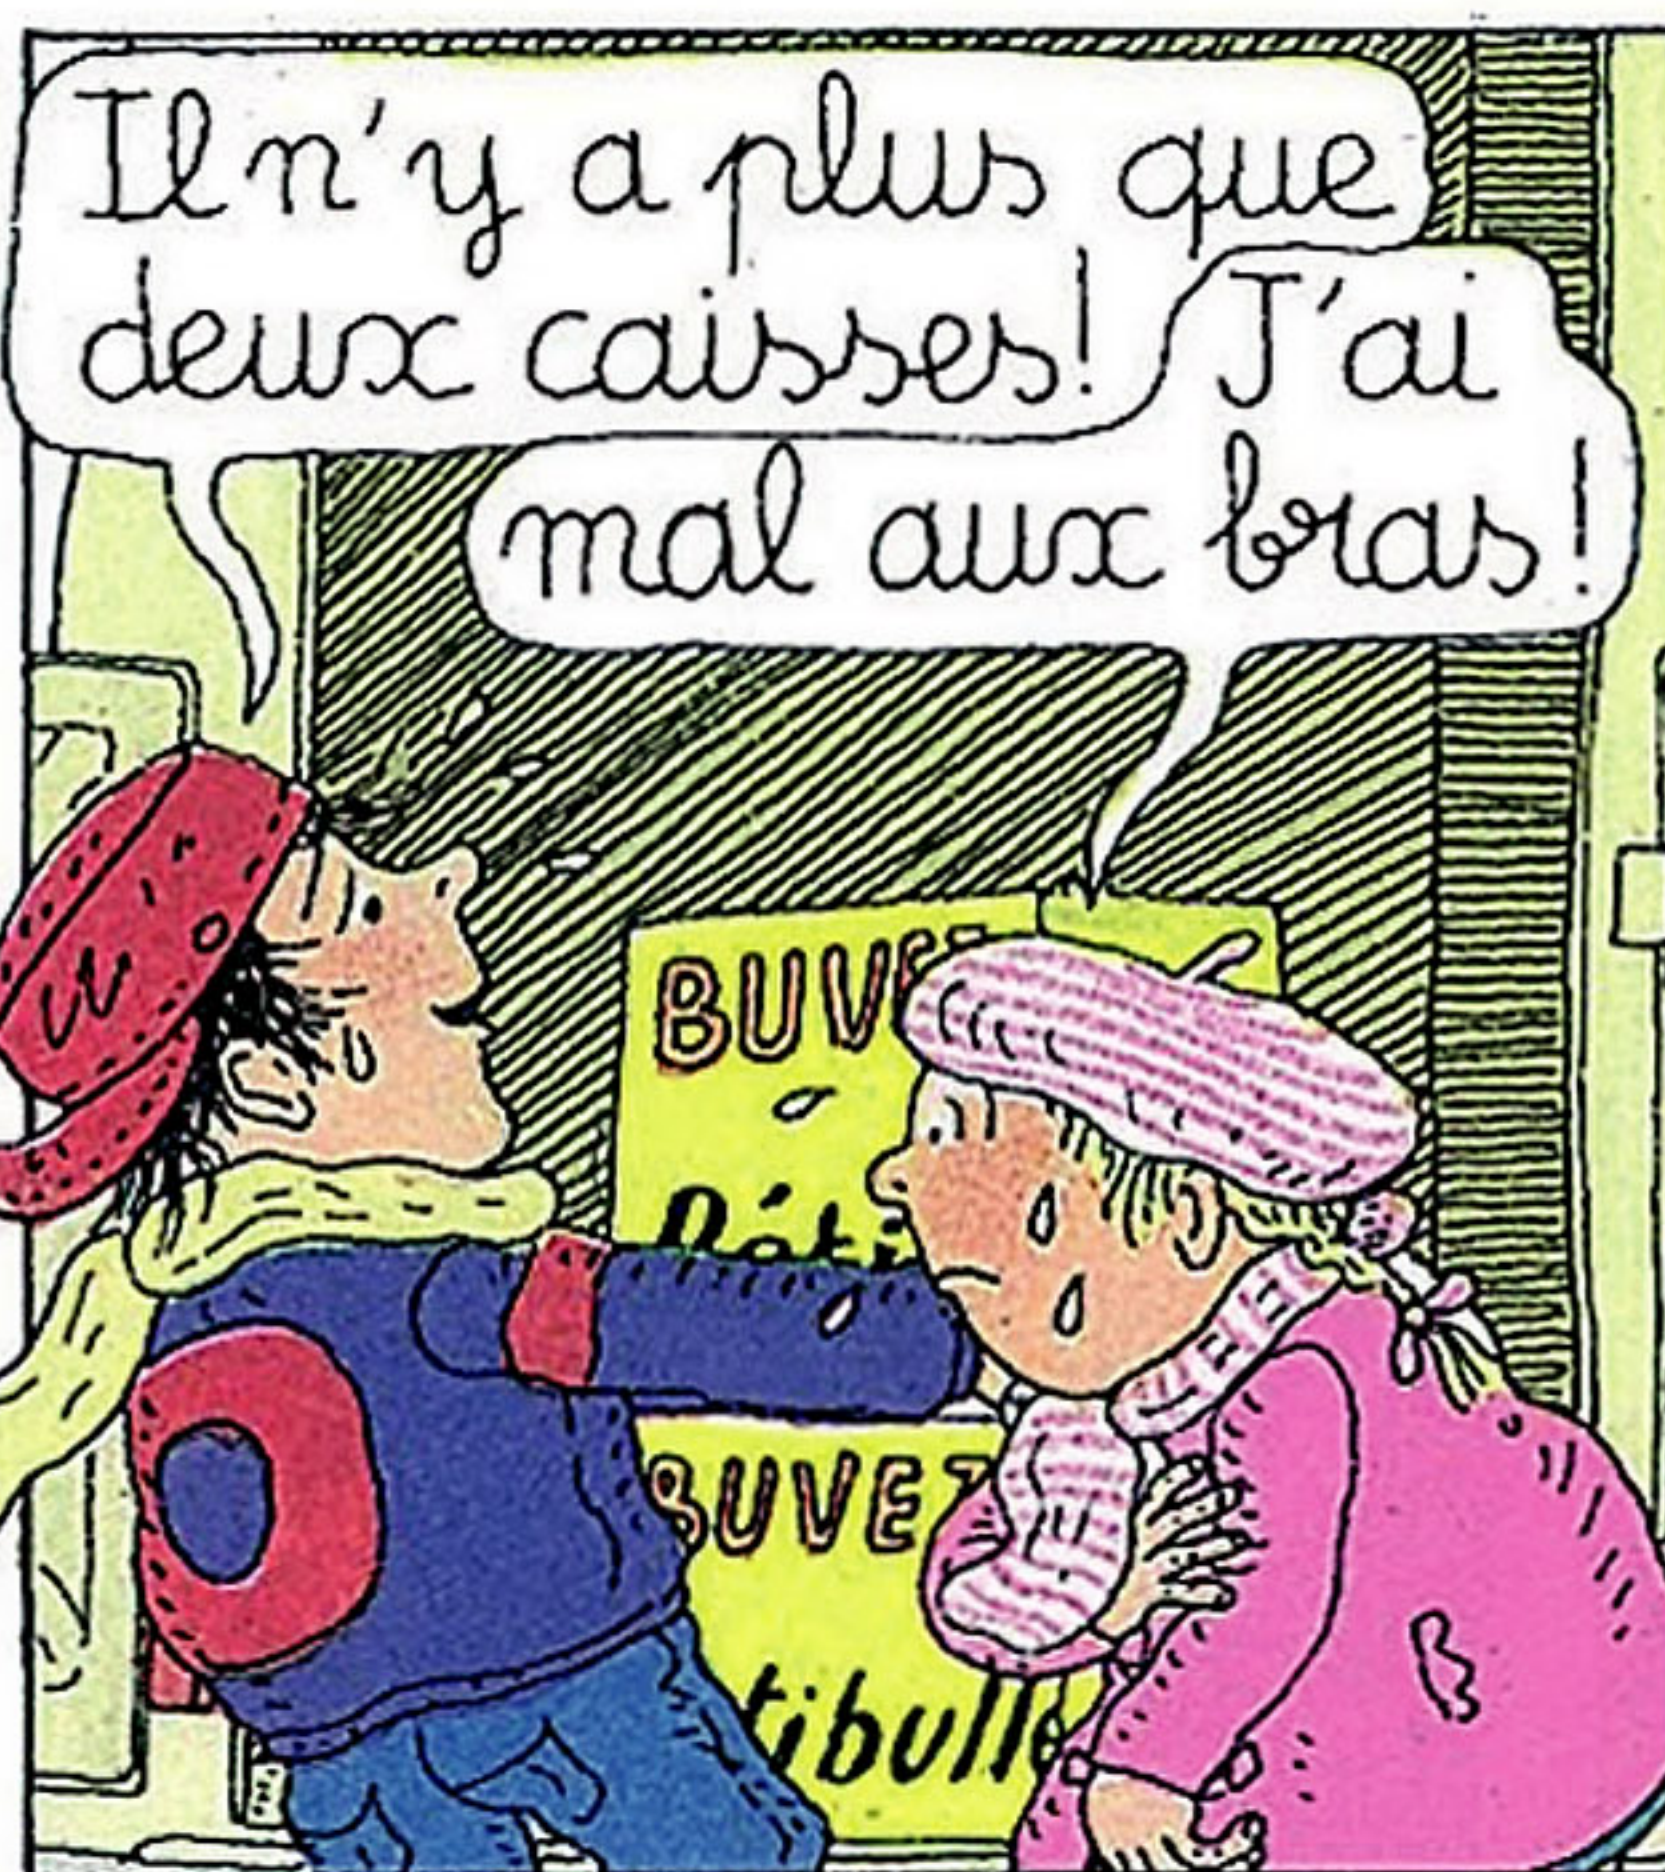

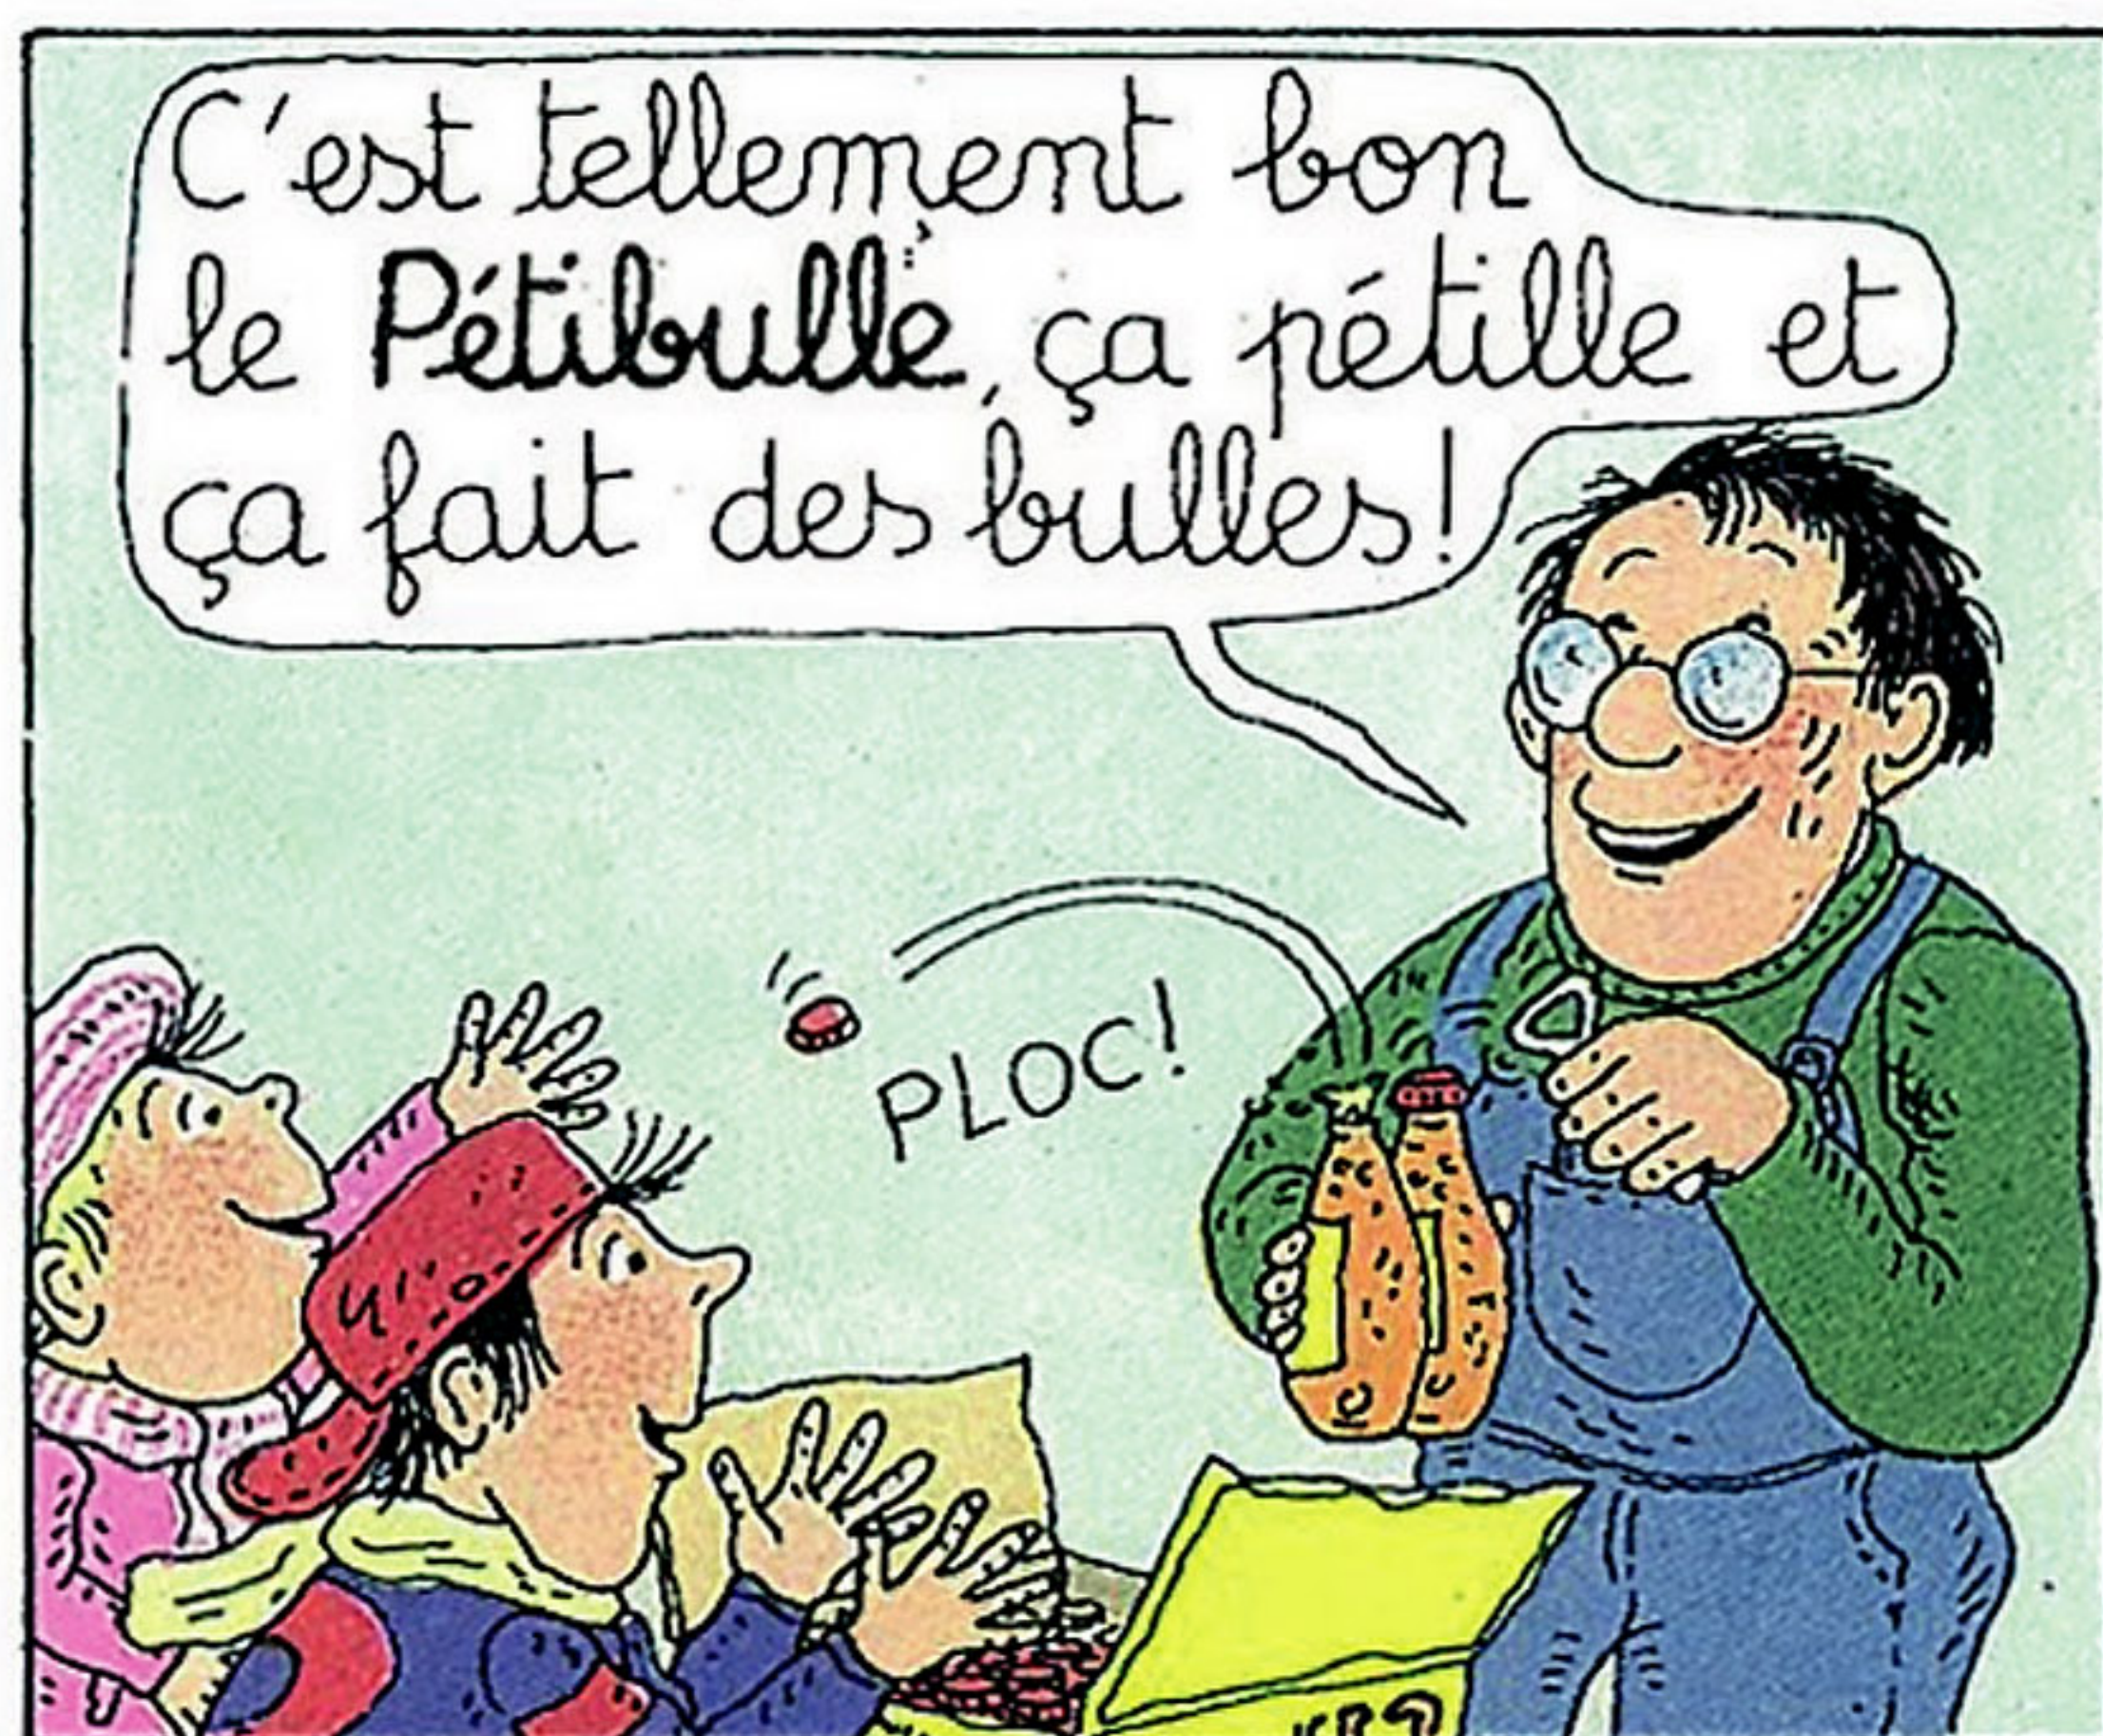

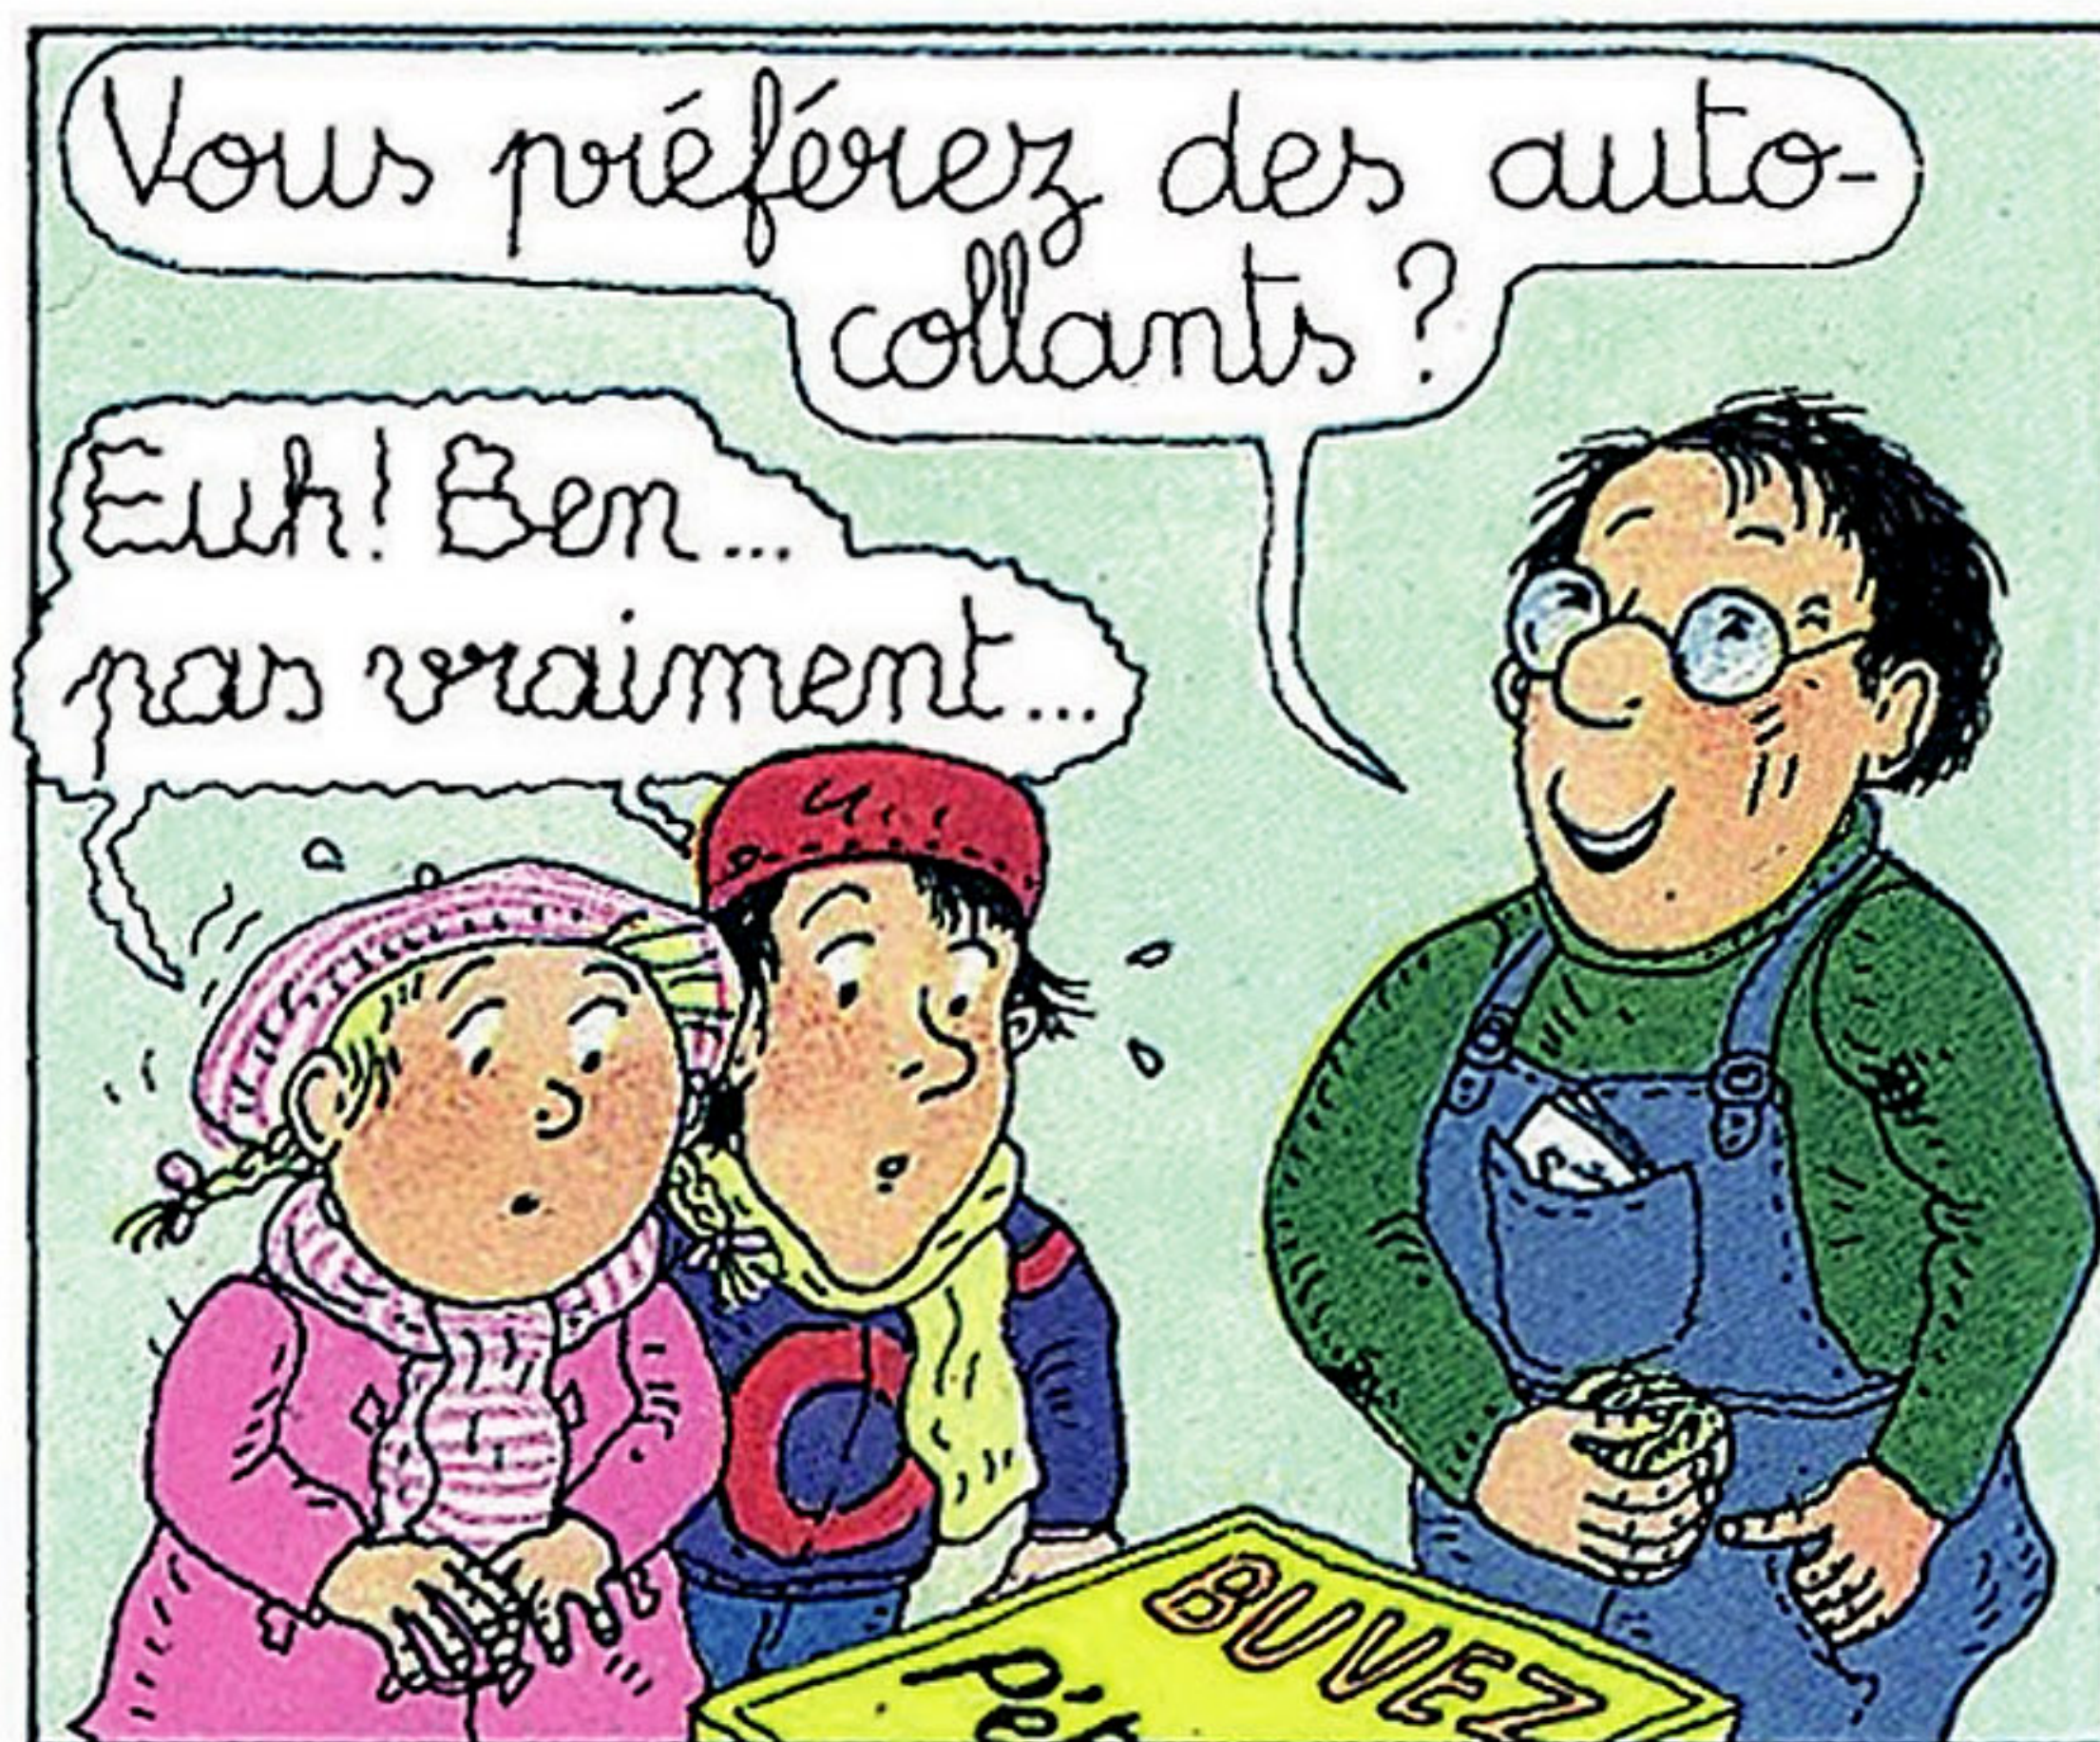

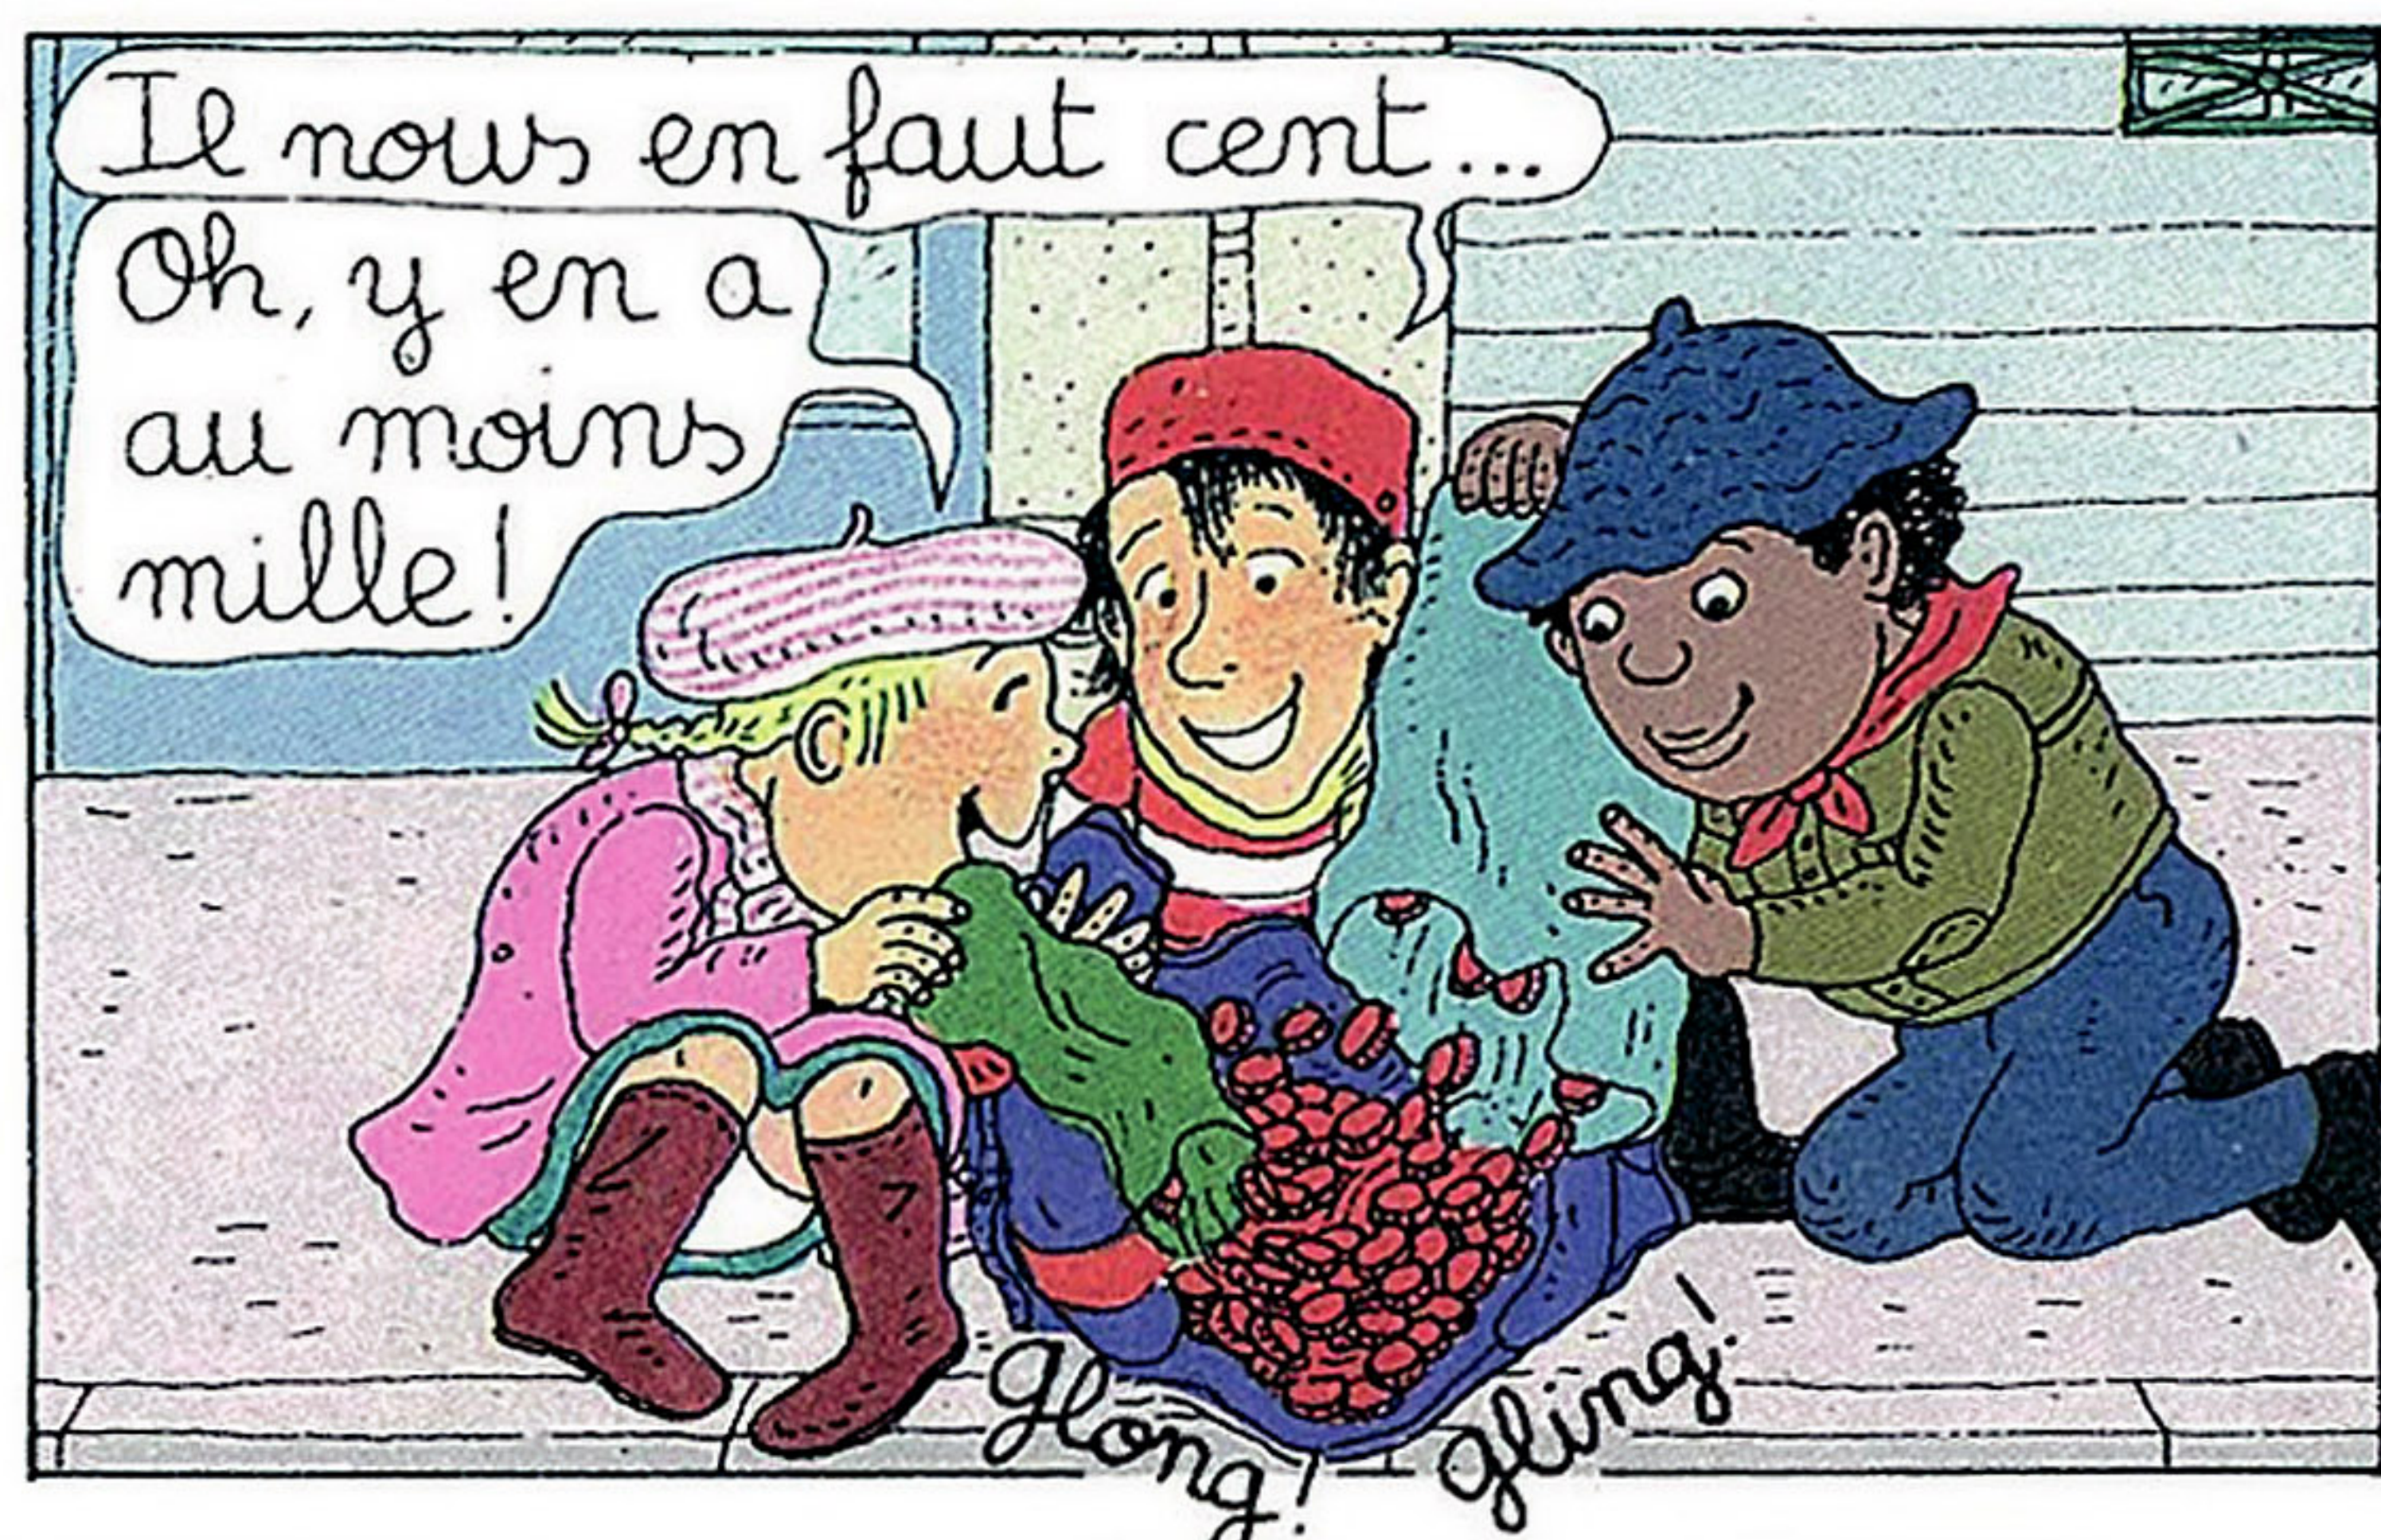

La dernière capsule

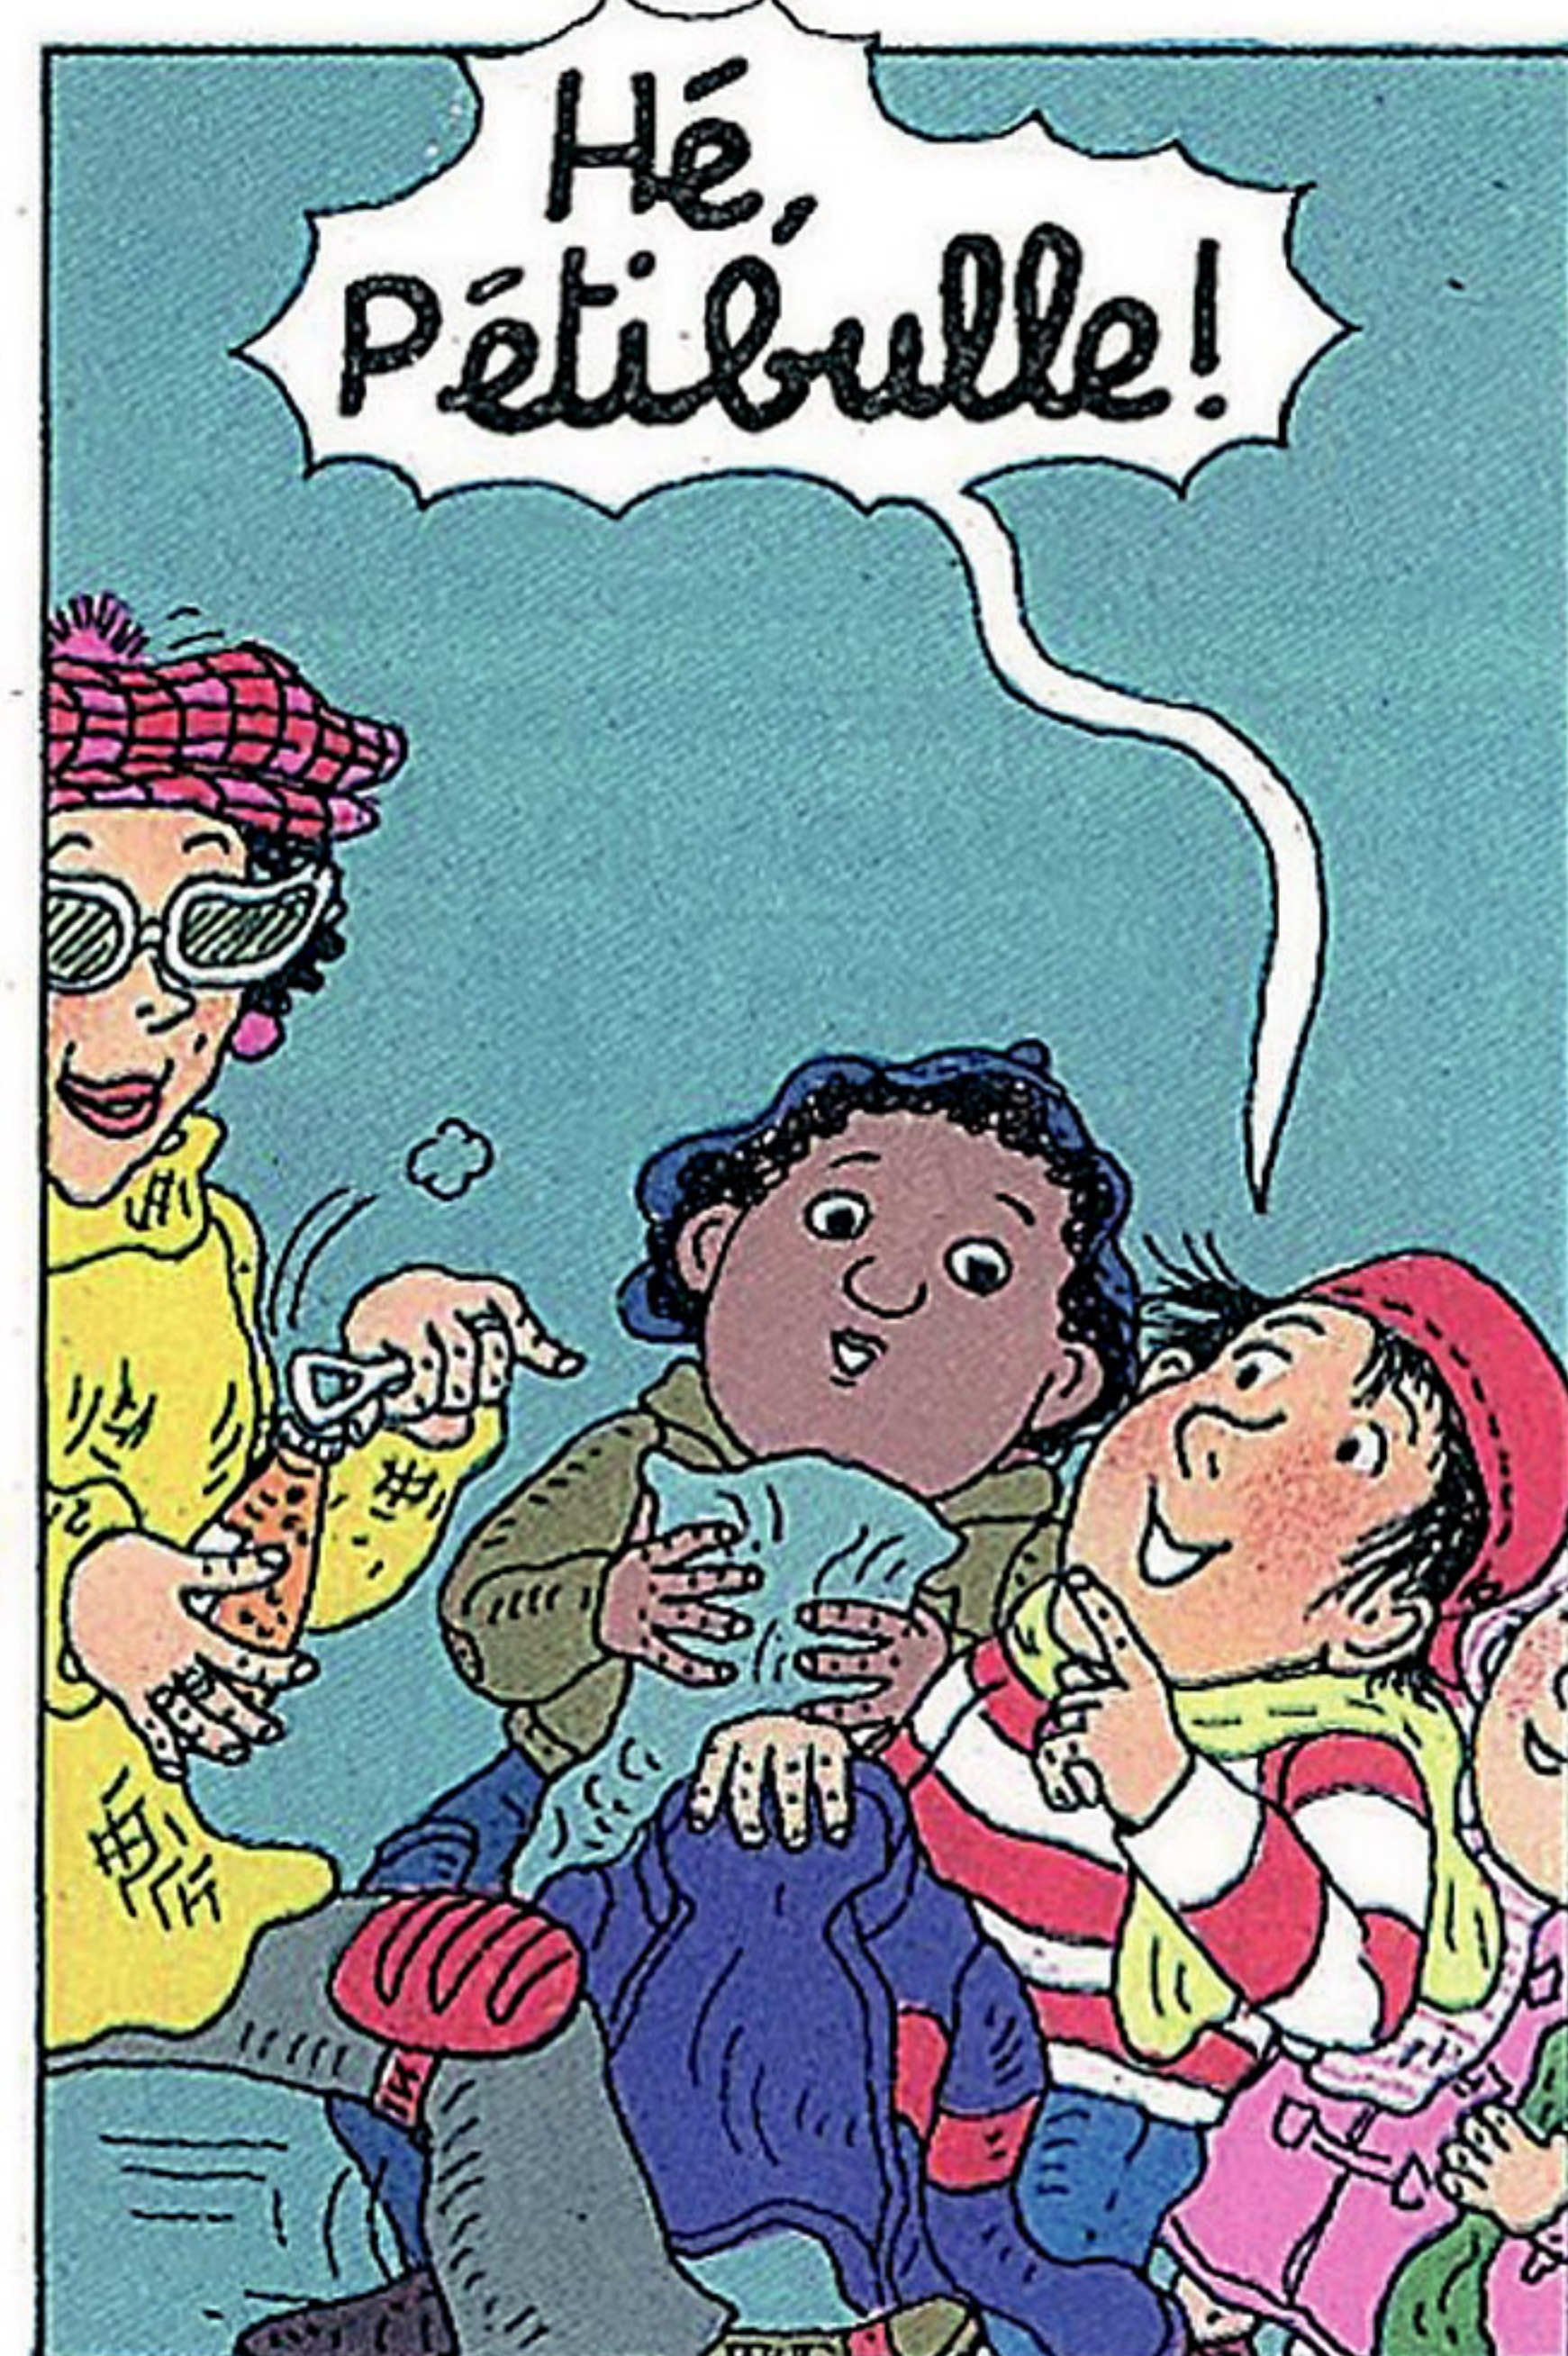

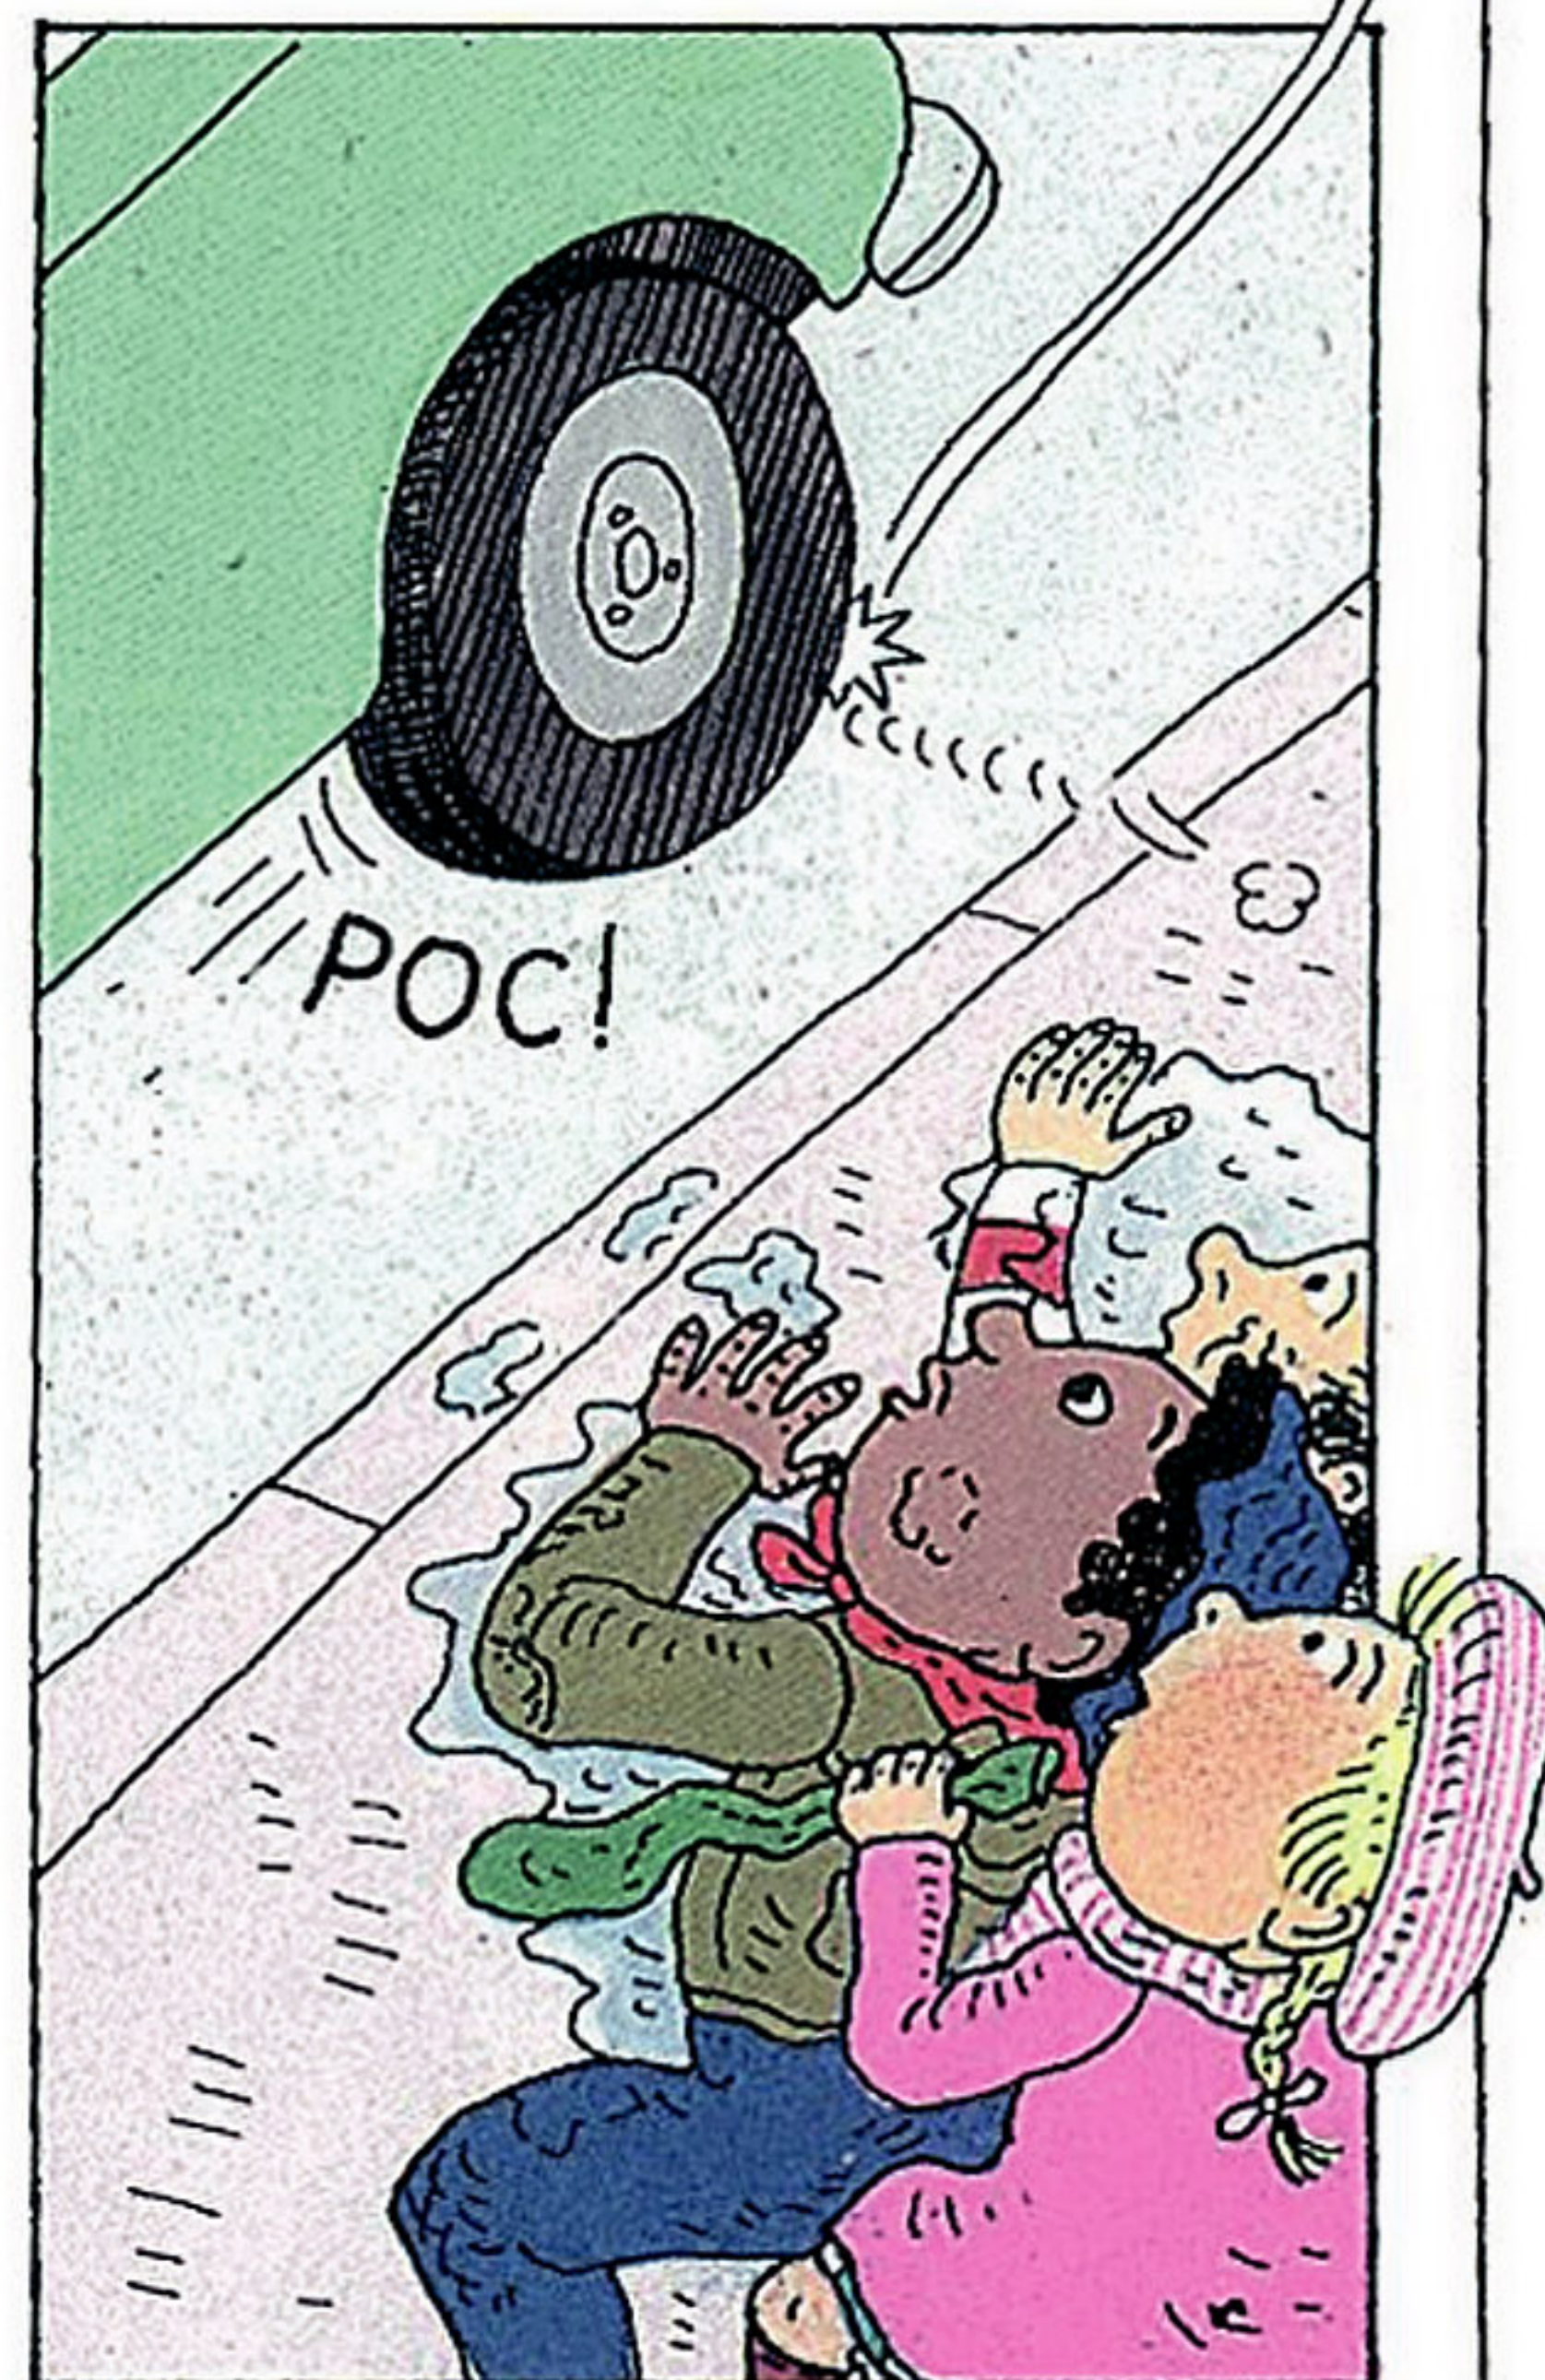

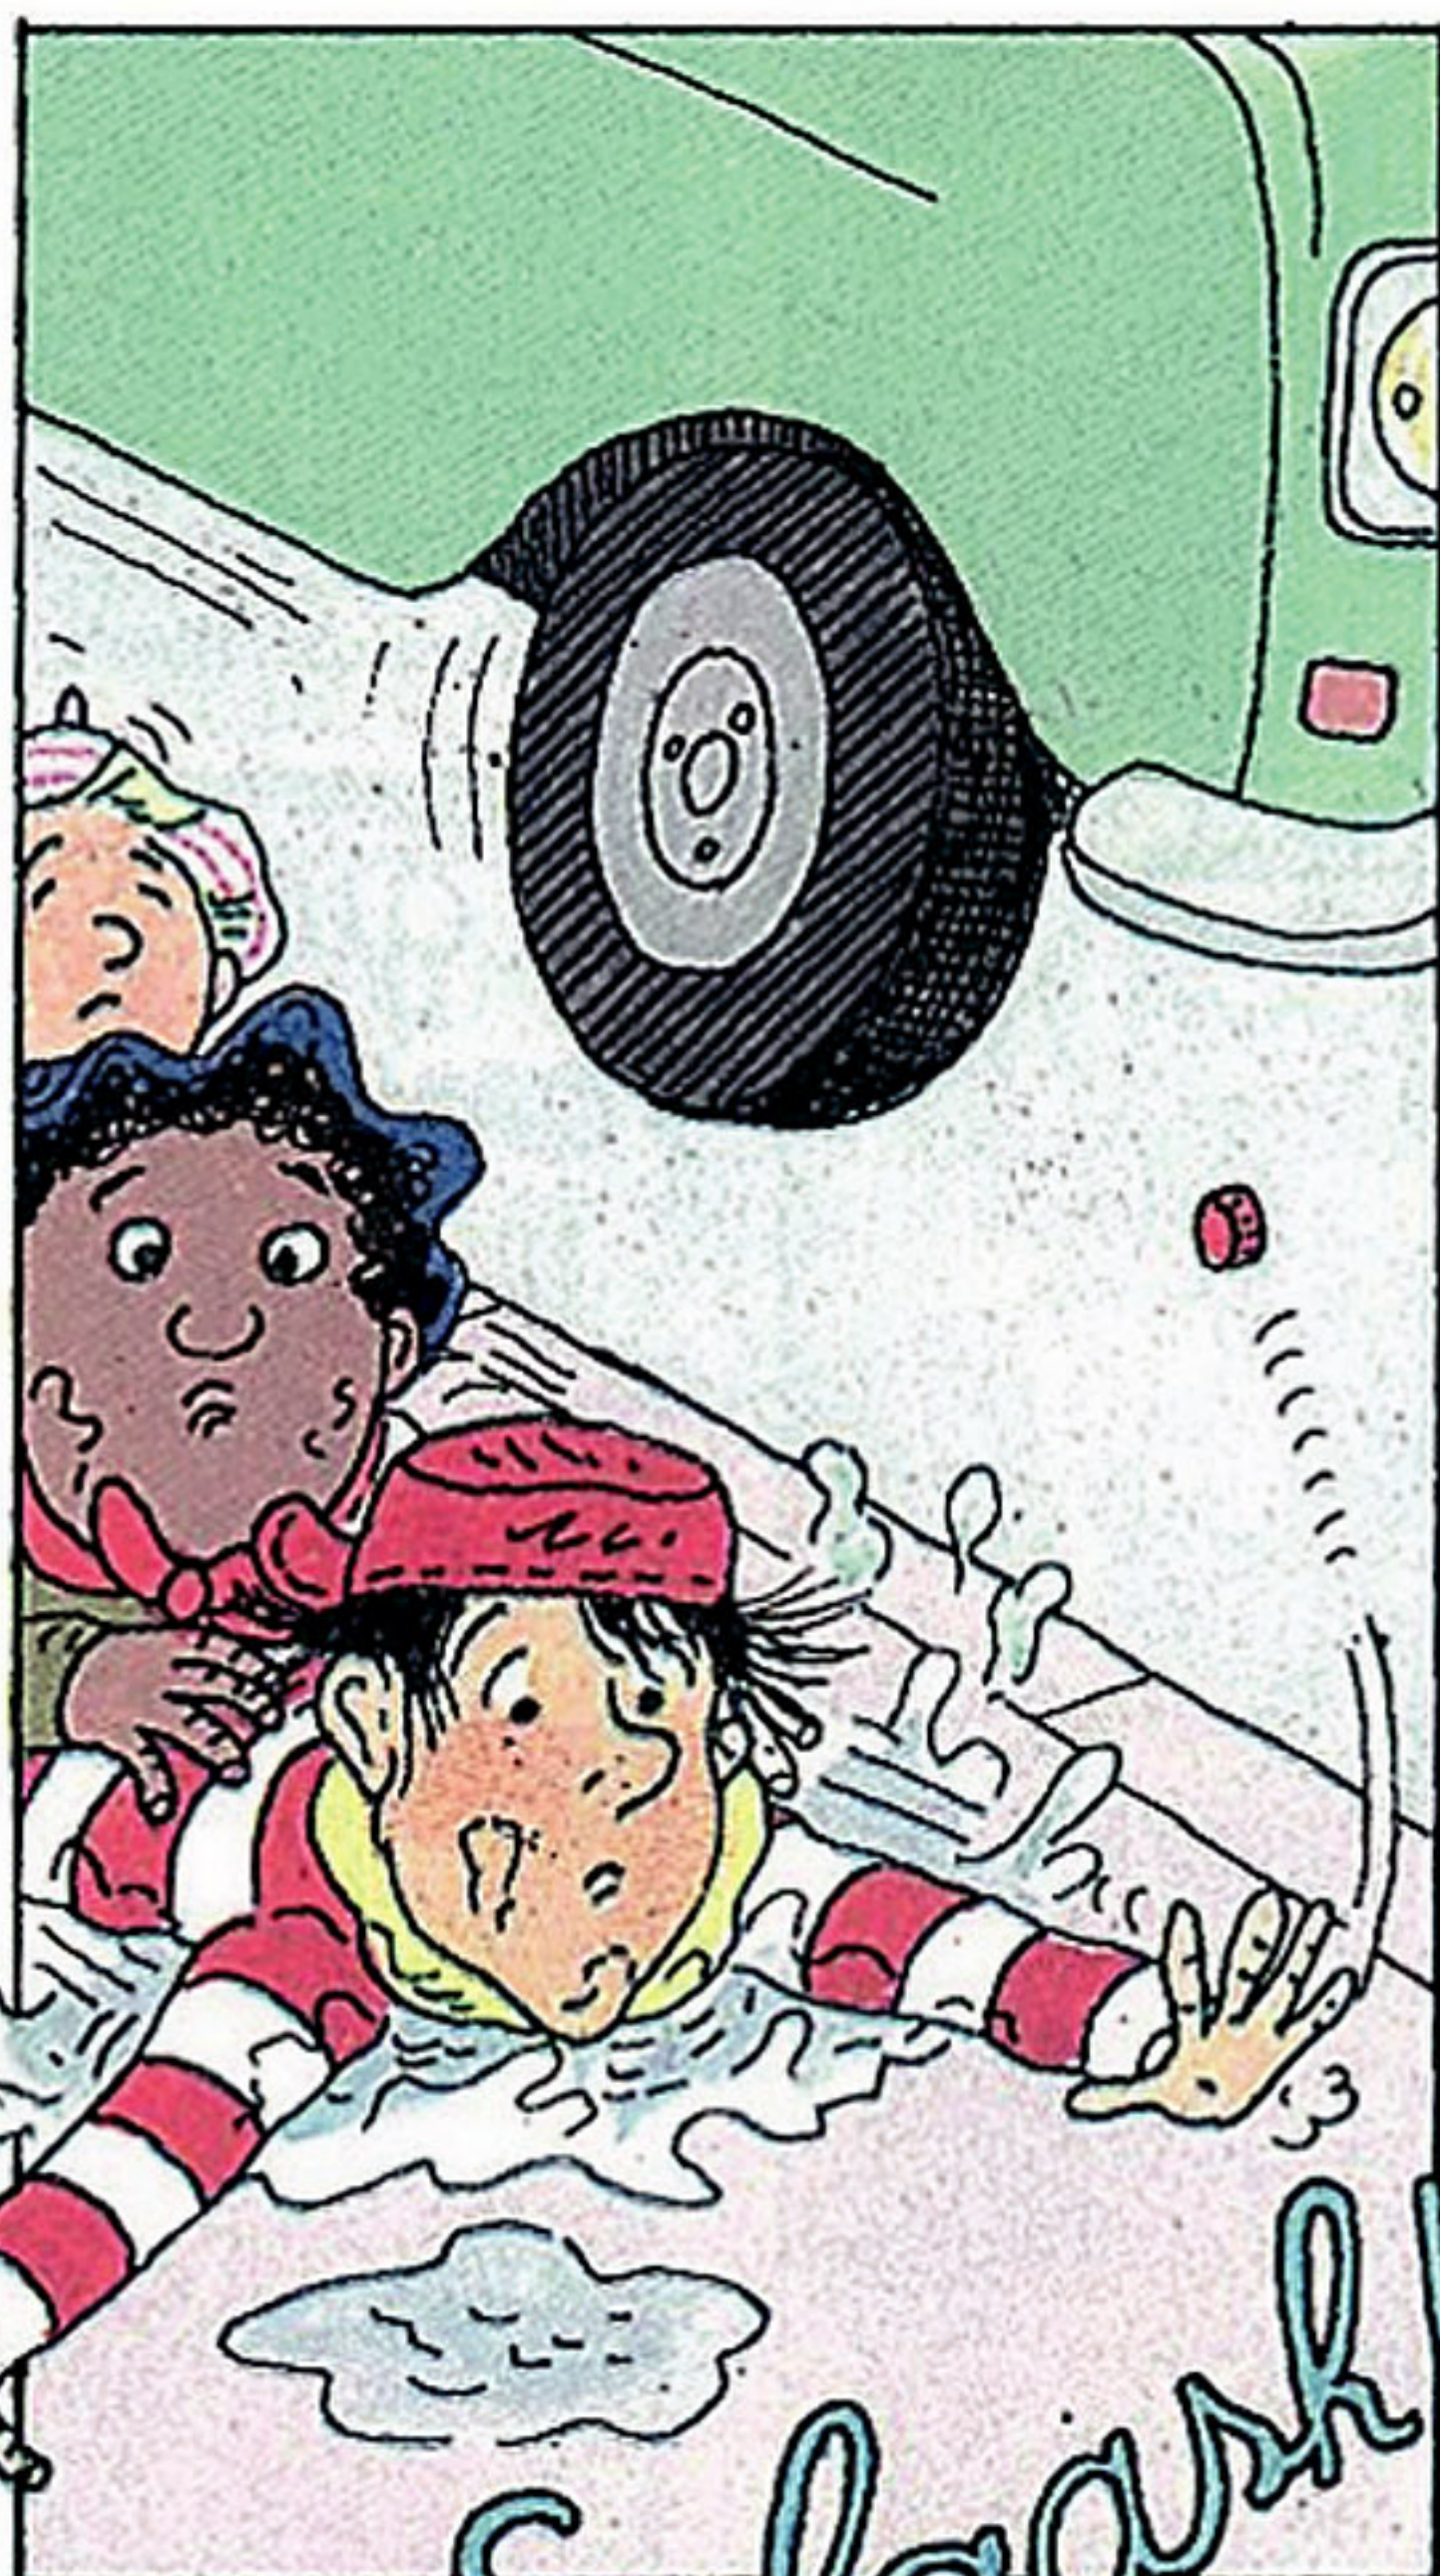

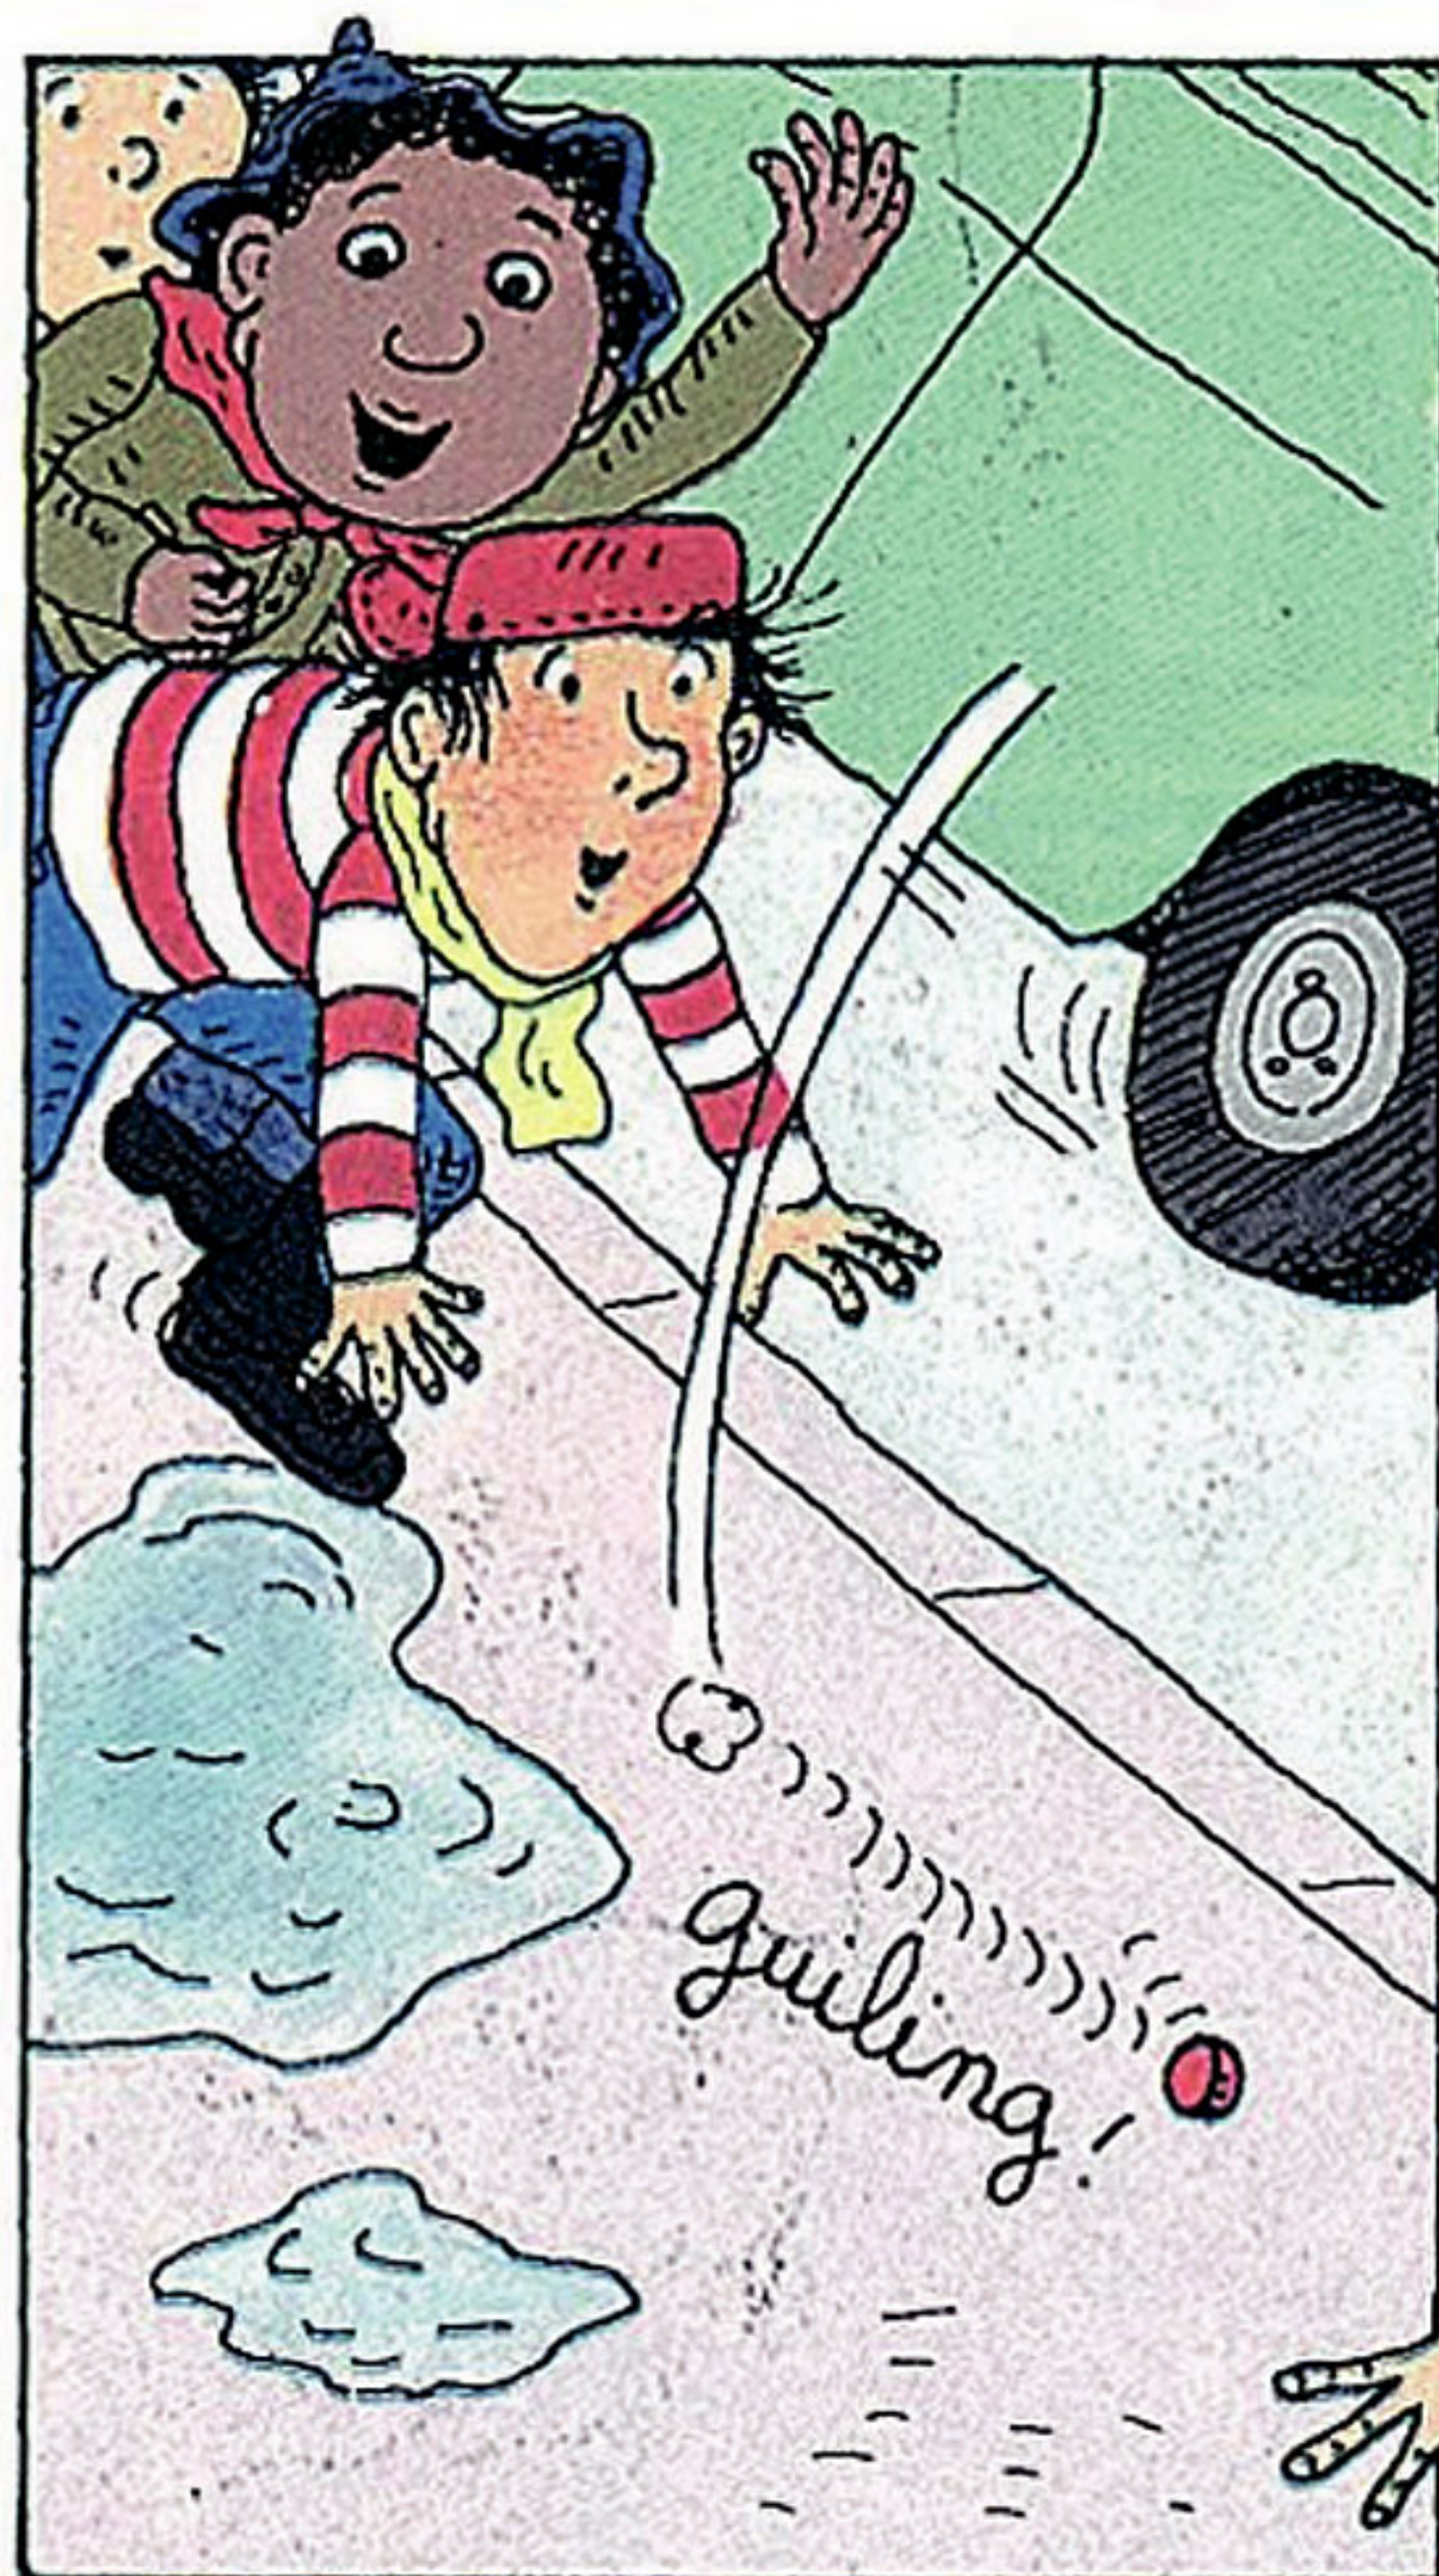

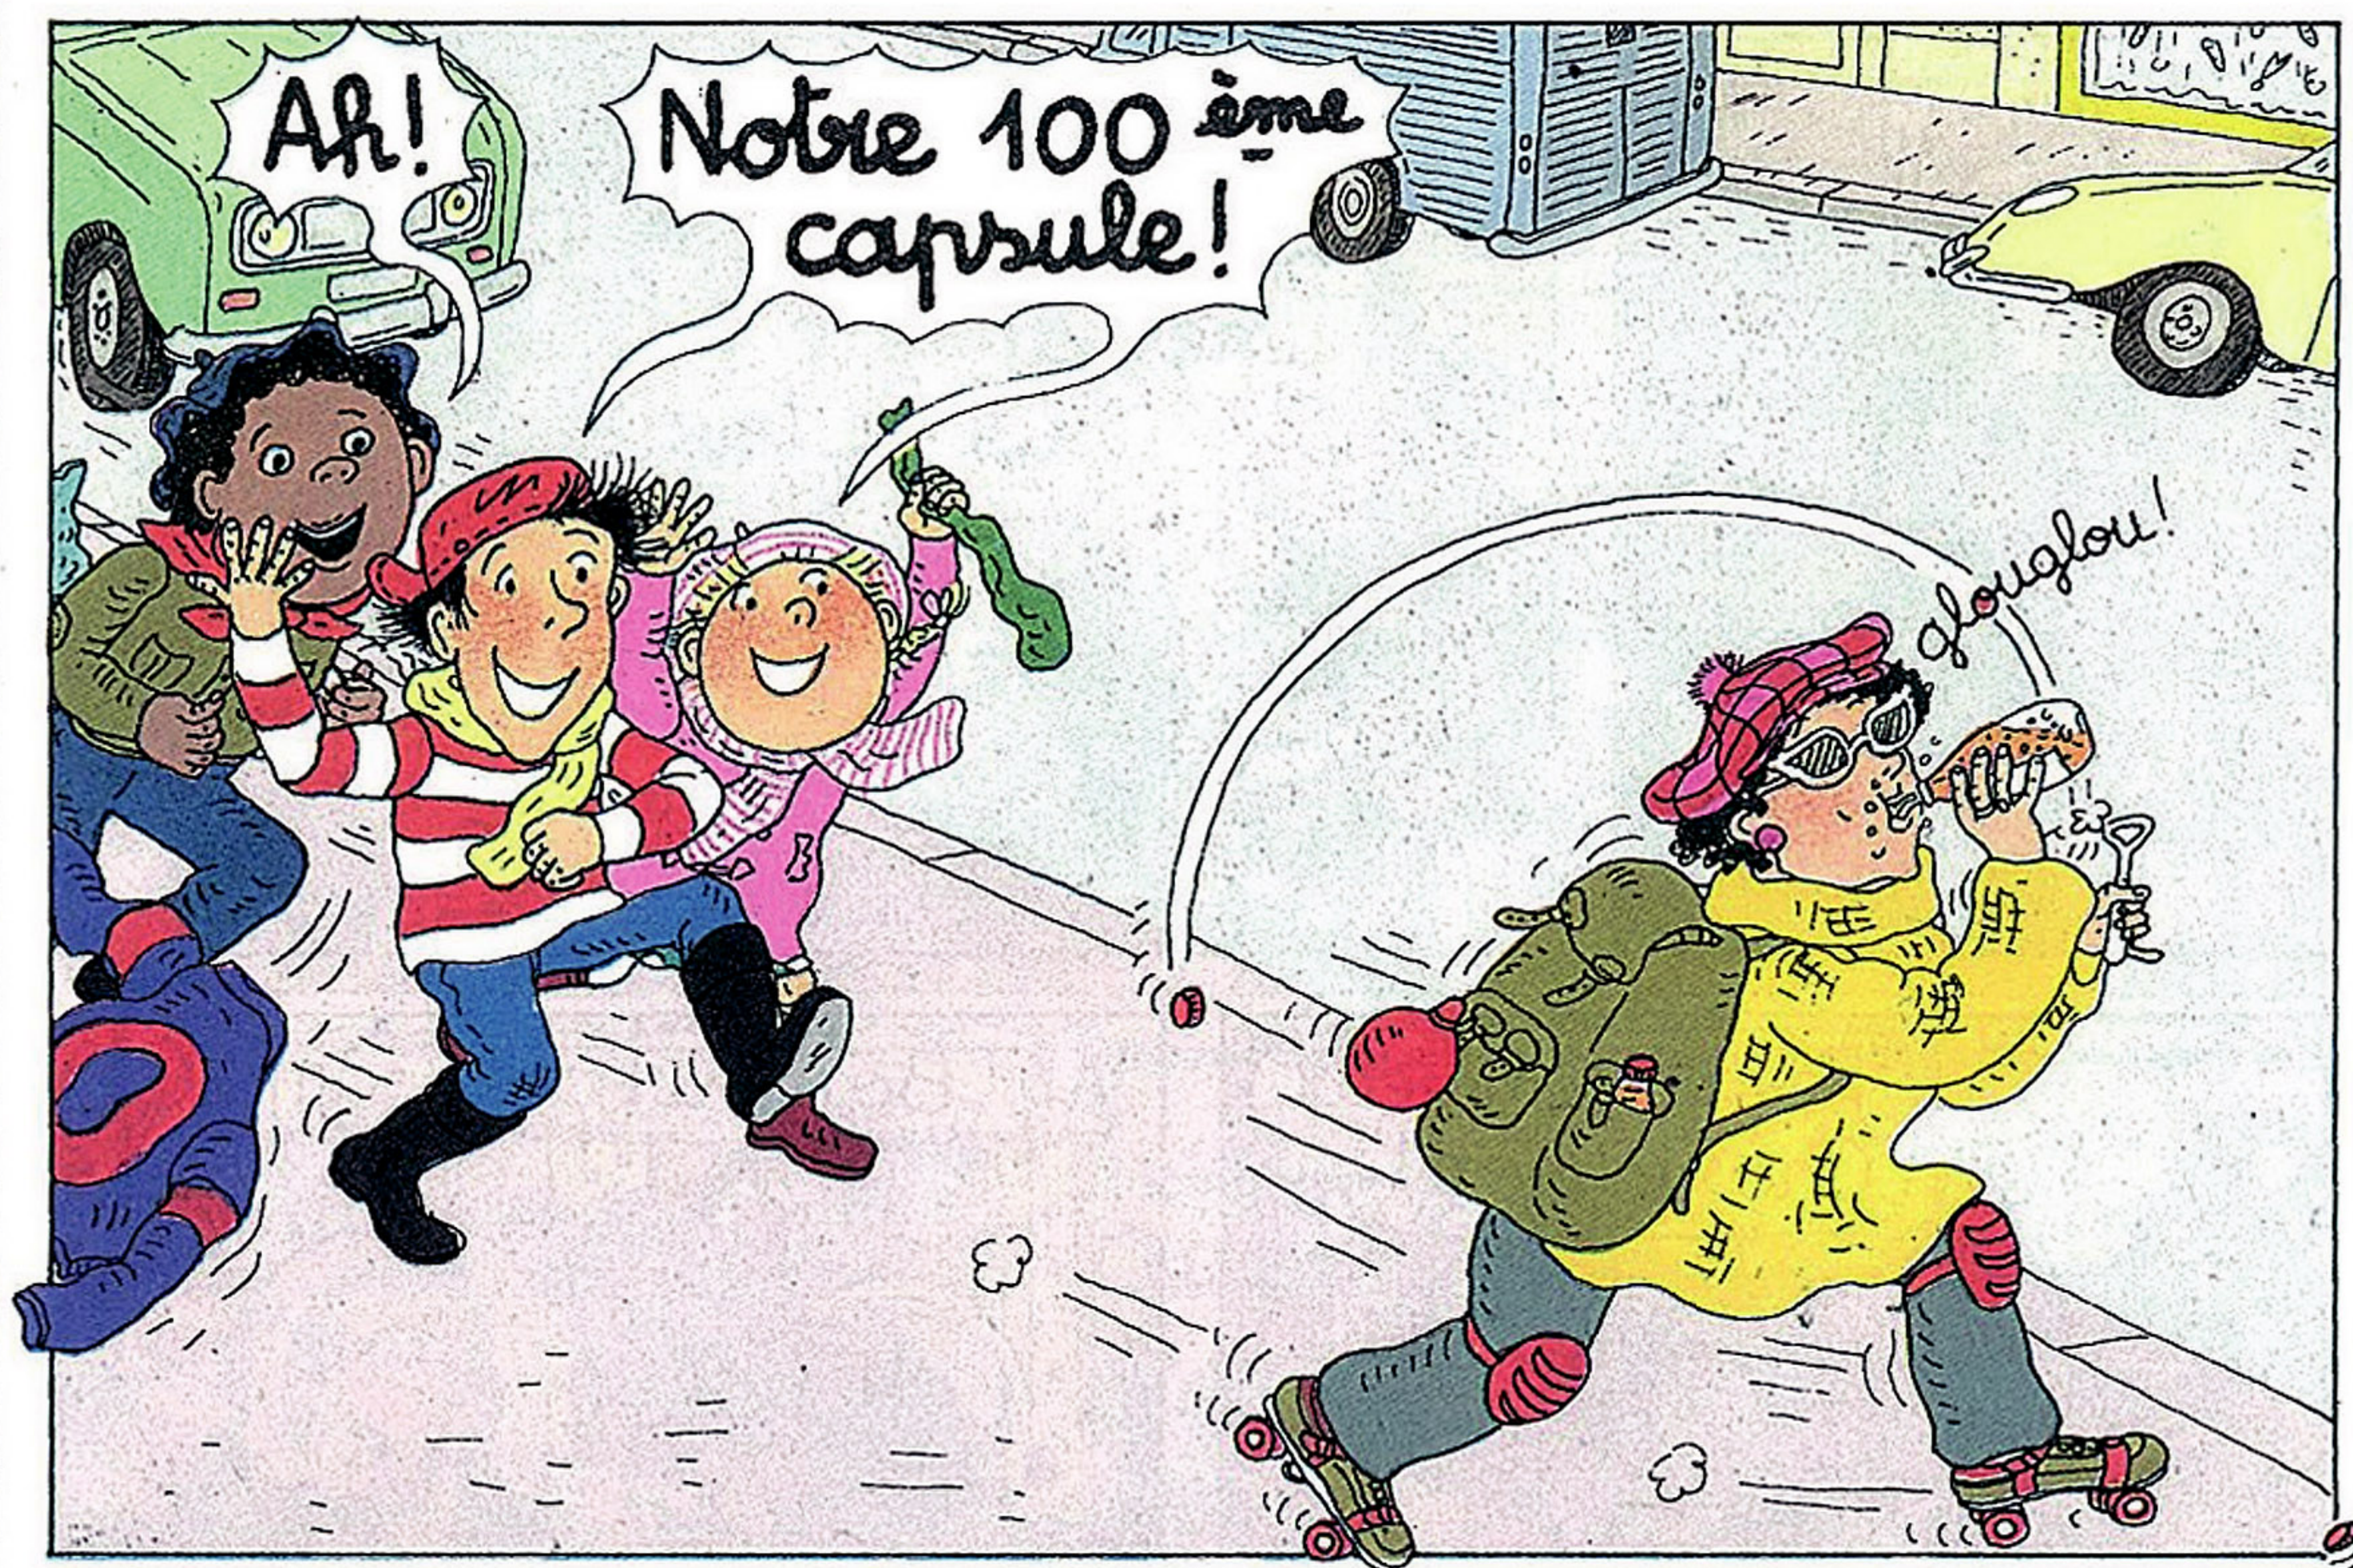

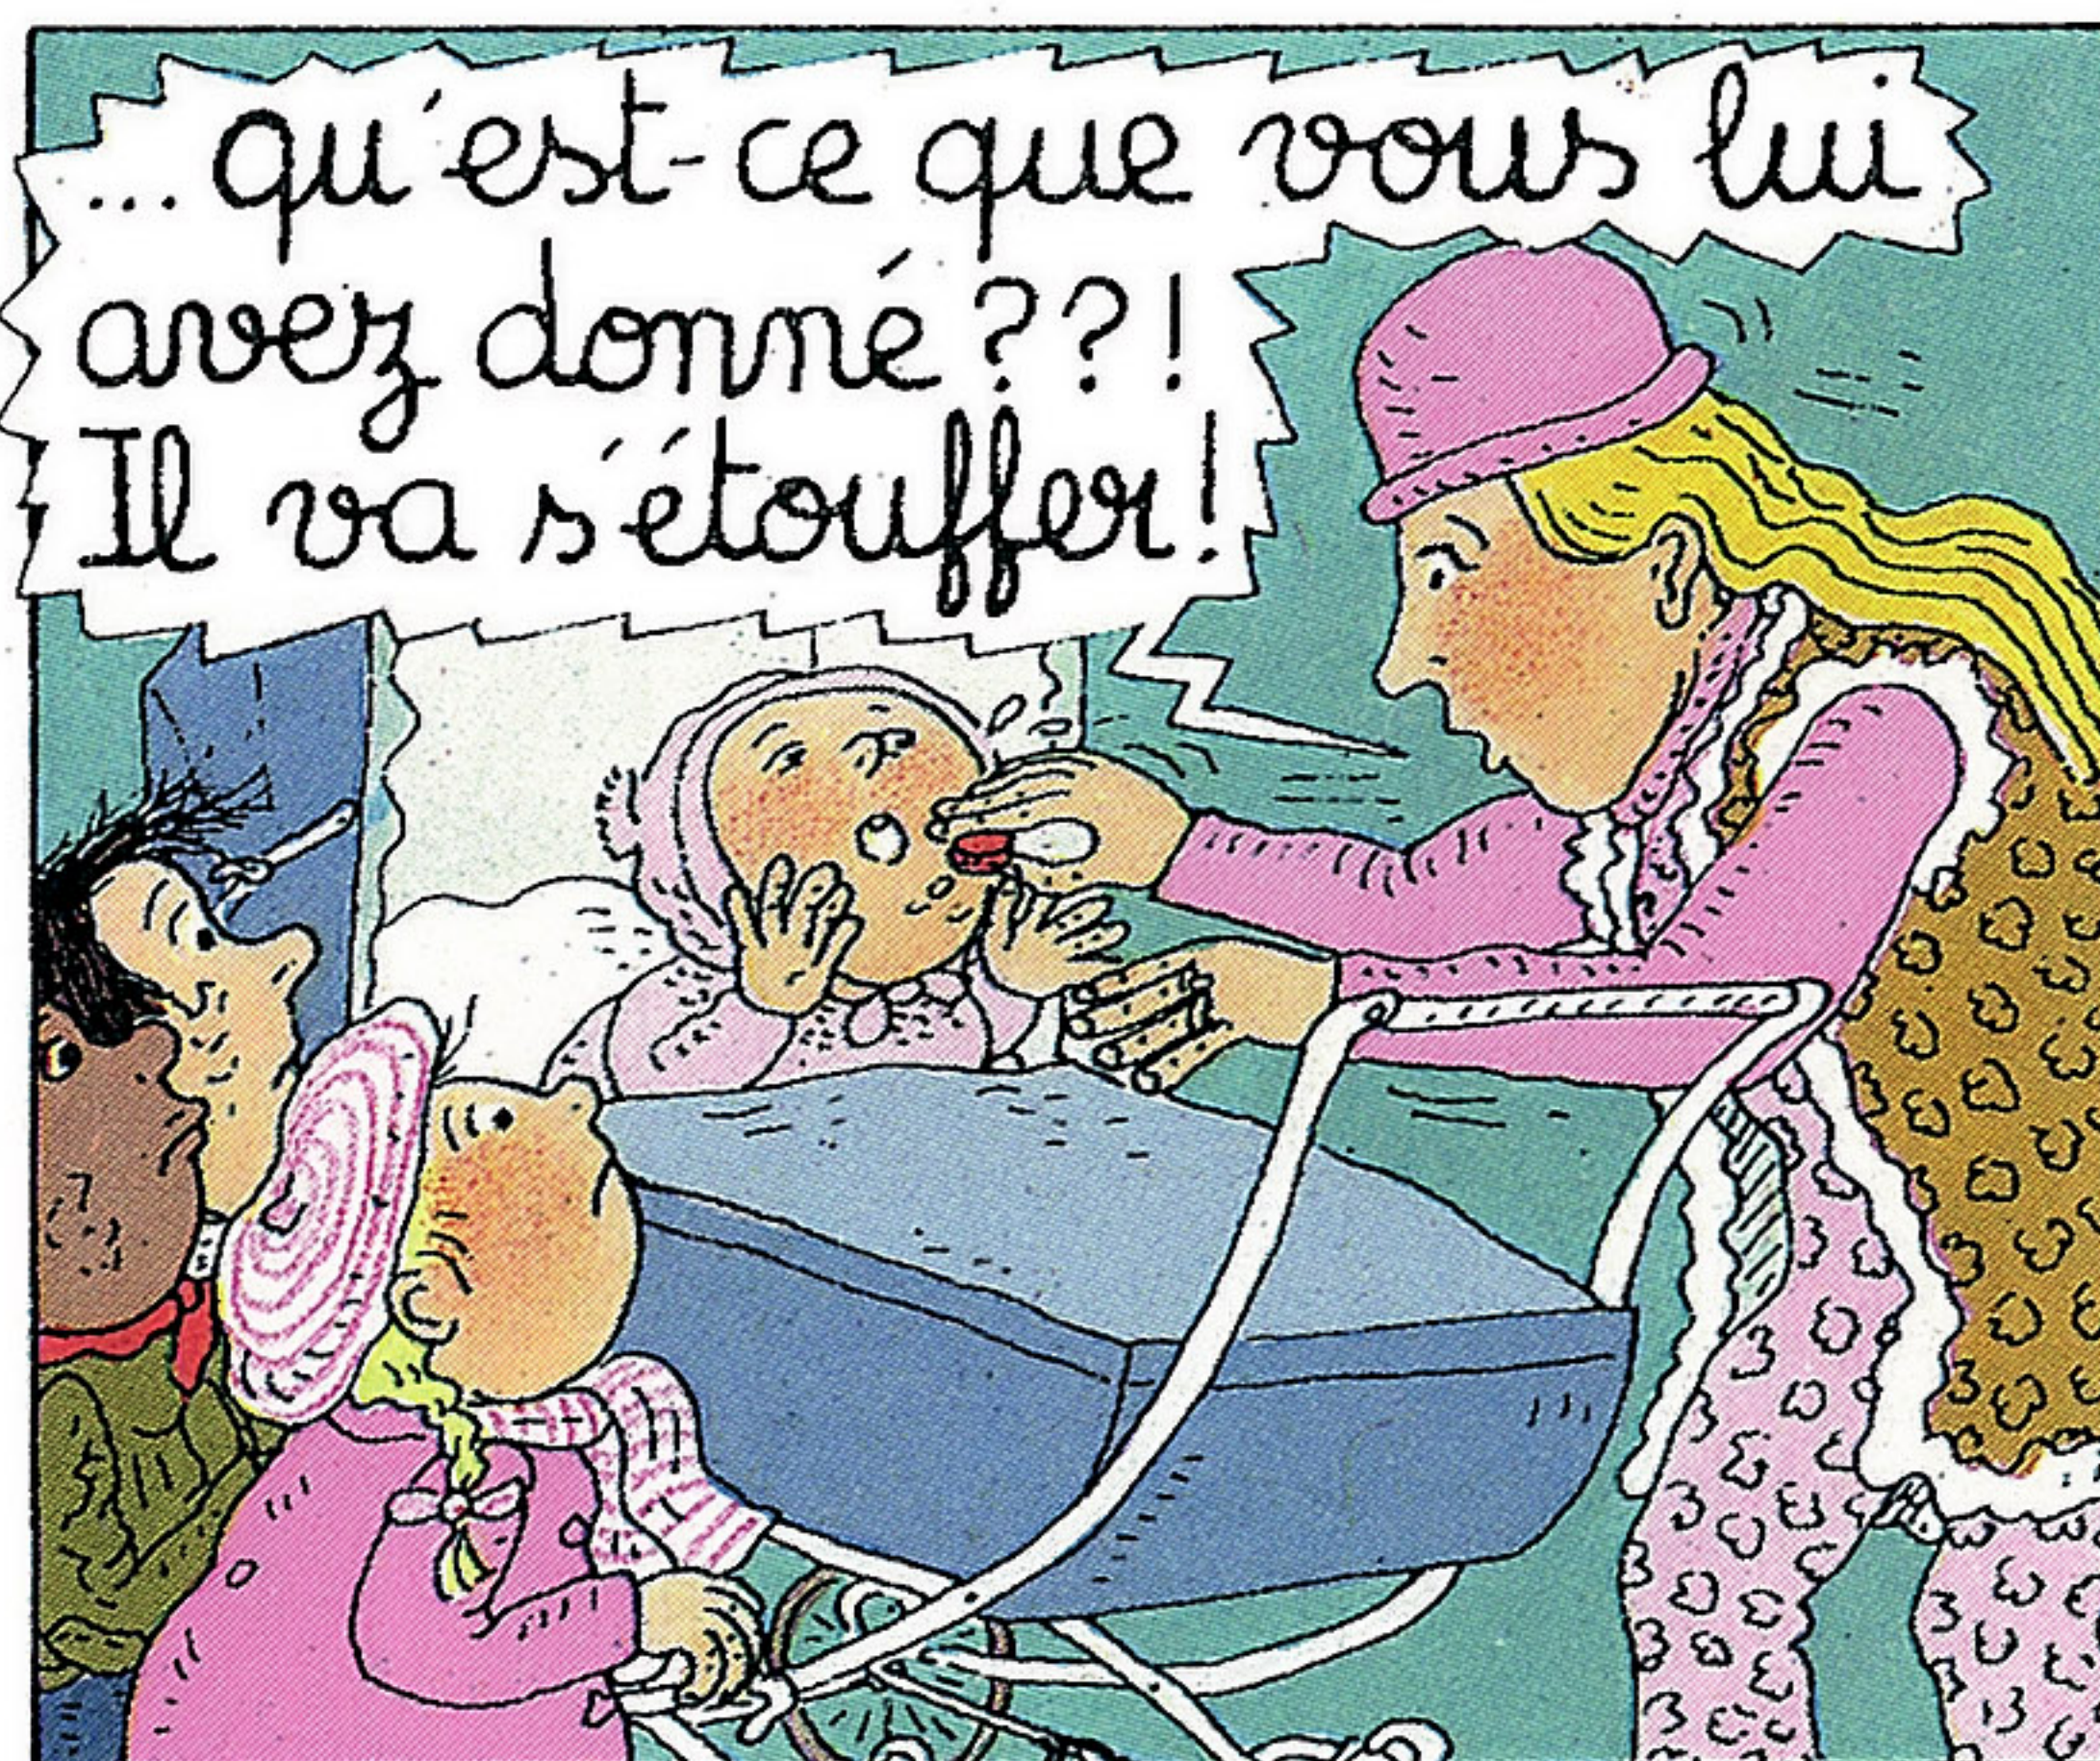

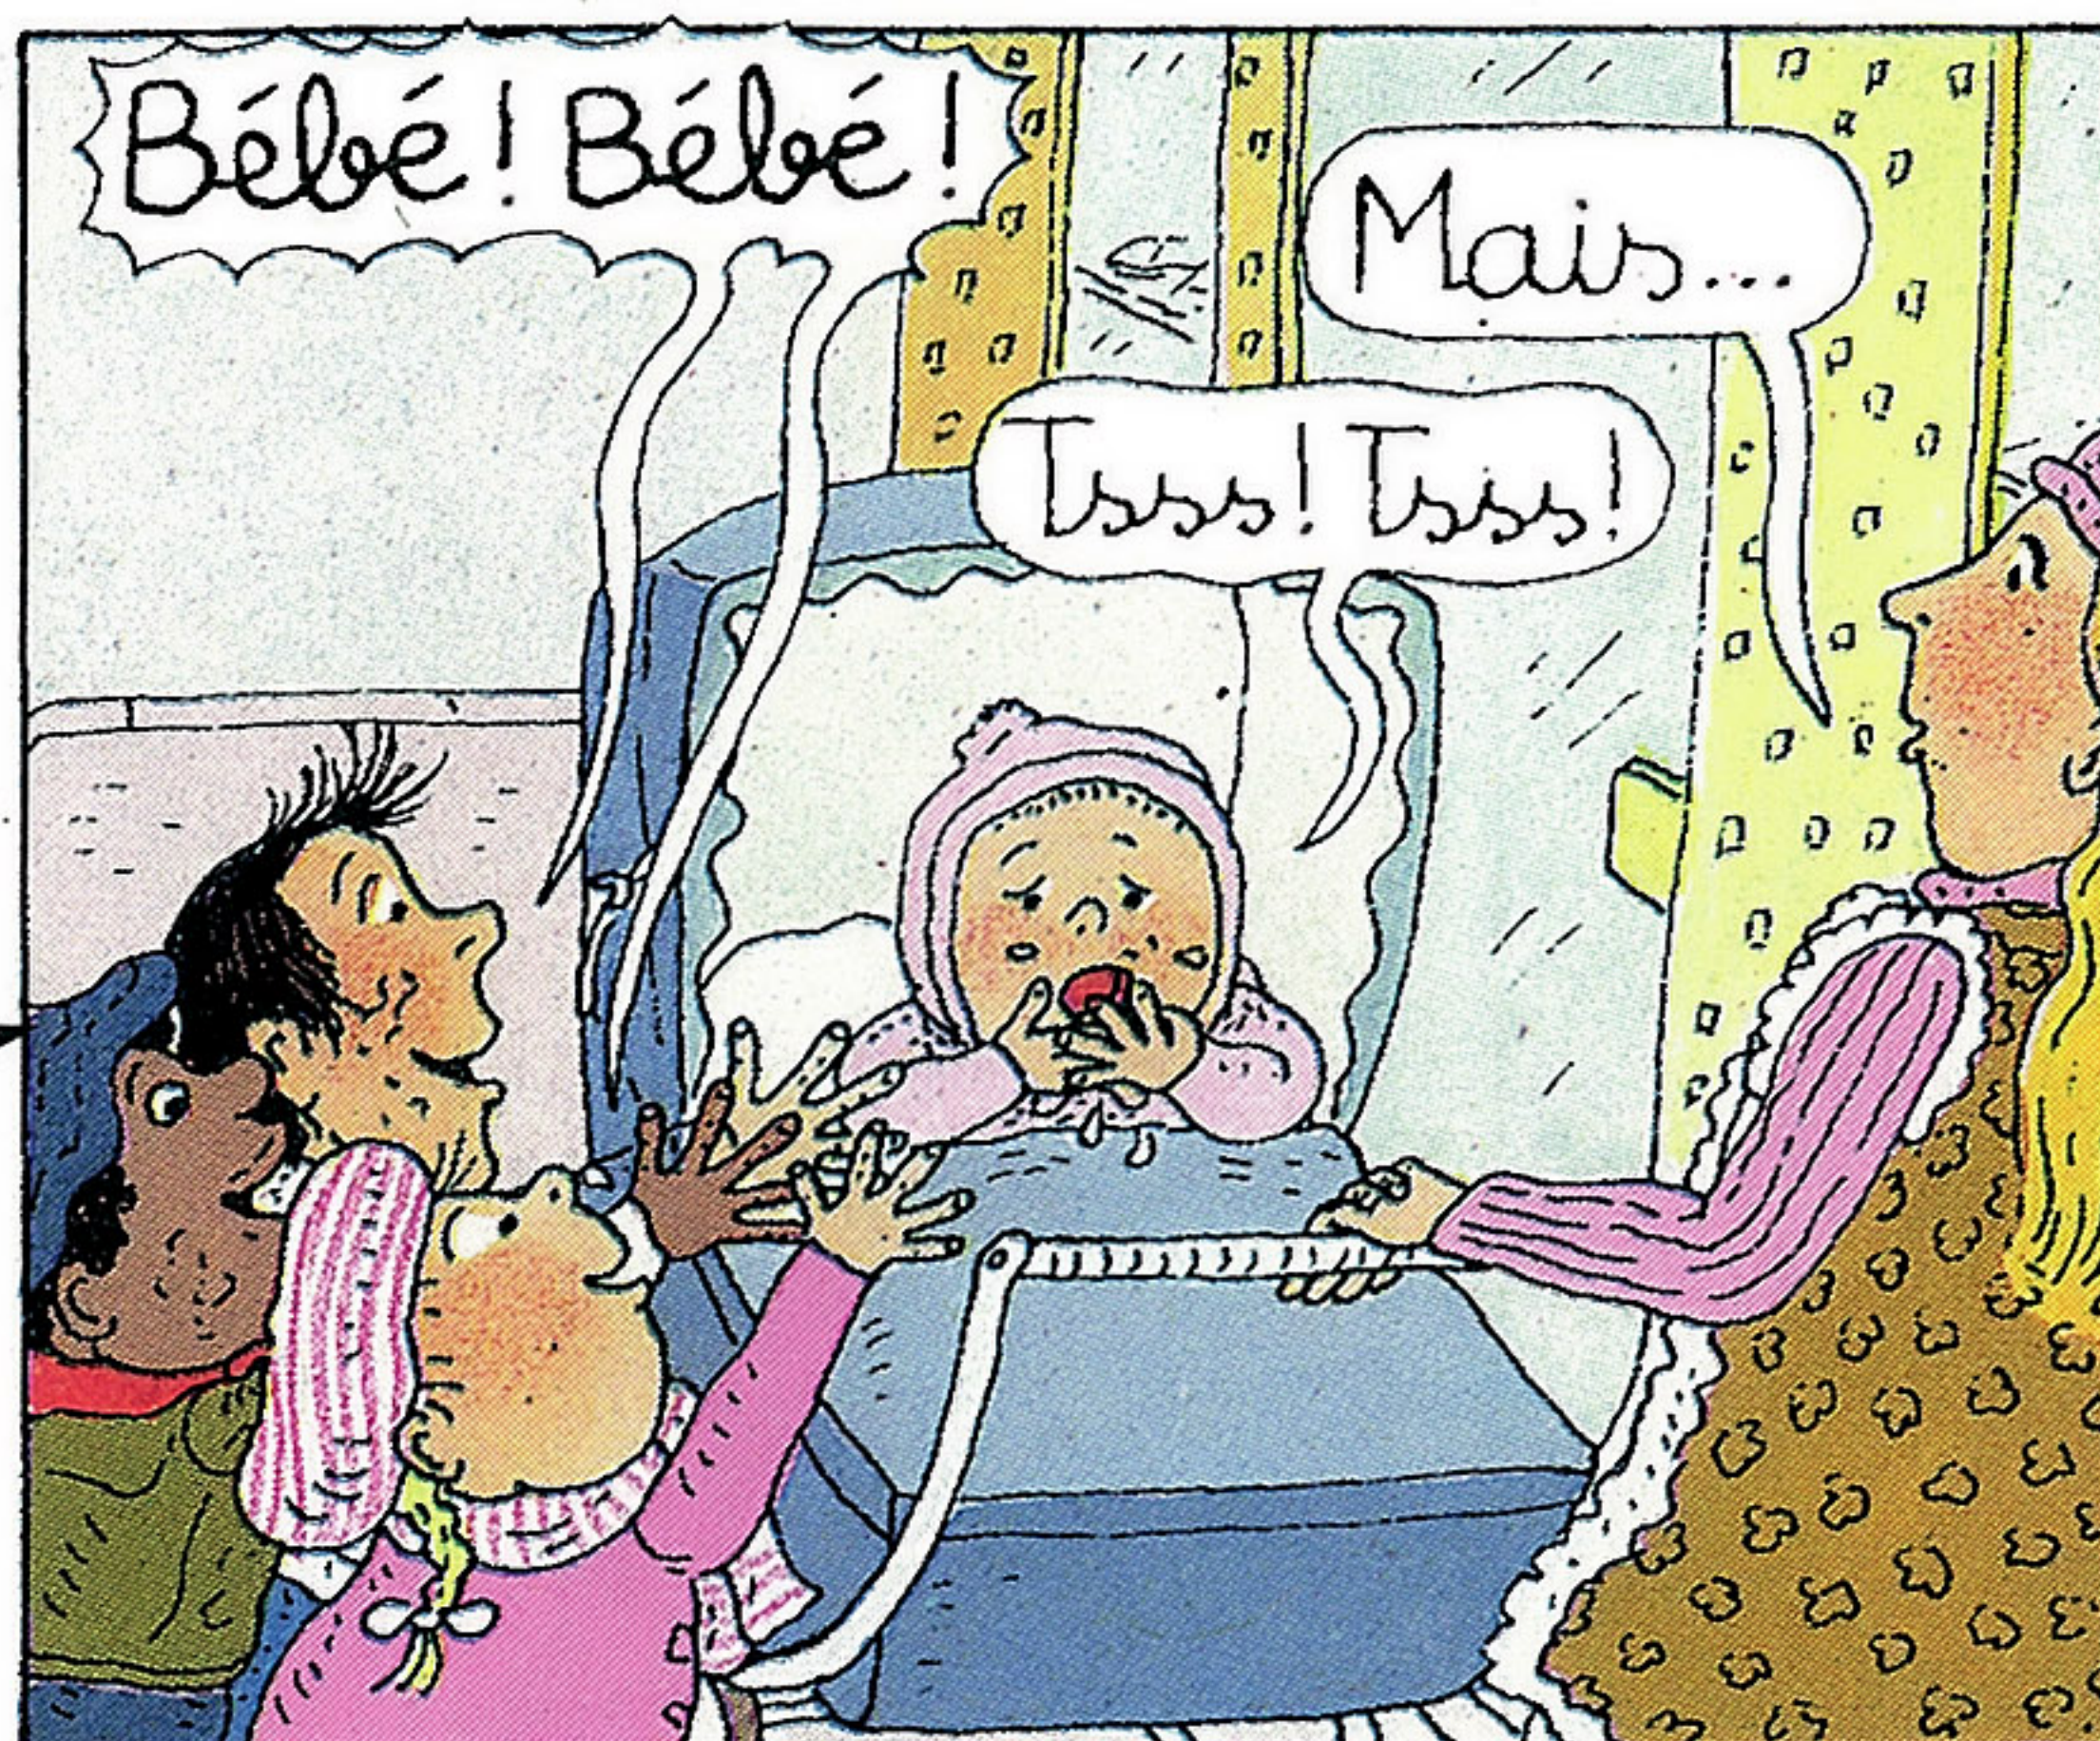

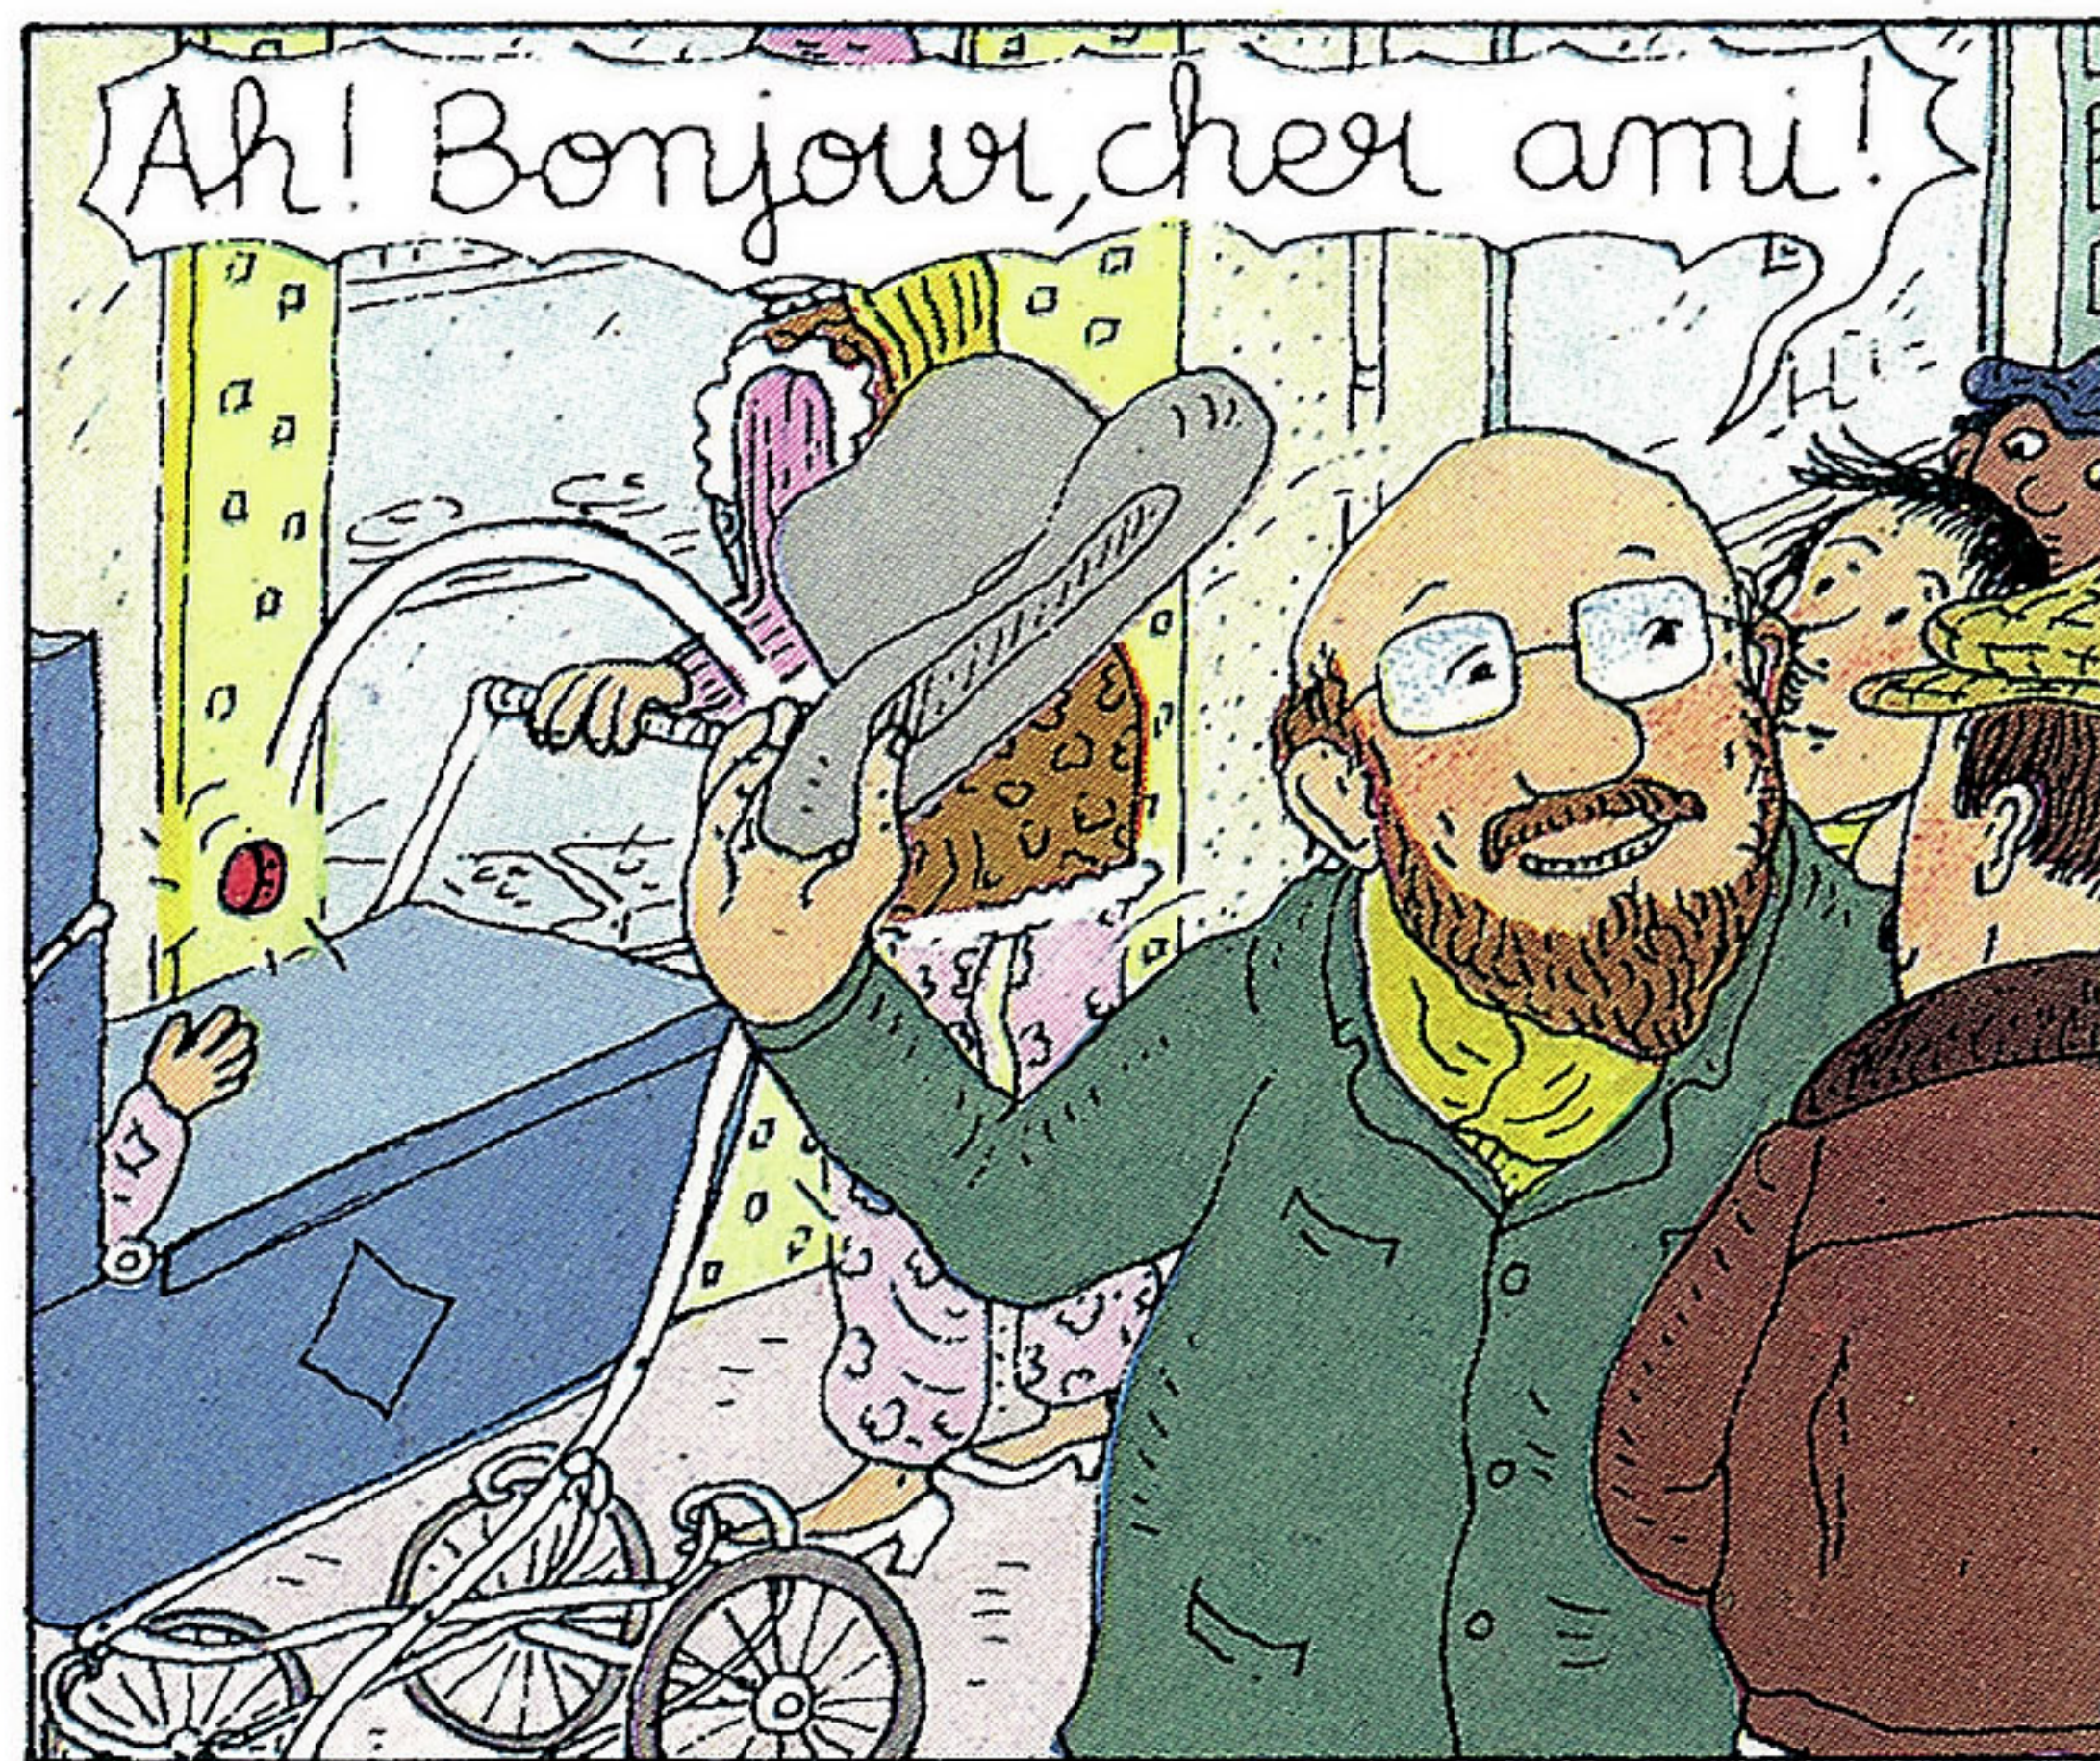

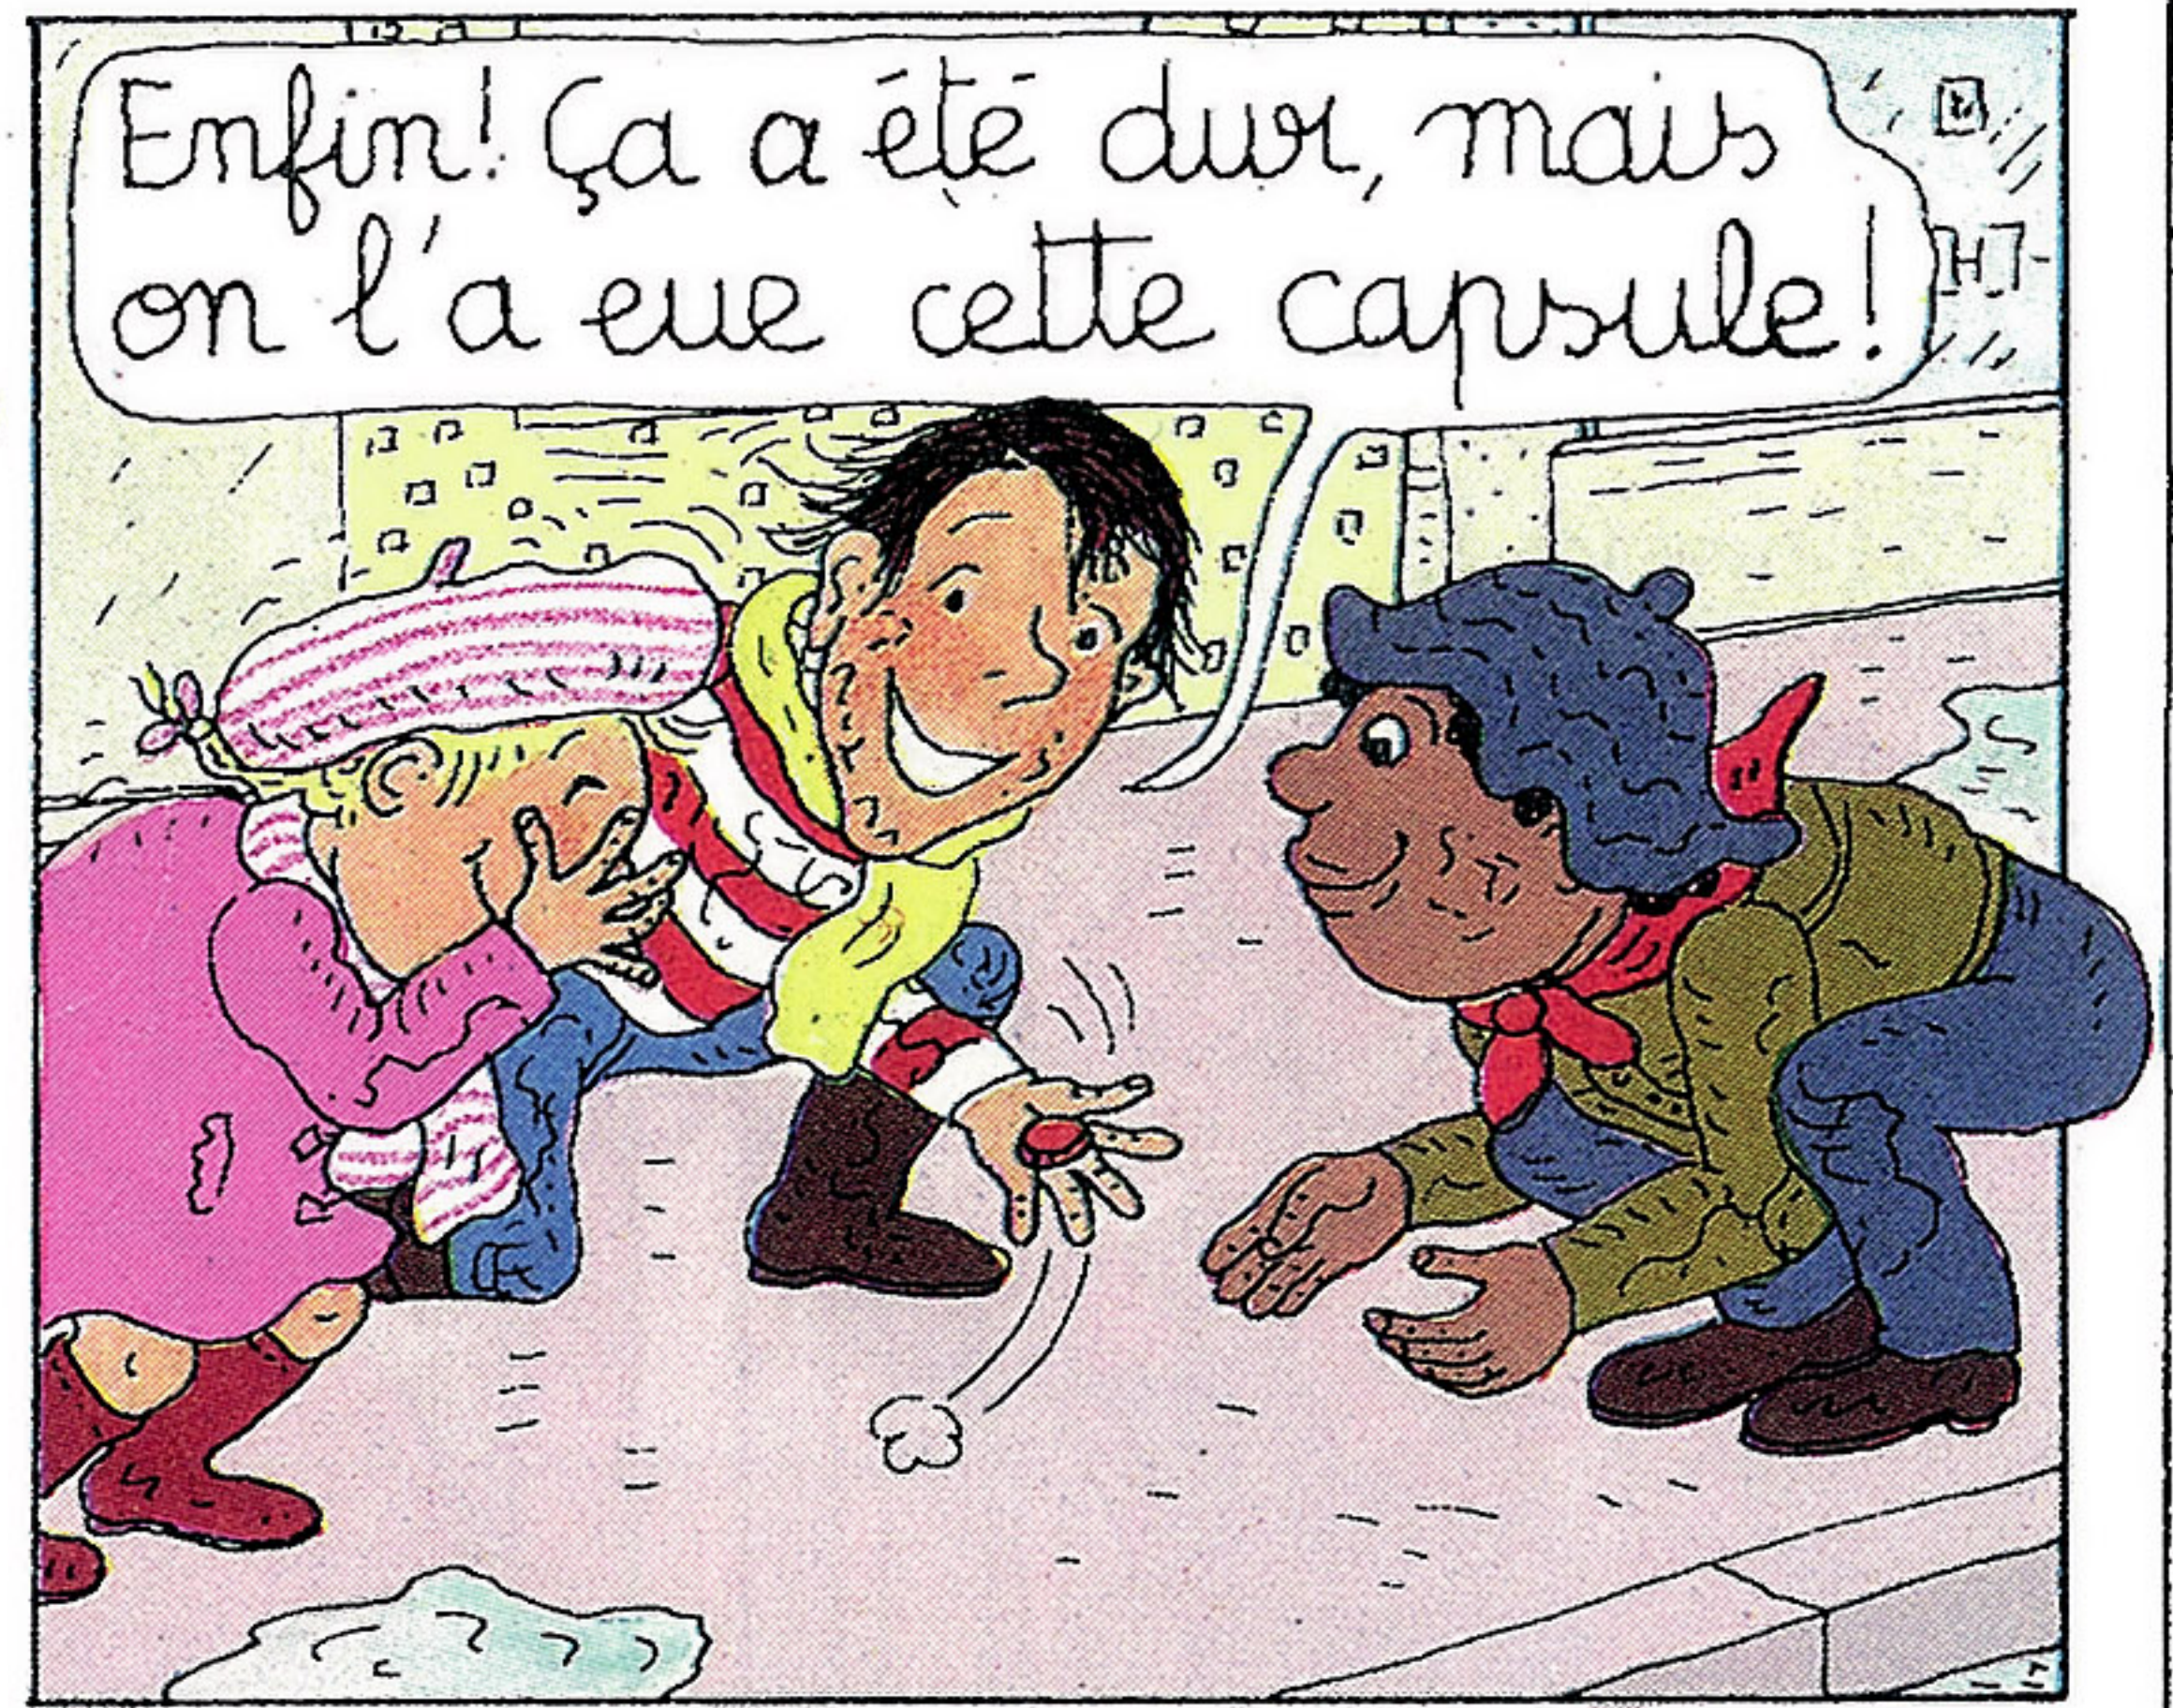

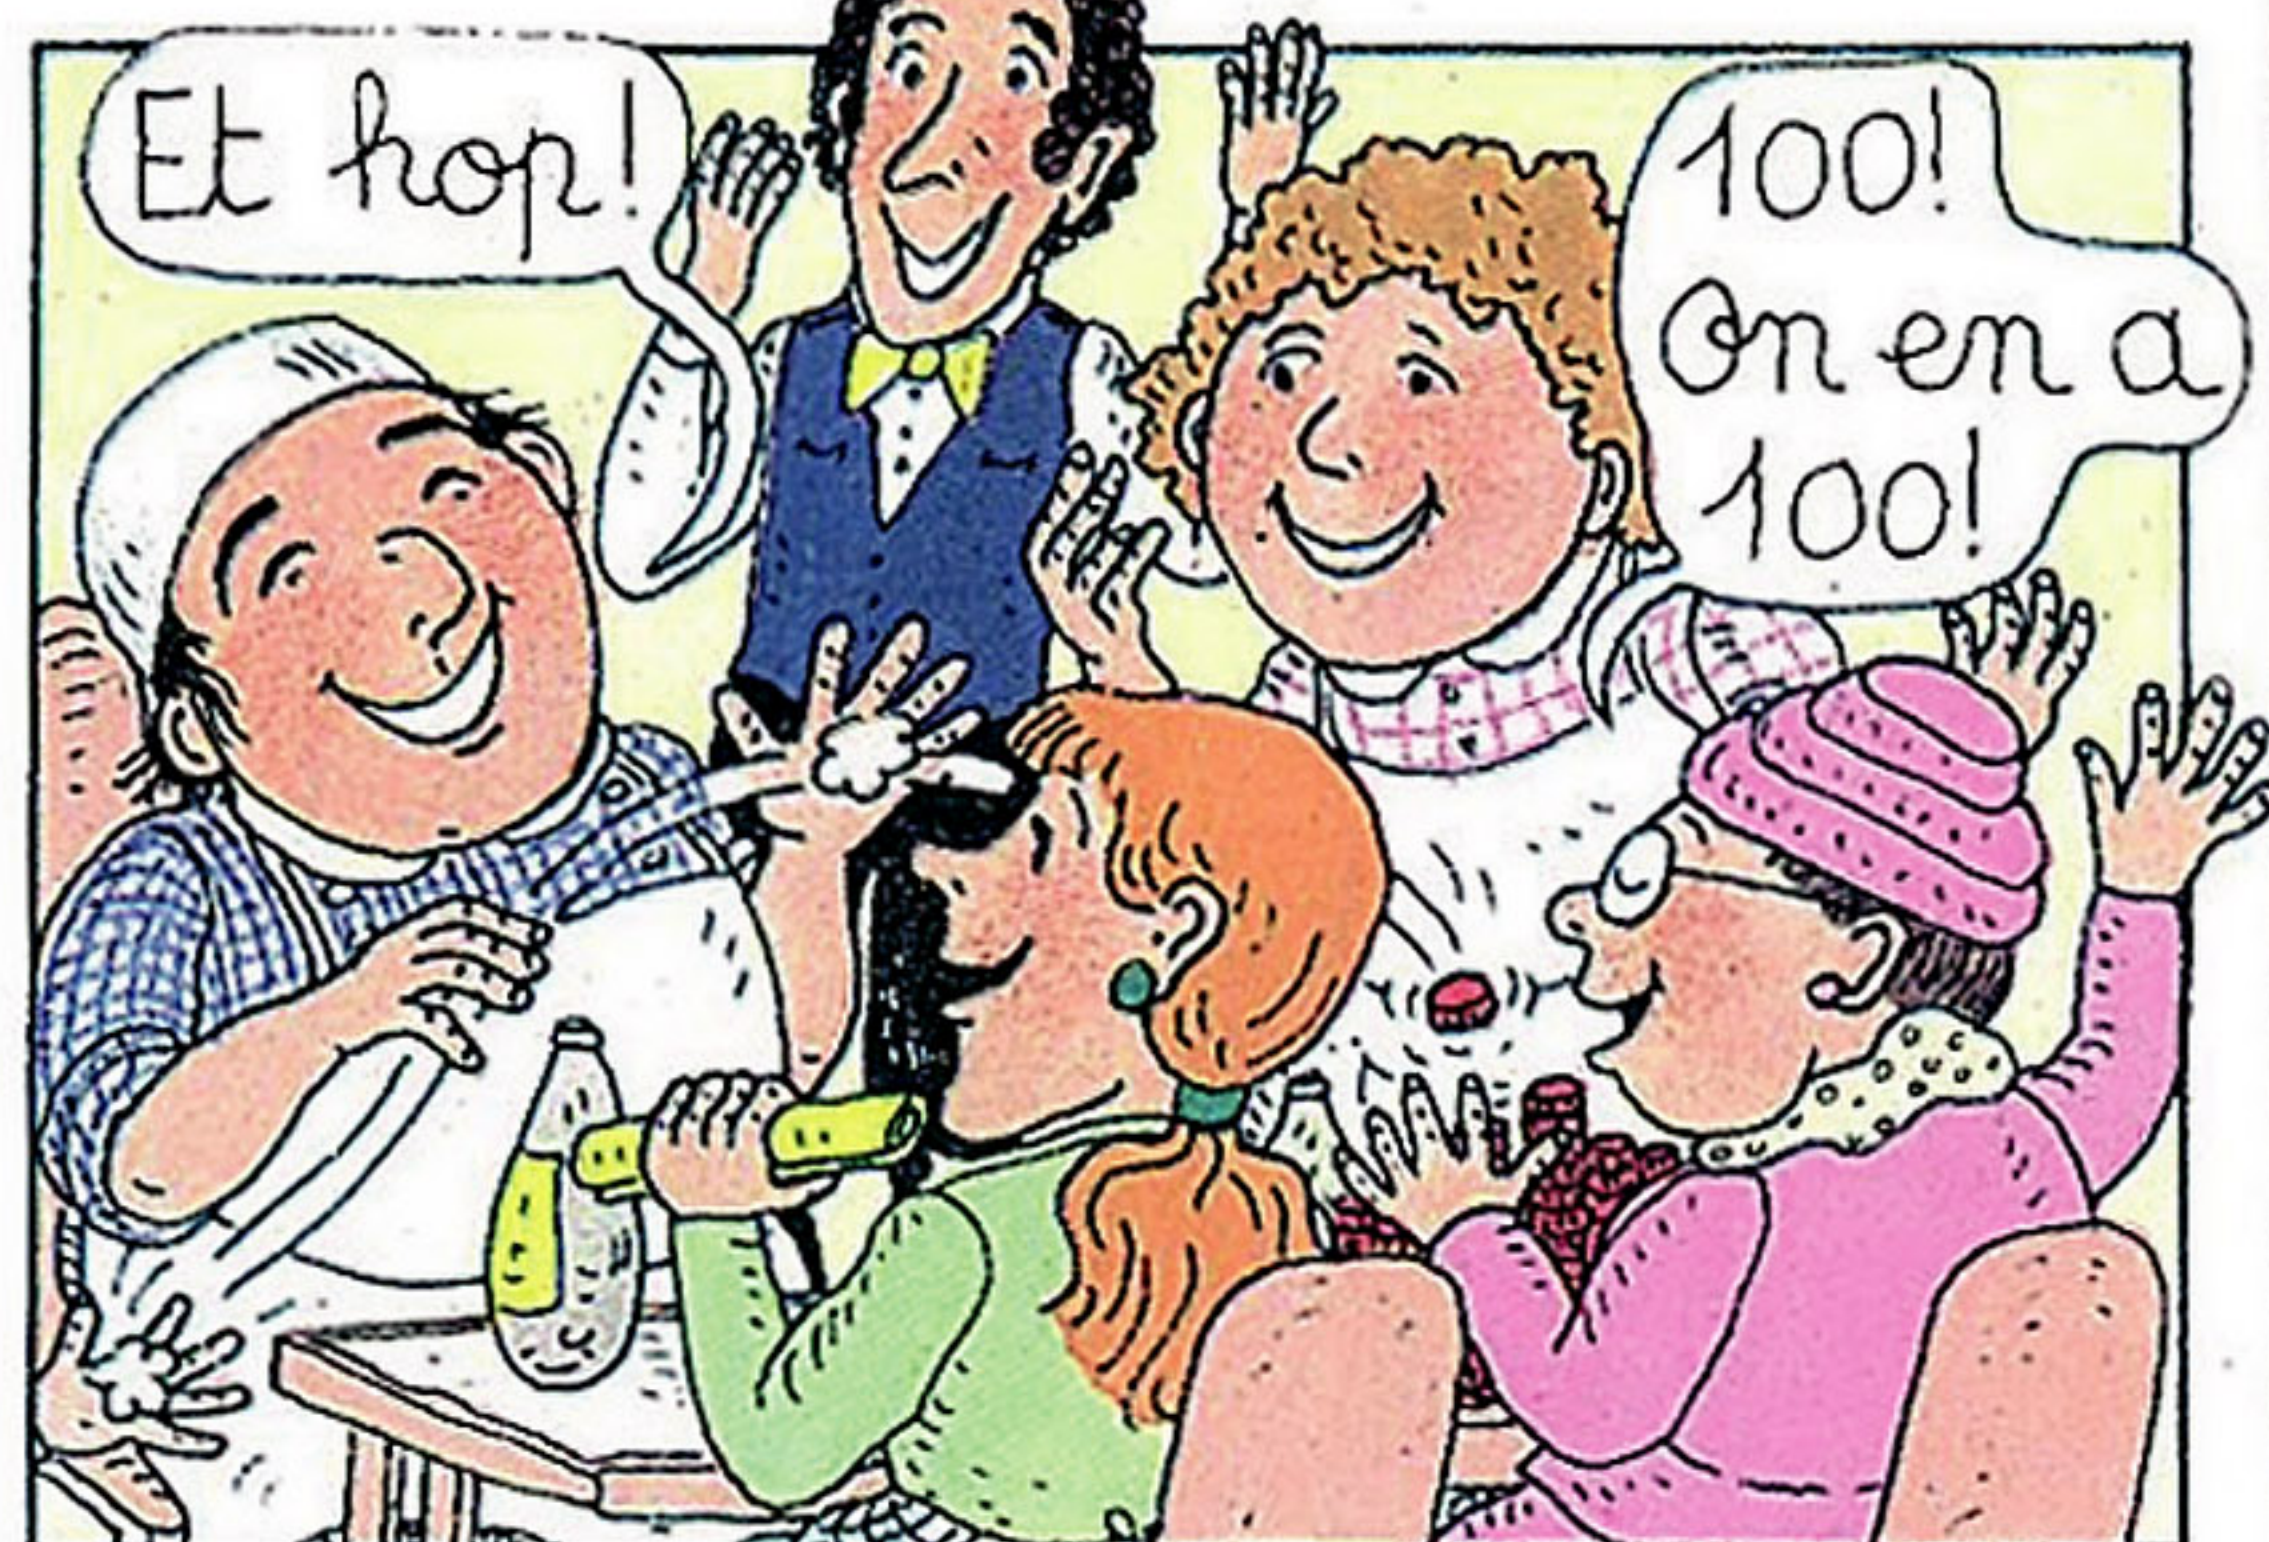

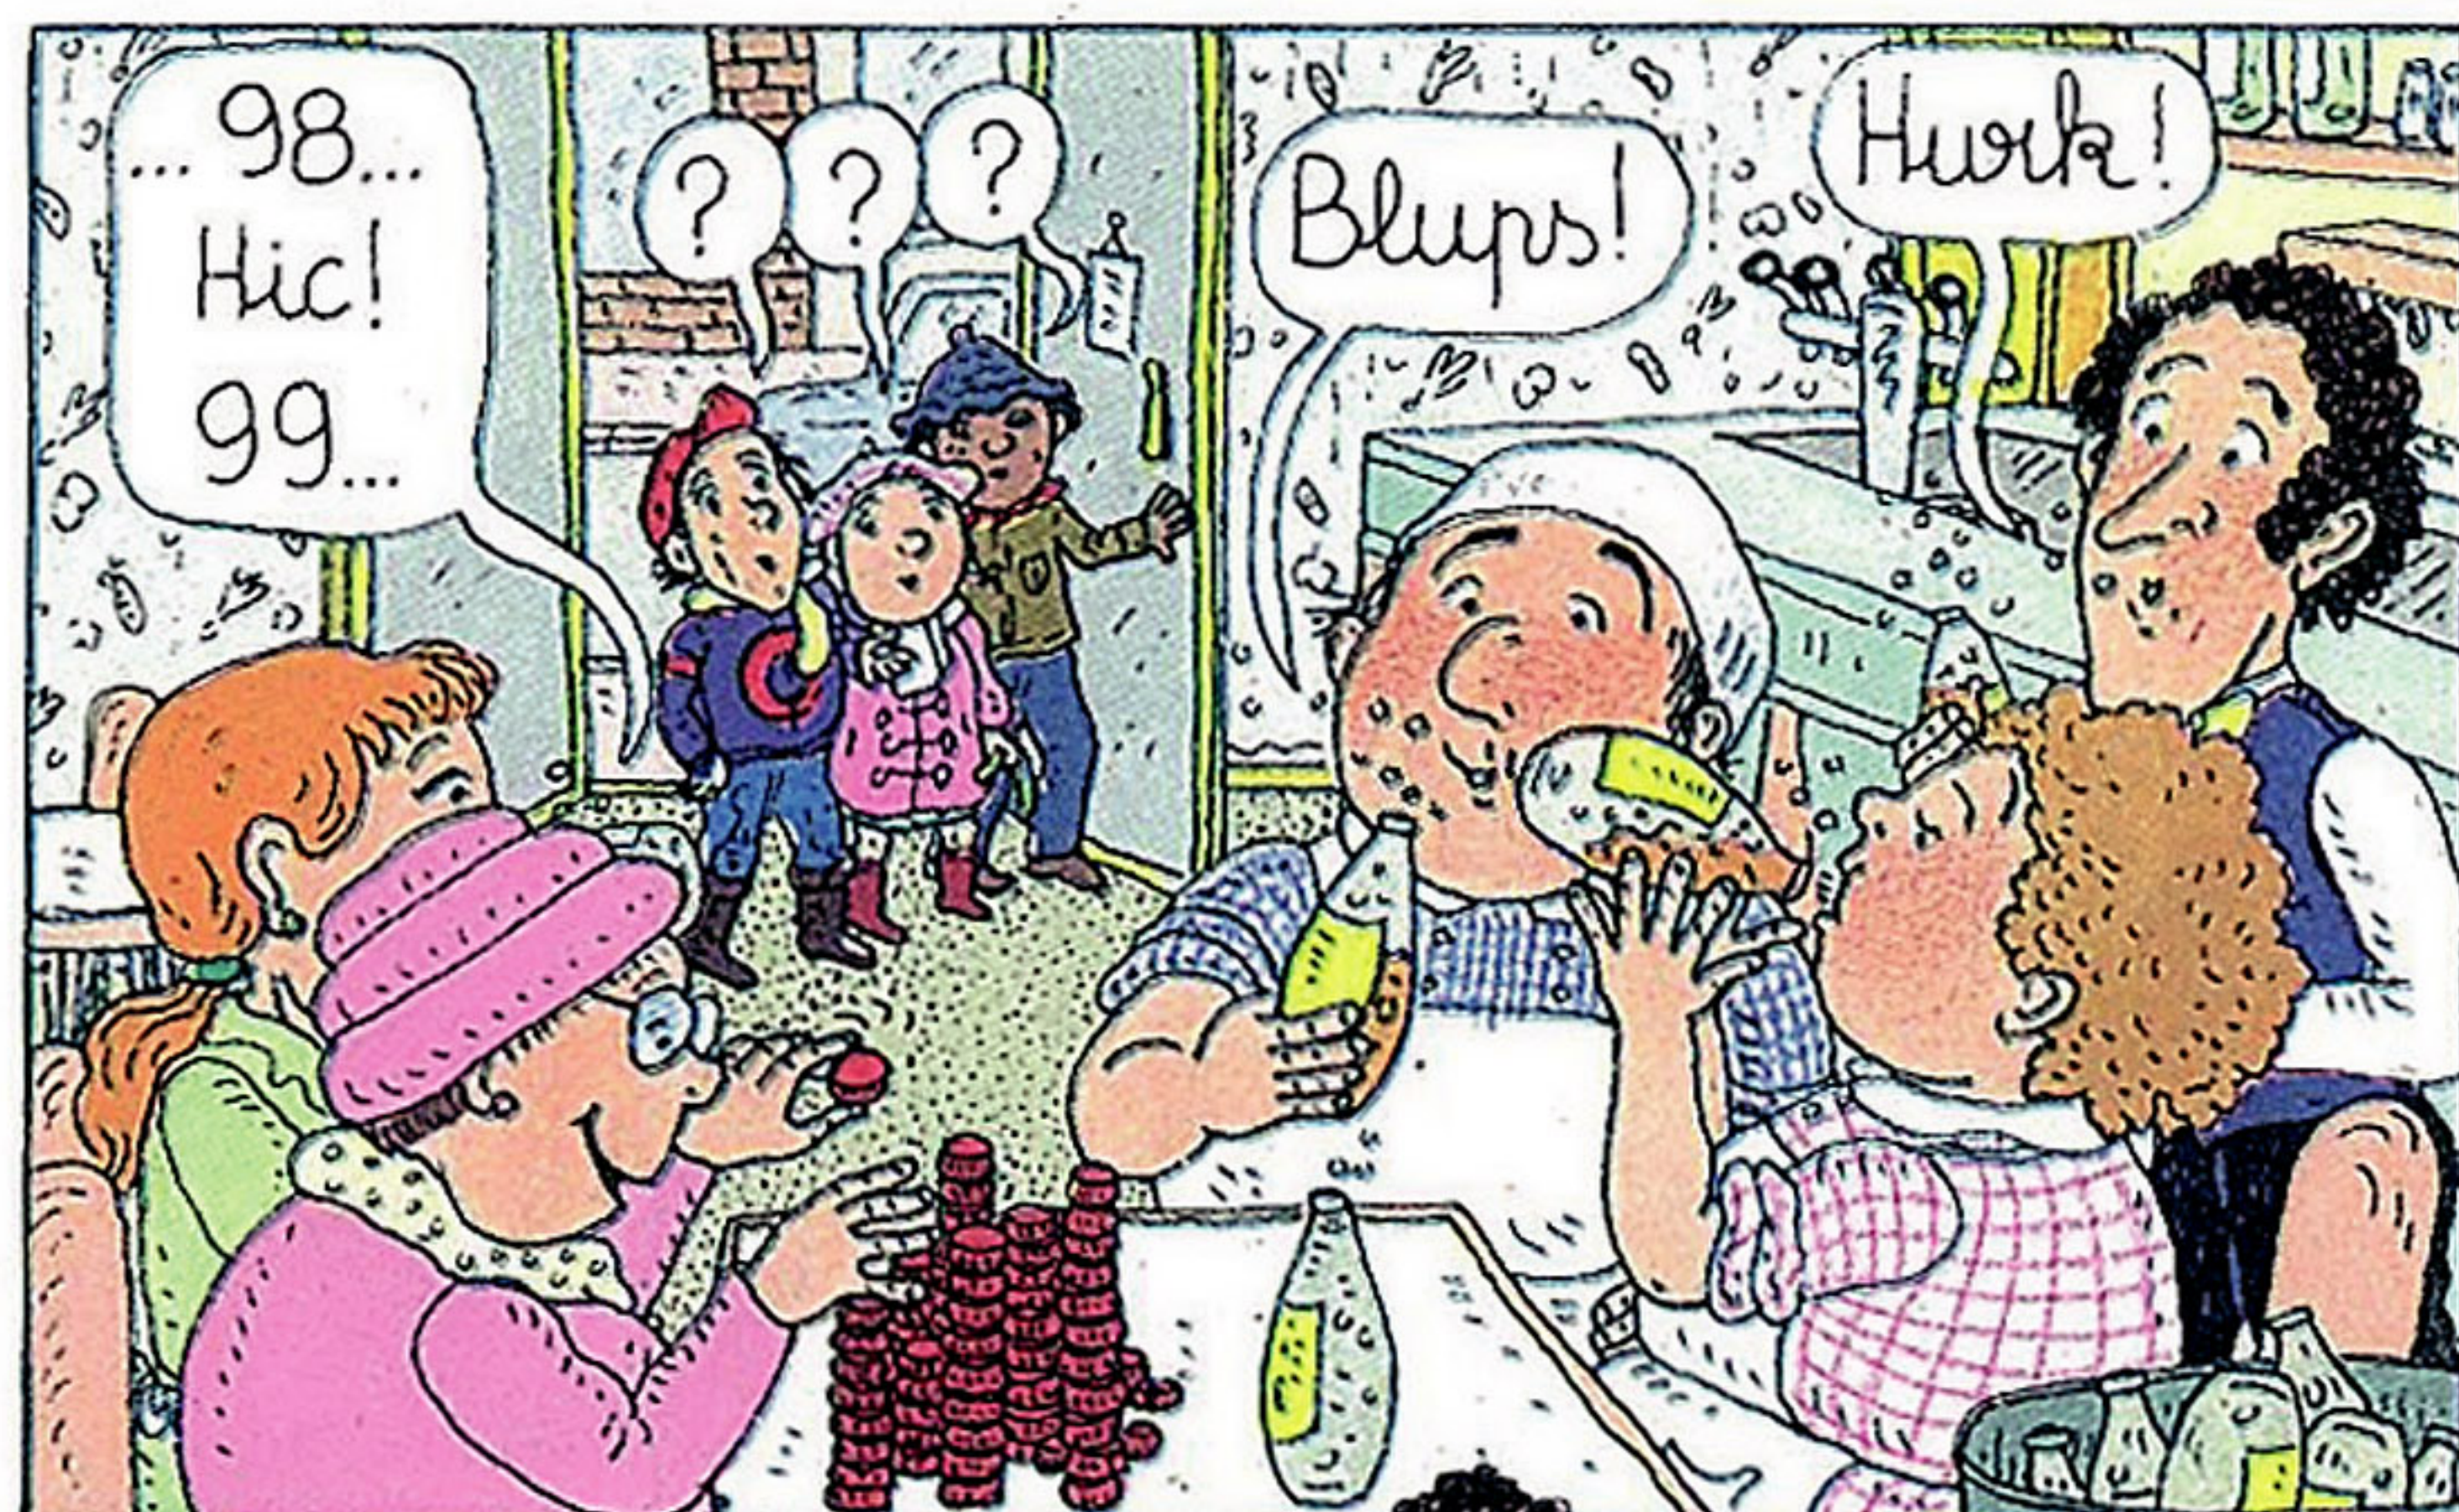

Tom-Tom et Nana: les vacances infernales

PAFF!

Le concours Pétibulle

(97.1)

Vite, Adrien!
La première
question!

Mets-toi
en maillot
de bain!

Nous, on remplit la bai-
gnoire en comptant les
bouteilles!

1...

GOULOU!
GOULOU!

...4...5...

Ils sont vraiment
un peu fous chez
Pétibulle!

GOULOU!
GOULOU!

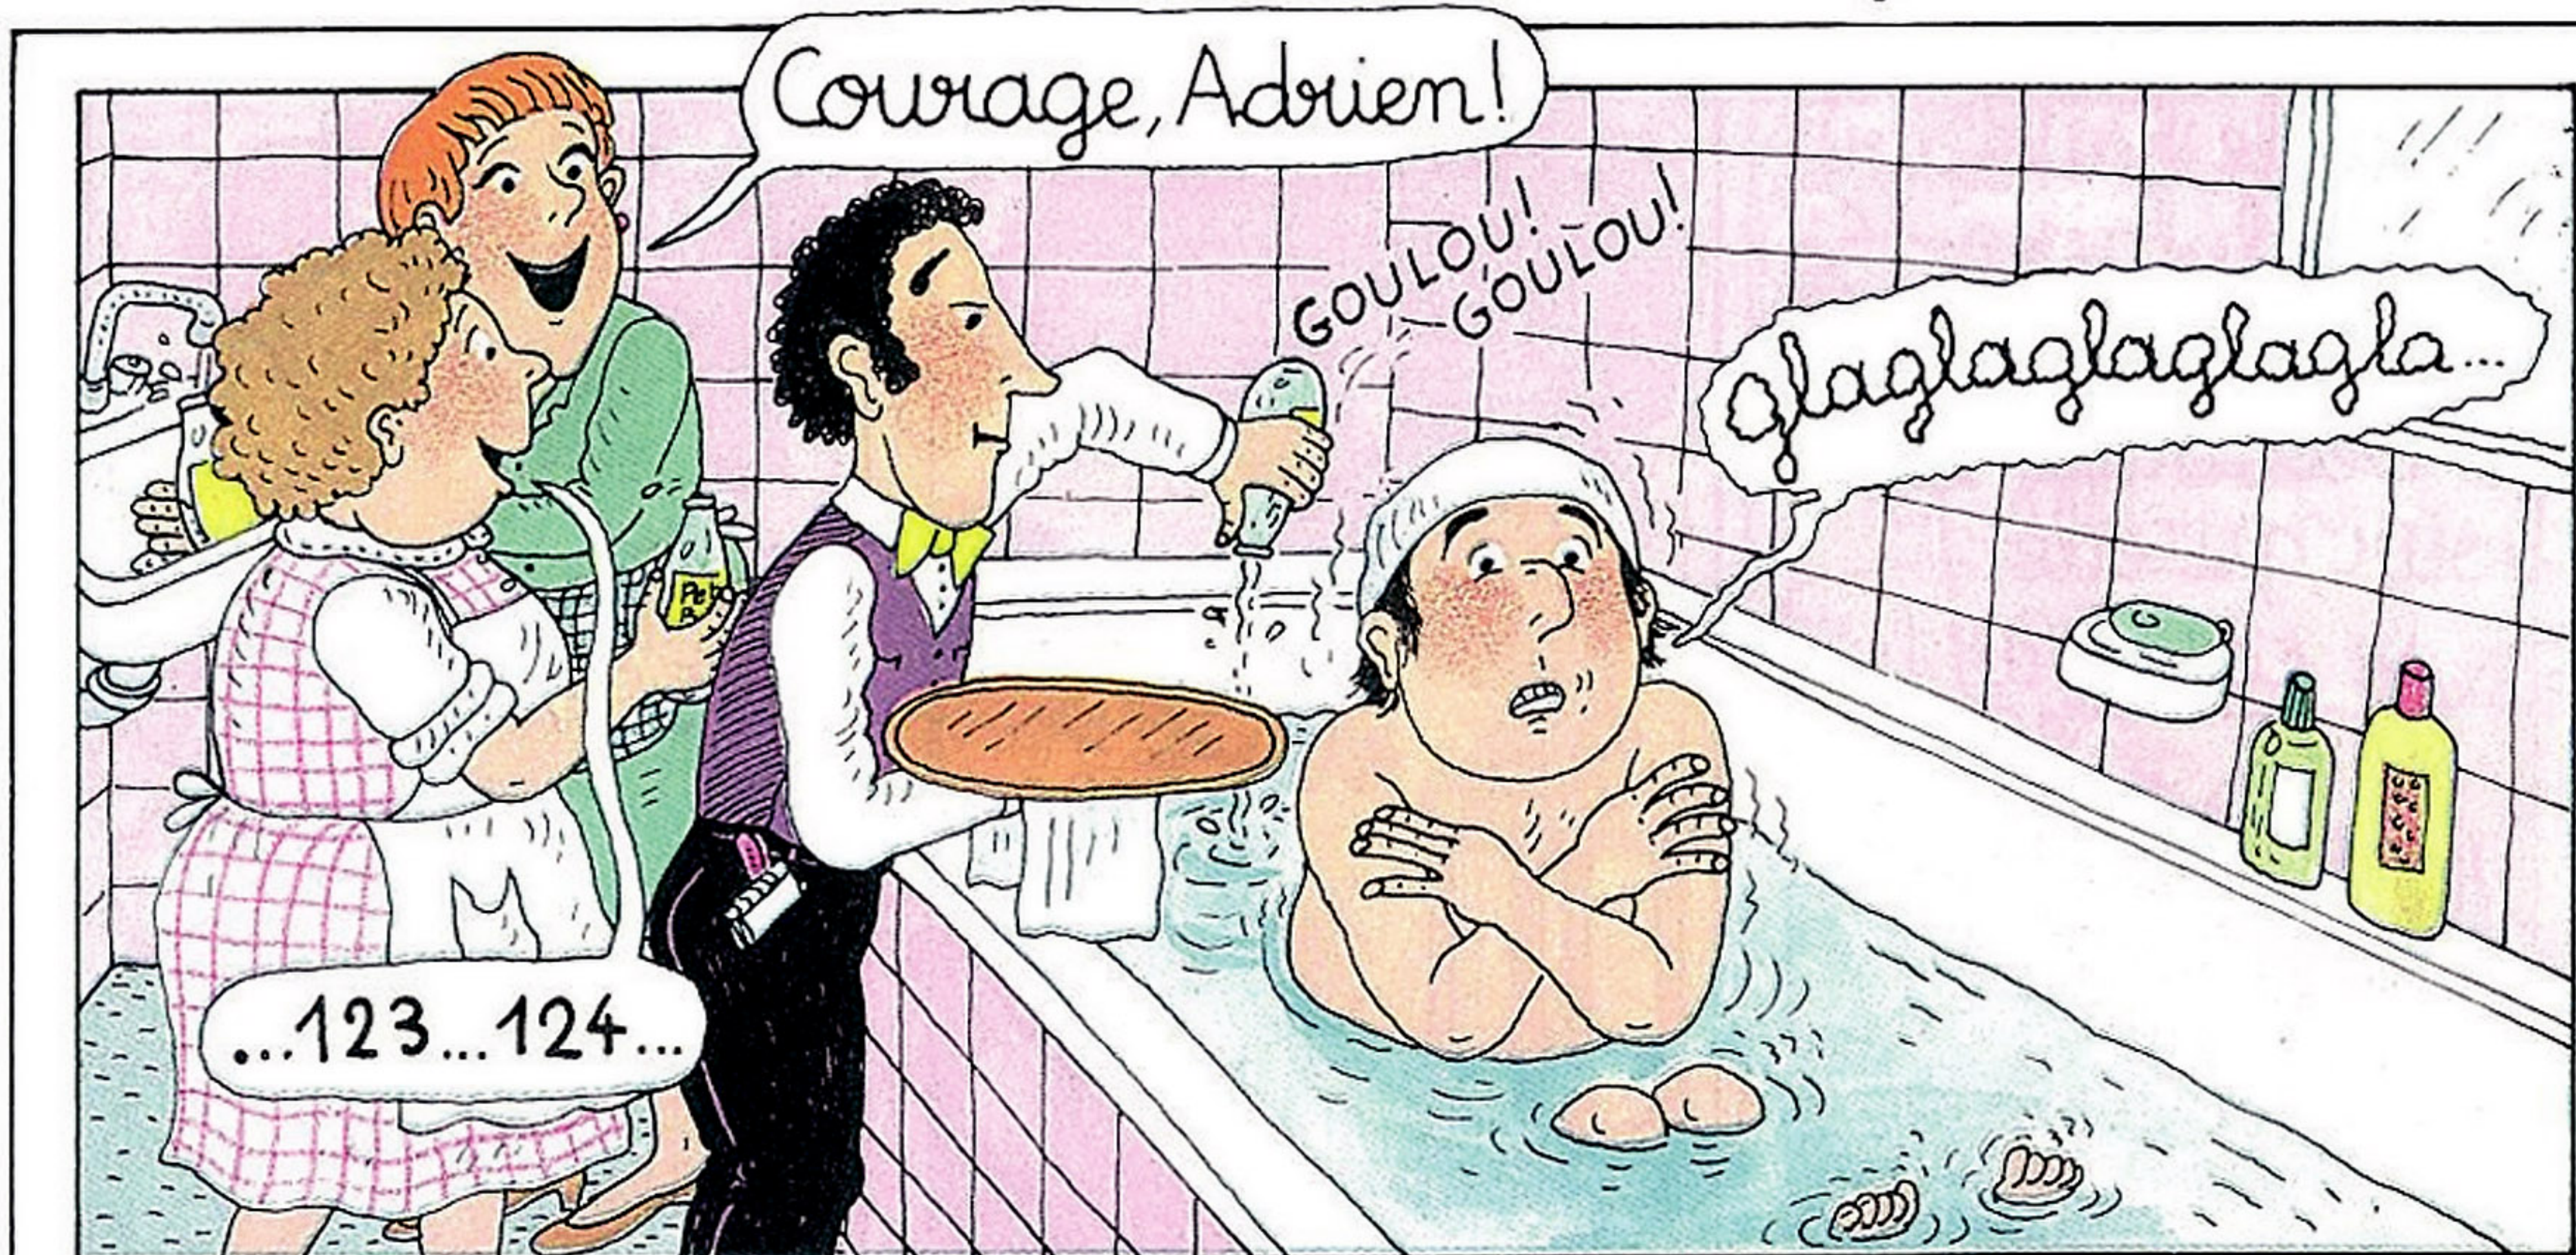

GOULOU!

...43...
44...

A-A-A-AHH!
Vous ne
pourriez
pas
aller
plus
vite!

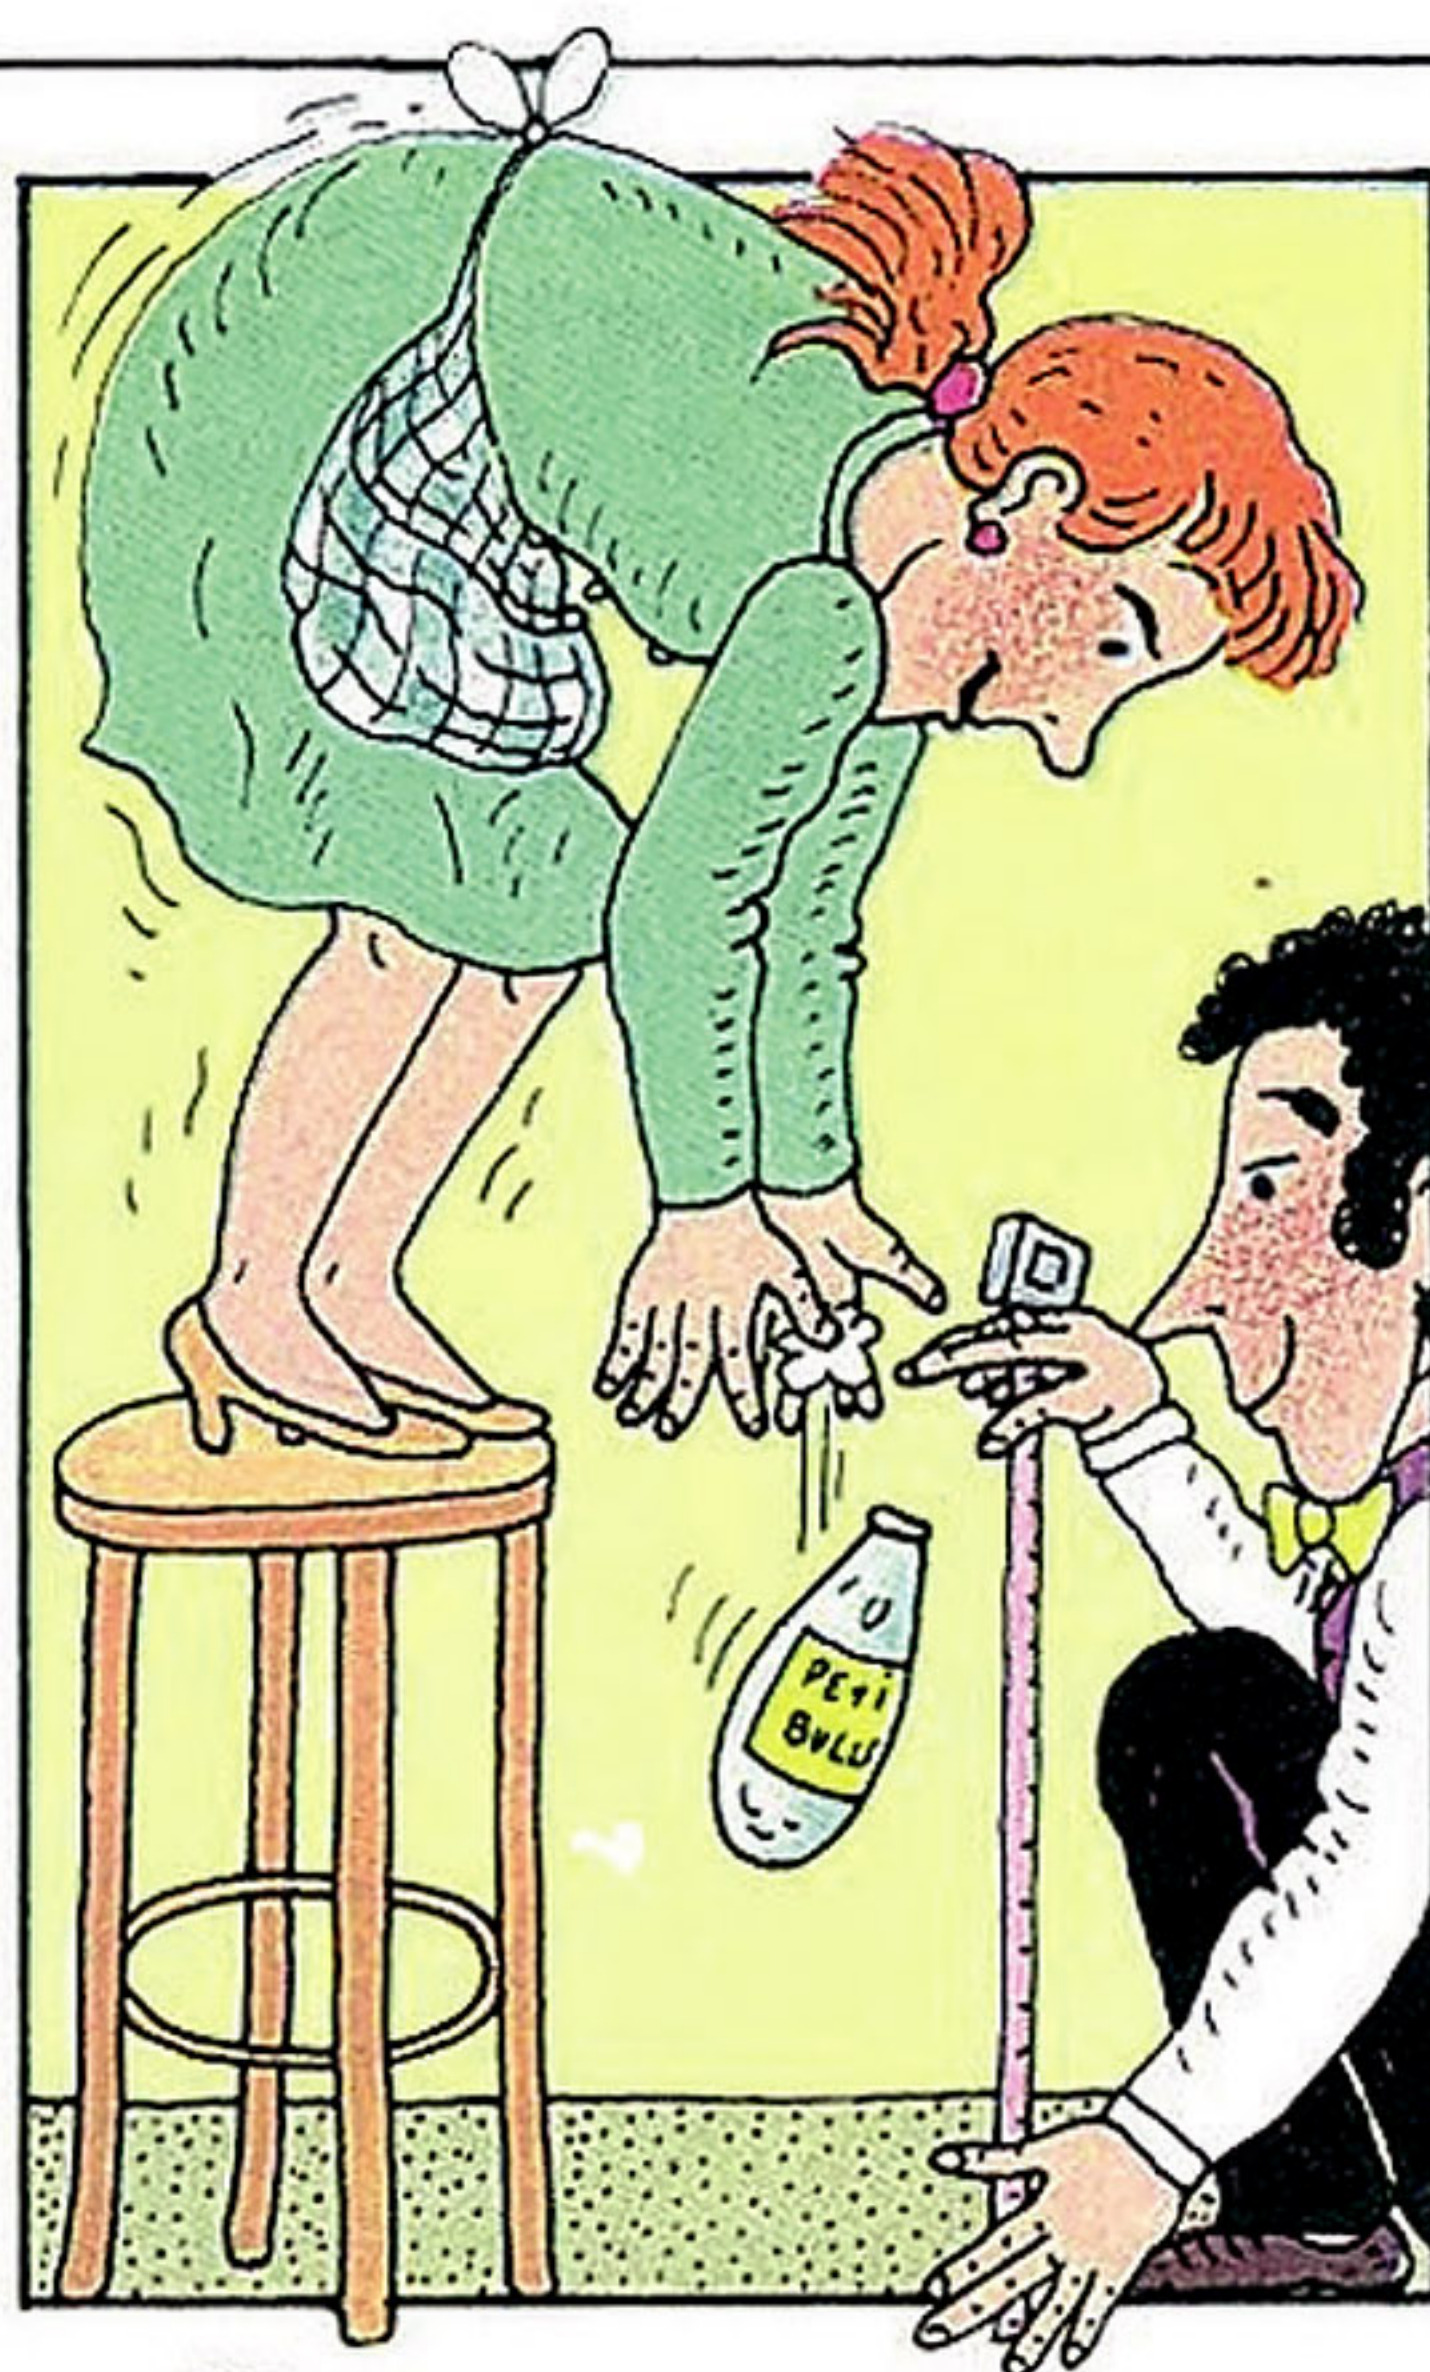

Mince, j'ai l'impression
qu'il n'y a plus
d'eau
chaude!

De quelle hauteur
faut-il faire
tomber une bouteille
de Bédibulle
pour qu'elle
se casse?

AAA...

50 cm!
Elle ne casse
pas!

PAFF!

Attention
je lâche!

1 mètre!

AA...

Pas cassée!

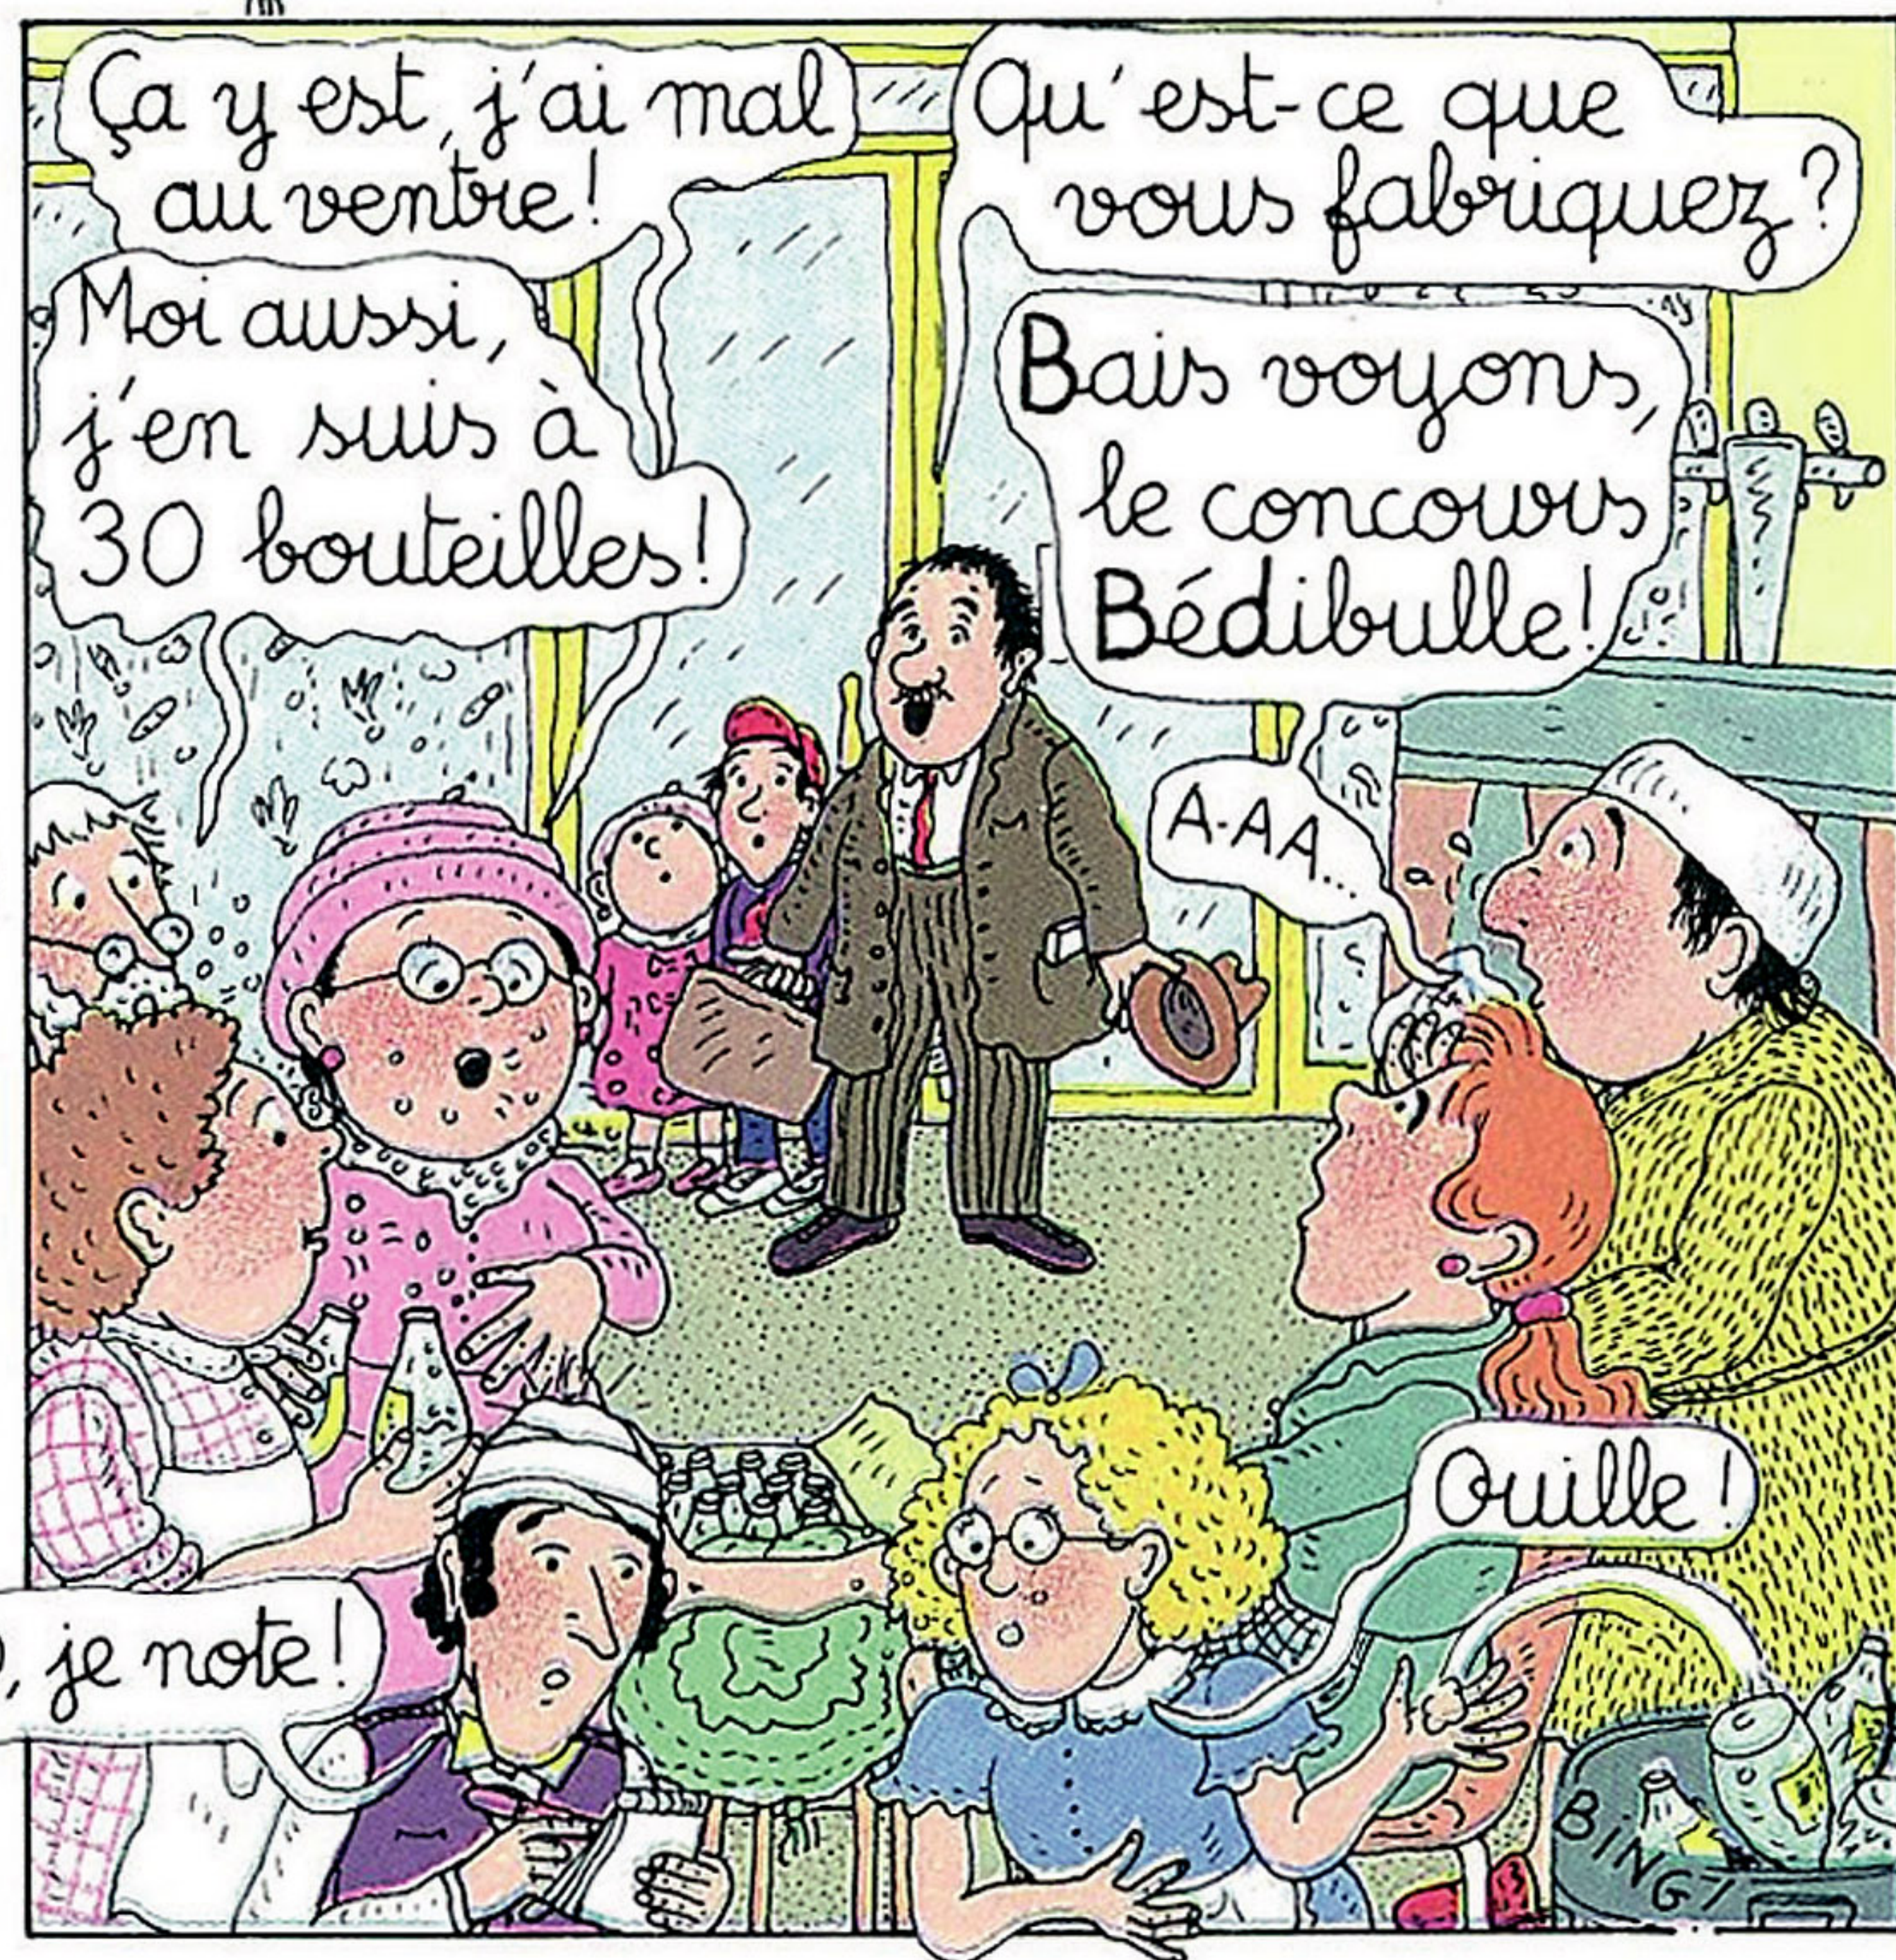

TCHII!

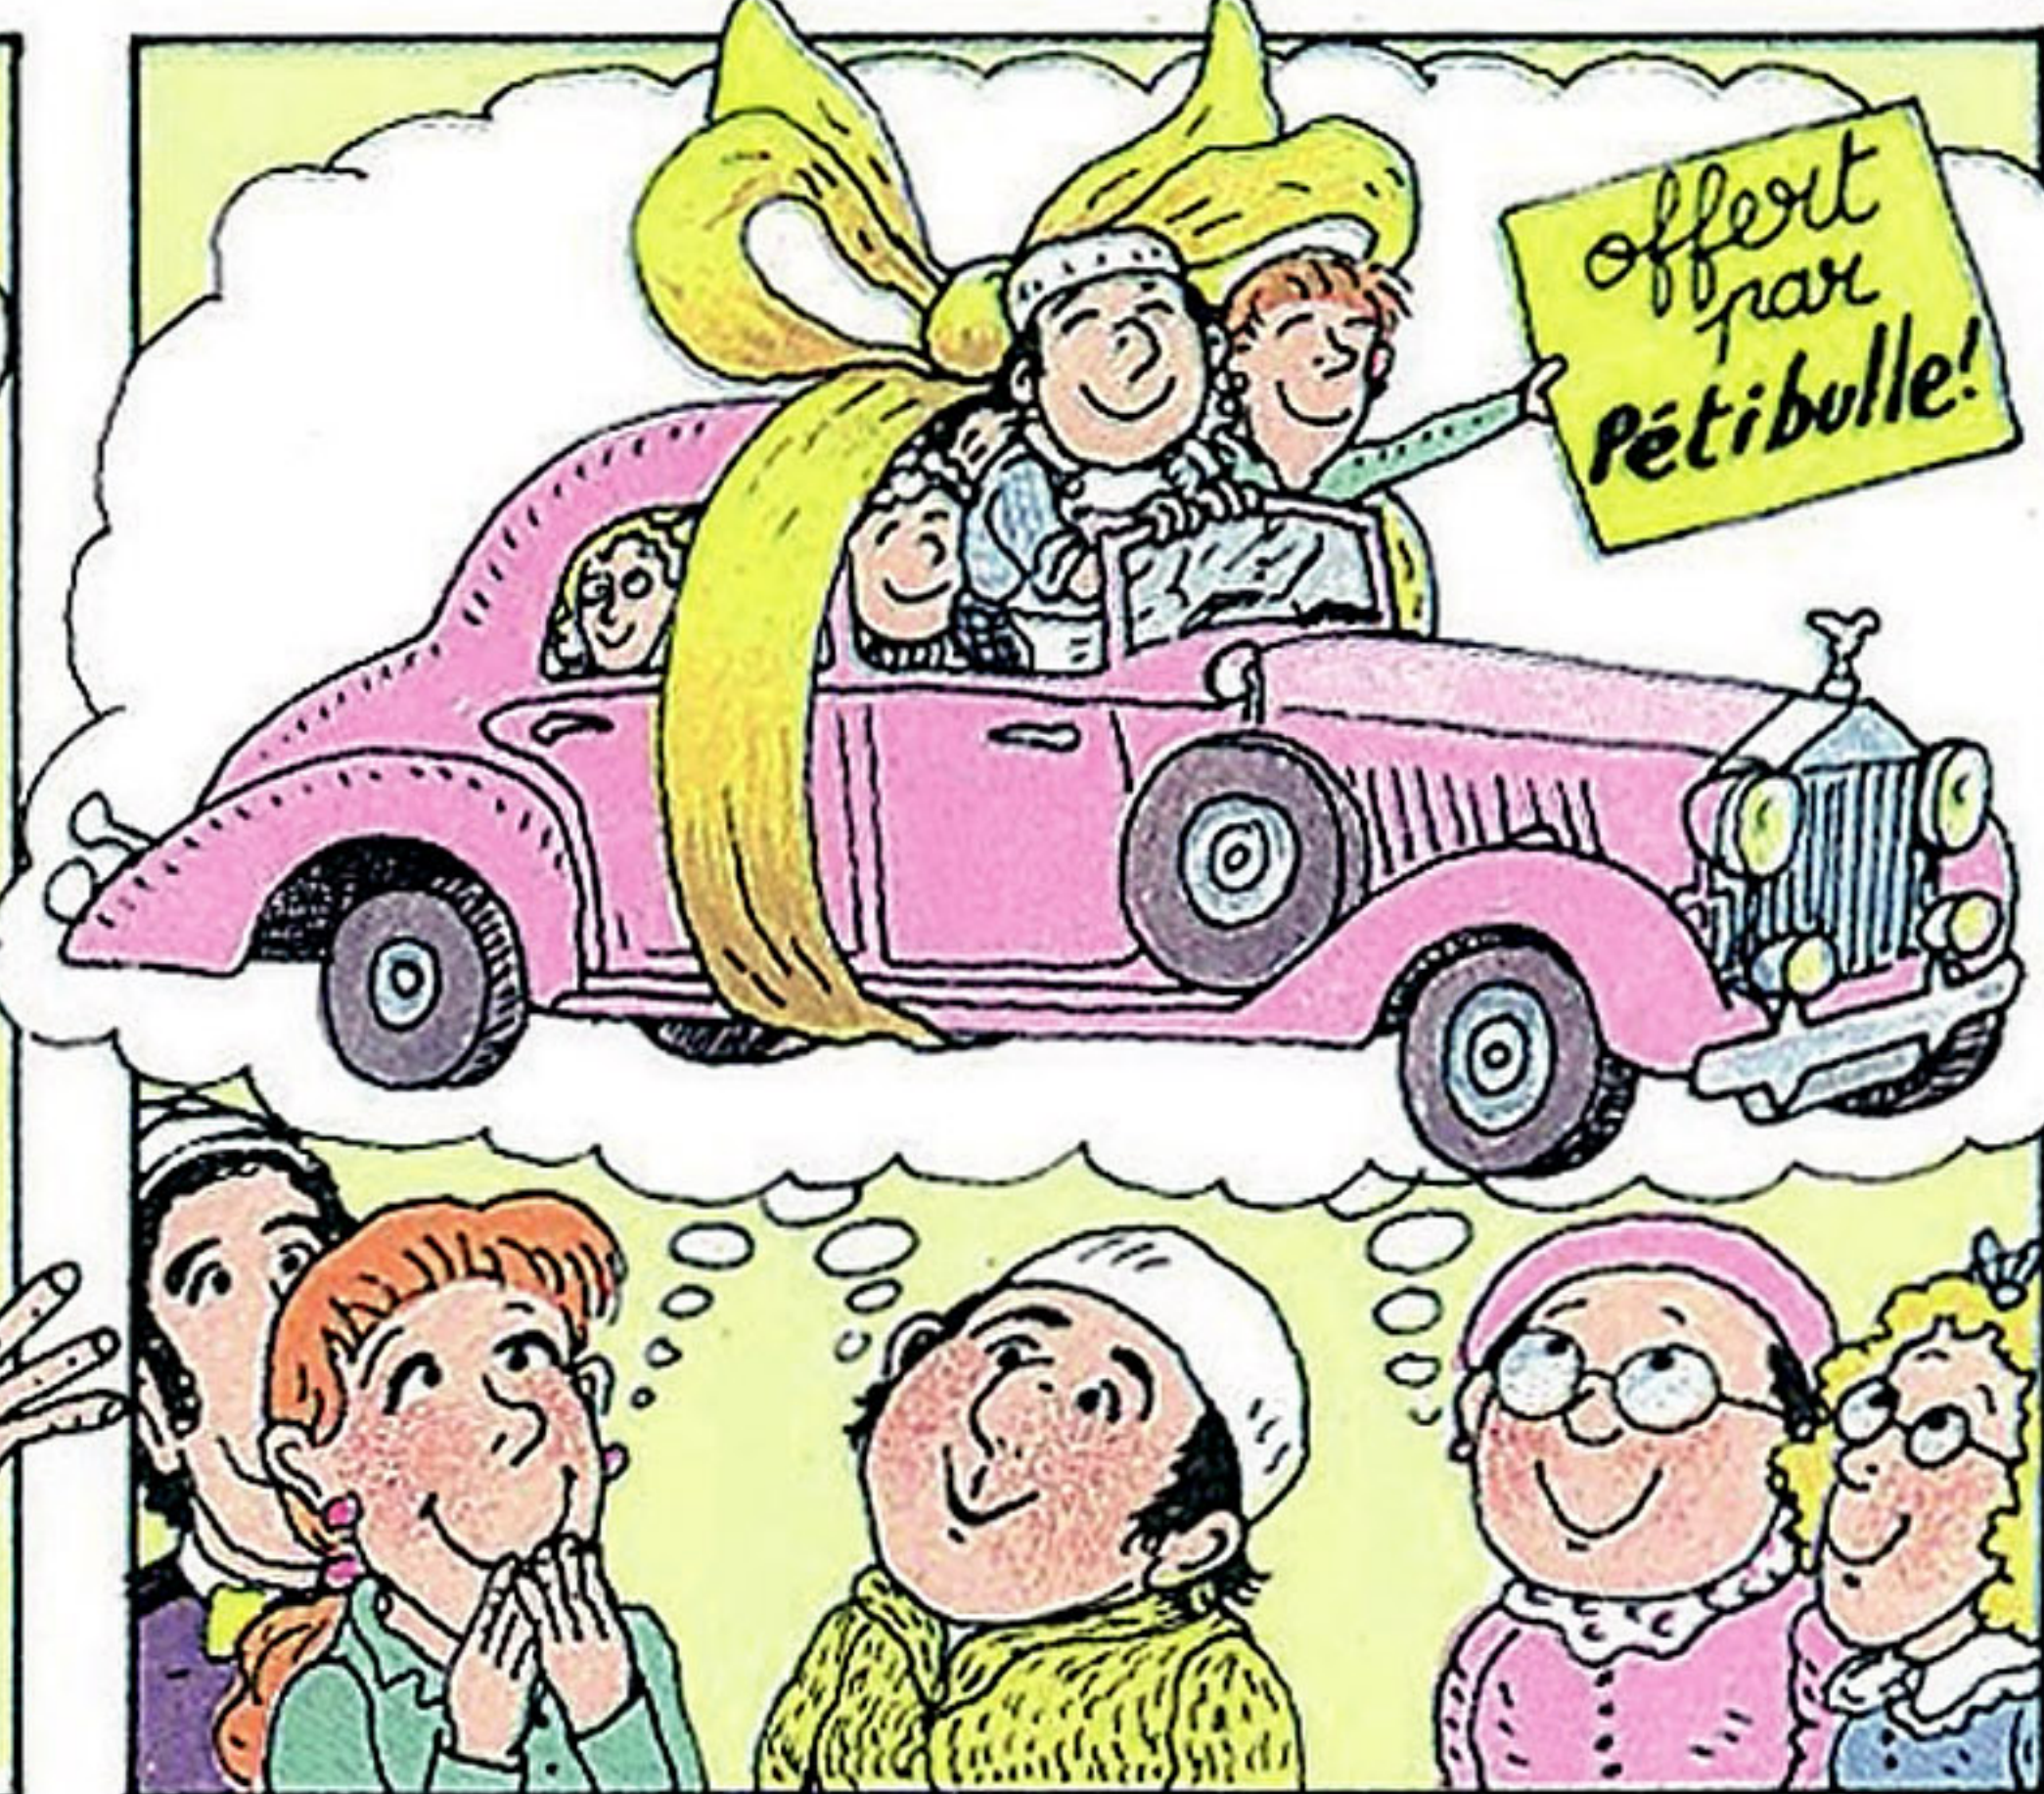

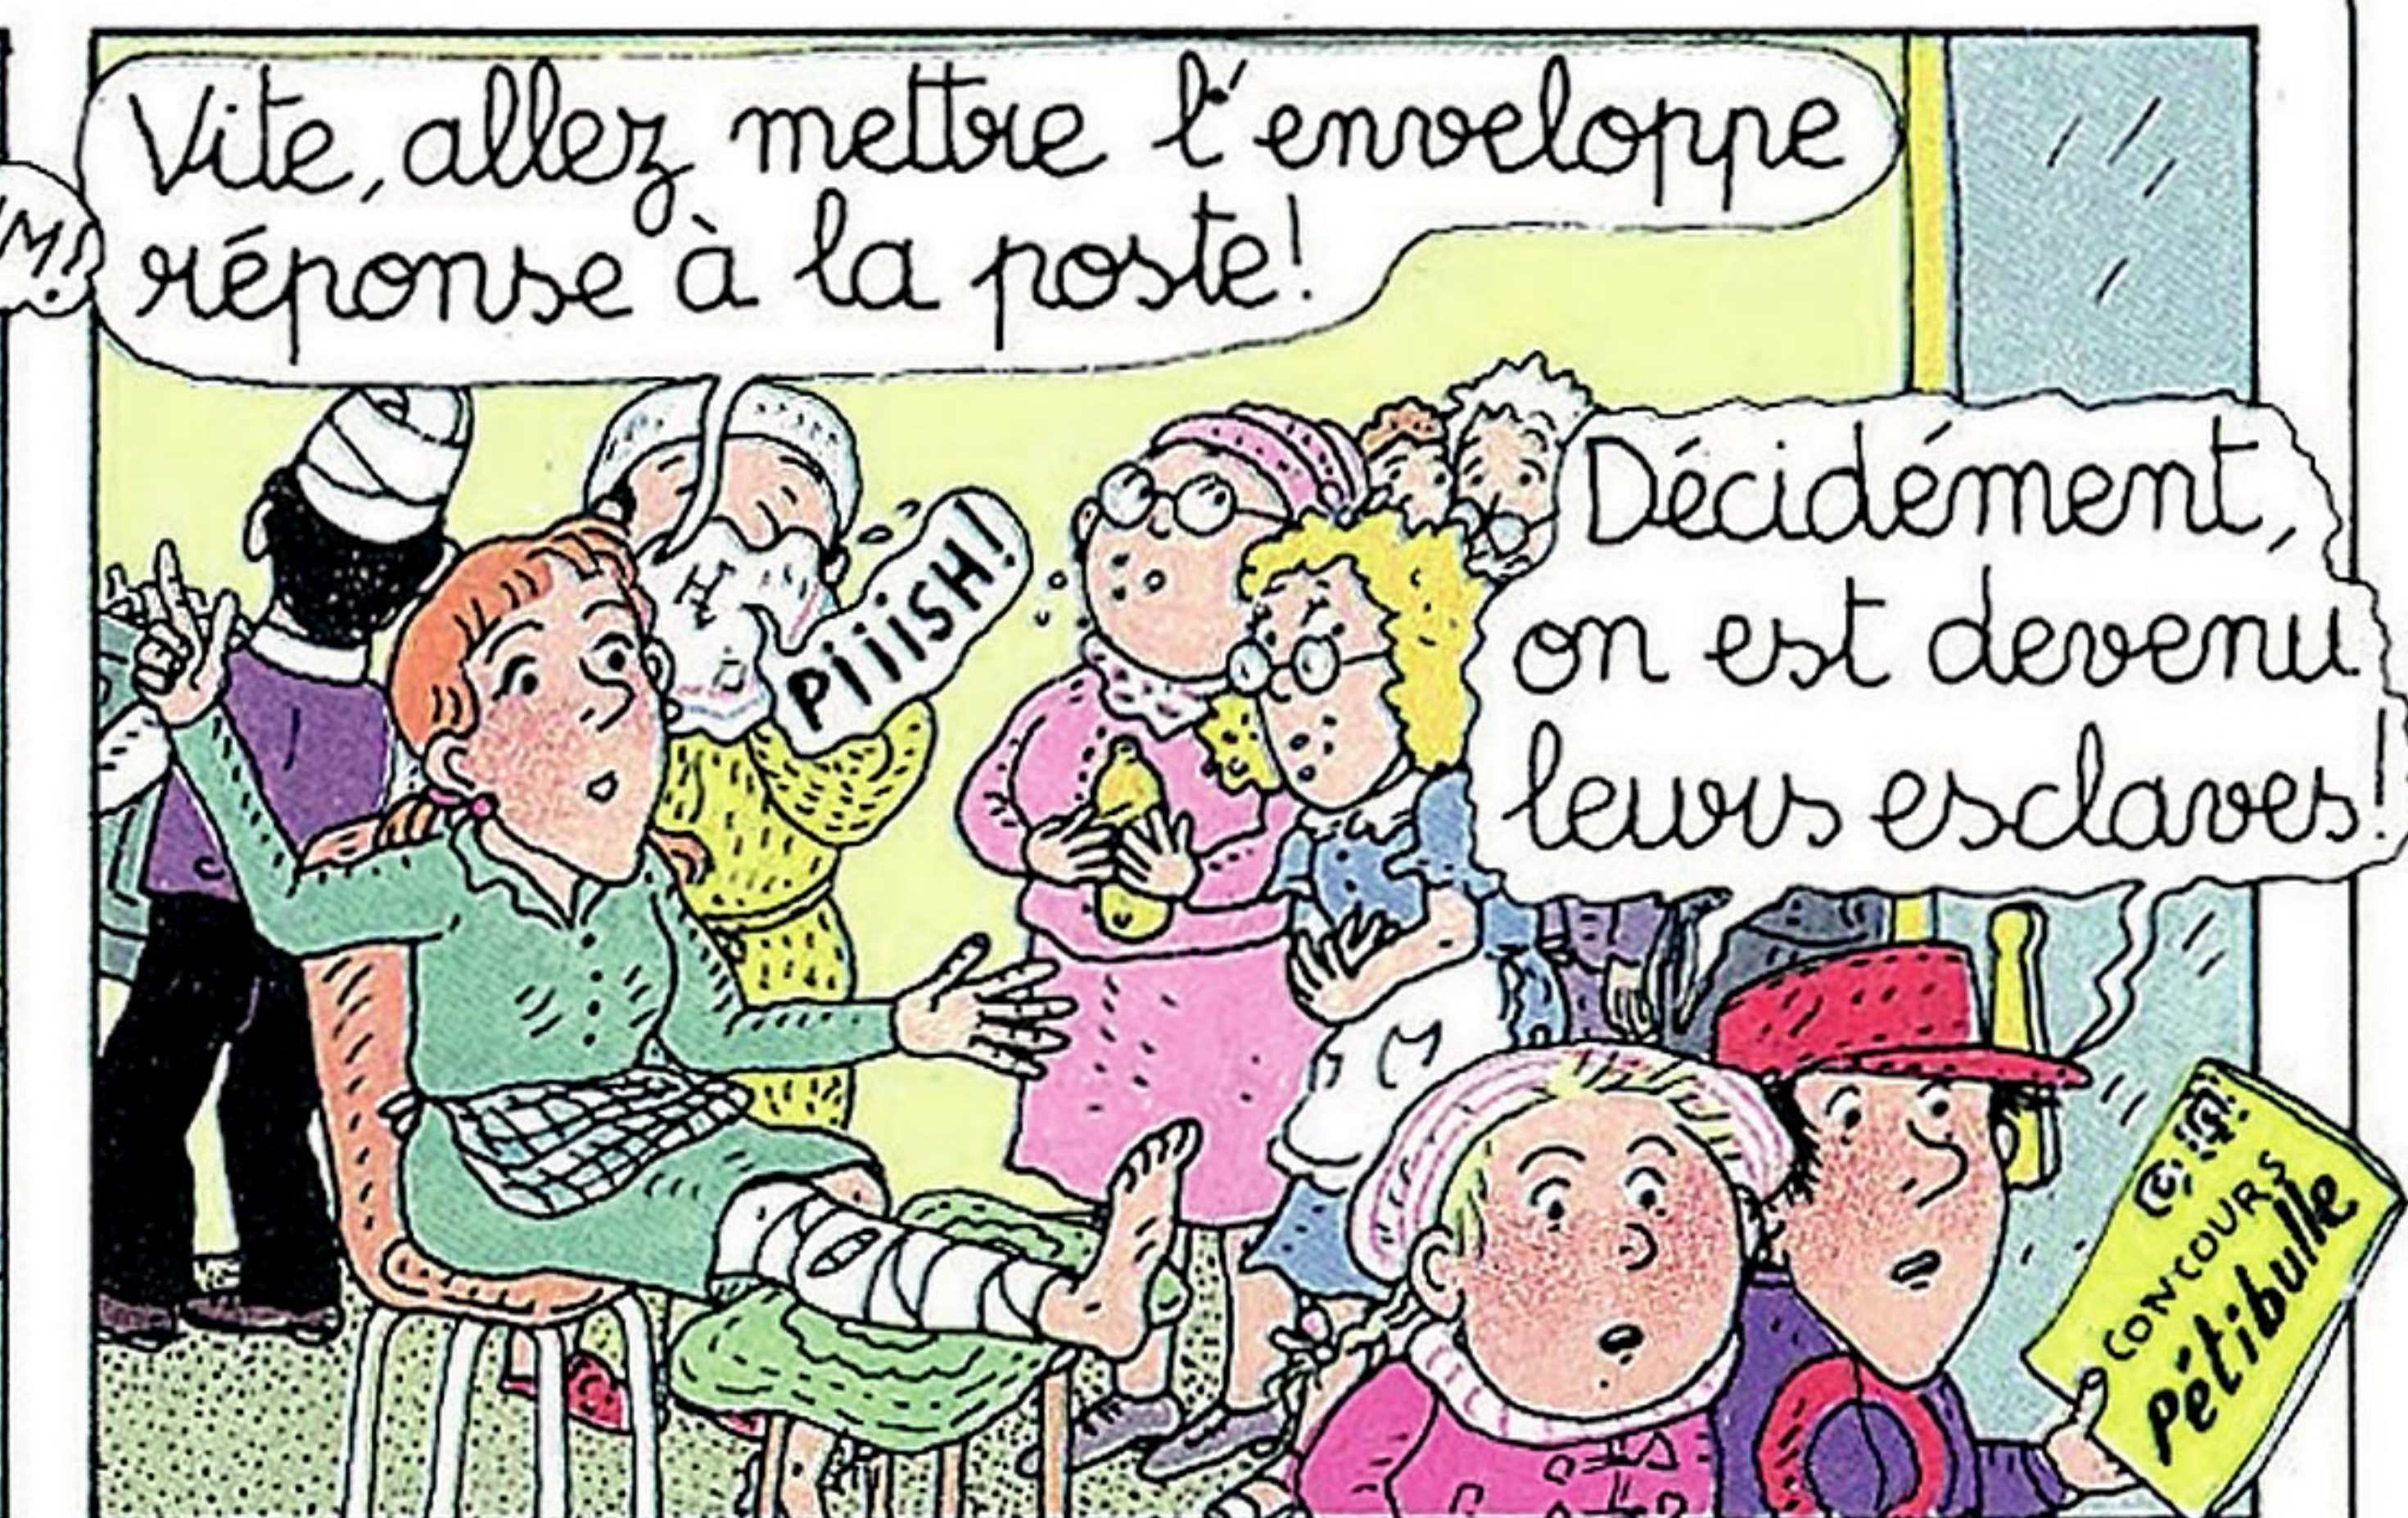

BONG!

AAAïe!

PAFF!

Une semaine plus tard...

Vous avez gagné!

C'est la voiture là-dedans?

Non, c'est sûrement le manteau de fourrure!

"Vous avez gagné un lot de consolation, grâce auquel vous pourriez fabriquer vous-mêmes du Pétibulle!"

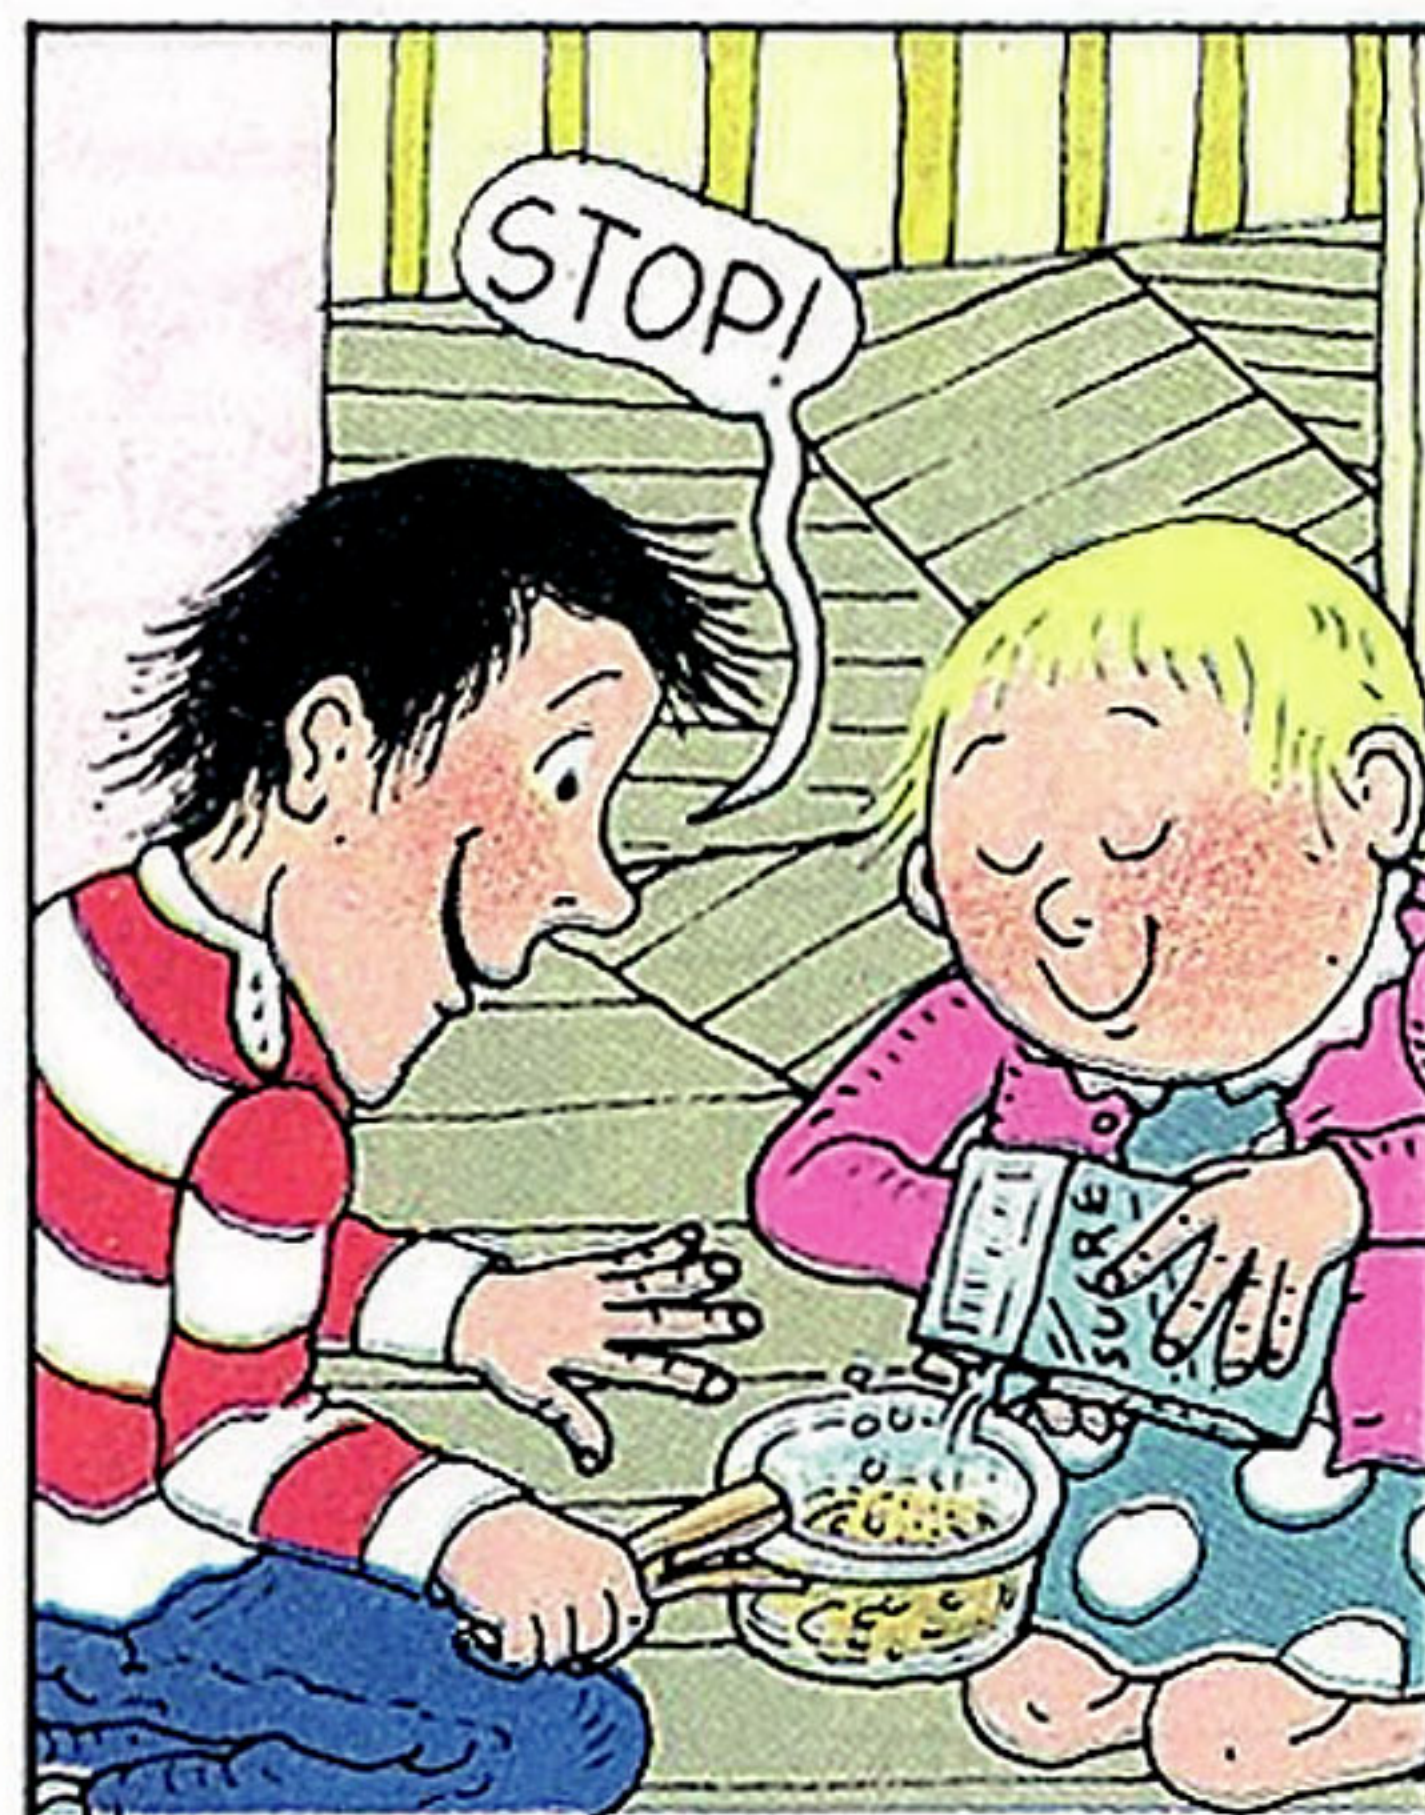

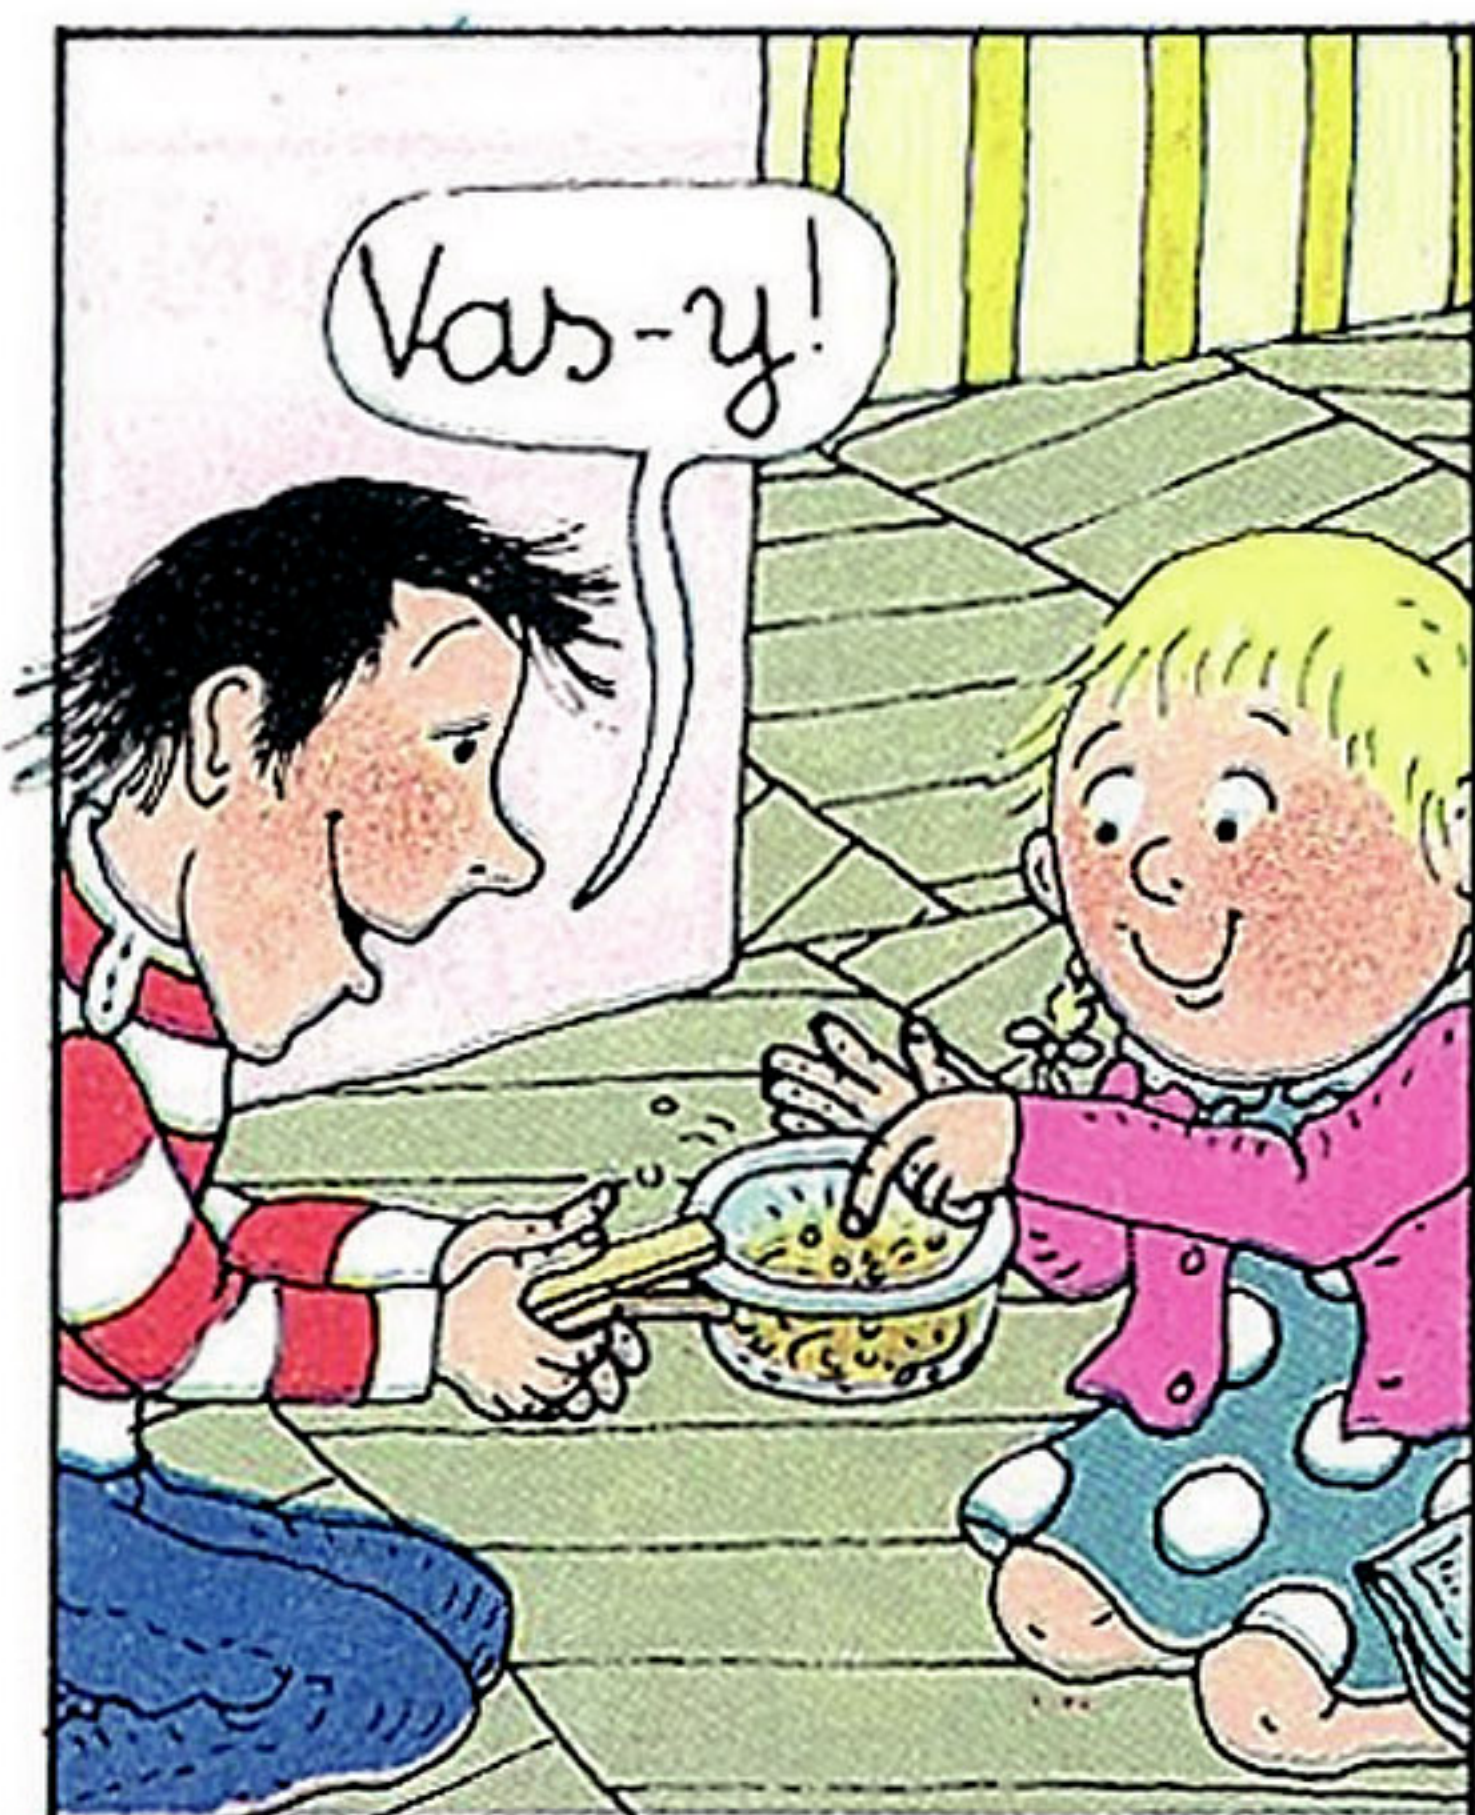

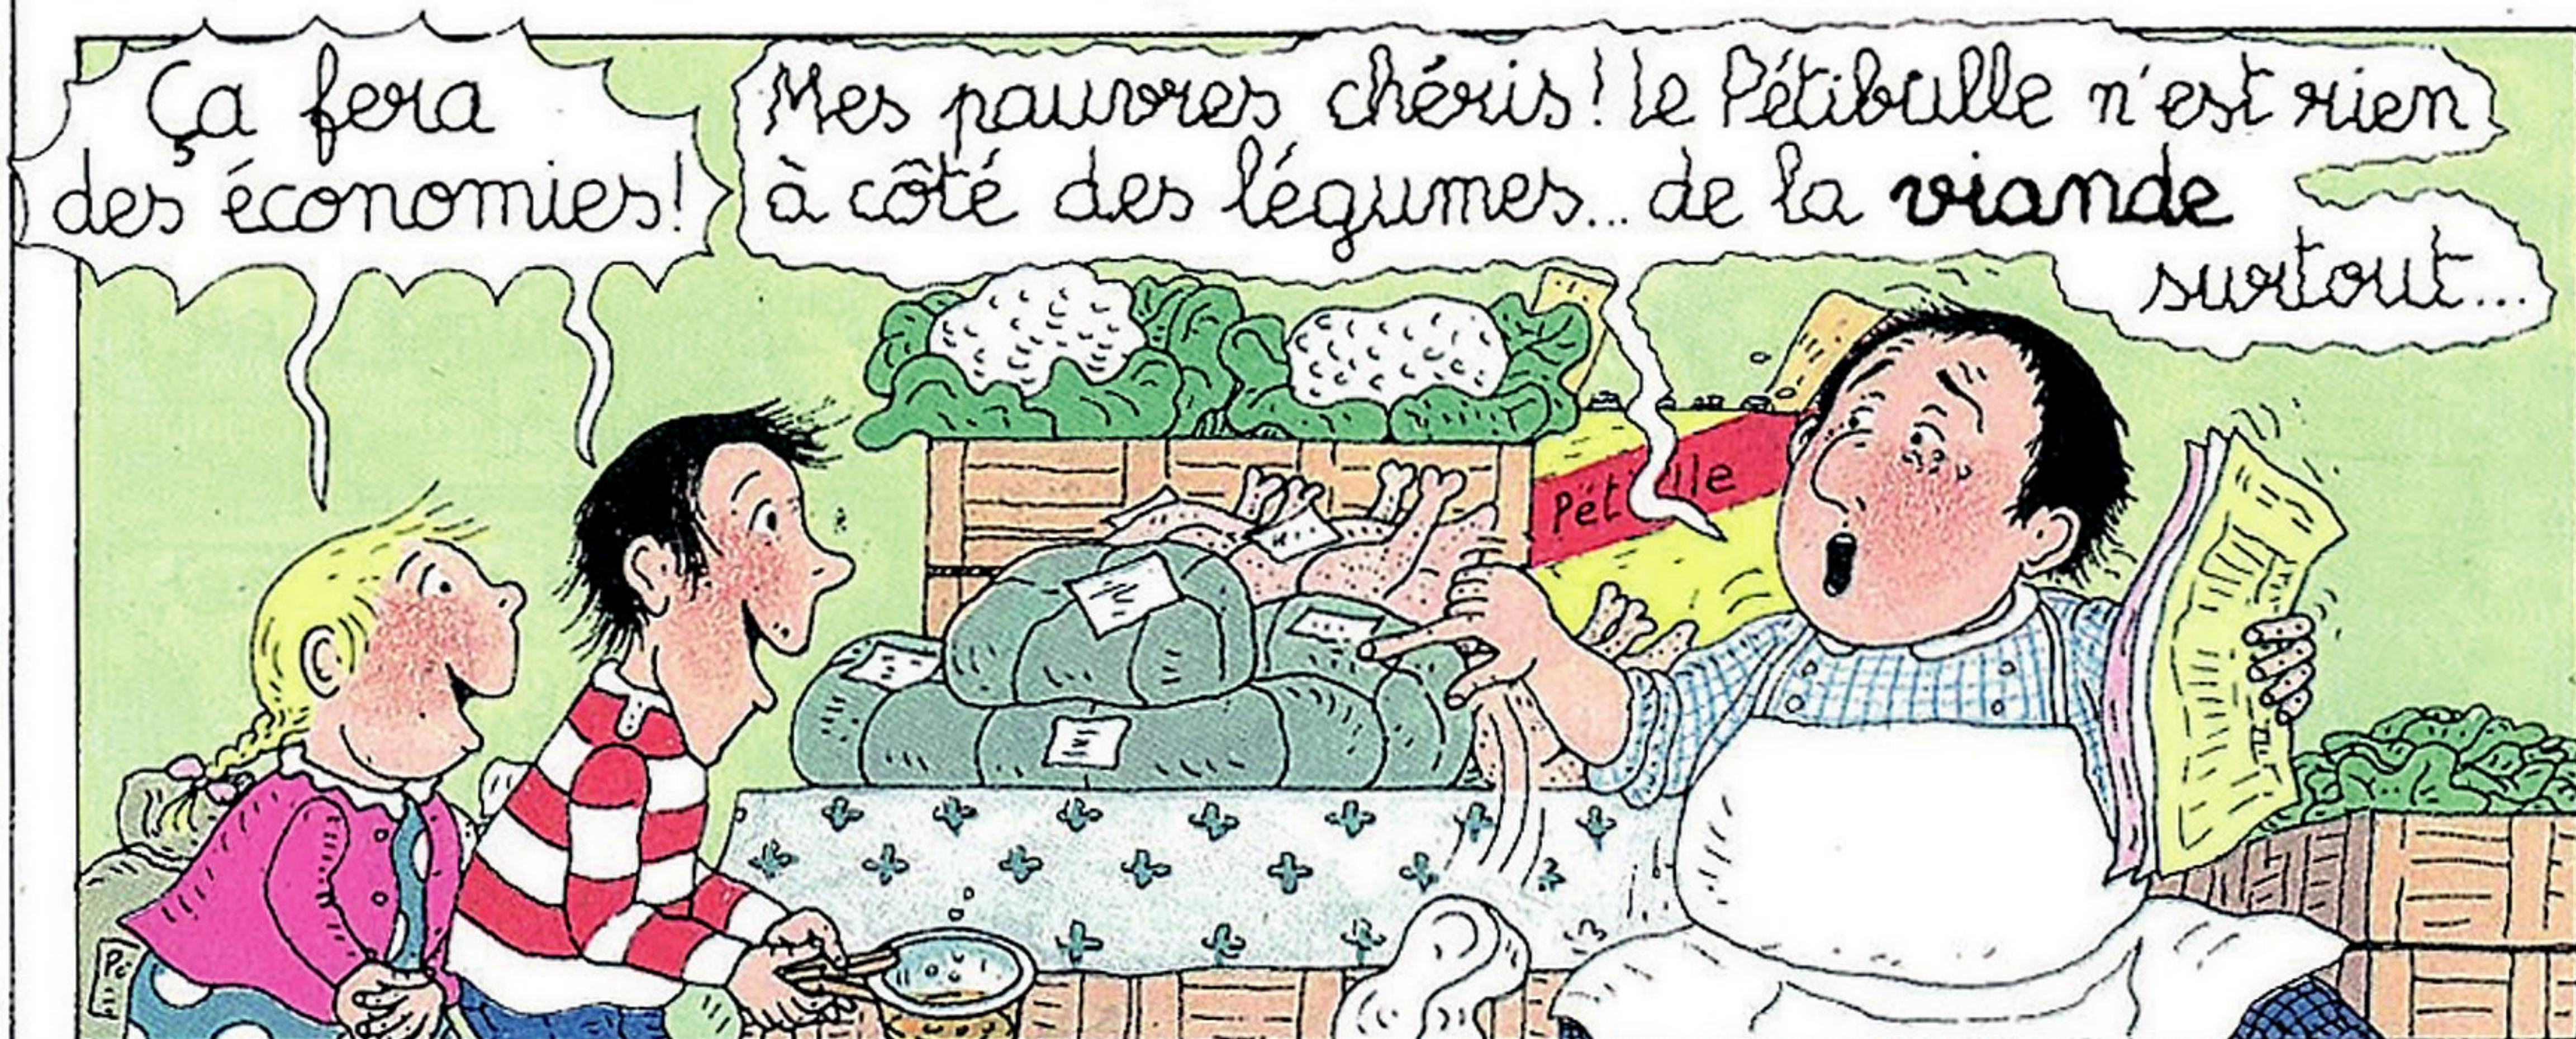

Le chimi-steak-frites

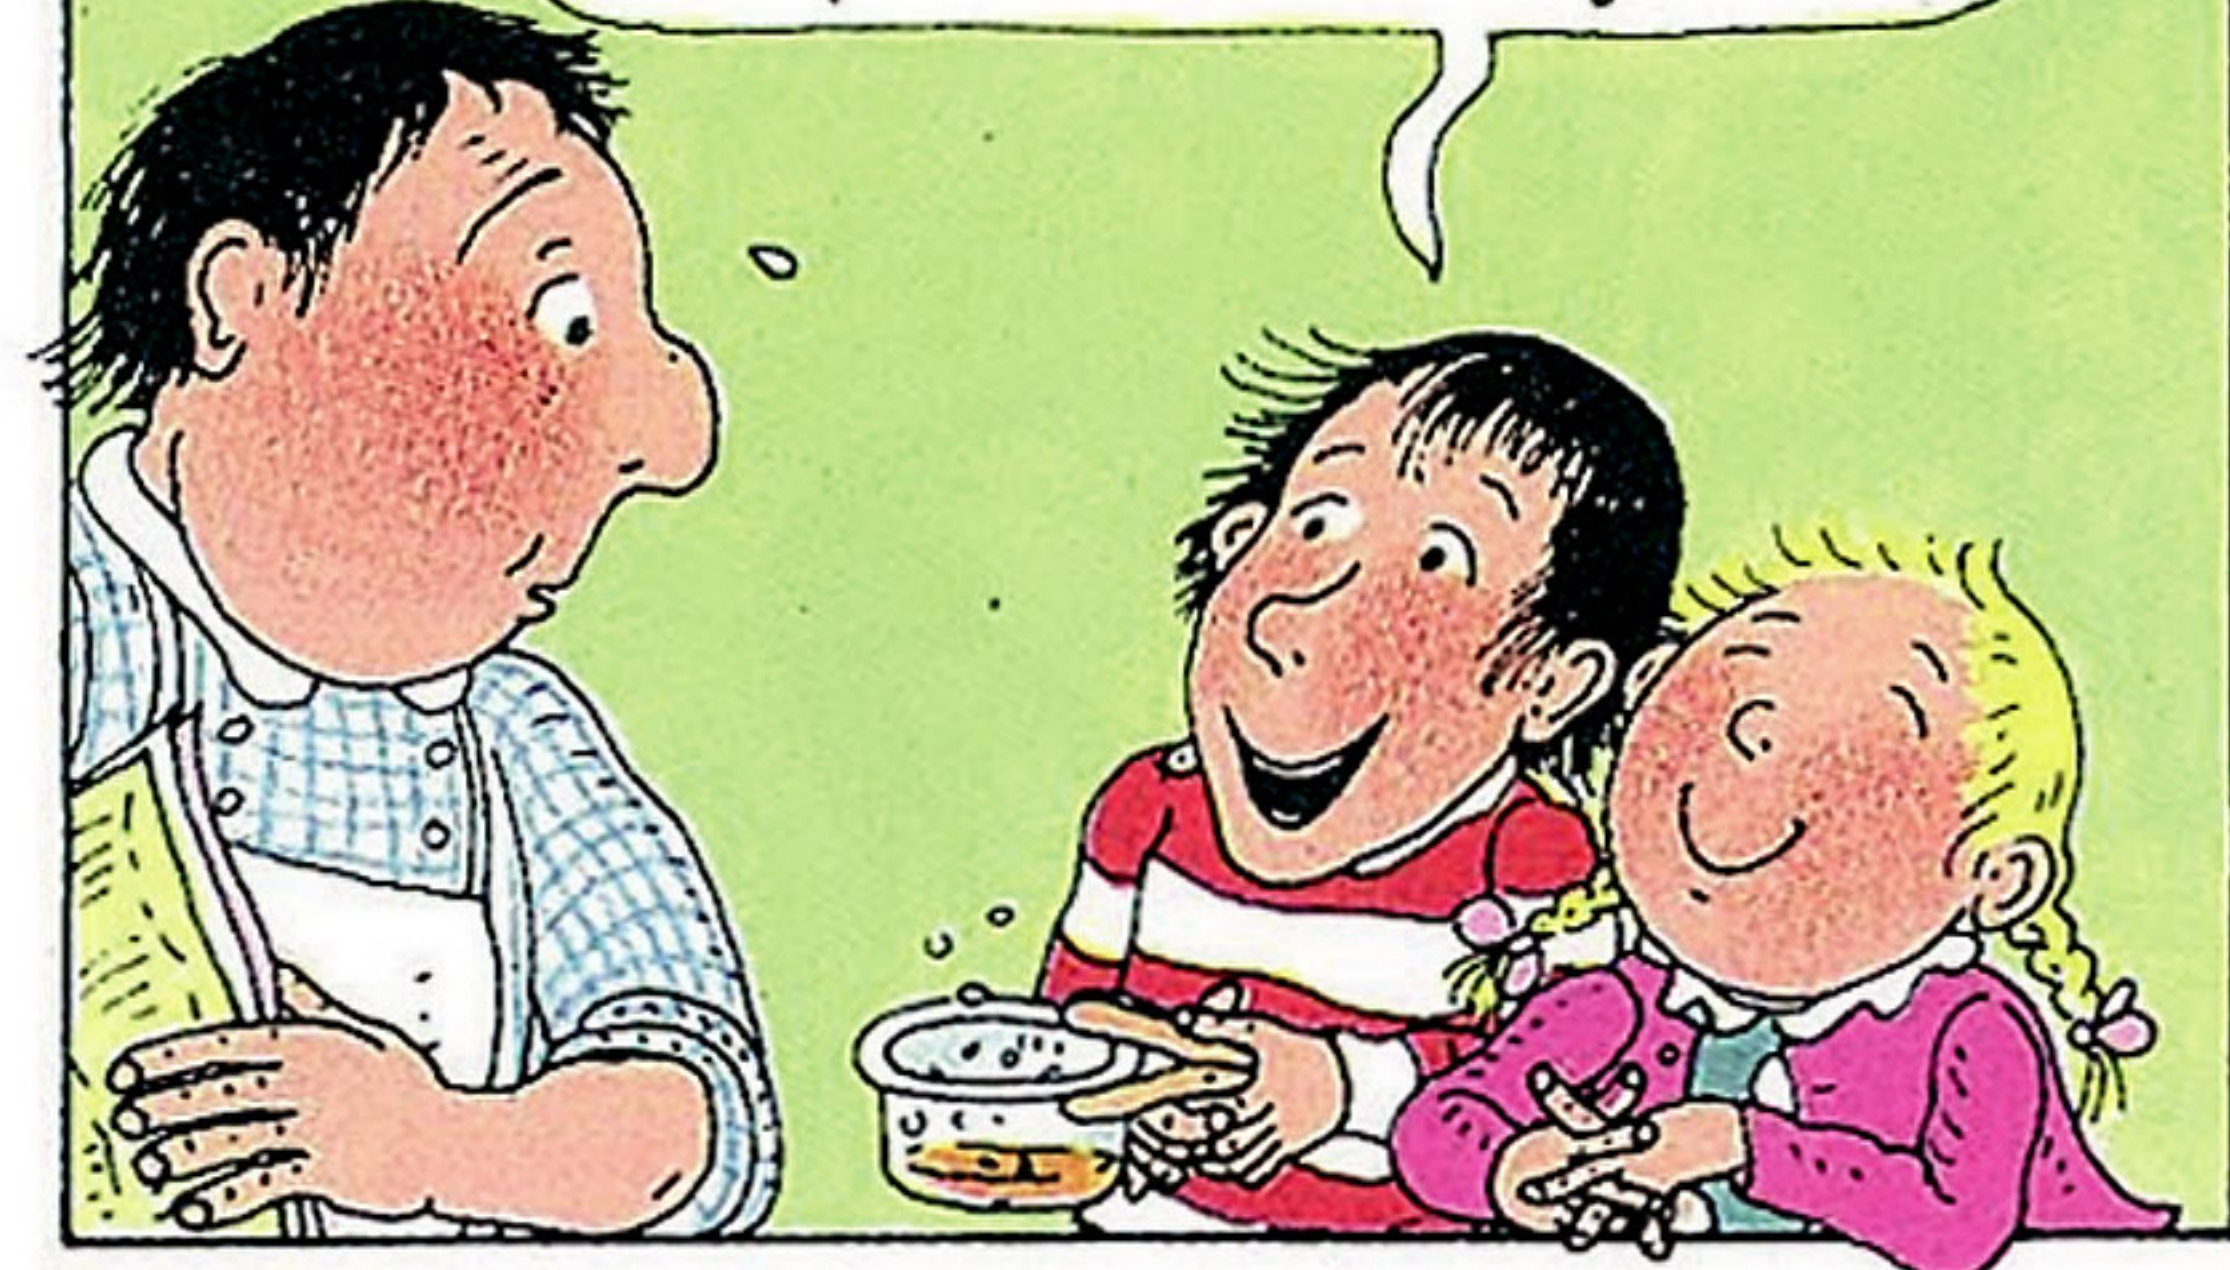

(98-1)

Mais bien sûr qu'on va fabriquer des steak-frites... Avec la chimie on peut tout faire.

Ya bien du lait en poudre et de la soupe en cube!

A partir d'aujourd'hui, tu n'auras plus besoin d'acheter de la viande! Et bientôt, grâce à notre invention, on ne tuera plus les animaux...

...ni les pommes de terre!

Confiance...
Tiens, goûte notre Pétibulle!

Hum... Pas mal...
Il faut le dire!

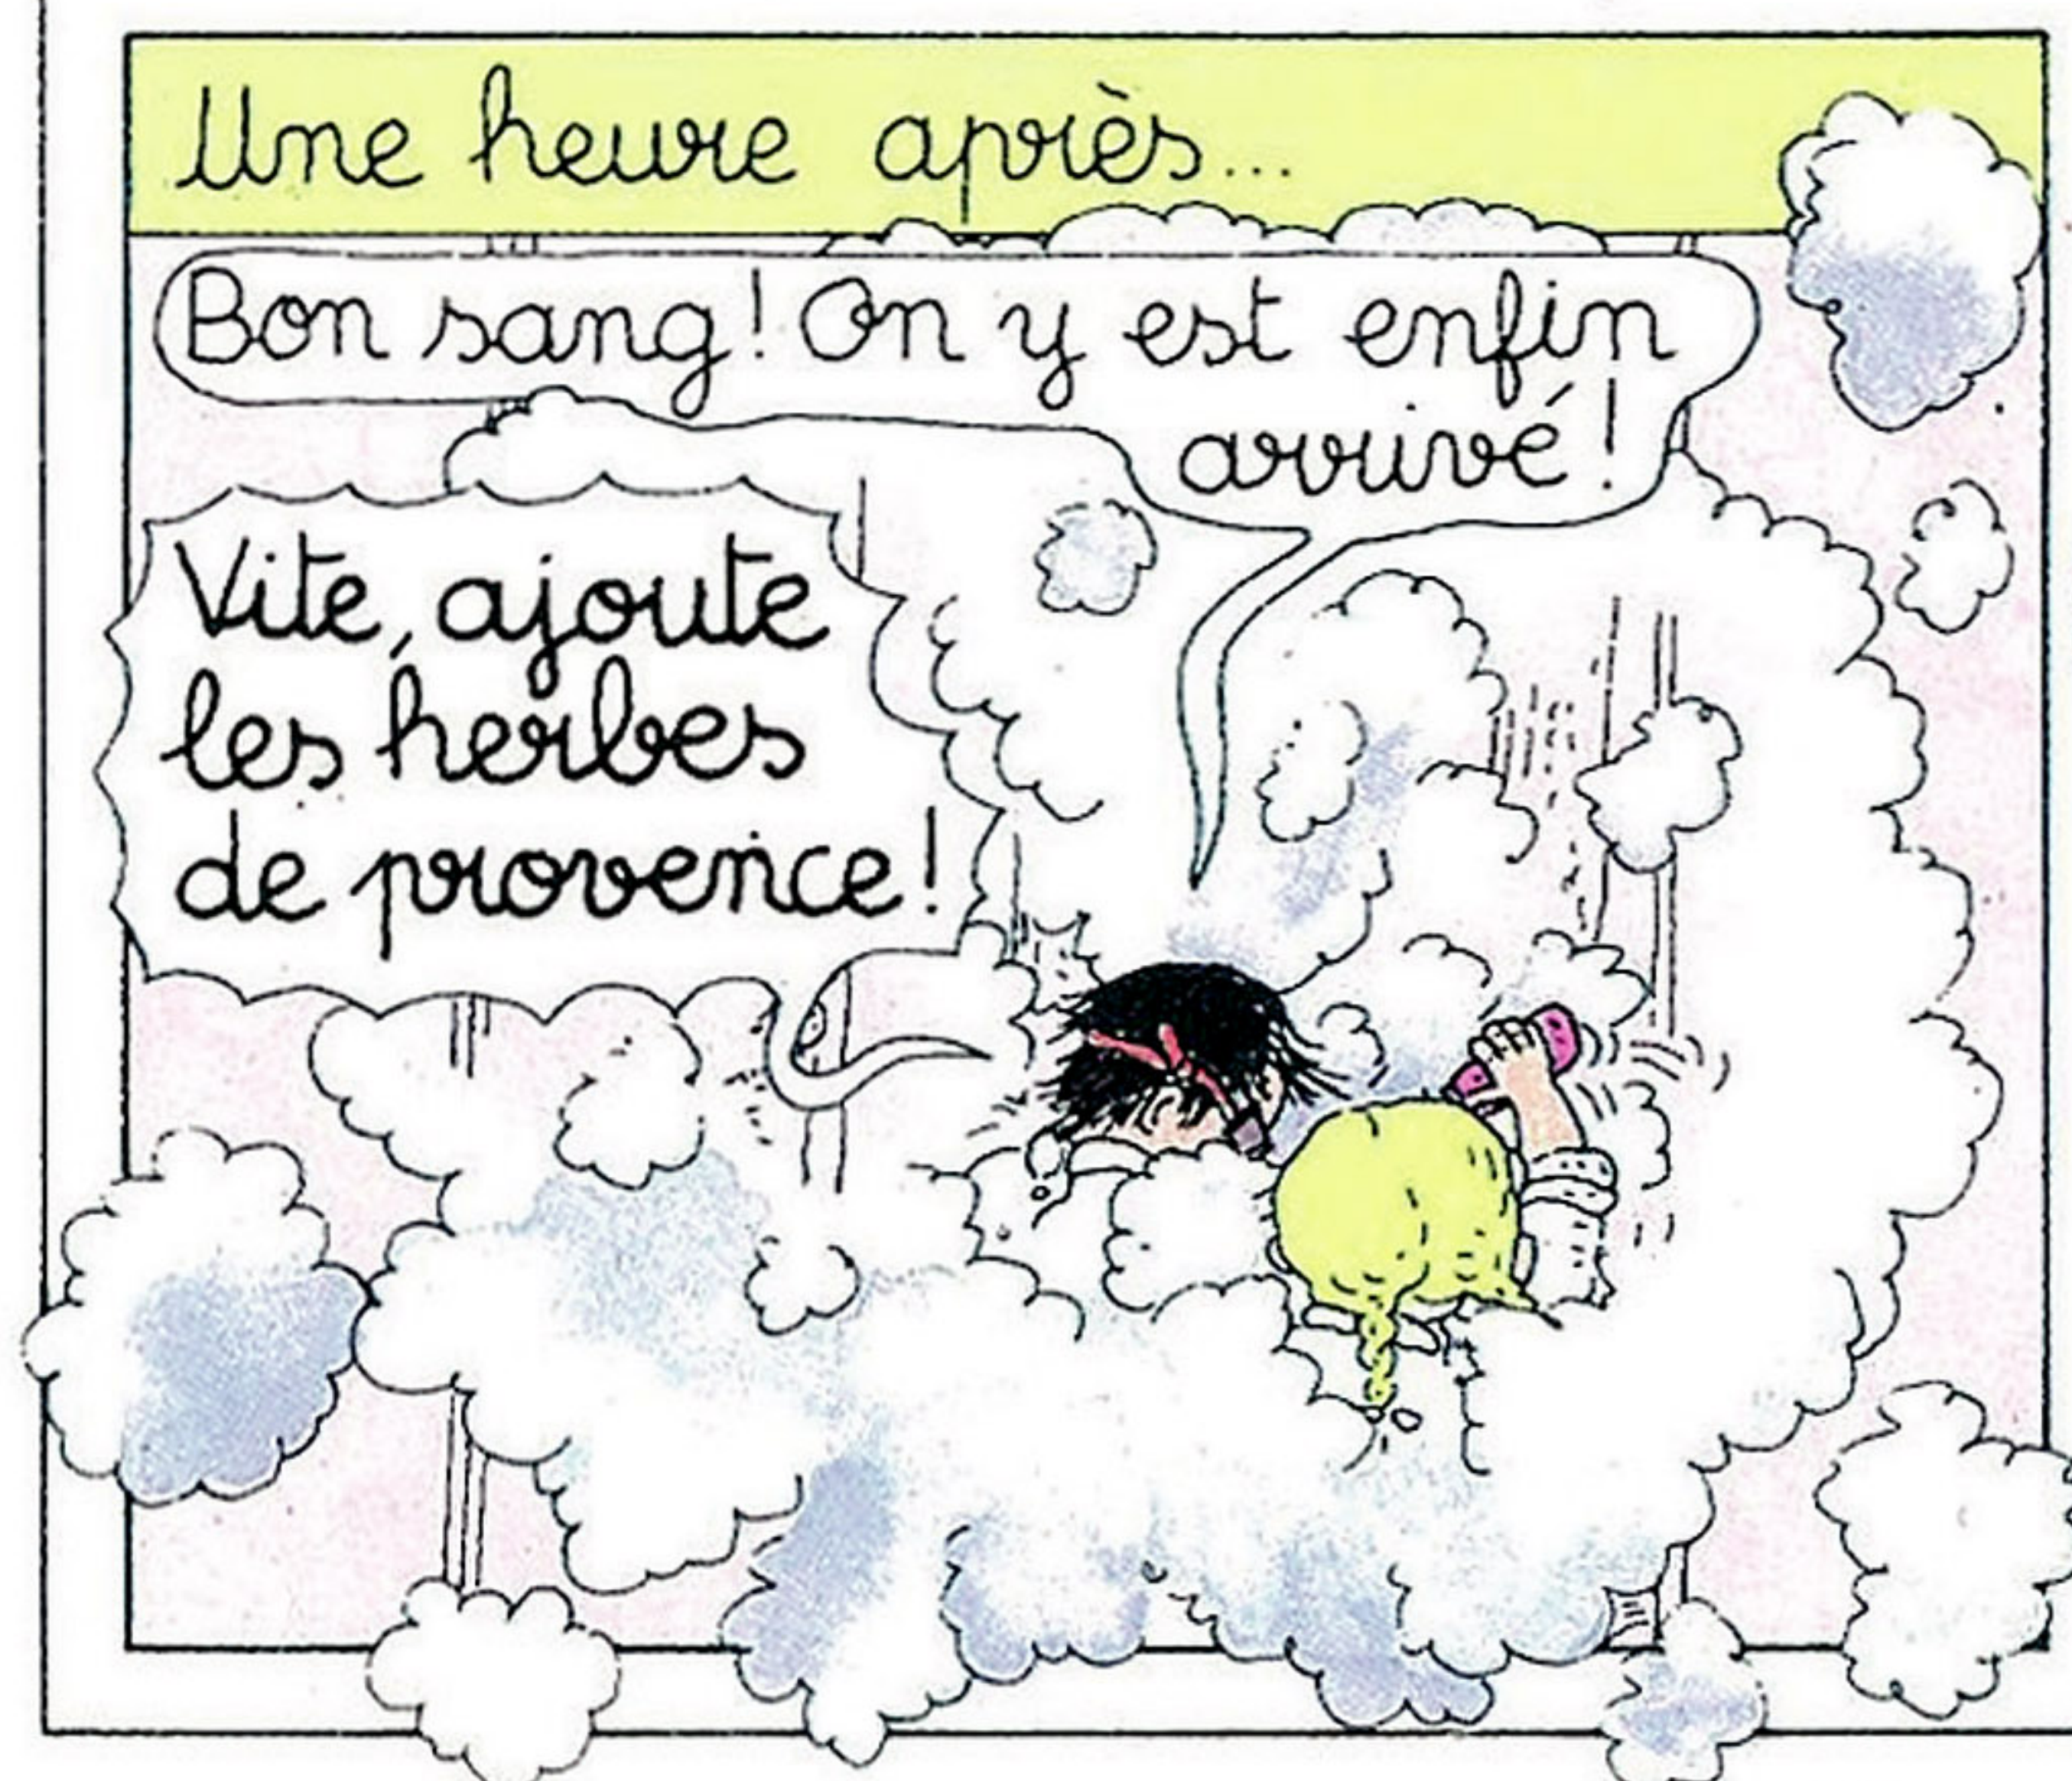

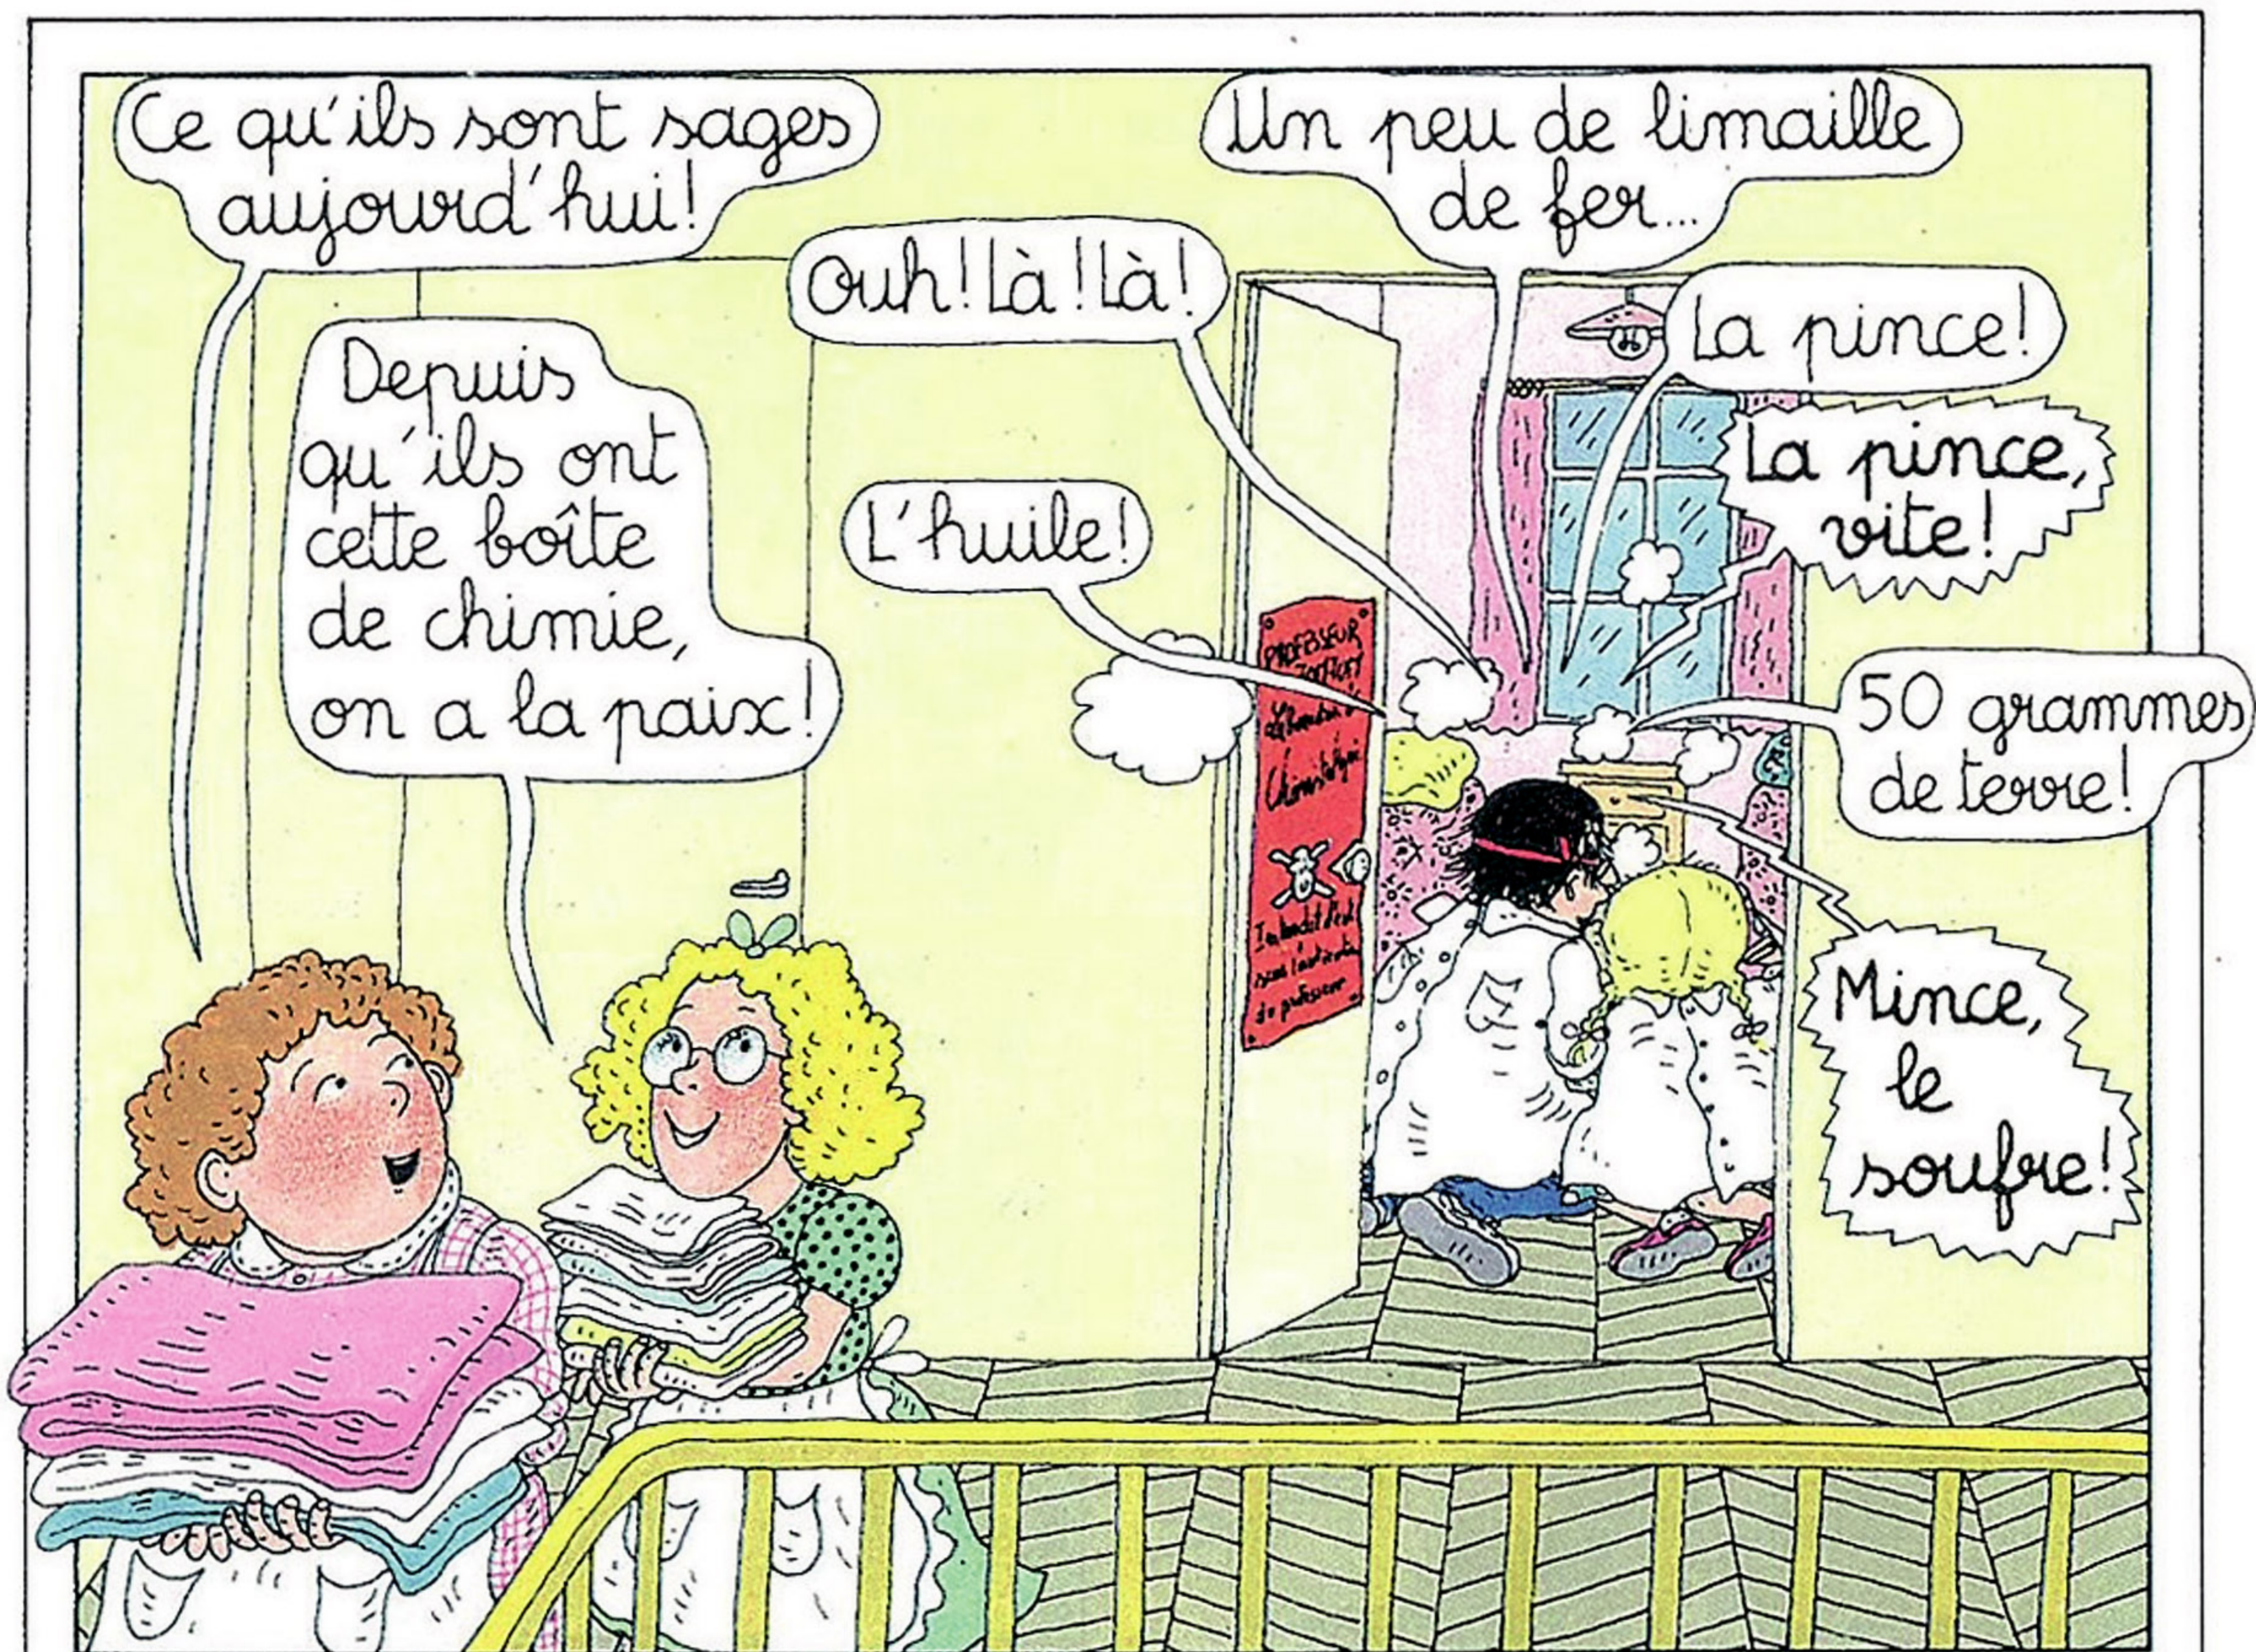

Nos steak-frites seront aussi réussis!

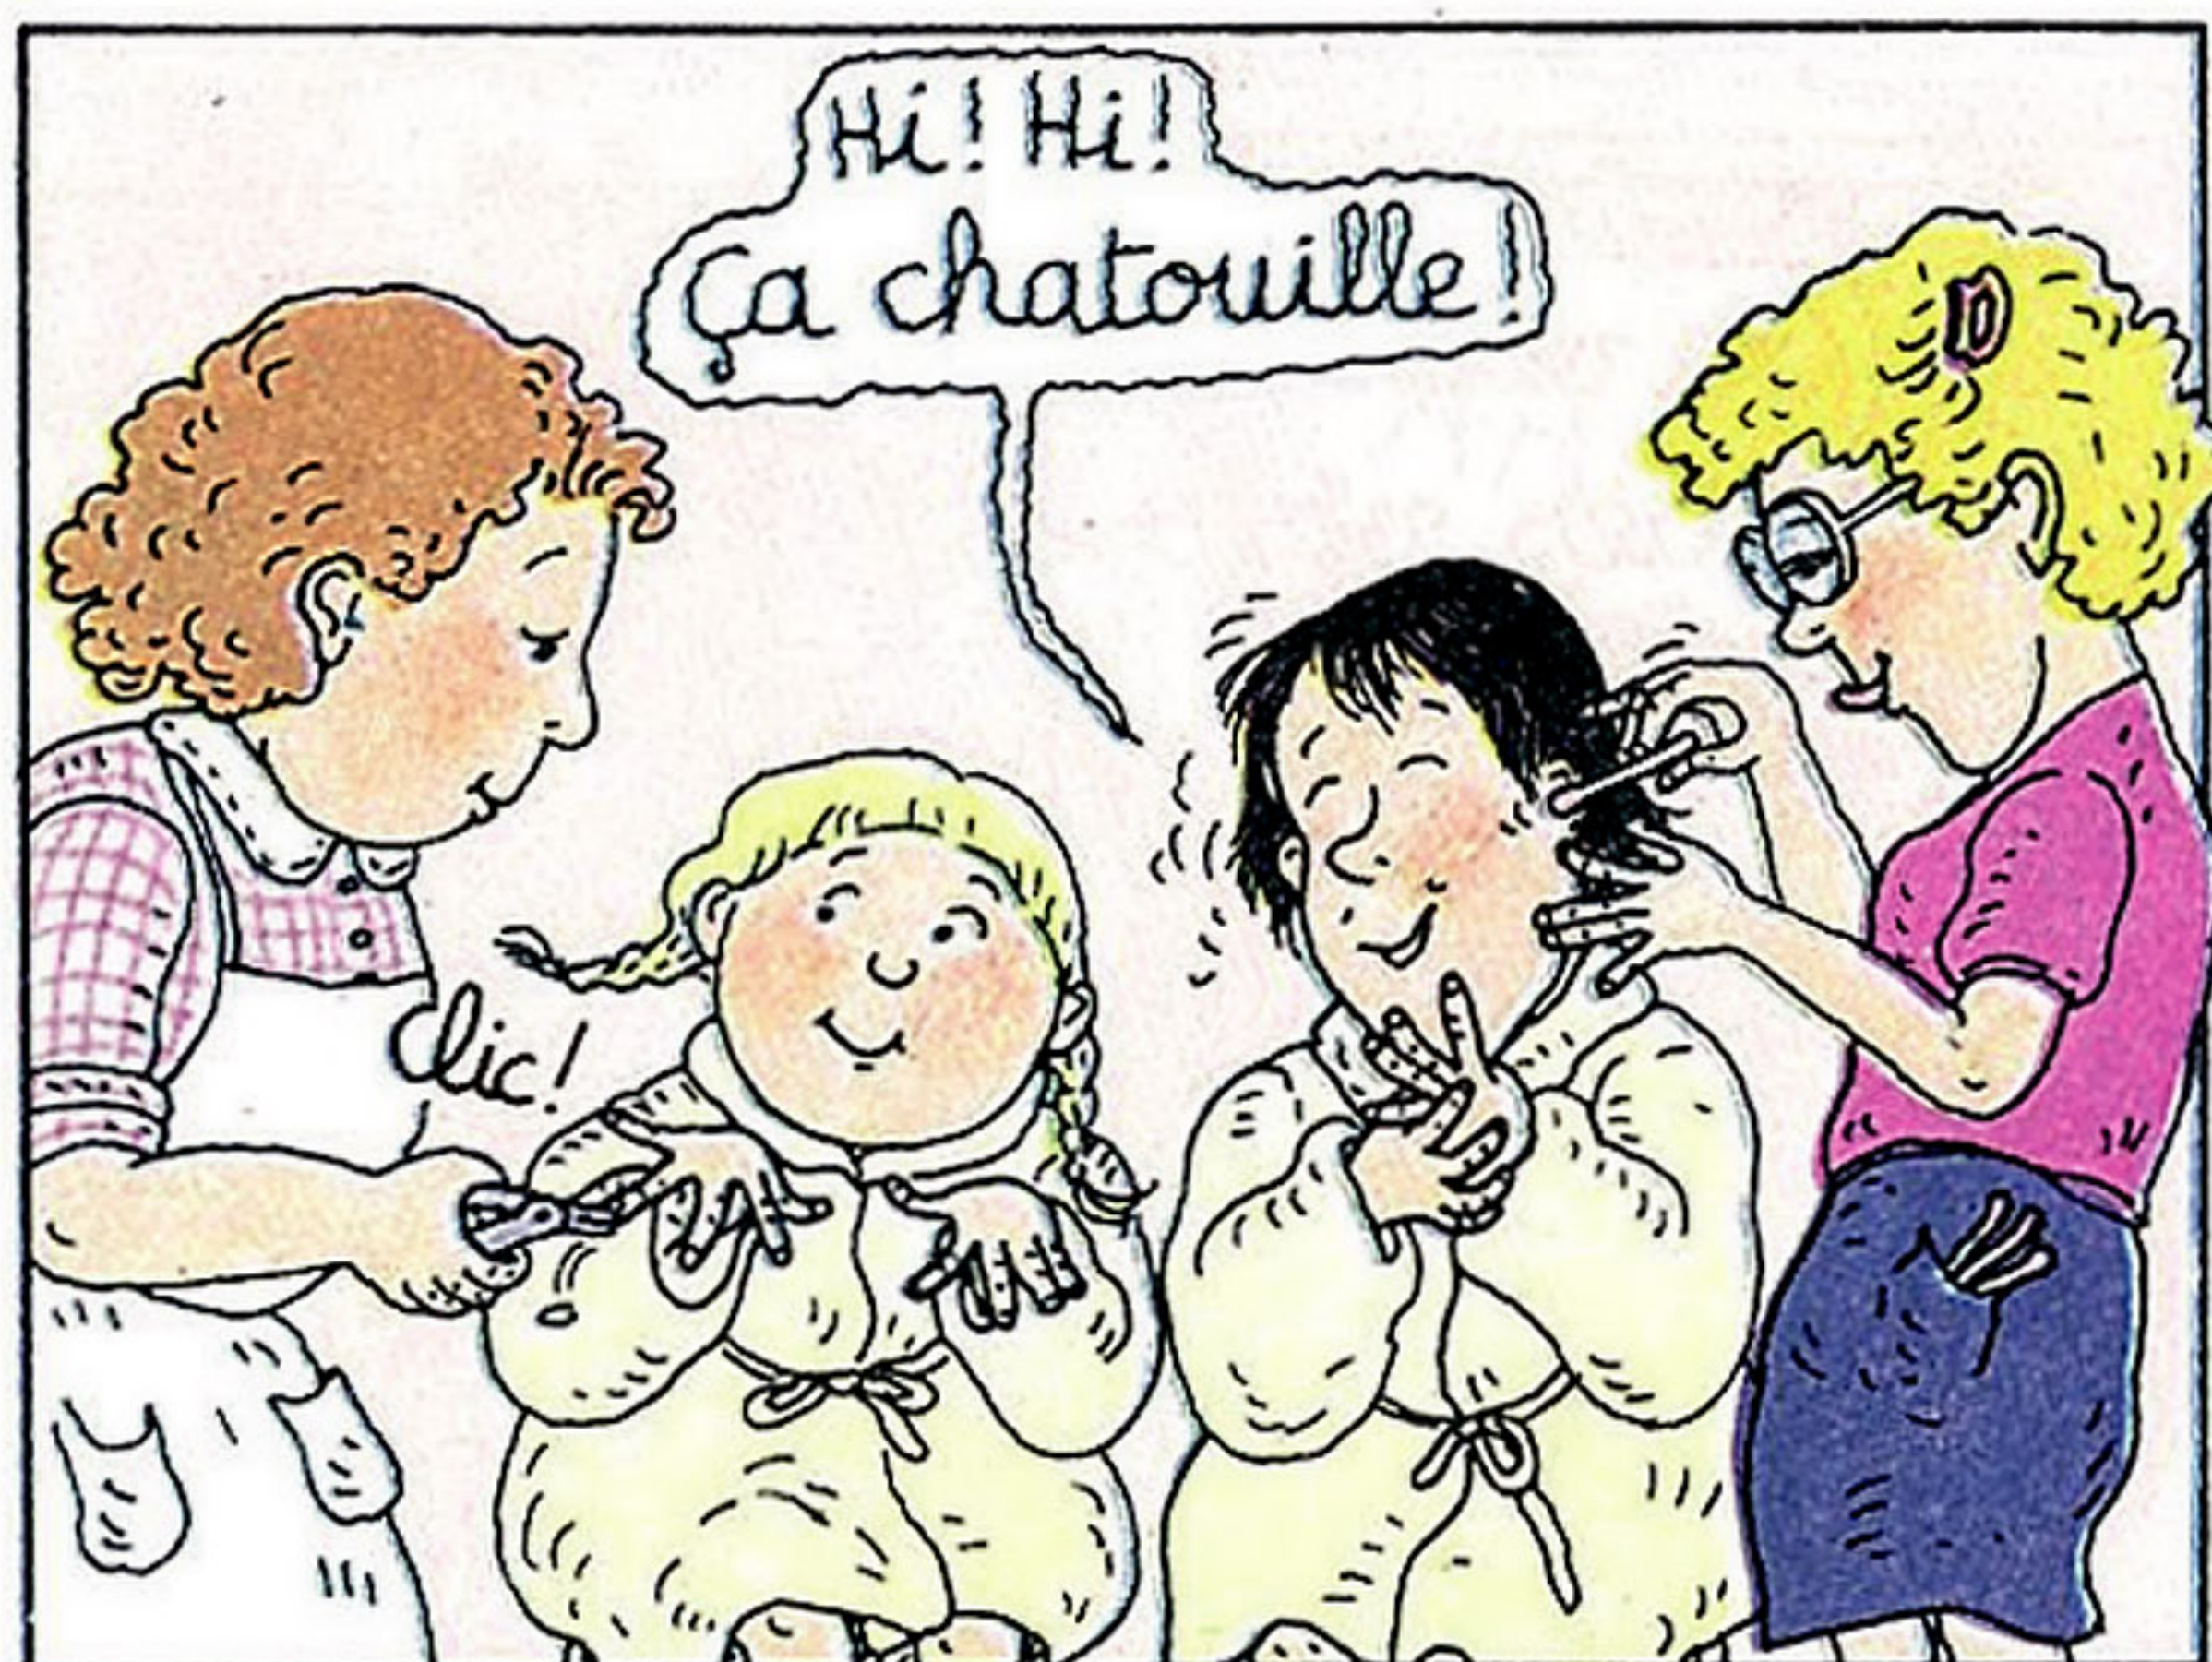

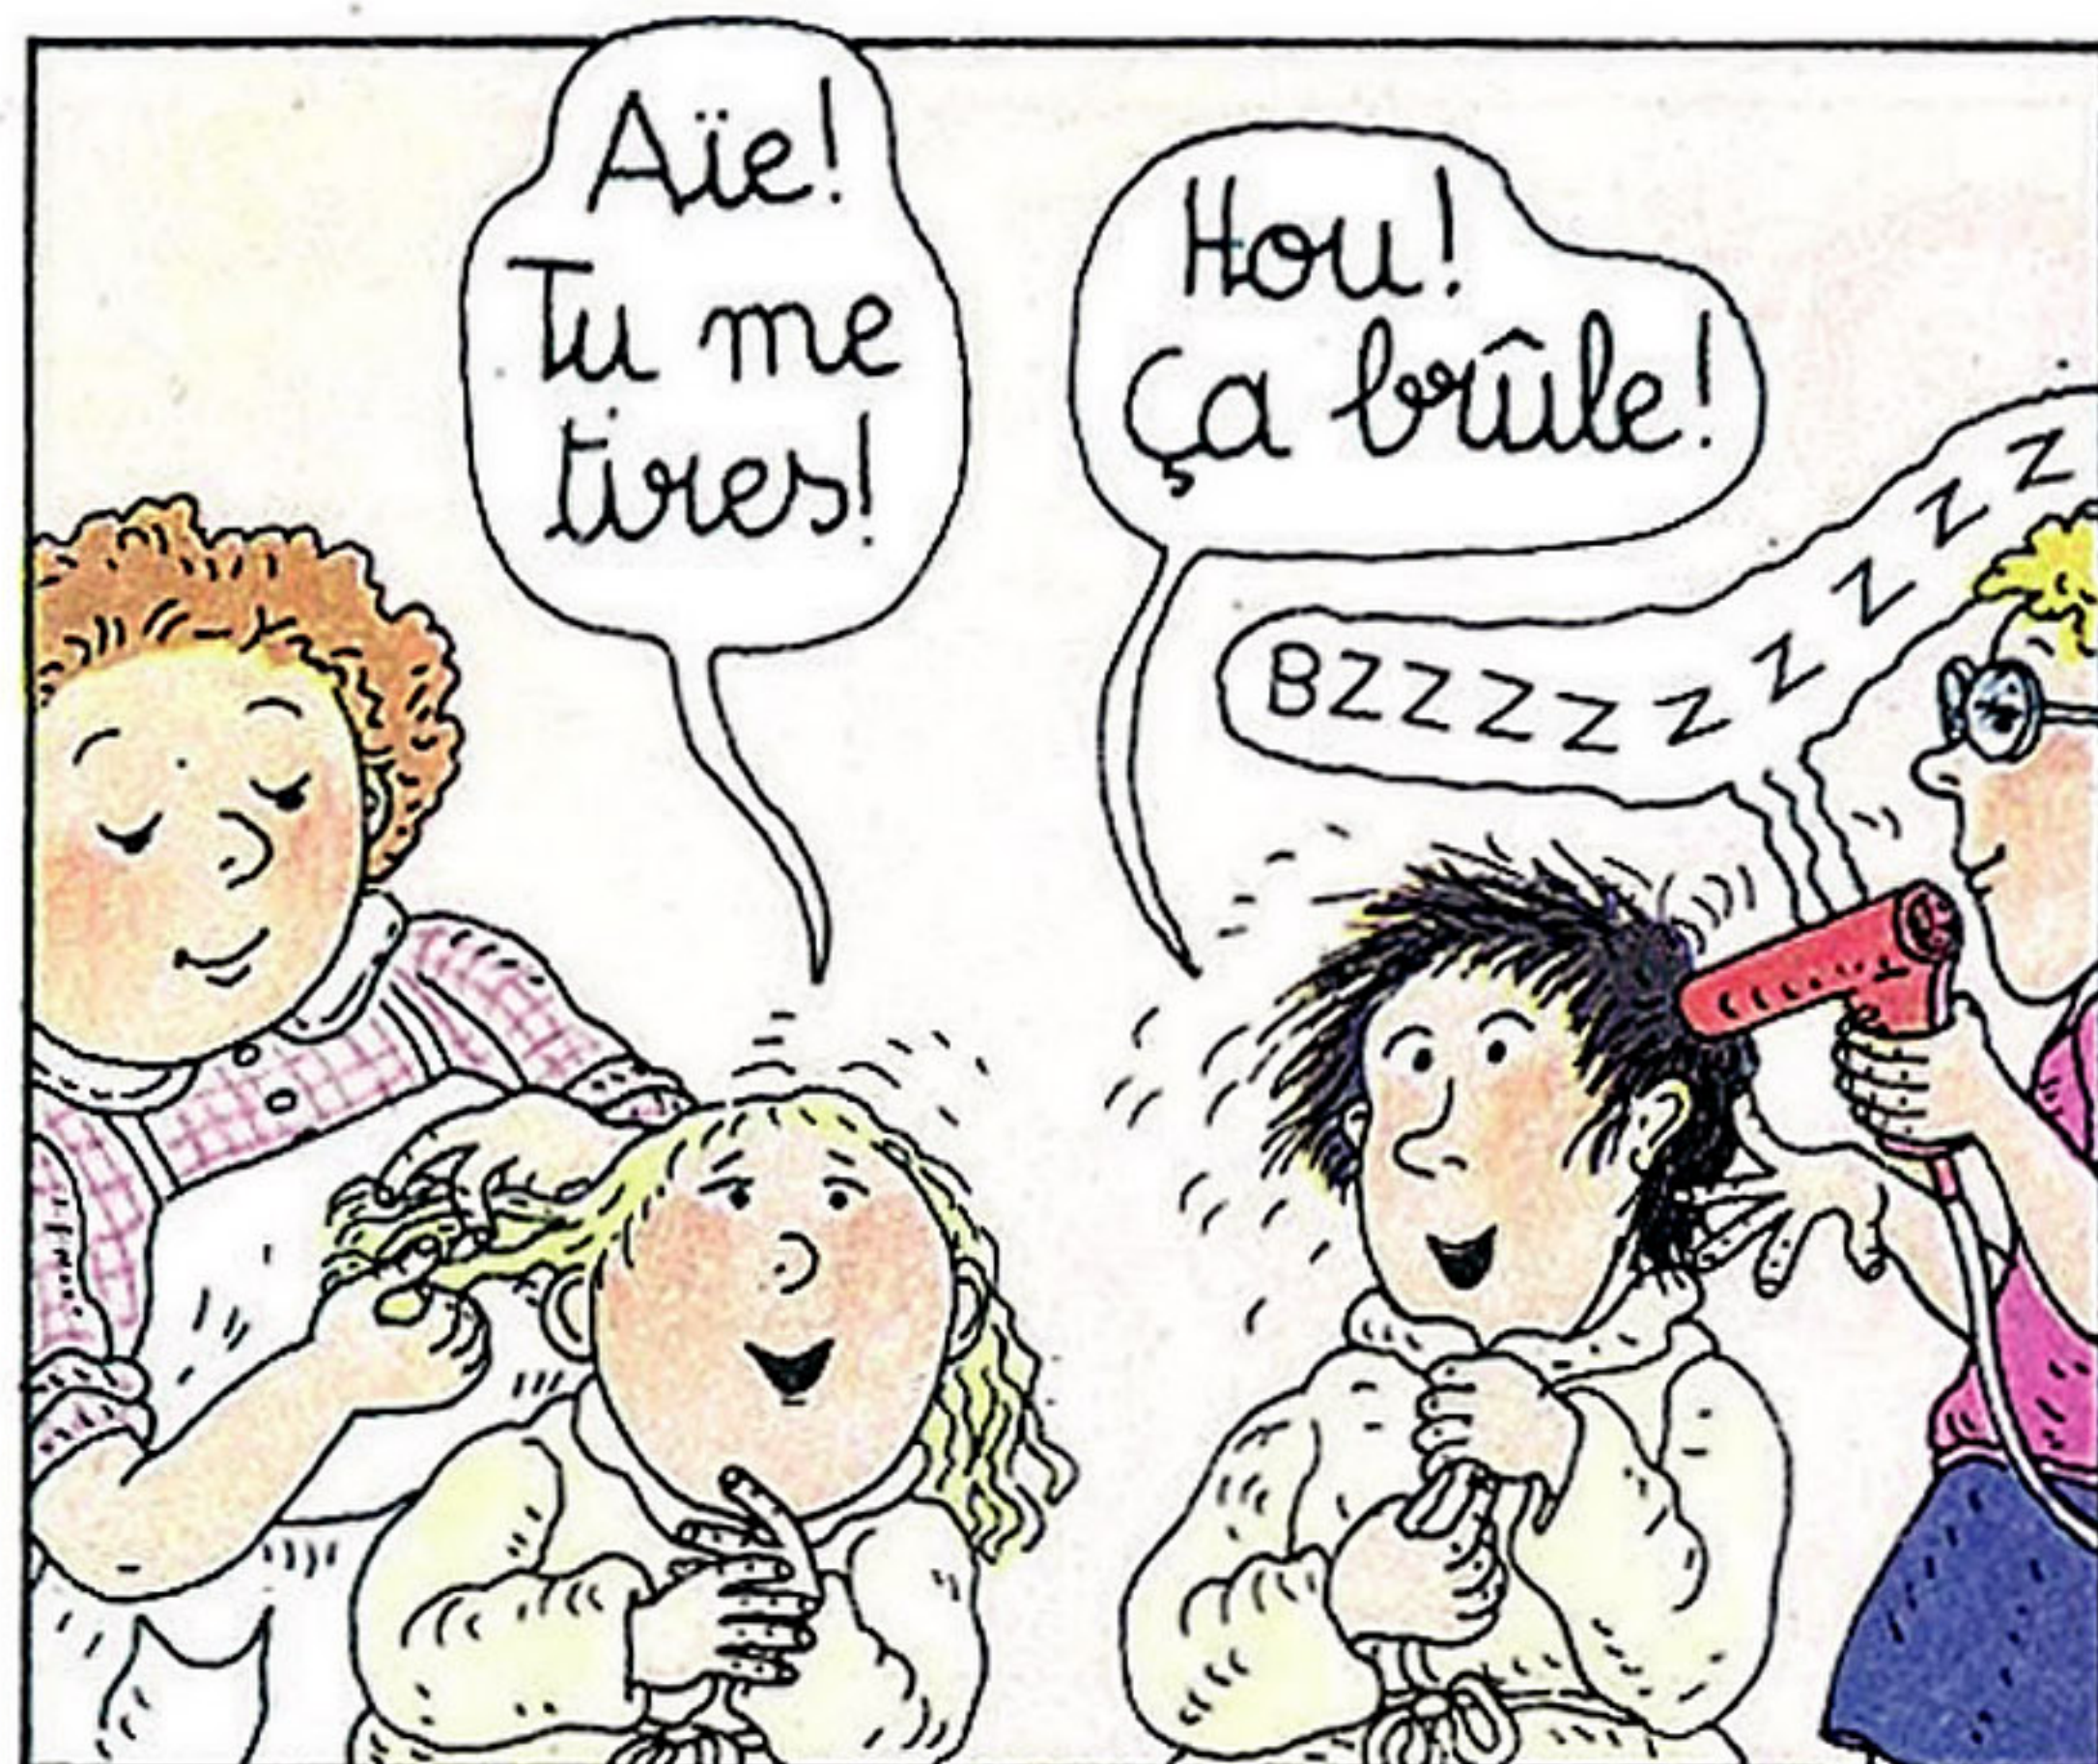

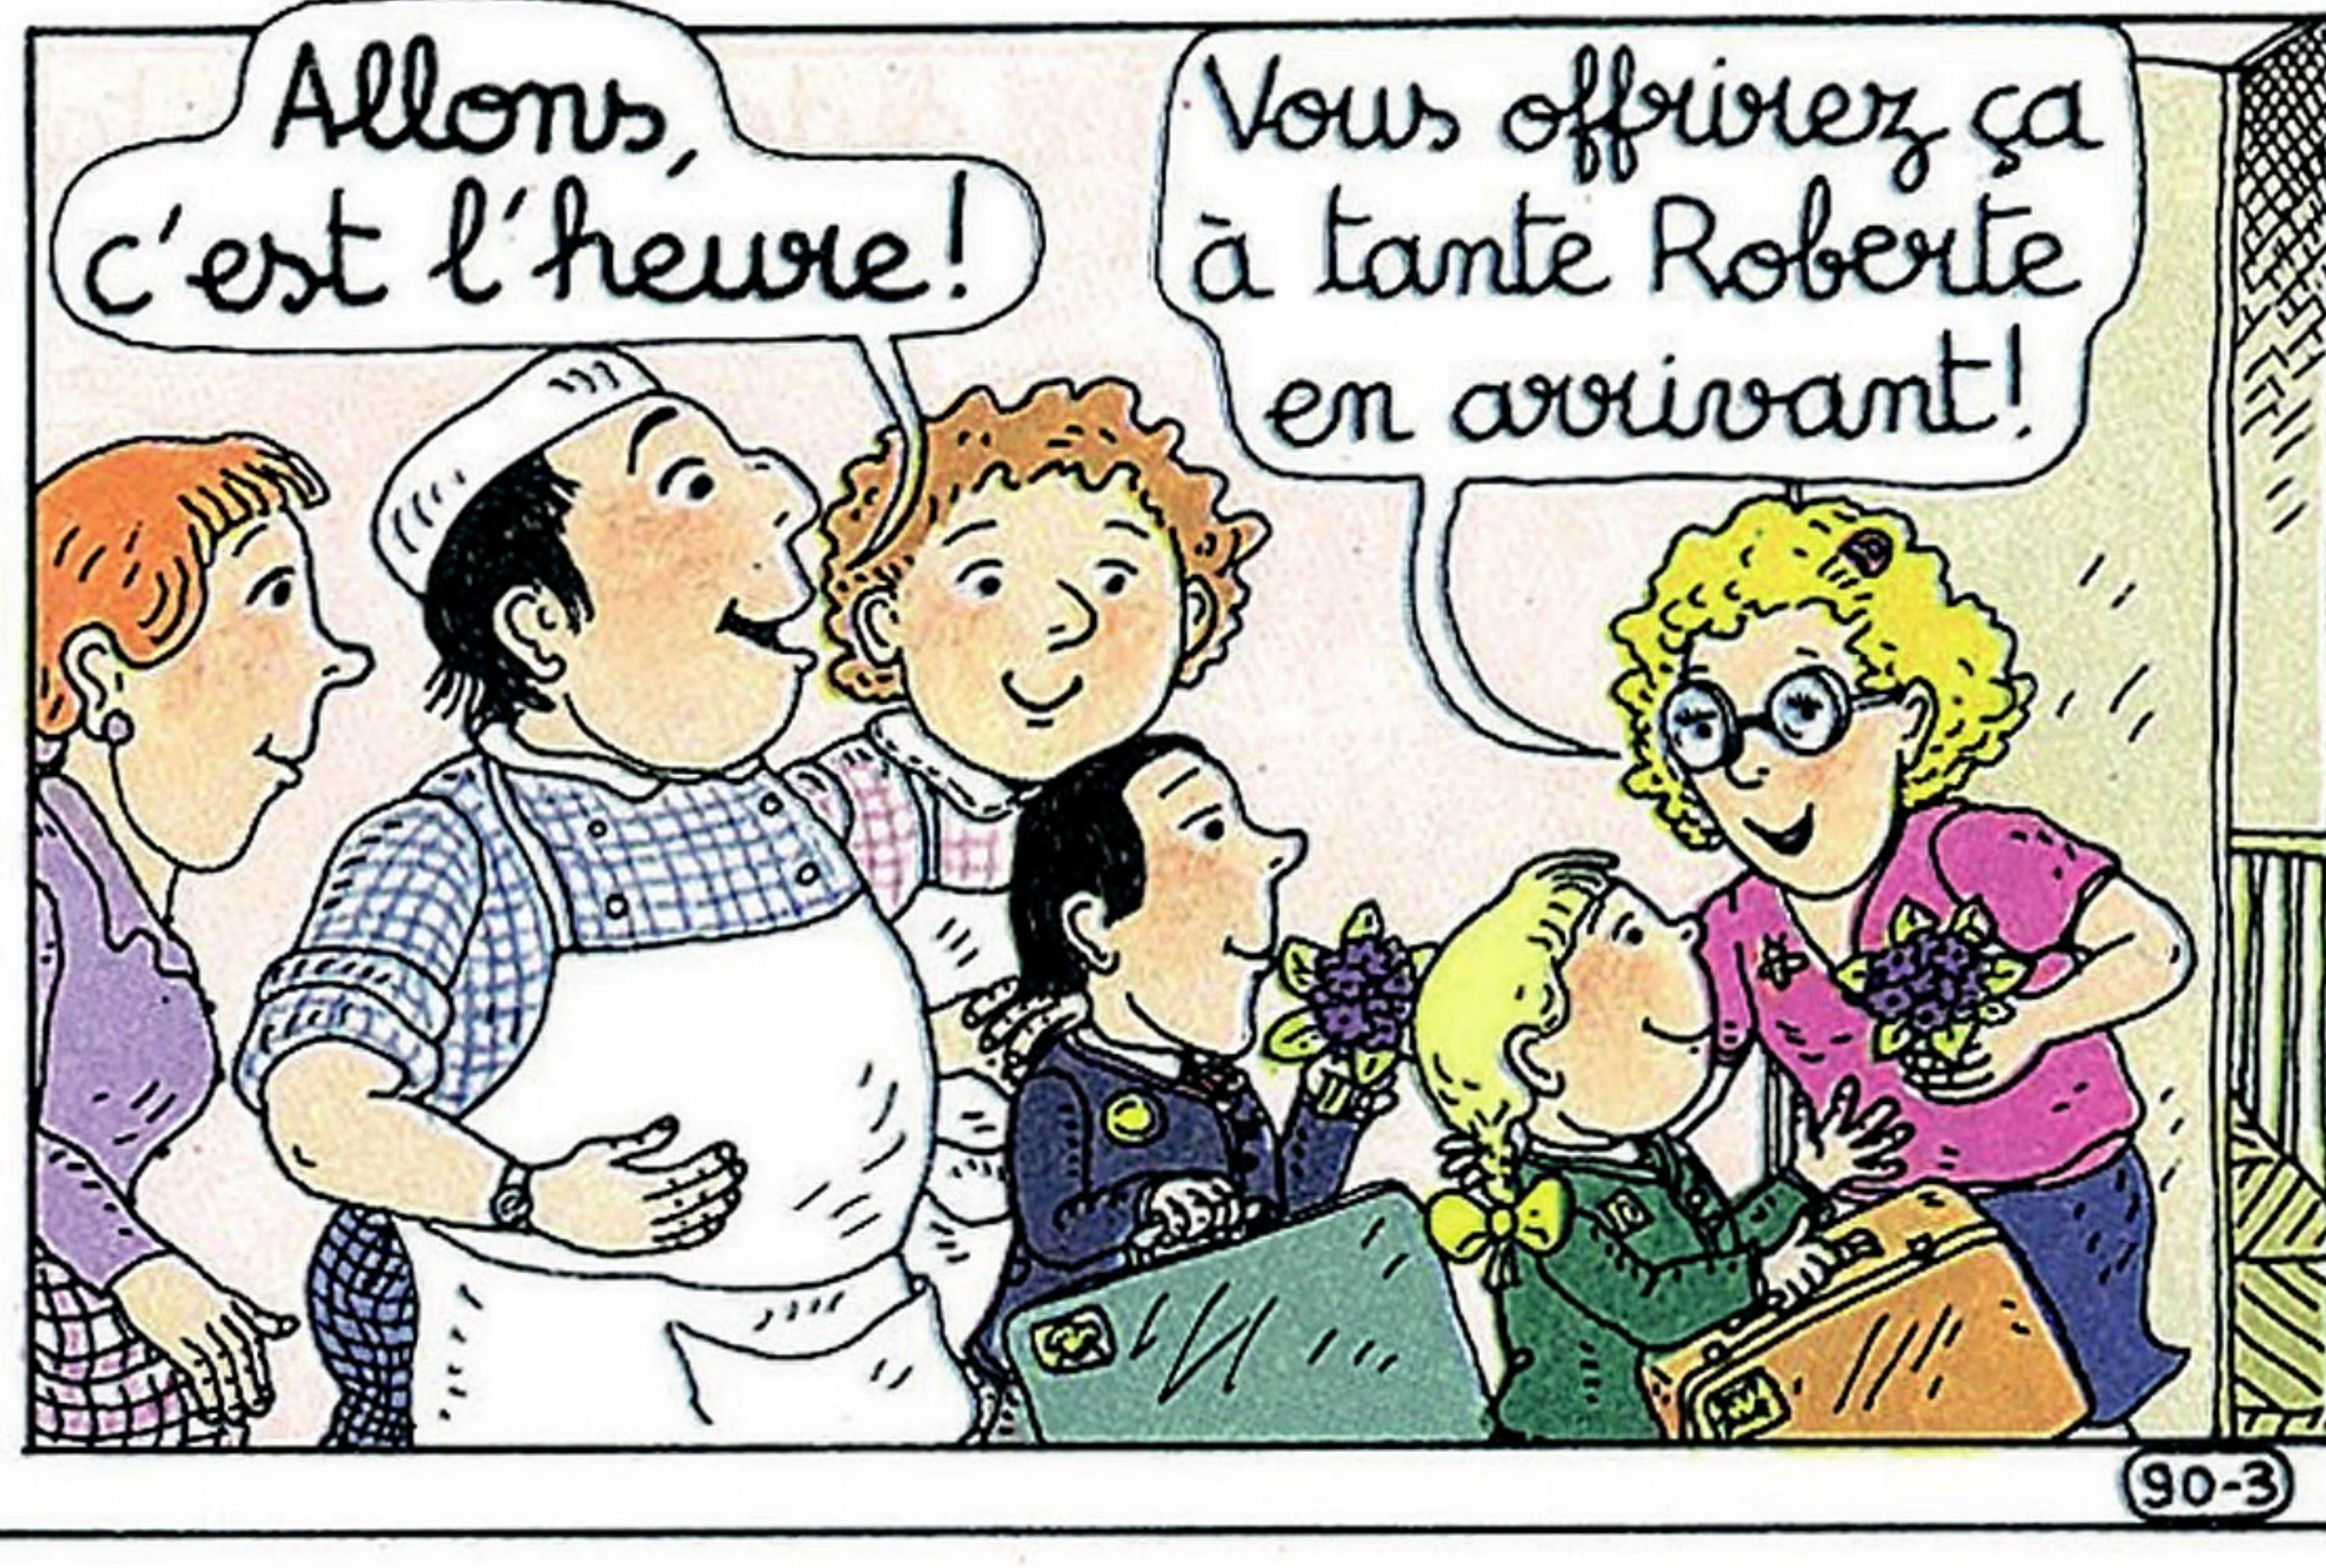

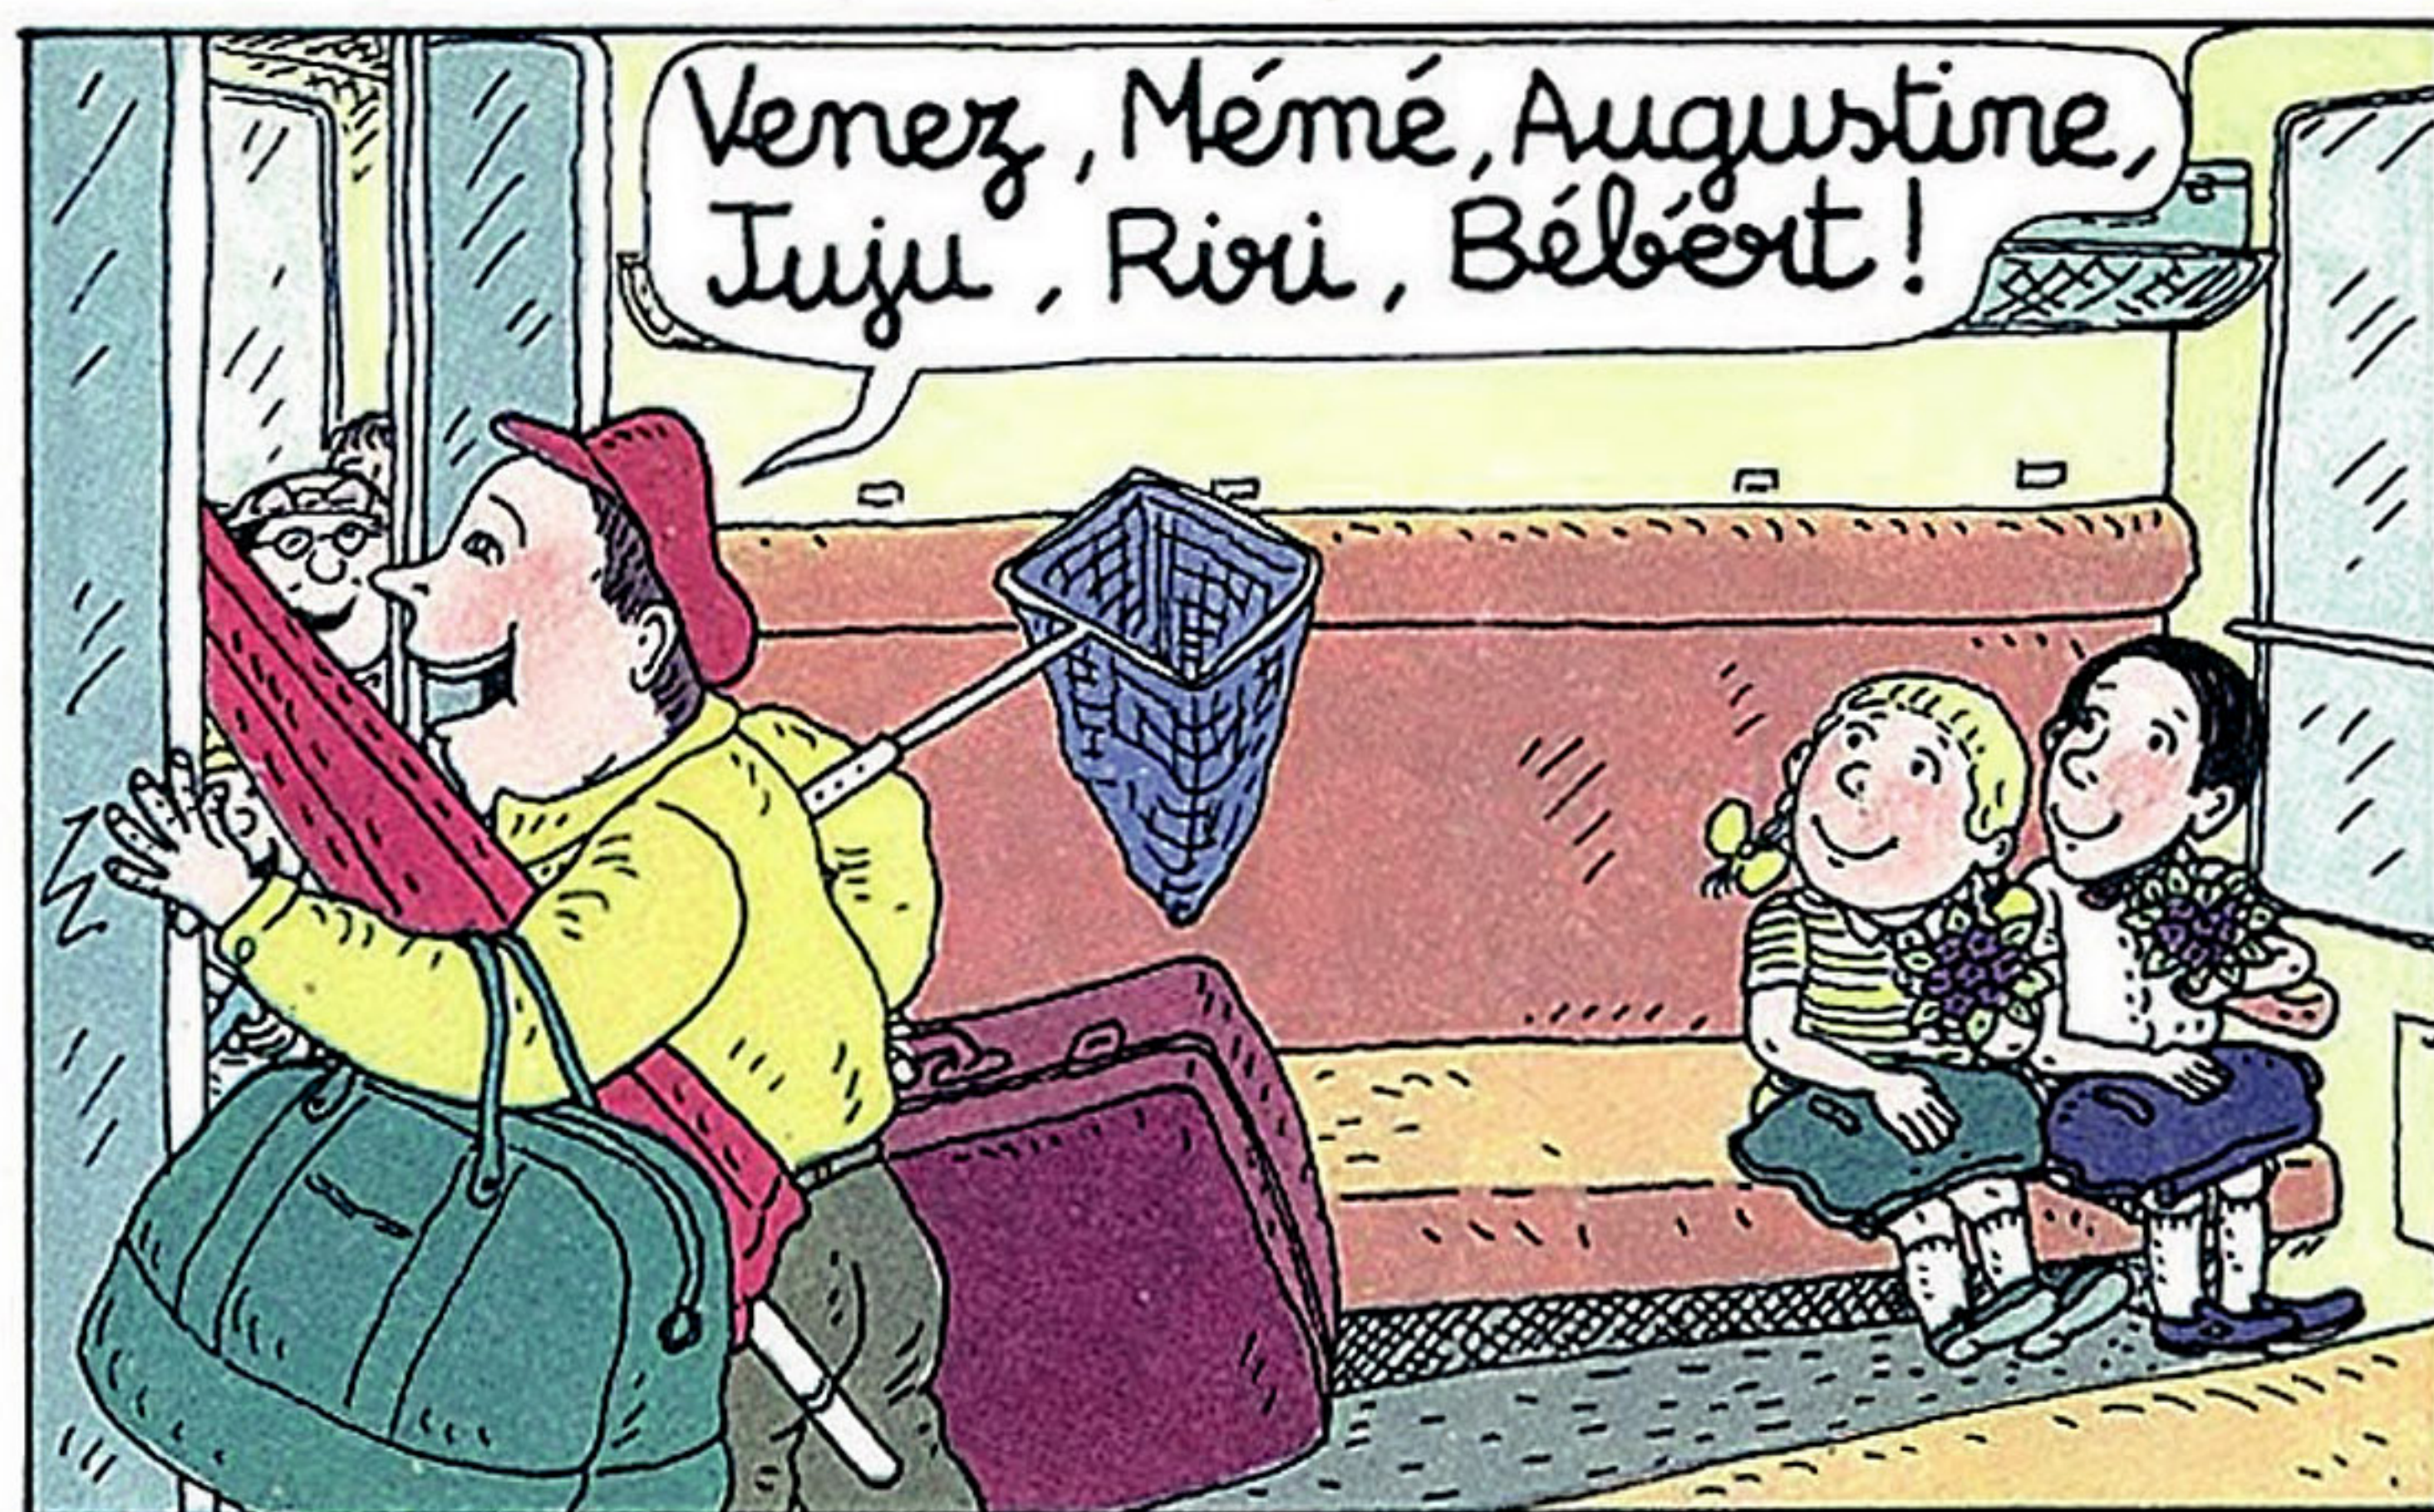

En route pour Bouzy-les-priés
